## Elks Defeat Morton

The Elks departing for Dimmitt to Play Morton Saturday evening.

The Elks started off the season on the right foot by beating Morton 12 to 7 Saturday evening at Dimmitt. Scoring the first touchdown in the first quarter and the remaining touchdown in the 4th quarter. Jimmy Muir scored both touchdowns. The Elks will meet the Dalhart Wolves Friday evening Sept. 12 at Dalhart.

Coach Dollar says that they played good defense to hold their running game to just 104 yards. The Elks four pass interceptions allowed us to stop Morton from scoring several times. Eddie Williams and Judd Butler had a good game on the offensive line.

The backs Jimmy Muir, Gared McBryde, and Mike Powers had a good game. Each rushed for over 50 yds.

Coach Dollar said "Our inexperience in the offensive line caused us to have some problems during the first half, but I think this area will be one of our strong points with a little more time."

Parker Johnson and Doug Pittman did a good job of running our offense. Doug

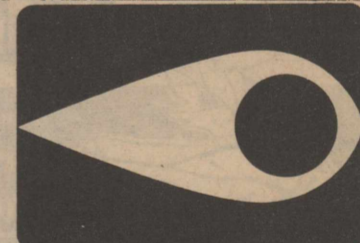

completed two passes for 39 yards and several others were dropped.

Our next opponent, Dalhart has an excellent team. They have excellent size in their line. They return six starters on offense and defense. In order for us to defeat Dalhart we must cut down on our turnovers.

# SCOT Notes

by Timmie Brown

Today Sept. 7, 1986 with a temperature of 50 degrees in the morning, and a long cloudy misty day makes Senior Citizen's begin to wonder what shape our winter coats are in; doesn't it?

First in order is congratulations to our newly chosen Old Timer King Bob Burgess and Queen Velma King Wyatt. Bob is counted a S.C.O.T. member in Stratford and we know Velma would be a member if she lived here-she supports activities in Stratford. By the way, Bob has a birthday this month! Best Wishes to King Bob and Queen Velma. May the year 1986-87 be the best year of your lives, is the word of commendation from all Sherman Co. Older Texasns. Scot Hall will be open on Saturday at hours 9-11 a.m. for visitors for their convenience in case out of towners have not visited our facility. You are welcome.

Birthday Party time is Sept. 19, 1986 Friday at 7 pm. at Scot Hall. Birthday folks are Bob Burgess, Opal Biddy, Russell Terrel, Oma Ellison, Lola Ward, Lorel Haile, Jim Taylor, Betty Lou O'Brien, Jane Willey, Geneva Wisdom, M. L. Mitts, Hazel McBride, Georgia Cook, Ollie Massey and Alma Lee McMahan. We hope the telephone committee makes a special effort to contact each one and make them feel they are an important "Older Texan" and that we want to give them special recognition on their birthday. They are important. Let the rest of us be present to greet them.

At the Steering Committee meeting in August Director Ethel Hampton had a report from the Area stating the activities of all Senior's organizations in the area. We noted the following activities that are possibilities for our organization. It seems that meals served at the meeting place is the key to getting Senior Citizens together in many places: we found listed art classes, Singing groups, instrumental music, weekly bingo, Reading appreciation groups, hearing clinics, one organization had Bible Study, Movies, rented thru the Library, knitting classes. We know that at one time a group asked about Art here.

We have so much talent in our community that needs to be put to use for the happiness of Senior Citizens. Working with wood carving or construction is a very fulfilling activity. Think about these things-all for the good of the order and involvement our people. S.C.O.T. is our Senior Citizen organization and will grow into usefulness to the extent that we put out the effort.

This next week, Sept. 7-13 is a very busy week community wise and the week will be half over when this writing is in print. Preparations are in full gear for Stratford Fair and Jamboree culminating in the parade, barbeque and old timer reunion on Saturday. If there is one Citizen in Stratford, young or old, who isn't involved or interested in this all-out effort, he(he) what ails him(her). Maybe this cloudy weather this week-end presages sunshine for Sept. 11, 12, and 13th. Numbers of people are invigorated by cool, cloudy weather. However weather is one thing we can do nothing about. Let's prime our bodies, take everything in stride, be out and around and enjoy all that is going on. Its a great time!

