NUMBER 49

Editor's Viewpoint

By Lon Williams

One thing you can say for July 29 in Waco. The board accepted the report and set the August 18 meeting so that the recommendations of the six-member Study Committee could be explained in detail to county leaders.

Following the Austin meeting, the county presidents are expected to take the proposals back to their home counties to be considered in the Farm Bureau's policy development process which begins on the county level. After consideration at county conventions in October, the counties' recommendations on the proposals will be submitted to the state convention which will be held in November in San Antonio. Voting delegates from county PBs adopt policies for the Texas Farm Bureau.

Melvin Bailey tells some of the most believable fish stories. Seems a tank he fishes contains some bass of extraordinary size. Melvin told of walking over the dam one morning recently just in time to see a bass tear the leg off a steer that had come down to water. Of course, being sharp like I am, I tend not to believe some things Mel tells me. But, of course, I know this story is like he sez, true. Yes. Yes.

Roy Magers received a 40-year attendance pin at Lions Club Tuesday night. Roy said he became a Lion at the age of two!

Remember that the Burk News and Star offers \$5 each week to the person reporting the best news event of the week. You don't have to write the story, just call and let us know its happening, we'll do the rest.

The Burk Burnett News and Star is available to take pictures of any event anytime - PROVIDED - enough advance notice is given that we might be able to plan ahead.

Be on the lookout for some GREAT new changes in the Burk Burnett newspaper in the next couple of weeks. Watch the pages of both papers for details.

At this time of year, my body seems to contract a variety of diseases: Football Fever; I still have a touch of Spring Fever (from Spring of '59); New Car Fever; Back to School Shivers; Bulldog and Dallas Cowboy Championship Fever. Since I came from a team that became famous for punting on first down, I rarely try to make football predictions. However, look out for the '69 Bulldogs! I'll mention the Dallas Cowboys after their next game.

The Burk Burnett Merchants will be staging a gigantic BACK TO SCHOOL sale offering everything from clothing to pencils and paper on sale in next Thursday's Burk Star. Remember . . . MONEY SPENT IN BURK BUILDS . . . BURK!

This is a two-way column. We shall accept letters to this Editor on any number of subjects if you have something on your mind, write to: Editor's Viewpoint, P. O. Box 906, Burk Burnett, Texas. Your letter will appear in the following weeks' paper.

Enrollment Record Is Seen

DRIVERS ARE REMINDED OF SCHOOL ZONES; CITY CURFEW

Chief of Police Buck Abbott today reminded all Burk drivers that with the beginning of school on August 26, drivers will

'69 OIL BOWL FRIDAY NIGHT

The stage has again been set for the annual meeting of the elite high school football players from Texas and Oklahoma. The 1969 Oil Bowl Classic, the 32nd Annual, will be played this Friday night at Midwestern Stadium in Wichita Falls, before another probable capacity crowd.

Tickets continue to be on sale for the Friday night tilt at the Holiday Inn, Downtown Wichita Falls. The Texas attack this year will be led by a 196 pound Alvin, Texas star, Gary Keithley, who was instrumental in leading the South to a 19-0 victory over the North in last week's coaches game. Keithley was voted the Texas Number One Blue Chip quarterback. He is bound for the University of Texas for his college career.

The Sooner's this year will come to Wichita Falls with an explosive offense. In the Sooner's all-star game, a total of 52 points were scored indicating the offensive might of the Oklahoma schoolboys this year. Oklahoma has added some up-front toughness with the addition of two Oklahoma City 200-plus pounders and Mike Struck, 200, from Clinton's Red Tornado team, that thrashed everyone in the state in romping to an undefeated season and the Class A State Championship in school-boy football.

The Grid Clash between these two states' officially signifies the beginning of many football wars. In Burk Burnett, this means sports fans backing the Bulldogs to the Cowboys get back into the swing of becoming arm-chair quarterbacks.

be expected to observe the School Zone speeds. "Drivers should slow to 15 m.p.h. in school zones" Abbott said "or we will be forced to remind them."

Chief Abbott told the Burk Star that radar will be used in the School Zone areas to assure the proper observance is being given by all drivers. "The importance of enforcing the School Zone speeds could easily mean the difference between safety and danger to the life of one of our children. We ask for the public's cooperation in this matter."

The Police Department will also be enforcing the City Curfew beginning the first day of school. The Curfew rule is: When there is school the next day, no school-aged child is allowed out at night without parent accompaniment from 11 p.m. to 4 a.m. When there is no school the next day the curfew runs from 12:30 a.m. to 4 a.m.

At Boot Camp

SR Michael Eugene Fore of Burk Burnett is expected home on leave late this month following boot camp training with the U.S. Navy at San Diego, Calif.

A former student of Burk Burnett High School, he is married to the former Debbie Yow. Fore is the son of Mr. and Mrs. Victor Fore of Burk Burnett.

108 Recorded

How Hot Can It Get? Wednesday's Thermometer rose to 108 degrees.

The sweltering weather shows slight signs of relief with only a few degrees less scheduled for the weekend. Fair and hot is the weather picture for Burk Burnett for the next couple of days. Hi's should range to around 105. Lo temperature of low to mid 70's expected at night.

PROBABLY THE BUSIEST MAN in town these days is I. C. Evans, Superintendent of the Burk Burnett Schools. Evans and his staff are preparing for the influx of almost 4,000 students this month, and are faced with usual problems of finding classroom space and financing. The school budget is \$1.7 million dollars for 1969-70. A public hearing on the budget will be held Tuesday night. (Burk Star Photo)

Fire Department Makes Two Runs

The Burk Burnett Fire Department was dispatched to the scene of a truck fire Tuesday night shortly before midnight. The truck stopped about 7 miles West of Burk on Highway 240 with an overheated engine. The driver, unidentified, reported that the truck burst into flames just as he shut the door to get out. The alarm sounded at 11:56 p.m. Wednesday afternoon about 2:11 p.m. two units of the Burk Burnett Fire Department were sent to a grass fire on the East Side of the expressway and South of Highway 70 in Oklahoma. No damage was reported.

BURKBURNETT SCHOOLS MAY REACH TO 4,000 THIS YEAR

"We'll be bursting at the seams" said a happy I. C. Evans, Superintendent of Burk Burnett Schools, in telling the Star about the probable record school enrollment for Burk Burnett schools for the 1969-70 school year.

"The pre-school census indicated 3,750 students, and with all the new residents and homes appearing during the summer, the total enrollment should be much higher than the census figure," he added.

