

Along The Waterfront

The cool norther and windy weather has been very good for the duck and goose hunters, but the water was pretty rough for fishing for a few days, but is better again.

Arna Marckwartz of San Antonio, fished with Jack Lawler out at Mills Wharf last Friday, catching 20 redfish and 24 trout. Some boats went out from the Wharf Saturday, but a record of their catches was not kept, although they each had a nice string of fish. On Sunday, Lee Gollbart, fishing with Jack Lawler, got 70 trout and rat reds. On Monday, E. L. Kelly and party from Refugio, fishing out from Goose Island, landed 23 rat reds, several of them weighing 2 and 3 pounds each. There are lots of hunting parties going out from the Wharf, with nearly everyone of the hunters coming in with their limit of ducks. There were 29 hunters out Saturday, and most of them got their limit of ducks and four geese were brought in. The sixteen hunters out Sunday got their limits and there was a good crowd out Monday who shot plenty ducks. Only five went hunting from the Wharf Tuesday, but each of them bagged his limit of ducks.

Bill and Harry Gilgore went fishing from Floyd's Boat and Sales Company Monday and caught 36 nice reds. They dressed the fish and gave a fish fry Tuesday night.

Mr. Showalter and party from the Studebaker plant in Dallas, fished with Hugh Morrison on the Rambler Friday, catching 87 good sized trout.

Perry Jones Wharf reports the water rough and muddy since the norther blew in, but fishing generally has been good out there.

The Jolly Roger report is similar to the Perry Jones' report—fair fishing, but very muddy water, however, one party caught a nice string of rat reds there while the north wind was blowing Tuesday.

Some very nice redfish are being caught at Johnson's Bait Stand, several of them weighing as much as 9 pounds. Some flounder are taken there and nearly everyone can get a few trout. Mr. Johnson says that though the weather is bad and the water rough, the fish are still hungry.

Last Thursday, Mr. and Mrs. Walker Cassidy from Oklahoma City, and Mr. and Mrs. Shorty Townsend and Alvin Lynn caught 60 trout and redfish. Tuesday, Mr. and Mrs. Townsend went fishing, and came in with 27 large rat reds and trout. Shorty took out a party from San Antonio Sunday, who got 70 nice trout, but on Monday, Lewis Lane and Frank Turner of Houston, tried fishing in the rough water and only landed 17 fish, but they were nice ones.

Mrs. Joe Slocum joined the Perch Club out at the yacht basin several days ago. Mrs. Slocum says that the basin does not have a bottom.

Scouts Visit Corpus Christi

Members of the Girl Scout Intermediate Troop No. 1 and members of the Boy Scout troop who won in recent contests, went to Corpus Christi last Saturday morning and carried a picnic lunch which was spread at Cole Park.

After lunch they were conducted through the Corpus Christi Caller-Times building by Mrs. Katherine Holmes.

The group then made a trip through the new Borden plant and saw Elsie and Beauregard, the Borden cow and calf. They were served ice cream and chocolate milk.

Mrs. Floyd Huffman, Mrs. Jir Barber, Miss Gena Demory, Miss Judith Spoon and Mr. and Mrs. Ceylon Ammons accompanied the following scouts: Clydene Armstrong, Joyce Ann Barber, Skeeter Everitt, Joyce Ann Briggs, Doris Jean Huffman, Myra Ingersoll, Beverly Sue Matern, Marily Morrison, Elizabeth Morris, Richard Ammons, Hank Schleider, and Raymond Mikeal.

NEW SIDEWALKS AT ROCKPORT SCHOOL

New sidewalks are under construction this week on the Rockport school campus from the elementary school building to the gymnasium and from the high school building to the gym.

A fence is being built south of the Rockport elementary school building in order to keep all cars off the school campus. A service entrance will be shelled past the tennis court.

There were five new pupils enter the Rockport elementary school last week. They are James Reeves, Jerrelle Reeves, Willa Dean Reeves, Augustin Yrlas and Glen Lewis.

The Fulton P-TA has a committee checking the eyes of the pupils and giving booster shots to those in the Fulton school this week.

Rockport Electric To Move Soon

The Rockport Electric Co. is remodeling the store building which they purchased on Austin Street and hope to be able to move in about Dec. 6.

The plate glass front will be set back from the sidewalk and will be of modern design.

This building was formerly occupied by Jeffries Auto Supply. Watch for their opening ad.

REBEKAH LODGE HAS REGULAR MEETING

The Rebekah Lodge had their regular meeting Tuesday night with Gladys Mullan in the Noble Grand station.

After the usual business was transacted and officers were nominated for next term, the members enjoyed a covered dish supper, honoring those who had birthdays this month.

PIRATE LETTERMEN ANNOUNCED FOR '52

The announcement of 1952 Pirate football lettermen was made Monday afternoon. There were 18 players and two managers named as letter winners. Sparks, Garrett, Lassiter, and Silberstein led the list, this being their third year to letter. Bateman, Charles Smith, Huffman, Keith Nelson, Barber, Hayden, Harry Mills, James Russell, and Bobby Bracht earned their second letter.

These boys, having played at least half of the 36 quarters, earned their first letter: Diffee, Kenneth Nelson, Clinton, Ingersoll, and G. L. Smyth. John Slocum and Roy Bertram were lettered as managers.

Twelve of these boys will graduate at the end of this school year. The boys earned their letters by completing one of the roughest schedules ever played by a Pirate eleven. Of the foes met this season, four have been crowned district champions, and two have been runners up in their districts.

Rotary Club Has Three 100% Meetings In Oct.

The Rockport Rotary Club met at the Methodist annex Wednesday noon for their regular weekly luncheon meeting with the president, Travis Bailey, presiding.

Guests present were Mrs. Mary Juergens, Rockport; Alex McDonald, Lubbock; Curtis Utz, Tribune, Kan.; J. S. Herman, Baton Rouge, La.; and R. M. Nelson, Maud, Okla.

