Vol. LX—No. 45

STANTON, MARTIN COUNTY, TEXAS 79782 THURSDAY, NOV. 5, 1970

6 Pages—Price 10c

## Variety

By NEAL ESTES

The young people of Stanton can take a bow after hearing the testimony of Police Chief C. L. ROGERS concerning their conduct during the past week of activity in the city. ROGERS praised the youngsters for their good behavior during Halloween, and Homecoming. He reported that a single traffic violation was observed and said the deportment of the teenagers was superb during the period of intense activity.

True to the light vote prediction published in this journal before the election Tuesday, less than 1,000 holders of franchise voted. Attorney General CRAWFORD MARTIN turned out to be the leading vote-getter with a total of 799 affirmative votes. The seven voting boxes all reported complete before ten o'clock p.m. Tuesday evening, and District Clerk DORIS STEPHENSON and her very efficient office staff handled the election returns in a smooth and adroit operation. With the cooperation of DORIS your correspondent had the election returns speeding on the way to the Texas Election Bureau in Dallas comparatively early in the evening.

JO JON HALL COX upheld a family tradition Tuesday evening when she showed up in the courthouse to be present for the reception of the election returns. Her dad, County Democratic Chairman MORGAN HALL, her mother, and her brother, JERRY, were in Lubbock attending the PRESTON SMITH victory party. JERRY is on the governor's press staff.

I was amused by the school-boy style analytical jabbering and peculiar predictions made on the various political races around the nation Tuesday night by the "experts" on NBC. Every poll the announcers had previously mentioned before election day turned out to be a dud. The race in Texas between BENTSEN and BUSH was billed out a whisker-thin close. The NBC boys also stated that the NIXON administration could look to no support from a Texas senator since BUSH didn't win. That's how much that band of easterners know about our politics. To be perfectly frank about it, there is little difference in the political thinking and logic of LLOYD BENTSEN, Tuesday's winner for the U. S. Senate seat and GEORGE BUSH. BENTSEN pulled off the giant-killer act when he eliminated liberal RALPH YARBOROUGH in the Democratic Party primary.

For the first time in Tennessee history, the Volunteer State will have two Republican senators in Washington. Veteran solon ALBERT GORE, critic of NIXON, was soundly thrashed in Tuesday's voting by WILLIAM BROCK, who based his winning campaign on his promise to aid the administration. The other senator from Tennessee who wears the GOP colors is HOWARD BAKER, son-in-law of the late beloved EVERETT DIRKSEN, who represented Illinois in the U. S. Senate before his death.

The freshman class of Stanton High School wishes to extend their appreciation to J. T. Davis for the use of his shop while preparing their class float for the homecoming parade.

# Annual Capon Show Opens Saturday

## Martiniles Approve 3 Amendments

Martin County voters accepted three amendments on the ballot for voter consideration and rejected four others. Affirmative majorities were given the judges retirement amendment, the farm assessments amendment, and the homestead exemption amendment.

Martin voters rejected the open saloon amendment by a vote of 717 to 212. They rejected amendment number four by 466 to 284. The road bonds amendment was turned down 440 to 345. Amendment number seven on the ballot was beat down 524 to 241. This amendment dealt with consolidation of offices.

The farm assessments amendment, number three on the ticket, was accepted in Martin County by a vote of 438 to 426.

## Homecoming Activities Began Friday, Oct. 30

The homecoming ceremonies began Friday, October 30, at 2:30 p.m. in the Stanton High School gym. Student Council president, Billy Coggin, served as master of ceremonies for the event, and gave the welcome to the student body and the exes.

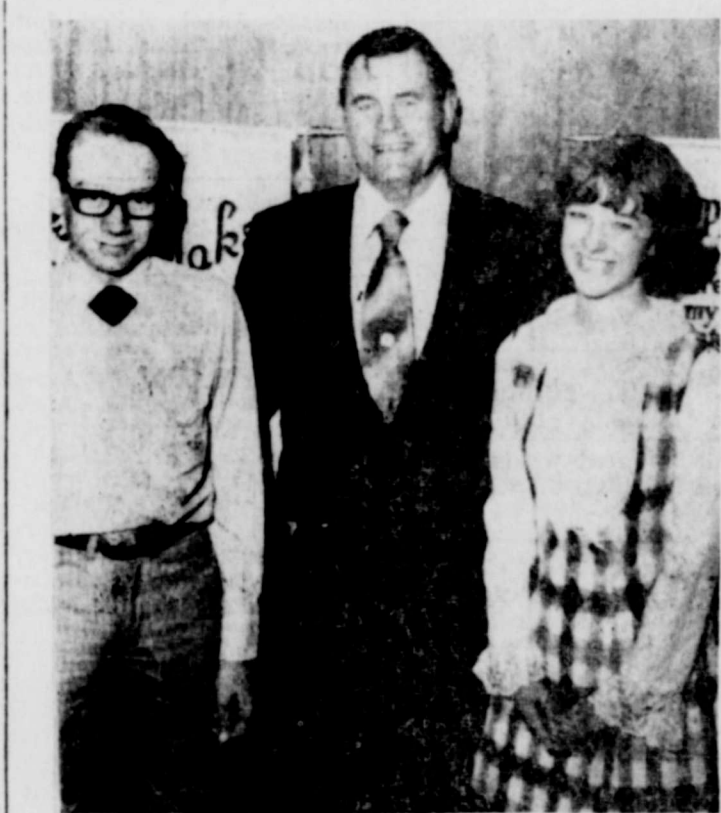

The band, under the direction of George Walker, presented several numbers preceding the crowning of the homecoming queen.

