

ASC Starts Issuing Soil Bank Checks

Martin County Included In Emergency Feed Group

Johnson Says State Director Walter McKay Extends Application Time To Dec. 3

Walter T. McKay, State Director, Farmers Home Administration, has been advised of the designation by Secretary of Agriculture Benson of 15 more counties for assistance under both the Emergency Feed Grain program and the Hay and Roughage program for Texas. The newly designated counties are: Angelina, Harris, Jasper, Montgomery, Nacoches, Newton, Panola, Polk, Sabine, San Augustine, San Jacinto, Shelby, Trinity, Tyler and Walker Counties.

Farmers Home Administration committees in the counties in which the program is now effective under this designation have been advised that they may now take applications from farmers and ranchers through December 3, 1956, to provide feed grain and roughage for basic livestock

FIRST SOIL BANK CHECK ARRIVES. Approximately 900 Martin County farmers will receive soil bank payments in the next few days. J. C. Epley was the first to get a check here and is pictured taking same from George Glynn who heads the Stanton ASC office. Glynn advised The Stanton Reporter that only two other counties in the state would receive more money from Soil Bank Payments than Martin County.

900 Landowners Sign For Payments

Several Thousand To Be Paid Landowners Participating In Present Program

Bobby Sale Animal Wins Fair Honors

4-H Clubbers Calf Second Best In Class

Bobby Sale, Martin County 4-H Club boy, showed the second calf in the middleweight Hereford class at the State Fair in Dallas last week.

On Monday he showed it at the American Royal Livestock Show at Kansas City and won reserve champion in the open class.

At the State Fair Weems Williams' calf placed sixth in the middleweight Hereford class and Marilyn Sale's calf placed ninth in the lightweight class.

Craig Beckmeyer and Jamie Trice each showed commercial steers which were graded prime. Ronnie George and Jimmy Robertson showed choice steers.

In the swine division Anthony Hanson's barrow placed 12th in the lightweight Chester White class.

Bobby Sale placed fourth in the state fair showmanship contest and received a \$70 prize. In addition he received \$40 for the second place calf. Marilyn Sale received \$10 for ninth place and Weems Williams \$20 for sixth place.

All livestock was sold except that belonging to Bobby Sale, Marilyn Sale and Jamie Trice, which will be entered in shows in January and February.

Making the trip to the Dallas show were Mr. and Mrs. O. Robertson and family, Mrs. Marvin George and Brenda, A. J. Beckmeyer, Jimmy Merritt, Lee Hanson, J. C. Sale, Wesley Williams, Gerald Hanson, Weems Williams, Craig Beckmeyer, Ronnie George, Jimmy Robertson, Jamie Trice, Bobby Sale and Anthony Hanson.

Initial checks to Martin County farmers for participation in the Federal Soil Bank program are being distributed. It was announced at the office of the county Agricultural Stabilization Committee by George Glynn.

The office manager for the ASC said his office has mailed cards to all of the more than 900 farmers and landowners who signed up to take part in the 1956 Soil Bank. He urged all farmers to watch their mail for these cards and to bring them to the office in Stanton. The cards advise landowners that their checks are now ready. If the farmer has the card with him his account can be more quickly located and his check handed to him.

Glynn stated that Martin County is the third highest county in Texas to receive payments. The total amount of money to be paid locally could not be determined this week, but the figure will run into many thousands of dollars.

Glynn said that there are two types of farms on which payments cannot be made at this time. These are the farms where owners or operators signed for "not planted" cotton and which were not as far under allotment as specified and those farms on which operators did not plow up 80 per cent of the acreage designated by the application. Payments to farmers who are in either of these two categories will have to wait until later when all details can be worked out, Glynn explained.

Farmers in these two groups will be notified when and what they are required to do to qualify for their checks.

Glynn said that it will take two weeks or perhaps longer to prepare and distribute the other checks.

The ASC head said that the book work necessary for handling the payments was being pushed as rapidly as possible in his office.

The heavy payments are expected to send retail sales zooming upward in retail stores throughout Martin County.

Martin Gets Oil Strike

By JAMES C. WATSON

Flowing Strawn lime discovery has been assured in Southwest Martin County at BBM Drilling Company No. G. H. Cowden.

During last 18 hours of testing the wildcat flowed 382 barrels of new oil and 141 barrels of acid load, through 28/64-inch choke. The production was from the Strawn section behind casing perforations from 10,455 to 10,486 feet, after 2,000 gallons of

acid. Earlier, the project yielded a slight amount of oil on production tests of the Bend section of the Pennsylvanian through perforations from 10,762 to 10,770 feet; 10,776 to 10,786 feet, and from 10,794 to 10,802 feet.

This wildcat, and assured new field discovery, is 1,980 feet from south and 660 feet from east lines of section 31, block 40, T-1-N, T&P survey.

An 8,100-foot Spraberry sand project has been staged in Northeast Midland County 8 miles southwest of Stanton.

It is Magnolia Petroleum Company No. 4 Kelly Stephens, 1/2 mile northeast of production in the north side of the Spraberry Trend Area field.

Exact location is 660 feet from east and 1,980 feet from north-west lines of section 43, block 36, T&P survey.

BEST OF FRIENDS—Suzanne Brown, daughter of Mr. and Mrs. Glenn L. Brown and Mrs. Eugene Baugh are the best of pals. On her frequent visits to her parent's drug store the attractive dark-eyed Suzanne is always the center of attraction. She likes to carry around a loaf of bread instead of a doll and Mrs. Baugh is one of her favorite persons.

Hamilton Rites Held In Hico

Funeral services for George G. Hamilton Sr., 82, of Fort Worth were held at 4 p. m. Saturday in the Hico Methodist Church, Hico. A former resident of Stanton, Mr. Hamilton was the father of Mrs. Martin Gibson and Clark Hamilton, both of Stanton.

Mr. Hamilton died at 7:30 a. m. Friday in the Hico Hospital. He had been hospitalized there ten days and had been hospitalized in a Dallas hospital before being moved to Hico.

Rev. Morgan Garrett of Hico officiated at the services. Burial was at the Hico Cemetery.

Survivors include four sons, Clark Hamilton of Stanton, John

C.C. Directors Hold Regular Monthly Meet

The Board of Directors for the Martin County Chamber of Commerce met in regular monthly business session Thursday noon at the Motel Belvue.

F. O. Rhodes, vice president of the organization presided in the absence of President Bernard Houston. R. W. Caton, local attorney and member of a United Fund committee from the Stanton Rotary club met with the board and discussed the organization of a United Fund in Martin County. The board voted to support the Rotary club in their efforts to organize the United Fund and appointed a committee of three to work towards that end. Carl Clardy was named chairman of the committee with C. J. Chapman and Bill Lively as members.

The Directors set the date for the annual Fall Capon show for Nov. 17th. Other business on the agenda was the discussion of the date for the celebration of Thanksgiving. Although previously voted to be set for the 22nd of November the Board voted to change the dates for Stanton to November 29, or the last Thursday in November. This was done so that business houses could close on the same dates set aside by school officials.

Courtney Honor Students Named

Courtney School students making the honor roll for the first six weeks period were announced this week by Jess Miles, principal.

Students maintaining an average of 90 were eighth grade, Sandra Powell, Helen Glaspie, Weems Williams; seventh grade, Glenda Joy Martin; sixth grade, Buddy Glaspie and Ted Stewart.

Fifth grade, Beth Glaspie; third grade, Betty Glaspie, Manny Pointer, Wayne Bradshaw, Eugene Bond, Roy Powell; second grade, David Thomas, Kathryn Stewart, Philip Payne, Larry Duke, Patricia Badgett, Manuel Delgado.

Also first grade, Janie Boadie, Martha Bradshaw, Mary Bradshaw, Linda Glaspie, John D. Hall, Catherine Hazlewood, Eva Pointer, Brenda Stewart, Pamela Williams, Marin Tarin, Marie Ureite.

Dedication Set For New Church At St. Lawrence

The new Catholic church in St. Lawrence will be dedicated in ceremonies set for 10 a. m. Thursday.

The blessing of the building for religious services will be conducted by the Rev. John Moszkosky, auxiliary bishop of the

Chapman Store To Start Red Tag Sale Thursday

In this issue of The Stanton Reporter two ads appear for the Chapman Farm and Home Store in Stanton announcing the opening of a red tag sale.

Advertisements will appear in the paper throughout the duration of the store-wide sale. Details concerning the Fall event are outlined in one of the ads appearing in this issue.

Carlton Chapman, owner of the store said: "I know it is the time of year to advertise and I know the local paper is the best place to spend money for advertising and by using The Reporter we expect to bring our friends good values through our lay-away plan and by getting prices down to a rock-bottom level."

C. C. Committee Sets Friday Meet

Ed Davis, manager of the Chamber of Commerce stated today that a meeting of the Agriculture and Livestock Committee would be held at 2 p. m. Friday, Oct. 26 at his office.

All committee members are urged to attend. Plans for the annual Capon Show to be held in November will be completed, according to Gerald Hanson, chairman.

For The Teachers

On Nov. 6 voters will be called upon to exercise good judgement in voting for or against the many constitutional amendments to be found on the ballot.

The fourth amendment has to do with our school teachers, their happiness and security. It is a timely measure and boiled down is insurance toward building better schools and toward keeping our very able instructors in the classrooms and making the teaching profession attractive enough to draw other well qualified persons. It is our hope that amendment number four is a top winner on election day. A good teacher is like a good parent and you can't go wrong in supporting a measure the entire profession is backing.

Let us all open the door and vote for number FOUR!

WORKING FOR CHURCH. Outstanding people who are heading various activities of the Stewardship Educational Program now in progress at the First Methodist Church in Stanton are pictured above. They are seated left to right, Mrs. Ray Simpson, Associate

Chairman for Women; James Jones, General Chairman and F. O. Rhodes, Associate Chairman of Solicitation; Cecil Bridges, Associate Chairman of Education and O. B. Bryan, Associate Chairman, Mechanics.