President Bailey announced that Thornton Tracker, district governor, from McAllen, will make his official visit to the Rockport Rotary Club on Jan. 7. There will be a district meeting in Brownsville on Jan. 1 and 2.

The Rockport club reported three 100 per cent meetings during October.

There was a round table discussion on different service activities of Rotary.

Fulton P-TA Will Meet Wednesday

The Fulton Parent-Teacher Association will have their monthly meeting in the school auditorium Wednesday, Dec. 3, at 4 p. m.

This is the Christmas program which will be presented by the first and second grades with Miss Helen McLennon as sponsor.

The meeting will be opened with prayer by Mrs. E. G. Cooke. Rev. Calvin Peterson, pastor of the Methodist Church, will give a talk on "Lead Kindly Light."

Bioscope Ordered For High School

E. G. Brooks, science teacher, reports that the school trustees have ordered a bioscope (a specimen projecting machine), with which all specimens can be projected to a twelve foot circle on a wall at an eight foot distance. Specimens of all kinds, plant or animal can be studied in colors.

The science classes will make a field trip to the United Carbon Co. plant on Highway 35, south of Rockport, and the Reynolds Aluminum plant at Ingleside and possibly they will visit the Dupont plant at Victoria.

TEEN-AGER EXPRESSES WHAT HE THINKS IS DESIRE OF ARANSAS COUNTY YOUNG PEOPLE

The following letter addressed to The Pilot, was received in the mail last week. We believe this young person has expressed an opinion not only for the youth of the community, but for everyone.

The letter follows:
Dear Editor:

I am aiming this letter to the parents of high school kids. I think it is about time they tried doing something standing up instead of sitting down. You hear grownups telling us that we are the voters of tomorrow; that we make up the democracy of the future. They are always telling us what to do but never how to do it. It is just like a person praying before they go to bed telling the Lord they will do what He wants them to do, then they climb in bed and go to sleep. They forget all about it until they get ready to go to bed the next night, and they pray the same prayer.

Sure, you say "We try to give you something but you just won't co-operate." We have a "canteen" every week, but it isn't well attended. Why? Simply because we think it will be boring. The girls sit on one side and the boys on

the other. If maybe more grownups would take interest and take time to plan for a "big time," the young people would get more interested. No, we are not leaving it all up to you! After it once gets started, then we can cooperate more and take a lot of the load from your shoulders.

I think we need a few organizations! Why not start a "Y Teens"? I know it is fun because I have belonged to one before. When things go "dull" in town we can always plan some kind of recreation. Speaking of recreation, why don't we have a recreation building with all kinds of sports provided for in it? You say it wouldn't be appreciated? Just try it and see! If you want a fountain drink, where are you going to get it? Run all the way over to Aransas Pass to get it?

Can you blame the kids for going out of town looking for excitement? Can you blame them for driving up and down the main street all day and night? I know some of you will say "We didn't have as many privileges as you do, when we were your age." No, I guess not. Half of you didn't even have a car. You didn't know what it was to run down and "grab a Coke." Things were slower then. Don't you think the world has progressed since then?

I know this letter will probably bring in a lot of complaints. I didn't mean to say this much, but I thought I might as well say it as to think it. I guess I am a writer and don't know it!
Thanks for the space in this paper.

A TEEN-AGER

Mr. and Mrs. T. H. Ratliff and family spent the weekend at Lackland Air Force Base, guests of their son, Sgt. John Albert Ratliff, Mrs. Ratliff and Sheryl Dawn.

Mr. and Mrs. C. P. Jordan Jr. of Beaumont, were weekend guests of Mr. and Mrs. J. T. Slocum.

TAME OATS—Sally Ann Dunn, 5, at left, and her sister Deanna, 9, run oats through their fingers in their father's barn near Moses Lake, Wash. The oat harvest is a true certified oat seed which will market in the spring for about \$1.10 per bushel. It was grown by their parent, Donald Dunn, who won the farm last May in a national V.F.W. contest. Valued at nearly \$75,000, the farm was graded, planted, and the house built in one day through the help of Moses Lake merchants and contractors.

CARD-LUNCHEON VERY ENJOYABLE

The Woman's Club sponsored a bridge and canasta luncheon at their club building Tuesday afternoon.

There were 72 present, twelve tables of bridge and six of canasta. Mrs. Haywood of Ingleside, won high score in bridge; high in canasta was won by Mrs. Travis Bailey, and Mrs. J. R. Burnett received the bingo prize.

The appointments for the luncheon, served buffet style, were beautiful. An arrangement of flowers of different shades of pink and brown was placed on the table, which was covered with a cloth of pink and brown, setting off the crystal, china and silver services. The gift table held a unique arrangement of flowers in a conch-shaped basket.

Mr. and Mrs. Bennie Mikulin of Houston, visited last weekend with their aunt, Mrs. Louise Juergens.

Mr. and Mrs. Glen Mills and sons Billy and Bobby of Goliad, visited relatives in Rockport, Thanksgiving.

Humble Will Broadcast Final Football Games

The final Southwest Conference games of the season will be broadcast to radio listeners throughout the state by Humble Oil & Refining Co. on its statewide networks this week.

Humble will broadcast the traditional University of Texas-Texas A&M football rivalry at Austin on Thursday, Thanksgiving day. In addition both games scheduled for Saturday play will be broadcast. S.M.U. versus T.C.U. at Dallas, and Baylor versus Rice at Waco.

The Texas U.-A&M tussel will be on the air starting at 1:50 p.m. Thursday.

Both weekend games are scheduled for airing Saturday at 1:50 p.m.

Kern Tips and Alec Chesser will team up again to present the play-by-play of the S.M.U.-T.C.U. battle in the Cotton Bowl at Dallas on a net work of stations including WOAI, San Antonio, and KRIS, Corpus Christi.

Humble announcers Ves Box and John Ferguson will air a description of the Baylor-Rice contest in Baylor Stadium at Waco for listeners to stations KABC, San Antonio and KWBU, Corpus Christi.