The prospect of 4,000 students in Burk Public Schools this coming year is one that indicates steady growth and a bright future for the city of Burk Burnett.

A portion of the increase is due to the consolidation and addition of 144 students from Friberg-Cooper after the 1968-69 school year.

But a majority of the gain has been due to Burk's general upswing in homebuilding and attracting of new families.

Meanwhile, enrollment of students for the first grade and new students continues at a steady clip. Enrollment for A, B and Freshman Football and Basketball members will be held Friday, August 15 from

9:00 a.m. to noon. The Senior Class will begin registration Monday 9 a.m. to 3 p.m.

Another bright spot on the local education picture was the restoration of a proposed cut of federal financial aid to impacted areas.

The restoration was voted by the U.S. House of Representatives last week, and is now in the U.S. Senate for their approval.

Last year, federal aid to the Burk Burnett system was in excess of \$400,000.

Burk Merchants Set Special Sales

The values will be greatest and the prices the best as the Burk Burnett merchants will stage a big week-long BACK TO SCHOOL SUPER SALE.

In a meeting of the Retail Merchants Committee of the Burk Burnett Chamber of Commerce Monday, Committee Chairman Joe Gillespie, and the committee decided to feature SPECIAL items just in time for BACK TO SCHOOL.

Be watching next Thursday's BURKBURNETT STAR for the big BACK TO SCHOOL SAVINGS!

Pep Squad To Hear New Cheers

New yells and cheers for the Burk Burnett Bulldogs will be displayed at the football stadium Tuesday night.

That's when the varsity and junior varsity cheerleaders will show off what they learned during summer cheerleader schools.

The yells will be shown to members of the pep squad, all of whom are urged to attend.

Beginning time is 6:30 p.m., and the session will last as long as the girls voices hold out, they promised.

The show is not restricted to the pep squad, parents and all football boosters are invited.

YOUNGSTER RECOVERING

Frank Graham, Jr., 16, who was injured in a Friday Night shooting incident in Burk Burnett, is reported to be making satisfactory progress. The bullet, hit the boy in the side and imbedded in his hip.

No operation to remove the bullet has been performed by doctors yet. However, Graham's parents said they expect Frank will have to be operated on to remove the bullet some time soon.

Sharon Wooten, daughter of Mr. and Mrs. Reavis Wooten of this city, has returned home from a two weeks visit with her sister-in-law, Mrs. Norman Wooten, in Tulsa, Okla.

Burk Lions Award Night Held

The Burk Burnett Lion's Club paid special recognition to several outstanding members in the Tuesday evening weekly meeting at Town Hall this week. And members of the evening Lion's Club enjoyed a special program. Guest speaker for the evening was Mr. John I. Keen of Wichita Falls, President of the Wichita Falls Lion's Club, who introduced Yasunaga Nishihara, 18-year-old Japanese boy, who is visiting this country as part of the Lion's International Youth Exchange Program. Nishihara and 21-year-old Junko Iwasaku, are visiting the Wichita Falls area. Miss Iwasaku was

(See Pictures Page 7)

the guest of the Burk Lions last week and she performed a traditional Japanese dance for the club.

Nishihara, is from Iwama-cho, a small city on the island of Hokkaido, north of Tokyo. After speaking briefly to the Burk club, "Yasu" as he likes to be called, answered several questions by local Lions. He likes the Tokyo "Giants" baseball team; he doesn't care for American food; he loves the United States and desires to learn more of America.

Keen told of his trip to Lion's International Convention in Tokyo a couple of years ago. He

told of what he had seen and impressions of the Japanese city of 12-million.

Nishihara is the guest of Mr. and Mrs. Keen of Wichita Falls while on his stay in the vicinity of Texas.