Stanton Buffaloes Deadlock Roby

Stanton's Buffaloes played heads-up defensive football and it paid off in a 6-6 tie with Roby here Friday in a District 6-A opener, although the local eleven was outplayed in every statistical department.

Trailing 6-0, Fullback Rodney Myrick, defensive linebacker, crashed the Roby defense to intercept an attempted pitchout and race 55 yards for the equal-

izing score. Delbert Donelson's conversion was good, but wiped out by a penalty.

The visiting Roby Lions tallied in the second period on Quarterback Jerry Branson's seven-yard keeper dash. Jimmy Hale missed the try for extra point.

Roby rolled up 190 yards to 38 for Stanton on the ground and gaining 27 in the air to none for the Buffs.

But Coach Bodwen Cook's defense, bolstered by the return of Nolan Sorrells and Dee Cravens to the line-up was equal to all but one Roby challenge.

Stanton whipped Loraine 21-20 two weeks ago and will go against the conference leader, Merkel in that city Friday night. Merkel walloped the Rotan Yellowhammers 52-0 last Friday night.

The Blsons are now standing third in conference play to date. Coahoma and Roscoe played to a 7-7 tie last Friday in their District opener. Rotan is currently occupying the cellar position in conference competition.

Coach Cook stated this week that his charges were in good shape and that his squad had received special briefing in practice sessions on Merkel's offensive plays.

1st Methodist Church Heads Map Campaign

Church Dinner Will Be Held On Nov. 5

A dinner at the First Methodist Church Monday night was attended by Division Leaders and Team Captains who will spearhead the solicitation campaign to increase the budget of the church during the coming weeks.

Ray Simpson is leader of division I and division II is headed by H. S. Blocker. Team captains working under Simpson are Morgan Hall and L. C. Hazlewood, Sr. Assisting Blocker are F. O. Rhodes and Ross Hay. Each captain will head a team of eight solicitors, to be named later. Solicitors will contact each member of the church to obtain pledges for the church budget.

A church-wide kick off dinner will be held at the church on November 5, and at that time each team will receive a list of church members it is to contact.

Laymen of the church had charge of the morning worship service Sunday. Appearing on the program were Cecil Bridges, John Wood, H. M. McReynolds, Sadler Bridges, L. M. Hays, Tom Edd Angel and J. M. Yater. Yater made the principal address. Special music was provided by a quartet composed of Grady Standefer, Bob Lee, Elma Nichols and F. O. Rhodes.

Women of the church presented the program Sunday evening. Appearing on the program were Mesdames James Biggs, O. B. Bryan, Wallace Kirby, H. J. Barbee, Jim Eiland, Cecil Bridges, F. O. Rhodes, John Wood, Elma Nichols, Ray Simpson, James Jones, Phil Berry and Floyd Smith.

General Election Coming Up

Twelve days remain before the General Election set for November 6. On that date voters throughout the land will go to the polls and exercise their right to have a part in who occupies the White House for the next four years.

It matters not the candidate of your choice as far as this that every citizen cast a ballot. Your performance at the polls shows that you have the best interest of your country at heart and that you are not to be counted as one who has neglected his duty.

In the words of a slogan recently winning top honors in a national slogan contest, coined by a citizen of Stanton, "It's Your Government, Vote For It!"

An editorial appearing in a recent issue of the Publisher's Auxiliary, a printing trades newspaper, gives some interesting advice on urging a record turnout of voters in this year's Fall elections:

"The right of voting guarantees all other rights granted in our system of government.

"When you vote you are a part of a chain reaction leading to school building, highway paving, garbage collections. Your vote helps influence international events and the amount of votes cast has a great effect on our relationships with other countries.

"A light vote, may be construed by an enemy, real or potential, as a chink in our armour.

"On the other hand, a big turnout of votes demonstrate our common strength and unity—a genuine deterrent to an aggressor, a very real contribution to peace in the world.

"In short, when you don't vote, you lose your choice in government. And a lot of people have died so that our type of government might be enjoyed in this country."

Philosopher Gives Advice To City People Planning Farm Retirement

Editor's note: The Martin County Philosopher on his grass farm on Mustang Draw discusses one of his favorite subjects, retirement, this week.

Dear editor:

With the 4-day week being promised and the retirement age being lowered and social security being increased, oratorically anyway, naturally the problem of leisure is a big issue for the minds of the country to grapple with, and I was especially interested in an article I found in a newspaper which blew out of a car as a couple of teenagers rounded a corner by my farm yesterday afternoon throwing up gravel like a ditch-digging machine.

According to it, a lot of older people are considering retiring to a farm to take things easy, but some of them after they've tried it are finding a farm wasn't what they expected. One man, who invested his life's savings in a farm and settled down to live on his social security check, found it was costing him more to live in the country than it did in town. The well was always running dry or caving in or the pump burned out, his milk cow was eating more than the price his milk would cost him at a supermar-

ket, not counting the fact he had to milk her twice a day, his chickens layed fine for a while then coasted and he figured his investment in a hen house, chickens, and feed would more than pay for all the eggs he could eat the rest of his life. Etc.

Well, I'll tell you. Any city man who is figuring on retiring to a farm wants to think it over. It's true you can get by on a farm in some cases without working much, but it takes years of practice. You take the average city man and retire him to a farm and he'll find himself confused before he starts. When he gets there, he figures for example it'll be pretty nice not to get a water bill on the first of the month, but one of the facts of life is that a lot of people in town can chip in through taxes and put in a community water system a lot cheaper per man than one man can put in one water system for himself in the country. Turning on a hydrant and getting water in the country involves a lot more than turning on a hydrant in town.

Actually, the only way to retire in the country is to do it gradually. You've got to start wayback, and work up on it gradually, so when the time comes to retire you can't hardly tell the difference from what you've been doing all the time. That's the system I'm using.

Yours faithfully,
J. A.

BIBLE COMMENT

Jesus' Prayers Gave Simon Peter Added Strength

There are some men so settled in their ways that they seldom change under any circumstances. Their attitudes and reactions are so predictable that we could easily foretell their course of action in many situations.

They are very necessary in our society but also they are usually very dull, unimaginative people who are not interesting to talk to. Not much ever happens to these people.

And then there is the other type, the unpredictable person. He usually is a man of superior intelligence and ability with many interests and a vast store of energy.

Such a man was the apostle Simon Peter. Extremely impulsive, very intense, he was always ready to risk everything on the outcome of a great adventure. When his plans seemed to fail, Peter was also very gloomy and disappointed.

Although his name was Simon, Jesus called him Peter "The Rock." This nickname was a symbol of the thing Peter became as he grew older and more active in the new church.

Peter did not realize some of the weakness inherent in his impulsive, personality. But Jesus did. He saw through the tendencies to boast and Peter's burning desire to be first.

So Jesus prayed for Peter and these prayers became the source of Peter's strength and his salvation.

Peter bragged that he would not deny Jesus. He vowed he would not, even though everyone else might do so. But it was a penitent Peter who humbled

himself by weeping later when he broke his vow, not once, but three times.

We must always remember that the Christ who prayed for Peter prayed for all of us. He, too, can be our salvation and strength.

Music Club Met With Mrs. Brown On October 17

A meeting of the Stanton Music Club was held Wednesday afternoon, October 17, in the home of Mrs. Glenn L. Brown.

Mrs. Bill Lively was in charge of a study on the life of George Gerschwin. Among his works are "Rhapsody in Blue," and "C Sharp in Minor." He went to Paris to study and compose and there he wrote "A Native American Opera." It was not well received at first, but finally critics acclaimed it as one of America's best operas. He also wrote "Porky and Bess" which was a big hit in New York.

Recordings of "Rhapsody in Blue" and selections from "Porky and Bess" were played.

Members discussed attending the district convention December 8-9 at Andrews.

Present were Mesdames Glenn L. Brown, Ralph Caton, Curtis Erwin, Harry Echols, L. H. Batton, Sallie McGinnis, John Wood, John Brewer, Bill Lively, George Dawson and her daughter, Catherine Anne, of Big Spring.

New Arrivals

SP/2 and Mrs. Duane Connell are the parents of a daughter, Lesa Elaine, born at 6:46 a. m. Wednesday, October 17, at Webb Air Force Base Hospital. She weighed 8 pounds 7 ounces.

Grandparents are Mr. and Mrs. Kyle Shoemaker and Mr. and Mrs. Maurice Connell.

Advertising doesn't cost . . . it pays!

What Was The News Of Note? —Twenty-Five Years Ago—

October 16, 1931

A rain began falling sometime about mid-night Wednesday. It had rained better than three inches when Friday morning arrived. With the three inches of rain falling two weeks ago the soil is soaked with moisture.

Cattle shipments from Stanton stock pens last week consisted of six cars from the Lay Powell Bar X Branch and Brunson ranch in Glasscock County. Jim Zimmerman brought to the county 325 head of sheep to be fed out on his ranch west of Stanton.

Mrs. J. R. Sale was hostess to her Baptist Sunday School Class at Cloverdale. Games were played and much to eat was served.

Mrs. J. E. Moffett shot a coyote at a distance of 25 yards while he was running. She is

having the pelt tanned and converted into a rug.

Mrs. Horace Blocker was hostess to Kongenial Kard Klub Wednesday.

Courtney Notes: J. W. Blocker had the misfortune to lose his rent house by fire. Mexican cotton pickers were living in the house and reported they lost considerable money by fire.

Miss Pauline Cathey entertained the Whirl Club Tuesday afternoon.

Because of the three inch rain falling over the county last week, the farmers suffered considerable damage to their cotton. Bolls were pounded off the stalk into the mud. Gins were halted a few days because of wet lint cotton.

Applications Being Accepted For State Jobs

Applications are being received by the Merit System Council for the Texas State Department of Health for competitive examinations for the classifications of Food and Drug Inspector, Junior Sanitarian, Junior Engineer, and Health Information Specialist. All classifications require a college degree except the Food and Drug Inspector and Health Information Specialist, which allow a substitution of up to two years of experience in food and drug regulatory work, and education or related fields, respectively. The Junior Engineer requires a degree in engineering.

