

Along The Waterfront

Elmer Culler, Austin, a guest of the Anchor Motel, fished from his own boat Wednesday morning, and came in with 30 nice trout.

Frazier Cantrell had Mr. and Mrs. Ed. Fincke, San Antonio, Sunday, and they caught 77 trout and 35 other fish of various kinds.

Fred Christilles had Hy Brizman of San Antonio, L. Marko, Austin, and O. P. Rockmaker, of Dallas Sunday, and they caught 225 trout. On Monday he fished the same three men, and they came in with 87. Tuesday he and Bill Crist, using both boats, fished the Metzger Dairy party from San Antonio, and the group caught 325 trout between them.

Herb Mills is in Colorado, near Meeker, on an elk hunt. Mrs. Lawler said, going there with W. A. Freer and party, of Houston.

Stell Bonner and party, Dallas, fished with Harry on Wednesday, Thursday and Friday. On the first day they caught 54 trout; the second they strung 24, and the third, came in with 45. George Herbert, Nevada, fishing with Herb on last Wednesday, caught 68 specks. Thursday, J. Wyatt, Houston, fishing with Eddie Edmonson, got 49. Friday Eddie had Jim Steward and party, who strung 48. Monday Mervin Tyler, Eagle Lake, fished with Harry and caught 40 trout, 16 drum, 17 reds (one of which weighed 13 pounds), and one gafftop. Tuesday and Wednesday, Willis Wood, Houston, with Harry caught 40 trout the first day and thirty three trout and rat reds on the second. I. E. Potter, Ohio, with Eddie Edmonson, had 44 trout on Tuesday, 87 on Wednesday.

Friday Fred Procknow, San Antonio, and I Gordon, also of the Alamo city, fished at Rattlesnake Point and caught fifteen trout, one of which weighed 6 pounds and another seven.

Saturday, Mrs. Faucett said, R. B. Tompkins, Rockport, snagged a couple of reds, one five-pounder and another that weighed 7 pounds. On the same day, Don Guion and John Whitley came in with five nice trout. Sunday Frank Munoz and Edward and Leroy Caro, all of San Antonio, caught 65 trout. Monday R. A. Dearen and H. G. Watson, Dallas, caught 40 trout.

No Christmas Decorations

The Merchants' Committee of the Chamber of Commerce, after checking with stores and other businesses in the town, has decided that there is not enough demand among townspeople to warrant an extensive campaign.

Less than half the people contacted by letter answered, and the donations and pledges were not enough to accomplish the greatly expanded program of decorations that some people have signified that they would like to have.

As a consequence, all donations have been returned, and all people who promised support have been released from their pledges. The following letter was written to those who donated:

"Due to the fact that less than 50% of the merchants contacted contributed to this fund, which is about one half of the needed amount, we feel the response did not show enough interest to warrant continuation of the project this year.

"We regret this situation and hope at some future date we will be able to decorate our area for the Christmas Holiday season. Again thank you."

County Finances In Good Shape Treasurer Reports

According to a report filed this week by County Treasurer Ettoil Eller, county finances are in good shape, with little outstanding indebtedness except the courthouse bonds.

Cash resources amount to a little over half a million dollars, actually \$501,202.70, while the total bond and warrant debt is \$405,000.00, leaving approximately \$100,000.00 on the black side of the ledger.

Of course, it's not all quite that easy, but the fact remains that Aransas County is in little danger

of going broke in the immediate future.

The largest amount of cash the county possesses is the \$175,490.25 still remaining from the moneys voted for construction of the new courthouse, but this is closely followed by \$157,000.00 in the airport fund. This last is invested in interest bearing securities. Next in line is \$44,149.04 of the general fund of the county, followed by \$27,000.00 in the road bond sinking fund, also invested in securities.

Next is Airport Special Fund No. 1, which contains \$26,852.65; the road and bridge fund with \$22,173.78, the county road bond sinking fund, with a total of \$19,713.88 and mosquito control, which contains \$10,353.14. The jury fund contains \$7,669.23 and after it come in order of descending importance, court house and jail bond sinking fund, \$5,779.88, permanent improvements \$1,951.45, road and bridge special auto, \$1,227.96, treasurer's salary, \$921.79, farm to market and flood control, \$756.66 and peace officers' salary fund, \$233.87.

Outstanding indebtedness is \$46,000.00 in road bonds, from which must be taken \$11,000.00 for state aid; \$5,000.00 in road and bridge warrants, and \$375,000.00 courthouse and jail bonds of 1955.

Sinton Plans Old Fiddlers Contest

Plans were announced this week for Sinton's, third annual old fiddlers contest to be conducted at 7:30 o'clock the night of October 31 in conjunction with Sinton's Parent-Teacher Association Halloween carnival.

The Chamber of Commerce announced that a total of \$150.00 in cash prizes will be awarded to winners in the fiddlers' contest, in two age brackets — those over 50 years of age and those under 50.

There will be three cash prizes in each age category — first prize, \$35.00; second prize, \$22.50, and third prize, \$17.50.

Fiddlers from throughout the South Texas area are invited to compete in the contest, which will be conducted at Pirate Stadium. In extending an invitation to musicians throughout the area, Harry Trodler, president of the Sinton Chamber of Commerce said:

"We'd like to have 60 contestants from a dozen or more towns and cities this year."

Those wishing to enter the contest must contact the Chamber of Commerce here by mail or in person not later than Monday, Oct. 29. Entries should be mailed to Miss Annette Standee, secretary, Sinton Chamber of Commerce, P. O. Box 217, Sinton, Texas.

In last year's contest, Buffalo Yount, of Victoria, was first prize winner, J. B. Burris, of Kingsville, won second prize, and George Moore, of Odem, third. Other contestants included Clifford Berry, of Taft; Louis Hunt, of Sinton; Alton Mead, of Kingsville; Bob Perry, of Refugio; Charles Kelly, of Corpus Christi; and J. Box Roberts, of Kingsbury.

