Annual Awards Club Stanton Youth

The Martin County Annual 4-H Awards Banquet was held at the Cap Rock Electric Auditorium Monday night Nov. 1, with 168 4-H members and parents attending.

Suzanna Brown and Darrell Wells were named 1971 Gold Star winners.

Suzanna Brown, 17 year old daughter of Mr. and Mrs. Glenn Brown, has been a 4-H member eight years. She has done outstanding projects in Food - Nutrition, Clothing,

Capon Show Set For November 13

The annual Martin County Capon Show is scheduled for Saturday, November 13, 1971 at the county show barn. The capons will be weighed in by 6:00 p.m. on Friday. Judging will begin promptly at 8:00 a.m. on Saturday. The birds will be classified into heavy and light singles and trios.

A sale will begin at 1:30 p.m. with Eddie Owen of Big Spring, auctioneer.

The event is sponsored annually by the Chamber of Commerce Agricultural Committee. Chuck Elmore is serving as chairman. The general public is cordially invited.

4-H Club News

The Do and Learn 4-H Club met on October 27, 1971 at 3:45. The members recited the pledge.

Members sewed on their machines. Six members and the Teen leader were present. They were Linda Padilla, Charlotte Trimble, Krist Turner, Yolanda Montez, Virginia Smith, Lana McKenzie, and Peggy Barnes.

The next meeting will be on November 10, 1971. The members will then start sewing on their projects.

Darrell Wells, 14 year old son of Mr. and Mrs. W. T. Wells of Stanton, was named the Gold Star boy for 1971. Darrell has been an active member of the Friendship 4-H Club for five years. He has competed at county and district every year with method demonstrations and 4-H record books.

His project work included capons and barrows. In 1968, he exhibited the Grand Champion barrow at the County Show. He has also had projects in electricity, leather crafts, and field crops.

He has held various offices in his club and been a member of the County 4-H Council.

Jody Yates and Tere Hazelwood, 1970 Gold Star winners, were Master and Mistress of ceremonies. The following program was presented: Invocation — Dianna Wells; Pledge — Wendy Tunnell; Welcome — Loretta Young; Introduction of Guests — Suzanna Brown.

Sharalyn Holcomb; County Exchange Program — Joni Letty; 4 - H Food Show — Tahati Blake; 4 - H Council — Cydne Mullins; 4 - H Roundup — Rosalind Welch; Record Books — Deana Holcomb; Horse Show — Tana Yates; Capon Show — Frank Atchison; Method Demonstrations — Darrell Wells; Lambs — Mike Douglas; Swine — Gary Hanson; Livestock Shows — Willie Wells, J. C. Tunnell, Morgan Cox and Jerry Holloway.

Awards were presented by Mildred Elland and Billy Reager, Extension Agents.

The "I Daze You" award was presented to Jody Yates and Deana Holcomb.

The program closed with a ceremonial, "How to Have a Happy Day", presented by Mark Eiland, Lois Howard, Pam Hazelwood, Lesa Hooper, Paul Evans, Peggy Barnes, Joni Letty, Suzanna Brown, and Tere Hazelwood.

Veterans Missing Good Bet By Not Listing Themselves With TEC

Veterans seeking job training are missing a good bet in not listing themselves with the Texas Employment Commission, Jack Coker, Director of the Veterans Administration office at Waco, said.

"Our office has worked out procedures with the TEC and the Texas Education Agency to accelerate on - the - job training approvals for veterans," Coker commented, adding "This procedure makes it very important that the veteran needing or wanting training be carried on the TEC rolls."

In recent months as part of President Nixon's push to help veterans find jobs or receive job training, the VA has been authorized to approve VA training for veterans prior to the selection of a veteran trainee. In cooperation with the TEC and the Texas Education Agency VA job training specialists from the VA Regional Office have been combing the North Texas area seeking employers who wish to establish training programs for veterans.

In such job training positions the VA supplements the trainee salary paid by the employer which enables the veteran to receive a living wage even though a trainee.

Veterans with no dependents receive from the VA \$108 the first six months of OJT, \$81 the second six months, \$54 the third and \$27 the last six

patience than most, they
want to see Stanton hold its

Yes, I'm an outsider. But I'd say the same thing in my hometown. We would like to become a part of Stanton. Give us the opportunity. We're not here to rob you, but to be one of you.

months of training. VA subsidy of the veteran trainee must end within two years. As the trainee progresses in his program his value to his employer increases with the employer increasing his salary as the VA allowance decreases.