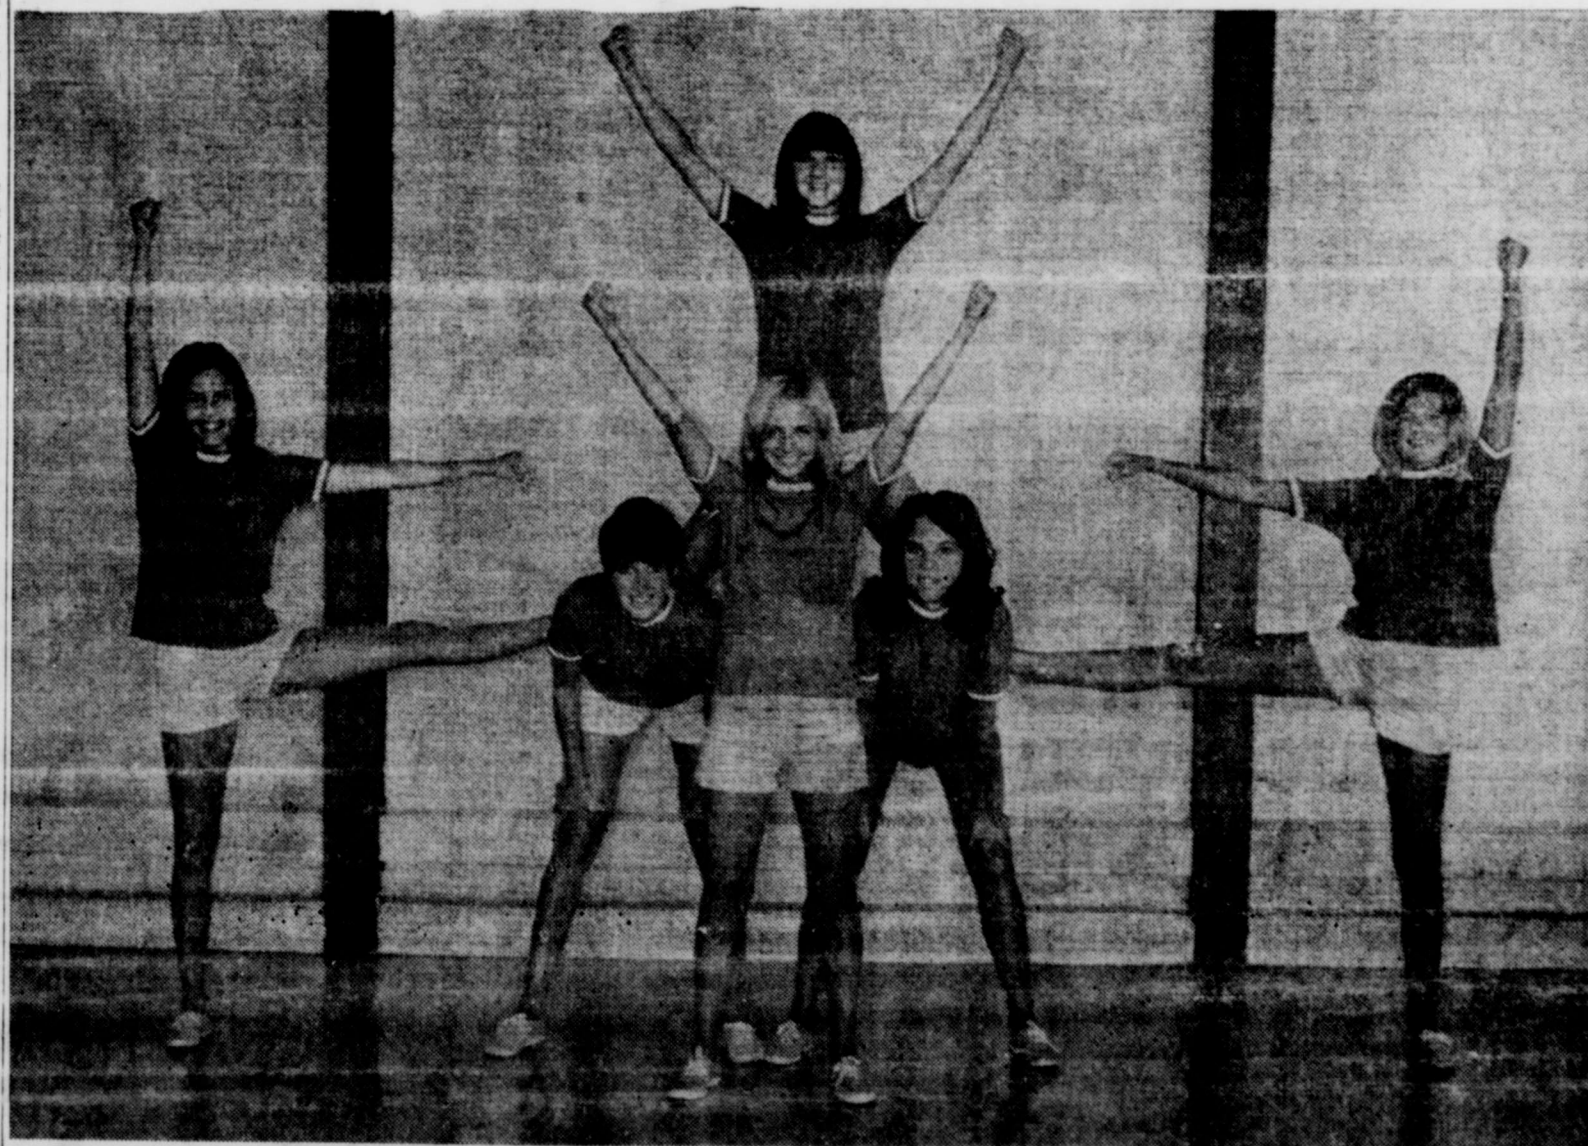

After the special program was concluded, Lion Club Secretary Don Youngblood, made the presentation of awards to deserving Lions Club members.

Several Lions were presented with one-year perfect attendance pins indicating they had been present for every Lion's Club meeting of the Burk Lions for the past year.

Special recognition awards in the form of 5-year Attendance Pins were then presented to: Jess Whatley and Clyde Conway. A 20-year attendance pin was awarded to C. M. Archer; a 25-year pin was awarded to W. W. Chambers and R. P. Thaxton, 35-year pin to W. W. Browning; and a 40-year attendance pin was given to Roy T. Magers of Burk Burnett.

Secretary Youngblood announced that a Zone Meeting of the Lions Club will be held in Burk Burnett sometime in September with special membership plans expected to be discussed.

John Flesher, Zone Chairman, will be the guest speaker at the next meeting of the Burk Burnett Evening Lions Club, Tuesday, 7 p.m.

ALL READY for the 1969 Burk Burnett football season to start is this group, the junior varsity team cheerleaders. Topping the heap is Brenda Bankhead, head cheerleader. Others are left to right, Rancy Robinson, sophomore; Pam Westcott, senior; Debbie Vincent, junior; Terrie Young, and Carolyn Farris, both sophomores. (Burk Star Photo)

DON'T BLAME THE FARMER

As everyone knows, the U.S. farmer is the most productive on earth. One farmer now produces enough to feed 45 persons as compared with 15 in 1948. The American farmer has increased his productivity through the use of new techniques, hybridization of plants and animals and other advances that are products of agricultural research.

Logically, people wonder why, if output per farmer has increased so dramatically, food prices are so high. The truth is, as Mr. Charles B. Shuman, president of the American Farm Bureau Federation, points out that the U. S. farmer, to achieve his efficiency, "... has had to increase his purchased inputs such as fertilizers, chemicals, machinery, and other equipment. These inputs make up more than half of the total resources that are used in farming and explain why farmers are so hard hit by spiraling inflation ..."

Food costs as a percentage of our disposable income have declined from 23 per cent in 1951 to 17 per cent in 1968. If anything, the farmer deserves a higher reward for his efforts than he has been receiving. Individually, his productivity has been rising in relation to his earnings, while of late, the productivity relative to wages of those in many other lines of activity has been declining.

Foundation For Blessings Enjoyed

We have reached the "I don't know where the summer went" season. Fall lies just around the corner. The unofficial demarcation line that most of us live by is Labor Day and the opening of school. The two come so closely together that Labor Day, which this year is on September 1, has become the traditional occasion for end-of-summer family outings.

Whether we realize it or not, we seem to have reached a millennium of sorts. How else can the endless stream of costly playthings—campers, boats, motors, scooters and pullman-size vehicles—that will take to the road this coming Labor Day be explained? As far as material possessions go, no people have ever enjoyed abundance on such a mass scale. Labor Day is a fitting time to recall that it has been the unique combination of American labor and American capital that has made this abundance possible. The objective of youngsters that will be returning to school on the heels of Labor Day should be to learn how to live with the good things of life that have come from the efforts of previous generations.

Perhaps in the classrooms greater attention should be given to matters of the spirit, respect for persons and property and obedience to the laws of the land. After all, these are the foundation of the blessings we enjoy today.

SEASON GRID TICKETS NOW ON SALE

Season tickets for 1969 Burkburnett Bulldog home football games are now on sale at the administration building.

The Bulldogs will play only four home games this season. Cost of the season tickets will be \$5.00.

