DUCK HARVEST SUITS TEXANS

Austin, Tex. - Texans seem generally contented with the 1953 the death of Mrs. Hortense E.

sion. state's season on ducks and geese, Angeles, Calif. running from Nov. 6 through Jan. gunners on the Gulf Coast.

The executive secretary said north Texas hunters understandably were disappointed again at not being zoned like the mourning dove upper state shoot. He said prospects of a late flight from the north as reported in Washington should help compensate for the difference.

The United States Fish and Wildlife Service, which has final authority over seasons for migratory waterfowl, generally followed the request by the Game and Fish Commission for a sixty-

The executive secretary said the barring of baiting for waterfowl will not affect many Texas hunters since the practice has not been widely followed in this state.

FISHY, BUT TRUE-Frank Bracker, of Davenport, Ia., caught a minnow that caught a catfish. While Bracker was pulling a geese one-pound minnow from the Mississippi River, a 25-pound catfish tried to swallow it. The big fish didn't stand a chance once its meal was half swallowed. The minnow's expanded gills