"This is a very good program for both the veterans and the employers," Coker noted. "But, while the VA assists employers in setting up OJT programs for veterans and determines the veteran's eligibility, we are not in the employment or job training placement business. This function is performed by the Texas Employment Commission," he added.

Many veterans looking for jobs or job training don't seem to recognize this and fail to contact the TEC upon release from the service or when they place themselves on the job market.

Interested veterans should contact their nearest VA or Texas Employment Commission office.

What's Happening

A Community Council Meeting will be held at the Neighborhood Center on Tuesday, November 9 at 7:30 p.m. (The usual meeting date is on Monday.)

Russell McMeans, the superintendent of the schools, will be the guest speaker.

PROPOSED NEW HIGH SCHOOL

PROPOSED NEW ELEMENTARY SCHOOL

Actress Gale Storm To Play In "Plaza Suite"

Les Craver, producer, has announced the booking of Gale Storm, star of television, motion pictures, records, stage and night clubs to head the cast of Neil Simon's Broadway comedy hit, "Plaza Suite" for the month of November at the Hayloft Dinner Theatre in Lubbock.

Three popular - priced preview performances Nov. 2 - 4 will introduce the vivacious star to the South Plains, with the official opening night being Friday, Nov. 5.

With the signing of Miss Storm (real name Josephine Owaissa Cottle of Bloomington, Texas), Craver brings to his stage a lady who only a few short months ago wowed them in dinner theaters in Ft. Worth and Dallas, and who has been a popular favorite with the public for years. She rose to fame by winning a national talent contest, "Gateway to Hollywood", and was then awarded a contract with RKO studios. She became a large box office draw starring in a number of dramatic parts, musicals, and westerns.

Her first television show, "My Little Margie" was an immediate success, running for four years, which enjoyed the same success on radio. As an outstanding female recording star, she sold over 6 million records including hits such as "Memories Are Made of This," "Dark Moon", and "Ivory Tower". Her second television series, "The Gale Storm Show - Oh Susanna", also gained popularity and ran for four years.

Miss Storm has appeared in various dramatic and comedy roles in dinner theaters throughout the country. Most recently, she won acclaim for her performance in Cactus Flower, at the Windmill Dinner Theater in Fort Worth this summer.

The show, "Plaza Suite," tells the story of three episodes taking place in the one suite at New York's famous Plaza Hotel. The film recently passed through, starring Walter Matthau in all three segments, a different leading lady in each one. This time, both Miss Storm and popular Hayloft player, Tyler McVey, head all the vignettes.

Reservations for seeing Miss Storm in person in "Plaza Suite" can be made by calling 866-4313. Performances will be at 8:30 p.m. with buffet dinner from 6:30 to 8 p.m. Mondays through Saturdays.

Stanton Garden Club

The Stanton Garden Club met on October 26 at 9:30 in the home of Mrs. Aldebibe Haislip. Mrs. Ray Kelly presided at the meeting.

There was a discussion of the sale of fruit cakes and plans were made to attend the zone meeting in Odessa the 11 of November.

Refreshments of spiced tea and small cakes and rolls were served from a table centered with a Halloween arrangement of a pumpkin with sequins and felt, facial features, and filled with bronze chrysanthemums.

Mrs. L. C. Hazlewood of the Stanton Garden Club, spoke on "Famous Trees of Texas". Some of the trees we are more familiar with were the Burkett Pecan, New Clyde Texas and the Bloys Tree.

The First Camp Meeting was held at Skillmans Grove and the Goreman Hogg Plant Trees.

The next meeting will be held on November 23 at the home of Mrs. Cecil Bridges.

Local News In Brief

Mr. and Mrs. Row Martin visited their daughter and family, Mr. and Mrs. Don Hightower, Leslie, and Nancy of Mansfield recently. While they were there they attended the Dallas Fair and other points of interest.

Mrs. Arly Mayfield was a visitor in the home of the Perry Geurin's. She was visiting her son, Mike Mayfield and his family.

HONORED ON BIRTHDAY
Mrs. Julia Leighton was honored on her birthday Sunday with a surprise party by the R.M.Y.F.