Persons wishing to keep the same seats from prior years are asked to call and reserve these seats, or to come by the administration office on Glendale Avenue and pick them up.

Meanwhile, prices of general admission, single reserve and student tickets have been announced.

Student tickets, purchased before the game at the schools will be fifty cents, and seventy-five cents at the gate.

General admission adult tickets are \$1.50.

Single reserve seats are \$1.75. The Bulldogs open the home slate against the Duncan Demons on the night of September 19.

Persons wishing to keep the same seats from prior years are asked to call and reserve these seats, or to come by the administration office on Glendale Avenue and pick them up.

SENSING THE NEWS

By THURMAN SENSING
Southern States Industrial Council

THE ROAD TO SERFDOM

With war in Asia, strife in the Middle East and tension in Europe, the United States sometimes seems to be engulfed with problems and responsibilities. As the leader of the free world the U.S. is burdened almost beyond belief, and apparently there is no end to problems. Some of the most vexing problems have cropped up in the Western hemisphere in recent weeks and months.

Gov. Nelson Rockefeller's tour of Latin countries started a chain reaction of riots and demonstrations against the United States. Lands that long were considered "good neighbors" proved to be centers of bitterness towards North Americans. As disturbing as the angry outbursts were the actions of Peru and Chile in nationalizing U.S.-owned properties. These actions were all the more troubling because in the past Peru and Chile were generally stable and friendly. The nationalization hurts the United States and hurts the people of all Latin American countries.

Peru, a military regime with left-of-center views, expropriated large land holdings by both Peruvians and foreigners. Owners are supposed to be compensated for their lands, but when and in what amount they will be paid is highly questionable.

The Peruvian government, by seizing large land tracts and redistributing them, hopes to gain the loyalty of the Indian masses. "Agrarian reform" is a slogan beloved of all leftwing regimes, but it is a hollow phrase. Peru has been making economic progress in recent years as agriculture has been diversified, irrigation has been introduced, and modernization of farming methods has been employed. But the progress has resulted from the enterprise and investment of owners of large tracts.

Fragmenting the country's farmlands or putting them under politically-controlled collectives almost certainly will reduce farm production in Peru. The experience of farmers around the world is that small plots and state-run farm enterprises will not work.

Profitable farming requires investment, skilled direction, and incentive for owners. Thus Peru has taken a backward step in dividing large land holdings. A socialist dogma has been allowed to overcome economic realities.

In expropriating the land, the Peruvian government also has scared off U.S. and other foreign investors. If the Peruvians

will seize farm lands, it is likely that they will seize other properties as well. In these circumstances, capitalist investors have good cause for keeping their money out of Peru. Again, the people of Peru will be hurt by the shortsightedness of their left-leaning government.

In Chile, the U.S.-owned Anaconda Company has been forced to agree to so-called "negotiated nationalization" of its copper mines and facilities. Business writers have estimated that, in the process, Anaconda will lose access to mines that provide two-thirds of its earnings. The North American company apparently had no real choice in the matter of a sale. Either it agreed to terms offered, or more direct nationalization would have been decreed.

Again, Chileans as well as U.S. investors will be hurt by the takeover. The mining and marketing of copper is an extremely complex operation. Copper-producing countries face a highly competitive situation. Right now, copper prices are high because of defense uses. If the Vietnam war is ended, copper prices may sag, and the inexperienced Chilean management may find that it is unable to compete with the highly experienced companies that sell copper mined in Zambia, South Africa and other countries.

These South American nations are cutting their own throats. They are depriving their people of economic opportunities. The taxpayers of the United States are not going to pour endless funds into Latin nations in the form of giveaways. The only long-term hope for the Latins is for partnership arrangements with companies owned by U.S. investors.

By economic cooperation on the private enterprise level, Latins and North Americans can benefit together. But arrogant and wrong-headed forces in Latin America apparently are rejecting partnerships and doing everything they can to discourage free enterprise in the United States from investing in the southern part of the hemisphere. The Latins are in for a cruel awakening. They are cutting themselves off from the benefits that capitalism holds for their countries' future. They are moving down the socialist road, which is the road to economic serfdom in the modern world.

Moonbound Electricity

Project Apollo's fuel cell power plants, equipped with pure nickel electrodes, will provide from 500 to 2,000 watts of electricity for the spacecraft.

LETTER to the EDITOR

Hanford, Calif.
Aug. 7, 1969

Dear Lola:

Enclosed please find check for which please set us up for another year. As we anxiously look forward for each copy of our home town paper.

It is hot and dry here, but all irrigation ditches are running full stream.

We are both doing o.k. Hope you and all our friends in Burkburnett are o.k. Russell and his two boys are on a trailer travel trip through northern Colorado, Oregon, Washington, Utah, Arizona and Yellowstone Park then home. They expect to be gone most of August, just for vacation and rest.

We went to the community cannery and canned 53 No. 2 1/2 cans of peaches in about 2 hours. Will can tomatoes tomorrow. The total cost is what the fruit costs plus cost of cans. Peaches are \$1.50 for 40 to 50 pound field lug. Tomatoes \$1.00 per lug.

Well, sure was sorry to read about the deaths of both John and Harry, but guess that is the eventual end of all of us.

With best regards,
Ralph & Grace Brookshier

NOTICE

There will be a meeting of the Burkburnett High School Pep Club, August 19, 6:30 p.m., at the Bulldog Stadium.

Each girl who is planning to be a member of the Pep Club should be present. New officers for the 1969-70 school year will be elected, and new cheers will be shown by the cheerleaders.

Red Measles Shots Required

A new policy regarding immunizations for students has been announced by the Board of Education of the Burkburnett Independent School District.

The requirement for immunization of red measles has been recommended by the Texas State Health Department, and has been adopted by the Burkburnett schools.