Mrs. Womble of Spearman, Jeannie Bennett's mother, was a visitor Family Night at the Country Club. It was our pleasure to meet her. The Womble's are Old Timers in Hansford Co. as you readers well know.

Director Ethel Hampton has been vacationing and visiting relatives for a few days.

Leslie Wells of Amarillo has been visiting her grandmother, Doris Parker and relatives. During our conversation we learned that Leslie designed the Logo for the Stratford Star.

While visiting with Geneva Bell we learned that Billy Bell her son is home on crutches after a bad encounter with a tractor, leaving him with a broken ankle. Geneva is one of our S.C.O.T. supporters although she has not lived in Stratford very long.

We read of the death of Mr. York who was Olinda Boardman's father. Olinda

and Bob live in Amarillo, now. They are a much loved couple in Stratford. We send love and prayer support to Olinda from all Scot members and personally at this time of loss.

Dorothy Frizzell, Judge Frizzell's mother, is improving healthwise and expects to enter Coldwater Manor this week. Jack Frizzell is scheduled to undergo surgery today (Monday-Sept. 8) correcting injuries of long standing. S.C.O.T.'s best wishes and prayers go to each person mentioned.

During this last weekend, Jimmy Jackson honored wife Peggy with a surprise anniversary party. The occasion was their 40th anniversary and the place was the Lodge at Spanish Peach Ranch near Trinidad, Colorado. Stratfordites attending the party were Irene and E.W. Butler, Betty and Baskin Brown and Mary Grace and Owen Hudson. Best wishes and congratulation to the Jackson from all S.C.O.Timers. The folks named are all active members and supporters of our S.C.O.T. organization.

Sherman County Older Texans congratulations and appreciation got to P.J. Pronger. He has lately become Executive Director at the Don Harrington Discovery Center in Amarillo. P.J.'s name relates his genealogy to S.C.O.T. folks and we have written of him before. However, we wish to tell readers again that his late mother is Vera Harrison Pronger and her parents are the A.L. Harrisons former Stratford Citizens. Just wish to pay tribute to Mrs. Pronger as a lovely lady who left a deep imprint on our own life. Encouragement and Congratulations again to P.J.

And now Scotters and friends, let's be about the business of living, carrying out our responsibilities in S.C.O.Texas style-leaving friendly shoulder-pats and "We love you's" scattered along the way this week. Be Happy!

# Kerrick News

by Marylou McDaniel

Enjoying seven freezers of ice cream plus numerous cakes, etc., Kerrick Community Club met August 29. Hosts were Nadine and Warren Miller and Nita Mae Taylor.

Present were Mary and R.J. Hill, Diane, Eric, T.J. and Tasha McDaniel, Newt Crabtree, Martha and Donnie Ellison, all of Stratford.

Also Doug and Mandy Taylor, Robin Bossell, Virgie Mathews, Hank Rogers, Andy James, Joyce and Ted Irlbeck, Minnie and Ralph Hampton, Barbara, Terry and Brady Schoonover, Pat and Bill Boren, Franny Taylor, Gayla, Trew, Levi and Thea James, Lynn and Kenneth Wells, Jo June and Kayo McDaniel.

Fred and Marylou McDaniel went to "Fred's Spread" August 28 and returned Sept. 3. Joining them for the long weekend was daughter Patti of Denver. Katie and Bill Allen were at "Allen's Alley". There was a lot of fishing going on!

Sunday four couples from the Panhandle who were attending the races in Raton drove up for breakfast and a short visit.

It's been rain and more rain! Saturday night Kerrick had .25 with .70 at Boren's farm and .40 at McDaniel's. Labor day weekend the Hamptons registered 3.50 to 4 inches. The rain kept the Hamptons busy building dams to divert the rain from their house and barn area! Ben Tom James recorded 1.30 Saturday night.

Saturday was "Crabtree Ladies Day" and they went to visit Jesse and Flora James in La Junta, Colorado. Virginia James Kemper, their daughter, was also there from Lafayette, Co. Mabel Rogers went along with Joan Crabtree, Mary Crabtree, Judy Potter and Lynn Wells.

