## Judge A. S. Mousey Of Sweetwater Speaks At Methodist Church

Judge A. S. Mousey of Sweetwater addresses the Rev. Hudson's audience at the Methodist church here Sunday morning. The Judge delivered an address to Masonic Lodge in open house at the school auditorium Wednesday night and Sunday his address was like concluding that one, he said.

The Judge assumed the attitude of a preacher in so much as announced a text: "Man shall not live by bread (material things) alone, but by every word [moral things] that proceedeth out of the mouth of God". He called attention to the financial condition of the nation and of the average individual and reason with Mr. Babson who he quoted that it would not be so always. "And end to much good times will come," he said. The world is rotating too fast, and people do not have time to live, as the substance of remarks.

"Man's efforts to live by 'bread alone' proved a mistake to Germany during the World War and will thus prove itself to us in some national calamity," history repeating itself," the Judge continued. "Man's maker didn't intend for him to give himself wholly over to material things," was the sound theological reasoning the Judge advanced.

The Address was outlined a sermon. I. Money. II. Time. III. Personality. The World is rich and crazy; it is without time and in a hurry; it needs increasing power, but is losing personality in the mad rush of time for money.

The Judge's address was well worth the while of the splendid

crowd which filled the church to hear him. Practically all the church people of town were present.

## Snyder Firm Buys Drug Store Here

Stinson Drug Co. of Snyder has closed a deal buying the Corner Drug Store of N. S. Crenshaw. Mr. Stinson took charge of this business the first of the month. The new business will be known as Stinson Drug Co. No. 2. John Erwin will have charge of the new store.

## Equipment Best In All The Country

The Odom Undertaking Co., an institution of which Scurry County is justly proud, is one of the best and most modernly equipped funeral homes in all of West Texas. There are many towns much larger than Snyder which has nothing in this line which will compare favorably with this institution. It is the pride of Snyder and the country at large.

Officer Hooper was the only Hermleigh man who got to the West Texas C. of C. Banquet at Colorado on time. Hurrah for Hooper.

## Inadale News

Mrs. S. C. Suddath, Reporter.

J. F. and Mrs. Longly left early Tuesday afternoon enroute by Ford for Lubbock where they will visit their son, Herbert. Mr. Suddath rode with them as far as Snyder where he attended to some business affairs. The party of three stopped in Hermleigh for a few minutes and were joined in the trip as far as Snyder by the Herald editor. A fine ride and social visit was enjoyed by all. Religion was the topic of conversation. Mrs. Longly and the editor having attending the same church back in Hamilton county in former days. The chauffeur, Mr. Longly, took advantage of the good road and topped the Ford along at 40 miles per, this was quite a modernly delivered conversation—at the rate of 40 miles per.

Mesdames Rowe and Campbell visited with Mrs. John Ammons Monday.

Ray and Mrs. Turner spent the day with J. N. and Mrs. Narrel Saturday.

J. A. Bennett and family have returned from the Plains after a week's visit with their parents and grand-parents.

Will (Grandpa) Hallman was not able to be out at church last Sunday, owing to the fact that he is rather feeble these days. Little Larice Wheeler is the grand child in whom he so much delights.

Jim and Mrs. Light spent Sunday with Mrs. Souls.

Mesdames Ammons and Cummings, Misses Jones, Maxine Cummings and Elizabeth Ammons attended church at Wastella Sunday.

Messrs. Dave and John Ammons attended the Masonic lecture, "George Washington the Mason", at Hermleigh, Wednesday night. The occasion was a Memorial Service, and Judge Mouzey of Sweetwater made the address.

Opal Narrell, little daughter of Mr. and Mrs. Narrell, is able to be walking again after the second bone infection operation.

Messrs. Bennett, Griffith, Ammons and families were pleasant visitors in the Suddath home Sunday afternoon.

"If time permits" John Ammons will join with his wife in the poultry business this year.

Messrs. Bennett, Scott, Suddath and Griffith have become great wolf hunters. They never go hunting without striking trail—trailing them out of the country, sometimes. We're expecting 'em to bring a big'un in some of these days.

## Gives Radio Program Saturday

The radio program given under the auspices of the Snyder Chamber of Commerce, broadcast out of Fort Worth last Saturday night, was much to the credit of Scurry County. It is the wish of other towns of the county that they might have joined Snyder in this.

Mrs. J. G. Reed and S. E. N. Hollomad were called to Rising Star to the sick bed of their uncle Mr. Wint Holloman.