B-Team And Junior High Games Scheduled

A double header football game will be played at the Pirate Stadium on Thursday night October 18th. This should be a real evening packed full of football. There should be a fine crowd of local fans out to see this three hour show for the price of one.

At 5:30 the high school B-Team made up of freshman and sophomores will play the B-team from Gregory high school. This team coached by Fred Blundell, has played three games so far this season.

At 7:00 the Jr. High Tarpons will play the Sundeen Jr. High team. This group of boys is coached by James Calhoun. These boys have won 2 and lost 1 game so far. They show a fine spirit of desire and determination that which it takes to make a real Pirate.

You will have missed a real treat if you don't find yourself to the Pirate Stadium tonite.

Mrs. Harry Traylor In Arkansas Wreck

Mrs. Harry Traylor, while en route to visit her mother in Fort Smith, Arkansas, was in a wreck just outside that city last Saturday, and was hospitalized until the state of her injuries could be determined. Fortunately, she suffered only from shock, and has been at the home of her mother and father, Mr. and Mrs. R. A. Tankersley since released from the hospital.

Mrs. Traylor was driving behind two other cars, one of which suddenly applied brakes. In her effort to avoid an accident, she slowed down, only to become the victim of a heavy truck that was following her car so closely that it could not stop.

Considerable damage was done to Mrs. Traylor's car, but, according to Mr. Traylor, it is being repaired, and Mrs. Traylor expects to return here the first of the week.

VOTE FOR AMENDMENT NUMBER 4 ON NOV. 6

In less than five years, there will be 350 thousand more boys and girls in the public schools of Texas than there are now. To give these future citizens the education which is their birthright, we will have to find 15 thousand new teachers.

On the other hand, teachers in Texas, experienced, capable, qualified teachers, are leaving their chosen profession at a rate of nearly 7 thousand a year, to take jobs in business, industry, and government which will provide greater security, more protection, and decent retirement benefits. That means that another 28 thousand teachers will be needed just to replace those now leaving our classrooms.

This poses one of the most serious problems that our school system has ever faced. But there is a solution to this problem. YOU can help assure for the school children of Texas the education to which they are entitled.

In the election of November 6th, you will be asked to approve a proposed constitutional amendment establishing a new, up-to-date Teacher Retirement System which meets realistically the needs of living today. The new retirement law will provide death and disability benefits, survivors benefits, and retirement benefits about on the level of the plans offered outside our school system. It is designed to attract and hold well-qualified teachers, and will be a most economical means to recruit teachers for the greatly increased number of children entering our schools.

Will there be enough teachers? Only YOU can answer. Go to the polls November 6th, to vote FOR the Teacher Retirement Amendment No. 4.

Stop, Look, And Listen, Street By Postoffice Changed

Stop, look and listen, or at least pay attention to the signs, for, beginning this week, the street to the north of the post office has been changed from a one-way street east to a one-way street west. The signs have been changed, so all you have to do is look at them, if you forget.

The change was made to make the outdoor mail box more accessible, allowing cars to come in with the drivers' side to the curb, where they can easily reach the mail box.

Despite the fact that signs indicating the street change have been up for a number of days, everyone is still following the old flow of traffic, a situation that is confusing, but not in the least amusing. Some one is going to have an accident, and then find out that they were wrong, too late for comfort.

Vandals Damage Post Office Property

Vandals damaged Post Office property over the weekend, according to acting Postmaster Jimmie Reid Simmons. The handles from nine boxes were twisted loose, he said, and thrown on the floor.

Actions such as this, Simmons said, work a hardship on the decent people of the community, for, if such damage does not stop, doors to the postoffice will be closed and locked except when postal employees are in the office.

Such damage to government property, Simmons said, is punishable by heavy penalties under the law.

Commissioners Transact Routine Business

The commissioners court, at their regular meeting, transacted only routine business, largely concerned with clarifying the matter of purchase and fencing new rights-of-way for road purposes. The previous order on this was amended to read as follows:

Be it understood that right-of-way purchases will be participated in equal proportions by each Commissioner regardless of what precinct such purchase or fencing built might be in. However, if an obstruction such as a house or fence exist in right-of-way already owned by the county such obstruction shall be moved at the expense and cost of the commissioner in that particular precinct.

Kyle Vick, State Solon Dies At Waco

Waco—(AP)—Kyle Vick, 64, Texas state senator for 12 years and once defeated for Texas lieutenant governor, died Tuesday following a long illness.

Vick, a native of Waco, was elected to the state Senate in 1940 and continued in that office until 1952. He ran for lieutenant governor in 1952.

Survivors include his widow who lives in Waco, and one son, Kyle Vick, Jr., of Houston and Rockport.

Local Delegation To Accompany Expressway Backers To Austin

A committee from the Rockport Chamber of Commerce will accompany other backers of the proposed Federal Expressway, a six-lane road from Orange to Brownsville, when they meet with highway officials in Austin on October 25, Arthur Bracht said this morning, and he urges all those interested in going to contact him. They will be armed with a resolution from the Commissioners' Court of Aransas County, which has gone on record as willing to do everything possible to have the highway pass through this county.

County Judge John D. Wendell and commissioners W. B. Allen, Jack Sparks, and Arthur Davis have all signified their intentions of attending.

Proponents of the project are working up a "real good case" to present to the Texas Highway Commission, according to T. Frank Smith, of Corpus Christi, president of the recently formed Expressway Association. More than 125 persons, including large delegations from Corpus Christi and Victoria, as well as from other cities along the tentative route, are to be present for the commission hearing.

"We are first on the schedule, at 2 p. m." Smith said, "Also, the commission has offered us its meeting room for the hour prior to that so we can all go over our program and show a unified front."

Maps, statistics, industrial and defense aspects of the area will be shown, together with traffic, shipping and other features.

"We hope the commission will issue a minute order, approving the project and authorizing work," Smith said. "This expressway would tie into the new federal interstate system, which already is designated from Orange to Houston, but in its initial phase it will be a state program. Ultimately, we hope — for we need it — that the federal government will come in to make it a six-lane freeway. The program, however, should not be held up for total federal aid."

