The real purpose of the good care and feeding of our prisoners of war seems to be getting much more clear, if you had any questions about it in the first place. While they dangle the pawns of war in the front of TV tubes throughout America they are consolidating their gains in other places. They are now extending the air field and installing Russian built missiles throughout the area of the most bitter battle of the war — Khe Sanh. This was the fortified base that came under gigantic bombardment for weeks and was saved only by the heroism of the Americans stationed there. Since the U.S. and South Vietnamese have abandoned it the North have been installing SAM 2 missile sites. This sounds a little like the Communist-Egyptian action when the Israelis withdrew from part of the territory by the Suez Canal, only to have Communist missiles installed the next week.

Giap, the brilliant military strategist for the North Vietnamese has been quoted on the subject of so many soldiers killed during the war. He said that several thousand of people are born and die each day and this is a minor concern—the real concern is political. Perhaps this is why they keep good care of some of our men whom they have captured — political pressure on the U.S. We appreciate those we have received back greatly — but why not have a humanitarian motive instead of political. They often do not want their own POW's back, thus the slogan: "Born in the North to die in the South," that North Viets know to be so true.

## Easter Seals Are Delivered

Easter Seal Appeal letters are to be delivered this week in Martin County according to Mr. R. O. Anderson, the Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. As Representative, Anderson serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in Martin

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

Anderson pointed out that during 1972, the Texas Easter Seal Society provided treatment and services for 16,572 children and adults who were in need of assistance.

The Easter Seal Campaign will continue through Easter Sunday, April 22.

## SARA WILLIAMSON TO PRESENT A PROGRAM

Thursday, March 8, 1973, at 2 p.m., Sara Williamson will present a program at the Reddy Room. The program is sponsored by the Home Demonstration Clubs of Martin County, and is entitled "Freezer and Care of The Freezer." Everyone is invited to attend.

# McMeans—Deavenport All District 7-AA

ALL DISTRICT 7-AA  
Dwayne McMeans selected for 1st team

Seniors Dwayne McMeans and Tommy Deavenport were chosen first team selections on the 7-AA All-District basketball team chosen recently by the conference coaches. The Buffalos, second place finishers in the district race, dominated the first team as no other school had two players represented.

Narrowly missing first team honors was Senior center Rick Wilson who led the second team selections. Juniors Mark Elland and Gene Louder were given honorable mention.

McMeans, who was, also, chosen All-District and All-West Texas in football, is a 5'10" guard who finished second in the district scoring race with 164 points. He finished with 350 points for the season. "His real value came in his leadership ability and his aggressive play on our press," stated Coach Jim Jensen. Dwayne was, also, honored at Ballinger and Big Lake, being named All-Tour-

ment in each. Deavenport is a 5'8" guard who finished with 144 points in the district, good enough for the fifth spot in league scoring. Tommy was the leading scorer for the season for the Buffalos with 374 points. Tommy teamed with McMeans to give the Buffalos the best all-around guards in the district. "Tommy is a fine shooter, an aggressive hustling defender, and a team player," commented Coach Jensen. Tommy was chosen the Outstanding Player in the Ballinger and Big Lake Tournaments and was on the All-Tournament team at Iraan.

Wilson a 6'3" 190 lb. Senior, played great ball the second half of the season. He pulled down 221 rebounds and did a fine job for the Buffalos. Rick made the All-Tournament team at Iraan and Coach Jensen said, "It was a shame that he didn't make the first team all-district. He really deserved it." See 7-AA DIST., Page 5

ALL DISTRICT 7-AA  
Tommy Deavenport selected for 1st team

## GUN FOES LOSE OUT AT POLES

By John M. Snyder  
Assistant Editor

The American Rifleman  
The Nov. 7 election returns were studied with results which promised to be helpful to the cause of legitimate gun ownership.

—Two outspoken campaigners against handguns went down in defeat, Congressman Abner Mikva in Chicago and former Congressman Richard (Max) McCarthy in a comeback attempt in the Buffalo, N.Y., area.

—Only one of the five members of the House Judiciary Subcommittee who approved the Bayh Bill, S. 2507, will be back. He is Rep. Robert McClory (13th Dist., Ill.), who was reelected. Reps. Mikva and Andrew Jacobs (11th Dist., Ind.) were defeated. Rep. Emanuel Celler (10th Dist., N.Y.) lost out earlier in a primary and Rep. William M. McCulloch (4th Dist., Ohio) did not seek reelection.

—All four of the House subcommittee members who voted against the Bayh Bill in a 5-4 decision last fall will return, one of them as a U.S. Senator this time. Rep. James Abourezk was elected to the Senate from South Dakota. Reps. Jack Brooks (9th Dist., Tex.), William L. Hungate (9th Dist., Mo.) and Edward Hutchinson (4th Dist., Mich.) all won reelection.

—In the Senate, all of the incumbents who were defeated for reelection happened to be among the 68 who voted for the Bayh Bill in that branch last Aug. 9. In contrast, every U.S. Senator who opposed the Bayh Bill at that time and then sought reelection won a victory.

Mikva, the most outspoken national proponent of confiscatory handgun legislation in the House of Representatives, was turned out of office in Illinois' 10th Congressional District by a vote of 118,649 to 111,476. He was defeated by Samuel H. Young. During the campaign, Young received the support of the Society Against Mikva (SAM) because of his expressed belief "in the rights of good citizens to own and use firearms for sporting purposes and for protection when required."

Before the election, Mikva condemned the SAM organization and requested an investigation of its activities in letters to the U.S. Attorney and the Clerk of the U.S. House of Representatives. "This is the gun lobby at work," he charged, and indicated the group had been encouraged by the success of other citizens' groups which opposed anti-gun candidates in previous Congressional elections and took credit for their defeat.

