Nell's Notes

September - the wettest one in thirty years is a thing of the past and October is here, along with the World Series, cooler weather, Halloween, and Christmas Catalogues in the mail. It's time to draw names and be thinking of what you want to get for Grandma. It's only 67 more shopping days until Christmas.

Mrs. J. H. Day is a proud great-grandma these days. I'll bet she can give her granddaughters a new home here in town a few good child raising tips for her little daughter, Rebecca.

If you want to see a lovely sight, then drive by the L. F. Hurst home and see how many lovely flowers that are in bloom in their yard.

The Pete Gilmore's are building a new home here in town next door to the home of Mrs. Bid Eddleman.

The Bobcats will receive a little visit from Valley View Friday night here on their home field. Also, this will be the Homecoming game, for the selection of the Homecoming Queen. The Bobkittens play the Windthorst Spartans here Thursday night.

Pep Rally Planned For 8:30 Tonight

A pep rally is being planned for 8:30 tonight (Thursday) immediately following the Bobkitten - Windthorst football game. All Newcastle area residents are invited to attend the rally to help boost the Bobcats to victory in their first district game. Friday at 7:30 against Valley View. This is also homecoming for Newcastle.

Two County Sites Eligible For Markers

Two more Young County sites have been declared eligible to receive Texas State Historical Foundation Marker Awards. The Young County Historical Survey Committee made the announcement concerning the area sites.

Farmer, Tex., off State Highway 199 and on Farm Road 1769, was a little town of several hundred residents and was an important factor in the early days as civilization moved westward.

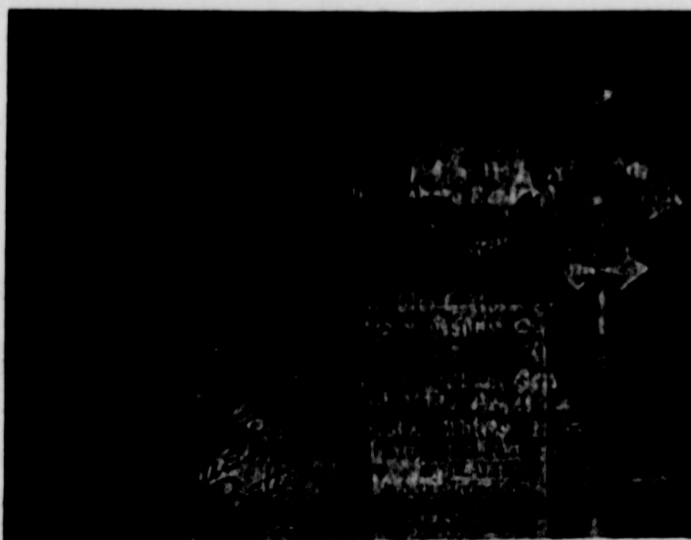

Descendants of the pioneer settlers, friends, and interested

persons in this area, have contributed money to pay for the marker in order that the little town may be remembered.

Present day tourists, too, will be able to pause, read and know of Farmer's value in the beginning of prosperity and comfortable living.

A two - page, authentic history is required by the Texas historical society for any site to receive a marker.

In Farmer, Dan D. Cusen, bary, a boyhood resident, compiled the two - page history. He

records that in 1877, a missionary preacher, Rev. William H. Farmer, set camp there, established a general store and a post office, on Aug. 7, 1878.

The town seemed to grow, bloom, and fade away.

Carr Rutherford, a member of the Young County Historical Survey Committee, and a native son of the Farmer area, solicited and received funds to mark the site.

The common grave in the Proffitt cemetery, the second Young County site eligible for a marker, is the burial spot of the sons of three pioneer families in this area.

Rice Carlton 19, Reuben Johnson, 20 a son of J. Allen Johnson, and Patrick Euell Proffitt, 19, son of Robert Smith Proffitt were killed in an Indian raid. They were at work in a stock pen and were killed during the raid on Elm Creek, July 17, 1867.

The grave is marked by a sandstone slab, and is surrounded by a low wall.

4-H Club Elects New Officers

The Newcastle 4 - H Club met Monday night at the Community and elected officers for the coming year.

Ann Phillips was elected president with Kent Graham, vice-president; Carla Graham, secretary - treasurer; Dale Bullock, reporter; Neil Phillips, song leader; and Dedo Wray and Carol Kee recreation leaders.

The meeting was called to order by Wayne Bullock with the prayer and motto being led by John R. Bullock, adult leader.

Following the election games were played and refreshments were served to about thirty persons.