Those present were Mr. and Mrs. Billy Joe Latty and Glynnith; Mark Elland; Susan Stallings; Morgan Cox; Mindy Haislip; Tommy Haislip; Kathy Decker; Twilla Stallings; Lisa Hopper; Tere Hazlewood and the honoree, Mrs. Leighton.

Grady AD Club News

The Grady Home Demonstration Club met on October 28, 1971 at 2 p.m. in the home of Sharon Odom. Mrs. Jack Kuhlman presided over the meeting.

The club members voted to bring Jimmie Jenkins out to the Christmas party. Everyone is to bring her a gift. Roll call was answered with "How to Add a Touch of Fall to Your Home."

The program, "Gifts for Friends and Family Members," brought gifts that could be made at home. Some of these gifts were grapes, house shoes, and coasters to put around Coke bottles in the shape of an apron.

Eleven members attended and one visitor. They were Mrs. Gladys Odom, Zela Graves, Sheila Green, Ruth Green, Hazel Hamm, Reva Koonce, Ina Fay Luhlman, Charlotte White, Sharon Odom, Wilma Odom, Mrs. James Jones, and Mary Lou Williams.

The next meeting will be held in the home of Louise Standefer.

New Arrivals

Michael Anthony Mayfield was born Tuesday, October 26, at 7:36 a.m. He weighed 7 pounds and 4 ounces.

Parents are Mr. and Mrs. Michael E. Mayfield of Star Route, Stanton.

Maternal grandparents are Mr. and Mrs. Perry E. Geurin, Star Route, Stanton. Paternal grandparents are Mr. and Mrs. Arly Mayfield of Floyd Knobs, Indiana.

Perry Shawn Geurin was born Thursday October 28 at 1:52 p.m. He weighed 7 pounds and 17 ounces.

Parents are Mr. and Mrs. Perry Wade Geurin of Star Route, Stanton.

Paternal grand parents are Mr. and Mrs. Perry C. Geurin of Star Route, Stanton. Maternal grand parents are Mr. and Mrs. Earle Pose of Mayport, Florida.

The sixth annual governor's conference on tourist development is scheduled for the Inn of the Six Flags at Arlington, Nov. 10-11.

TRY REPORTER WANT-ADS

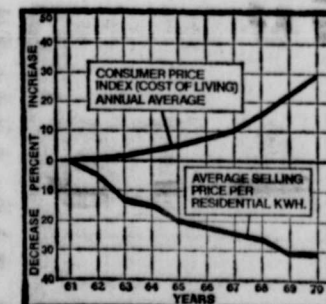

At your service:

Electricity that costs less than 10 years ago.

It's true. Your dollar buys more electricity now than it used to. Because Texas Electric's rates for electric service have not increased since 1961.

In fact, there have been two rate reductions since 1961—in 1963 and 1965.

While the cost of living is up about 30 percent over you did in 1961, the average price of electricity per residential kilowatt hour is down more than 30 percent (see chart).

If your bill for electric service at your residence is higher, it's because you're using more electricity. You may have added air conditioning, a clothes dryer, frost-free refrigerator or color TV.

It all adds up to this: In spite of continuing inflation you're getting more electricity for your dollar than you did in 1961. You're also getting all the extra comfort and convenience that electricity makes possible.

Damp Weather in Bollworms' Favor, Prospects Threatened by More Rain

AUSTIN — Damp weather in Texas has been working in favor of pink bollworms and against cotton farmers whose fortunes appeared on the up-grade after being on the decline of a number of years because of competition from the synthetics, Texas Agriculture Commissioner John C. White reports.

"The serious pink bollworm infestations, especially in the upper Blacklands and Northeast Texas areas seriously threatens prospects for 1972," the commissioner warns. Aggravating the situation are rains which have caused delays in cotton stalk destruction, one of the best ways to combat the bollworms.

The agriculture chief said that infestations in cotton south of Waco to Greenville are at an all-time high, in some fields as high as 98 per cent. He urged all farmers to destroy cotton stalks and plow under debris at least six inches deep as soon as possible.

Farmers in the Seguin area are reported about 90 per cent finished with stalk destruction, but wet weather in the Houston and Rosenberg areas have slowed harvesting and stalk destruction.

The South Texas and Lower Rio Grande Valley areas for all practical purposes are through except for isolated fields. The Northern zone, from Panola County in the east to Erath County in the west have been hit by rain that has slowed harvesting.