After the election, Mikva stated "it hurts too much to laugh and I'm too old to cry, but I'm not disheartened. We do control our political destinies. So stay in there. I'm going to hang in there."

Mikva's defeat was described as "the major loss for Democratic liberals" in the House of Representatives by the

See GUN FOES, Page 6

## John Morgan Hall Rites Prominent Stanton Man Dies At 72

Morgan Hall, 72, of Stanton died at 1 p.m. Wednesday in a Big Spring hospital after a lengthy illness.

Services were at 3 p.m. Friday, Feb. 23, at the First United Methodist Church of Stanton with the Rev. Floyd Dunn officiating and Rev. Wallace Kirby of Snyder assisting.

Interment was at the Evergreen Cemetery.

John Morgan Hall was born Nov. 4, 1900, at Stockdale, Tex. He was the eighth and youngest child of Millard Fillmore and Laura Williams Hall.

As a boy, Morgan moved with his family to Robert Lee, Tex., and then to Loraine where he grew up. He graduated from the Loraine public schools.

In his early 20's, Morgan first went to work for a brother, J. L. Hall, in drug stores in Loraine and Stanton. While working here in Stanton he met and married Beulah Mae Houston. They were married

June 1, 1924, in the home of her parents, Mr. and Mrs. W. Y. Houston.

The couple moved to Loraine where he was employed at the Hutchins and Hall Drug Store for two years before returning to the J. L. Hall Drug Store here in Stanton.

It was in the period shortly after they returned to Stanton that Morgan and Beulah Mae opened the first moving picture theater in Stanton. They showed silent films accompanied by a player piano, and it was open at night after the drug store closed.

He left the drug store to become postmaster for 10 years. He then returned to the drug store, which was the life he loved, and remained there until it was sold in 1959.

Morgan was always active in civic and political affairs. He served on the city council and was Martin County Parole Officer several years. He was elected Democratic Coun-

ty chairman of Martin County and except for a few brief absences held the post until his death.

Morgan always was active in the Methodist Church, Lions Club, the Farm Bureau, the Martin County Chamber of Commerce, a 32nd Degree Mason and was among the founders of the annual Martin County Old Settlers' Reunion.

He is survived by his wife; a son, Jerry Hall, Austin; a daughter, Mrs. Bob (Jo Jon) Cox, Stanton; and a sister, Mrs. Jean DeBaun, San Antonio.

More than three generations of Stanton children have made their way to the ice cream counter at the Hall drug store, learning to love Morgan as he loved and kidded with them and gave them chocolate or vanilla cones.

His friendly manner and his easy way with people won for him the friendship of people from all walks of life.

## Farmers Union Members Visit Martin County

This week saw quite a bit of activity for the visiting members of the Farmer's Union. In somewhat of a cultural or technological exchange program the farmers of some of the northern states are coming to Texas and our farmers are going there.

Visiting our area are Clarence Larson from Aneta, North Dakota; R. W. Groothuis from Huron South Dakota; and Alvin Kirschenmann from Harrold, South Dakota.

The men are all farmers. One of them has 1,000 acres under cultivation, one with 1,100 acres, and another with 800 acres under cultivation. They raise mostly wheat and feed grain with a few cattle.

The men were flown here in the Farmer's Union airplane to visit with farmers of this area. They left Wednesday morning from Martin County and enjoyed their stay very much. In the words of one of the farmers: "We have the cattle and hogs and corn to feed you with and you

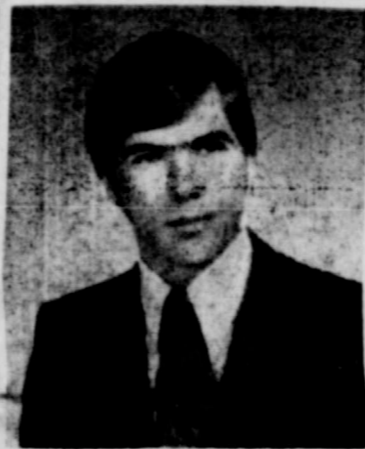

MEMBERS OF FARMERS UNION FROM DAKOTA—Pictured here are: Clarence Larson, R. W. Groothuis, and Alvin Kirschenmann.

grow the cotton to clothe us with." They say that the farms here are about the same size as they are in North and South Dakota. Their biggest complaint—did you ever know a farmer who did not have at least one . . . is that they can not get any box cars to ship their grain out. It seems that the big Russian wheat deal has cor-

nered all of the grain cars to ship grain out of the country.

They believe that the farmer should get more than 2c out of a loaf of bread for their portion and are attempting to organize farmers into a union. Some of their members are in Washington this week to see Senators there.

Ronald Edwin Hartsell, son of Mr. and Mrs. Roger Hartsell of Lamesa was a December graduate of Texas Tech University with a BBA degree. He is currently employed as a Management Trainee by the First National Bank of Las Vegas, Nevada.

He and his wife, Lynette, resides at 4247 Cottage Circle No. 4

## Public School Week March 5-9

### Elementary

Stanton Elementary School will observe Public School Week March 5th, through March 9th, 1973. All Patrons are invited to visit school and observe its operation.

There will be a special display of the children's work in their home rooms Thursday, March 8th, from 7:00 p.m. to 9:00 p.m.

Recognition will be given to the room having the most visitors.

### High School

Parents and Interested Persons:

The Stanton High School will observe Public School Week by conducting a "Mock School Day," Thursday, March 8, from 7:00 to 9:00 p.m.