State roads included in the federal interstate program last summer were mapped in 1944, Smith said, adding that Corpus Christi and other communities on the proposed route have grown so much since then their case will be entirely different — not much more deserving of approval.

County and city officials all along the proposed route have endorsed the expressway project. Counties will furnish rights-of-way. Cameron, Kenedy and Nueces County commissioner courts have adopted resolutions assuring support of right-of-way acquisition and other counties are expected to have done so by the time of the hearing.

Rockport Sportsmen Meet Set Date For Fish Fry

The Rockport Sportsmen's Conservation Association met on the 16th, at the Hunt home, and set the date of their annual Fish Fry for October. To this, as usual, they will invite newspaper men, legislators, members of the Game Commission, and other sportsmen's organizations.

United Fund Workers Start the Drive With Coffee And Doughnuts Before Starting Calls Designed to Raise An Eight Thousand Dollar Budget In 1 Day

A kickoff breakfast for the United Fund drive, consisting of coffee and doughnuts, was held Wednesday morning in the Woman's Club building as the preliminary to another drive, pointed at an \$8,000 budget for this year. Returns, marked incomplete Thursday morning, showed that the budget will probably be met, although Mrs. Seth Steele, secretary of the drive, emphasized that the figures available showed only a small part of the total.

Patterson Goes To Jail For Death Of LaBelle

Just a little over a year and six months after a careening automobile had killed Ed LaBelle, Rockport sign painter, and badly injured four other people, Byron Hickle Patterson, 35, of Aransas Pass went to jail for a year, to serve out a sentence imposed on him by an Aransas County jury in Judge Wendell's court for negligent homicide.

The accident, where LaBelle was fatally injured, occurred five miles south of Rockport, on Highway 35. Highway Patrolman W. E. Tate, who investigated the accident, said that LaBelle was driving south in his 1955 model station wagon, and that Patterson was driving north in a 1949 sedan. The two vehicles, Tate said at the time collided nearly head-on in LaBelle's lane, and Patterson's car skidded nearly 80 feet after the impact. Both cars were demolished.

LaBelle suffered hip and chest injuries that caused his death; Patterson was taken from the scene of the wreck with severe cuts on his arm, from which he had lost a considerable amount of blood. Also injured were three other people from Aransas Pass: Maria Curtis, 43, who received minor chest and mouth injuries; Mrs. G. W. Carpenter, who was thrown from the vehicle Patterson was driving and suffered head injuries; and Lewis Briscoe, who received a fractured leg.

Patterson was ultimately tried in Judge John D. Wendell's court, before a jury, and sentenced to a year in county jail on January 26, this year, and promptly filed notice of appeal. On October 12, this year, the Court of Criminal Appeals upheld the sentence. Patterson began serving his sentence Wednesday morning.

ONE WRECK THIS WEEK

G. S. Bissett, driving north on Live Oak Street, in a 1947 International pickup, collided with Mrs. Janet Washington Smith, driving an 1953 Mercury, entering Live Oak from a side street. Approximately \$100 damage was done to Bissett's truck and \$150 to Mrs. Smith's car.

Thanksgiving Dates Vary Among Merchants

Although it is still some time before Thanksgiving rolls around, present indications are that the celebration in Rockport will take place on two weekends.

The State proclamation says that the 29th of November is Thanksgiving day, and that is the day that the First National Bank and the Aransas County Schools will use.

On the other hand, the Federal proclamation says that Thanksgiving day shall be on the 22nd of November. The city hall has already signified that it will observe the 22nd as the holiday, and so have the county officials. Most merchants contacted have chosen the earlier date as the one to be celebrated.

Country Club Phone Number Changed

The phone number of the Live Oak Country Club has been changed to 551, it was learned this week. Confusion over reservations for last week's game night resulted from this change. If you dial the old number, it rings, but no answer.

To reach the club, you must dial 551.

Emory Spencer was chairman of the special gifts division; James H. Sorenson, Jr., and Dick Picton handled the gifts from merchants in Rockport and Ernest Jones those from Fulton. Mrs. Steele was in charge of group captains.

Agencies participating in the drive include Girl Scouts, Boy Scouts, Aransas County Youth Council, Junior Aransas County Youth Council, Cerebral Palsy, USO, Gonzales Warm Springs Foundation Crippled Children's Hospital, Red Cross and the Aransas County Emergency Corps.

This drive for funds will be the only one held this year, except that for the March of Dimes. Mrs. Joe H. Slocum, president of the Woman's Club, was chairman of the breakfast.

Ike For President Club Launched Thursday Morning

The Ike for President Club was officially launched this morning (Thursday) with headquarters at the building formerly occupied by Chester Johnson Motor Co. near the yacht basin. Mrs. E. W. Means was named chairman. Precinct chairmen include Mrs. Fred Hunt, precinct 1; Mrs. John Cox, precinct 2; Mrs. A. L. Bachman, precinct 3; Mrs. J. H. Mills, precinct 4; Mrs. Chas. Cleveland, precinct 5. Co-chairman will be named later.

Headquarters will be open for business tomorrow (Friday) and will continue to be open each day, Monday through Saturday. Hours will be 9 to 11 a. m. and 3 to 5 p. m. Coffee will be served during these hours. Headquarters will serve as an information bureau, giving out literature, pins, stickers, etc. The telephone number is 5330. Each precinct chairman will contact voters in her precinct before election day, Nov. 6th and plans have been made to furnish transportation to the polls for any one needing same. All that is necessary is to call headquarters.

The organization would like to enroll more members. Republicans, Democrats or Independents — all that is required is a statement that you expect to support "IKE FOR PRESIDENT".

Post Office To Close Earlier

According to Postmaster Jimmie Reid Simmons, the local post-office, beginning November 1, will close at 5:30 p. m. instead of six, as has been the custom in the past. He recently received a directive from the Postmaster General's office in Washington to this effect. Any protests should be filed in writing with Simmons, who will forward them to the proper authorities.