## Snyder Paper Sells Out

The deal was closed last week where by the one half interest in the Time-Signal at Snyder, belong to Editor Martin, was sold to Mr. J. F. Ritzenthaler of Salisburg, Mo. Mr. W. H. Ritzenthaler, son of the former, will have charge of the business with editor Smith who has been in Snyder about one year. Mr. and Mrs. Ritzenthaler who have been in Snyder for a few weeks consummating this deal will return to their home right away leaving their son in charge. The county as well as the town of Snyder hates to lose Mr. Martin, but Mrs. Martin's declining health is forcing them to change climates. Editor Martin has rendered Snyder and the county at large a fine service these three years of his labors here and all wishes for the family success and happiness in their going.

HUMOROUS MEDITATIONS

It is an easy thing to imagine that the other fellow's job is an easy one, but when one tries it, it is different. We have thought for some time, our health not being good anyway, that we wanted to do the work of a printer. Carrying out these foolish desires we bought a printing shop in Booker, Texas in October of '25, and after three months wrestling with it we lost one of our thumbs in the paper cutter (this accounts for our not having a cutter in the office today, we are afraid of it.)

In September of this year we sat in here and although we still have the 'nut ended' thumb we started with our backbone and eyelashes are worn out. Those narrow last preacher shoes we started with soon taught our toes to 'grunt' and we changed the model of them. We have a

streaked blue shirt, but the Mrs. won't let us wear it—we must stay with our neck tie.

We have been trying to get a printer ever since we "spudded in" here, but we have found them like the Dutchman's flea "every where until you start to put your finger on him, and then he is not there." We have had the freight paid on one who was to be shipped out of Bryan two weeks ago, we now fear that if he should finally be unloaded here the demurrage on him will be so great that he won't be worth unloading. We dubbed him "Sock Leggs" but without supporters, judging from the looseness of the situation.

"Old big Boy", who came in and saved us at the time we lost our other thumb, was a good one. We have nothing but praise for him. But Jim Dad 'the floorman' was going to teach us something and he did. If they are all like Jim Dad we have learned that we do not need a printer.

We had better cease this for Mr. Raifsnider of Colorado, who is now in the shop and has the appearance of a nice and capable man. We are asking him to indulge us in this foolishness. But all we get out of the past experience is the fun of it after it has passed. (Yes the past has many sad experiences and now as we been taught in the "School of

Junior News Department

Brents Norman, Editor.

The junior editor thinks that the children and young folks of Hermleigh do not appreciate the things that they have. Take the school for instance. The school here in Hermleigh is a very good school, and has an excellent faculty.

The superintendent of this school is of the best of instructors, and has all the qualities of a good teacher and manager of a school. When we came to Hermleigh and started to school the first thing we heard was a warning for our 'hide.' We have been under Mr. Gramling ever since school started and we still have all the hide we started out with. Juniors if you lose some of your hide at school the fault is yours and not the teachers.

Arther and Ernest Corley were visitors in the office Friday afternoon.

Ulmer Vernon has been sick lately with influenza.

Alton Barfoot visited Martin Murphey Sat. afternoon and Sunday and went to Sunday school at Dunn.

Jack Watson was a visitor at James Whites Sunday afternoon.

Shed Ragsdale Jr., is moving away with parents this week.

Life's many obstacles were the testing materials used in making us more fully appreciate the good things of life. So we are glad to be in Hermleigh. (C. R. Raifsnider.)

Those who are aiming to promote the big celebration will have to speed up. This will be no small task. It will take lots of "beef and bread" to feed the crowd expected to be here.

The upgoing of steel slabs and insensate hammering remind us that the new long-awaited-for water tower will soon be finished. Ten days or two weeks now, will bring this work to near completion.

Mrs. Warren Chorn and little daughter Virginia June are visiting her parents Rev. and Mrs. J. A. Jones, of Post Texas.

T. B. Coker of Rotan, spent Sunday with his parents J. R. and Mrs. Coker.

Caton Dodson dry goods store have added a junior department to their store. Pattered after our juvenile department, we guess.

My Plainview friend, George Eoff, who now lives in Snyder, is a member of that band. He was present at the radio program at Ft. Worth given by the Snyder school. The band played at Colorado Wednesday.

Alton Barfoot has offered Jim Pott Norman two wheels 1-1-2 bushels of peanuts, jews harp, two axels, dog, insulated wire, five marbles, top, ten washers and two dollars in money for his bicycle and still he can not make the trade.