Coggin then introduced the candidates for the queenship beginning with the freshman candidate, Becky Graham, escorted by Randy Lambert and Tommy Coates. Sophomore candidate, Debbie Lambert, was escorted by Rick Wilson and Clark Ray. Junior class candidate, Sherry Hankins, was escorted by Wesley Henson and Bubba Standefer.

Jill Simpson and Jonna Mae Cox preceded queen Sandra Chandler, representing the senior class, to the throne by strewn flower petals in her path. Miss Chandler was escorted by classmates, Ricky Mims and David Brown. Lee Ann Fincher and Deonna Kelly served as train bearers, while Koy Blocker followed the professional bearing the queen's crown. He was dressed as a miniature football player.

The queen was then crowned and descended upon her throne of a large pumpkin decorated in orange and black streamers.

A pep rally was then led by the SHS cheerleaders and the band. Physical education teacher, Pam Bass, introduced the members of the pep squad, and then each member presented their designated football player with a gift. Each pep squad member was assigned a football player to present tokens to during the past few weeks, and they kept their name secret until the revealing at the homecoming ceremonies.

**GOLD STAR WINNERS**—State Representative E. L. Short from Tahoka congratulates two teen-agers who were awarded Martin County Gold Star 4-H Awards Monday night at an awards banquet. They are, at left, Jody Yates and Terelyn Hazlewood.

## 4-H Club Gold Star Winners Are Tapped

Terelyn Hazlewood and Jody Yates were named 4-H Gold Star winners at the annual 4-H Achievement event Monday night, November 1 at the Cap Rock Electric Auditorium.

The Gold Star Award is one of the highest given in 4-H Club work. Miss Hazlewood, 16 year old daughter of Mr. and Mrs. Cliff Hazlewood, Jr., is a junior in Stanton High School. She has been a 4-H member seven years. Her demonstrations and projects have been: home improvement, foods, clothing, safety, child care, and leadership. During 1969 she served as a teen-leader for a group of ten girls. She has entered county and district food shows, elimination contest, and dress revue. She is active in FHA and band in school, and takes an active part in church.

Yates is the son of Mr. and Mrs. Sammy Yates of Tarzan, and is a freshman at Stanton High School. He has been an active 4-H Club member for five years, during which time he has held numerous offices in his local club, including president. He has been a member of the County 4-H Council, and attended district leadership camp.

His projects include steer, barrows, and capons. At the present time he has two steers and 10 barrows on feed. He has exhibited his barrows, and steers at nearly every major livestock show in the State of Texas. He showed the reserve champion barrow at the Martin County Junior Livestock Show last January.

In Stanton High School he takes an active part in FFA. He is also an active member in his church.

Some 150 4-H members, parents, and friends enjoyed the "pot-luck" supper, and observed 4-H members in action.

Willie Wells presided, and directed the following program: Invocation, Mark Eiland; welcome, Theodore Wells; What is 4-H, Jody Yates; pledge to flag, and district leadership lab, Vicki Graves; livestock shows, Dena Holcomb; capon show, Gary Hannon; area livestock shows, J. C. Tunnell and Jerry Holloway; food shows, Suzanna Brown;

## Eiland Named Chamber Director

Paige Eiland has been elected a director of the West Texas Chamber of Commerce, according to F. V. Wallace, Amarillo, president of the regional organization.

Eiland will represent Stanton in the meetings of the board and speak for the other WTCC members in his city on matters of concern to all West Texas businessmen.

Eiland was elected to the board during a recent meeting of the Board of Directors in Denton. Directors serve for three years and during that time work upon memberships development, program of work, and other matters relating to the local WTCC members. The director also serves as liaison between the local chamber of commerce and the regional organization.

The next board of directors meeting will be held in Amarillo (Continued on page 6)

## Bentzen Wins In Martin, Smith Too

Lloyd Bentzen, successful candidate for a seat in the U. S. Senate in Tuesday general election, was also the victor in Martin County.

Bentzen polled 605 votes to 333 for his Republican opponent, George Bush.

Both Houstonians campaigned throughout the Permian Basin and their race was predicted to be closer than it turned out to be Tuesday.

Bentzen carried all seven boxes in the county but lost the absentee vote to Bush by 22 to 17.

Bentzen carried the Methodist Church box 99-46, and sailed down the big number one box at the elementary school by 271 to 61.

Gov. Preston Smith won handily over Paul Eggers. Smith rolled up a total of 694 votes as compared to 259 for Eggers. Smith also took the seven boxes in Martin County and led in the absentee balloting 24-14.

## Martin County Drilling Activity Continues Brisk

H. L. Brown, Jr. announced location for a 9,400-foot wildcat in Dawson County, three miles northwest of Lamesa and 1 1/4 mile southwest of the one-well Schmidt (Wolfcamp) field. It is No. 1 Weaver.

Drill site is 660 feet from north and east lines of section 75, block 35, T-6-N, Georgetown RR survey.

The Schmidt field produces from pay topped at 9,381 feet. Pan American Petroleum Corp. staked site of No. 1 Alredge Estes as a 5,300-foot Grayburg searcher in north Midland, one mile northwest of Midland townsite.

It spots 1,980 feet from north and east lines of section 7, block 39, T-1-S, T&P survey, 1 3/4 mile southeast of the depleted opener and lone producer in the Midland Farms, Southeast (Grayburg) field, but separated by a 6,108-foot failure.