Mabel Rogers hosted a

Home Interiors Party Monday, then several went to Stratford to work on a float for Saturday's parade.

Lynn Wells and Franny Taylor judged at Inter-State Fair in Dalhart on Thursday. Ted and Joyce Irlbeck spent the weekend with her parents, Ernest and Bessie Palmer in Amarillo. Plans were that Ernest would be moved to Park Place Towers from St. Anthony's later this week.

Enjoying Sunday dinner with Kayo and Jo June McDaniel were John and Terry McDaniel, Texhoma, Whit, Diane and kiddoes, Stratford.

Derrek Wells spent Saturday night with his grandparents, Kenneth and Lynn Wells. He came from Austin with his mother, Jode Huling who visited with her parents, the V.O. Lasley's.

Sue James and her mother, Drennan Kaiser of Canyon, showed at the Cimarron, N.M., Arts and Crafts Show over Labor Day. Earlier Mrs. Kaiser won the Craft Ribbon at the Eagle Nest Show.

Sue James brought home two trophies from Inter-State Fair, Reserve Champion Ewe and Grand Champion Ram.

Janet James Huston is reported doing better in Amarillo.

Sunday Terry and Barbara Schoonover attended the Coldwater Community picnic.

Nita Mae Taylor, Kenneth Borth, Dorothy and J.A. Robbins attended the races at Raton.

Cindy James, sister of Brad and Jeff, started working at their Younger James Brothers Mercantile about two weeks ago. Cindy lives in Boise City. She works from 8 to 6.

Brenda Taylor spent Labor Day weekend with her mother, Franny Taylor. On a trip to Dumas they visited with Thelma and Duane Smith and the Gordon Folkers of Boise City who were there also. Sunday they enjoyed dinner out with Mildred and Bob Robinson in Boise City.

Whoever "borrowed" Richard James' battery from his pickup Labor Day weekend can return it to somewhere in Kerrick with his name on it and no questions asked!

Lasting marriage is when both partners can say: "I'll be loving you all weighs."

# Helpful Hints

by Naomi

If you have any shrunken woollens, put hair creme rinse in water about half and half and let garment soak and hour in it.

When making custard, drop a marshmallow into each custard cup before pouring the custard mixture. During the baking, the marshmallow will rise to the top and melt forming a decoration.

It is easier to make buttonholes in thin material if you first rub a little library paste on the wrong side of fabric. It will wash out later.

When there is odors such as onions or cabbage cooking just put 1 tsp. cinnamon and cloves in a pan of hot water let simmer few minutes it can be used over next day several times.

**Out on the JOB WATCH UP FOR POWER LINES**

Out on the job, power lines bring needed electricity to the site. But they can be dangerous... if you don't watch up! You need to be especially careful when you are handling re-bar, pipes, scaffolding, or tools that are long enough to contact overhead lines. Contact with power lines is also a potential danger to operators of front-end loaders, dump trucks and any other equipment of unusual height.

Keep an eye up for power lines. Watch up, for safety's sake.

## Volunteer Wheat Can Hurt New Crop

Volunteer wheat in summer fallowed fields may look innocent enough, but these rogue plants can significantly hurt the coming wheat crop and should be eliminated.

"The problem is that volunteer wheat hosts a growing number of insects and diseases reduce grain yields and frequently require one or more applications of expensive fungicides or insecticides. Such problems could be avoided or reduced by one or two light tillage operations or the use of an effective herbicide," notes Dr. Travis Miller, an agronomist with the Texas Agricultural Extension Service, The Texas A&M University System.

Evidence is mounting that volunteer wheat is responsible for a good portion of the rust problem that has plagued the Texas wheat crop the past two years. Favorable weather conditions and huge acreages of susceptible wheat varieties have added to the problem.

"Informal surveys in several areas of the state are revealing the presence of leaf rust in volunteer wheat

this summer," says Miller. "A good job of volunteer wheat destruction will reduce early rust infestation and may impact the process of rust in the field next spring."