As you arrive, you will be given a schedule like the one that your child follows each day. You will be directed as to where to go by student help and bells. Refreshments will be served at 8:15 p.m. The "Mock" classes and visitations will continue until 9 p.m.

This will give you the opportunity to meet your child's Teacher and acquaint yourself with his day's activities, and hopefully give a better understanding between Parent, Student and teacher.

## SCHOOL BOARD TO HAVE THREE VACANCIES

The County School Board officially called an election for Saturday, April 7 to fill the position of three county school trustees.

Filing deadline is Wednesday, March 7, at 5:00 p.m. in the County Judge's Office. Absentee voting will take place March 19 through April

Jack Kuhlman, Precinct No. 2.  
Lynn Henson, Precinct No. 3.  
E. D. Holcomb, Trustee at Large.

Incumbents on the County School Board whose terms expire are:

Other members of the board are Loyd Wiggins, Precinct No. 4 and Douglas Church, Precinct No. 1.

## TELEPHONE INSTALLATIONS INCREASE

The number of telephones in service -- a barometer of community growth -- climbed to more than 1,372 in Stanton as of December 1, 1972.

The figure was released by Harry Sawyer, Southwestern Bell manager, who said it represents an increase of 5.1 per cent in telephone growth for the city in 1972.

"Because of telephone growth in cities such as Stanton, Southwestern Bell in 1972 became the largest telephone company in the Bell System and the largest non-government owned phone company in the

world," the manager said. Southwestern Bell serves more than 11,477,000 phones in a territory composed of Texas, Oklahoma, Arkansas, Kansas, Missouri and a small portion of Illinois.

Not only has the number of phones in Stanton increased, but so has the number of calls being made by customers. Company records indicate the number of calls made here during an average business day in November, 1972, totaled 5,389, a 12.8 per cent increase over the average No-

vember day on 1971.

Sawyer said telephone growth is expected to continue at a healthy pace. The company forecasts that there will be 1,540 telephones in Stanton by the end of 1976.

Sawyer said the 1973 construction budget for Southwestern Bell's San Antonio Area, of which Stanton is a part, will be \$182 million, an increase of \$30 million over 1972. The San Antonio Area covers approximately two-thirds of the western part of Texas.

## VERNON HOLCOMB NAMED WAGON BOSS

Mr. Vernon Holcomb of Stanton, Texas has been named Wagon Boss in Martin County for the 1973 West Texas Boys Ranch Annual Roundup, according to Bill Shaw, 1973 Roundup Chairman. Mr. Holcomb will attend a Wagon Boss and Roundup Kickoff Meeting in San Angelo on March 10th to receive information and prospects for this year's Roundup effort.

A Ranch Ball to benefit West Texas Boys Ranch and

to honor both 1972 and 1973 Wagon Bosses will be held in March. Shaw and Ranch officials said that they . . . are extremely happy to obtain the volunteer services of Vernon Holcomb to be Wagon Boss in Martin County. We need all the help we can get to make this year's Roundup a success for those 72 boys at West Texas Boys Ranch and are counting on the citizens of Martin County to help Vernon Holcomb in his efforts in behalf of those boys."

All contributions, whether in livestock or cash, are tax deductible. Livestockmen wishing to donate stock may contact their Wagon Boss or the Ranch office, or just designate an animal for sale with the proceeds going to the Ranch at their favorite auction or commission house. This is the thirteenth year of the Annual West Texas Boys Ranch Roundup whereby cash and livestock donations are solicited to provide operating funds for the 72 boy facility located 18 miles west of San

Angelo. Chartered by the state in 1947, in the past 25 years West Texas Boys Ranch has provided a 24 hour a day home for over 800 dependent and neglected boys. West Texas Boys Ranch is governed by a 50 man Board of Directors headed by President Ken Spencer of Crane. The Ranch receive all of its operating funds as free-will donations from the public.

The Annual Roundup, conducted by volunteers, provides an important part of the Ranch's operating funds.

# Oil News

A Martin County project was testing through perforations, new producers have been fringed in the Spraberry Trend Area and sitese staked in the same field.

Chaparral Drilling Co., Inc. Midland, was testing through Spraberry and Dean formations at No. 1 L. C. Madison, Martin County project, one mile east of the depleted Strawn opener and lone well in the Lenorah, West field, which was recompleted as a Dean discovery in August, 1970.

Operator perforated opposite the Spraberry from 8,076-8,099 feet; 8,271-8,295 feet and 8,771-8,841 feet, acidized with 1,000 gallons and fractured with 55,000 gallons and 110,000 pounds. The section opposite the Dean from 9,262-9,467 feet, also was perforated, acidized with 2,000 gallons and fractured with 45,000 pounds and 90,000 gallons. Both zones were shut in prior to testing.

Originally slated as an 11,500-foot Strawn wildcat, it was drilled to 11,040 feet and plugged back to 9,600 feet, where 4 1/2-inch casing is sealed. It failed to indicate commercial production in the Strawn.

It spots 1,320 feet from north and west lines of section 137, block A, T-2-N, T&P survey (M. Curtis) on some maps, and is about three miles north and west of completed production assigned to the Spraberry Trend Area.

Two wells were completed in the Spraberry Trend Area. Adobe Oil Co. No. 2-F Glass, 16 miles northwest of

### Legal Notice

**NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES.**

Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton, Fresno, California, 93727, who holds License No. 2 of the State of Texas, intends to engage in an operation to change by artificial methods the natural development of atmospheric cloud forms for and on behalf of the Colorado River Municipal Water District located at P. O. Box 869, Big Spring, Texas, 79720, and will conduct the program of weather modification designed to increase precipitation by means of the aerial application of silver iodide and other artificial nuclei as follows:

1. The area over, or in which, equipment may be operated shall include the counties of Lynn, Garza, Kent, Dawson, Borden, Scurry, Fisher, Martin, Howard, Mitchell, Nolan, Glasscock, Sterling and Coke.