The Sweetie Peck multizone pool of southwest Midland County gains its third lower Wolfcamp well and a 1,980-foot north-northeast extension to that zone, with recompletion of Atlantic Richfield Co. No. 5-A (formerly No. 5) June Sanders, former Pennsylvania producer.

Completion was for a daily pumping potential of 11 barrels of 42.5-gravity oil, plus 36 barrels of water per day, through perforations at 9,896-9,920 feet, after an acid treatment with 2,500 gallons.

The project has 5 1/2-inch casing cemented at 10,496 feet, total depth, and is plugged back to 10,030 feet.

Well site is 500 feet from south and 1,820 feet from east lines of section 17, block 41, T-4-S, T&P survey.

Wolfcamp production was opened in the field in 1950, with completion of Norwood Drilling Co. No. 1 Josie Fay Peck to flow 222 barrels of 58-gravity oil daily, through perforations at 9,848-9,892 feet. It was dually completed from Pennsylvania to open that zone. Other Wolfcamp confiners in the field have become depleted.

Petro-eum Exploration & Operating Corp. of Abilene, filed application to drill No. 2 Fasken as a 1/2-mile west

## Auction Sale Set To Follow Big Exhibition

The annual Martin County Capon Show, one of the largest in the State of Texas, will be held Saturday, November 7, at the county show barn.

Capons to be exhibited will be received at the county barn located at the corner of East Broadway and St. Theresa on Friday afternoon from 4 to 6:30 p.m.

## Cominghome Queen Selected By Exes

At the homecoming activities Friday, October 30, the exes selected Johnnie Hazlewood as their coming home queen. She was presented at the half-time ceremonies of the Stanton-McCamey football game along with her court, Margie Ireton, Evelyn Adkins, and last year's coming home queen, Corene Manning.

Proceeding the game, the Stanton-Courtney exes met in the high school cafeteria for their annual business meeting. New officers were elected for next year, and includes: Jimmy Wheeler, president; Charlie Pinkerton, vice-president, and Ruth Holcomb, secretary. It was reported that there was a good turnout by the exes.

During the business meeting, a thank you was presented to Mr. and Mrs. P. M. Bristow for their contribution of the register. The register was used to record the exes in attendance. The Exes Association also voted to move all the old pictures that were displayed at the event to the Historical Museum.

The exes want to take this means to express their appreciation to Roy Koonce for the (Continued on page 6)

## Johnny Barnes Accepts Award For Borden, Inc.

Johnny Barnes, former resident of Stanton, was in Chicago, Illinois, recently to accept an award in behalf of the Midland branch of Borden, Inc. The award was presented for outstanding safe driver performance in the Milk and Ice Cream division of the 39th National Fleet Safety Contest (Continued on page 6)

**HOMECOMING QUEEN** — Sandra Chandler, representing the senior class, has been elected homecoming queen for 1970 at Stanton High School. She was named over Sherry Hankins, junior; Debbie Lambert, sophomore, and Becky Graham, freshman.

**FIRST PLACE AWARD**—Dennis Jones is pictured receiving the first place high individual trophy in the State Fair Plant Identification Contest, held recently in Dallas. An official of the Dal-Worth Soil, Water Conservation District presents the trophy to Jones, while Dr. Dan Rogers,

**STATE FAIR WINNERS**—Pictured above is the winning team in the State Fair Plant Identification Contest, held recently in Dallas. From left to right, Dr. Dan Rogers, Roy Kelly, Mark Hursh, Rickey Mims, Dennis Jones, vocational agriculture teacher, Nolan Parker, and an official of the Dal-Worth Soil, Water Conservation district.

## McCamey Badgers Defeat Buffaloes Here Friday Night

The McCamey Badgers had all they could handle here Friday night but finally put enough offense together to defeat the fired-up Stanton Buffaloes 41-15.

### STATISTICS

Stanton	McCamey
16 First downs	21
149 Yards rushing	146
192 Yards passing	247
16 of 28 Passes com.	12 of 20
1 Passes intercepted by	2
2 Fumbles lost	1
2 for 32.5 Punts	1 for 26.0
6 for 60 Penalties	11 for 92

It was the homecoming game for the Buffs and they took the fight to McCamey from the opening whistle.

The visitors broke the contest open when they scored twice in ten seconds just before intermission.

The first score for the Badgers came when field general Kyle Bolen tossed seven yards to halfback Astacio Zuniga with one minute left in the half. The PAT was blocked by Bobby Dickenson.

### CAUGHT NAPPING

Following the tally, McCamey executed a perfect onside kickoff that caught the Buffs napping. The Badgers recovered at the Stanton 35. On the first play, Bolen went to the air again. He hit wide receiver Randy Brooks all alone at the Stanton 10, and he went in for the score. This time Gary Bolen split the uprights.

McCamey had gone ahead in the game late in the opening period when with 30 seconds to play in the quarter, Bolen threw a perfect strike to Brooks in the end zone. The play covered 30 yards, Gary Bolen booted the conversion.

The Buffs came right back to go ahead with 8:00 to play before the half. Quarterback Glenn Ray, who played the best game of his career for underdog Stanton eleven, passed 11 yards to tackle Swanson. Swanson gathered the ball in with one hand at the three and stumbled into the end zone. Ray put his mates

ahead when he circled left end on the conversion and just barely made it into the corner of the end zone.