MITCHEL AMMONS HONORED ON 14th BIRTHDAY

Mr. and Mrs. Ceylon Ammons honored their son, Mitchel on his 14th birthday, Friday, Nov. 21, with a game party at the Scout Hut.

Bunco was enjoyed the first part of the evening, then Mitchel opened his gifts.

The large pink and green birthday cake had "Happy Birthday, Mitchel" embossed on it, and displayed 14 candles.

Mrs. Ammons assisted by her mother, Mrs. Oscar Smith, served cake, sandwiches and Coke to the group.

The latter part of the evening was spent in dancing.

Those present were: Mitchel Ammons, Clydene Armstrong, H. J. Keller, Sue James, Doris Jean Huffman, Nancy Sue Sparks, Margie Edler, Joyce Ann Barber, Barbara Warden, Mary Evelyn Mundine, Donald Henderson, Alan Thomas, Jo Helen May, Jimmy Garrett, Billy Don Edler, Elizabeth Morris, Skeeter Everitt, Betty Young, Jeanie Mullinax, Eddie Morrison, Jimmy Mills, Marilyn Morrison, Myra Ingersoll, Beverly Sue Matern, Hazel Mitchell, Wayne Shults, Wayne Fraser, Mr. and Mrs. Oscar Smith and Mr. and Mrs. Ammons.

Refugio City Court Approved By Civic and Service Groups

Refugio civic and service groups representatives gave virtually unanimous approval, Thursday night, to the proposal for the establishment of a city court, expressing the belief that the problems of sanitation and traffic had become too great for the county officials alone to handle.

Dr. H. A. Miller pointed out that the high incidence rate of polio alone made an enforcement body such as a city court necessary.

Mrs. E. J. Snyder of Selma, Ala., is visiting her parents, Mr. and Mrs. J. W. Wilkinson and other relatives. Lieutenant Snyder will join her the first part of December for a months vacation.

THE FIRST NATIONAL BANK OF ROCKPORT PRESENTS INTERESTING FACTS ABOUT TEXAS

TEXAS RANGERS

The Texas Rangers have played an effective, valiant and honorable role throughout the early years of conflict within its borders. Stephen F. Austin employed them as early as 1823 to protect frontier colonies against the Indians. Each Ranger provides himself with a good horse, a rifle and a brace of pistols. One of the most celebrated exploits came in 1871, with the killing of Sam Bass and his robber band at Round Rock. The Texas Rangers of today are charged with the enforcement of laws governing major crimes.

FROM MOUTH TO HAND—Attention of the congregation is seemingly riveted on the man's hands, at right. The speaker is ignored. No discourtesy is meant, however, as the people sitting in this church in Paisley, Scotland, are deaf, hence cannot hear the spoken sermon. They have been brought to this church to "see" a translation of the Rev. J. G. Haldane's sermon eloquently gestured by Mark Frame at right. The church is built in the Institute for the Deaf and Dumb, has two pulpits. The one on the left is for the voiced minister, one on the right for his interpreter.

METHODIST W.S.C.S. MET AT ANNEX

The W.S.C.S. of the Methodist Church met in the annex Thursday afternoon for their regular monthly social meeting. Mrs. J. R. DeForrest led the program. She was assisted by Mrs. I. E. Allemang, Mrs. C. O. Lowery, Mrs. J. J. Stephens, Mrs. E. G. Cooke, Mrs. B. W. Hamblin, Mrs. A. C. Glass, and Mrs. Curtis Har-rist.

Following the program, the president, Mrs. J. R. DeForest, presided over a short business session. Mrs. DeForest was elected to represent the Methodist Church at the Council of Church Women next year. The hostesses, Mrs. H. E. Wilson and Mrs. H. D. Wilson served cake with whipped cream and coffee to 19 members and two visitors. The W.S.C.S. will not meet next week because of Thanksgiving, but will have a business meeting the first Thursday in December.

The W.S.C.S. Christmas social will be held on Dec. 11 at the church. This will be a night meeting so that all members may attend. The material for the choir vestments has been received and the ladies hope to have them finished for the Christmas services.

TOMMY SHULTS HONORED

Mr. and Mrs. Tom Shults and Mr. and Mrs. Robert Landrum honored Tommy Shults on his birthday Friday night, Nov. 21, with a scavenger hunt.

The affair was given at the Woman's Club building, the scavenger hunters starting out from there. A prize was given to the first group who returned from the hunt. The table was laid in white and green and held an arrangement of white chrysanthemums. Sandwiches, cake and Coke were served buffet style.

Miss Kathryn Atwood was in charge of the guest book. There were about thirty registered.

WOMEN OF CHURCH MET THURSDAY NITE

The Women of the Presbyterian Church had their social meeting in the assembly room Thursday night with Mrs. Hugh Morrison, Mrs. Mamie Hooper, and Mrs. Ted Atwood as hostesses. There were 23 members and three guests, Mrs. C. C. Melton, Mrs. A. B. Leeper, and Mrs. Collins, present.

The meeting was opened by Mrs. Earle Thomas, president, and the Lord's Prayer was the prayer. Mrs. Mary Juergens presented the program on John Mott, which proved very interesting.

At the business meeting which followed, Tuesday night, Dec. 16, was set for the Christmas party, which will be held at the home of Mrs. Chas. Roe Sr. The constructive Christmas gift will be given to Tex-Mex, either for the boys or for the home. Each lady who comes to the party is requested to bring a foolish gift with an accompanying jingle.

The date for the Joy Gift program will be announced later.

Mrs. S. F. Jackson was elected the representative from the Presbyterian Church to the Council of Church Women.