These classifications require a written examination. Salary range for Food and Drug Inspector, Health Information Specialist is \$300 to \$360, and for Junior En-

tor, Junior Sanitarian, and engineer \$360 to \$435.

Application blanks and information are available from the Merit System Council, 814 Littlefield Building, Austin, Texas.

MONORAIL TO BE INSTALLED AT FAIR

The nation's first commercial operating Monorail line, latest development in modern express transportation, will be installed as a top feature of the 1956 State Fair of Texas in Dallas, October 6-21. The 4,000-foot line will run from the front of the fairgrounds to the main parking lot on the rear. The Monorail will be "safe, silent and swift," according to Monorail, Inc., of Houston, which will construct this line.

IN THIS COLUMN Write In the Name W. LEE O'DANIEL

(Political Adv. Paid For by W. Lee O'Daniel)

Never before in history has anything built by man traveled so far in so short a time —by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run . . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records. This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its deeds, not words. That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves. We wanted them to prove to you—in action—the stamina and performance we had built into them. No words of ours could speak with equal conviction.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did: They took these cars to the Salt Flats at Bonneville, Utah. Here, twelve of the world's greatest drivers took over

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no cars have ever undergone, let alone successfully concluded.

We feel that by their deeds, you shall know the '57 Ford cars. Surely they have told you, in decisive terms, that they are worth more when you buy . . . and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

It was World War II. A young soldier who had escaped over the frontier into Switzerland from a prisoner-of-war camp wrote to his father:

"Hope to return home soon, so kill the fatted calf. Is there any-

thing you would like me to bring?" His father wrote back: "Yes—bring fatted calf."

MORE AND MORE people are finding that Reporter classified ads pay... not cost!

Farm & Ranch Review

By JAMES E. KELLY

There is much rejoicing going on among the farmers of Martin County this week over the rain visiting the county last week. The scope of country over which the rain fell covered a larger area at one time than any rain which has fallen in the county within the past six years. Almost every spot in the county received some moisture. The amount of the rainfall ranged from one-quarter of an inch to three inches. The rain descended minus heavy winds and hail. The damage to cotton was slight, most of the damage will be pegged on lowering the grade of lint cotton.

We have been informed that one gin in Stanton has been equipped with the latest improvement at a considerable cost—that of drying wet cotton as it is ginned. Before this latest improvement for drying out cotton was available to gins to install, it was a considerable task for the gins to process wet cotton, sometimes the gins were required to stand idle waiting for the lint to dry out before starting up again.

Cotton picking was delayed a few days waiting for the open bolls to dry out and the ground to dry so the pickers could get in the fields.

Nevertheless, the amount of rain that did fall was greatly appreciated. We need a lot more of it. It proved that it could rain in Martin County.

They were Bobby Sale and Jimmy Robertson of Stanton and Ronnie George of Tarzan.

There will be many acres in Martin County planted to small grain after the rains of last week averaging one and one-half inch fell. In the Fort Stockton areas scattered showers fell but ranges are still in a critical condition and livestock is being sold or moved to areas where there is grass. Irrigated cotton is half harvested with yields excellent and fall sown alfalfa and small grain is up where irrigated.

James Everett, 13, a 4-H club member from Valentine, received \$3 per pound for his grand champion in the junior livestock auction sale last week at the Dallas State Fair. The Hereford was sold to the Lone Star Steel Co., who immediately turned it over to the Dallas Times-Herald and radio station. They will auction it off at a wrestling match. The proceeds will go to the Babe Zaharias Cancer Fund.

The 4,772 acres of the Segovia Ranch in Kimbell County was sold by Raymode Pfluger of Eden. It was sold to Rankin Kothman of Junction. Kothman is a former superintendent of Eden Schools.

Austrian winter peas as a winter cover crop is being planted by the Eden landowners. Peas will provide a cover crop to prevent soil washing and blowing. Good soil structure means good rains caught and held.

The Gabbert Packing Co., at Ballinger, opened its plant to the public last Sunday. It's a \$150,000 plant. The first week of operation the plant slaughtered 75 hogs as a starter. Gabbert employs 27 people and has a fleet of seven trucks to cover the Southwest Texas triangle.

Gebbert has been in the meat business since 1925 and in the wholesale trade business since 1949.

As this is being written Monday morning the gins have started processing cotton after a three day idleness owing to the rain halting the pickers from getting into the fields. The 70 degree weather that has prevailed up to now since the rain, has caused many braceros to pull up stakes and go back to their home in Old Mexico.

One county, Hall County, in West Texas, didn't fair so well with the rain of last week. Hall, wind, and rain, destroyed approximately 60 square miles of crops. Much of the cotton in the area was open and ready to be gathered and only the shortage of field hands delayed the harvest. Rain gauges in the stricken area showed a rainfall of five and six inches.

Extension of the emergency feed grain program in Martin County has been extended to December 31. Applications may be filed through December 3 for supply of feed grain necessary to carry basic livestock herds through the remainder of the year.

Three quarters of a million dollars was an estimated damage done to the cotton crop in Pecos County last week. Three days and nights of pounding rain and hail wrought this disaster on the cotton crop in this Fort Stockton area.

Three Martin County young-

WHETHER REPORT—Whether he's angry at having his picture taken or simply has a case of the screaming meemies, Cocmo, Jr., shows his feelings in no uncertain way. A member of the monkey colony at Miami Beach, Fla., it's typical of the way he hams it up for tourists.

SHE'S IMPARTIAL, CAMPAIGN-WISE—Wearing an 1862 Benjamin Harrison campaign hat, shouldering an axe used as a campaign prop for Abraham Lincoln in 1860 and bearing a "Garfield & Arthur" banner on her chest, Jeanne Moody "campaigns" for the more than 5,000 separate items in the collection of political memorabilia owned by Mrs. Damon G. Douglas, of East Orange, N.J. Mrs. Douglas, who initiated her hobby in 1941, believes that she has one of the most complete collections of its kind in the country. Said to embrace items symbolic of every president or presidential candidate since George Washington, it includes such things as torch lights, jewelry, pipes, medals, ribbons, kerchiefs, gadgets, china, prints, songs, buttons, bottle tops and many other types of campaign material.

Study Director
For WSCS Session

Mrs. Bob Cox directed the study of the last lesson on "Southeast Asia" when the Women's Society of Christian Service met Monday morning at the church.

Taking part on the program were Mesdames Cliff Hazlewood Sr., Morgan Hall, John Poe, Ray P. Simpson, Edmund Morrow, B. F. Smith and Cox.

Mrs. W. H. Kirby presented a puzzle map and a conclusion of the study.

Next week the group will observe a week of prayer and self denial. Only one group meeting will be held during the week. It will be at the regular hour at 9:15 a. m. Monday at the church

with Mrs. Cecil Bridges in charge. All ladies of the church are urged to be present.

Present were Mesdames G. W. Alsop, Phil Berry, James Briggs, Cecil Bridges, Bob Cox, Jiggs Hall, Morgan Hall, Cliff Hazlewood Sr., Calvin B. Jones, W. H. Kirby, Edmund Morrow, Roy Pickett, John Poe, Finley Rhodes, Ray P. Simpson, B. F. Smith, Floyd Smith, James E. Tilson and E. L. Strickland.

Dedication Set --

(Continued from Page One)
diocese of Amarillo. He will be assisted by clergy from various parts of Texas and New Mexico.

Celebrant of the high mass will be Rev. Kevin Moeddel of San Angelo and the festive sermon will be delivered by the Rev. Thomas Quinliven of Colorado City.

This second church, as the first was, will be dedicated to the martyr, St. Lawrence, one of the first of the seven deacons of Rome who gave his life for his faith in 258 A. D.

After the religious services, a barbecue will be served on the grounds.

The community of St. Lawrence originally contained some 10 families of Catholic faith. Now there are 32 Catholic families. The members did most of the work on the new church.

Snooter

(Continued from Page One)

A NEWSPAPER CORRESPONDENT IN Washington, D. C., writing on the ball-point pen issued to the postoffices over the nation, reported that on Labor Day the Postoffice Department supplied pens to 37,000 postoffices — \$102,000 worth of them. The correspondent declared the PD was not too concerned over the theft of these pens from the lobbies of many of these postoffices. It is going right on replacing them at a cost of 13 cents each, with refills costing five cents and the chains four cents apiece.

The Department finds that the new ball-point pen is more economical to replace than the old style pen—less messy with its maintenance nuisance, ink pots needing refilling and scratchy nibs having to be replaced all the time.

Maximum penalty for stealing government property is \$500 and a year in jail. Souvenir hunters might well take this penalty into consideration should their desire be to swipe one of these new ball-point pens from the lobby of the Stanton postoffice.

BEWARE OF THE ROVING FOX!
There are many of these animals in this area of Texas. In fact, the fox roam in striking distance of Stanton. The cause of this warning is due to reports coming from several points in West Texas, some of these localities not far from here, that fox have been biting dogs, and some human beings, found to have rabies. A San Angeloan going fishing the other day saw a fox coming down the path toward him. The fisherman swished his pole at him and the fox jumped and bit him. The head was sent to Austin and finidng was it had rabies.

EXCERPTS FROM THE EDITORIAL, "Essential to Success," by W. G. Vollmer, President of the Texas and Pacific Railway, in the October issue of the monthly magazine Topics, is printed below:

"A good reputation like a gentle breeze, is stimulating and constructive, while a bad reputation, like a violent windstorm, is damaging and destructive. Neither can be seen, but the effects of each are both real and obvious."

"A good reputation cannot be put on a shelf and forgotten. Nor can a bad reputation be ignored. Both constantly undergo change, either for better or worse."

SO FAR AS THE CELEBRATIONS, parade, exhibits of oil equipment, etc., Oil Progress Week is an event of the past. But so far as the progress of oil development in this West Texas Basin Empire is concerned, the development of the liquid gold, goes on unabated. While the number of oil wells developed in Martin County do not show to be numerous, still the number of wells in which oil has been discovered shows the county has oil. A few drilling rigs are operating in the county searching for oil. Martin County has prospered well from the oil industry through revenue landowners have obtained by leasing their lands to oil companies.