One of four contestants will be crowned Homecoming Queen during the halftime exercises of the Newcastle Bobcat - Valley View Warrior football clash Friday night at 7:30.

Queen nominees include Janet Sloan, a senior and daughter of Mr. and Mrs. Charlie Sloan; Ann Phillips, a junior and daughter of Mr. and Mrs. M. J. Phillips; Deb Thompson, a sophomore and daughter of Mr. and Mrs. Franklin Thompson; and Paula Beckham, a freshman and daughter of Mr. and Mrs. Paul Beckham.

The Bobcats will be opening district competition against the Warriors and according to coach Charles Hibbitts, the Newcastle team will be as close to full strength as they have been all season.

Hibbitts said the Warriors have a fine ball club and it will take a concentrated effort on the part of the Bobcats to win.

Last Thursday night, the Bobkittens won everything but the ball game as they played Olney. Newcastle had the ball 75 per cent of the game and held the Olney team to three first downs. The score ended 14-6 in favor of Olney.

Olney scored on two long plays and a 60 yard pass and the second on a 60 yard run. Olney scored first on the long pass. The extra point try was no good.

The Bobkittens drove inside the Olney 20 yard line several times but couldn't score. Just before the first half ended Newcastle got the ball near the goal-line and as the first half gun sounded Kent Graham scored on a quarterback pass for four yards. The extra point was no good and at half time the score was tied at 6-6.

Olney's second score came in the second half on the long running play.

The Kittens play Windthorst here tonight (Thursday) at 7. Hibbitts said the outstanding players against Olney were New Harris, Jack McWhorter, Graham, Neil Phillips and Rick Creel.

NEWCASTLE P.T.A. TO MEET OCTOBER 13

Next meeting of the Newcastle P.T.A. will be held October 13 at 7:30 p.m. in the school auditorium. Room mothers, officers and committee chairmen have been asked to meet at 7 p.m. just prior to the general session.

Women IN THE KNOW

By Jean Kinkead, Women's Consultant, The Travelers Insurance Companies

For Women Chauffeurs

Women in the know are well aware that chauffeuring youngsters can be wonderful fun or a real nightmare.

What makes the difference is MOM! Here are hints to help you handle this situation with tact, a real sense of responsibility, and just enough authority.

1. Be sure the car is in good condition, and that you are, too. In checking, pay special attention to tires, horn, lights, brakes, and windshield wipers. In appraising yourself, be honest. Are you very tired? Angry or upset? If so, your passengers are probably better off walking.

2. Stow all gear safely.
3. Put small necessities -- tissues, sunglasses, chewing gum, toll-money--in your handiest pocket, so that you needn't take your eyes off the road or your hands off the wheel unnecessarily to hunt for them.

4. Seat your passengers so that your view through the rear window is clear.

5. Be sure all doors are locked.
6. Fasten your seat belt and see that your passengers do the same. In fact, Travelers believes so strongly in this that if you are injured in an accident covered by your Travelers Auto Insurance--and are wearing seat belts at the time -- your medical payments limit will be doubled automatically and without increase in premium!

7. Attend to your driving. If your passengers' noise or activity strains you, ask for quiet cheerfully but firmly. For the occasionally wild bunch, pull over and STOP the car until they quiet down, don't be timid about insisting on reasonable behavior!

IT'S A FACT!

The heroic knights of yore are traced back more than 1000 years, and were popularized by the legends of King Arthur's Court. Today, there are more "Knights" in the U.S. than anywhere else in the world. The Knights of Pythias and Knights of Columbus have 2 million members!

It's a little known fact that women, too, are Knighted. The women so honored--like ballerina Margot Fonteyn and actress Flora Robson--gain the coveted title of "Dame" after being "dubbed."

America's most recognizable Knight, by far, is the Ajax White Knight, who is now in search of the nation's most lavish contest ever: the Name-The-White Knight contest. Free entry blanks are available at local supermarkets.

Regional Blood Meet Postponed

by Blood Program Reporter
The Red River Red Cross Regional blood meeting that had been set for October 10 in Wichita Falls, has been tentatively reset for October 25. Within the next week or so more details will be published concerning this very important workshop-meeting.

Remember that November 10 is just five weeks away and we need to be planning now to give a pint of blood to make sure someone else might live.

Remember to remind your employers that this is a very worthwhile effort and they give their employees time off so they might give a pint of blood. Very few employers have called Lynn Reeves, Olney Blood Program chairman, to tell him that they would be more than happy to cooperate. All of us connected with the blood program are very disappointed but feel that they just haven't had time and that when the date approaches they will come thru with flying colors. If Aero Commander can transport their employees about five miles into town, we feel sure that those employers just a few blocks from the Community Center will be glad to transport their employees.