Little Fred Eugene, twenty day old son of Mr. and Mrs. J. L. Bowen, is a nine lb. bouncer, his dad says.

Dickie Gramling reported that he was a visitor at Mr. Leeches to "eat dinner".

Custer Williams is sick this week and has been absent from school.

The sight has been selected, the well drilled and the windmill erected for the new A. Shultz home in the south part of town. According to unofficial reports of this proposed building it will be quite an addition to residential Hermleigh.

W. T. Beoley returned from Bryan Sunday, where he spent the winter among relatives there.

Miss Hazel Rainbolt spent last week-end visiting relatives and friends at Merkel and Abilene.

J. B. and Mrs. Nelson in Hermleigh Sunday.

Miss Pearl Forester teaches in the school at W. La, visited relatives and friends here, Saturday and Sunday.

Mrs. J. S. Farr was a pleasant and profitable caller at the aid office last week. She was with us very pleasantly for while and upon leaving paid subscriptions to the Herald.

J. J. Henry is visiting his parents at Desdemonia this week.

### J. G. and Mrs. Jenkins

#### Celebrate Their 60th.

#### Wedding Anniversary

Monday, February 20th, Mr. and Mrs. J. G. Jenkins celebrated their 60th wedding anniversary at the home of Mr. and Mrs. W. A. Clift their son-in-law and daughter with whom they live.

The following guest were present: Mr. and Mrs. Paul and a part of their children, Reno Paul and wife, Charlie Paul, Mrs. Adams and daughter Fay, Mrs. Ryan and her two sons, and Miss Beatrice, Mrs. Pearl Eubanks (daughter of W. A. and Mrs. Clift) and her two sons, Mr. W. G. Lee and son, M. H. and Mrs. Hudson.

The dinner was one of the most sumptuous that we have ever been privileged to enjoy from both the standpoint of variety and culinary art.

Socially the day was immensely enjoyed by all present.

Many of the children, grandchildren, and great grandchildren were absent because of bad weather, sickness and other causes. Many of the absent ones, however, sent presents to their father and mother, quite a number of grandchildren also sent presents.

I am sorry that I have not a list of the presents to enclose in these notes.

Bro. J. G. Jenkins was born July 10th, 1845, in Davidson Co, Tenn; near Nashville, Sister Jenkins was born May 23rd. 1845 near Nashville, Tenn. She was educated in the Mt. Vernon school near Lebanon, Tenn. in Wilson Co.

Sister Jenkins maiden name

was Evvie Wray.

Bro. and Sister Jenkins were married Feb. 20th, 1868, within one and a half miles of Gen. Jackson's old home, the Hermitage. To this union were born nine children, three of whom departed this life in childhood.

The remaining six are: Mrs. Mattie Harbert and Mrs. Leslie Harbert of Dumas, Texas. Clay Jenkins, Byars, Okla. Mrs. Beatrice Gallemore, Lubbock, Texas. Mrs. Pleasant Paul and Mrs. Alice Clift, of Hermleigh, Texas. Bro. and Sister Jenkins have thirty eight grandchildren living and fourteen great grandchildren.

Soon after Bro. and sister Jenkins were married they moved to Boone Co. Ark. and settled on a farm three miles south of Harrison. They lived there until they move into this community in 1902 and settled on a farm three miles east of Hermleigh.

Bro. Jenkins is a bundle of energy, I dare say that he is the youngest man of his years of any man in West Texas. He is interested in the general welfare of his community, his state and his nation. He keeps thoroughly posted in all political movements of his country, and he has definite and fixed opinions on all vital questions.

Bro. Jenkins is a veteran of the Civil War, and he can relate some most interesting personal experiences of that great conflict. While he was a whole hearted confederate, he now holds no animosity toward the north and like many of the old veterans he has a very warm feeling for some of the good old slave negroes of his younger days and he is interested in the present welfare of that race.

Sister Jenkins is one of the

sweetest, Christian characters that we have ever known. She is as serene as a May morning. Spiritually she lives in the pure atmosphere of the mountain Summits.

Happy are the children who have such a mother's training and example.

How our hearts warm with love and friendship for Bro. and Sister Jenkins. We thank God for sparing them to this good old age and we pray that their remaining days may be the happiest and the most influential for good of all the days of their lives.—M. H. Hudson.

## Sunday School Lesson

(By REV. F. H. FITZWATER, D. D., Dean Moody Bible Institute of Chicago.)  
(©. 1923 Western Newspaper, Union.)