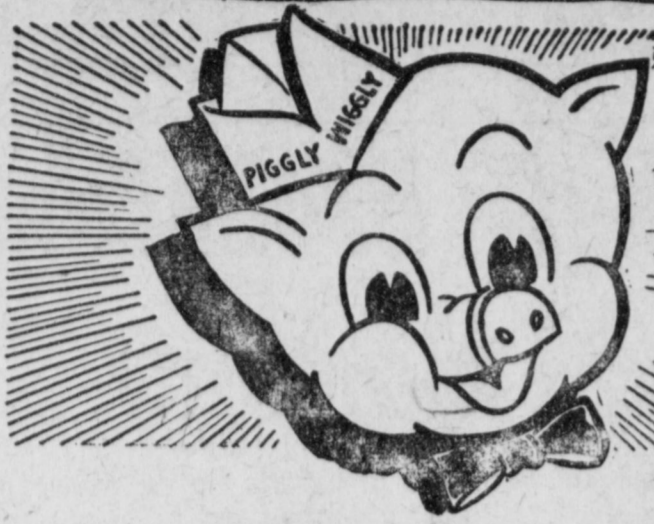

FISHERMEN FINED FOR NO LICENSE

Dan Shelby, commercial fisherman, was charged in Judge John D. Wendell's County Court this past week with operating a fishing boat without a license, and fined \$100 and costs, for a total of \$129, after he had entered a plea of guilty.

ROCKPORT CEMETERY ASSOCIATION TO MEET

Cub Scout Den 4

Cub Scout Den 4 met on Tuesday afternoon at the home of Mrs. N. F. Jackson, den mother, with six cubs, the assistant den mother, Mrs. W. D. Edwards, and the den chief, Raymond Ingersoll, present. Andy Everett conducted the opening flag ceremony, and the business meeting was presided over by Denner Gary Tuer. Bobby Ray Edwards told a story to the den, thereby completing all the requirements toward his Wolf badge. He also has completed all the electives for a gold arrow and two silver arrows for this badge.

The minutes of the previous meeting were read by N. F. Jackson, Jr., keeper of the buckskin, and Gary Tuer was assigned the flag ceremony and Andy Everett the refreshments for the next meeting. Plans were completed for a den picnic-hike to be held at 8:30 Saturday morning, October 20, when the den will make a nature study of the area around the Girl Scout Camp Copano.

Chris Sorenson was host for the refreshment period, following which the cubs planted sweet potato plants and began construction of "Nature Peek Boxes" for display at the October Pack meeting.

Cubs present were Andy Everett, Jack Gwynn, N. F. Jackson, Jr., Bobby Ray Edwards, Chris Sorenson, and Gary Tuer, along with the den mothers and den chief.

Den 3

Den 3, Cub Scouts, met with the den mother, Mrs. Cutcher, and assistant den mother, Mrs. Walter Cassell. The boys present were: Billie Cutcher, Michael Brooks, Tommy Cassell, Tommy Welch, Billie Wilson, Tommy Thompson, and Bubba Morrison, Tommy Welch acted as host, serving Coke and cookies.

Den 2

Den 2 met with Mr. and Mrs. Ernest Russell and Mrs. W. A. Ormand Tuesday afternoon, Eric Henderson and James Russell opened the meeting with a flag ceremony. Denner Edwin Chester called the roll, to which each cub answered with the cub scout promise.

During the activity period instructions were given on folding a flag.

Ant observation nests were cared for and observed.

Here's what put the magic in the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through-and-through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer... so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform... a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever.

The handling got easier. Poised and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need*... plus a new Mileage Maker Six.

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

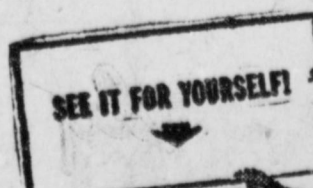

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater... the price is still Ford-low.

*A Special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 engine delivering up to 255 hp.

So now you know the magic of the '57 FORD!

COUNTRY CLUB NEWS

Mrs. Carl Erickson, of Aransas Pass, won the ladies golf tournament at Live Oak Country Club this past week, being crowned club champion. Mrs. Ed Bernard was runner-up and Mrs. R. R. Rice took the consolation prize in the championship flight.

In the first flight, Mrs. Joe Johnson was the winner; Mrs. Moreland Bexley took the consolation. In the second prize, Mrs. G. F. Spears was winner, Mrs. Alex Scott took the consolation. There were sixteen players in the tournament.

Local Students At U. C. C.

Two students from Rockport and four from Fulton have enrolled for the fall semester at the University of Corpus Christi.

The students are: Mrs. Bertha Gilley of Rockport; and Cecil Casterline, son of Mr. Frank K. Casterline of Rockport.

Those from Fulton are: Leslie Cole, son of Mrs. Birdie Cole of Fulton; Victor Dervage, son of Mr. and Mrs. Alva Dervage of Fulton; Mr. and Mrs. George Merri-man.

UCC enrollment has reached 580, the registrar's office has announced. This is an increase of thirteen percent over last year.

Circle 2 Presbyterians Meet At Church

Mrs. J. T. Slocum was hostess to the members of Circle 2 of the First Presbyterian Church, Thursday afternoon. Frosted coke and home made cookies were served on the arrival of the guests.

Mrs. E. C. Ricks gave the lesson, assisted by Mrs. Oliver Brundrett, Mrs. Ted Atwood, Mrs. Richard Burdin and Mrs. Osborn. The monthly emphasis on "Church Extension" was presented by Mrs. S. F. Jackson, who led the group discussion. In the business session, presided over by Mrs. J. H. Schleider, eight members answered roll call. The monthly visitation report showed that twenty five visits had been made by eight members and twenty five cards had been sent.

Announcement was made of a "Retreat" to be held in Taft, Sunday, October 28 from 2:30 to 6 p. m.

