Friona woman charged with alien harboring

Chad E. Meacham, U.S. Attorney for the Northern District of Texas, announced last week that a Friona woman who allegedly held 17 undocumented immigrants hostage in her home has been charged with a federal crime.

Manuela Magdalena Jimon Castro, 30, was charged via criminal complaint with alien harboring. She made her initial appearance Thursday before Magistrate Judge Lee Ann Reno.

According to the complaint, Ms. Castro and a family member partnered with an illegal immigrant smuggling operation to hold undocumented individuals hostage at their home, threatening to deprive them of food and water and refusing to allow them to leave until they paid \$11,000 to \$12,000 or "worked off" the debt.

The investigation began when law enforcement in California received a tip from a woman who claimed her sister was being held for ransom in Texas. The woman reported that her sister had traveled from Guatemala to Mexico with the intention of seeking asylum in the United States, then crossed the border at the behest of a Mexican cartel who held her captive. She said her sister sent her a pin of a location in Friona before she escaped.

In a subsequent interview with law enforcement, the woman said that while in Mexico, she was forced into a car at gunpoint by individuals she believed to be members of a smuggling cartel. After several months, they walked her across the southern border, then shuttled her from house to house in Texas and New Mexico, refusing to let her go until she paid off her debt. Eventually, she ended up at the Castro residence, where she was told she would be detained until she paid \$12,000.

After speaking with the woman and another individual previously detained at the home, law enforcement searched the Castro home. Inside, they recovered 17 undocumented immigrants, including two minor children. Most of the individuals attempted to hide, concealing themselves in the attic, in cupboards, or inside totes covered in blankets. Agents noted that the home contained very little furniture, save mattresses and blankets for a large number of individuals spread across the floor.

In interviews with law enforcement, the recovered immigrants admitted that they had entered the country illegally with smugglers. They indicated that the smugglers had confiscated their cell phones, and only allowed intermittent contact with family members in order to obtain money to pay their "entrance fees." Several stated that they believed they had to stay at the residence in Friona until their entrance fee had been paid in full.

A criminal complaint is merely an allegation of criminal conduct, not evidence. Defendants are presumed innocent until proven guilty in a court of law.

If convicted, Ms. Castro faces up to five years in federal prison.

The Federal Bureau of Investigation's Dallas and Los Angeles Field Office conducted the investigation with the assistance of the Texas Department of Public Safety, the Friona Police Department, and the Thousand Oaks Police Department in California. Assistant U.S. Attorney Callie Woolam is prosecuting the case.

The Friona City Council met in regular session on Monday, August 8, 2022 at 6:30 p.m. in the City Council Chambers at 617 Main in Friona, Texas. The meeting began with roll call, an invocation, and the Pledge of Allegiance.

There were no public comments. A public hearing regarding a residential development project for the block of land west of Legacy Pointe was conducted. There were no public comments.

The Minutes of the July 11, 2022 regular meeting, the July 12, 2022 joint special meeting with the FEDC, and the July 21, 2022 special called meeting were approved.

Representatives from Parmer Paws Animal Outreach were invited to give a presentation to highlight the work they have

been doing involving animal welfare. Council members were asked to consider a new pound and stricter enforcement of animal control ordinances.

Council members voted unanimously to call for a city special local option election to legalize the sale of all alcoholic beverages including mixed beverages. The motion to hold the election on November 8, 2022 also passed unanimously.

The Council voted unanimously, with one abstention, to award TW&M, LLC the contract for a residential development project. The new housing project will be located on the city-owned block between 15th & 16th streets and between Main & Euclid streets. The estimated cost of the project is \$2,770,000 and will feature the construction of twelve new

homes when completed.

Council members unanimously approved setting the proposed tax rate for 2022 at .4657 per \$100. This rate would generate the same amount of revenue as last year. Last year's rate was .6626 per \$100. Higher tax valuations and an increased tax base allowed for the lower tax rate. A public hearing for the proposed tax rate was scheduled for Friday, August 19th.

In other business, the accounts payable for July 2022 and the financial statement for July 2022 were approved. A budget workshop was scheduled for Tuesday, August 30th.

Commissioners propose salary increase for 2023 budget

Parmer County Commissioners Court met in regular session on Monday August 8, 2022 at 10:00 a.m. in the County Courtroom of the Parmer County Courthouse in Farwell, Texas. The meeting began with prayer and the Pledge of Allegiance to the American Flag and Texas Flag.

