Citizens Asked To Help Protect Post Office

Texas and Oklahoma continue to be the target of post office burglars, according to Postal Inspector in charge D. C. Strader, Fort Worth. Strader, whose area of responsibility includes the northern half of Texas (north of Austin) and all of Oklahoma, said that over 50 burglaries will occur within the boundaries of the Fort Worth Division this year if the current trend continues.

Most of the burglaries have occurred at post offices that are located in rural communities that have limited or no local law enforcement available for routine patrols at night.

"A majority of the burglaries do not involve the loss of postal funds, because very little money is kept overnight in post offices and postal stations. Safes and security containers are used to secure the money and blank money orders which are kept overnight," stated Strader. "In addition to burglary-resistant security containers, we are continually adding and updating existing alarm systems where appropriate. However we need for the residents of each city, town, and community to help us protect their post offices and stations from burglaries and vandalism."

Local postmaster, Mary Reese emphasized the need for citizen involvement. "Even though postal funds are secured in a safe, burglars who are unsuccessful in attempting to break into a safe will sometimes steal mail left in customers post office boxes. Even when they don't steal mail, they sometimes just cause malicious vandalism. In either event, it does cost the Postal Service money to repair the damage incurred and for the Postal Inspectors to conduct an investigation. Our local tax money is also spent by our local law enforcement officers who incur expenses, because they are usually the first agency to respond, and they also provide valuable assistance in the investigations to the Postal Inspectors

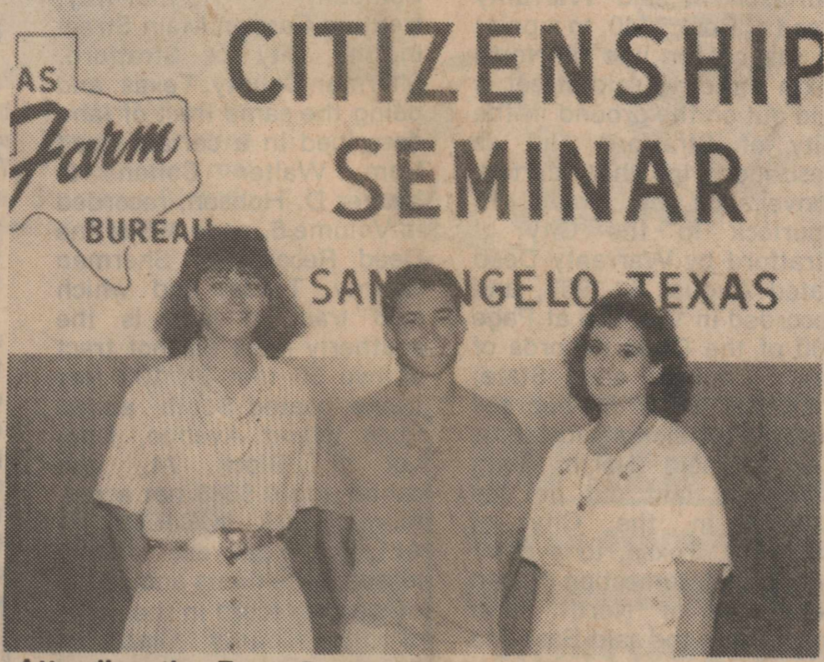

"But the most important reason for citizen involvement is because it causes a hardship to those whose mail is stolen or destroyed as the result of a burglary or a senseless act of vandalism," said Postmaster Reese.

Residents can help reduce burglaries and vandalism by reporting suspicious activity at or around the postal facilities which occurs after business hours. This activity would include such things as automobiles or trucks with license plates from outside the local area, unfamiliar people asking suspicious questions about the post office or amount of law enforcement patrol at night, or loitering in the post office box lobby or around the post office by groups of young people at night and on weekends when the post office is closed. This information should be reported to the local law enforcement agencies and to the postmaster or station manager.

Post office burglary is a Federal crime which carries a penalty of up to a \$1,000 fine or up to five years in prison, or both. The Postal Service offers a standing reward of up to \$5,000 for information and services leading to the arrest and conviction of any person responsible for the burglary of a post office. Any information about a post office burglary, or any crime committed against the Postal Service or its employees, should be reported to the local postmaster or the Postal Inspector in Charge in Fort Worth.