Mr. and Mrs. Rex Littleton and children and Mr. and Mrs. L. B. Farrell and children of Houston spent Sunday with Mr. and Mrs. Zeph Rouquette.

models. Free coffee and doughnuts will be served Friday and Saturday.

The customer has his choice of 460 model-color combinations, almost one-third more than available at the outset of 1956 production.

Here's how the variety in models stacks up:

Bel Air — Two- and four-door sedans, two-door sport coupe, four-door sport sedan, convertible, Nomad station wagon and four-door, six-passenger station wagon.

Two-Ten — Two- and four-door sedans, two-door club and sport coupes, four-door sport sedan, two- and four-door, six-passenger station wagons, and four-door, nine-passenger station wagon.

One-Fifty — Two- and four-door sedans, utility sedan and two-door, six-passenger station wagon.

Corvette — Two-passenger sport model with manual or automatic fabric or solid plastic top.

Overall length of the passenger cars is increased to a total of 200 inches with wheelbase remaining at 115 inches. The lowered hood emphasizes the horizontal sweep of body lines and the flared rear fender fins for balanced beauty. The conventional hood ornament is replaced by twin lance-shaped windsplits. Headlamps are farther apart than in the 1956 models.

Widest color choice in Chevrolet's history is offered. The total of 460 model-color combinations compares with 364 at the outset of 1956 production. Of the 17 exterior colors, seven are new. There are 16 solids and 15 two-tone selections. Two-tone paint is available on all models except the convertible.

Seats, fabrics and instrument panel carry the most striking Chevrolet interior styling changes for 1957. Front seat backrests are of a slim, tapered Gothic design, giving roominess and elegance.

A wide array of pattern cloths and vinyls, featuring modern finish designs, are color-keyed to exterior paints.

Front seat headroom has been increased in most models while front seat legroom has been added in all sedans and coupes.

With the lower hood, windshields have greater visibility area than previous Chevrolets. The glass increase ranges from 69 to 75 square inches through the model lineup.

Instruments are concentrated under a deep, flat hood superimposed on the dash panel crown. Full-face gauges with red indicators are easy to read while tell-tale generator and oil pressure lights are located at the top of the unit where they are readily spotted. Similarly, green button-spots in the cluster serve as flashers for the turn indicator.

A completely new ventilation system operates by air passing through intake screens over each headlamp. The air reaches the passenger compartment through louvered outlets at either edge of the dash. This system delivers up to 746 cubic feet of air per minute at 60 miles an hour while providing greater water draining capacity.

Just out and just wonderful!

SEE THE '57 CHEVROLET FRIDAY! IT'S SWEET, SMOOTH AND SASSY!

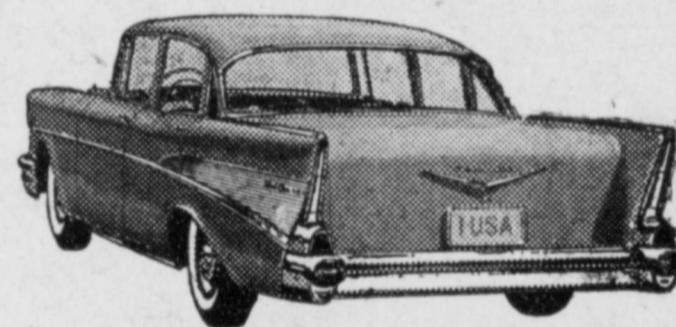

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including fuel injection!

New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

The new Bel Air 4-Door Sedan—one of 20 striking new Chevies.

*270-h.p. engine also available at extra cost. Also Ram-jet fuel injection engines with up to 283 h.p. in Corvettes and passenger car models.

Pirates Beat Woodsboro 18-7

The Aransas County Pirates bounced back with two fourth quarter touchdowns last Friday night to win a district 31A football game by a score of 18-7 over the Woodsboro Eagles.

The Pirates scored first in the second quarter on a 25 yard run by halfback Tommy Bradshaw. This lead they held until early in the fourth quarter.

Woodsboro recovered a Pirate fumble on the Eagle 25 yard line. Halfback Lee Roy Terrell broke through the Pirate defense and went 75 yards. The extra point try was good as the Eagles went out in front by a 7-6 score.

After taking the kick-off, the Pirates moved the ball down to the Eagles 28 yard line. From this point, Tommy Bradshaw found end Ray Washington open on the 15. Washington took the pass and went the remaining distance for the score. After the kick-off, the Pirates took advantage of an Eagle fumble and recovered a loose ball on their opponents 40 yard line. Eugene Satsky on a quick opener broke through the Woodsboro line and went 40 yards for a touchdown.

Bobby Close played an outstanding game from his defensive guard position. He was aided by some stout play from Mickey Casterline, Clyde Townsend, Jerry Iles and Ray Washington.

The Pirates lost the services of Tommy Bradshaw for the season as he suffered a cracked vertebrae. His condition isn't serious but he has to take it easy for the next several weeks.

Wm. W. McClendon Will Attend National Meeting Of Engineers In Penn

William W. McClendon, consulting engineer of Corpus Christi and Rockport, recently elected president of the Corpus Christi Branch of the American Society of Civil Engineers, which embraces the counties in the Gulf Coast area, accompanied by Mrs. McClendon, has gone to Pittsburg, Pennsylvania, for the National meeting of the American Society of Civil Engineers which is in progress this week.

Following this meeting Mr. and Mrs. McClendon will spend a few days in Washington with Mrs. McClendon's aunt, Mrs. R. S. Fleming and with Mr. McClendon's sister, Sarah McClendon, who is a syndicated writer for many newspapers. Mrs. Fleming last year visited in Corpus and Rockport with the McClendon's at their Fulton beach home.

Following which, they will proceed to White Sulphur Springs, West Virginia, for the meeting of the National Society of Professional Engineers the week of Oct. 25th, of which Mr. McClendon is also a member.

Mr. and Mrs. McClendon will be gone approximately three weeks.

U. S. Tanker Sets Record

An American oil-industry tanker — one of the largest in the world — recently completed her maiden voyage with a record-smashing 386,000 barrels of crude oil in her tanks, which if transported by rail would require 1,304 standard tank cars in a train nearly 10 miles long.