There were no comments from the public during the open forum. Minutes from the July 25th meeting were read and approved. Commissioners approved the payment of the accounts payables as presented by County Treasurer Sharon May. The Treasurer's Payroll Report was also approved.

Commissioners are busy putting together their 2023 budget. Rough estimates are that the new budget will be in the neighborhood of \$5.3 million and that the proposed tax rate will be 0.5120 per \$100. The new tax rate would be lower than last year's rate but the tax revenue would be higher due to higher property valuations. Part of the new budget is a proposed 3% pay raise for county officials. Please see chart.

A \$10 Road and Bridge

Registration Fee, 20 CE hours for JP#1 Rhonda Wilkins and JP#3 Pam Haseloff, and water lines under county roads in Precinct 1 and Precinct 2 were all approved.

Approval was also given for a Bond for Deputy Tax Assessor/Collector Teresa Cary. Information on the purchase of Dental & Vision Insurance by individuals was provided by Jerry Kilion.

Parmer County Sheriff Eric Geske informed the Court that property

thefts have been increasing all across the county. He asks that if anyone sees any suspicious activity, please call the Sheriff's office at 806-481-3303 immediately.

Sheriff Geske also announced that "National Night Out" is scheduled for Tuesday, October 4th. This event allows the public to meet Parmer County's first responders and learn a little more about the people and equipment involved in providing

emergency services.

The Parmer County Law Enforcement Center is currently housing 26 inmates. Of those, 13 are paying customers from Deaf Smith County. Also, the new HVAC system and related projects will be starting soon.

All meetings are open to the public. Information in this article is only a summary. Any questions concerning specific actions should be directed to the Commissioners Court.

National Creamsicle Day

One of the most iconic American flavors is the creamsicle. Originally found in the form of a popsicle, the creamsicle has a vanilla ice cream core with a fruit sherbet coating. The fruit coating is most often orange flavored, but you can find all varieties these days. In case this is one of your favorite flavors, I found a twist on the popsicle flavor to celebrate National Creamsicle Day on August 14th.

Orange Creamsicle Poke Cake
www.lifeloveandsugar.com

Ingredients

CAKE

- 2 1/2 cups (325g) all purpose flour
- 2 cups (414g) sugar
- 3 tsp baking powder
- 1 tsp salt
- 1 cup (240ml) milk
- 1/2 cup (120ml) vegetable oil
- 1 tbsp vanilla extract
- 2 large eggs
- 2 tbsp orange zest
- 1/2 cup (120ml) water
- 1/4 cup (60ml) fresh squeezed orange juice*

ORANGE MIXTURE

- 3 oz package orange JELLO powder
- 1 1/4 cup boiling water
- 3/4 cup sweetened condensed milk

TOPPING

- 2 1/4 cups (540ml) heavy whipping cream
- 1 cup (115g) powdered sugar
- 2 tsp vanilla extract
- Orange candy slices

Instructions

Preheat oven to 350°F (176°C) and prepare a 9x13 inch cake pan with non-stick baking spray. Add the flour, sugar, baking powder and salt to a large mixer bowl and combine. Set aside. Add the milk, veg-

etable oil, vanilla extract, eggs and orange zest to a medium sized bowl and combine. Add the wet ingredients to the dry ingredients and beat until well combined. Slowly add the water and orange juice to the batter and mix on low speed until well combined. Scrape down the sides of the bowl as needed to make sure everything is well combined. Pour the batter into the prepared cake pan and bake for 28-30 minutes, or until a toothpick comes out with a few moist crumbs. Remove the cake from the oven and poke holes all over the top of the cake. Add the JELLO powder to the boiling water, then stir until the powder dissolves completely. You don't want it to remain grainy. Add the orange mixture to the sweetened condensed milk and mix until well combined. Pour the orange mixture over the top of the cake, allowing it to soak into the holes. Let cake cool completely. To make the whipped cream topping, place the heavy whipping cream, powdered sugar and vanilla extract into a large mixer bowl. Whip on high speed until stiff peaks form. Spread the whipped cream over the top of the cake and top with swirls of frosting and orange candy slices. Refrigerate the cake until ready to serve. Cake is best for 3-4 days.

* Be sure to use a fresh orange for the juice, not store-bought juice. Store-bought juice has additional sugar and other things added that will affect the way the cake bakes.