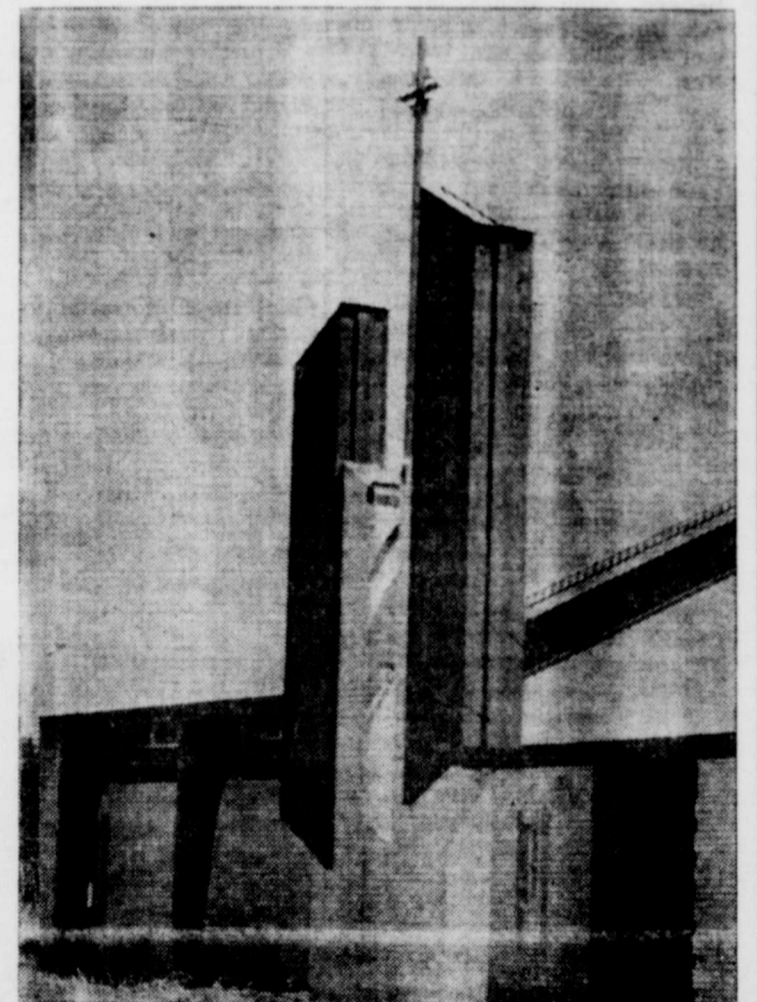

Supt. I. C. Evans of the Burkburnett Schools said it will be necessary that an immunization record, showing the date of red measles immunization or certification that a child has had red measles.

Children previously enrolled in Burkburnett schools, and who have been instructed that their enrollment was completed, are especially warned of this new requirement, Evans said.

World's Tallest

The tallest smoke stack in the world, towering 1,200 feet above grade at a power station in Cresap, W. Va., has its top 40 feet lined with 80,000 pounds of nickel stainless steel to provide corrosion resistance.

A DISTINCTIVE MARK OF PROGRESS

TV dinner? Any range will do.

But for the gourmet touch, you need a gas range!

A gas range offers the precise heat control and instant response good cooks demand. Instant on, instant off, and an infinite variety of heat selections in between... not just a few pre-set push-buttons. Plus a self-cleaning oven that ends scrubbing and scraping forever... for just pennies a cleaning!

Now. The gas self-cleaning oven. For people who like to cook. Period.

Farm Bureau's Head To Attend State Conference

Raymond Schroeder, president of the Wichita County Farm Bureau has announced that he will attend a statewide conference of county Farm Bureau presidents to be held August 18 at the Terrace Motor Hotel in Austin.

Purpose of the conference is to consider recommendations of a special Study Committee appointed earlier this year by Texas Farm Bureau President Sidney Dean to study the state organization's structure and operating procedure. The committee completed its work last month and made its report to the Texas Farm Bureau Board of Directors July 29 in Waco. The board accepted the report and set the August 18 meeting so that the recommendations of the six-member Study Committee could be explained in detail to county leaders.

Following the Austin meeting, the county presidents are expected to take the proposals back to their home counties to be considered in the Farm Bureau's policy development process which begins on the county level. After consideration at county conventions in October, the counties' recommendations on the proposals will be submitted to the state convention which will be held in November in San Antonio. Voting delegates from county FBs adopt policies for the Texas Farm Bureau.

Gordon Morrow, San Benito, Cameron County, is chairman of the special committee which was appointed by President Dean in April. Other members of the committee are Alton Adams, Ferris, Ellis County; Frank Daily, Grapeland, Houston County; Lawrence Hartman, Fredericksburg, Gillespie County; Everett Miller, Tulla, Swisher County; and John Huebner, Jr., Matagorda County. All are either presidents or past presidents of their county Farm Bureaus.

FOREIGN VISITORS at the Burk Burnett Rotary Club this week were this pair of medical administration students from Indonesia. They are Lt. Djarkakia and Capt. Soenarso. At left is W. D. Tarkington, who introduced the pair, standing is T. M. Cornelius, program chairman. (Burk Star Photo)

Indonesian Students Visit Rotary

Facts and information of Indonesia were given to the Burk Burnett Rotary Club Tuesday by a pair of students from that country.

Speaking was Captain Soenarso, a basic medical administration student.

The captain told of living conditions, spoke of the low average national income of \$82 a year, and also told of the economic progress being made in his native country.

Following his address, Soenarso and his fellow countryman, Lt. Rader Endang Djarkakia, answered questions. When asked what about America impressed them the most, they quickly answered, "Food."

The variety and amount of food in America was amazing, they said, and they are quickly becoming accustomed to fried chicken and other American delicacies.

Both students have been at Sheppard Air Force Base since July 2, and are due to complete their courses on August 18.

They were introduced by W. S. Tarkington, administrative supervisor at SAFB. T. M. Cornelius was in charge of the program.

Nicklas Graduates Banking School

Mr. Tom P. Nicklas, Vice President and Cashier, The Burk Burnett Bank, Burk Burnett, Tex., has been graduated from The Southwestern Graduate School of Banking. His graduate thesis is entitled, "Industrial Development of Burk Burnett and Wichita County."

Mr. Nicklas was among the 122 bankers from throughout the United States who participated in Commencement Exercises, Friday, August 8, in McFarlin Auditorium on the Southern Methodist University campus, Dallas, Tex. Dr. Willis Tate, President of the University, delivered the address as a climax to the seniors' final phase of a three-year course of study in the school.

JOHN POWELL, Manager

Temperatures Are Measured in Kilowatt-Hours, Too

The number of kilowatt-hours used in the home in any summer month and the size of the electric bill are good measures of just how hot the weather has been.

That's why nearly everybody has been using more kilowatt-hours this summer . . . because July, 1969, was the hottest month in this area in recent years, with temperatures of 100 degrees or higher day after day.

This was in sharp contrast especially with July temperatures in 1967

and 1968 when averages were among the lowest on record here.