Another thing to remember is that you do not pay for the blood you receive - only for the administering of it. Your bill will seem high, but compare \$17.50 - \$22.50 you pay for the lab work on the blood to \$50 to \$55, you would have to pay for each pint of blood - including the lab fee - if we were not serviced by the Red River Red Cross Regional Blood Center in Wichita Falls.

Gaily colored display tables lined the wall of the Community Center, as each auxiliary brought samples of their bright trays and patient favors to display. Dolls, moth ball bags, powder boxes, corsages and paper flowers were in colorful evidence.

Mrs. Richard Higginbotham and Mrs. Clester Evans, councilwoman and co-councilwoman for the district, made the introductions and presided over the early part of the meeting.

Door prizes were presented with a note of "Hi!" or "Hello!" in fake tranquilizer pills.

Lt. Col Chester Poole of Air Force Clinic Division at Shepherd Air Force Base Hospital, spoke on the use of auxiliary personnel in emergencies and showed slides of the emergency hospital which is stored here in Olney.

Mrs. Webb spoke to the group, ed in with a litter full of door

prizes which were distributed to area auxiliaries.

"The Need for the Volunteer in Emergencies" was the theme of a panel discussion given by Jack Rex, administrator of Graham General Hospital, Mrs. Grace Shirk, administrative assistant at Wichita General Hospital and Sister Honesta, administrator of Bethania Hospital. Richard Higginbotham, administrator of Hamilton Hospital was moderator.

The meeting was moved from the Community Center to the American Legion Building for luncheon.

The tables for the noon affair were covered in white cloths. Green and white crystals were filled and decorated with grapes and pink roses, and with multi-colored votive candles. Table favors were a styrofoam and pipe-cleaner Auxilian, perched atop a tiny match-box, and titled, "A Match for Anything."

The head table was centered with a large arrangement of cherry pink football mums.

David Penn, soloist, sang several numbers before the luncheon and Mrs. Jack Evans of Bowie gave the invocation.

Penn was accompanied by Mrs. E. F. Robertson.

Fred Higginbotham spoke during the luncheon, emphasizing the use of auxiliaries during emergencies. He cited the work done at Breckenridge Hospital in Austin when victims of the Tower sniper were taken there.

Higginbotham is a public relations director for Blue Cross in this area.

"We have had many people tell us that they felt the meeting was a great success," Mrs. Higginbotham, councilwoman stated.

"I would like to thank all my committee chairmen," she added, "for their hard work, their loyal assistance and for the imaginative and clever results. Our outstanding meeting was a result of their work."

Mrs. Ida Black's family surprised her Friday night with a dinner party in Hillcrest dining room. Five people, representing four generations, were present. They were mother, daughter, son, grandson and great-grandson. They were served soon after the residents finished their evening meal.

All of Mrs. Stringer's children, three girls and a boy, visited her Saturday afternoon.

Mr. and Mrs. Robert Martin of Freeport visited her aunt, Mrs. C. C. Etheridge of the Home of Sunday afternoon.

The Holiness pastor held services here one night last week; his wife and several members of the church came along to help with the singing. They are wonderful vocalists.

The Church of God pastor also held a service for residents.

We have many faiths represented here: the Methodist, Baptist, First Christian, Holiness, Assembly of God, Lutheran, Catholic and Church of Christ.

D. H. Rodgers is expected to be back in the home some time soon.

Some of our newest residents here are Mr. and Mrs. Lee Frank. She says she is a native of Russia, but her husband is an American and she met him in this country. They were residents of Cleveland, Ohio for a number of years.

As we continue to have more patients, naturally, we need more nurses. Some of our new nurses are Judy Witherspoon, Bobby Thomas and Diane Etheridge.

Visiting in the home Saturday at dinner time was the Rev. Joseph Weinzapfle. He is the priest at the Breckenridge, Graham and Olney Roman Catholic Churches. Nurse Nellie Vecera introduced him to the residents at the tables.

Facts About Grapes

Man has cultivated grapes since before history began. Grape seeds have been found in Bronze Age remains of the Swiss lake dwellings, and buried in the Pyramids with the Pharaohs. And these seeds were much like the seeds of modern grapes.

America actually got its first name—"Vinland"—because of the abundance of wild grapes found by Leif Ericson in 1000 A.D. But grapes were not actively cultivated in America until after 1800. Today, California leads as a producer of "eating" grapes. About 20% of all the world's table grapes are grown there.