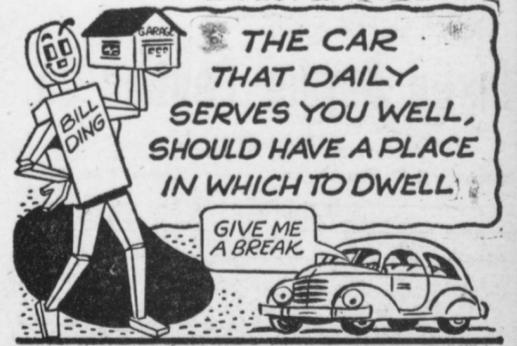

Mrs. Hugh Morrison had the miniature organ, which she will use in the kindergarten department of the Sunday School on display at the meeting.

W.M.U. TO OBSERVE WEEK OF PRAYER

The W.M.U. of the First Baptist Church will observe the week of prayer for foreign mission at the church, starting next Monday, Dec. 1. The meetings on Monday and Tuesday will be at 9:30 a.m.; the Wednesday meeting will be at 7:00 p.m.; then on Thursday and Friday at 9:30 a.m.

During these meetings the Lottie Moon Christmas offering for foreign-missions will be taken.

The meeting will be under the direction of Mrs. Lonnie Wright, program chairman, with each circle having charge of a program for one day and the Business Woman's Circle will have charge of the program Wednesday night.

Sheriff's Sale of Aransas County Property To Be Held December 2, 1952, at 10 a. m.

All of the property listed below will be sold at Sheriff's Sale at the Courthouse in Rockport, Texas, on December 2, 1952, beginning at 10 a. m. The sheriff or his agent will sell the property to the highest bidder for cash upon oral bids under the rule governing auction sales generally. The bidding must start at the amount of the opening bid set out opposite each tract, and no bid of less than this figure can be accepted. This property is being sold for taxes and all sales are made subject to the right of the former owner to redeem within two years from the date purchaser's deed is filed for record. Purchasers will receive the ordinary type of Sheriff's Deed, which is without warranty, express or implied. It will also be necessary that the bidders satisfy themselves concerning the location of the property on the ground prior to sale, as the amount of property being offered will make it impossible to give this information as the sale progresses. Maps and plats of these subdivisions and all papers in the suits on which these sales are based are on file in the office of the County and District Clerk.

Bidders interested in city lots in Aransas Pass may attend a similar sale of such property which is being held at Sinton on the same date beginning at 10 a. m., as that sale will be completed in ample time to permit them to reach Rockport before 1 p. m. No Aransas Pass lots will be sold at Rockport before that hour.

Women Have Equal Rights to Retirement Insurance

"Do married women who work have the same protection as men under the retirement insurance provisions of the Social Security Act?"

The answer to that question, which is frequently asked at the Social Security office, is "Yes," according to H. M. Cleveland, manager of the office in Corpus Christi.

"The amount of retirement insurance for each worker is figured from the average monthly earnings in his account. Women workers have the same rights as men in that respect," he said.

"When a husband and wife are both employed, she will receive retirement insurance based on her own wage record, or benefits based on her husband's employment," Cleveland explained. "The higher of the two amounts will always be paid."

Texas Will Furnish 2,814 Men in December Selective Service Call

Austin, Texas. — State draft boards will be called upon early in December to furnish 2,814 men for the armed forces during January 1953, Lt. Col. Morris S. Schwartz, deputy state Selective Service director, said here Thursday.

Authority for the action was received in state draft headquarters Wednesday from national Selective Service headquarters. The January quota for the entire country is 48,000.

Colonel Schwartz pointed out that the January call is bigger than any monthly quota received during 1952. Large quotas of recent months, he said, are necessary to replace the "thousands of men getting out of the service."

The armed services at this time are maintaining their strength, not building up to a higher strength, Colonel Schwartz said. He pointed to figures showing number of Texans separated and number taken into the armed forces during September, latest month for which statistics are available.

"In September, we received notification of the separation of 4,612 Texans from the armed services," Colonel Schwartz said. "Our records show that 4,613 Texans were taken into the armed forces by enlistment and induction."

Colonel Schwartz said he expected more or less the same situation to prevail until next spring, provided the world situation and U. S. policy remain the same.

State draft headquarters also announced physical examination of around 7,500 men in December and probably another 7,500 in January. December examination calls already have been sent to bars and January examination call is expected to be sent in late November.

Assembly President Visits Local Lodges

The Rockport Rebekah Lodge, the Truth and the Aransas Pass Rebekah lodges and the Ingleside Rebekahs entertained in honor of Mrs. Evelyn Lovelace, president of the Rebekah Assembly of Texas, at a joint meeting of the four lodges in Aransas Pass Thursday night.

Noted guests and lodge officials present were: Assembly president, Mrs. Evelyn Lovelace and her husband, Connally Lovelace of Bedford, Texas; Ted Jasperon, P.P. of I.O.O.F. Grand Lodge, and Mrs. Jasperon of Corpus Christi; Mrs. Frances Thompson, P.P. Rebekah Assembly, of Corpus Christi; Mr. and Mrs. E. T. Ballew, superintendent of the I.O.O.F. Old Folks home at Corsicana, and Mrs. Verma Poyner, district supervisor, Corpus Christi.

This was an exceptionally interesting meeting with a good attendance.

Members of the Rockport Rebekah lodge attending were: Mrs. Neva Sorenson, Mrs. Myrtle McLester, Mrs. Lillian Gray, Mrs. Mary Mullinax, Mrs. Gladys Mullan, Mrs. Erma Cloberdants, Mrs. Bessie Dykes, Mrs. Annie Jacobsen, Mrs. Annie Mae Evans, Miss Katie Lee Clarke, Mrs. Corinne Stewart, Mrs. Annie Weber, and Mrs. Ora Mays.

MASONS MET MONDAY

The Masonic Lodge had their regular meeting Monday night in their hall. There were 26 present, 12 being out-of-town guests.

Routine business was taken care of and a special meeting was called for Tuesday, Dec. 2.

Mr. and Mrs. Bonner Smith from Jewett, Texas, are living in the guest house at the Jack Sanders home in Fulton. Mr. and Mrs. Smith and Mr. and Mrs. Fred Booth were in Dallas on business, Sunday.