2. The target area, within which the precipitation is intended to be enhanced can be described as follows: The boundary may be described by a line beginning at a point of origin at Big Spring, Texas, and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the north border of Dawson, Borden, and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The equipment, materials and methods to be used in conducting the operation within this area of approximately 3500 sq. miles include a 3cm radar system, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The program will be operational during the period from April 15, 1973 through October 15, 1973.

5. Any persons who feel they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Department Board, P. O. Box 12386, Austin, Texas 78711.

THOMAS J. HENDERSON, President  
Atmospherics Incorporated.

# DEVALUATION MAY BOOST FARM EXPORTS

COLLEGE STATION — "It's going to cost more to flavor the soup. But agricultural exports should get a boost from the recent devaluation of the U.S. dollar."

That's the opinion of Dr. Roland Smith, grain market specialist for the Texas Agricultural Extension Service.

The 10 percent dollar devaluation will mean higher prices for certain imported food and fiber products such as spices, vanilla, pepper, coffee, tea, bananas, cocoa, silk and rubber. These changes should be immediately apparent.

On the other hand, the agricultural export situation is difficult to analyze as world money markets are still unsettled. However, the devaluation means that U. S. products are now cheaper abroad so we may be able to sell more agricultural commodities in foreign countries."

### Bruton Completes Student Teaching

ALPINE, Tex. — Jerome K. Bruton of Stanton is among 128 Sul Ross State University seniors completing student teaching requirements this semester.

According to Dr. Bob Pannell, coordinator of the student teaching program at Sul Ross, Bruton will be working in the Del Rio Public School system through April 13.

Seventeen West Texas cities are involved in the program including Alpine, Andrews, Crane, Del Rio, Eagle Pass, Ft. Davis, Ft. Stockton, Imperial, Kermit, Marathon, Marfa, Midland, Monahans, Odessa, Pecos, Rankin and Sanderson.

tight supply situation on most products. "If foreign sales increase, they will come primarily from products that will be produced this summer and fall. U.S. farmers are increasing plantings this year due to increased demands, and total harvests are expected to reach record levels."

### OGG INTRODUCES CAMPAIGN SPENDING BILL

State Senator Jack Ogg of Houston introduced a bill today that limits the campaign expenditures of candidates for Governor, Lt. Governor and Attorney General.

Each candidate would be limited to ten cents per registered voter in Texas, which amounts to about \$400,000. The candidate is allowed to spend this amount in the pri-

mary elections, the primary run-off and the general election.

"The purpose behind the bill is quite obvious in that people should be able to elect the best qualified candidate for a position; a candidate who can best serve the interests of the people, not the candidate who is the wealthiest or who can raise the most money for a race," Senator Ogg said.

The bill includes all communications media such as broadcasting, postage, magazines and television.

"The recently proposed federal legislation left out the television media and this is the area of large expenditures," Senator Ogg noted.

### EGG CLINIC

The 18th Annual Texas Commercial Egg Clinic is slated at Texas A&M University March 28. The clinic will begin at 8 a.m. in the Memorial Student Center. Discussions on egg marketing and environmental protection will highlight the program, according to a specialist for the Texas Agricultural Extension Service.

### Stopping Leviathan

That penetrating economic analyst and columnist Dr. Milton Friedman had some things to say about big government in one of his recent columns that should be instructive to a generation of voters and taxpayers who have never known anything other than big government.

Dr. Friedman calls big government "Leviathan" — the legendary monster of the seas. So far as government spending and taxes go, he observes, "Neither a legislated ceiling nor any other administrative devices designed to improve the budgetary process — welcome though they would be — will halt Leviathan unless we as citizens, once again change drastically the role that we assign to government." Back in 1930, federal government spending took four percent of the national income; state and local spending, 11 percent. Today the combined outgo of federal, state and local spending accounts for about 40 percent of the income of all citizens. This is the price today's generation pays for accepting government as a keeper rather than an umpire.

### Construction Started On State Hospital Building

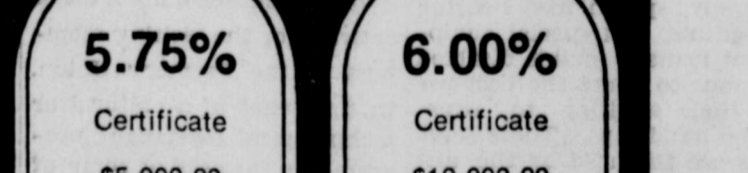

Construction is underway on Terrell State Hospital recreation and training building and a Big Spring State Hospital maintenance building.

Texas State Textbook Committee began a series of hearings on \$18.6 million worth of public school materials October 10.

ed president of the National Cotton Council, spoke to about 2,000 ginners and their guests at Convention Center during the Texas Cotton Ginners' Association's 60th annual meeting.

"We need a continuing spirit of cooperation. All of us in cotton, whether we are growers, ginners, or engaged in some other branch of the industry, have learned that

man of the West Texas delegation, a group which will include 46 house members and ten senators, and cover about half the area of Texas geographically.

Rep. Short said today he was honored to head the delegation, which includes legislators from Ft. Worth to El Paso. The members will meet

**Rebekah Lodge**

Flossie Burnam, Deputy Marshall, introduced Neloise Mashburn, a new member by re-instatement at the Monday night meeting of the Stanton Rebekah Lodge 287 with Audrey Louder, Noble Grand, presiding.