Other problems aggravated by volunteer wheat overwintering in fields are the brown wheat mite and wheat curl mite along with wheat streak mosaic virus complex (for which the wheat curl mite serves as a vector). Destruction of volunteer wheat, which is the host prior to planting, is the best and least costly control of these mites and the virus disease they cause, explains the agronomist.

The Russian wheat aphid, which has gained considerable notoriety since its discovery in Texas wheat last March, will readily survive on volunteer wheat and wheat grasses which are found in fallow wheat fields, according to Miller. He recommends careful seedbed preparation and destruction of volunteer wheat and grasses in and around wheat fields to reduce this pest's habitat and initial infestation levels.

# Welcome To The 1986 Fair & Jamboree

Henry and Velma Wyatt on their 25th wedding anniversary 1973.

Velma's children, Rex and Christine Williams, about 1942.

Velma, right, and sister, Marguerite 1916.

On a warm August afternoon, Dorothy Halle and Marylou McDaniel made the trip to the far southeastern corner of Sherman County to visit with 1986 Old Timer Queen Velma King Wyatt. A cordial greeting from Velma and they were welcomed into her home. One of the first things noticed in the living room is a picture of her mother,

Maggie King. Velma's children had a small photo enlarged, tinted and placed in a frame that had belonged to her granddad. Virgil King first saw Maggie as she descended a staircase in Dallas and one can easily see why he fell in love at first sight!

Velma was born October 2, 1910 at the home of her grandparents, John Alexan-

der and Mary Jane Hill Boney. The Boneys had arrived in Gray County in 1887 from Alabama, then moved by covered wagon to Sherman County, near the western edge of Hansford County in 1902. So, the Queen has deep roots in the area. The Kings lived for a few years in the Rio Grande Valley and there presented Velma with a sister, Marguerite, who is Mrs. King Fike of Dalhart.

When it came time for Velma to go to school, her parents sent her to Stratford to live with her grandparents, the Boneys. They bought a home (the house now belongs to Robbie Yates) in Stratford for the second year. They spent the summers on the farm. She and her sister liked to climb trees and eat apples. That first year in town without her parents, her aunt Kathryn Phelps Boney helped a homesick little girl by polishing her nails and letting her sleep with her once in awhile. Mrs. King broke her leg that winter, and she got to see her only twice that year.

Velma and Marguerite had many friends who would visit at the farm in the summer. Dad would see that the girls attended Stratford Outlaws ballgames. It was while Velma was still in school that the Outlaws became the Elks.

She met her first husband, Wayne Williams, at a Guymon Fair. They married May 26, 1929. They had three children, Joe Wayne, Christine and Rex. Joe Wayne was killed in an auto

accident at the age of eight.

Christine and husband, Ray Bradvik, live nearby on the farm. Their daughter Terry Etling lives in Dallas. Jim and wife, Kandy and their two children, Christopher and Danielle, live in Amarillo. Benny and his wife Sherry have a young son, Cody, and they live on the home place.

Rex and Deanna live 14½ miles northeast of Gruver. They have provided Velma with four grandchildren. Sheryl and Chet Phillips live at Stinnett with two children, Kelsey and Wesley. Laurie and Angel Rosa and their son, Jason, live in Phoenix. Kyle and his wife, D-Dee, are students at Oklahoma State University. Daughter Katie Jo is at home.

After nearly 19 years together, Wayne Williams was killed in an automobile accident like their son.

"Husbands were scarce", Velma said with a smile, "so I proposed to Henry." Henry Wyatt had come from New Mexico. His son, Eugene, joined the family after they married. Gene and his family including four children live in Irvine.

Henry and Velma have been married 38 years. They farmed the homeplace until his retirement.

Velma remembers that when Priscilla Club day rolled around every first and third Thursday, nothing BUT NOTHING kept the members from meeting at someone's home. Her mother, Maggie King and she are credited with starting the group. No one would think of planning any other activity on club day. THAT WAS CLUB DAY, PERIOD. and the husbands found their wives easier to live with after their club day. Members sewed for each other of themselves, Girlstown, had covered dish luncheons and let husbands attend occasionally. (See God, Grass & Grit, Vol. II)

On Velma's front bedroom bed is a quilt designed and made by her daughter-in-law, Deanna Shapley Williams. It features squares of sketches of ladies head's in various styles of hats. Centering it is a block that one easily recognizes as Velma. Sitting on the quilt is Velma's, Shumann Hyte doll, Mary Jane. She was seven years old when she got it and named it after her grandma. (This reporter and her daughter are doll lovers, so you know how impressed I was.)