After intermission, pass interference was the downfall of the Buffs. No less than three times were the inexperienced Stanton defensive backs called for interference. One such call gave McCamey a first down at the Stanton 15. Bolen passed to Zuniga for the final 15 yards for the score. Gary Bolen kicked the PAT.

In the fourth frame, full-back Weldus Dugan ran three yards for another Badger score. The tally came on the first play of the quarter and Gary Bolen again kicked the PAT.

### RAY SPARKLES

Ray put the Buffs on the board again midway the final quarter when his 35 yard pass settled in the arms of Swanson. Ray booted the point to cut the deficit to 34-15.

Final score of the evening came when Gary Bolen intercepted a Ray pass at the Stanton 30 and scampered in for the score. He booted the PAT to make the final margin 41-15.

This was probably the best effort of the season for the winless Buffaloes. Coach Bill Young, in his first season at the Stanton helm, was missing eight starters for the McCamey tilt, seven of them out for the season.

Outstanding players in defeat for Stanton were Ray, Swanson, Dickenson, Larry Adams, Dennis Jones, Roy Kelly, and George Dean.

Miss Sandra Chandler, a member of the senior class at Stanton, was crowned 1970 Homecoming Queen prior to the game.

At halftime, 12-year-old Tonja Ray, a seventh grader at Stanton, thrilled the large crowd with a spectacular performance with a flaming baton. Tonja holds several Texas state records in her specialty.

Stanton travels to Ozona Friday night for another 5-AA

**SEVENTH GRADE CLASS OFFICERS** — From left to right: Ronnie Mims, vice-president; Randy Conner, secretary-treasurer; Terry Kelly, president, and Kevy Allred, reporter

### Basic Four in a Pie Shell

Planning nutritionally sound meals is easy! All you have to keep in mind are these four basic food groups: 1) meat, fish and poultry. 2) breads and cereals. 3) dairy products. 4) fruits and vegetables. You should include a sampling from each of these food groups daily for a balanced, nutritious diet. This Tun-Au-Gratin Pie developed in Crisco's test kitchens includes ingredients from all the basic four food groups in one casserole and makes a fine main dish for supper.

### TUN-AU-GRATIN PIE (Makes 6 to 8 servings)

- |                                     |   |
|-------------------------------------|---|
| 1-1/3 cups sifted flour             | 1/3 cup chopped onion                     |
| 1/2 teaspoon salt                   | 1 package (10 ounces) frozen peas, thawed |
| 1/2 cup all-vegetable Crisco        | 2 cans (6-1/2 ounces each) tuna, drained  |
| 3 tablespoons water                 | 2 tablespoons chopped canned pimiento     |
| 1/4 cup milk                        | 1 cup shredded cheese                     |
| 1 can (10-1/2 ounces) mushroom soup |   |
| 2 tablespoons flour                 |   |

Combine 1-1/3 cups flour and salt in mixing bowl. Cut in Crisco until uniform but coarse. Sprinkle with water, toss with a fork and shape into a ball. Roll out pastry 1/2 inches larger than inverted 9-inch pie plate. Trim 1/2 inch beyond edge of pie plate and place trimmed scraps on baking sheet. Fold under edge of pastry and flute. Prick pie shell with fork and bake with pastry scraps in 425° oven 12 minutes. Crumble pastry scraps when cool. In medium saucepan, combine milk, soup, 2 tablespoons flour and onion. Stir over medium heat until mixture boils. Simmer 2 minutes. Remove from heat and add peas, tuna and pimiento. Spoon into baked pie shell. Sprinkle with cheese and crumbled pastry. Bake in 425° oven 12 to 15 minutes or until cheese melts.

India's area is only about two-fifths that of the continental United States.

### ANNOUNCEMENT

The Midland Porcelain Art Club will hold its annual tea and exhibit, Sunday, November 15, at the Women's Club in Midland. The hours are from 2:00 p.m. to 5:00 p.m. there will be a table display of hand painted china for sale. The public is cordially invited to attend.

**MOTEL INDUSTRY NEEDS YOU!**  
START AN EXCITING CAREER AS A MOTEL MANAGER

Americans are on the go! More than 80% of all travelers now go by car, according to an A.M.A. survey. In a few short years the motel industry has changed from a handful of primitive tourist cabins to a nationwide network of beautiful resorts. New highway building programs will further stimulate this growth. To handle this tremendous tourist trade, the motel industry is looking for new personnel with an earnest desire to make a career in this field and the attitude needed to enjoy serving the public.

**Craig Graves Honored On 11th Birthday**

Craig Graves, son of Mr. and Mrs. Granville Graves, was honored on his eleventh birthday, Tuesday, October 20. His parents were hosts to the affair.

Decorations included a life size scarecrow in the front yard bearing a sign that said, "Welcome hobos and friends." The theme was carried out in scarecrow decorations on the table and cake.

Refreshments were served to the guests who were dressed as hobos. Games were played by Mike Swinson, P. T. Webb, Wayne Jones, Craig Martin, Brad Martin, Craig Eiland, Randy Koonce, Danny Ireton, Randy Turner, Leigh Graves, and the honoree.

**Leigh Graves Honored On Sixth Birthday**

Leigh Ann Graves was honored on her sixth birthday with a Halloween theme party, Friday, October 30. The affair was hosted by her parents.