National average gas price to fall under \$4

By GasBuddy

Average gasoline prices in Texas fell 15.9 cents last week, averaging \$3.50 per gallon according to GasBuddy's survey of 13,114 stations in Texas. Prices in Texas are 74.5 cents per gallon lower than a month ago and stand 65.7 cents per gallon higher than a year ago.

According to GasBuddy price reports, the cheapest station in Texas was priced at \$2.91 while the most expensive was \$4.89 per gallon.

The national average price of gasoline has fallen 15.8 cents in the last week, averaging \$4.01 per gallon. The national average is down 68.7 cents per gallon from a month ago and stands 83.6 cents per gallon higher than a year ago. The national average price of diesel has declined 13.1 cents in the last week and stands at \$5.14 per gallon.

"The national average is poised to fall back under \$4 per gallon as early as today as we see the decline in gas prices enter its eighth straight week. By the end of the week, one hundred thousand stations will be at \$3.99 or less," said Patrick De Haan, head of petroleum analysis at GasBuddy.

De Haan added, "Diesel continues to decline as well, and will likely soon fall under \$5 per gallon. We've even seen nearly a dozen stations in low-priced states fall under \$2.99, a welcome return to some lucky motorists in areas of Texas, Oklahoma, Kansas and Iowa. The groundwork is laid for a ninth week of decline, with areas of the West Coast soon ditching the \$5 per gallon average. While I'm upbeat the drop can continue for another couple weeks, we're starting to see some activity in the tropics, which may increase risk of potential disruption."

GasBuddy data is compiled from more than 11 million weekly price reports covering over 150,000 gas stations across the country.

My yard has varicose veins and doesn't seem to care. I guess the upside is that the mower (that's me) gets a break, but seeing as yard work is my main form of exercise that's not a good thing. The cracks are widening and spreading and any day now I wonder if I'll come home and find my dogs missing.

The rains will come when they come, but for now we truly "weather" the lack of moisture with prayer and hopeful glances to the summer sky.

The cracks in our lives are just as painful to behold. We all have those dry spells--biologically, emotionally, financially. The difference, though, is that the well never runs dry for us. Elisha's miracle in II Kings testifies to this: when the woman keeps bringing empty vessels, the much-needed oil filled them all. The Lord provided.

Recently, I asked a friend who owns a gardening/landscaping operation if business was slow during this painfully dry season. Just the opposite, he said. He's never been busier. Not having a lush green yard doesn't mean we cannot enjoy a beautiful flower bed or hanging plant. Cross applying that same mentality to a difficult moment--loss of a job or of a loved one--might help us survive the droughts that come with grief. Not only survive it but even grow in the midst of it.

My mother, in her own West Texas reflections, composed this poem years after my grandmother's passing, referencing both the droughts of the 1930s and 1950s.

*My mother planted flowers;
I always wondered why.*

It seemed such work

Too difficult to try.

The land was so hard--

Earth, baked dry--

Brown baked earth

Under a cloudless sky.

We carried water for them--

She and I.

Now, no one carries water;

No flowers can be found.

Just a lonely little cedar bush

With roots deep in the ground.

The house is gone, and so is she,

And I wish that I could say

"I understand now why you wanted to see

something beautiful each day."

When cracks appear in the ground or in our hearts--from an absence of water or love or a presence of wildfires or hate--it is worth remembering that the Creator can replenish our vessels, too.

Back to School

By Brett Hoyle, Pastor, First Baptist Church

Back to school, back to school, get those kids back to school! Such is the reality of this time of year as another academic year is beginning and preparations are being made for a great school year, whether it is in public, private or home school. The reality is that the kids need to be in school to learn the needed information that will help them be educated and better equipped in life. Although it is possible for someone to learn the information apart from any type of an educational structure, it is highly unlikely that would actually happen.

Just as the kids need to be in an educational system to learn, believers must be in the Word of God to grow in their faith and be equipped for life and godliness. 2 Peter 1:3-4 says, "His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through

them you may become partakers of the divine nature, having escaped from the corruption that is in the world because of sinful desire." God's power and his promises are the fuel that will propel you to be an effective and faithful disciple of Jesus Christ, but the key to walking in His power is to abide in His promises in the Word of God. Being in the Word of God is a great delight, but it should also be a daily discipline for the believer to stay in the truth of God. As you read and obey scripture you taste the freedom that God's truth brings, you experience transformation in your life, your heart is molded after the things of God, and the Holy Spirit is given greater freedom to lead in your life.