The next Lodge meeting will be held March 12 at 7:00 p.m. At 7:30 p.m. the public is invited to attend a Stanley Party to be held at the Lodge Hall. Members are requested to bring their double knit scraps to Lodge March 26. At that time there will be a 30-minute session to start cutting blocks to begin a quilt. When finished, chances will be sold to the public for a drawing. Visits were reported made during the week.

Attending members were: Virgie Johnson, Flossie Burnam, Audrey Louder, Lillian and Mason Coggin, Lynn White, Neloise Mills, Elna Sprawls, Vera McCoy, and Pauline Graves.

**Tarzan Baptist Revival**

Revival services for the Tarzan Baptist Church are set for March 4 through March 11. Weekly services will be held at 10:00 a.m. and 7:30 p.m. Sunday services are to be held at 11:00 a.m. and 7:00 p.m. Nursery facilities will be provided as needed.

Dave L. Craddock, Evangelist from Midland, will be the speaker for each service through Sunday a.m., March 11. He will not speak that evening. Dave has ministered in this area for several years, both as pastor and revival speaker. He is the former pastor of Prairie View Baptist Church, North of Big Spring. Leading the singing will be Bob Evans, Music Director at the First Baptist Church in Denver City. Bob will, also, be in charge of the special music for the week. He will be here for Sunday night service March 4. He and Brother Dave have ministered together as a team in revival meetings for some time.

Come meet with us as these men share what God is doing in His world today.

The Rainbows, a singing group from the East 4th St., Baptist Church of Big Spring, will present a special music program during the service on Thursday, March 8.

larly every two weeks, will operate as a forum open discussion of common problems among the members.

"Organized in this manner we can be more accessible to such groups as the West Texas Chamber of Commerce and the West Texas Council of Governments, and any other organization or individuals who may want to discuss problems with legislators from West Texas," Rep. Short said.

He added that West Texans have many common aims and problems, and this organization could be used to further those aims and to help solve those problems.

Young Farmer and Ranchers in Farm Bureau, Constitution Revision, and Motivation. Those attending also saw a 30-minute documentary film, "The Road to Delano," which tells the farm worker's side of the farm labor controversy in California.

Texas Farm Bureau President J. T. (Red) Woodson of Gober welcomed the conferees. Edwin Teeter of Lockney, chairman of the TFB Young Farmers and Ranchers Advisory Committee, presided at the meeting. Orientation was handled by Don Neumann, Waco, TFB assistant field director.

Speakers at the conference included Mrs. Neal (Carol) Pack, Stinnett, former chairman of the TFB Young Farmers and Ranchers Advisory Committee; Millard Shivers, Dallas, director of rural development, Blue Cross/Shield; and Warren Newberry, Waco, TFB executive director.

TFB staff members conducted the courses in group sessions. They were assisted by Delano Clark, Baton Rouge, La., American Farm Bureau Federation southern region field representative.

**NAMED TO HEAD WEST TEXAS DELEGATION.** State Rep. E. L. Short, shown here during debate in the House chamber, has been named chairman of the West Texas delegation of state legislators. He will head the group of 46 representatives and ten senators which represent the western half of the state.

**Tips to help  
you use electricity  
more efficiently  
for cooking.**

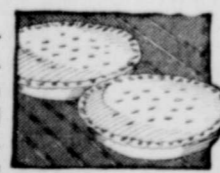

You can get the most value from  
your electric range by following these tips.

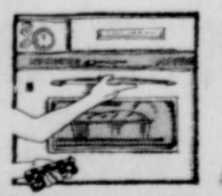

**Use flat-bottomed pans**  
The flatter the pan the better the contact with the electric unit. Also, be sure the pans have tight-fitting lids to reduce cooking time and moisture loss. And match pan size to unit size to avoid heat loss.

can be cooked with little or no water. Once water starts to boil, use the lowest heat setting that will keep it boiling.

**Cook and freeze**  
Bake two cakes or pies, or make double recipes of such foods as stews and spaghetti sauce. Then freeze one for future use. Also, when you're baking, prepare an oven meal at the same time so no surface cooking is necessary—simply choose foods that will cook at the same temperature.

**Don't open the oven door unnecessarily**

Opening the oven door when the oven is hot can cause heat loss and extended cooking time. It also can result in undercooking.

**Use minimum amount of water**  
The more water you use, the longer it takes to get it hot. Many foods

**Thaw before cooking**  
Thawing meats before cooking reduces cooking time. Also, when recipes call for a preheated oven, don't turn it on too far in advance—usually 10 to 15 minutes will do.

# 7AA DISTRICT BASKETBALL

**Continued From Page One**  
 Mark Elland, 6'3" Junior, lead the team in rebounds this year with 222 and scored 205 points for the season. Gene Louder, 6'2" Junior, scored 171 points and pulled down 132 rebounds for the season. "Both of these boys received honorable mention for all-district honors, and they should be the backbone of next year's team" asserted Coach Jensen.

The complete All-District Team is composed of the following:

- First Team:**  
 Gerald Huff, 5'11", Ozona.  
 Terry Shafer, 6'10", Coahoma.  
 Wayne McMeans, 5'10", Stanton.  
 Tommy Deavenport, 5'8", Stanton.  
 Buzzy Stevenson, 6'5", McCamey.
- Second Team:**  
 Steve Bird, 5'10", Big Lake.  
 Troy Kirby, 5'10", Coahoma.  
 Doug Eppler, 6'2", Coahoma.  
 Steve Stone, 6'0", Coahoma.  
 Rick Wilson, 6'3", Stanton.
- Honorable Mention**  
 Mark Elland, 6'3", Stanton
- Gene Louder, 6'2", Stanton

 John Smith 6'1", Big Lake  
 Rusty Owens, 6'0", Big Lake

## LETTER TO THE EDITOR

The people of Stanton need to be informed of gas being stolen from 2:00 a.m. until 5:00 a.m. all over town. They drive a white or light colored car and they are taking the gas in 5-gal. cans which is about one-fourth of a tank from each car.  
 Put locks on your cars. They are going to have to find other places. Let's catch them.