Queen Velma is a member of Sunray Baptist Church and the Women's Missionary Society. She did attend Keenagers at Gruver, but now Young at Heart meets

the same day in Sunray and it leaves her "in a quandry". She has been a member of TOPS at Sunray for many years. Living in the southeast corner of the county as they do, they go in all directions, Dumas, Sunray, Gruver!

She had eye surgery on July 7 and is recovering very well.

Velma likes to write letters and sends "jillions" of cards. She's not the good visitor she used to be, she says. She is an avid embroiderer and quilter.

Dear friends over the years have been Sybil and John Boney, the Roy

Browders, Frank Blanks and Cap Boneys.

With seven grandchildren, four step-grandchildren, four great-grandsons and one great granddaughter, there is a houseful when they all come home. Four generations now live on the homeplace.

Look up Velma's family stories in God, Grass & Grit, Vols. I & II and in the Hansford County Book. Daughter Christine Brandvik was the editor of the Hansford Book. Velma has a very talented daughter and daughter-in-law!

# 1986 Fair and Jamboree

# Cook Of The Week

Bob Burgess 1919

If you asked for the 1986 King by his correct name, no one would know who you were talking about, and he probably wouldn't answer either! William Dudley Burgess is better known as "Bob"! Many current fathers and grandfathers grew up in the time when little boys wore dresses and had long curls until they were nearly ready for school. William Dudley ran out to meet his father and Uncle Tom one day in an almost outgrown dress and Uncle Tom said, "Here comes old Bob" (for bobtail dress). The

name Bob was his from then on.

Bob is the third boy of 12 children of James J. and Caldonia Burgess. He was born in Grayson County at Sherman Sept. 30, 1902. Brothers and sisters were Jeff, Francis (who lives in Tulla), Edna, Bertha, then Bob, Edgar (who lived around Dalhart and died last year), Cecil (who lives in Oklahoma City), Gladys, Earl, Bill, Oda and Opal (perryton). Only four survive.

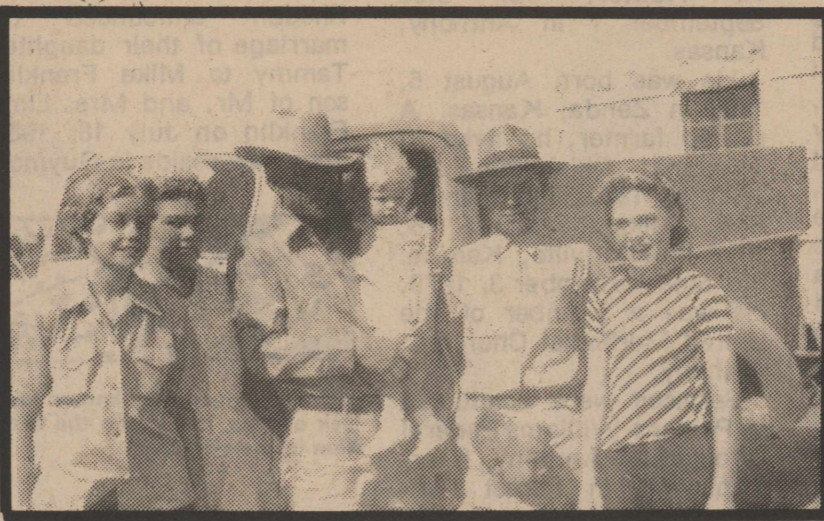

The family moved east of Guymon in the Spring of 1907. He started school at Skeeter Creek. When his father died in the 1918 flu epidemic, it ended Bob's formal schooling at the fifth grade. His mother moved with the children to Guymon. Mrs. Burgess lived to almost 96 years of age.