#### Lesson for March 4

#### JESUS AND THE TWELVE

**LESSON TOPIC**—Mark 3:13-19, 6:7-13.  
**GOLDEN TEXT**—Go ye into all the world and preach the gospel unto every creature.  
**PRIMARY TOPIC**—Jesus Chooses Twelve Helpers.  
**JUNIOR TOPIC**—The Twelve Apostles and Their Work.  
**INTERMEDIATE AND SENIOR TOPIC**—Jesus' Call to Service.  
**YOUNG PEOPLE AND ADULT TOPIC**—The Training of the Twelve.

#### I. The Twelve Ordained (Mark 3:13-19)

Jesus, knowing that His earthly career would be cut short, made provision for the carrying forward of His work after He was gone by calling and ordaining the twelve. Before doing this He spent a whole night in prayer (Luke 6:12). The burden of His prayer is indicated by what He immediately did. From among His disciples He chose twelve, whom He ordained for a twofold purpose.

#### 1. "That they might be with Him" (v. 14)

Fellowship with the Lord is not only the highest privilege of a disciple but the indispensable qualification for witnessing for Him. Personal association with Jesus Christ—the interaction of personalities—the impact of His personality upon ours is the essential preparation for Christian service.

2. "That He might send them forth to preach" (v. 14, 15).  
To proclaim the good news of salvation to the lost world was the supreme mission of the disciples. Their credential for this mission was the endowment of the power of the Spirit—"To heal sickness and to cast out devils" (v. 15). Concerning those who were to be Christ's messengers observe:

(1) That twelve were ordained (v. 14). This was the beginning of the process by which the triune God was to make known His grace to the whole world, therefore He sends forth the number of men corresponding to that purpose. The number twelve is the product of the heavenly three and the earthly four indicating the purpose of the triune God to reveal Himself to the four quarters of the world.

(2) Their characteristics. (a) Men of average ability. They were not from schools and colleges, yet men of mental capacity and efficiency. This has been the history of the Christian church. Not many noble, not many wise after the flesh are called (1 Cor. 1:26). (b) Middle ranks of society. They were not chosen from among the rich, neither from among paupers. The most efficient workers are those who are able to sympathize with the common people. (c) Diverse temperamental gifts. They were so grouped as to have impulse and leadership—reflection and questioning went together, and among them were found men of practical business ability.

#### II. The Twelve Sent Forth (Mark 6:7-13)

#### 1. They were sent forth in pairs (v. 7).

Two reasons may be assigned for this. (1) A cheering and comforting

commitment to the workers. (2) Confirmation of testimony. In the mouth of two or three witnesses every word shall be established. People would more likely believe that which was verified by two.

2. Supernatural authentication of their mission (v. 7). He gave them power over unclean spirits. He endued them with power to work miracles, in order to demonstrate their divine commission.

3. Their maintenance (vv. 8, 9). They were to depend wholly for their support upon the Lord who sent them. Having received the message and the power, gratuitously they were to give them out in the same way (Matt. 10:9).

4. Contentment with hospitality (v. 10).

According to Matt. 10:11, inquiry was to be made upon entering a city as to a reputable place to stay. Upon being directed to such a place the missionary was to be content.

5. The responsibilities of the hearers (v. 11).

Judgment was to be pronounced upon those who rejected their message. 6. Their message and work (vv. 12, 13).

They went out and preached that men should repent. Matthew adds, "The Kingdom of Heaven is at hand" (Matt. 10:7). This means that the kingdom promised to Israel was at hand, that the Messiah was present and ready to set up His kingdom. In confirmation of this message they cast out many devils, anointed with oil many that were sick, and healed them.

#### God's Overflowing Love

There is such a thing as putting ourselves in the way of God's overflowing love and letting it beat upon us till the response of love to Him comes, not by struggle, not even by deliberation, but by necessity as the echo comes when the sound strikes the rock.—Phillips Brooks.

**Community Sing-song**

The big community sing-song for which plans have been the making for the past month, will render its musical program at the First Baptist Church Sunday afternoon. The old folks quartett, led by J. B. Etheredge, will sing in the old way; the way people sang when Mr. Etheredge and the others who sing in it sang in their time.

It is expected that this musical occasion will be one of rare occurrence. President Werner is in-trim for the occasion himself and is expecting visiting singers from all parts of the community. Don't Forget To Come And Hear The Old Folks Quartett.
