## Terracing And Contouring Badly Needed

By County Agent, Willis. (Continued from last week.)  
 Due to the amount of actual terraces that is being constructed in the county this year, the County Agent will have very little time to lay off rows for people and will not be dependable for this purpose but any one should be able to operate a level accurately enough for this purpose. The county will lend terracing levels for this purpose as two extra ones are available and where there is one who has not had this experience, meeting will be held at the rate of one to a community where a man can learn this kind of work. Contouring is not permanent, but terracing is.  
 Next week an article will appear giving an estimation of the amount of work the county tractors will be able to do this year, and give an outline of their routes.

## Bull Circle Interests.

Last week Messrs L. F. Sterling and Fowler of the Canyon community imported a registered jersey bull which was selected from a high production of his dams and grand dams. Every community needs a bull which will improve the heifers. Why not be a breeder as well as a raiser? Can live stock be too good? Mr. M. O. Neal who lives near Dunn has a registered jersey bull calf from one of his registered heifers which is for sale.  
 Mr. Atchley of Hermleigh recently sold a bull calf just weaned for \$50.00. Why not get the best, and raise the best, there is a market for this kind of live stock. When you buy be sure you get more than mere paper. The papers are a record of the ancestry, and unless the ancestry were high producers, the paper is worth nothing. If ancestry are not producers the offspring is not likely to be. This is common sense. Men should use more common sense in their breeding.  
 Club organization will start the last of this month.

## C. of C. TO MEET TUESDAY

The C. of C. will meet next Tuesday night. There will be some very important business to come up, something that should concern every good citizen. We urge every member to be present and bring your neighbor with you. We invite every good law abiding citizen to meet with us, what is our interest is yours. We are not asking you to join the C. of C. but we want to talk with you. — J. R. Coker, Pres.

## Hermleigh Pharmacy Changes Hands

The Hermleigh Pharmacy changed hands last week. Mr. W. L. Jones, who is well known to the people of Hermleigh and adjacent communities, is now the efficient manager, having bought the business from Mr. W. E. Louder. Mr. Jones is a fine man and the citizens of the town are exceedingly glad to have him and his family here.  
 Mr. Louder has not announced his plans for the future, as yet, only that he will keep office with his father, W. A. Louder, for the time being.

The "Every Body Subscribe For the Herald" campaign is moving forward slowly. Miss Reed of Pyron declined, but her place was taken by Miss Beasie Hoskinson. Miss Lois Mae Seale, of China Grove has also entered the contest this week.  
 The points to date are:  
 Mrs. C. S. Suddeth, 2300 points.  
 Mrs. L. B. Rea, 1050 points.

## Notice

I want to tell my many friends of Hermleigh and surrounding territory that I appreciate their friendship and thank them for their loyal cooperation in assisting me to make the Hermleigh bank a better, bigger and more useful bank, and for making my stay in Hermleigh a pleasant one for myself and my family. We have made many friends here and it is hard for us to pull away. We shall miss them. We shall always have the interests of Hermleigh and its bank at heart. We shall always hope that Hermleigh will grow and continue to be progressive. We shall always hope for the success and happiness and prosperity of each individual in the Hermleigh Community.

I hope that you will continue to be loyal to your home bank and that you will continue to patronize it, and stand by it, and work for it, and fight for its success; because the more you co-operate and patronize your home bank, the more useful it will be. I am not leaving the bank because I am dissatisfied with it. We are not leaving Hermleigh because we didn't like it. We are leaving Hermleigh to engage in other business because we have been offered a much better business proposition where we can better our financial interests; a proposition that we cannot refuse. With best wishes to all, I remain

Sincerely,  
 R. D. Kinney Jr.

## NOTICE

I have sold the Hermleigh Pharmacy to Mr. W. L. Jones, whom most of you know. Mr. Jones is an excellent business man and a good citizen. I heartily commend him to you.

The people of Hermleigh and adjacent community have been exceedingly nice to me, and for which I desire to thank them personally. I appreciate the loyalty you have shown me and my business, and trust you will be equally as nice to my successor, Mr. Jones.