TO THE VOTERS OF ARANSAS COUNTY NAVIGATION DISTRICT NO. 1:

Several of the voters of the district having petitioned that I be placed on the ballot for a place on the commission in the election to be held Dec. 2, convinces me that there is, at least, some interest in my serving on the commission.

I believe that all who live in a community should serve the people of that community as best they can in the capacity best suited to their particular capabilities. My training having been in both business and engineering, I feel that this is a place in which I can be of maximum service.

Unfortunately, due to a misunderstanding, the petition was filed too late to have my name printed on the ballot. Should the voters of this district feel that they would like me to serve, it is requested that they write my name in on the ballot.

Thanks. (adv.) SETH H. STEELE

Employed Persons Must Work Year and Half To Be Insured in S.S.

Any person who has been in work covered by social security continuously since Jan. 1, 1951, and is now 65 years old or over, is insured and eligible for benefit payments when he retires, Arthur L. Finck, Jr., field representative in the Corpus Christi office said.

Recent changes in the Social Security Act make it possible for many persons in the newly covered groups to qualify for retirement benefits for the first time, Finck said. These groups include the self-employed, regular household workers, and regular farm workers.

To qualify for payments at this time, a worker or a self-employed person must be covered by social security for at least six calendar quarters, or about a year and a half. The size of the monthly bene-

fit depends upon the average monthly earnings from employment that is covered by the law.

The insurance payments to a retired worker range from \$25 to \$85 a month. Monthly benefits to the family of a deceased worker range from \$18.75 to \$168.75 a month.

Finck suggested that persons who are planning for retirement should secure exact information from the social security office. Informational pamphlets describing the new amendments are also available without charge. Inquiries should be addressed to the Social Security Administration, 424 Taylor Street, Corpus Christi, Texas.

CURB SERVICE

BIRTHDAY DINNER FOR CAROL KINSEL

Mr. and Mrs. Alton Kinsel honored their daughter Carol with a 6 o'clock dinner on her ninth birthday, Friday, Nov. 21.

The dinner was served in multi-colored dishes from a table laid with a green cloth. A beautiful white birthday cake, baked by Mrs. Kinsel, was the centerpiece.

Carol's guests for the evening were Mary Ann Barber, Pamela Landgraf, Barbara Barnard, Sue Johnson, Frances LeBlanc, and Eric Sue Eller.

Carol opened her gifts just before dinner, and the girls all sang "Happy Birthday" to her when she cut the cake.

Later the group went to the show.

Mrs. Stanley Bissett assisted Mrs. Kinsel with the party.

GOOD SHEPHERD CLASS MET MONDAY NIGHT

The Good Shepherd Class of the Methodist Church had their monthly social meeting Monday night at the home of Mr. and Mrs. Albert Griffith. There were 11 members present.

Mrs. B. W. Hamblin led the devotional which was followed by a short business session. The class turned over to the church treasury \$34.11 to be placed in the building fund.

Last September each member of the class was given five pennies to invest for the building fund and by careful investments the girls had the \$34.11 to put back in the fund. They had a lot of fun telling of different ways they invested their pennies.

Mrs. Griffith served fruit cake and coffee.

The class decided to take a special offering each Sunday between now and Christmas for the Methodist Mission Home in San Antonio, instead of having their Christmas party.

MISS HORNE AND E. W. GILES ENGAGED

Mr. and Mrs. C. V. Gray announce the engagement of their daughter, Martha Louise Horne of Corpus Christi, to Edward W. Giles of Splendora.

The bride-elect attended Rockport High School.

The groom's parents are Mr. and Mrs. J. J. Giles of Splendora. He attended the Splendora High School.

A wedding at the South Bluff Methodist Church on Dec. 7, has been planned.

MISS LINDA MULLINAX JOHN BOSTIC, TO WED

Mr. and Mrs. Roy Mullinax have announced the engagement and approaching marriage of their daughter, Linda Beth, to John Bostic, son of Mr. and Mrs. Clifford Haynes of Sanford, Fla. Mr. Bostic is stationed at the Naval Air Station, Hutchinson, Kans.

ROCKPORT P-TA HAS MONTHLY MEETING

The Rockport Parent-Teacher Association met for its regular monthly meeting on November 19 at 3:30 p. m. in the school auditorium.

The Youth Choir from the Presbyterian Church sang two numbers: "Follow the Gleam" and "The Lord's Prayer," under the direction of Mrs. Mary Juergens.

The elementary school program was presented by the second grade, using the theme of Thanksgiving. Teachers of this grade are Mrs. Golda James and Mrs. Dora Lawrence.

A parliamentary drill was conducted by Mrs. N. F. Jackson, parliamentarian.

Weldon Cabaniss was the guest speaker for the day. He gave an instructive talk on "Our County Government."

At the business meeting which followed, the association members voted to accept several recommendations presented by the executive board:

- No. 1: \$250.00 to be used to repair the movie projector, or to be applied on the purchase of a new projector.
- No. 2: Any balance remaining from the \$250.00 to be divided among grades from 1 to 5 for use in their individual room libraries.
- No. 3: \$150.00 to be used for the purchase of a coffee urn and filing cabinet for the association. Any balance remaining to be given for purchasing material in the school work shop.

Finance chairman, Mrs. J. W. Ingersoll, reported that the P-TA cleared \$490.50 from the Halloween carnival. This is a fine report considering the fact that the crowd attending this annual affair was smaller than usual.

An urgent request was given by Mrs. Dixie Roe, child welfare chairman, for clothing for children up to 11 years of age. Shoes and coats are needed in particular for that age group and dresses in size 18.

To date the Rockport association has a total of 259 members.

MISS ATWOOD'S ENGAGEMENT ANNOUNCED

The engagement and approaching marriage of Miss Kathryn Atwood to John Gilmore has been announced by her parents, Mr. and Mrs. Hays Atwood.