"The pink bollworm infestation in this area is very high," White said. "In the areas to the north and east of the control zone, pink bollworm counts in the fields and at gins is running higher than ever before."

"Farmers are urged to destroy stalks and plow under debris just as soon as possible. It can mean the difference of making a crop next year or letting the pink bollworm take it all."

It's simply a matter of **Good Taste**

GAS COOKING is preferred by almost all master chefs, because a secret of fine cooking, whether it's preparing a gourmet sauce or a simple gravy, is fast, accurate temperature control. Only gas cooking gives you instant on-off heat and precision control with an infinite number of temperature settings. There's no wait for warm-up, no hangover heat, and you can see the flame to adjust it. Gas allows you to cook to perfection and achieve the full, exciting taste and flavor of your special dishes.

See your gas appliance dealer and find out about all the other wonderful features of a modern gas range.

 Fri: Fried chicken, gravy, mashed potatoes, vegetable salad, greenbeans, hot sliced bread, fruit cup, milk.

Texas Public Employees Association will seek a 10.2 per cent pay raise for state workers in a special legislative session next year.

College Financing Seems Impossible, But There are Ways to Swing It

Financing one's studies at a college or university may seem, at first, an impossibility for some prospective students, especially those whose families are unable to bear the costs of a higher education. Unknown, to many, however, are the multitude of loans, grants and scholarships offered by various educational institutions which can provide each student the opportunity to pursue his higher educational goals.

Loans are available through both the federal and state governments. For the students who will teach or enter the military service following graduation, the National Defense Student Loans holds special benefits. Families in the middle or upper income group who find it a financial strain to support a college student may wish to investigate another government program, the Federally Insured Loan. For those students anticipating a career in law enforcement, the Law Enforcement Educational Loan may be helpful in solving financial problems. A program handled by the State of Texas, the Hinson - Hazlewood College Student Loan, is open only to state residents.

Aside from loans, there are other programs designed to assist needy students. These include the Connally - Carillo Act, scholarships, Educational Opportunity Grants, and part-time employment.

Vote FOR School Improvements ON NOVEMBER 23, 1971

Statement from the Board of Trustees

For many years the people in the Stanton Independent School District have been aware of the need to improve the school building facilities of their schools, and have asked that their Board of Trustees give consideration to improvement of these facilities.

The Board of Trustees has made a very thorough study and investigation, over a long period of time, as to what should be done in a School Improvement Program and as to the most sound economical method of such improvement.

Based on this study, and on the recommendations of the Texas Education Agency, the School Consultant and the Financial Advisors, the Board has called an election for November 23, 1971, for the authorization by qualified voters of the district for \$1,200,000 in bonds.

How the Bonds Are To Be Used

1. A new Grade School building located above the present underground school, and which will be planned for an up-to-date teaching program for grades kindergarten thru 4th grade. The 4th graders will be located in the existing underground areas. Consideration was given to renovation of the present grade school and junior high classrooms, but the cost would be too high. New roof structures, new roofing, new windows, new plumbing and heating, and new exterior doors would be required to make these buildings reasonably safe.
2. The present high school would be converted to a junior high school grades 5, 6, 7, and 8. The science laboratories, library, and vocational classrooms are inadequate for today's high school, but are very suitable for a modern Junior High School. Some new classrooms will need to be added.
3. A new high school would be constructed northeast of the present auditorium, and would contain classrooms, laboratories, library, gymnasium and vocational shops necessary for a modern functional educational program.
4. Furnishing and equipment, paving, bus repair barn, and an addition to the Junior Vocational School.

How Will the Bonds Be Financed?

The present tax rate is \$1.85 per \$100.00 of assessed valuation. To pay these bonds over a 20 year period, it will be necessary to raise your taxes as follows:

If your total school taxes are now	They will be increased by	Your total new school tax would be
\$ 20.00	\$ 3.04	\$ 23.04
\$ 50.00	\$ 7.60	\$ 57.60
\$ 80.00	\$12.16	\$ 92.16
\$100.00	\$15.20	\$115.20
\$200.00	\$30.40	\$230.40
\$500.00	\$76.00	\$576.00

This schedule is based upon the present valuation. It is anticipated that the total valuation will increase, and should it do so, your taxes could be proportionally lower.

The cost of two cups of coffee a day would be at least \$73.00 per year.