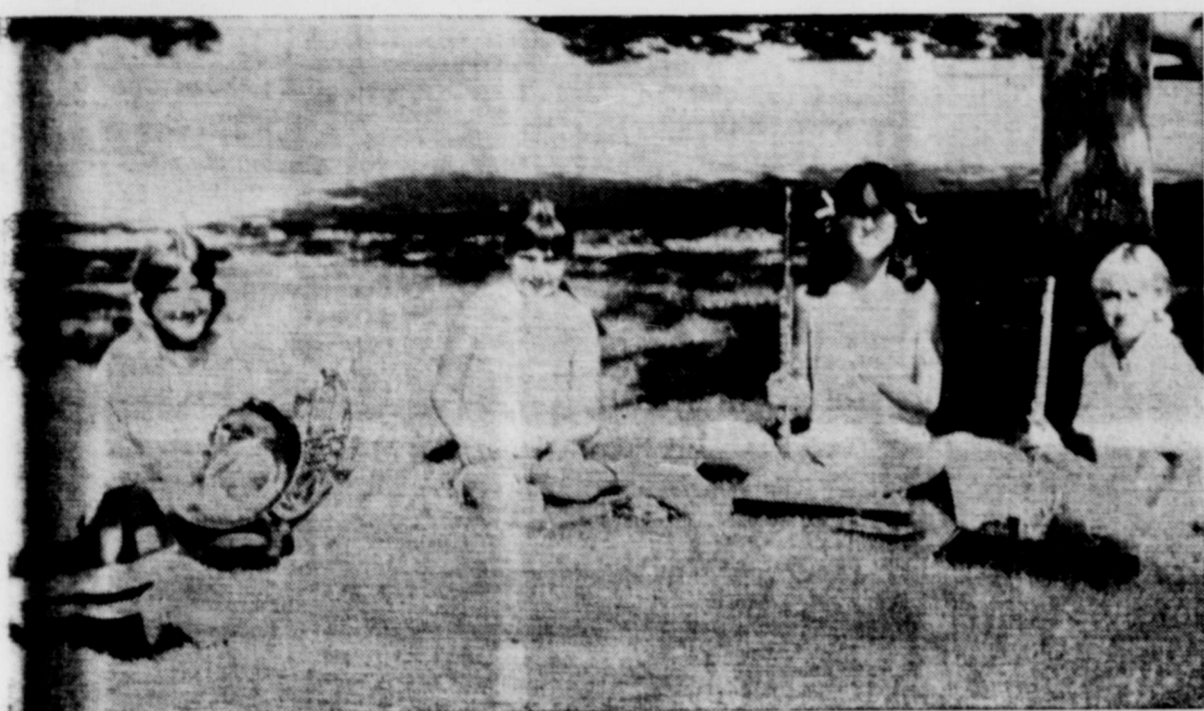

With electricity working harder for you, bills are higher, even though the folks we serve are buying kilowatt-hours of electricity for use in the home at lower average prices than ever before.

We are making every effort to see that your electric service will continue to be your biggest value in year-round living

BURK STUDENT ACTIVE IN H.S.U. STUDENT GOVERNMENT

Bill Roe, Jr. of Burkburnett, son of Mr. and Mrs. Thomas Roe, 412 Vaughn Street, has been elected the business manager of the Hardin-Simmons University Student Congress for the coming 1969-70 school year. Roe will be responsible for handling all financial matters in which the Student Congress is involved. Student government at Hardin-Simmons University has a significant role in school events.

The student congress will be responsible again this year for the All-School Picnic, the All-School Carnival, Rodeo Week, Parent's Day, the All-School Talent Show, Freshmen Orientation Week, and Coronation of the University Queen. In addition the Congress supervises the school elections. President of the H-SU Student Congress is 22-year-old Ralph Thornhill, senior, from Longmont, Colo.

LIBRARY CORNER

TEXAS READING CLUB members who have read the required 12 books will be presented with certificates at 10:00 a.m. Friday, August 15, at the Burkburnett Library. Refreshments will be served.

Non-fiction this week — **GHOST TOWNS OF THE AMERICAN WEST**, by Robert Silberger; **RANCH ON THE RUIDOSO**, by Wilbur, Coe; **SAM HOUSTON WITH THE CHEROKEES**, by Jack Gregory and Rennard Strickland; a revised edition of **SONGBIRDS IN YOUR GARDEN**, by John K. Terres — tells how, with little trouble and no cost, to attract and welcome songsters by the hundreds; **THE ANT REALM** — a close-up view of the amazing activities of these social insects — by Ross E. Hutchins; **ART**

TREASURES OF THE WORLD — 100 most precious masterpieces of all time in full color; **THE AMERICAN TRADITION IN THE ARTS** — with emphasis not on one art, but on the total American experience in the arts, some "fine" and some "popular," by Richard McLanathan.

As always, fiction varies in subject matter beginning with **THE SAINT AND THE FICTION MAKERS**, by Leslie Charteris; **STRONGHOLDS**, by L. M. Boston; **A MASS FOR THE DEAD**, by William Gibson; **CHILD'S PLAY**, by Kate Christine; **THE BLACKMAILERS**, an inner-sanctum mystery, by Henry Cecil; **LIVLIEST TOWN IN THE WEST** by Bill Gulik; and **Pearl Buck's new novel of china today, THE THREE DAUGHTERS OF MADAME LIANG.**

MONACA HUBBARD

JAN KLINKERMAN

Local Campers Win QMCC Honor

Burkburnett campers at Quartz Mountain Christian Camp received honors during sessions this summer.

Jan Klinkerman and Monaca Hubbard received awards as being the most outstanding campers of their sessions.

Gregg Swaim was selected second as the most outstanding camper in his sessions.

Paul Avrit of Burkburnett, a member of the board of directors of QMCC, said many of the young people of Burkburnett worked hard to make the camp a success again this year. Judy Klinkerman, Glenda Hatfield and Mark Bulla served as counselors. Cris Swaim and Jim Sims served as life guards.

The Quartz Mountain Christian Camp, located near Altus, is operated by the Church of Christ.

Burk Sparks Hold Recent Meeting

The Burkburnett Sparks held a meeting Monday, Aug. 11 in the Fire Station No. 2.

Plans for a chicken dinner with the firemen were made. This is tentatively set for August 22.

Practice session for the fire convention were set. This will be held in Seymour in September with Marcella Elliott as our team captain. The Sparks will enter: Two-woman hose hook-up, six-woman hose hook-up and water polo in the races.

Two of our members, Joyce Gill and Donna Allen are in the hospital.

Marcella Elliott served refreshments to: Betty Pruitt, Ruby Wooten, Pearl Draper, Katherine Patterson, Frances McCluskey, Lois Thornton, Tommy Thornton and Leslie Lawson.