## Lunch Menu

- Mon. — Hamburgers, lettuce, tomatoes, onions, pickles, french fries, milk, Banana Pudding.  
 Tues. — Cheese and beef pizza, scalloped potatoes, buttered peas, milk, Gelatin.  
 Wed. — Bean Chalupas, lettuce, tomatoes, buttered corn, spinach, corn bread, butter, milk.  
 Thurs. — Golden chicken and rice, buttered green beans, Waldorf salad, hot rolls, butter, milk, Chocolate Brownies.  
 Fri. — Cheese stuffed wieners, mashed potatoes, vegetable salad, hot rolls, butter, milk, Spiced Apples.

## Open House Honoring For Mrs. C. F. Huling On Her 90th Birthday

There will be an open house honoring Mrs. C. F. Huling on her 90th birthday in the home of Mrs. Helen Dawson, widow of Dr. George W. Dawson, 605 Colgate, Big Spring, Sunday, March 4, at 3:00 p.m. to 5:00 p.m. Her Granddaughters, Mrs. Randal Hamby, former Diania Dawson, and Catherine Dawson from the University of Texas at Austin, will be co-hostesses for the occasion.  
 Friends of Mrs. Huling are cordially invited to attend the celebration.

## NON-STICK COOKWARE

Scraping, scrubbing, soaking and scouring have virtually been eliminated with non-stick finishes on cookware and appliances.  
 Two types of non-stick finishes are available — heavy-duty and regular.  
 The heavy type is more scratch and abrasion resistant. Smooth-edged metal spoons and spatulas may be used — if they're not dug into the finish.  
 However, knives, forks and rotary beaters can mar the finish.  
 With the regular finish, use only rubber, wooden or plastic utensils.  
 Before using the item for the first time, wash it in hot sudsy water to remove any dust or manufacturing oils. Condition the cooking surface by lightly rubbing with cooking oil on a paper towel or waxed paper. This insures non-stick cooking if repeated from time to time.  
 After each use, clean the item thoroughly with hot sudsy water. Remove any residue settled into the porous finish with a plastic pad. Otherwise, residue could damage the non-stick properties.

A commercial cleaner is available for removing stains. If directions are closely followed, it is safe and effective. After such a cleaning, recondition the finish with oil.  
 A spotty white film indicates an accumulation of minerals from water. To remove, soak a soft cloth in lemon juice or vinegar and rub the finish. Next, wash the cookware or appliance, and recondition once again.  
 —Miss Lillian Cochran.

## SPRING ENTERTAINMENT

Harry Etta Westerman of Imperial Arts & Crafts, Inc., from Midland will present an arts and crafts show on March 15 at 7:30 p.m. at the Cap Rock Auditorium. Demonstrations will be made in tortoise-shell, paper tole, gold leafing, decaling and repouse. She will explain how to "rub-out". Lt. Col. Bernard T. Westerman, USAF (ret.), will demonstrate candle making. The public is invited to attend. There is no admission charge. This is sponsored by Rho Xi Chapter of Beta Sigma Phi.

## VETERANS NEWS

From the Office of Martin L. Gibson, Veterans Service Officer, Martin County, Texas

Thousands of veterans and widows of veterans were recently dealt a financial blow through the reductions of their Veterans Administration disability and death pension payments. Martin L. Gibson, local Veterans Service Officer for Martin County, states that his office has received numerous inquiries concerning these reductions. Many people contacted his office after receiving a letter advising them of the reduction in benefits, while others became aware of the situation when they received their January 1973 checks, and found them to be for lesser amounts than for previous months. All such decreases were effective January 1, 1973.

The local service officer advises that the reductions were the result of a 20 per cent increase in Social Security benefits effective September 1, 1972. Since the Congress adjourned in October without enacting any legislation which would change the annual VA income limitations, the reductions in 1973 payments were necessary. Social Security benefit payments are counted as income, less a 10 per cent deduction.

The Congress is again in session, and consideration is being given to legislation which would help in restoring the lost pension benefits to many veterans and widows. The Veterans Service Office will have information concerning any such legislation which may be passed by the Congress during the present Session. It will be necessary for the Veterans Administration to continue the reduced payments until action is taken by the Congress.

## Gas Rationing and Practicality

A proposal for gas rationing is the federal government's answer to the admitted inability in the Los Angeles basin to meet federal clean air standards.

But the reaction to the solution revealed by William D. Ruckelshaus, administrator of the Environmental Protection Agency, indicates that a more likely alternative will be further bending of provisions of the 1970 Clean Air Act.

Critical comment came from Gov. Reagan, California's two Democratic senators, Los Angeles Mayor Sam Yorty, and a host of other observers, both in and out of government.

The Reagan comment, perhaps, was the most charitable. Anyone suggesting gas rationing, he said, "is overestimating what it would accomplish."