Mr. Gilmore is the son of C. B. Gilmore of Chicago, Ill.

A late December wedding is planned at the First Presbyterian Church in Rockport.

CHURCH GROUP MET WITH MRS. JONES

The Business Women's Circle of the First Baptist Church met with Mrs. William Jones Thursday night with seven members present.

The business session was followed by Bible study, led by Mrs. Albert Lee Ballou.

Mrs. Jones served coffee, cocoa and doughnuts to Mrs. W. J. Moss, Mrs. Milton Mundine, Mrs. A. F. Derrave, Mrs. A. O. Freeman, Mrs. H. B. Ramsey, and Mrs. Albert Lee Ballou.

U. D. Ince Receives Advancement

U. S. Naval Air Station, Corpus Christi. — It is an advancement in rate to commissaryman first class, USN, for U. D. Ince, son of Mr. and Mrs. Robert Ince of Rockport, while serving here.

The advancement is a result of competitive examinations conducted this summer on all ships and naval establishments throughout the world.

Since every Navy man has two jobs, the test was divided into military questions covering knowledge of seamanship, gunnery and military law, etc., and the professional part concerning his Navy trade.

Hunters Are Warned To Be Careful

Austin.—The Chief Clerk of the Game and Fish Commission appeal for hunters' cooperation in the grim statistical routine of adding up casualties.

"And the best cooperation," he said, "naturally can come in helping keep down the number of hunters shot."

The Chief Clerk made his appeal as preparations were being made for the big game season under the general law which opens Nov. 16.

At least five Texas hunters have died from accidents in the field this fall. Four died from gunfire and one drowning while trying to retrieve a duck.

A Hillsboro man, a Porter Springs youth and a Houston youth were killed in handling their own guns. Mistaken for a deer, a Livingston man was killed by his own father who is partly blind. The drowning man was from El Paso. He was hunting along when he vainly tried to retrieve a duck.

The Chief Clerk said the big game season provides even greater hazards than the waterfowl and small game seasons. The reason, he explained, is that deer rifles are more powerful and shoot farther.

He listed some pointers covering the more common hunting hazards:

Don't pull the trigger until certain of the target. Each year several hunters are mistaken for game and shot.

Don't shoot a gun without first ascertaining that the barrel is clear of obstructions.

Don't drag a loaded gun muzzle toward yourself in moving it through or under a fence or from a car.

He said the Commission will make periodical reports on casualties.

Pat Smith came home from S. T.S.T.C. in San Marcos Wednesday to spend the holidays with his parents, Mr. and Mrs. Floyd Smith and Mike.

SELECTION OF JURY PANELS EXPLAINED

To many people, the call for jury service always seems to come at the wrong time. Just when plans for that hunting trip are complete, an inventory or other business problem is demanding special attention, or the best Jersey comes down with a serious ailment, a jury summons is sure to arrive.

In spite of the regularity with which such unhappy coincidences occur to some individuals, no greenlin is watching to see when you can least afford to be away from home and business. Being chosen for jury service at any particular time is largely a matter of chance.

Under Texas laws jury panels for District Courts are selected by one of two methods—the Jury Wheel of the Jury Commission. The jury wheel is a hollow metal wheel or container, so erected that it will freely revolve on its axle.

In counties using a jury wheel, a list of all qualified jurors is prepared from the official tax lists in August of each year. Taking part in the ceremony are the County Tax Assessor, the District Clerk, the County Sheriff, and the County Clerk. Each prospective juror's name is written on a card of uniform size and placed in the metal container.

Then the wheel is locked with two separate locks, the key to one lock being kept by the District Clerk and the other key by the Sheriff. As jurors are needed, the wheel is revolved to mix the names and the required number drawn for preparation of jury lists.

Three persons must be present when the wheel is unlocked and the names drawn therefrom—the Sheriff (or one of his deputies), the District Clerk (or one of his deputies), and the District Judge. Upon completion of currently required jury lists, all names are returned to the container, which is again double locked.

Later, when the time comes around to prepare a new set of lists, some of the same names will very likely be drawn again. Others may never be drawn.

In counties not operating under the jury wheel system, the District Judge at each term of his court appoints from three to five persons from different sections of the county to act as Jury Commissioners.

Using the county tax assessment roll, these men follow the Judge's instructions as to the number of jurors to be selected for various weeks of the court term. The lists of names prepared by them are sealed in separate envelopes and delivered to the Judge. He, in turn, turns them over to the District Clerk or one of his deputies in open court, who immediately files the envelopes away in a safe place in the Clerk's office.

Although ordinary inconveniences are not usually sufficient to gain an excuse from jury service, emergency or hardship is a different matter. If you face such extreme circumstances in your business or personal affairs that your mind cannot freely reflect and meditate upon the important issues to be tried, call this to the attention of the judge.

Courts try to be reasonable in granting excuses. The judge will consider your situation carefully and thoughtfully, and may determine that your service should be deferred.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Mrs. J. D. Kinsey and sons, Stephen and David from Corpus Christi, spent last weekend with her parents, Mr. and Mrs. E. J. Johnson, while J. D. went deer hunting. He got a five-point buck.

Franklin Is Inventor Of Bifocal Spectacles

Benjamin Franklin, famed in American history, is remembered for his discovery of the principle of electricity. Few Americans realize, however, that it was he who invented bifocal spectacles.

Why are bifocals worn anyway? Usually the normal eye reaches its peak of efficiency at about the age of 8 years. At that time a person has the greatest power of accommodation, meaning that his ability to change from seeing objects in the distance to those up near is at its best. From then on, he begins to lose accommodation. Ordinarily, however, its loss is so slow and gradual that he doesn't have any trouble until about 40 or 45, when he first begins to notice that his arms don't seem long enough to read the evening newspaper and that looking up numbers in the telephone directory is becoming increasingly hard.