Bob started farming for a brother, then worked for the Hoghlanes, then Gus Coot's ranch north of Spearman. He always farmed and ranched except for three years trucking.

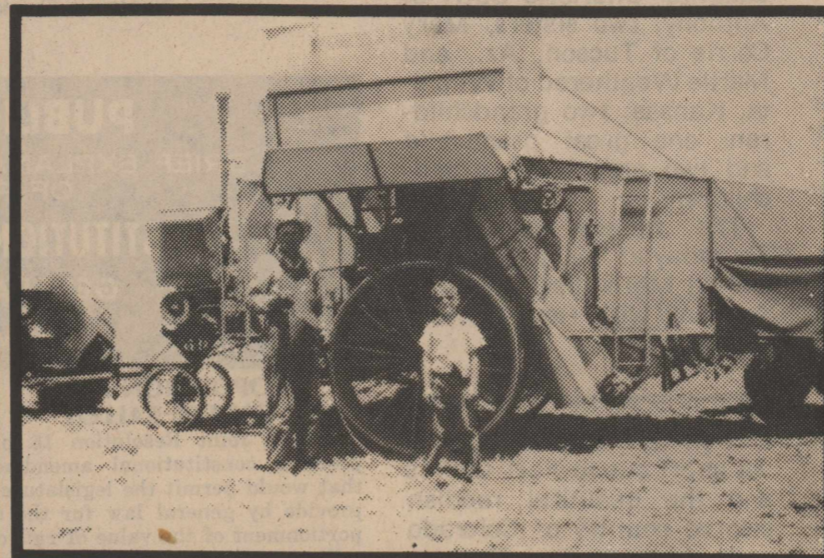

"I've been trying to forget that trucking", he says! King Bob met his real-life

Minnie and Bob 1928

1942 Flo, Minnie, Bob, Ann, Noble [Bud], Rex and Bettie

Bob and Rex in harvest 1945.

Queen, Minnie Timmons, at a neighbor's home while working near Tulla in January 1925. It was "love at first sight". She was 17 and he was 23. They married January 7, 1926. In 1929 they moved to Roy, N.M. for those three years of trucking that Bob would just have soon hadn't happened.

Bob's mother once told Minnie, "Bob will never marry. He thinks more of his horses". He still likes to ride and work with cattle. He says, "I love to work. Ranching was hard for me to quit." He's glad that he didn't get into irrigation.

After working around Boise City for a few years, they came to work for the late R.C. Buckles in 1941. In 1948 he rented the D.L. Buckles place for his own. The couple moved to Stratford in 1962.

Bob and Minnie had six children, really two families. They had Noble Lee, Bettie and Florene, waited ten years, then had Rex, Ann and Bobbie. All of their children attended college.

Noble Lee was killed in a car accident when he was sixteen in 1944. R.C. Buckles was hurt in the same accident.

Bettie and husband Leo Ledbetter live in Amarillo. They have three children. Jean and Rick Gonzalas are

parents of Tate and Dustin. Susie and Archie Jones have one son, Rick. Donna and Al Mullins are parents of Carrie (Punkin).

Florene and Phil Smith live in Fulton, Mo. Their daughter Ellen and her husband John Koehler are soon going on missionary work in Guatemala. They are parents of Kathryn, Joel and John, Jr. Daughter Sharlyn and Craig Swenson in South Dakota have Alecia and Nathen. Monty is in Garden City, Mo., as is Barbara and Michael Mellott and Mickey.

Rex and Jean Burgess make their home at Spearman. Daughter Debi also lives there. Teri and Clay Crites and children, Christine and Eric are at Stinnett. Wade is at home. Ann and Jim Johnson are in Saudia Arabia. James III is in Stratford working at Swift and Kara is in school in London, England.

Bobbie Corbitt is in Canyon as are Joe Bob and his wife Penny and daughter Cathy.

Bob is a member of First United Methodist Church and there every Sunday. Minnie died in October 1984. "We had worked together, played together and prayed together", and he misses her very much.

their lives have many coincidences. They each have a son named Rex and each lost a son in tragic car accidents.

All their family and friends are invited to join in the activities and fun of September 13.