The 24-hour number for the Postal Inspector in Charge at Fort Worth, is 817/885-1111. Postal Inspectors are also located at Dallas and Lubbock in Texas, and at Oklahoma City and Tulsa in Oklahoma.

"It's your community, your post office, and you mail," said Mary "and we need the help of all our citizens in helping to reduce crimes against the Postal Service in our area."

Attending the Farm Bureau Seminar from Stratford were Sheri Murphy, Duane Mungia and Jenny Fedric.

Farm Bureau Citizenship Seminar

More than 400 high school juniors and seniors participated in the annual Texas Farm Bureau Citizenship Seminar, June 15-19, on the campus of Angelo State University at San Angelo. This marks the twenty-fifth year Texas Farm Bureau has conducted the seminar.

Attending the seminar from Sherman County were Sheri Murphy, Duane Mungia and Jenny Fedric.

The purpose of the seminar is to provide students with a better understanding of their American heritage, the free enterprise system and their responsibilities as citizens, according to James Gipe, TFB Citizenship Seminar Coordinator. Students are sponsored through county Farm Bureau.

Dr. L. D. Vincent, President of Angelo State, delivered welcoming comments to the students.

TFB President S.M. True and TFB Executive Director Warren Newberry were included in the program

discussing the future of agriculture and Farm Bureau. The students also heard inspiring talks on patriotism and free enterprise from six individuals. The speakers and their topics were:

Steve Pratt, National Center for Constitutional Studies, "The Making of America"; Dasilio Bachor, a Polish immigrant, "Selling America"; Dr. Calvin Kent, Director, Center for Free Enterprise, Baylor University, Waco Texas, "Free Enterprise and You"; Dr. Wayne Matthews, Family Life Specialist, Oklahoma State University, Stillwater, Oklahoma, "Citizenship and Self Esteem" and "Citizenship and the Family"; Master-Sergeant Roy Benavidez, U.S. Special Forces, Retired, El Campo, Texas, recipient of The Congressional Medal of Honor, "Duty-Honor-Country"; Bill Caraway, Lubbock, immediate past Texas Tech Student Body President, "Living the American Dream".

A FRIEND

The Boss Man called home
A Hand the other day
I reckon He needed some fence put in
Or maybe a few cedar stay

It's always hard on us other Hands
When he calls one to the ole Home Ranch
We often wonder, why not me
Instead of him, by chance

But the Boss chose Orland
To come and work for Him
And I'll bet you a new Stetson
Whatever the job, he's doing It with a grin

We all lost a good right hand
I mean this town, the school and all
Cause ya'll know, whatever needed done
He was there, ready to carry the ball

His family will always carry on
Right where Orland left off
With high spirits, a heavy heart
a great determination, and a touch ever so soft

Now I'm sure Orland's happy there
If only the Boss Man's fence to mend
And I'm real proud to know this man
An to call this man my friend

SCOT Notes

The meeting of Sherman County Older Texans (S.C.O.T.) on June 25, 1987 is history but the sense of satisfaction and accomplishment lingers on. How many people, even members, realize that S.C.O.T. organization has reached the number of 196 paid up memberships, composed of 71 couples and 54 singles who range in an age group from 55 years to 90 years? There were 103 people present at noon Thursday and every face we saw wore a smile. The laughter and jesting surely sounded as if folks were happy to greet each other.

The host for Thursday were John and Leona Woods, Roscoe and Doris Dyess, Raymond and Lola Dyess, Gene and Mary Foster, Doris Parker, Gladys Arnold, Francis Watson, Hazel McBryde and Clea Garrison. They took care of us in fine style, even taking our dishes of food and relaying them back to the tables or kitchen. We find it to be a long way to the kitchen after getting inside Scot Hall. Takes some effort to get there and we aren't as young as we once were.

The food was delicious and bountiful. Seems each time it is better than the time before. The good fellowship was such excellent "sauce" for food!

President Bernice Christian presided at the business meeting. Routine business was ably dispatched-sending cards to sick friends and members, recognizing visitors and anniversaries. Bernice stated that the memory tree is completed. It is truly a work of art and tells in such a dramatic way the origin and growth of S.C.O.T. organization as well as honoring deceased members. We thank all who had part in planning and executing the Scot Memory Tree.