HERE and THERE AROUND BURKBURNETT

Mr. and Mrs. Chris Morris and little granddaughter, Tonya Morris of Canton, Tex., visited his grandmother, Mrs. Lena Hinkle and Mrs. O. H. Burbee and other relatives and friends in

Burk this week. They also visited their aunts, Mrs. Kent Sadler and Mrs. Lovie Robb in Electra. Chris who is employed by the Texas Company has been transferred to Falfurrias, Tex., and will move there soon.

Mr. and Mrs. Lindley Vann visited in the home of his grandmother, Mrs. Bess Vann here this week. Last year he attended the University of Texas doing graduate work. They were now enroute to Ithaca, N.Y., where he will begin his work toward his Doctorate Degree, in Cornell University and his wife will teach in the public schools.

Dr. and Mrs. H. S. Butts Jr. and children, Nancy, Janette and Mike of Baton Rouge, La., visited his mother, Mrs. Gayle Butts and sister, Mrs. Wilma Landers and Linda several days last week.

Mr. and Mrs. Glen S. McCurley of Midland, Tex., visited her parents, Mr. and Mrs. B. H. Alexander Sr., and other relatives here over the weekend. Mrs. McCurley is the former Frances Alexander, and was reared and attended school in Burk.

Mrs. Florence Nichols entertained the following dinner guests Sunday — Mr. and Mrs. T. C. Gilbert and Mr. and Mrs. Allen Gilbert of Hollis, Okla.; Mr. and Mrs. Dodge Gilbert of Oklahoma City; Mr. and Mrs. Luther Urquhart, Mrs. Mabel Urquhart and Johnny Drinkhart, all of Amarillo; and Mr. and Mrs. Lawrence H. Gilbert and Mrs. Anthony (Sherril) Johnson and baby of this city. The day was spent visiting.

Mrs. Troy Miller is in the Wichita General Hospital where she is receiving tests and treatment.

Mr. and Mrs. Charles J. Minick of Fairland, Okla., visited a couple of days here with his brother and wife, Mr. and Mrs. W. A. Minick. They were former residents of this community.

Mr. and Mrs. Bud Kennedy of Arlington, Tex., proudly announce the birth of a son, Scott Chandler, born Monday, Aug. 11 in a Fort Worth hospital. Paternal grandparents are Mr. and Mrs. Harold T. Kennedy of Burkburnett.

Thompson Named Assistant At Area Community Action Agency

Angus Thompson, Staff Editor at Region IX Education Service Center will become the Assistant Director of Community Action Agency, in Wichita Falls September 1st. His resignation at Region IX Education Service Center becomes effective Aug. 29th.

The Community Action Agency is Archer, Clay and Wichita Counties Arm of Anti Poverty War. Thompson, 30, will assist the Director, Cassius M. McCreddie, in administering the Agency. He will be directly responsible for personnel supervision, and coordination of projects that are designed to help people in poverty areas help themselves.

Thompson, previously served under Community Action Agencies and Neighborhood group two's; Board of Directors. He is now on the board of Wichita Falls Community Relations Committee, the Senior Citizens recreation committee, Block Partnership program, Eastside Political Association, and the Wichita Mental Health Association. In accepting his appointment, Thompson said, Even though I

deeply regret leaving the wonderful people of Region IX, I am overjoyed at having an opportunity to administer some of the policies that I advocated as a member of the Community Action Agencies board.

Thompson served in the U.S. Navy from 1961 to 1965.

He is the son of Jessie J. Thompson and Catherine J. Maloney, both of Wichita Falls. Thompson and his wife the former Shirley Houston of Lufkin, Tex., have three children. They reside at 310 Walnut St., in Wichita Falls.

Musical "Cabaret" To Close Out Dallas Summer Musical Season

The award-winning musical, "Cabaret," will open its national tour in Dallas as the final show of the Dallas Summer Musicals season, Aug. 19 to 31. The Harold Prince production has played well over 1000 performances in New York, where it won

eight separate Tony Awards, the New York Drama Critics Circle Award and the Outer Critics Circle Award. A London company was given London Evening Standard's Best Musical Award, and an earlier national company toured extensively throughout the U.S. and Canada last spring.

Tennis Tourney Deadline Friday

Friday is the deadline for entering the Burkburnett Tennis Tournament, tennis players were warned today.

Registrations are being accepted in several Burkburnett stores and firms, for the tournament which will get underway Monday.

Tournament directors are Spunk Jones and Mrs. Beth Largin.

Entry blanks are available at Preston Dairy, Preston Food Store, Burkburnett Bank, First National Bank, White's Auto Store, Corner Drug Store, Texas Electric Company and at the Burkburnett City Hall.

Events will be held for boys and girls up to the age of 18, and to adults age 19 and over.

The adult events will include ladies singles, men's singles, and mixed doubles.

Another event, for persons age 50 and over, will be set up if enough players are interested.

First and second place trophies will be awarded in each event.

The events include: Boys 15 and under, singles and doubles.

Girls 15 and under, singles and doubles.

Boys 18 and under, singles and doubles.

Girls 18 and under, singles and doubles.

Adults — 19 and over, ladies singles and men's singles. Mixed doubles.

JACK PACE

Jack Pace, son of Mrs. Beatrice Pace of Burkburnett, is home on 30-day leave following his return from Vietnam. Pace returned to the states in June, and reported to Fort Hood for treatment of shrapnel wounds received in action on February 24. Following his leave, Pace will report to Fort Sill on August 20. He has been in the service about two years and four months, and is a former student of Burkburnett High School.

Tough Connection

The liquid-oxygen dome in each of the five F-1 engines used to power the first stage of the Apollo spacecraft is also the point where each engine's 1.5 million pounds of thrust meet the 6 million pound weight of the rocket-spacecraft. Each dome is fabricated of a nickel-base alloy called X-750.

Wichita Falls will be installed as Lt. Governor for Zone A which includes Optimist Clubs in Gainesville, Wichita Falls, Vernon and Burkburnett. Installing Officer will be Gene Sternberg, President of Optimist International.

Ken Blankenship, will be installed as District Public Relations Chairman for the District. Other local officers to be installed with Hampton in September included, Charles Horsley, Vice President and Joe Viattene, Secretary-Treasurer.

The local club meets each Thursday evening at 7:30 p.m. at Ruth's Coffee Shop. President Larson stated the club had contributed over \$500 to the Youth Center during the past year, sponsored a Midget Baseball team and sponsored many other youth programs as well as civic projects.