All accounts on our books are mine. You will see me concerning them.

Yours greatly,  
 W. E. Louder

## The Hermleigh 4. H. Club Re-organizes

The 4H Girls Club of the Hermleigh Community met Wednesday afternoon at the School building with fifteen members in attendance.

Miss Jessie Lee Davis, our new Company Home Demonstrator Agent assisted us with our work and gave valuable information concerning future projects. She also helped us reorganize this club. With the reorganization the following are the presiding officers: Chloedelle McMillan, president, Edith Stevenson, vice president, Mary Ann Nachlinger, sec. and treas., and Farris Stevenson, club reporter. Although we are quite inexperienced we are very anxious to work and desire all the help and co-operation possible of this community not only for our good but for yours as well.

## R. D. Kinney Resigns Position At Bank

Much to the sorrow of the whole community we must announce that Mr. R. D. Kinney, Jr. has resigned his position as president of the First State Bank here, and has sold his controlling interest to Mr. Chas. Lewis, of Coahoma, Texas. Mr. Kinney's going is an irreparable loss to Hermleigh and the community at large. Mr. Lewis we understand, is an excellent man and that any town is fortunate to have him as a citizen.

## Pyron School

Pyron is still on the map and we are going in this year to win. We have a number of new students from former years which adds much to our school.

Since the last writing we have installed an electric lighting system. Now the people can enjoy the first class program which are rendered by our literary societies, and not have to depend on gasoline lamps.

Pyron boys and girls motored to Ira last Friday for a ball game but were both defeated. As the ball season is about over, the tennis equipment is being put up.

There have been a number of nice things made on our new sewing machine. We are proud of our new machine.

Messrs Bullock and Martin of Snyder were with us recently and made enjoyable talks.

We have recently organized a nice literary society, dividing it into two divisions: Gold and Purple. Gold entertained last Friday night with a very lively program. After the program a P. T. -A. was organized with twenty eight members, and there are more to join.

Editor Taylor of Trent, was in town Sunday.

Mr. J. L. Vaughn has moved to the E. J. Ely farm.

Announcing the Election  
 of  
 Mr. Chas. J. Lewis  
 as a  
 DIRECTOR AND OFFICIAL  
 Succeeding  
 MR. R. D. KINNEY, JR.  
 Who has resigned

We regret exceedingly much that Mr. Kinney has resigned. We are sorry to lose him. He has been an honest, energetic, and efficient banker and business man. He has done much to make this bank a better and stronger institution. Mr. Kinney has resigned of his own free will and accord in order to engage in business elsewhere and simply because he can better his own financial interests by leaving. His own statements will be found in another column of this paper.

After careful investigation, we have secured another manager, and are glad to introduce to you Mr. Chas. J. Lewis, recently of Coahoma, Texas, and whom we also highly recommend to you. Mr. Lewis has been actively engaged in the banking business and as manager of country banks for twenty two years. He is an experienced and successful banker, competent and capable business executive, and he comes to us very highly recommended. You will find him to be courteous, accomodating and anxious to render service to the bank and to the community. Come in and get acquainted with Mr. Lewis, welcoming him to Hermleigh.

There will be no changes in the policies of this bank.

WITH Two Hundred Thousand Dollars on deposit,  
 WITH One Hundred Thousand Dollars in available cash,  
 WITH a strong, influential Board of local citizens as Directors,  
 WITH a wealthy and successful lot of stockholders,  
 WITH a constantly growing list of satisfied customers.

We are able, anxious and ready at all times to take care of the financial needs of the community

-----1908-----1928-----

This is our TWENTIETH ANNIVERSARY. It has been exactly twenty years since this bank was established. From the start our ideal has been to provide a banking service that is complete, safe and progressive. Adherence to this policy has made this bank the strong dependable institution that it is today. We feel, however, that we do but stand on the threshold of our full possibilities for growth and service.

We wish to thank our many loyal friends, depositors, and the community at large for their generous support which has resulted in our present financial strength. It is our firm intention to continue to merit that support in the busy years which are to come.