Favorite for eating is the "white" grape known as Thompson Seedless. But it wouldn't exist at all except for a lucky accident. 75 years ago, a California farmer named William Thompson found three odd-looking cuttings. Curious, he planted them. One survived and bore an unusual light green berry, sweet in taste and without seeds. All Thompson Seedless grapes eaten today are descended from that one cutting.

County Bond Sales Drop In August

C. E. Penix, Chairman of the Young County Savings Bonds Committee, has announced that Savings Bond sales in Young County totaled \$19,498 during August.

\$147.5 million.

Texas Savings Bond volunteers and the Treasury Department extend their thanks to all media for their fine cooperation during the past 25 years.

"Schooling" Your Hair

There are two great things about school; going to it—and not going to it. The excitement of classes (and boys in them) is fun, yet the weekends (with boys on them) are delicious, too. It's important to always look your level best because you never know who'll be around the next corner.

And isn't it always the case that you meet The Special Friend just when your hair needs washing, your complexion's at its muddiest, and you're wearing Aunt Mathilda's present—the Good Tweed outfit you particularly loathe. So that this never happens to you why don't you do three things: one, rifle through your closet and get rid of any article you're not passionately in love with; two, get on a regimen (lots o' sleep, lots o' healthy food, less o' makeup) that will put a little "glow" into your face; and three, tackle the hair dilemma—at the root!

One of today's biggest grooming problems is thin, straggly hair—especially evident in the new long styles popular this fall. If you're a Limp Lily and can't keep a curl around for more than a few hours, you need a preparation that will give lanky locks a lift. Beautiful Hair Breck has developed a special formula called Creme Rinse with Body that will do the job beautifully. A one-a-week shampoo topped off by Creme Rinse with Body will "school" your hair to hold a curl stronger and longer. And your Limp Lily days will be over!

A little care goes a long way, so start tonight on a Fix-Yourself-Up-Spree. Then next time you're bouncing down the school yard—face glowing, hair swirling and looking like you stepped out of a fashion mag—you'll be ready to meet The Special Friend should he just "happen" by.

Annual Fort Belknap Society Meeting Set

Our thanks goes out to everyone that participated in the P. T. A. Bake Sale, to those who gave so freely of their time and effort to help with it and to those who purchased our pies and cakes.

Lee Otis Claybon escaped serious injury when he managed to jump from under a tractor that he was working on. It had been knocked off its props by a moving car. In doing so, he went through a window at the station, cutting his arm. It could have been worse. So glad he came out so well.

The Baptist Church has a new minister, Rev. Don Reed. I know this makes everyone very happy.

Birthday wishes go to Mrs. T. J. Gardner and Karen Bailey. Very special birthday greetings go to Mrs. J. D. Adams. She will be 79 on Oct. 9.

Lines to live by — — I Do Resolve — —

I do resolve: To Share my time for I have little else to share
With folks who are in need of friends

With lonely people every where.

I do resolve: To put more thought, Into the work I do each day

To look ahead to better times, If everything seems drab and gray

I do resolve: To keep my faith, In human beings - if it's lost

The world will be unbearable, And goodness will seem false and forced.

I do resolve: To say a prayer of thanks to God each time I see,

Spring flowers radiant with youth,

And red leaves on a autumn tree.

The two-page history on the gravesite was compiled by Mrs. Nita Proffitt Wels. She interviewed relatives now living and took facts and dates of the tragedy from records in her grandfather's handwriting.

Funds were solicited by W. B. Bellomy and his co-workers, from friends, the Proffitt Home Demonstration Club, and interested persons. The Proffitt family gave liberally to the cause, so that those who gave so much, so that all might live, will be remembered.

Presentation and dedication ceremonies will be co-sponsored by the Proffitt Home Demonstration Club and by the Young County Historical Survey Committee, when the marker arrives.

The state organization asks for from three to six months time for marker delivery, after the order is made.

L. D. Thompson, Mr. and Mrs. Goober Neal, Jack and Mack spent the weekend in Aspermont attending the West Texas Barrel Racers Association. Judy and Patricia were contestants in the barrel racing.

TAX MAN SAM SEZ:

Every year the Internal Revenue Service call in thousands of taxpayers for tax audits. A large part of these taxpayers get into a discussion of their tax affairs with Internal Revenue through their failure to keep good records. Keeping good records is not an easy task but it is an important family chore that is profitable. You can prepare a much better tax return and you may save yourself a lot of tax dollars if you take the trouble to keep a simple set of records. You will find that your records are not only helpful for preparing your tax return, but they may also solve a lot of other problems for you.