In Texas alone one billion dollars is spent annually in search for oil. The Mid-Continent Oil & Gas Association in its report says the billion dollars spent annually in Texas on oil well drilling would build forty 36-story office buildings and the \$359 million dollars lost in dry holes would finance luxurious 1,000

New Homemaking Club Organized For Lower Grades

A homemaking club has been organized in the Stanton fifth and sixth grade class. Officers are Nona Langley, president; Elizabeth Pickett, vice-president; Judy Cain, secretary; Jo Ann Wells, assistant secretary; Gay Gates, reporter.

At the last meeting on Friday, October 19, the club decide to make pot holders. Members meet each Friday. The club's motto is "We will do our best."

Present Friday were Nona Langley, Jo Ann Wells, Elizabeth Pickett, Rosa Madrid, Sue Ragland, Judy Cain, Gay Gates, Lupe Ceballos, Bessie Coates.

PERSONALS

Mr. and Mrs. Linney Hedrick and Mary Frances Hedrick of Midland visited Monday night in the home of their parents, Mr. and Mrs. Cecil Hedrick. Visiting Saturday in the home of Mr. and Mrs. Jack Arrington were Mr. and Mrs. Alvis Brewer of Midland.

room hotels. The much hotly contested tideland case fought and won by Texas.

The offshore tideland case hotly contested and won by Texas, is showing that the costly search for oil in the Gulf of Mexico, has already fattened the pocketbook of the permanent school fund \$37 million dollars. This amount has come from the drilling rights on 683,000 acres in the tideland belt.

THE DISTANT ROAR OF THUNDER and the frequent flashes of lightning displaying low hung water laden clouds Wednesday night of last week forewarned the Stanton citizenship there was a gully washing, chunk floating rain in prospect to descend on the area. But as has been the case in the past when a rain cloud visited the section its gift of moisture was a stingy one, spreading over an area scarcely more than a Mexican sombrero would cover. Wednesday night's rainfall fell over a wider area of Martin County than any of the predecessors visiting the county during the past year.

WMU Circle Met At Baptist Church

Nine members were present Tuesday morning for a meeting of the Vivian Hickerson circle of Women's Missionary Union at First Baptist Church.

Mrs. R. B. Whitaker taught a chapter of the current study, "Japan Advances." Mrs. J. R. Murdock showed several articles from Japan. Mrs. J. W. Sale gave the closing prayer.

Members present were Mesdames J. C. Epley, Jake Hodges, Louis Roten, James Weidel, Jack Gray, R. O. Anderson, Prentiss Hightower, Bill Lively, Ed Robnett and visitors present were Mesdames J. R. Murdock, J. W. Sale, R. B. Whitaker, F. J. Latham and J. M. Milam.

Clarence Cox is reported improving nicely in a Cisco hospital.

Stanton Juniors Plan Hallowe'en Carnival Oct. 31

The Stanton Junior Class will sponsor a Hallowe'en Carnival at 7:30 p. m. Wednesday, October 31, at the Martin County Barn.

All kinds of entertainment will fill the evening with fun and merriment. Entertainment will include bingo, fishing pond, fortune tellings, house of horrors, dart throw, goal throw and many more games.

Cold drinks and doughnuts will be sold. All members of Martin County families are urged to be present for a night of fine entertainment.

Proceeds from the carnival will be used to help pay for the annual junior-senior banquet and other junior class expenses.

22 Present For Lions Assembly

The Stanton Lions' Club met Monday evening at the Stanton school cafeteria for a regular meeting.

A program was presented by Lt. Kenneth J. Durbin and Airman Richard B. Bratbak from Webb Air Force Base in Big Spring. They showed a film "Sun, Sand and Survival." L. H. Batton introduced the program. Twenty-two members and the two guests were present.

PERSONALS

COURTNEY NEWS

By KATHLEEN LEWIS

Lynn Dell Notgrass became the bride of Roland Ramsey Thursday evening, October 18, in a single ring ceremony held at the Methodist Church at Courtney. Reading the wedding vows was the Elder W. R. Dale, Primitive Baptist minister.

Mrs. Ramsey is the daughter of Mr. and Mrs. J. G. Notgrass of Rt. 2, Midland, and he is the son of Mr. and Mrs. W. R. Ramsey of 709 S. Marianfeld, Midland.

The bride wore a street-length aqua taffeta dress with an overdress of lace. It was fashioned with a bolero and a Peter Pan collar. She wore a white hat, black shoes, and she carried a white Bible topped with a white carnation bouquet. Her corsage was of white mums.

Roy Sehorn of Iraan served his brother-in-law as best man, and Mrs. Kenneth Ramsey of Midland, sister-in-law of the groom, was matron of honor. She wore a grey street-length dress with black accessories and a white mum corsage.

Mrs. Earl Creech played the traditional wedding march. Following the service, a reception was held at the home of the bride's sister, Mr. and Mrs. Burnell Howard.

The table was covered with a lavender cloth under lace. The single-tiered wedding cake was topped with a miniature bride and groom. The bride's sister, Mrs. Gilbert Smith of Odessa, served cake and Mrs. Kenneth

Ramsey served punch.

Mrs. Ramsey has been attending high school in Midland, and he is employed by an oil company in Odessa. They are making their home in Midland, following a wedding trip to Dallas where they attended the State Fair.

Only relatives were guests at the wedding, and out-of-town guests were Mr. and Mrs. Gilbert Smith of Odessa, Mr. and Mrs. Roy Sehorn of Iraan, and Troy and Dale Notgrass of Alpine.

Mr. and Mrs. J. G. Notgrass and family formerly lived at Courtney and the children attended the Courtney school.

Mr. and Mrs. Lee Stroud and Phil of Snyder visited here over the weekend with friends and relatives.

Mrs. W. E. Hazlewood was in San Angelo Tuesday where she had a physical check-up. She was accompanied by Mrs. Jess Angel.

Mrs. W. E. Holcombe is a medical patient in a Big Spring hospital suffering from injuries received in a fall. She was visiting in a friend's home, and slipped and fell and injured her back, side and wrist. She is reported improving.

Mr. and Mrs. H. Moore and children of Houston have been visiting her parents, Mr. and Mrs. Carl Clardy.

Cub Scout News

Cub Scout Den 2 of Pack 28 met Friday at the Stanton Cub Scout house for a regular meeting.

The group studied different types of puppets and made puppets. Dr. Pepper and cookies were served.

Present were John Davis, Donnie Thompson, Donnie Weidel, Rodney Roten, Rodney Riley and Mrs. J. W. Weidel.

Eight boys were present Monday afternoon for a meeting of Club Scout Den 3, Pack 28.

Scouts practiced a puppet show for the pack meeting Thursday night at the Dr. Pepper plant.

Games were played and refreshments served.

Present were Chuck Tilson, Mike Hall, David Farris, Bill Davis, Carroll Anderson and three new members, Gary Franklin and Don and Dan Yates and Mrs. J. W. Farris.

A Cub Scout pack meeting will be held at 7:30 p. m. Thursday at the Dr. Pepper plant.

All parents of Cub Scouts or boys interested in Cub Scouts are urged to attend with their sons.

A program will be presented by Cub Scouts and plans will be made to organize a new Scout den.

Mr. and Mrs. Bill Brandt of Midland visited Sunday in the home of Mr. and Mrs. Arvel Keele.

SOIL CONSERVATION DISTRICT NEWS

MARTIN-HOWARD SOIL CONSERVATION DISTRICT Present Supervisors—

Jack Buchanan, Ollie Robertson, Bernard Houston, Edgar Phillips, J. T. Flowers.

Mrs. Jim Franklin of Valley View is enthusiastic over the blue panic grass planting around their homestead. Mrs. Franklin said other folks told her that they would be living by a mountain of sand, but during these dry years the blue panic has lived and still no sand dunes nor as much blowing around the house.

Erosion usually must be controlled before soil fertility can be increased.

T. Knox on the Juliette Walcott ranch is planting rye grass around the ranch headquarters. With the moisture already received and some more this winter either as rainfall or supplemental from the windmill will produce ample cover in addition to the ethetic value of growing green grass.

Water conservation is an important factor in soil conservation.

Contour lines were run on the Loyd Wiggins farm North West of Flower Grove. Wiggins stated that cultivation and weed control worked better with contours because the upland side of the farm could be worked while the lower side was drying out after a rain. Contours alone have raised the average production of a farm 60 per cent by holding the rain where it falls. Terraces and contours increased the average production by 110 per cent according to the soil and water studies at the Spur Experiment Station.

Contour farming cuts farming costs for fuel bills and machinery wear.

Terrace lines were run on the Dalton Wright farm West of Ackerly. The old terraces had worn down and had become ineffective. Cost sharing is offered for rebuilding terraces as well as building new terraces. Wright is planting some winter grains around the farmstead for cover crops and soil protection.

Soil conservation farming is common sense farming, using scientific methods.

Elmer Mashburn is planting winter grain with his lister planter as he lists. This will not only furnish some winter grazing but the actions of the roots of the winter grain will help penetrate and break up the ter peas, and vetch do well planted in a lister furrow.

Vegetation on the soil's surface absorbs the impact of driving raindrops, breaks up the drops and guides moisture into the soil.

John Hale of Ackerly has planted winter grains for grazing and soil protection. Last weeks rains will enable farmers to plant more cover crops.

Stanton Garden Club Met With Mrs. Morgan Hall

The Stanton Garden Club met Tuesday, October 23, in the home of Mrs. Morgan Hall for its regular meeting.

Mrs. Hall presided over the business meeting. Mrs. S. W. Wheeler gave a report on the district board meeting, held October 3-4 in Midland.

The club voted to participate in the Crippled Children's Therapy program at Kerrville by sending bulbs to be planted at the hospital.

Speaker for the meeting was Mrs. James Eiland, who gave a talk on "General Garden Care." She told how to prepare the soil, how to fertilize, prune and plant. She reminded members that now is the time to plant bulbs for indoor use, but to wait until after the first light frost and before the heavy freezes for outdoor planting of daffodils, tulips, hyacinths, and other bulbs.

Coffee and doughnuts were served to Mesdames Eiland, Bob Cox and George Morphey, guests, and Mesdames G. W. Alsup, Glenn L. Brown, Lila Flanagan, J. B. Harvard, Ollie Morphey, E. Price, B. F. Smith, Sam Wilkinson, J. A. Wilson, G. Shain, S. W. Wheeler, W. T. Wells, Arthur Wilson and Morgan Hall.

Mrs. Ellison Tom of Midland and Mrs. Jim Zimmerman were in Big Spring Monday.

TARZAN NEWS

LA RUE PIERCE

The Tarzan Home Demonstration Club met Wednesday afternoon, October 17, in the home of Mrs. Houston Woody.

Mrs. Bob Cox gave a report from the council meeting and Mrs. Houston Woody was elected treasurer of the county council.

Officers for the new year were elected as follows: Mrs. Bob Cox, president; Mrs. Bob Hazlewood, vice-president; Mrs. Woody Smith, secretary-treasurer; Mrs. Charles Pierce, reporter; Mrs. Marvin George, Mrs. Sam Cox, council delegates.

Mrs. Mildred Eiland, home demonstration agent, gave a demonstration on "Furnishing the Living Room."

Refreshments of cake, cookies and coffee were served to Mesdames L. M. Hearn, Bob Cox, Bob Hazlewood, Jim Jones, Woody Smith, Glen Cox, Charles Pierce, Marvin George and Mildred Eiland.

The Grady P-TA met at 8 p. m. Monday, October 15, with Bill Orson, president, in charge of the meeting.

Plans were completed for the Halloween Carnival to be held Friday night, October 26.

Committees were appointed for the carnival and a play was presented by the eighth grade as a program. The P-TA is going to sponsor the food booth and the spook house for the carnival. Approximately 20 persons were present for the meeting.

Grady classes have chosen booths for the Halloween Carnival as follows: fish pond, first grade; country store, second; grab bag, third; darts, fifth; bowling, sixth; horseshoe throw, seventh and fortune telling, eighth.

Annette Howard of Big Spring was home over the weekend visiting her mother, Mrs. Vivian Howard and grandparents, Mr. and Mrs. A. H. Hobbs.

Mr. and Mrs. Edward Smith and Judy visited Wednesday with relatives in Brownfield.

Visitors in the Bob Hazlewood home over the weekend were Mr. and Mrs. Wesley Butler and daughter of Big Spring.

Eldon Welch is home after spending two weeks in the Veterans' Hospital in Big Spring.

Mr. and Mrs. Edward Smith had a church social in their home Sunday night after church. Refreshments of coffee, cakes and cookies were served to 25 guests.

Mr. and Mrs. Bob Hazlewood visited relatives in Odessa over the weekend and attended the oil show.

Rev. T. R. Bedford preached at both the morning and evening services Sunday at the Tarzan Baptist Church.

Mr. and Mrs. Gus Cowart and daughter and Mr. and Mrs. Bob Hazlewood and daughters attended the State Fair in Dallas last week. While there they attended the Icecapades.

Weekend visitors in the home of Mrs. Matt Welch were Mr. and Mrs. Malcolm Tunnell and Don Pollock of Valley View and Mrs. Welch's son, Charlie Welch, from Texas Tech in Lubbock.

Mrs. Marvin George and Brenda and Mr. and Mrs. Ollie Robertson, Dena and Dale Max, attended the Dallas Fair from Thursday to Friday. Jimmy Robertson and Ronnie George spent the week at the livestock show.

Harold Smith was home over the weekend from Texas Tech College in Lubbock visiting his parents, Mr. and Mrs. Woody Smith.

The seventh grade class of Grady School sponsored a "42" party Thursday night at the Grady School. Twelve persons attended. Popcorn balls, cake, pie, hot chocolate, coffee and cold drinks were served.

Mr. and Mrs. Wray Bruce of Lubbock visited over the weekend with Mrs. Bruce's parents, Mr. and Mrs. Bonnie White.

Margaret Pierce of Big Spring visited over the weekend with her parents, Mr. and Mrs. Troy Pierce.

Don Jones was home over the weekend from Texas Tech in Lubbock visiting his parents, Mr. and Mrs. Jim Jones.

Birthday Party For Smitty Smith

Smitty Smith was entertained on his 11th birthday with a skating party Wednesday, October 17, at the skating rink.

Guests skated and played games. Refreshments of cake and soda pop were served. Favors were Halloween whistles, suckers and bean shooters.

Present were Bob Stenspon, Micky Davis, Ulen North, Ben Mott, David Poe, Billy Powell, Larry Fulbright, Davis Laabs, Clinton Miller, Donnie Polson, Tommy Shanks, Larry Ratliff, and Smitty Smith.

PERSONALS

Mr. and Mrs. O. J. Jenkins, Loretta Jenkins, Kay Powell, Fred Houston and Tommy Davis attended the Oil Show Sunday night at Odessa.

Mr. and Mrs. J. B. Zimmerman of Midland visited Sunday with Mr. and Mrs. Jim Zimmerman.

Mr. and Mrs. A. T. Kaderli of San Antonio visited over the weekend in Stanton with Mr. and Mrs. W. A. Kaderli and others.

Sunday visitors in the home of Mr. and Mrs. A. L. Frith were Mr. and Mrs. Adrain Frith, Mike and Linda, of Odessa, Mr. and Mrs. Waymon Frith and Barry of Borger, Mr. and Mrs. G. T. Christian, Chris, Kitty and Susan of Big Spring, Mr. and Mrs. Wayland Wood of Midland, Mr. and Mrs. Warren Golman and daughter of Odessa, Frances House of Courtney and Rosemary Mitchell of Stanton.

Jaycees To Plan Xmas Activities

Stanton Jaycees will discuss their Christmas activities at a regular meeting at 7:30 Thursday night, according to President O. L. Snodgrass Jr. It will be held at the county agents' office.

Jaycees are considering a Christmas tree sale to finance Yuletide activities.

Mrs. Lewis Carlile was in Big Spring Monday to attend a quarterly president and secretary's conference of the Farm Bureau. It was held at the Settles Hotel.

Mrs. A. C. Fleming and Mrs. Lewis Carlile spent the weekend in Abilene with Mrs. Fleming's sister, Mrs. Hoyt Barnes.

Mr. and Mrs. Ralph Caton plan to attend the Baylor homecoming football game over the weekend in Waco.

W. Lee O'Daniel Favors Ike For A Second Term

W. Lee O'Daniel, seeking the governorship of Texas as a write-in candidate, has declared it is "strictly a matter of good business judgment" for the state's voters to keep President Eisenhower in the White House.

Emphasizing the fact that Eisenhower has returned Texas' tidelands to the state, a Stevenson administration could also, through legislation, "take them away from Texas."

In a statement in Dallas, he said it is "strictly a matter of good business judgment for the people of Texas to keep a man in the president's chair who is friendly to Texas' ownership of the tidelands than to put in a man like Stevenson . . . who is against Texas ownership of the tidelands."

Since the Eisenhower-backed tidelands bill became law in 1953, the state has received approximately \$60,000,000 for its permanent school fund. O'Daniel predicted that because of this issue, Texas would again vote for Eisenhower.

PERSONALS

Mr. and Mrs. Bob Ragland and family and Mr. and Mrs. L. G. Tom and George visited in Dallas over the weekend. They attended Cinema there.

Bill Polk, D. E. Ory and George Davis were in Abilene Saturday to attend the Hardin-Simmons-Tempe football game.

Catholic Women Attend Meeting Held In Lubbock

"The Influence of the Ideal Catholic Woman in Her Community" was the theme of the twentieth annual convention of the Diocesan Council of Catholic Women held Tuesday and Wednesday in Hotel Lubbock, in Lubbock.

Hostesses for the convention were members of St. Elizabeth's Parish societies. The first workshop of the convention was "The Technique of Public Speaking," conducted by John W. Hughes of Midland.

The Rev. Richard Vaughn, columnist for the West Texas Register, a Catholic weekly newspaper, and diocesan director of the Confraternity of Christian Doctrine, opened the workshop of the CCD with "Religious Discussion Clubs."

Also speaking at the workshops were Dr. Catherine Clarke of Albuquerque, N. M., and Sister Machael, principal of Stanton's Catholic school.

Rev. Michael P. Kammer, SJ, principal of the Jesuit High School in Dallas, gave the banquet address. His subject was the theme of the convention, "The Influence of the Ideal Catholic Woman in Her Community."

Attending from Stanton were Mrs. Beatrice Straub and Mrs. Travis Robertson.

PERSONALS

Visiting Sunday in Odessa with relatives were Mr. and Mrs. L. M. Durham.

Texas Anticipating 25-Million-Pound Pecan Crop For '56

A 25-million-pound pecan crop for Texas this year is predicted in the current issue of Texas Business Review, monthly publication of the University of Texas Bureau of Business Research.

That would be 34 per cent below last year and 18 per cent below the 1945-54 average, "but would nonetheless constitute a good harvest," Staff Writer James H. Keahey notes.

Texas is by far the leading state in number of pecan trees (approximately 100 million), but Georgia, with comparatively few native pecan trees, usually exceeds Texas in production.

Pecan experts recommend a five-way improvement program for further growth of the industry in Texas:

Thinning the trees for proper spacing.

Spraying for insect and disease control.

Irrigating and fertilizing where needed.

Efficient grading and marketing.

Developing groves of improved varieties.

Among groups attempting to bring about improvements is the Texas Pecan Growers Association, which is pushing better organization, research and marketing programs.

Keahey says the market for pecans — bakeries, confectioneries, grocery outlets and the leather industry (which uses pecan hulls as a source of tannin)—has the capacity to absorb at least twice the present pecan production.

8-YEAR-OLD KAREN ALBRECHT of San Antonio welcomes Dr. Dean W. Roberts of Chicago as he registers at the state convention of the Texas Society for Crippled Children in San Antonio. Karen was national poster girl for the 1954 Easter Seal Appeal. Dr. Roberts is executive director of the National Society for Crippled Children and Adults and international leader in the field of public health.

Corpus Christi To Be Site For Baptist Session

Texas Baptists, 1,430,000 strong, are now completing final plans for three state-wide conventions which will be held in Corpus Christi from Nov. 5 through 8, officials said here Wednesday.

Virtually every town and city in the state will be represented among the 10,000 persons expected to attend the four-day series of meetings in Corpus Memorial Coliseum and Del Mar Auditorium.

Dr. Theodore Adams, president of the 21,000,000-member Baptist World Alliance, heads the list of prominent speakers who will appear before the messengers.

Purpose of the three conventions is to conduct the annual business of the Woman's Missionary Union of Texas, the Texas Baptist Brotherhood and the Baptist General Convention of Texas.

The messengers, from more than 3,704 churches over Texas, will also present Town and Country Achievement awards; honor outstanding leaders; hear reports from various convention officers, institutions and agencies; adopt a \$10,000,000 budget for the coming year; adopt pertinent resolutions; present a convention press award, elect trustees for the BGCCT schools, hospitals and children's homes, and welcome into the convention seven new churches in Wisconsin and Minnesota.

Mrs. Gene Clements Entertains Class With Dinner Party

A dinner party and business meeting for the Win One Class of the First Baptist Church was held Tuesday, October 16, in the home of Mrs. Gene Clements.

Mrs. H. K. Kizzlar, superintendent of women's department, was a special guest.

Present were Mesdames Jack Hankins, F. C. Wheeler, J. W. Sale, Raymond Wheeler, Louis Roten, B. J. Wells, Pete Woody, T. R. Louder, J. C. Sale, Jack Iretton, Harlan Reynolds, Bill Lively and F. M. Fulbright.

Graveside Rites Conducted Saturday For Stanton Infant

Graveside services for Linsey Shoemaker, infant son of Mr. and Mrs. L. R. Shoemaker, were held at 3 p. m. Saturday at Evergreen Cemetery.

He was born at 5 a. m. Saturday at Martin County Memorial Hospital.

Rev. J. R. Murdock of Stanton officiated for the services. Arrington Funeral Home was in charge of arrangements.

Survivors include the parents; two sisters, Tricia Shoemaker and Trina Shoemaker; and the grandparents, Mr. and Mrs. Kyle Shoemaker and R. B. Creech.

Vincent Baptist Church Awarded Big Spring Plaque

The Vincent Baptist Church has been named winner of the annual Town and Country Achievement Award sponsored by the Big Spring Baptist Association, spokesmen said here Sunday.

The Rev. Virgil Drewery, pastor, will receive a parchment scroll and the church a metal plaque which can be displayed in a prominent position outside the building.

Purpose of the achievement program is three-fold:

- 1) To stimulate interest and initiative in town and country church work.
- 2) To recognize outstanding achievements by pastors and churches.
- 3) To help Texas Baptists realize their responsibilities not only to their own local church and community, but to the nation and the world as well.

The association is one of the 122 geographical areas in which the Baptist General Convention of Texas promotes such work each year.

The denomination includes one out of every six persons in the state, with 3,704 churches and 1,430,000 members in Texas. Approximately two-thirds of the churches are classified as town and country congregations.

Whites' Entertain Forty Two Club

Members of the "42" Club met Thursday evening at the home of Mr. and Mrs. B. F. White.

Cake and coffee were served to Mr. and Mrs. C. E. Story, Mr. and Mrs. R. O. Anderson, Mr. and Mrs. Harry Billington, Mr. and Mrs. J. R. Murdock, Mrs. Evelyn Woodard, Mrs. J. R. Sales, Mrs. Nobye Hamilton and Mr. and Mrs. White.

Stanton Home Demonstration Club Elects

Officers were elected when the Stanton Home Demonstration Club met October 17 in the home of Mrs. Pearl Ory.

Selected were Mrs. Travis Robinson, president; Mrs. Ollie Morpheu, vice-president; Mrs. T. W. Haynie, secretary-treasurer and Mrs. Morgan Hall and Mrs. W. T. Wells, council delegates.

Mrs. Harry Halslip gave a demonstration on flower arrangements. She demonstrated how to make arrangements for hospitals, home use and several holiday arrangements.

Punch and cookies were served to Mesdames T. W. Haynie, Pearl Ory, John T. Roueche, Minnie Sims, W. T. Wells, Ollie Morpheu, Travis Robinson and Roy Linney.

PERSONALS

Visitors in the E. T. Williamson home over the weekend were Mr. and Mrs. E. R. Williamson and family of Lovington, N. M., Mr. and Mrs. Walter Barbee of Big Spring Mr. and Mrs. Ray Prather of Coahoma, Mr. and Mrs. Charles Barbee and daughter of Midland, Mrs. Belton Hill and children of Flower Grove and Mrs. Annie M. Williamson of San Antonio.

TELEPHONE TALK

by C. W. Fisher, Manager

COLOR COMES TO TELEPHONE

"What's your favorite color?" is often a popular topic of conversation among school children.

When girls are talking about Susie's new dress, or boys get together to comment—sometimes critically—on a new jacket in the crowd, everybody has a special color—the one they like best.

Mostly it's blue or red. But again, it might be green or yellow, or any of the other colors of the rainbow.

Well, color has become a popular subject at the telephone company—namely, the new color telephones.

We don't boast having telephones in every color of the rainbow, but we do have them in eight, bright beautiful colors. You can choose from ivory, beige, red, brown, green, grey, yellow and blue.

Color telephones brighten up your home by blending or contrasting with the color schemes. They add smartness to an office or store, too.

The cost is \$10 for the set, plus a one-time installation charge of \$3.00, for a telephone in your favorite color. And if you order a color set as an extension for more convenience, just add the regular monthly extension rate of \$1.00 to the one-time charges. Call the telephone company today to order a color telephone. You'll be glad you did.

A REAL BARGAIN

From time to time, stores come up with sales where you buy things at reduced prices, or even "two for one."

Here at the telephone company, we offer you what amounts to a "three for two" savings on Long Distance calls all year long.

You can place three station-to-station calls for approximately the cost of two person-to-person calls.

You see, a station-to-station call is really similar to a local call. Your call goes to a telephone—not a person. Frequently, the person you want to talk with is the one who answers.

Lower station-to-station rates let you call Long Distance more often. Take advantage of this bargain service and save money.

And remember, rates are lower every evening after 6 p.m. and all day Sunday.

"JUST PICK UP THE PHONE"

How often have you said to someone; "Don't worry about it. Just pick up the phone and call."

Yes, the telephone saves you time and steps each and every day, because for many of your errands all you have to do is "pick up the phone."

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Cotton Use Runs Below Month Ago And Year Ago--

The Census Bureau reported Friday cotton consumption for the September period averaged 32,887 bales for each working day.

This compared with an average of 35,352 bales for the corresponding period a year ago, and with 34,006 for the August period this year.

The bureau reported also that the cotton spinning industry operated during September at 131.8 per cent of capacity on a two-shift, 80-hour week basis.

This compared with 137.4 per cent during August this year, and 138.1 per cent during September last year.

Consumption of cotton in the September period was 822,180 bales compared with 886,275 in the August period and 873,738 in September a year ago.

Consumption of lint for the two-month period ending Oct. 1

totalled 1,508,455 bales and of linters 274,713 bales. This compared with 1,590,853 and 290,508, respectively, in the corresponding period a year ago.

Cotton on hand Oct. 1 included:

In consuming establishments 899,280 bales of lint compared with 1,205,776 a year ago.

In public storage and at companies, 14,279,709 bales of lint compared with 11,843,574 a year ago.

Spinning spindles in place Sept. 29 totalled 21,688,000, of which 18,780,000 were active consuming cotton on the last working day of the month, compared with 21,709,000 and 18,912,000 for Aug. 25 this year, and 22,257,000 and 19,243,000 a year ago.

Active spindle hours for spindles consuming cotton for September totalled 10,678,000,000 compared with 8,849,000,000 for August this year and 12,287,000,000 for September last year.

Scout Council Authorizes Area Improvements

A \$297,000.00 expansion program has been announced by the Buffalo Trail Council, Boy Scouts of America, which has its headquarters in Midland, Tex., and its leaders predict the fund-raising effort will be completed early in 1957.

A statement from Roy E. Carter, Kermit, Tex., President of the Council, said expansion of facilities for scouters over the area would include the following:

1. Construction of a new Boy Scout headquarters building in Midland, Tex., to serve the 18 counties in the Council area.

2. Development of the Buffalo Trail Aquatic Camp at Lake J. B. Thomas near Snyder, Tex.

3. Improvement and expansion of facilities of the Buffalo Trail Boy Scout Ranch in the Davis Mountains.

Funds for the Buffalo Trail Boy Scout Ranch, a 6,000 acre facility located near Balmorhea, Tex., were subscribed by the council's area through a campaign conducted in 1947. The camp was secured, and facilities developed at that time have accommodated more than ten thousand (10,000) boys.

New construction at the Lake J. B. Thomas project will include swimming and boating areas, a modern and well-equipped mess hall, and other facilities for the use of more than 7,000 scouts and 3,000 adult scouters in the Buffalo Trail Council.

Mr. Carter indicated in his release that an officer for the campaign to be conducted over the Buffalo Trail area would be established immediately, but that any local organization activity would be withheld until United Fund and Community Chest solicitations in the council area were complete.

Texas Farm Cash Income Holding Up Despite Drouth

Texas farm cash income appears to be holding up, despite one more year of drouth, the University of Texas Bureau of Business Research says.

This year's total, to the end of August, was \$927,160,000, a gain of less than one-half of one per cent over the January-August, 1955, income (\$925,569,000).

However, many farmers say farm income has been kept at its 1955 level through the sale of what financiers would call capital—materials needed for continued production, such as breeding stock. If that is the case, farm income may drop more substantially in the next few years.

"Agricultural economists have not yet determined just what is sustaining the farm income this year, but there seem to be substantial grounds, in some parts of the state at least, for the farmers' claims," Staff Writer James H. Keahy reports.

Eleven of the 19 major farm commodities brought increased income, seven decreased and one showed little change in the 1955-1956 comparison for the first eight months of the year.

Increases were made by cattle, up 1 per cent; corn, 5 per cent; calves, 6 per cent; wool, 7 per cent; grain sorghums, 11 per cent; hogs, 16 per cent; peanuts, 23 per cent; milk and milk products, 24 per cent; poultry, 29 per cent; fruit and vegetables, 37 per cent, and sheep and lambs, 38 per cent.

Showing decreases were wheat, down 2 per cent; eggs, 6 per cent; rice, 18 per cent; cotton, 19 per cent; oats, 44 per cent; cottonseed, 50 per cent, and flaxseed, 79 per cent. Mohair registered an insignificant change.

Vets Must Meet Dec. 31 Deadline To Get Insurance

Veterans separated from active service since September 4, 1956, will NOT have 120 days in which to apply for 5-year term nonconvertible GI insurance; they will have ONLY until December 31, 1956.

Robert W. Sisson, manager of the Veterans Administration regional office at Lubbock, Texas, said the new application deadline was set by the recently enacted Servicemen's and Veterans' Survivor Benefits Act (Public Law 881, 84th Congress).

Before this law was enacted, Mr. Sisson said, eligible veterans had 120 days from separation in which to apply for the post service five-year term nonconvertible policy.

The new law ends issuance of this insurance effective January 1, 1957 and thereby established December 31, 1956 as the deadline for application, even though less than 120 days have elapsed since separation, Mr. Sisson said.

Mrs. Yater Has Party For Beta Sigma Phi Group

Mrs. J. M. Yater was hostess Thursday evening to a tacky party for members of Mu Lambda chapter of Beta Sigma Phi. A hot dog supper was served. Mrs. Dwain Henson directed games.

Present were Mesdames Glenn Gates, Jull Reid, O. L. Snodgrass Jr., Phil Berry, Bill Wheeler, Tull Ray Louder, Jack Ireton, Bill Lively, J. N. Woody Jr., Marshall Johnson, Jack Gray, Curtis Erwin, John Roueche, Ralph Caton, Charles Nelson, Dwain Henson and J. M. Yater.

Mr. and Mrs. Douglas Church were in Roswell and Carlsbad, N. M., from Tuesday to Friday of last week.

U.S. Civil Service Exams Announced

The United States Civil Service Commission is seeking applications from persons interested in a career in the federal service through its Federal Service Examination. This examination, which covers a wide variety of occupational fields is open to all college seniors and graduates regardless of their field of major study and to people who have had equivalent experience. The next written test will be held November 10, 1956 for those who file by October 25. Additional written tests will be given January 12, February 9, April 13, May 11, July 13, and August 10, 1957.

Most appointments will be made to positions at grade GS-5 with a beginning salary of \$3,670 a year. Some appointments may also be made to positions at grade GS-6 and GS-7, \$4,080 and \$4,525 a year. Positions will be filled in various agencies in Washington, D. C., and throughout the United States, its territories and possessions. A few positions will be filled in foreign countries.

Some of the fields in which positions will be filled are general administration, economics, budget management, automatic data processing, library science, statistics, information, and food and drug inspection.

Further information and application forms may be obtained at many post offices throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C.

Roscoe Thomas left Tuesday for Cheyenne, Wyoming, where he is stationed with the air force. He visited his parents, Mr. and Mrs. E. L. Thomas and his wife.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators."

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

FORD TRUCKS COST LESS

... less to own ... less to run ... last longer, too!

Before you buy your next truck, look at both sides of Ford's story of value: what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Ford's Short Stroke engines are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see

you get more for your money in a Ford. For example, only Ford gives you modern Short Stroke power in every truck, V-8 or Six. Sodium-cooled exhaust valves in Heavy Duty engines run up to 225° cooler, last longer. More comfort with a Drivertized Cab. More safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

The big fleets buy more Ford trucks than any other make

Preferential Tea For Beta Sigma Phi Chapters Held In Jenkins Home

Mu Lambda chapter of Beta Sigma Phi entertained members of all chapters of Beta Sigma Phi with a preferential tea from 3 p. m. to 5 p. m. Sunday at the home of Mrs. O. J. Jenkins.

Mrs. O. J. Jenkins received guests at the door.

Featuring an autumn theme, the table was laid with an ecru lace cloth and centered with an arrangement of yellow chrysanthemums and pyracantha. Yellow and brown napkins were used to complete the color scheme. Coffee and an assortment of cookies were served by Mrs. Phil Berry.

In charge of arrangements was the social committee headed by Mrs. J. M. Yater, Mrs. Charles Nelson, and Mrs. John Roueche.

After the tea, a pledge ritual was held by Mu Lambda chapter and an exemplar ritual by Xi Alpha Beta chapter in the Jenkins home. Rho Xi chapter conducted a ritual of jewels ceremony in the home of Mrs. Gerry Hanson.

Mrs. Bill Lively read the pledge ritual for Mrs. Bill Wheeler, Mrs. Jack Gray and Mrs. Marion Tredaway. Mrs. Phil Berry was installed as sponsor of Mu Lambda chapter.

Receiving the exemplar degree from the Xi Alpha Beta

chapter were Mesdames R. K. Rogers, Juil Reid, Tull Ray Louder, Jack Ireton, Bill Counts and Doris Stephenson. Mrs. Glenn L. Brown read the ritual. At the home of Mrs. Gerry Hanson members of Rho Xi chapter receiving the ritual of jewels degree were Mesdames T. Knox, G. W. Leach, Don High-tower and Mary Ivy Baulch. Mrs. Hanson conducted the ceremony.

Approximately 50 persons were present at the tea.

Mrs. R. B. Whitaker Conducts Mission Study On Japan

Mrs. R. B. Whitaker taught a mission study, "Advancement of Japan" when the Mary Stamps circle of the Baptist Women's Missionary Union met Monday afternoon in the home of Mrs. Virgil Brothers.

A prayer for missionaries on the prayer calendar opened the meeting. Mrs. W. H. Yater gave a devotion from Isaiah 41 on "Wings of a Christian."

Present were Mesdames W. H. Yater, B. F. White, Virgil Brothers, J. R. Sale, R. B. Whitaker, T. R. Louder and Harry Billington.

GARDEN CITY NEWS

By SANDRA WILKERSON

Sterling City Eagles scored in every quarter in a sixman football game played here Friday night. The final score was Eagles 58—Garden City Bears 31.

For Garden City, Bobby Fisher scored 18 points, Jimmy Davee and Lloyd Jones, six each and Doug Gray, one.

Kat Mitchell, freshman at Texas Tech in Lubbock, visited

ACKERLY NEWS

By DOROTHY BAKER

Funeral services for Andrew James Lewis, 43, were held Tuesday afternoon, October 16, at the Ackerly Church of Christ with Frank E. Chisom, church pastor, and James Eubanks of Big Spring, officiating.

He died at 4:50 p. m. Sunday in a Big Spring hospital after suffering a heart attack. He and his family lived three and one-half miles northeast of Ackerly.

Survivors include the widow, Mrs. Naoma Lewis; his mother, Mrs. S. D. Lewis of Seminole; one daughter, Mary Lou Lewis and three sons, Royal D., Doyle A. and Elton Isaac Lewis.

Also three sisters, Mrs. H. K. Dean and Ruby Lewis, both of Seminole and Mrs. W. G. Hall of Santa Fe, N. M.

The scheduled football game between Ackerly and Ira for last Friday night was cancelled because of wet football grounds at Ackerly. Ackerly plays this Friday night in another conference game.

This community received approximately three and one-half inches of rain last week.

Jessie McDonald spent the weekend visiting relatives in Midland.

Mrs. Bruce Crain and Zenobia were in Lorenzo Saturday where they visited Mrs. Crain's nephew, Mr. and Mrs. T. L. Wilkerson and family.

Mrs. J. Archer accompanied her daughter, Mrs. Wayne Smith of Lamesa, to Big Spring where they attended a surprise birthday party for Mrs. Archer's granddaughter, Betty Watts.

Visiting in Blanchard, Okla., over the weekend were Mrs. John Willoughby and her grandchildren, Pat Coshaw and Mona Faye and Leon Russell. They visited Miss Coshaw's parents, Mr. and Mrs. Frank Coshaw.

Cynthia and Jerry Etheredge of Tahoka spent the past week with their grandparents, Mr. and Mrs. Lewis Etheredge.

Mrs. George Williams is back in a Lamesa hospital. She has been seriously ill with pneumonia.

Returning home recently from hunting between Monticello and Blanding, Utah, were Lonnie Kemp, Vernon Shortes and Venus Shortes of Lovington, N. M. They were gone one week and returned with eight deer.

Three men spent last week hunting near Lake City, Colorado. They were Joe Don Zant, Ross Hyden and Don Grantham.

Mr. and Mrs. Jack Archer and Kaye have been in Hamlin at the bedside of her father, Guy Acock of Aspermont, who is seriously ill.

Home for the weekend with their parents, were Larry, Edward and Madeline Billingsley from Abilene Christian College.

Mr. and Mrs. Cartis White and Freida went to Marlin Sunday

where they visited in the Clyde Hardcastle home.

Mr. and Mrs. George Rhea and Marcia and Mr. and Mrs. Alfred Herren and sons visited recently in Anson with Mrs. Rhea's parents, Mr. and Mrs. J. R. Bell.

Buck Baker and M. L. Knowlton are in Colorado where they will hunt for a week.

