## Early voting begins October 19 in Amendment Election

Early voting begins Monday, October 19, 2015, and will run through Friday, October 30, 2015, for the upcoming Texas Constitutional Amendment Election. The election will be held Tuesday, November 3.

The explanations of the proposed amendments and the exact wording to be on the ballot for each of the seven are listed below.

### Proposition Number 1

SJR 1 - Current law provides an exemption of \$15,000 from the ad valorem taxation for public school purposes of a residence homestead. The proposed amendment would

increase this exemption to \$25,000, starting in the tax year beginning January 1, 2015. In order to reflect the increased exemption on the homestead of a person 65 years of age or older or a disabled person, the proposed amendment would provide a reduction to the current limitation on the total amount of ad valorem taxes. The proposed amendment would protect school districts from all or part of the revenue loss by authorizing an appropriation of funds according to formulas set by the legislature. In addition, the proposed amendment would authorize the legislature to prohibit a political subdivision from reducing or repealing a homestead exemption adopted by the political subdivision. Finally, the proposed amendment would prohibit the imposition of a tax on the conveyance of real property, but would not prohibit the imposition of a business tax measured by business activity, a tax on the production of minerals, a tax on the issuance of title insurance, or a change in the rate of a tax in existence on January 1, 2016.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the amount of the residence homestead exemption from ad valorem taxation

for public school purposes from \$15,000 to \$25,000, providing for a reduction of the limitation on the total amount of ad valorem taxes that may be imposed for those purposes on the homestead of an elderly or disabled person to reflect the increased exemption amount, authorizing the legislature to prohibit a political subdivision that has adopted an optional residence homestead exemption from ad valorem taxation from reducing the amount of or repealing the exemption, and prohibiting the enactment of a law that imposes a transfer tax on a transaction that conveys fee simple title to real property."

### Proposition Number 2

HJR 75 - In 2011, voters approved a constitutional amendment to allow a surviving spouse of a 100 percent or totally disabled veteran an exemption from ad valorem taxation from all or part of the market value on the disabled veteran's residence homestead, as long as the surviving spouse had not remarried. The amendment did not apply to surviving spouses of veterans who died before 2011. This amendment would extend the exemption in such cases. The proposed amendment would apply only to ad valorem taxes imposed for a

 tax year beginning on or after January 1, 2016.

The proposed amendment would appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for an exemption from ad valorem taxation of all or part of the market value of the residence homestead of the surviving spouse of a 100 percent or totally disabled veteran who died before the law authorizing a residence homestead exemption for such a veteran took effect."

**Proposition Number 3**

SJR 52 proposes a constitutional amendment to repeal the requirement for the Comptroller of Public Accounts, the Commissioner of the General Land Office, the Attorney General, and any other officers elected statewide to reside in Austin, Texas, the state capital. Under current law, these statewide elected officers are required to reside in the capital of the State of Texas while in office. This amendment would not apply to the residency requirement for the Governor.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the requirement that state officers elected by voters statewide reside in the state capital."

**Proposition Number 4**

HJR 73 proposes a constitutional amendment that would grant the legislature the authority to pass statutes to allow a professional sports team chari-

table foundation to conduct charitable raffles under the terms and conditions imposed by general law. The laws passed under this authority may provide that the professional sports team charitable foundation may use proceeds from such charitable raffles to pay reasonable advertising, promotional, and administrative expenses. Any law enacted by this provision only applies to entities defined as professional sports team charitable foundations on January 1, 2016. Additionally, any law enacted by this provision may only allow charitable raffles to be conducted at games hosted at the home venue of the professional sports team associated with a professional sports team charitable

foundation.

The proposed amendment would appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit professional sports team charitable foundations to conduct charitable raffles."

**Proposition Number 5**

SJR 17 proposes a constitutional amendment which would increase from 5,000 to 7,500 the maximum total population threshold of a county that is allowed to construct and maintain private roads as long as the county imposes a reasonable charge for the work.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize counties with a population of 7,500 or less to perform private road construction and maintenance."

**Proposition Number 6**

SJR 22 proposes a constitutional amendment that would add the right to hunt, fish and harvest wildlife, including by use of traditional methods, in the Bill of Rights of the Texas Constitution. This right would be subject to laws and regulations intended to conserve and manage wildlife and to preserve the future of hunting and fishing. The proposed amendment would establish hunting and

fishing as the preferred method of managing and controlling wildlife in Texas. The proposed amendment is not intended to affect any law or provision related to trespass, property rights or eminent domain, and would not prevent the legislature from authorizing a municipality to regulate the discharge of a firearm in a populated area in the interest of safety.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment recognizing the right of the people to hunt, fish, and harvest wildlife subject to laws that promote wildlife conservation."

**Proposition Number 7**

SJR 5 proposes a constitutional amendment to dedicate a portion of revenues from (1) the state sales and use tax, and (2) the tax imposed on the sale, use, or rental of a motor vehicle, to the State Highway Fund (SHF). Under current law, these funds would be deposited to the General Revenue Fund. Money deposited to the SHF is intended to be used only to construct,

maintain, or acquire rights-of-way for public roadways other than toll roads; or to repay certain transportation-related debt.

