Governor recommends abolishing ad valorem tax

Austin. — Local governments in Texas may be the main beneficiaries if state government winds up the current fiscal year with an \$80,000,000 surplus as Gov. John Connally predicts it might.

Should such a surplus be reached, Connally told reporters it is "fairly" certain he will recommend abolishing the ad valorem tax on property for state revenue purposes and leaving that source exclusively to local governments.

In predicting that the surplus will not be less than \$35,000,000 and probably will reach the \$80,000,000 figure, the Governor joined those who have contended all along that the general revenue fund will be so far in the black by 1965 that new tax problems will be eased if not erased.

He still plans to call a conference on morals and ethics but said he has not picked a time.

However, he declined to say whether he would recommend fair employment and public accommodations legislation in order to maintain some state jurisdiction over civil rights under the new federal law.

THANKS

I want to thank my friends for the get well cards and the beautiful gifts sent me during my illness. We want to thank our friends and neighbors for all the help and each deed they have done for us. May God bless each of you. —Mr. and Mrs. Les Tate.

Attend funeral of uncle in Austin

Mrs. Georgia Wells and Mrs. Thelma Whiteley were in Austin last week for the funeral of their uncle, Ira A. Putman 88, of 8417 Bowling Green Drive, who died in an Austin hospital Sunday evening. Putman was born in Tonk Valley, near Graham, Young County, May 18, 1876, and was a brother of Mrs. C. L. Griffin of the Proffitt community.

Putman was a member of the Baptist Church, a life member of Brackenridge Lodge No. 492, AF&AM, and had been a resident of Austin for the past 15 years. Survivors include his wife, Mrs. Bessie Putman, Austin; one son, W. B. Putman, Austin; one sister, Mrs. C. L. Griffin, Proffitt; three grandchildren, and five great-grandchildren.

Funeral services were held at 2 p. m. Tuesday, June 30, at the Hytlin-Manor Funeral Home with the Rev. Carroll Wee-lon officiating. Burial was in the Capital Memorial Gardens.

Mr. and Mrs. Robert Pitts visited in Pea Ridge, Ark., with her parents, Mr. and Mrs. John Pippin and brother, George, and met their new sister-in-law. They report everything was OK up in the Pea Ridge country and that they had a wonderful time. Capt. John sent in a renewal for 52 more doses of this "elixir of life" for which he has our sincere thanks.

Delegation to attend Jehovah's Witnesses meet

Mid-Summer convention plans are being finalized by the Graham-Olney Congregation of Jehovah's Witnesses, it was announced today. Clayton Short, local presiding minister, will head a delegation from here to attend the "Fruitage of the Spirit" District Assembly of the Witnesses in Austin, Texas, July 23-26.

Short said the meeting will be held at the Austin Municipal Auditorium and is expected to draw upwards of 10,000 delegates. It will be one of a series of assemblies being held this summer by Jehovah's Witnesses and 3 of them are scheduled for cities in Texas. These conventions will have a uniform theme and program, consisting of morning, afternoon and evening sessions of Bible talks and practical demonstrations.

"The purpose of the Austin assembly," Short said, "is to provide advanced Bible instruction for Jehovah's Witnesses and others attending that they may be able to apply Bible principles more fully to their everyday lives. These righteous principles are essential for Christians and give evidence of the fruitage of God's spirit guiding their lives."

"A fine feature of this assembly which local Graham-Olney delegates will share in according to Short, is visiting the home of Austinites with an encouraging message from the Bible. Not only will entire families enjoy a mid-summer vacation but it will serve as a fine opportunity for Christians to worship together as the Bible commands."

We had two of the nicest visitors Monday afternoon that we have had in a long, long time, in the persons of W. T. (Bill) Jones and Ed Holler of Wichita Falls. Both of these gentlemen are working for the Railroad Commission, in the oil and gas division. Bill (that's not what we used to call him) is one of the old timers of Newcastle, and at one time probably knew more people in this community than any other person. He is the son of the late Mr. and Mrs. Gomer Jones. Ed Holler is attached to this community by being the husband of Nita Proffitt, daughter of Mr. and Mrs. Wiley Burch, and is one of the nicest people you ever met. Bill and I didn't let Ed get a word in edgewise—because of our reminiscing about the old days in Newcastle. We have known Bill since he was a small lad and we have enjoyed every minute of our intimate friendship. Bill was always on the square but he would try anything once. We have enjoyed many happy days of relationship with Bill and we hope his days will be long and happy ones—and this goes for Ed, too.

HOW I QUIT SMOKING

I've been a heavy smoker now for the past three years. Smoked so much everyone near me noticed it. I was almost to the point of being a "junkie." Then I met a cute little hardtop who told me about this place where she received special treatment. She suggested I do the same thing. Well, I did, and never felt better. Since my ring and valve job at Carter Chevrolet, I've quit smoking and perform so well, my owner is going to keep me.