## High School Happenings

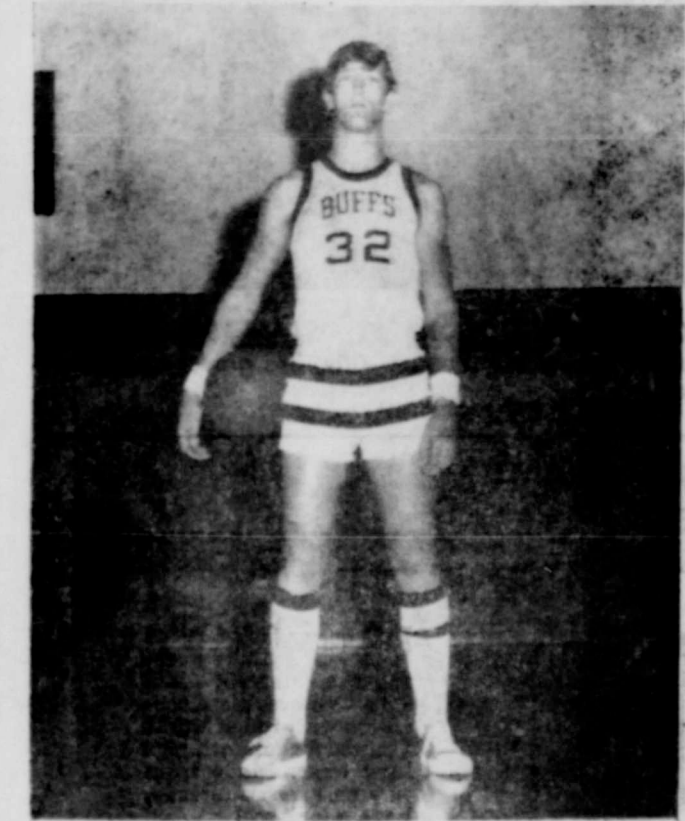

By Debbie Lambert

Well, here I am again!!! Boy, is it ever dull around here!!! There's hardly any news at all and I've scraped and scrounged around for what little I have here. So, don't be disappointed at what you read. OKAY? OKAY!

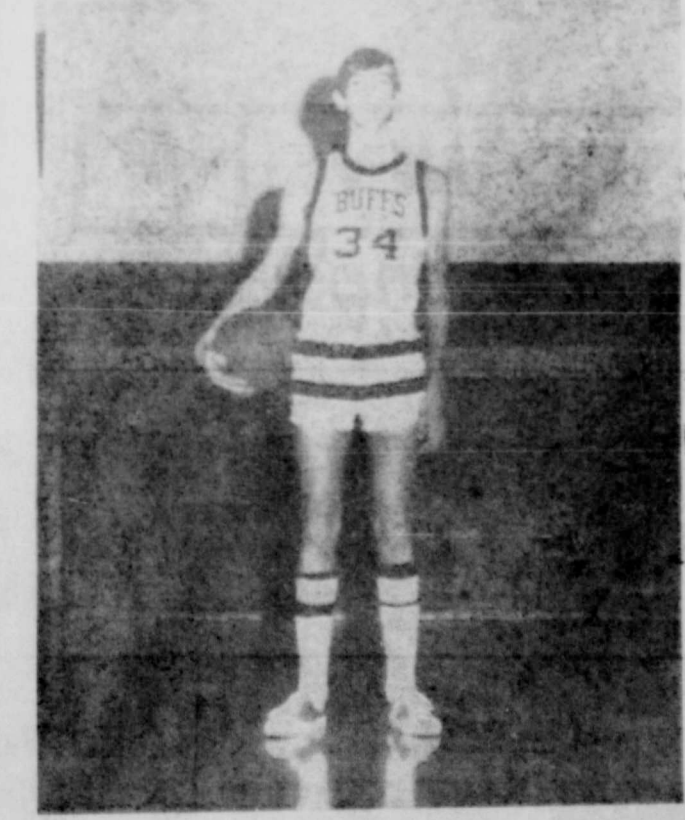

The main thing, or I should say, the only thing going on around here is Speech tournaments and the One-Act Play. On Wednesday, Feb. 21, the One-Act Play for district competition was finally decided on. The play is "The Madwoman of Chailot." The people in the play are: Karen Anderson, Randy Lambert, Debbie Lambert, Lisa Hopper, Mindy Haislip, Gordon Elland, and Karla Gregg. From this date till April 2, 1973, the date of the UIL One-Act Play contest, there will be lots and lots of work to do for all of these people. So, Good Luck! All f You! Break a Leg! (as they say in show biz???)

On Saturday, Feb. 24, the Speech students, along with Mrs. Mary Jane Dillard, attended the Stanford Speech Tournament. These people went: Karen Anderson, Darrell Christian, Steve Church, Liz Flanagan, Nancy Glynn, Karla Gregg, Dale Henson, Molly Hughes, Jackie Jones, Trina Shoemaker, Steve Webb, and Linda Woody. These people placed: Karen Anderson, third informative speaking; Karla Gregg, second girls' prose; Nancy Glynn, third girls' prose; Randy Lambert, third boys' prose; Molly Hughes, fifth girls' poetry; and Steve Webb, first boys' poetry.