The party site was decorated with Halloween decorations and pumpkin decorated cupcakes and "witches' brew" punch were served to the guests. Games were played by the guests: Karen James, Danny Koonce, Karen Nix, Freddie Nix, Gary Walton, Mrs. Walter Graves, the honoree's grandmother, and the honoree.

The guests were dressed in Halloween costumes.

**Forty Years Ago**

The Martin County Commissioners Court met last week and officially canvassed the votes held at the recent general election. Little interest was manifested in the election as the very light votes will testify.

The Republicans polled 82 votes in the county, this vote showing up in the race for governor.

The Book of Exodus calls the wood used to build the Ark of the Tabernacle shittim wood, out of which many important things were built in those days. It was probably the acacia, the largest and commonest tree on the deserts of Arabia.

The youngberry is a hybrid between a variety of blackberry and a southern dewberry.

**Christ Taught Largely A Message Of Love**

"The time draws near the birth of Christ" — in about a month and half we will observe the birthday of the Savior. It is appropriate that we consider what Christ means to the world of today, and what messages from His life and teaching are most applicable to the solving of the problems and dangers which we face.

Of prime importance is the message of God's redemptive love. Cruelty and unkindness still stalk the world because so many men have not at yet experienced, and put into practice, the rule of the love of God. As John says, if God so loved us we ought to love one another.

Two parables are at the very heart of Christ's message concerning our daily lives. One of these is the Parable of the Prodigal son. Our world is peopled with many prodigals and wasters. One of our most vital problems is to redirect onto the road of life those who have made the wrong choice and wrong turning, like the prodigal of old.

The other Parable which especially applies is that of the Good Samaritan. Religious profession is not enough. We need, today, in every walk of life, Good Samaritans who will be as efficient, courageous, prompt and resourceful in action as they are in belief.

In this perhaps the hour of greatest need for the world, we need men to implement Christ's name and way in all things, for "if any man have not the spirit of Christ, he is none of His."

**HD Club News**

The Lakeview Home Demonstration Club met Thursday afternoon, October 29, in the Texas Electric Reddy Room, with Mrs. Pete Mashburn as hostess. For devotion, Mrs. Mashburn read a poem entitled, "My Moment With God." Mrs. Alfred Franks, president, called the meeting to order, and members answered roll call with a "Short Cut for Thanksgiving Dinner."

The council report was given, and achievement day was announced to be held November 12 with a salad luncheon and program. Tickets are available for the event, and there will be a bazaar table.

Senior Citizens Day will be November 17, with the Lakeview HD Club as hostess at the Cap Rock Auditorium at 3:00 p.m. Every senior citizen is invited and urged to attend this meeting. The Senior Citizens will celebrate their one year old birthday of the club.

The club's Christmas party was planned for December 10, in the home of Mrs. Bill McIlvain.

It was announced that Mrs. Mildred Eiland will host the county Christmas party in her home December 15, at 2:30, with all Martin County members invited to attend.

Mrs. Eiland gave the program on "Fall Sewing Special." She passed out work sheets she had compiled, and showed new materials and needles.

Approximately half of all radios produced in the United States each year are car radios.

In mythology, dragon's teeth were sown by Cadmus.

## Laura Zuck in MARCHING BAND

Laura Zuck of Stanton, was among 150 Abilene Christian College Band members who marched at the Houston Oilers-Pittsburgh Steelers game, October 18, in Houston's Astrodome.

Miss Zuck, a 1969 graduate of W. F. Boswell High School in Saginaw, is the daughter of Mr. and Mrs. Wayne L. Zuck, Box 927, Stanton. She is a sophomore elementary education major at ACC.

A flock of geese is called a "gaggle" when on the ground or water; a "skein" when the geese take to the air.

The College of William and Mary at Williamsburg, Va., was named in honor of King William and Queen Mary of England.

George Clemenceau, David Lloyd George, Vittorio Orlando, and Woodrow Wilson were known as the "Big Four" in World War I.

Now is the time to renew your subscription for the year.

# High School News

## By KAY LYNNE HANKINS

Sandra Chandler, the senior class nominee, was crowned the 1970-71 homecoming queen last Friday afternoon. She was escorted by classmates Rickey Mims and David Brown. And she was crowned by football captain Larry Adams.

Chosen by the pep squad and cheerleaders Robbie Dickenson was announced as the pep squad beau. Chosen by the football team, Rebecca Graham was selected as the football sweetheart. These honors were announced at the football team. Rebecca other homecoming activities.

The floats this year were really beautiful, and their builders deserved a lot of credit for their original ideas as well as for the construction of the different floats. The

students were well complimented by the towns people on their fine work.

The first place float was the sophomore float, second place was the senior float, and third place was the junior float. Honorable mention was given to the freshmen.

The HCJC choir presented an assembly to the high school students on Tuesday of this week. They sang such songs as "Shannodah," "Mira," and different selections from the "West Side Story." Director was Ralph Dowden.

The Buffalo band will march in the San Angelo homecoming parade on Saturday, November 7. They plan to leave at 9:00 Saturday morning, and will stay until after the San Angelo and Steven F. Austin football game.

# Seeds From The Sower

By Michael A. Guido, Metter, Georgia

One night a convert was heard to pray, "O Lord Jesus, I didn't know You were so good!" But David did. He wrote in Psalm 86:5, "For Thou, Lord, are good, and ready to forgive, and plenteous in mercy unto all them that call upon Thee."

The Lord is good in His forgiving. Our sins, though they be countless and crushing, may be readily forgiven. There is no sin or sinner too sinful to be forgiven. He forgets. He not only erases all our sins from His book of records, but also from His book of remembrance.

