## Arrott, Harendt receive recognition at Banquet

By Erin M. Oleksiuk, District Technician, Coke County SWCD

Coke County Soil and Water Conservation District winners attended the San Angelo Area Conservation Awards Banquet on March 31, in Wall, Texas.

LeDrew Arrott of Bronte was recognized as the 2015 Conservation Rancher and Nikkole Harendt, also from Bronte, was awarded the Poster Contest Winner from Coke County.

Mr. Arrott was accompanied by his wife, Bobbie, and many members of the Arrott family. Mr. Arrott has been a valuable member of the area all his life; born in Poverty Canyon and working the land south of Bronte on the family ranch. Not only has he been able to perform his own brush management practices, Mr.

Arrott has served the public through the years as a contractor. Mr. Arrott continues to stay active in the community by serving on several boards, but his favorite seat is the one in his excavator.

Miss Nikkole Harendt was accompanied by her parents, Jeremy and Tiffany Harendt, and her younger sister, Jorja. Miss Harendt created a beautiful poster after listening to a presentation about local pollinators. Her poster included bees and hummingbirds enjoying the spring flowers, the nighttime pollinator, the bat, and colorful butterflies. Miss Harendt drew the earth in the center to represent all the pollinators working together.

Both were presented with a plaque and enjoyed a delicious steak dinner.

### Conservation Winners!

## 5 Ways to Spot a Lottery Scam

Robert Lee State Bank warns community about popular scam

According to the FBI, in 2014 consumers lost more than 8 million to solicitation scams promising in-state wealth and grand prize earnings. These scams, commonly referred to as the "advance fee", "lottery" or "sweepstake" scam, involve fraudsters issuing counterfeit checks and fake award letters to consumers who have allegedly won a lottery or sweepstake raffle. The consumer, who most likely never entered the alleged drawing, is issued a check worth more than the amount owed and instructed to pay taxes and fees before receiving their lump sum payment. Unfortunately, the check—in addition to the raffle—is bogus.

"Consumers fall victim to lottery and sweepstake scams at alarming rates, it's extremely important for Consumers to recognize the red flags associated with this type of fraud before they deposit any check they weren't expecting or send money to an unknown recipient by check or electronic wire."

Before you participate in any lottery or sweepstake, Robert Lee State Bank encourages you to keep these tips in mind:

- Don't be fooled by the appearance of the check. Scam artists are using sophisticated technology to create counterfeit checks that mirror the appearance of legitimate checks. Some are counterfeit money orders, some are phony cashier's checks and others look like they are from legitimate business accounts. The companies whose names appear may be real, but someone has dummed up the checks without their knowledge.

- Never 'pay to play'. There is no legitimate reason for someone who is giving you money to ask you to wire money back or send you more than the exact amount—that's a red flag that it's a scam. If a stranger wants to pay you for something, insist on a cashier's check for the exact amount, preferably from a local bank or one with a local branch.

- Verify the requestor before you wire or issue a check. It is important to know who you are sending money to before you send it. Just because someone contacted you doesn't mean they are a trusted source.

- Ensure a check has "cleared" to be most safe. Under federal law, banks must make deposited funds available quickly, but just because you can withdraw the money doesn't mean the check is good, even if it's a cashier's check or money order. Be sure to ask if the check has cleared, not merely if the funds are available before you decide to spend the money.

- Report any suspected fraud to your bank immediately. Bank staff are experts in spotting fraudulent checks. If you think someone is trying to pull a fake check scam, don't deposit it—report it. Contact your local bank or the National Consumers League's Fraud Center,

fraud.org.

**CITY OF ROBERT LEE  
PUBLIC NOTICE TO  
BOIL WATER  
MARCH 30, 2016**

Due to reduced pressure resulting from a water main break, the Texas Commission on Environmental Quality (TCEQ) has required the City of Robert Lee's Water Treatment Plant to notify all customers to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and for making ice should be boiled and cooled prior to consumption. The

water should be brought to a vigorous rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

When it is no longer necessary to boil the water, the water system officials will notify you in the same manner as this notice.

April 1, 2016 - Water Samples were received resulting in negative coliform bacteria and the boil notice was rescinded at 4:00 p.m.

If you have questions regarding this matter, you may contact City Hall at 325-453-2831.

**Coke County participates in program**

Cleaning trash from area roadways may not be a glamorous job, but it is one that has attracted 15 Adopt-a-Highway groups in Tom Green County to volunteer their time this Saturday as part of this year's "Don't mess with Texas" Trash-Off. In the 15-county San Angelo District, more than 600 volunteers and 53 groups are expected to participate in events in Ballinger, Big Lake, Eden Junction, Sonora, Ozona, Robert Lee, Rocksprings and Leakey. Last year these groups collectively picked up 4.4 tons of litter.

The annual event is a partnership between the Texas Department of Transportation (TxDOT) and Keep Texas Beautiful. It is the single, largest one-day cleanup event in the

state when thousands of volunteers pick up litter on roadways to keep Texas highways clean and beautiful. The cleanup is conducted in conjunction with the Great American Cleanup, which takes place annually across the nation from March 1 through May 31.

Every year more than 1 billion pieces of litter accumulate on Texas highways leaving taxpayers paying to clean it up. This litter is not only ugly but also expensive. Last year, TxDOT paid contractors \$160,000 to pick up 6.8 tons of litter just in Tom Green County- statewide the agency spent more than \$32 million on litter pickup. It is estimated that the Adopt-a-Highway groups, who clean their two-mile section of highway four times each year, save TxDOT \$3 million dollars each year statewide.