The proposed amendment would appear on the ballot as follows:

"The constitutional amendment dedicating certain sales and use tax revenue and motor vehicle sales, use, and rental tax revenue to the state highway fund to provide funding for non-tolled roads and the reduction of certain transportation-related debt."

**Bronte ISD posts minutes**

The Bronte ISD Board of Trustees held a Board Meeting on August 25, 2015, immediately after the scheduled budget hearing at 6:30 pm. Those in attendance were: Board Members: Shane Kelton - President, Nick Arrott, David McWright, John Seales, Blake Braswell, Ashley Braswell; Administration: Tim Siler - Superintendent and Nancy Cooper; and guests: Maureen Youngblood and Heather Middleton

The Bronte ISD Board of Trustee Meeting was opened at 6:45 pm with a prayer by David McWright.

A quorum was established with six members present.

There were no audience items. The minutes of the previous meeting were presented and one correction was noted. The board came out of executive session at 8:27 pm. David McWright made a motion to accept the minutes as corrected, which was seconded by Nick Arrott. Ayes: 6, Nays: 0, Motion passed.

The bills were presented by Mr. Siler. Motion was made by Blake Braswell and seconded by Ashley Braswell to approve payment of the bills. Ayes: 6, Nays: 0, Motion passed.

Mr. Siler presented the principal's reports. Enrollment stands at 261 students in all classes. The Elementary campus has 130 students while the Secondary campus has 131 students. It was noted that these numbers could vary by 4 to 5 students either way since the reporting was not finalized at this time, (the school experienced a significant computer server issue at the start of classes which kept final numbers from being processed). Mr. Siler also noted that the pre-K, kindergarten, and first grade classes appear to have increased overall while grades 4 thru 6 are smaller.

Mr. Siler also noted that this server issue happened last year but the district avoided significant loss this year due to data back-ups. The board discussed future action to consider updates or upgrades to the district's technical infrastructure to avoid these issues.

Mr. Siler presented and the board discussed the EIC (Local) policy and also the connection with this policy to EIF. These changes mainly dealt with changes stemming from House Bill 5 from the Texas legislature. During the discussion it became apparent that policy EIF may also need changes. This item was tabled until the next regular board meeting.

Mr. Siler presented this policy for board adoption. The policy is identical to the one presented last year but required annual board approval. Nick Arrott made motion that the board approve the policy as presented. David McWright seconded the motion. Ayes: 6, Nays: 0, Motion passed.

The current state of the 2014-2015 budget was presented by Mrs. Cooper and Mr. Siler. Based on issues discussed below the district will finish with a budget deficit for last year. No action was taken to amend the budget.

Mr. Siler presented the superintendents' reports to the Board.

Mr. Siler discussed in more detail the district budget for the past year. The district was able manage the budget so that ~88% of the budget was expended; which was a significant savings for the district. Unfortunately due to less tax collections by the county than anticipated only ~93% of

the revenues expected were actually achieved which resulted in a final deficit of over ~\$130,000. It was noted by the Board that this was the lowest deficit for the district since the prison closing and that the district worked diligently to balance the budget.

Budgetary items 2014-2015 / 2015-2016: No new items were presented for budgetary items.

This old football stadium property was sold by the district.

There were no new marketing updates.

The Board next considered the following improvements.

A. Gray House: Shane Kelton made a motion for the Board to approve the sale and removal of the Gray House located at 320 W. McCaulley, Bronte Texas, and authorize the Superintendent to publish notice of the proposed sale, and receive and open sealed proposals, and present said proposals to the Board of Trustees. Motion was seconded by Ashley Braswell. Ayes: 6, Nays: 0, Motion passed.

The 2015-2016 budget was presented by Mr. Siler and Mrs. Cooper. Motion to accept the 2015-2016 budget as presented was made by David McWright. Motion seconded by John Seales. Ayes: 6, Nays: 0, Motion passed.

A motion to adopt the 2015-2016 tax rate at \$1.04 as presented and discussed for both Coke county and Runnels county was made by Blake Braswell. Motion seconded by Nick Arrott. Ayes: 6, Nays: 0, Motion passed.

Mr. Siler presented the fractional funding request for the district from TEA. Nick Arrott made a motion to approve the

request for fractional funding from TEA. Motion seconded by Blake Braswell. Ayes: 6, Nays: 0, Motion passed.

The Board entered into executive (closed) session at 7:44 pm and reconvened in regular (open) session at 8:19 pm.

No actions were taken on personnel items.

No updates were given on the TASA/TASB Convention.

No TASB delegates were selected.

Ashley Braswell made a motion and David McWright seconded to adjourn at 8:23 pm.

\*\*\*

The meeting convened at 7:43 pm with a prayer by Blake Braswell.

A quorum was established with six members present.

The Board entered into executive (closed) session at 7:44 p.m.

**Fire Safety!** Goodfellow Fire Department brought their educational fire safety trailer to Bronte Elementary. Third and fourth graders were able to learn how to use a 3-in-1 tool to break windows safely, how to use a fire extinguisher to extinguish a fire, exit a smoke-filled room, and climb out of a window if that is the only exit. They also learned safety tips for the kitchen and safety tips for the bedroom. Escape plans and meeting spots were also discussed. The third and fourth graders will be more prepared in case they ever do have a house fire.