The Lord is good in His giving. He knows everything we need for our temporal and

eternal happiness. And He will fill to the full all our needs from His riches in glory, because of what Christ has done for us.

Before he died, a wealthy man instructed his heirs to give a certain portion of his money to an elderly minister in regular installments. They sent him twenty-five dollars with the words, "More to follow." Every week, without fail, he would find a package of money in his box with the message, "More to follow."

Every gift we receive today is but a pledge of those which we shall receive tomorrow. Because His mercy is measureless, there is "more to follow."

## DUST IN TIME

To keep down the clouds of dust that are stirred up in confined areas where dirty floors are being swept, moistening with water is often effective. You can use a garden sprayer or a vacuum cleaner spraying attachment.

# County Agents Column

By BILLY REAGOR  
County Agent

Winter frequently cools the enthusiasm of even the most avid gardeners, but for safety, economy, and peace of mind, County Agent Billy Reagor suggests you take a last look at the garden area surrounding your home before winter sets in.

Put away all tools in order to prevent accidents. A forgotten hoe or rake can cause a serious accident. Look for

other hazards such as a sagging clothes line, loose flagstones or bricks, or a carelessly placed coil of garden hose.

Avoid the possibility of serious poisoning by making certain that all insecticide, herbicide, and other agricultural chemicals are properly labeled and stored. All empty or nearly empty containers should be destroyed, advises the county agent.

Leaves and other debris should be removed from the yard. The yard will be more beautiful and safer and the materials can be used in the compost pile. Next spring this compost can be very useful in flower and vegetable gardens.

THE STANTON REPORTER, THURSDAY, NOV. 5, 1970-5

Check the shrubs and other plantings. Do they need mulching, pruning, tying up, fertilizing, removal or relocation, asks the county agent? A list will help you get all the needed jobs done.

Other jobs around the home garden may be put off until one of those warm days that always seem to come in mid-winter. If the clean-up jobs are done this fall, you will be ready to start gardening with the arrival of spring in the neighborhood.

# The Launching Pad

By NEAL ESTES

**FBI** Director J. EDGAR HOOVER has released some very interesting as well as tragic figures on law enforcement casualties in 1969. There were 86 officers murdered, a 34 percent increase over 1968. The tragic total of policemen slain last year brings out crucial points that all officers should remember, HOOVER said. Complacency is most dangerous and there is no such thing as a "routine" arrest. Twenty-five of the 86 officers killed were attempting to make arrests. Thirteen officers were slain by their own weapons which were seized and used against them.

It appears at this writing that the championship of the Southwest Conference will be determined when Texas University meets Arkansas. But before counting Texas Tech out of the melee, the Razorbacks from the Ozarks must take the Red Raiders in Lubbock on November 21. It should be a very good game.

The editor received a 1970-71 Howard Payne College Yellow Jacket Basketball Facts and Figures Booklet from the Public Relations Department of the Brownwood school this week. The roster shows fifteen players out for a place on the team. Two of those fellows are from Stanton. They are DAVID JONES and TOMMY GLYNN JONES lettered last year. He is the son of MR. and MRS. HEBREW JONES, this city, and was a stellar football and basketball player while attending SHS. GLYNN is the 6.8 tall basketballer weighing 220 pounds. He is the son of MR. and MRS. GEORGE GLYNN, Stanton. From reading the press booklet, it appears that Howard Payne is going to be up there with the best teams in the nation in colleges of comparative size. It has often been said that teams in the Lone Star Conference play the toughest collegiate basketball in this part of Texas.

**SPENCER BLOCKER** of Midland was in town last week and visited with the editor awhile. He is a very intelligent young Texan and a strikingly handsome man. SPENCER made quiet a record while growing up in Stanton and at one time he was a leading light in the Jaycees here and also served on our municipal council. He advised your writer that he will be associated with an outstanding company of financiers in Midland in the future and we are proud for SPENCER and know that success—more of it—awaits him in life. BLOCKER is one of the fine young thinkers of his generation now residing in the Permian Basin. He is the son of MR. and MRS. HORACE BLOCKER of our city.

**TWO-POINT CONVERSION** — Stanton High School quarterback Glen Roy packs the ball into end zone for a two-point conversion to cap the Buffalo scoring drive in the first quarter. McCamey's Kyle Bolen (3) attempts to make the tackle.

## Martin - - -

(Continued from page 1)  
were acidized with 1,000 gallons and fractured with 50,000 gallons and 100,000 pounds.

It spots 1,320 feet from north and west lines of section 39, block 37, T-2-N, T&P survey, 10 miles northwest of Stanton.

Western States Producing Co. of Midland, finished No. 1 Haggard, 1/2 mile south and west of the nearest producer in the Trend Area, five miles southeast of Tarzan, to flow 322 barrels of 38-gravity oil daily, with gas oil ratio of 950-1.

Production was through perforations at 8,149-8,944 feet after an acid treatment with 3,000 gallons and fracturing with 80,000 gallons and 180,000 pounds. Total depth is 9,120 feet, where 4 1/2-inch casing is seated.

Well site is 1,227 feet from north and 1,320 feet from east lines of section 1, block 37, T-1-N, T&P survey.

John L. Cox of Midland, completed No. 6 Dickenson as a 1/2-mile south extension on the west side of the Spraberry Trend Area in Martin County.