Because of their efficiency of operation, supertankers are being used for more and more of the world's oil hauling. It is estimated that 250 of these mammoth ships will be hauling oil by 1960, compared with 70 in 1955.

San Antonio-1200; KRIS, Corpus Christi-1360.

Texas and Arkansas play in Austin. Bob Walker and Dave Smith will be there to broadcast the action and color beginning at 7:50 p. m. (CST) over KTRH, Houston-740; KENS, San Antonio-680; KRIS, Corpus Christi-1360.

Mrs. W. S. Sanders Hostess To Circle

Mrs. W. S. Sanders was hostess Thursday night to the W. M. U. of First Baptist Church. The group met on the back lawn. As a devotional scriptures were read relating to Jesus as a friend, with prayer led by Mrs. W. J. Moss. Mrs. Sanders presented to the Women her plans for Community Missions for the first quarter of the new church year.

After the closing prayer, refreshments of sandwiches, pumpkin pie and iced tea were served to Mesdames W. R. Stephen, W. S. Coaker, Lonnie Wright, Roy Mullinax, John McLester, W. J. Terry, D. R. Simmons, Wellman, Wallace Lassiter, W. J. Moss and Sanders.

Tourist Promotion Committee Meets Discusses Game Nights

The Tourist Promotion Committee of the Chamber of Commerce met Tuesday night to plan game nights for the winter tourist season.

Mrs. Charles Roe, Sr., reported that the Women's Club had agreed to take over the handling of the weekly bridge games, and that they intended to start in November.

Alex Scott was appointed chairman in charge of the bingo games, and these, it was decided, would run during the last week in December, all of January and February, and the first two weeks in March.

Mesdames W. D. Broadway, G. A. West, Mabel Thompson, Lillie Calvert, Lonnie Wright and Roy Mullinax attended the Annual meeting of Woman's Missionary Union of Blanco Baptist Association, at Woodsboro Thursday.

Johnny Sapp, of Houston, visited friends in Rockport last week.

Sue Armstrong spent the week end in Falfurrias with Ann Knox.

Mrs. Bertha Harper and Miss Minnie Oertling attended the funeral of Mrs. Sam Brewer in Taft Thursday morning.

Circle Five Meets

Circle No. 5 met at the Idylwild Motel Thursday morning, Oct. 11, 9:30 a. m. with Mrs. Ted Little as hostess.

Refreshments of coffee, Coke and cinnamon rolls were served to the 12 members present before the meeting.

The lesson was "My Son Timothy" and was given by Mrs. Floyd Smith. "Lets talk about the Rural Southland challenges the church" by Mrs. Geo. Lee Brundrett.

Mr. and Mrs. L. V. McLester, Mr. and Mrs. Elmer McLester and Joan met Mr. and Mrs. Larry Childs and children in Houston Friday morning. Mr. Childs received his discharge in New York after returning from service in Germany. They all went to Galveston to visit with Mr. and Mrs. Fred Ashley and son and returned to Rockport Saturday morning.

Mr. and Mrs. Glenn Mundine and Harold visited with Mr. and Mrs. Ray Tanner in Port O'Connor last Thursday.

Mrs. Sherman Mundine visited with Mr. and Mrs. Wesley Wilson in Seadrift last Thursday.

Mrs. A. C. Ricks and sons of Beeville visited with Mr. and Mrs. E. C. Ricks and Vicki over the week end.

Junior High Tarpons Defeat Bishop 16-0

Last Thursday night the Aransas County Junior High Tarpons defeated the Bishop Kittens 16-0 with Joe May and Donnie Blissit scoring a touchdown each. The Tarpon defense did not allow the heavier Kittens a first down during the game and the defense also got into the scoring act by tackling a Bishop ball carrier behind the goal line to put two additional points on the score board.

This was the second straight win for the Tarpons as they shut

out the Aransas Pass team 6-0 in a close game the previous week. Daniel Aleman carried around right end for the TD after Tommy Dowdy had intercepted a pass and carried the ball back to the Aransas Pass 8 yard line to set up the Aransas Pass win. The only loss sustained to date was to the Ingleside Kittens in the initial game of the year 14-0. Ingleside scored their two TD's on long pass plays and thus far in three games the Tarpon defense has not allowed a touchdown to be scored against them on the ground. In the same three games

the defense has allowed a total of six first downs to their opponents. This Thursday night the Tarpons will meet the Sundeen Eagles at 7:00 p. m. on the home field. The game will immediately follow the high school "B" game which will start at 5:30 p. m.

Mrs. John McLester is in Vidori this week visiting her sister, Mrs. Hollis Wright.

For Sunday dinner, Mr. and Mrs. Roy Mullinax and Judy had as their ugest Mr. and Mrs. Noble Evans and children of Aransas Pass and Mr. Clark Powell of Rosenberg.

Barnyard "WHOOdonit"

The Barn Owl Controversy still rages in our town. One group claims owls should be protected because they eat vermin. The other faction holds that those little howlers also eat chickens ... and should be shot.

Now Pops Parker claims both parties are right. All owls clean up vermin. Some owls also clean out an occasional hen yard.

The way to spot a bad owl, according to Pops, is to put up a 10-foot pole in the chicken run with a No. 2 trap on it. A marauding bird generally perches to

look over the situation before he strikes, giving you your evidence, and the culprit!

From where I sit, I doubt if this will end the owl argument. People have different opinions on the subject - just as they have different opinions about whether beer, tea or what-have-you makes the best thirst quencher. Examine the facts and make up your own mind, I say ... and be thankful we live where that's possible.

Texans Find Ike Stands For Same Things We Do

A fellow was in our town the other day selling men's suits. He was from St. Louis, and he said he was a manufacturer's representative. Grandpa would have called him a dry goods drummer, and Papa would have referred to him as a traveling salesman. This shows you how things change with time. But actually that fellow from St. Louis was doing just about what the earlier visitors did—trying to sell suits.