One pack of cigarettes each day will cost at least \$150.00 per year.

**ISN'T OUR CHILDREN'S EDUCATION WORTH AS MUCH AS TWO CUPS OF COFFEE or ONE PACK of CIGARETTES a DAY?
A VOTE FOR THE SCHOOL IMPROVEMENT PROGRAM IS a VOTE FOR OUR CHILDREN'S FUTURE...!**

LEGAL NOTICE

THE STATE OF TEXAS
TO: All beneficiaries, including present, future, vested and, or contingent of the Ann Southard Life Trust and all persons owning or claiming any title or interest in land under and by virtue of a warranty deed dated June 26, 1965, executed by A. C. Woodward and wife, Ina Lee Woodward (as Grantors, to the Lamesa National Bank, Trustee, as Grantee, recorded in Vol. 99 Page 25, Deed Records of Martin County, Texas. Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Dawson County at the Court House thereof, in Lamesa, Texas at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 29th day of November A. D. 1971, then and there to answer Plaintiff's First Amended Original Petition filed in said Court, on the 14th day of October A. D. 1971, in this cause, numbered 8962 on the docket of said court and styled A. C. WOODWARD and wife, INA LEE WOODWARD Plaintiffs, vs. THE LAMESA NATIONAL BANK, Lamesa, Texas, Trustee of the Ann Southard Life Trust; ANN SOUTHWARD COLE and her husband, JIM COLE; GLENDA SOUTHWARD BLACKWOOD, and her husband, CLINTON EDWARD BLACKWOOD; JULIE McBRIDE, a feme sole; CLINTON EDWARD BLACKWOOD, II; SHAUNA LEANN McBRIDE; JENNIFER McBRIDE; JOHN WOODWARD; JONNA CHERI WOODWARD; and JILL KRISTENE WOODWARD; all beneficiaries, including present, future, vested and/or contingent, of the Ann Southard Life Trust; and all persons owning or claiming any interest under and by virtue of a Warranty Deed dated June 26, 1965, executed by Plaintiff as Grantors to the Lamesa National Bank, Trustee, as Grantee, recorded in Vol. 99, Page 25, Deed Records of Martin County, Texas, Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Said suit is one to correct a mutual mistake in, and to reform, a certain trust indenture dated June 21, 1965, executed by A. C. Woodward and wife, Ina Lee Woodward, as Grantors, and The Lamesa National Bank, of Lamesa, Texas, as Trustee which created the "Ann Southard Life Trust" so as to require the Trustee to distribute all of the net income of said trust, annually or more frequently, to the said existing beneficiary of the trust, said beneficiary now being Ann Southard Cole. The land which is a part of the corpus of the trust, and which is affected by said suit is described as the Southeast one-fourth of League 245, Dickens County School Land, Martin County, Texas, subject to the exceptions contained in the Warranty Deed recorded in Vol. 99, Page 25, Deed Records of Martin County, Texas, as is more fully shown by Plaintiff's First Amended Original Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and Seal of said Court, at office in Lamesa, Texas, this the 14th day of October A. D. 1971.

Robert E. L. Smith, Clerk
Attest:
District Court, Dawson County, Texas
(SEAL)
Oct. 21-28-Nov. 4-11

Witnesses To Hold Convention

West Texas Jehovah's Witnesses will be attracted to Andrews, Texas November 12-14, for a rather large convention. This disclosure was made today by C. L. Lunsford, president minister of the Big Spring congregation, 500 E. Duple.

The event is a semi-annual circuit assembly sponsored by the Watchtower Bible and Tract Society of New York. According to Lunsford, who will head the local delegation, the dual purpose of the meet is to provide delegates with intensified training in their public ministry and give practical counsel on applying Bible principals in daily life. The focal theme of the convention is "Keep on Doing It More Fully... I Thessalonians 4:1, 10."

Local residents have volunteered their talents and efforts to help operate the 28 convention departments. L. D. Rogers will be in charge of the attendant department and Mr. Lunsford will assist in cafeteria arrangements. Others from Big Spring will help fill the large volunteer force needed to care for the 300 to 1,000 expected to attend.

Unsafe Line Contact Is Illegal

Among new state laws of interest to farmers is one which makes it illegal for anyone except authorized personnel to operate any kind of equipment within six feet of a high voltage electric line.