On 24-hour potential test, the well flowed 234 barrels of 39-gravity oil, no water, through a 16-64-inch choke and perforations at 8,322-9,047 feet, which had been fractured with 80,000 gallons. Gas-oil ratio measured 690-1.

Drilled to 9,150 feet, operator set 4 1/2-inch casing at that depth.

The new producer spots 1,320 feet from south and east lines of section 19, block 37, T-2-N, T&P survey, 12 miles northwest of Stanton.

The Martin County portion of the Spraberry Trend Area was extended 1 1/4 mile north-east with completion of John L. Cox of Midland, No. 1 Woody Brothers, four miles southwest of Tarzan.

It finished on the pump for 67 barrels of oil, gravity 39 degrees, and 51 barrels of water. Drilled to 9,200 feet, it has 4 1/2-inch pipe set on bottom.

Well site is 1,320 feet from north and east lines of section 5, block 37, T-1-N, T&P survey.

R. K. Petroleum of Mount Carmel, Ill., completed No. 1 Inez Woody as a link well 1/2 mile south and north on the west side of the Martin County.

## County 4-H Club Members Attend State Fair

Martin County 4-H Club members attended the State Fair of Texas in Dallas, October 19-24. Eight 4-H Club members accompanied by parents and the county agent, exhibited steers and barrows at the fair.

In the barrow show Willie Wells exhibited the third place middle weight Chester White barrow, and the fourth place light weight Hamp barrow. Darrell Wells exhibited the fifth place middle weight barrow, and Diania Wells exhibited the twenty-second place Durco barrow. Also in the barrow show Windy Tunnell placed ninth with her light weight Hamp, and Jody Yates placed thirteenth with his middle weight Hamp pig. Tana Fates also exhibited a middle weight Hamp.

In the steer show all of the steers were classified into the blue ribbon group. Elonna Aihart placed fourth, Jody Yates 18th, and Sharyn Holcomb 31st. All of the steers were heavy weight Charolais crosses.

Adults attending the fair were as follows: Mr. and Mrs. Vernon Holcomb, and children, Mr. and Mrs. Quinton Aihart, Mr. and Mrs. Sammy Fates, and Malcolm Tunnell.

Gleen Holloway, Bob Cox, and Dub Chandler were at the fair to see the steer show.

(Continued from page 1)  
wonderful job he did acting as parade marshal, and also thanks to the merchants who donated for the parade floats, and everyone else who made the parade and homecoming event a success.

John Adams, in 1800, was the first U. S. president to occupy the White House.

Midland was found insane in June, and is in the Rusk State Hospital.

## Harvesting Is Gaining Momentum

Harvesting gained momentum as clear weather prevailed throughout the Abilene Cladding territory. As a result, receipts increased considerably at the USDA Cotton Cladding Office, Abilene.

B. B. Manly, Jr., in-charge of the Cladding Office reports that four classes were added to his staff this week, and another is expected to report for duty Monday morning.

A total of 15,200 samples were classed for the week ending October 30, compared to 4,052 for the same period last season. The seasons total is now 31,500 samples classed, compared to 23,000 for a seasons total a year ago.

Twelve per cent of the cotton classed was in the white category. Seventy-six per cent

A company spokesman said six rigs will be on location at all times during the present expansion program. The major part of the drilling will be done by Tom Brown Drilling Co., Inc., and Frank Thompson Drilling Co.

Since Jan. 1, of this year, 75 producing wells have been completed in the Martin County portion of the Trend. Western States completed 10 of the wells.

Dunnivant said the program will be carried out under an agreement for acquisition of acreage from Tom Brown Drilling Co., Adobe Oil Co., Kelly Bell and Wichita Resources, all of Midland. Those firms have completed 40 wells in the Area this year.

The area to be developed by Western States includes portions of Midland, has announced its intention to drill and complete 23 wells in the Spraberry Trend Area of Martin County by Jan. 1, 1971.

L. N. Dunnivant, vice president of Western States, said his company will spend in excess of \$3 million in the development project in the Sale Ranch part of the Trend, northwest of Stanton.

Western States presently has 5 of the locations staked and applications to drill have been filed with the Texas Railroad Commission in Midland. They are scheduled to 9,100 feet to test; Spraberry and Dean pays, but all are planned as completions for the Trend Area, sections of 1, 13, 25, 26, 37, 45, and 47, block 37, T-1-N, T&P survey, and sections 41 and 43 of block 35 T-2-N, T&P survey.

Sites for 21 of the projected wells have been scheduled and are as follows:  
In block 36, T-2-N, T&P survey.

No. 2 Epley, 1,320 feet from north and east lines of section 43; No. 1-A Epley, 1,320 feet from south and west lines of section 41; No. 2-A Epley, 1,320 feet from north and west lines of section 41; No. 1 Quattlebaum, 1,320 feet from north and west lines of section 43.

In block 37, T-1-N, T&P survey, No. 1-A Cross, 1,320 feet from south and west lines of section 25; No. 2-A Cross, 1,320 feet from south and east lines of section 25; No. 1 McMorris, 1,320 feet from south and east lines of section 36; No. 1 Meeks, 1,320 feet from north and west lines of section 37; No. 2 Meeks, 1,320 feet from north and east lines of section 37; No. 1 McKenney, 1,320 feet from south and west lines of section 37; No. 2 McKenney, 1,320 feet from south and east lines of section 37.