You might say that he stayed in the same place but the names went off and left him. Reminded me some of the political situation in Texas.

I was reading a letter in the daily newspaper last week, from a man who said he was going to vote for Eisenhower. "I am a Democrat," he wrote to the editor of the paper, "but I feel like the party has run off and left me."

Come to think of it, a lot of conservative-type Texas Democrats are in that shape today. They haven't changed their views much on such things as local control, government spending, bureaucratic red tape, and freedom of the individual; they still travel down the same road they did 20 or 30 years ago, even if they do it at 70 miles an hour instead of 25.

They grew up believing that a man could live down nearly any-

thing except voting for a Republican. They always voted 'er straight, until a good many of them jumped over the traces in '52 and went for Ike.

"I can't figure out what's happened," one of them told me. "Seems like Eisenhower talks like a Democrat and Stevenson talks like a college professor."

The other day this same fellow said: "I think I've got it figured out. Ike stands for the things us Texas Democrats have always stood for. Adlai is too thick with Walter Reuther and that crowd to suit me. I'm going for Ike again."

That's the way with most folks in our town. They decided to give Ike a try at it in '52, and they like the way he has gone about the job. There are some things they wished he'd done a little different, but by and large they think he has made us a fine President. At least all the hometown boys are back from Korea, and as far as we can tell the government is being run honestly.

Somebody asked that Missouri suit salesman how Mr. Truman was getting along, and he said he didn't know. "He isn't in the clothing business any more," he explained. "In fact, as far as I can tell, he is clear out of all kinds of business."

Yours Truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Dear Friends

A farmer friend of ours paid Humble's field men a fine compliment recently.

He said, "There's one thing about you Humble people, you close gates."

Well, of course we do.

All of us at Humble want the good will of the folks with whom we do business. And among those folks, the farmers and ranchers who lease their land to us for exploration and production are right at the top of the list.

In fact, you farmers are partners with us in the development of a vital natural resource. If our efforts are successful then everyone involved benefits.

Keeping the gates closed and the fences mended—things like that are the least we can do.

We know. A lot of us grew up on farms and ranches.

Plans were completed for the annual meeting of the Whooping Crane Council to be held in Rockport, November 5, at the regular Rockport - Fulton neighborhood meeting on Friday, October 12.

Neighborhood chairman, Mrs. James B. Jackson completed appointing various committees for the event, including committees for the social hour to follow the program.

Brownie leaders, Mrs. Jack Taylor and Mrs. L. C. Taylor announced that girls from troop 58 sold almost 12 cases of nuts last Saturday.

Mrs. Arley Shivers presented for the nominating committee the names of Mrs. James B. Jackson and Mrs. Chester Johnson for the offices of neighborhood chairman and treasurer. They were re-elected by acclamation.

Other routine business was conducted and committee reports heard.

Brownie troop 43 met at the Grounds of the Fulton Baptist Church on October 11 for its regular meeting with its leader, Mrs. F. L. McCord.

The business meeting was held outdoors where the girls also discussed the problems involved in keeping uniforms neat. Each girl inspected her uniform and repairs were made, buttons replaced, etc.

The second portion of the meeting was conducted inside where Mrs. Bill Clark assisted the troop with singing old songs and learning new ones. Mrs. Clark has volunteered to work with the group once a month as its program consultant in music.

In a short ceremony including the Brownie promise and a flag ceremony, membership stars were given each girl according to the number of years in scouting. Karen Large received one star and the following received two stars each: Lynn Campbell, Carla Utley, Darla Utley, Sallie McCord and Florence Casterline.

Mrs. McCord has announced that more Brownies can be taken into this troop and mothers of girls desiring to enter may contact Mrs. McCord.

Refreshments were served the group by Karen Large.

Brownie troop 58 held its regular meeting at the Little House on Wednesday, October 10 with leaders, Mrs. Jack Taylor and Mrs. L. C. Taylor. After the calling of the roll and collecting of dues the group enjoyed a cook-out.

The girls were taught a basic method of fire-making and cooked "Robinson Crusoes". A new grace was learned and repeated before the meal. In the clean-up various girls washed dishes, dried, swept, picked up papers and put out the fire.

After a short game session, the meeting ended with a friendship circle.

Girl Scout troop 32 met at the First Presbyterian Church for its regular meeting on October 16.

The main activity for the day was work on the flag ceremony which this troop will conduct at the annual council meeting on Nov. 5.

It was decided to adopt the Cardinal as a troop crest.

After a game session, the group formed a friendship circle ending the meeting with a prayer and "taps".

Sandra Arrington, assisted by Janice Garrett and Kaaren Goodsell, served refreshments to Mrs. Wilson, a guest, Mrs. J. B. Jackson, leader, and the following girls: Georgia Couser, Jean Miller, Carla Lee, Azalea Shivers, Diana Waggoner, Janice Garrett, Darlene Evans, Betsy Sparks, Betsy Fields, Suzanne Keith, Tamara Camehl, Nan Jackson, Terri Wilson and Judy Deason.

Family Night Supper At Presbyterian Church

The season of Sel-Denial and Prayer was emphasized at the First Presbyterian Church, Wednesday night.

A family night supper was followed by class room study periods for primary, juniors, pioneers, seniors and adults.

Mrs. Mary Juergens conducted the primary class room session, Mrs. Rush Morrison, the juniors, Mrs. Clyde Hayden, pioneers and Hugh Morrison, the senior group. For the adult group, the Rev. A. Arnott Ward gave a resume of the Women of the Church study book, "A Bright Future for the Town and Country Church."

The invocation was given by the Rev. W. H. Morrison and special music was presented by Mrs. James G. Hooper and Mrs. A. L. Bachman. The program closed with the showing of the film "Missionary to Walker's Garage" with the entire group present.

For the supper table, the church was the central theme. A church on a reflector marked the speaker's table and miniature churches were stationed at intervals down the long tables with miniature Christian flags marking each place.

