Ceremony and Reception set for Ft. Chadbourne

On Saturday, November 18, 2017, at 11 am, the Fort Chadbourne Foundation will be dedicating a Gold Star Families Memorial Monument, followed by a reception inside the Visitor Center. A Gold Star Family is any family that has lost a loved one while serving our country. WWII Medal of Honor recipient Hershel Woody

Williams will be present at the dedication and reception to visit with guests. He was awarded the Medal of Honor for his actions on Iwo Jima.

A few years ago Woody Williams established the Hershel Woody Williams Medal of Honor Foundation to honor Gold Star Families. It was his desire to place these monuments all over the United States. The one being dedicated at Fort Chadbourne will be the first one in the West Texas area.

The purpose of the Gold Star Families Memorial Monument is to honor Gold Star Families, preserve the memory of the fallen, and stand as a stark reminder that Freedom is not free. This stunning black granite monument features two sides.

Potato Bake! The Sorosis Study Club hosted their annual Potato Bake Luncheon on Tuesday, November 7, at the First Baptist Church in Bronte. Those in attendance enjoyed baked potatoes and all of the fixings, as well as a wide variety of casseroles and salads.

One side bears the words: Gold Star Families Memorial Monument, a tribute to Gold Star Mothers, Fathers, and Relatives who have sacrificed a Loved One for our Freedom. The other side tells a story through the four granite panels: Homeland, Family, Patriot, and Sacrifice. The scenes on each panel are a reflection of each community's Gold Star Families and their fallen Heroes. At the center of this tribute is the most distinct feature of the monument, the cut out which

represents the Loved One who paid the ultimate sacrifice in the name of Freedom.

Ann Pate, Fort Chadbourne Director, and Honorary Board Member of the Hershel Woody Williams Foundation said it is very special that Coke County has a memorial such as this erected in our county and at Fort Chadbourne. It honors our families that have paid the ultimate sacrifice and have lost a loved one while serving our country. If you are a Mother,

Father, Grandparent, Sister, Brother, Aunt, Uncle, or Cousin who has lost someone, you are a Gold Star Family and this Memorial Monument is for you.

Although, the memorial pays tribute to all Gold Star Families across the United States, Fort Chadbourne would especially like to honor the Coke County Gold Star Families. The ceremony is open to the public and everyone is invited to attend. A reception will follow inside the Visitor Center.

Painting with the colors of Coke County

Art is all around us. In the wind blowing the tall grasses, our breathtaking sunsets, and even the soil. Art tells a story, far back in history there is evidence of this in cave drawings; artists using the mediums readily available to them.

The Bronte and Robert Lee kindergarten classes did the same using the soils of Coke County. District Technician of the Coke County Soil and Water Conservation District, Erin Oleksiuk, gathered different soil types for the students to paint pictures. District Conservationist, Mark Sides with the USDA-NRCS office, worked with her to determine the soil types and their characteristics.

The students learned about different animals, insects, and even a microorganism, called a Water Bear, which live in soil or make their home in burrows. The students learned that all of these make Coke County soils healthy by fertilizing, aerating, and cleaning them. The kindergartners then got the chance to be both scientist and artist. They first looked at each soil and thought about what color they would make when the water was added. They then observed the different types in cups while the soils were dry. The little scientist then had to look and listen as water was added to each soil; some gave off dust, others foamed and fizzed. When it was time to paint, each artist created wonderful masterpieces of dark brown, tan, and red. The students had a great time learning and creating. If we all take time to teach the children

in our lives about being good stewards of the land, it will remain beautiful for future generations to enjoy.

Steers fall to Bearkats

by Tom Sawyer

Robert Lee lost their last game of the season to District Champions Garden City. The Steers had a tough season but once again brought a lot of football excitement to Steer fans who really appreciate the work these young men put forth for our school.

Every year I really hate to see Steer football come to an end mainly because I will miss seeing the kids as often. I also will miss the Friday night lights, cheerleaders, coaches, players, and fans who come out to cheer on our Steers. I would like to especially thank C. R. Tijerina and Jose Morales for all their help in collecting all the statistics that helps keep all the fans up on what goes on at each game.

Till next season be safe and God Bless.

Hornets advance

to playoffs

It was a dream situation for a battle between two rivals. Undefeated Blackwell was down 34-29 with 41 seconds left in the game to their Nolan county archrivals from Highland before a standing room only crowd in Roscoe.

It was fourth down, with four yards needed for a first down and six yards needed for a touchdown and possible victory. Blackwell calls time out to set the offense and, after coming to the line, Highland calls time out to set their defense. Then Blackwell quarterback Brandon Brinkman found junior receiver Joe Sanchez in the end zone with 37 seconds left as Blackwell

defeated Roscoe Highland 35-34 to complete not only an undefeated season, but also a district championship.

It was a battle all night long. Blackwell spotted Highland a 6-0 lead with 8:52 left in the first quarter but on Blackwell's third play from scrimmage, Michael Lowry found Hunter Clark for a 66 yard touchdown. Tyler Walls's extra point gave Blackwell the early lead, 8-6. Blackwell's offense stalled in the third quarter as Highland took a 20-8 lead at the half and the green and white faithful began to get nervous.

Hunter Clark returned the second half opening kickoff for a touchdown and Walls again put the kick through and Highland's lead was slimmed to 20-16. After Highland had taken a 28-16 lead, Blackwell struck back with a Cameron Coldiron 4 yard TD run. It was the ensuing extra point that proved the difference. The snap was bobbled, but holder Michael Lowry picked up the ball and found senior Cade McKee in the end zone for a sixman extra point of one and putting the Hornets within striking distance at 28-23. With 6:55 to go,

Brandon Brinkman would run it in from 33 yards to give Blackwell their first lead since 8-6 at 29-28. Highland would come back and score with 1:17 left in the game but missed the crucial extra point and leaving them with a precarious 34-29 lead. Following the Brinkman to Sanchez touchdown, Highland had time for four plays but the Blackwell defense knocked down passes and recorded sacks to preserve the victory.

Although they had not played every single year, Blackwell had not defeated Highland since 2002, and as the final second ticked off the clock, fans clad in green rushed the field in celebration, prompting several of the Highland contingent to leave the field.