GFWC/Prospectus Study Club is happy to welcome King Bob and Queen Velma to the ranks of royalty. As they reign they represent all Old Timers of the area.

Bob and Velma's paths had not crossed before being named King and Queen, but

Our cook of the week this week are co-cooks. We decided to have our Royalty King and Queen do the honors. Velma has given us three very good sounding recipes. The Canned Stewed Tomatoes should come in handy at this time of the season as I'm sure everyone is putting up their garden

Velma Wyatt  
Canned Stewed Tomatoes

- 1 qt. prepared tomatoes
- 1/2 c. chopped onion
- 1 c. chopped celery
- 1/4 c. chopped green pepper
- 1 tbsp. sugar
- 2 tsp. salt

Wash, rinse, and drain vegetables. Scald, skin, quarter, and measure tomatoes. Chop and measure other vegetables. Mix all ingredients. Cover and cook 10 minutes. Taste and add more salt if needed. Process pints 15 minutes, quarts 20 minutes, 10 pounds pressure.

Velma Wyatt  
Company Vegetables

- 2 10oz packages broccoli spears
- 1c. grated process American cheese
- 1 can mushroom soup
- 3/4 c. evaporated milk
- 3/2 oz. can French Fried Onion Rings

Prepare broccoli spears as package directs, but cook only one minute. Drain and put into greased baking dish. Sprinkle grated cheese over broccoli. Pour over top mixture of mushroom soup and evaporated milk.

Bake at 350 degrees for 25 minutes. Take out of oven and top with onion rings. Bake 8-10 minutes more or until onions are crisp and golden brown. Makes 6-8 servings.

For Variety: Use frozen asparagus, green beans, green peas, or mixed vegetables in place of the broccoli.

Bob Burgess  
Brown Beans/Lima Beans

- 2 c. pinto or butter beans
- 3 strips bacon or ham hock

Pick over beans and throw away broken and shriveled beans and small rocks and dirt. Wash beans, cover about three inches above bean level with water in pressure pan. Uncovered bring to a boil. Remove from heat. Cover and let set at least one hour, can be as long as overnight. Add meat. Put lid on pressure pan. Let steam escape center valve one minute, put weight on and let pressure cook 30 minutes. Let cool until no steam escapes from weight. Let cold water run over pan, carefully remove weight, then remove lid. Salt and pepper to taste. Add water if necessary. Cook med. temp. until juice is thicker and beans are desired tenderness. Store in refrigerator up to three days. Can be frozen in meal size servings for up to three months.

vegetables, etc. Bob said he really didn't have any recipes but he gave me these three that were in his recipe box. His specialty is cooking biscuits, gravy, etc for breakfast and cooking chicken strips in his Fry Daddy, which is very good. We appreciate Bob and Velma sharing these with us.

Velma Wyatt  
Smothered Steak

- 1 1/2 lb. tenderized round steak
- 1 can Campbell's Golden Mushroom Soup

Remove fat, cut steak into serving size pieces. Dip in water, drain, roll in flour, salt and pepper to taste. In heavy skillet brown steak in Crisco. Dip off fat. Add 1 can of Campbell's Golden Mushroom Soup mixed with 1 can of water. Cover with lid. Cook slowly 1 1/2 to 2 hours, stirring occasionally.

Smothered steak with baked potatoes and tossed salad provides an easily prepared meal. This also can be baked in the oven 1 1/2 hours, I cook it this way.

Bob Burgess

- Pumpkin Pie
- Preheat oven to 350 degrees
- 1. 6 eggs-Beat until really frothy.
- 2. 3/4 cup sugar-Beat into eggs
- Mix together and beat into egg mixture:
- 1/2 c. sugar
- 1/2 c. flour
- 2 t. pumpkin pie spice or cinnamon
- 1 t. salt
- 1 t. baking powder
- 4. 1 can pumpkin-Beat into egg mixture
- 5. Pour into prepared (uncooked) pie shells (should make three pies.)
- 6. Bake about 30 to 45 minutes or until won't stick to finger (in middle of pie) when touched.

## PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1986

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

### PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Cur-

rently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."