If his distance vision has been good and he hasn't been wearing glasses, he may be able to manage with a pair of single-vision reading glasses, but to avoid the annoyance of having to pull off his glasses to see across the room, he might want bifocals. These glasses are a combination of lenses; the smaller ones at the bottom being for close vision and the ones at the top for distance. Another kind of lens which will allow him to see at different distances is called a trifocal lens. In it there are three layers: the one at the top for far off, the one at the bottom for reading, and the one in between the other two, usually focussed for about arm's length.

Some people object to wearing the usual glasses perched on their nose, either because of their appearance or because such spectacles interfere with their work. They may find contact lenses to be the answer. A contact lens is a curved plastic shell on which is ground to the patient's optical prescription. It fits over either the cornea, the central act of the front of the eyeball, or the entire front of the eye, including the sclera, the white of the eye. The scleral type of con-

tact lens has to be filled with a fluid that is similar to the tears of the individual patient.

Contact lenses are not an unmixed blessing. First they are costly. Next, they cannot be worn indefinitely, as can ordinary glasses. The time for which they are comfortable varies from about two to eight hours, depending on the individual patient, after which he sees colored haloes around lights and his vision becomes hazy. Removing the lens for a half hour or so gets rid of the symptoms.

Contact lenses are prescribed for patients suffering from eye diseases such as a pronounced bulging of the cornea (keratoconus); absence of the eye's lens after a cataract operation (aphakia); and extreme nearsightedness, and astigmatism. They also are recommended for certain occupations in which the wearing of ordinary spectacles is dangerous. Athletes in rough sports and factory workers who are exposed to possible eye injury from broken spectacles are examples. Another "occupational" indication is for actors and opera singers, persons who need good vision but who would appear out of character for the role they portray if they wore spectacles.

Even though contact lenses may be worn for cosmetic reasons, for the average patient the physician probably would recommend ordinary spectacles for their relatives inexpensiveness and ease of wearing.

Ordinary glasses may be colored

or tinted for several reasons. One is to protect against excessive glare from the sunlight such as in driving, boating, and snow sports. In addition to color, other qualities of the lens may screen out harmful or annoying light rays. Sunglasses should be worn only when there is discomfort from the intensity of the light and only outdoors. Many people are not uncomfortable without them even when the sunlight is very bright. However, even with sunglasses it is unwise to gaze directly at the sun. Much denser filters are needed, for example, during a solar eclipse.

A light pink tint in glasses makes the edges of rimless less noticeable. Still other spectacles are colored for industrial, military or other specialized purposes. A joint committee of two national medical associations have condemned the use of so-called night driving lenses, because they cut down the vision instead of improving it, as may be generally believed.

Roy Stockton and Eynon Via of Bartlett and Bill Messer of Bay-side, spent Sunday with Mr. and Mrs. B. W. Hamblin. The Hamblins and they were friends when they all lived at Bartlett.

Clifton Evans called his mother, Mrs. Annie Mae Evans, from Ft. Hood, Monday. Clifton has just returned from Germany and will receive his discharge from the army the last of this week.

Sgt. Alonzo Rodriguez Now In Germany

Sgt. Alonzo Rodriguez has been with the army in Germany for the past two months. He has previously spent fifteen months in Korea.

Sgt. Rodriguez is the son of Mr. and Mrs. Eugene Rodriguez of this city, and is a veteran of World War II and has been in the service eight years.

Mr. and Mrs. Clyde C. Hayden, Cloyce and Nancy are spending Thanksgiving with Sgt. and Mrs. Jimmy Hayden at Randolph Field. Mr. and Mrs. Hayden and Cloyce will return home tonight, but Nancy will spend the weekend in San Antonio.

What price good news? So often it's the price of a telephone call... and that means just a few pennies.

Worth more? Of course. Many telephone calls are practically priceless in their value to you.

And yet the average cost of each local call, including tax, is only about 2½¢.

Can you think of a better bargain?

Every "hello" is a good buy

Health Talks

"He who hath ears to hear, let him hear," urges the Bible.

"He that has ears to hear, let him stuff them with cotton," wisecracked Thackeray, nineteenth century English author. Do you suppose that he too, had just been through an election?

In spite of election years with political speeches coming so fast and furious that Grandpa is tempted to turn off his hearing aid, the sense of hearing is one of man's most valuable possessions.

Babies are born deaf. Normally hearing begins the first day of life, as soon as air is forced into the tube leading from the throat to the middle ear (the Eustachian tube). After this, the infant has such good hearing that he jumps suddenly when there is a loud noise.

Man does not hear with his ears alone; sight is also a big help. Even if your hearing is normal, you can see a book fall, you expect a thud to follow. Hearing is closely related to voice and speech as well; hearing others talk is one way in which you learn to speak.

Man in earliest times needed keen, animal-like hearing. He still hears better than is absolutely necessary. However, civilization and its noises seem to be cutting down on the ability to over-hear which he still possesses.

How can you find out exactly how much you do hear?

Hearing tests are many. Generally the examiner uses only one or two to separate people with normal hearing from those who have less than normal hearing. It may be necessary, then, for more extensive tests to be given those with abnormal hearing.

One of the tests most often used is the spoken voice and whisper test. Only one ear is tested at a time, the opposite one being blocked off with the patient's finger. The patient is seated so that the ear being tested is toward the examiner. The examiner stands 20 feet away and asks that the words (usually combinations of numbers) he speaks be repeated; then he moves to 15 feet and whispers the numbers. If the patient can repeat the numbers correctly, he is said to have normal hearing, recorded as 20/20 (spoken voice) and 15/15 (whisper). If the patient can't hear, the examiner moves toward him until he can say 15 feet away, and the hearing (that is less than normal) is recorded as 15/20 (spoken voice).

Tuning forks, used to tune musical instruments, also can be used to find out quickly how high and how low the patient can hear and also what type of deafness is present. Some times they help to locate where the trouble lies when the fork is moved about to different positions on the head and around the ear. Another way to measure hearing is with the audio-meter, a box-like device with knobs and dials that looks something like a medium-sized radio. It was first used about 1920 and since then has been improved and made in different models for group and individual testing.