As the kids are getting back into school, it may also be time for you to get back into the Bible. May it not be said of you that your Bible is covered in dust, but may you abide in the Lord's truth, stay filled with His Spirit, be led by His love and take the gospel across the street and around the world.

Who Will You Influence?

By Teena Hughs

Last week, the little town of Leakey hosted a five-night community revival. Each night, the revival was held in a different church, and the guest speaker was Don Piper, author of 90 Minutes in Heaven.

For those unfamiliar with Piper's story, 33 years ago, he attended a pastors' conference. It was over before noon so pastors could get home for their Wednesday night services. As Piper was crossing a narrow two-lane bridge, an inmate from the Texas Department of Corrections, driving a truck, crossed the center stripe, and the left side of the truck ran over his car, killing him.

Piper said it was instant: he was hit, he was in Heaven.

His story is incredible, to say the least. Every bone in his body, except for his right arm, was broken. He was prayed back to life. He said that when he has spoken at some places, people are amazed that he is alive! He asks them why, when they were some of the people who prayed for him to live? MANY people and churches prayed for him.

The last night, he talked about what it was like when he went to Heaven. He said he was greeted at the gates of Heaven by the people who had influenced him most in his walk and journey with Jesus: his beloved grandfather; the teacher who lived next door when he was young and called, invited, and made him feel like someone really cared about him when they picked him up and took him to church; two classmates. One of the classmates was a strong Christian, a big football player who was

supposed to play at LSU. Sadly, a car wreck took his life, and he never graduated from high school. There were many others, but he only talked about these few.

At the conclusion of this part of his story, he asked who is going to greet you and me at the gates of Heaven? More importantly, who are YOU going to greet at the gates of Heaven because of the influence you have been in someone's life?

The next day, I drove to Sacramento, New Mexico for a Community Bible Study leadership retreat. It was a long trip, and I had a lot of time to think about what kind of influence I have been. I wondered who I have influenced, and who I have missed influencing. I wondered about what I need to change so I can be a better influence for Jesus to people who don't know Him.

We may have an idea of some of the people we have influenced for the Lord, but I believe we are going to be surprised by some of the people we don't know we have influenced. One thing for sure, I don't want to influence someone negatively for the Kingdom.

I am praying and asking God to show me where I need to make changes; what I need to do more of, or less of, to influence someone for the Kingdom.

Another thing for sure, when Don Piper dies the next time, he is going to spend all of his time welcoming people to Heaven. I found him to be the most real, genuine, humble man; there is not a fake bone in his body. He is a good example for me to follow in influencing others for Jesus.

Praying for Our Teachers & Students

By Jeff Procter, Minister, 6th Street Church of Christ

It is hard to believe another school year is here. Where has the time gone? When our world gets to spinning so fast one of the best things to do is pray. My challenge to you as we near the beginning of classes is to pray for our teachers and our students. Let's pray.

Father God, Creator of the Universe and all that is in it. We thank You for Your providential care in our daily lives. We thank You, that You are the Almighty that sits firmly on Your throne.

Father, we ask a prayer for our teachers and administrators at the beginning of this school year. We ask that You fan into flame the passion for education and teaching into their hearts in ways that will ignite the flame to learn in their students. We pray that You will give them a keen awareness of each child, that they may reach each one and see the raw potential. We ask that You help them with strength to mold that potential so that each child will become what You need them to be. Lord, give each teacher knowledge and the wisdom to share it. We thank you for each educator that is part of our community. Give them the courage to face the challenges and the compassion to see a child who struggles.

Lord, we also pray for the students. From the youngest to the seniors preparing to launch. Each grade presents its own challenges for our kids. Help them to learn honor, friendship, kindness and character. Give them courage to do what is right at the right time. Open their minds to the possibilities that come from learning new things. Lord, as adults we know it is not easy being a kid, yet often we can't imagine the individual challenges each one faces. We pray for Your protection of them when they travel. We pray for our young athletes the strength to excel. We pray for the young scholars to be fed the knowledge they crave. We pray for musicians and the actors to grow in their abilities. Lord we pray for those who may feel alone in a sea of other kids that they may find a friend.