While compliance with the law is important, the prime consideration here should be the safety of persons operating the equipment. The presence of electric power lines on or alongside practically every farm in this area can constitute a hazard to the farmer, members of his family and employees working on the farm if certain safety rules are not observed. Think safety! Talk safety to everyone on the farm! Make this the safest harvest season ever.

Victory Over Cancer, Man's Great Hope

When cancer takes the life of someone close to us, a relative or friend, the loss is painful. However, many persons in Martin County are turning losses into victories by making Memorial Gifts in memory of a loved one lost to cancer—a living memorial.

"A gift today may spare others tomorrow," explained Mrs. John Rouech, Memorial Chairman for the Martin unit of the American Cancer Society, a national health agency fighting cancer through programs of research, education, and service.

"The Society seeks in this three-fold way to fulfill one of mankind's greatest hopes—the ultimate triumph over cancer. Each memorial contribution brings the moment of final victory closer."

Names of persons honored by contributions are entered in a permanent, leather-bound book. Donors receive acknowledgement of their gifts, and families of those honored receive a handsome memorial card. In Martin, contributions are received by Mrs. John Rouech, Box 556, Stanton, Texas.

Letters To The Editor

November 1, 1971
Buddy Norville
Editor—Stanton Reporter
Stanton, Texas

Dear Buddy,

I think the people who will be called upon to vote in the upcoming school bond election should do some serious soul searching before making a decision to vote negatively.

Stanton has a tendency to be non-progressive when it comes to supporting a project that will cost a little more in personal property taxes. With the current increase in oil production in Martin County, this would be a great time to start changing our community image from being a non-progressive dead community to a vibrant, alive and progressive community.

A new high school could do wonders for this image change. People would be more ready to bring business to Stanton. We could have an increase in population for many people now working in or around Stanton would move here if the community had new educational facilities.

Many people who do not have children in school do not want to help finance this project. They forget that one of the privileges of living in our Republic is the responsibility of providing educational facilities for the younger generation. These people are the first to defend education and

give their opinion on how the schools should be run but when you get down to the brass-tacks of providing funds they get very "conservative" and take the "it was good enough for me when I was in school" approach. These people rationalize that as long as the walls have not yet caved in and as long as the school district can improvise classrooms out of other buildings that we do not need anything better.

Some of these people would vote to turn down Heaven in preference to Hell if it meant saving a few tax dollars a year.

I, for one, cannot see how any elected city or county official could in clear conscience be against a new school. Why have elected officials if they are not going to be for the best interest of the community or county.

The walls and roof of the old school may not fall and we may not be able to pass the bond issue because some people do not want to pay a few dollars a year more for a nice up-to-date educational facility. But if the walls come down and if children are killed or injured these people will have themselves to thank for the tragedy.

Any time a community turns down a school bond issue when it is needed as badly as this one, all the surrounding area immediately forms a negative opinion of the people in that community, and rightly so, because they are demonstrating that their own selfish motives take priority over the physical and mental and psychological welfare of the children of their community.

Our School Administrators and Board of Education have put many long hours into the problem of building a new high school and improving the elementary and junior high schools. They have looked into this problem from every angle and have come up with the most logical, inexpensive plan that will meet the school needs and up-to-date educational standards.

No one in this community would like to think that we are turning out students who are not equipped well enough to compete with the product of the surrounding area. Without the new high school we are limited in space and facilities and cannot hope to turn out a product that has been exposed to the choice of subjects other schools can offer.

If this school bond election fails because of the greed of some property owners then Stanton deserves the image it now has and we will all live to see the day this community struggles, then topples in the

death throes of its own stingy selfishness.

Sincerely submitted by a concerned citizen.

Dear Stanton,
Why can't we build this new school? Other school districts build schools adequate for their children. I feel that if people in Stanton really want a good school they will get out and work for this bond election.

Stanton has always built just for the present at the cheapest price. And now the buildings are falling down. If we build this time just what we need now, then in a few years we will have to build again. The cost will be higher, so why not build it all now and save?

Stanton — have some pride in our children, our town and ourselves. Get out and work for a better school, a better community and a better country.

If you are against the bond issue get out and get the facts straight before you vote no!

If we can't spend our money on our children, what kind of parents are we?

If Stanton wants a good school and good teachers we can have them but we are going to have to work. Where there is a will, there is a way. Get out and vote yes.