As you know, there are great differences in hearing—from normal, through just a slight defect, to total deafness. The two large classes of deafness are called conduction and nerve (or perception) deafness. In some cases both may be present.

Conduction deafness is caused by anything that stops sound on its way through the ear canal, ear drum, or middle ear. Nerve or perception deafness is caused by anything that keeps sound from being recognized by the brain, once it has reached the inner ear. This may be something wrong cochlea (the part of the inner ear which picks up the sound), the nerve that goes to the brain (the acoustic or auditory nerve), or the brain itself.

When a person is born with bad hearing, it is called congenital deafness. If it is severe, it usually is of the nerve type. It may be caused by a birth injury, syphilis, the taking of quinine by the expectant mother, or faulty development of the inner ear.

Hearing aids are prescribed by the doctor only after treatment has proved of no further use. Not every patient can be helped with a hearing device. However, many persons have found that hearing aids mean the difference in being able to earn a living or being dependent on others. These aids can make possible carrying on conversations and feeling "in touch with the world" by regaining the hearing.

The aid must be fitted to the individual patient; its type will depend upon such things as the cause of deafness, the needs of a job; or the desire to have a type of instrument that will be least noticeable. There are a large variety of hearing aids, and with the help of the doctor and the experienced aid consultant, the one that is most suitable can be chosen.

BUNDLES FOR HOME-BODIES—Front-line Thailand troops in Korea take time out from fighting to meet outside their fortified bunker and send packages back to the less fortunate folks on the home front. Presents include packs of chewing gum and cigarettes, bags of candy and soap which soldiers can obtain but which are scarce in Thailand.

Correct Report of Earnings Is Imperative

Earnings must be correctly reported under the name and social security number of each worker so that he may receive all of the retirement and family insurance protection which the law provides, according to H. M. Cleveland, manager of the Social Security Administration in Corpus Christi.

"We recommend that employers require each new worker to show his social security card at the time he goes to work or before he is paid the first time," Cleveland said.

"If an employer neglects to ask to see the card, the employee who goes to work on a new job should show the card to his boss.

"A self-employed worker should show his social security number on Schedule C, which is the social security part of his annual income tax return, to receive credit for his earnings," he continued.

Most work is covered by social security, and everyone who works in an occupation which is covered should have a card, Cleveland observed. A worker who never had an account number or one who had a card and lost it, should apply for a number without delay.

Applications can be secured from Postoffices, or in Corpus Christi from the Social Security Administration at 424 Taylor Street. The applications should be filed with the Corpus Christi Office, and no charge is made for either an original card, or for a duplicate of one which has been lost.

Pearl Brewery Receives National Recognition For Safe Truck Operation

The Pearl Brewing Company of San Antonio received national recognition as leader in the nation for safe truck operation for large fleets in the entire beverage industry.

The honors were revealed in safety figures released by the National Safety Council for the period July 1, 1951, through June 30, 1952, which placed Pearl Brewery first in the United States in accident-safe truck operation.

Harry Zenner, veteran superintendent of automotive transportation at the Pearl Brewing Company, received congratulations for the National Award from Datus E. Proper, executive vice-president and general manager and James H. McCurdy, director of personnel and safety of the Pearl Brewing Company.

Drivers of the Pearl Beer fleet of trucks were commended for their "cooperation and sense of safety" that resulted in the national safety honors.

HONOR DINNER AT GRAY HOME

Mr. and Mrs. Bill Gray were hosts at a dinner party Sunday, honoring their daughter, Miss Martha Horne and her fiance, Edward Giles.

Those enjoying this occasion were Miss Horne, Edward Giles of Sledora, Mr. and Mrs. Cyril Pelitier of Aransas Pass, Mrs. Ann Wolff of Sinton, C. H. Gray, Oscar Dye and the host and hostess and their sons, Richard and Gary. Bill Gray's birthday was on Sunday.

Mr. and Mrs. Jack Blackwell Jr., from Waco, are spending the Thanksgiving holidays with Mr. and Mrs. A. F. Dervage and other relatives and friends.

Mr. and Mrs. Ceylon Ammons and Mitchel had as their guest over the weekend, Miss Judith Spoon of Corpus Christi. The Ammons took her home Sunday night.

Joe Smith entered Spohn Hospital in Corpus Christi last Saturday, for observation.

Mr. and Mrs. Hayes Atwood and Mr. and Mrs. Buddy Warden are out on their deer lease, hunting. Mr. Atwood has already bagged one deer.

Miss Sheena Currie, daughter of Mrs. A. R. Currie, and a student at Texas State College for Women at Denton, Texas, has been pledged to the Philomathia Club at that school.

BRIDAY SHOWER FOR MISS LOIS McLESTER

Mrs. Roy Mullinax, Mrs. Annie Bell and Mrs. Sam Mundine were hostesses for a bridal shower honoring their niece, Miss Lois Ann McLester of Falfurrias, whose marriage to Kenneth Moore will be solemnized in the First Baptist Church in Falfurrias Christmas Day. The shower took place at the home of Mrs. Mundine.

A beautiful arrangement of salmon-colored gladioli graced the lace-covered gift table.

Miss Patsy McLester, sister of the honoree, and Mrs. Bell welcomed the guests and Miss Patsy McLester was in charge of the guest book.

There were about 35 relatives and old friends of the honoree present. Misses Judy Mullinax and Marlena Evans served the cake and punch.

Mrs. Elmer McLester and daughter Linda, from Bay City, spent last week with relatives in Rockport. Mr. McLester came Saturday and they returned to Bay City Sunday afternoon.

Among those attending the Texas-A&M game in Austin Thanksgiving day were Sheriff and Mrs. Arley Shivers and son, Robert, Mr. and Mrs. Joe Johnson and Mike, Leonard LeBlanc, Ed Barnard and their sons, Charles and Dale.