God we ask Your forgiveness in our failings. Help us as a community to stand by our teachers and with our kids that they may know that we love them and are proud of them. Help them all overcome the challenges faced by the Covid pandemic and ask that it not be a factor this year as the teachers and kids get back to school. We pray all of this in the name of Your Son and our Savior, Jesus Christ. Amen.

Form 50-883

Statements required in notice if the proposed tax rate does not exceed the lower of the no-new-revenue tax rate or the voter-approval tax rate, as prescribed by Tax Code §26.061.

NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$ 0.465700 per \$100 valuation has been proposed by the governing body of CITY OF FRIONA.

PROPOSED TAX RATE	\$	0.465700	per \$100
NO-NEW-REVENUE TAX RATE	\$	0.580700	per \$100
VOTER-APPROVAL TAX RATE	\$	0.465700	per \$100

The no-new-revenue tax rate is the tax rate for the 2022 tax year that will raise the same amount of property tax revenue for CITY OF FRIONA from the same properties in both the 2021 tax year and the 2022 tax year.

The voter-approval tax rate is the highest tax rate that CITY OF FRIONA may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that CITY OF FRIONA is not proposing to increase property taxes for the 2022 tax year.

A PUBLIC MEETING TO VOTE ON THE PROPOSED TAX RATE WILL BE HELD ON 08/19/2022 08:00 AM at Friona City Council Chambers, 619 Main Street, Friona, TX

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, CITY OF FRIONA is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Friona City Council of CITY OF FRIONA at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount = (tax rate) x (taxable value of your property) / 100

(List names of all members of the governing body below, showing how each voted on the proposed tax rate or, if one or more were absent, indicating absences.)

FOR the proposal: Bruce Fleming, Esmeralda Mills, Brent Loflin, Alan Monroe, Cindy Moreno

AGAINST the proposal: None

PRESENT and not voting: Greg Lewellen

ABSENT: None

Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

Form 50-883

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.5120 per \$100 valuation has been proposed by the governing body of Parmer County.

PROPOSED TAX RATE	\$0.5120 per \$100
NO-NEW-REVENUE TAX RATE	\$0.4717 per \$100
VOTER-APPROVAL TAX RATE	\$0.5116 per \$100
DE MINIMIS RATE	\$0.5236 per \$100

The no-new-revenue tax rate is the tax rate for the 2022 tax year that will raise the same amount of property tax revenue for Parmer County from the same properties in both the 2021 tax year and the 2022 tax year.

The voter-approval rate is the highest tax rate that Parmer County may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for Parmer County exceeds the voter-approval rate for Parmer County.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for Parmer County, the rate that will raise \$500,000, and the current debt rate for Parmer County.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Parmer County is proposing to increase property taxes for the 2022 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON August 29, 2022 AT 9:30am AT the Parmer County Court Room, First Floor 401 3rd Street in Farwell, Texas 79235.

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate and does not exceed the rate that allows voters to petition for an election under Section 26.075, Tax Code. If Parmer County adopts the proposed tax rate, Parmer County is not required to hold an election so that voters may accept or reject the proposed tax rate and the qualified voters of Parmer County may not petition Parmer County to require an election to be held to determine whether to reduce the proposed tax rate.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount= (tax rate) x (taxable value of your property)/100

FOR the proposal: Kirk Frye, Kenny White, Trey Ellis, Charles Wilkins, Casey Russell

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT: None

Visit www.Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by Parmer County last year to the taxes proposed to be imposed on the average residence homestead by Parmer County this year.

	2021	2022	Change
Total tax rate (per \$100 of value)	\$0.5334	\$0.5120	decrease of -0.0214, or -4.01%
Average homestead taxable value	\$86,158	\$86,550	increase of 392, or 0.45%
Tax on average homestead	\$459.57	\$443.14	decrease of -16.43, or -3.58%
Total tax levy on all properties	\$4,919,710	\$5,354,924	increase of 435,214, or 8.85%

No-New-Revenue Maintenance and Operations Rate Adjustments

State Criminal Justice Mandate

The Parmer County Treasurer certifies that Parmer County has spent \$34,785 in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. Parmer County Sheriff has provided Parmer County information on these costs, minus the state revenues received for reimbursement of such costs. This increased the no-new-revenue maintenance and operations rate by \$0.0033/\$100.

For assistance with tax calculations, please contact the tax assessor for Parmer County at 305 Third Street Bovina, Texas 77009, 806-251-1405 or pcad@parmercad.org, or visit <https://parmercad.org/> for more information.