MAKING LIFE EASIER

Here's An Idea ...

by Barbara Bee

Women's Home Consultant
Bruner division of Calgon Corporation

If it took you all summer to slim down to a comfortable "at the pool" figure, plan this year to keep in shape all year long. Start a fall program of keeping away those excess inches that seem to accumulate during the winter. Continue to take walks (not rides) to the grocery store. Put on an extra sweater and keep up the bike trips to see the leaves change into a lovely new season.

Work off special meals by swimming at indoor pools at local Ys or health centers. Not only won't you have to crash diet next summer, but you will maintain a trimmer and healthier all-around look.

If you have ever had the problem of removing the first piece of brownies or sheet cake after baking, line one edge of the pan with a strip of aluminum foil leaving a little extra to hang out as a tab. Lifts out

in seconds!

Would you like to save 100 or more hours of housework a year? (You're right, it is a silly question.) Well, you can save just that and use less soaps and detergents. The secret is conditioned water. It leaves clothes and dishes cleaner with less soap and leaves no soapy film or water spots. Think of it—no awful bathtub ring! Now that alone is surely worth it!

Removing chewing gum from clothing is no longer a sticky problem. One of our readers suggests freezing the gum with an ice cube and then crumbling the gum away. For small clothing articles, just put it into your freezer compartment for a half hour and then break the gum away.

The TIE that binds

A true love for our Lord and Saviour binds our hearts in Christian love.

This love encourages us to put our energies and efforts together to serve our Lord at home, at work, and at Church.

A truly wonderful fellowship exists for those who believe and worship together. Attend Church and worship with kindred minds.

"That I may come unto you with joy by the will of God, and may with you be refreshed."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

40 YEARS OF LIONISM—Roy Magers receives a special 40-year attendance Award from Club Secretary Rev. Don Youngblood in Tuesday night ceremony.

A LOTTA MEETINGS — These Burk Lions represent 145 years of attendance. Left to right are Jess Whatley and Clyde Conway, 5 years; C. M. Archer, 20 years, Roy Magers, 40 years; and Frank Kelley, a Charter member of the Burk Lions Club.

CLYDE CONWAY, local Lion Vice-President with Tuesday night guests: 18-year-old Yasunaga Nishihara, from Japan; and Wichita Falls Lions President John I. Keen.

NEWS TIP AWARDS OFFERED

The Burkburnett News and Star, dedicated to reporting all the news and happenings in the Boomtown area, began offering \$5.00 per week to the person alerting us of the top news story for that week.

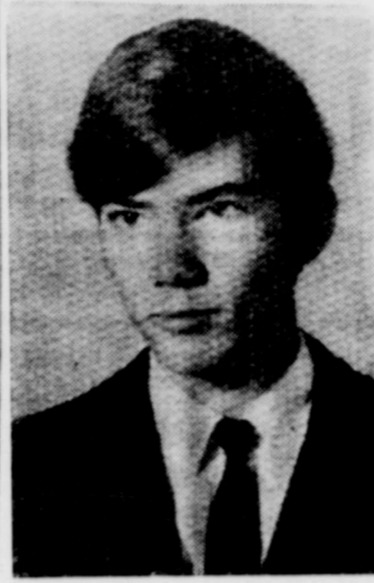

Judging will be by the EDITOR AND STAFF of the Star and News and decision of these judges will be final. The story may be phoned in to the News and Star at 569-2191. Just tell us what the story is about. You need not write or prepare it.

The story you call in need not be a major one. It could be a

wedding anniversary; out of town visitors or kinfolks; reunions; club, church, or school meetings, or a newcomer to the city of Burk, or anything that involves people.

The Burkburnett News and Star are ready to shoot a news picture at all times. And remember, there is NO CHARGE for wedding pictures and stories or any news item (unless commercial) in the Burkburnett News and the Burkburnett Star.

Call us when you know of news events. 569-2191.

WILLIAM H. BEEMAN

William H. Beeman of Burkburnett has arrived in Vietnam for service with the U.S. Navy. Young Beeman a 1968 graduate of Burkburnett High School, is a helicopter gunner. He is the son of Mr. and Mrs. Roy J. Beeman of Burkburnett.

Booster Club Sets First Meeting

The Burkburnett Booster Club has planned the first meeting of the year for August 25 in the

Community Room of the First National Bank.

Blood Donations Earn Merit Award

Rev. Roy Oakley of Burkburnett has been cited for contributing eight gallons of blood to 64 seriously ill patients in area hospitals.

Oakley was recently recognized by an area newspaper for his contribution with an award of merit.

Oakley is one of the few persons nationwide to give blood so generously.

In addition, he has recruited more than 500 donors.

Oakley is an army veteran, and has served in the Texas National Guard and the Air Force Reserve.

He and his wife, Marie, and their three children live at 1118 Bishop Road.

The Vintner's Friend

Nickel stainless steel, because it is easy to clean and resists corrosion, is favored for equipment used in crushing and fermenting grapes during wine-making. To protect the product's flavor, huge stainless tanks are also used to store wine after it has been aged in wooden tanks and casks.

Community Room of the First National Bank.

Booster Club President Rudy Robinson reported that the first meeting will be mostly an organizational meeting with discussion of planned events this year for fund raising and generally backing the Sports Program of Burkburnett schools. Coach Bill Froman will probably discuss the Bulldog scrimmages and briefly discuss the 69 Bulldog football prospects.

Nobody has come right out and said it yet . . . but there is a rather funny looking twinkle in the eye of Froman, Robinson, School principals, arm-chair quarterbacks around Burk.

"The year of the Bulldogs" quiet murmurs says . . . and in the next few weeks will build to an emotion packed first game season opener.

Robinson, Booster President, told the STAR "keep your eye on the 1969 Bulldogs . . . this could be the year. We look for an excellent year in all Burk sporting events . . ."

The Burkburnett Booster Club is an organization made up of sports-minded individuals who are interested in all phases of sports for Burkburnett schools. The club does not engage in or try to engage in coaching, or attempting to coach. The Booster Club is just that — a club dedicated to boosting young athletes to their greatest heights. You are invited to attend. "Be prepared to get excited" in sports this year as Burk prospects look gooooooooooooo!

Fire Department Fights Grass Fire

One unit of the Burkburnett Fire Department was dispatched to a minor grass fire Monday evening about 8 p.m. The fire broke out at the end of West College. Firemen quickly extinguished the blaze with no damage reported.