Also, No. 1 Hazlewood, 1,320 feet from north and west lines of section 47; No. 2 Hazlewood, 1,320 feet from north and east lines of section 47; No. 2 Louder, 1,320 feet from south and east lines of section 45; No. 1 Yarbrough, 1,320 feet from north and west lines of section 46, and No. 2 Yarbrough, 1,320 feet from south and west lines of section 45.

And No. 1 Henson, 1,320 feet from north and west lines of section 1; No. 1 Tunnell, 1,320 feet from south and east lines of section 1; No. 1 McGinnis, 1,320 feet from north and east lines of section 36; No. 1 J. C. Sale, 1,320 feet from north and east lines of section 13, and No. 2 J. C. Sale, 1,320 feet from south and west lines of section 13.

The firm earlier announced locations for No. 1 Louder, 1,320 feet from north and 1,670 feet from east lines of section 45, block 37, T-1-N, T&P survey, and for No. 2 P. K. Jones, 1,320 feet from north and east lines of section 41 block 36, T-2-N, T&P survey.

## Farm & Ranch Review

**Developments In Peach Breeding** — New low chilling requirements of peach varieties now being released by peach breeders should make production possible deep in South Texas and other southern areas of the country, says Dr. Hollis H. Bowen, a Texas A&M University horticulturist. New varieties will be released during the next five years which will equal the outstanding temperate region varieties, he predicts.

**A&M To Host Horse Short Course** — The 9th annual Horse Short Course will be held Nov. 20-21 at Texas A&M

was light spotted, and two per cent was spotted. The predominant grade was 42 at 44 per cent.

Predominant staple lengths were 29, 22 per cent, and 30, 54 per cent.

Micronaire readings showed 83 per cent in the premium range.

Pressley or strength readings show 82 per cent reading 30,000 PSI (pounds per square inch), and better.

The Consumer and Marketing Service, Abilene, reports average gross prices for some predominant qualities are: 3229 brought 20.70c; 3230 brought 21.05c; 4229 brought 20.20c, and 4230 brought 20.50c.

ments, Government Office, Washington, D. C. 20402, for \$3.50 per copy. Each member of Congress also has a limited number of copies for free distribution.

Its winning ways with windows. For shutters made with this material are both practical and colorful, coming in a spectrum of colors to harmonize with the house and its surroundings. Choices include black and white, as well as many shades of blue, green, yellow and red.

As weather proof as they are handsome, they install in minutes and require no special tools. Durable factory-applied finish insures long-lasting good looks and eliminates the need for putting or painting.

DuPont nylon shutters stay in place. Exclusive spring-steel and rust resistant fasteners hold them in a powerful grip, yet the shutters can be removed and reinstalled easily. For homemakers on the lookout for style, nylon shutters like a beautiful woman are so nice to come home to.

## Martin County Places Second In Drilling

Martin County has zoomed into second place in drilling activity among the counties in the Permian Basin.

At the end of the past week, Martin County had 18 active rigs, two more than Ector County, and only half a dozen less than Pecos County, the leader. The count was a gain of six rigs for Martin County for the week.

The record of other area counties (with previous week figures in parenthesis) were: Dawson 6 (5), Glasscock 1 (0), Howard 5 (5), Mitchell 1 (1), Scurry 5 (6), Sterling 1 (1).

Howard County reported a completion in the Iatan, East Howard pool, Sun No. 1 10-B Denman, 990 feet from the south and 1,040 from the west lines of section 16-30-1s, T&P, elevation 2,401 pumped 116 barrels of brackish water daily after acidizing with 2,500 gallons. It bottomed at 3,060 feet, set 5 1/2-in. at 3,059, and plugged back to 3,041, perforated from 2,633-3,024.

## Sieve Blanchard Sentenced To 45 Year Term

Steve Blanchard, 22, Big Spring, was sentenced Friday in Martin County. Blanchard was assessed 45 years in prison Friday by 118th District Judge Ralph W. Caton. He was the third person to be sentenced in connection with the July, 1969, armed robbery and shooting of Stanton service station attendant Marcos Tarango.

Also serving prison sentences in connection with the robbery - murder are Ronald Smith, 22, former Webb airman, and his wife, Wilma, 21. Smith is serving 35 years for robbery, and Mrs. Smith is serving two 10-year sentences concurrently for robbery and murder.

A fourth defendant in the case, George Lewis Hite, 22,

## County 4-H Club Members Attend State Fair

Martin County 4-H Club members attended the State Fair of Texas in Dallas, October 19-24. Eight 4-H Club members accompanied by parents and the county agent, exhibited steers and barrows at the fair.

In the barrow show Willie Wells exhibited the third place middle weight Chester White barrow, and the fourth place light weight Hamp barrow. Darrell Wells exhibited the fifth place middle weight barrow, and Diania Wells exhibited the twenty-second place Durco barrow. Also in the barrow show Windy Tunnell placed ninth with her light weight Hamp, and Jody Yates placed thirteenth with his middle weight Hamp pig. Tana Fates also exhibited a middle weight Hamp.

In the steer show all of the steers were classified into the blue ribbon group. Elonna Aihart placed fourth, Jody Yates 18th, and Sharyn Holcomb 31st. All of the steers were heavy weight Charolais crosses.

Adults attending the fair were as follows: Mr. and Mrs. Vernon Holcomb, and children, Mr. and Mrs. Quinton Aihart, Mr. and Mrs. Sammy Fates, and Malcolm Tunnell.

Gleen Holloway, Bob Cox, and Dub Chandler were at the fair to see the steer show.