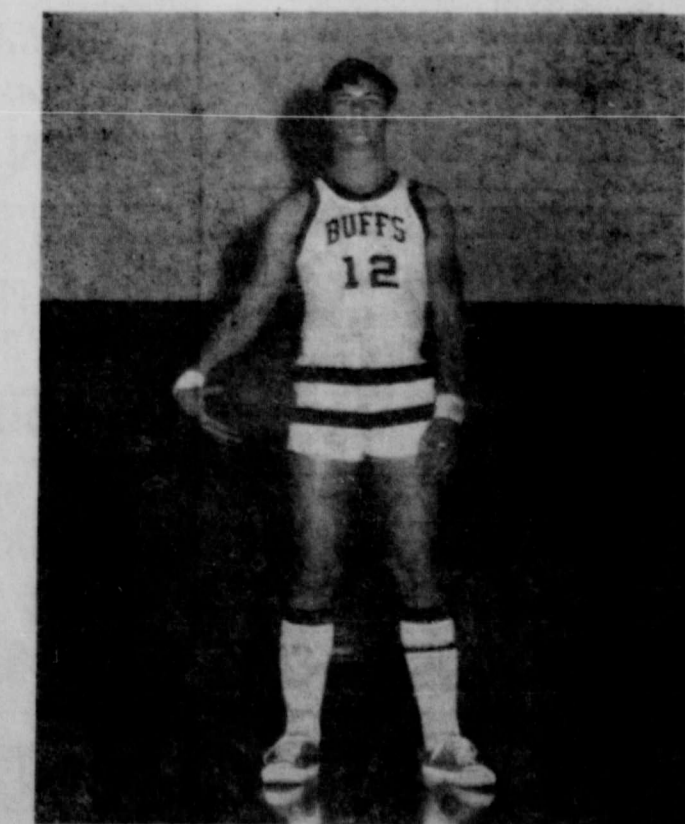

And that's about all there is this week, maybe things will pick up sooner or later!!! See y'all later!!! Bye.

## DRUG COLORING BOOK CONTEST

TWO COLORING BOOK CONTEST WINNERS — Maria Rodriguez, 4th grade and Gay O'Banion, 4th grade.

COLORING BOOK CONTEST WINNERS — Rhonda O'Banion, 2nd grade; Fabian Villa, 3rd grade; and Teresa Krause, 3rd grade.

The Drug Program in the Stanton schools that was sponsored by the Rho Xi Chapter of the Beta Sigma Phi came to a close with a coloring book contest. The books, supplied by the Midland Police Department were distributed to the Elementary students, kindergarten through the fourth grades. The children were asked to draw a picture of a well person and then to draw a picture of a person who had taken drugs.

The winners of the contest are as follows:

Kindergarten—Gary Montez.  
1st grade — Mrs. Woody's room — Rocky Barnes.  
1st grade — Mrs. Bryan's room—Joanie Hopkins.  
1st grade — Mrs. Springer's room—Diana Flores.  
1st grade—Mrs. Petree's room — Gracie Gomez.  
2nd grade—Mrs. Gray's room—Jacque Hall.  
2nd grade—Mrs. Holcomb—Donna Dickerson.  
2nd grade—Mrs. Harrell—Rhonda O'Banion.  
3rd grade — Mrs. Epley—Fabian Villa.  
3rd grade — Mrs. Payne—Teresa Krause.  
4th grade—Mrs. Lanford—Maria Rodriguez.  
4th grade—Mrs. Wright—Gay O'Banion.

COLORING BOOK CONTEST WINNERS—Gracie Gomez, 1st grade, Jacque Hall, 2nd grade; and Donna Dickerson, 2nd grade.

COLORING BOOK CONTEST WINNERS—Pictured left to right, Gary Montez, Kindergarten; Rocky Barnes, 1st grade; Joanie Hopkins, 1st; and Diana Flores, 1st grade

## Stanton H D Club News

The Stanton Home Demonstration Club met February 21st in the home of Beatrice Straub.

President, Gienna Mims presided over the business meeting and called the meeting to order with the members reciting the Club prayer.

Roll call was answered with "A Suggestion for Sewing with Polyester."

Mabel Atchison gave the treasurer's report. She also reported on the amount taken in at the County Barn.

It was decided each member would donate 12 dozen cookies to the State Hospital in Big Spring. Mabel Atchison will deliver them to the hospital on March 28th.

Our President, Gienna Mims was elected delegate and will go to Ozona on April 3.

A City Council report was

given by Crystal Webb.

Refreshments were served by the hostess, Beatrice Straub to Minnie Wells, Crystal Webb, Dorothy Miller, Pauline Graves, Mabel Atchison, Mrs. J. A. Wilson, Allie Anderson, Gienna Mims, Lucille Kennedy.

Our next meeting will be held on March 8th in the Reddy Room at 2 p.m.

## Grady H D Club News

Grady Home Demonstration Club met Feb. 22 in the home of Mrs. Jack Kuhlman with Mrs. Richard White as hostess.

The purpose of the meeting was to elect a nominee to go to the district meeting in Ozona, April 3. Mrs. O. D. Green was elected as nominee. A thank you note from the Big Spring State Hospital was also read thanking the club for the cookies which were brought to hospital Feb 14 by the club.

Victor Gene Hughes, Home Demonstration Agent for Martin County, gave the program on personal care.

Members present were: Mrs. O. D. Green, Mrs. M. L. Koonce, Mrs. Charles Mitchell, Mrs. Eddie Odom, Mrs. Delmar Hamm, Mrs. Myri Mitchell, Mrs. Jack Kuhlman, and hostess Mrs. Richard White.

## ...GUN FOES

Continued from P. 1

Richard L. Lyons in The Washington Post. Mikva is a national vice-chairman of Americans for Democratic Action, a liberal organization which favors abolishing private firearms ownership by Federal law.

In another key race, in western New York State, former Rep. McCarthy was unsuccessful in his attempt to unseat Rep. Henry P. Smith, III (36th Dist.). McCarthy as a member of the House of Representatives has a vociferous advocate of nationwide firearms registration and gun owner licensing, and even spoke at an antigun rally outside NRA Headquarters in 1968.

In the Presidential contest, Sen. George McGovern, who voted for the Bayh Bill and stated that "the strict control of handguns is another essential point in any effective control of street crime," carried only Massachusetts and the District of Columbia.