Mrs. S. F. Jackson, chairman of Church Extension for the Women of the Church, was in charge of the program.

Examination For Highway Patrol Will Be Held

The Texas Highway Patrol will conduct examinations for recruits on October 25, 26 and 27th. The examinations will be given in Harlingen on Thursday the 25th, in Corpus Christi on Friday the 26th and in San Antonio on Saturday the 27th.

General requirements for appointment to the Texas Highway Patrol are: age 21 to 35 years, minimum height 5 feet 8 inches, weight in proportion to height, be in excellent physical condition, have a High School education or its equivalent. In addition applicants must be citizens of the United States and residents of the State of Texas for at least one year immediately prior to filing the application. They are also subject to a rigid character investigation.

Any person interested in making application should write to W. J. Elliott, Chief, Texas Highway Patrol, Box 4087 North Austin Station, Austin, Texas or to Texas Highway Patrol, Box 5177, Corpus Christi, Texas.

Marine News

Applications have been made to the District Engineer's Office at Galveston for extension of time limit to complete work authorized by Department of the Army permits in navigable waters as follows:

Redfish Bay and other navigable bodies of water: Permit No. W-N-243-41-PERMIT-2358, issued to the Independent Exploration Company, authorizing seismic exploration in Redfish Bay, Corpus Christi Bay, Nueces Bay, Baffin Bay, Alazan Bay, Cayo del Infernillo, Laguna Satada, Cayo Henojoso, Cayo del Grullo, Cayo del Mazou and Laguna Madre central to a point approximately 24 miles east from Sarita, Kenedy County, Texas.

Aransas Bay: Permits No. W-N-243-41-PERMIT-2503, issued to the Humble Oil & Refining Company, authorizing the placing of a 2 1/2-inch pipe line in Aransas Bay at a location central to a point approximately 5 miles northeast from Rockport, Texas.

Mr. and Mrs. Jack Sparks and Kay spent the week end in Falfurrias.

Lt. Comdr. James L. Fitzgerald of Corpus spent the week end with Don Banning.

Pirates To Play At Flour Bluff

The Aransas County Pirates will be seeking their fourth district win tomorrow night when they tangle with the Flour Bluff Hornets in Flour Bluff.

Although the Pirates will be without the services of Tommy Bradshaw, they are still favored over the Hornet eleven. Bradshaw is lost for the rest of the season. He suffered a cracked vertebrae in the Woodsboro game last week. John Cabaniss, sophomore halfback, is expected to fill in that position to round out the backfield.

There will be a double header football card at Pirate stadium tonight. The high school "B" team will play at 5:30, followed by a Jr. High game at 7:00 p. m.

Future Homemakers Schedule Bake Sale

The Future Homemakers of America have scheduled a bake sale for Saturday, October 27. Orders will be taken in advance and those wishing to take advantage of this service should call 6193 at any time during the day. After 4:30 on weekdays, and on Saturdays and Sundays, call 6136.

Tales Of Old Lamar Academy Say Scholars Carried Off By Indians

Along the northern shore of Aransas Bay, on Lamar Peninsula near Goose Island State Park, stand the remains of one of the earliest schools in the region, the Lamar Academy. The buildings, of shell concrete manufactured from the oyster reefs of the bay, are in ruins now, only a portion of the kitchen and house still standing, but in its heyday, the Academy was a girls' school that taught many of the young ladies of the region.

Tales of how it was founded differ. Harry Traylor, local historian says that Professor O'Connor, a graduate of Princeton, established it. "He wore a top hat and side-burns", Traylor said. "He didn't die until 1854, and he's buried in the old Lamar Cemetery. Miss O'Connor, his sister was a teacher, and after he died, she carried the school on."

According to Mr. Harry, the girls paid thirty five dollars a month for room and board and tuition, and had to help with the chores, even to driving in and milking the cattle. One afternoon, two of the girls were kidnapped by the Comanches and carried off to Oklahoma, living with the Indians for a long time, before they were finally ransomed.

Another historian of the area, Robert Huson, of Refugio, whose History of Refugio County is the standard work on this region, had a somewhat different tale to tell.

In volume one of his history he says:

"The Lamar Academy was founded by Mrs. Jane P. O'Connor, a kinsman of Captain James W. Byrne (founder of old Lamar), in the early 1850's if not the late 1840's. Mrs. O'Connor was undoubtedly a cultured and brilliant woman, and a great educator. The Academy was conducted by her until about 1870."

The school was well patronized by substantial families of the area. Those living away from Lamar sent their children to board in the town, either with Mrs. O'Connor or with friends, and some families even moved to Lamar and lived there while their youngsters were completing their education.

Mrs. O'Connor later availed herself of converting the Academy into a common school district of Refugio County, at the same time preserving its status as an Academy.

James C. Herring, Jr. Written Up In Corpus Christi Paper

James C. Herring, Jr. formerly of Rockport, was written up in Sunday's issue of the Corpus Christi Caller-Times, in connection with oil week activities. The Caller compared him to a police officer of a sort, "with a sizable chunk of territory to keep up with. Head of the Corpus Christi office of the Texas Railroad Commission, he polices the oil activities of a 15-county area from Aransas south to Webb County. Herring, who has been with the office since 1952, says that his foremost duty is to insure "equitable withdrawals of oil and gas from our reservoirs."

Miss Bonnie Scott, of San Antonio, has moved to Rockport to make her home with her parents, Mr. and Mrs. G. W. Scott.

Diamond Core Bits Costly, Serviceable

Diamonds are an oil man's best friend — in tough drilling areas. Half-carat industrial diamonds are welded onto core drilling bits to give the tools more "bite."

Some of three rock bits — veritable "Big Berthas" of the oil industry — are set with as many as 730 fairly uniform, half-carat stones, and cost over 3,500 dollars. Because of the experience involved, diamond coring bits are not used when another tool will do the job.

The diamond core bit is a good example of the costly tools that oil men must constantly perfect to help them in their never-ending race to keep ahead of consumer demand for petroleum products.