Formulario de muestra para solicitud de comidas gratuitas y a precio reducido

Friona ISD anunció el día de hoy su política para proporcionar comidas gratuitas y a precio reducido a los niños atendidos bajo las pautas adjuntas de elegibilidad según ingresos actuales. Cada escuela/sitio o la oficina central tiene una copia de la política, que puede ser revisada por cualquier persona que lo solicite.

A partir del 17 de agosto de 2022 Friona High School y Friona Junior High comenzará a distribuir cartas a los hogares de los niños en el distrito acerca de los beneficios de elegibilidad y las medidas que los hogares deben tomar para solicitar estos beneficios. Las solicitudes también están disponibles en Friona High School, Friona Junior High o Friona Administration Building.

Criterios para beneficios de comidas gratuitas y a precio reducido

Los siguientes criterios se utilizarán para determinar la elegibilidad de un niño para recibir beneficios de comidas gratuitas o a precio reducido:

Ingresos

- Ingresos del hogar que son iguales o inferiores a los niveles de elegibilidad.

Elegibilidad categórica o automática

- Hogar que recibe ayuda del Programa de Asistencia Nutricional Suplementaria (SNAP), Asistencia Temporal para Familias Necesitadas (TANF) o del Programa de Distribución de Alimentos en Reservas de Nativos Americanos (FDPIR).

Participante del programa

- Situación del niño en hogar sustituto, indigente, fugitivo, migrante o desplazado por un desastre declarado
- Inscripción del niño en Head Start o Even Start

Elegibilidad según ingresos

Para aquellos hogares que califican para comidas gratuitas o de precio reducido en función de los ingresos, un adulto en el hogar debe completar la solicitud de comidas gratuitas y a precio reducido y devolverla a Ashley Smith, Director of Student Services/HR 806-250-2747 asmith@frionaisd.com. Las personas que completen la solicitud deberán proporcionar la siguiente información:

- Nombres de todos los miembros del hogar.
- Monto, frecuencia y fuente de ingresos actuales para cada miembro del hogar.
- Los últimos cuatro (4) dígitos del número de Seguro Social del miembro adulto del hogar que firma la solicitud o, si el adulto no tiene un número de Seguro Social, marque la casilla "Sin número de Seguro Social".
- Firma de un miembro adulto del hogar que acredite que la información provista es correcta.

Elegibilidad categórica o para el programa

Friona ISD está trabajando con agencias locales para identificar a todos los niños que son elegibles categóricamente y para el programa. Friona ISD notificará a los hogares de estos niños que no necesitan completar una solicitud. Cualquier hogar que no reciba una carta y crea que debería haberlo hecho debe comunicarse con Ashley Smith, Director of Student Services/HR 806-250-2747 asmith@frionaisd.com.

Cualquier hogar que desee rechazar los beneficios debe comunicarse con Ashley Smith, Director of Student Services/HR 806-250-2747 asmith@frionaisd.com.

Las solicitudes pueden presentarse en cualquier momento durante el año escolar. La información que proporcionan los hogares en la solicitud se utilizará con el fin de determinar la elegibilidad. Las solicitudes también pueden ser verificadas por los funcionarios escolares en cualquier momento durante el año escolar.

Determinación de elegibilidad

De acuerdo con las disposiciones de la política de comidas gratuitas y a precio reducido, Ashley Smith, Director of Student Services/HR revisará las solicitudes y determinará la elegibilidad. Es posible que los hogares o tutores que no estén satisfechos con la determinación de elegibilidad por parte del funcionario encargado de la revisión deseen debatir la decisión con dicho funcionario de manera informal. Los hogares que deseen presentar una apelación formal para una audiencia sobre la decisión pueden presentar una solicitud verbalmente o por escrito a Jimmy Burns Superintendent Friona ISD 806-250-2747 jburns@frionaisd.com.

Circunstancias inesperadas

Si un miembro del hogar queda desempleado o si el tamaño del hogar aumenta, el hogar debe comunicarse con la escuela. Dichos cambios pueden hacer que los niños del hogar sean elegibles para los beneficios si los ingresos del hogar caen en o por debajo de las pautas de elegibilidad según ingresos actuales adjuntas.

Para todos los demás programas de asistencia de nutrición del FNS, agencias estatales o locales y sus subreceptores, deben publicar la siguiente Declaración de No Discriminación:
