Walk around the car that's all-round new : : : then be our guest for a pleasure test-

## DRIVE A '59 CHEV

From the winging shape of its saucy rear deck to the simple elegance of its grille, this car shows you it's new in a decidedly different way. You get more of what you want-more spacious interiors, vast new visibility area, bigger brakes for safer stops, a longer lasting finish, a new economy 6, new handling and riding ease. Walk around a Chevy-then drive it around-and you'll know it's '59's freshest car!

One look at this '59 Chevy tells you here's a car with a whole new slant on driving. You see the transformation in its low-set headlights, the overhead curve of its windshield, the sheen of its Magic-Mirror finish-a new acrylic lacquer that does away with waxing and polishing for up to three years.

But to discover all that's fresh and fine you must relax in Chevrolet's roomier Body by Fisher (up to 4.2 inches more room in front, 3.3 inches in back), feel the loungelike comfort of Chevy's new interior, experience the hushed tranquillity of its ride (choice of improved Full Coil or gentler-than-ever Level Air suspension\*).

Once you're on the road you'll discover such basic benefits as bigger, better cooled brakes that give over 50% longer life, new easy-ratio steering and a Hi-Thrift 6 that gets up to 10 per cent more miles per gallon. And, of course, you find Safety Plate Glass all around in every Chevrolet. Stop by your dealer's and pleasure test the car that's shaped to the new American taste!

what America wants, America gets in a Chevy!