Mrs. Jack Grigg, Mrs. Lonnie Kemp and Mrs. Vestal Hall visited Friday in Ballinger with Mr. and Mrs. Johnny Clark.

Mr. and Mrs. H. D. Hobson and daughter of Lubbock have been recent guests with her mother, Mrs. Maude White.

Sunday, Mrs. Buck Baker, Delbert and Dorothy, visited in Seagraves with Mr. and Mrs. Garland Brown and daughters and in Seminola with Mr. and Mrs. E. B. Baker and daughters.

Visiting in Ballinger Sunday with Mr. and Mrs. Johnny Clark Jr. were Mr. and Mrs. Lonnie Kemp, Mr. and Mrs. Vernon Shortes and Don and Thomas Gregg.

Concession Stand Sales Net Band Fund Another \$100

Approximately \$100 was cleared by the Stanton Band Parents Club Friday night at the Stanton-Roby football game, according to Mrs. J. C. Epley, reporter.

In charge of the concession stand were Mr. and Mrs. O. B. Bryan, chairmen; Mr. and Mrs. T. D. Barnhill, Mr. and Mrs. Floyd Smith, Mr. and Mrs. Preston Morrison, and Mr. and Mrs. James Webb. Mrs. Stanley Reid, president, and Jack Gray, director, help with all concession stands.

A new concession stand was built recently by members and friends of the Band Parents Club. The materials were bought by the school board but all work was donated. Helping build the stand were Stanley Reid, chairman; Floyd Smith, Elma Nichols, Jack Gray, Glenn Gates, Preston Morrison, Louis Powell.

Members of the club are working as a team to raise money for the band. At the next meeting an announcement will be made of different things to be purchased for the band.

Holiday Time To Be Given Recruits Signing For Navy

Chief R. E. Lafon, Navy Recruiter of Big Spring announced today that all men who enlist in the U. S. Navy by 15 November 1956 will be given 14 days leave DURING THE CHRISTMAS HOLIDAYS. All men who enlist after that date will be given Recruit Leave at the time of completion of their Recruit Training.

LaFon also announced that any man may still volunteer for the service of his choice if he has already received his Preinduction Physical but not after the receipt of his Induction Orders.

For any information about the Navy see Chief LaFon in the Big Spring Post Office Basement any Monday, Wednesday or Friday from 8:30 a. m. to 5:00 p. m. or Phone AM 46868.

Later Day Saints Church Women Meet Thursday At Church

"There Was A Place For Children" was the theme of study when the Women's division of the Reorganized Church of Jesus Christ of Latter Day Saints met Thursday at the church.

Visiting Sunday in the Stovall home were Mr. and Mrs. Irvin Currie of Midland, Mrs. Dorothy Ritz and son, Ross, of Hobbs, N. M., Mr. and Mrs. Neil Stovall of Odessa and Mrs. W. A. Birdwell of Corpus Christi.

NEW 1957 GENERAL ELECTRIC FILTER-FLO® WASHER

Two wash speeds, two spin speeds for "just right" washing of all types of fabrics

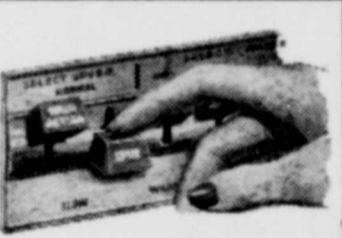

NO LINT FUZZ ON CLOTHES

Wash water is circulated and filtered to give you cleaner clothes. Lint is caught in the filter—not on your clothes. Sand and soap scum are automatically removed.

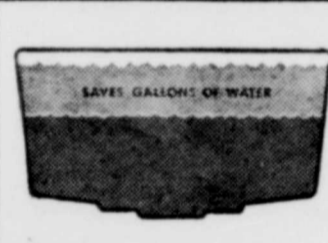

TWO WASH SPEEDS—TWO SPIN SPEEDS

Your choice of Normal or Slow wash action, Normal or Slow spin speed... or any combination you choose for all types of washable fabrics. You simply pre-set your selection.

WATER SAVER FOR SMALL LOADS

Save over 20 gallons of water when washing a small load. All you do is touch the fingertip selector when the desired water level is reached. Also, your choice of warm or cold water rinse.

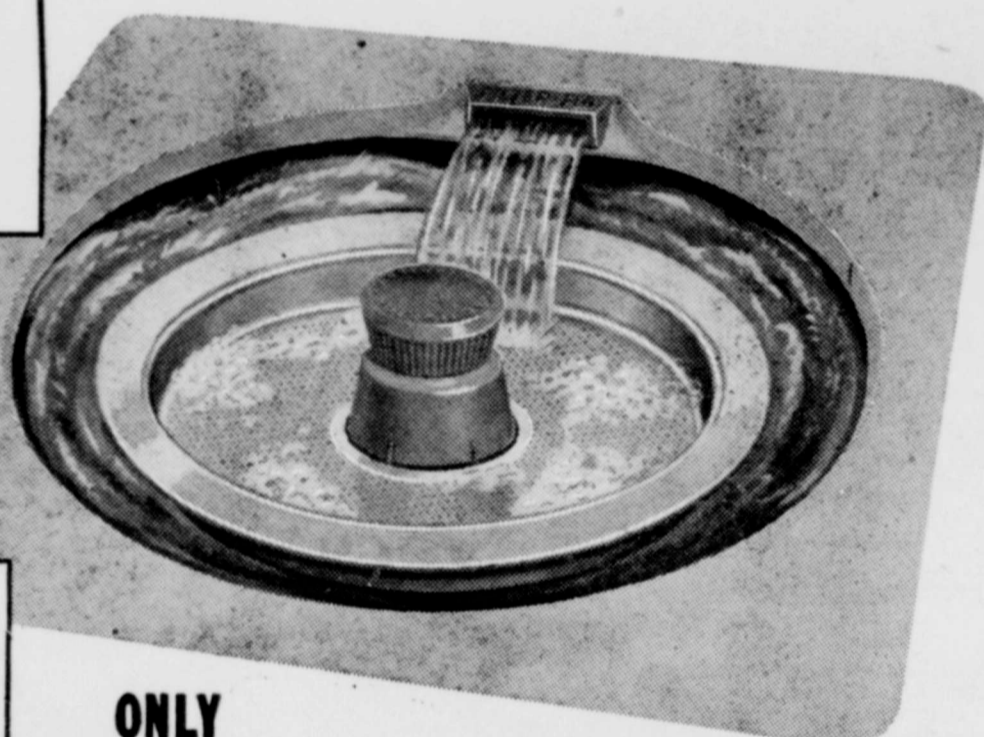

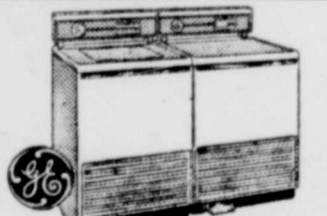

BIG CAPACITY

Washes 10 pounds of regular family wash and up to 12 pounds of special heavy fabrics. Over 50% more clothes capacity than many other automatics.

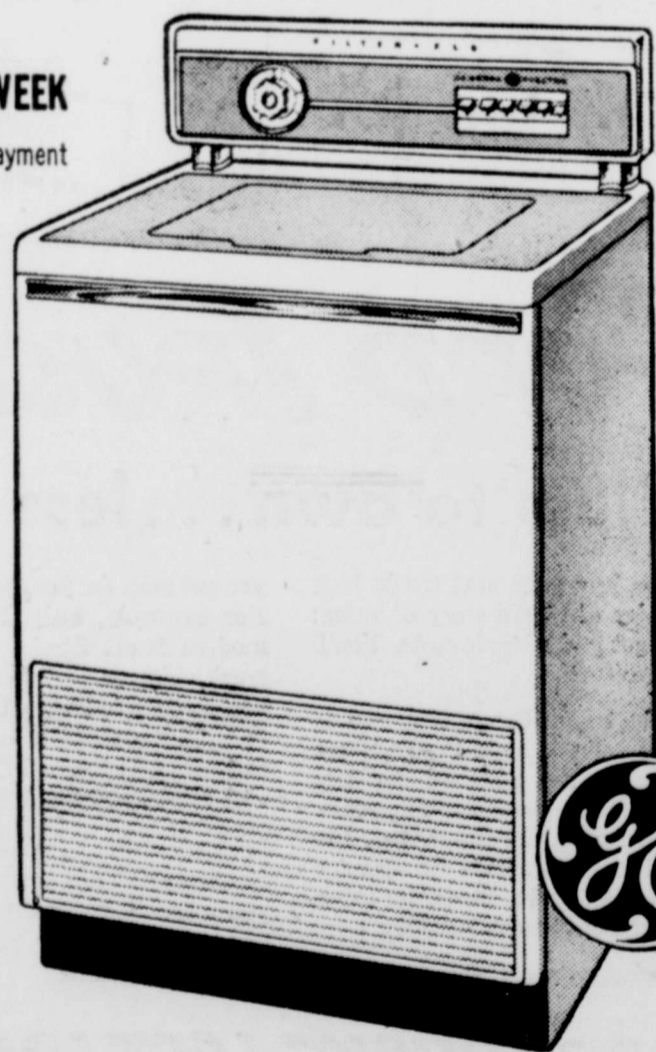

MATCHING DRYER with AUTOMATIC CONTROL

Control automatically adjusts drying time and temperature to the individual load. New air system for fast drying at safe, low temperatures. Operates on 115 or 230 volts.

ONLY \$417 A WEEK after small down payment

New G-E Filter-Flo Washer Cleans and Recleans the Wash Water to Give You Cleaner Clothes.

Removes lint, sand and soap scum. And, with the new convenience of two wash speeds and two spin speeds, you can pre-set the controls when you start the washer and let the washer do the work—whether you wash a regular family load or your delicate lingerie. The modern control panel, mounted on pedestals, has one simple dial that lets you choose washing times from 1 to 15 minutes and special short rinse and spin times. The fingertip selectors, so easy to use, let you choose washing speeds, water temperature and the amount of wash water. Truly a remarkable washer—you should see it today!