We need a "project" to carry out S.C.O.T. members financial responsibility for the budget. What will we each member-support? We vetoed the idea presented; that is our privilege. Now, let's have ideas from the body-write your idea of how to produce funds to Director Ethel Hampton or Secty Martha Mitts or call them. We need a summer project. The Quilting Club has turned in over \$2,000 a very small group. We are uninformed of the number who quilt. "Money makes the mare go" we are told. Your "idea" may be the winner!

The dance club suffered from shortage in attendance Sat. night. Probably the victim of harvest demands and vacations. The music was great and folk who attended had a good time.

The community activity up next is the 4th of July. Let every Scot member help make it a "glorious one" Tell the world that we live in the greatest Nation the Sun has ever shown on!

Birthday Party is on July 10th. So let us be making a "Good ready" for a pleasant evening with friends. Program Chairperson, O-line Caraway introduced Bobby Chesher, who brought a musical program for our entertainment. Bobby was accompanied on the piano by his mother, Ineta Chesher. This musical family has been a source of enjoyment for this communi-

ty for some time. Bobby, the youngest, delighted Scot members in true Chesher fashion. Thank you, all!

We are praying for Audrey Gambles hasty recovery from the fall she sustained Sat. 20th. Send cards to room 341 Extended care unit, St. Anthony's Hospital Amarillo, Texas 79107.

Donald Stone, son of Bess Stone and Martha Mitts brother, is recuperating after heart surgery. Donald lives in Houston, now. Best wishes from S.C.O.T., donald.

Happy get well greetings to S.C.O.T.'s good friends Judge Bill Frizzell and Hartland Caraway. We thank the Lord that all three men are well on the road to recovery.

Scot's special guests Thursday were Rev. and Mrs. Watson, newly arrived minister of the Methodist Church. Welcome!

Wonder if little Bradley Allen Breed is much impressed by his enthusiastic welcome into this world by Sherman County Older Texans? You see, Bradley is the grandson of LeRayne and B.A. Donelson, via daughter Barrie D. Breed. Bradley is also the great-grandson of the Buster Mitts and of the Cone Donelson's. He is the Great great grandson of Jessie Tompkins of Spearman and the late E.W. Butlers, and B.A. Donelson, Sr. Grandmother Jessee, mother of Alda Mitts will soon be 102 years old. Barrie, we realize that you and Jeff are the parents of Bradley, your first child. Congratulations!

Also, congratulations to Dallas Foreman Donelson upon her success as a businessperson and Roxann Tillery, runner-up in Talent Find Contest of Farm Bureau. Dallas is the daughter of Shirley Foreman of Stratford and Verne Foreman of Dumas. Also a 4 generation person of both

the Foreman and Fedric Families of Sherman Co. Roxann is a 4 generation person of the Pronger Family.

S.C.O.T.'s love and congratulations to Lori Wiley, Leigh Bass and Kristi Blake, winners in Farm Bureau Talent Find Contest.

She and Patti enjoyed strolling around Wlitch's before the show. On Tuesday they attended the "Street of Dreams" Home tour of ten \$425,000 to \$525,000 homes! Franny Taylor's nephew, Eric Baker, did the formica in one of the homes. It was a "dream" tour, sure enough!

John and Terri just made it to Guymon, only 20 minutes before master Nicholas G. Wayne McDaniel decided it was time to come into this world! Congratulations to parents, baby and grandparents. (See New Arrivals).

Sunday was a busy time as people stopped by the grandparent's home to see the young fellow. Fern and Bill Allen, Boise City and their grandson, Shane Reese of Dallas, just happened to

stop by on their way home from Amarillo. Penny, Linda & Danielle Whitson, Clayton came over. Dale and Kathryn Schriber and Nicholes's uncle and family, the Whitson McDaniels, Stratford admired the youngster. Father John cooked hamburgers outside for all.

Kenneth and Lynn Wells, Jennifer Wells enjoyed supper Saturday night at the Lyman Potter's in Boise City. Others present were the R.P. Crabtrees, W. Roger Crabtrees, Frank James and Joan Crabtree. Joyce Irlbeck, Franny Taylor and Marylou McDaniel attended the baby shower for Amy Donelson last week.

Hank Roger's cousin, Sybil Torbitt of Rossville, Ga., flew into Amarillo Thursday for a visit with them. They took her to Amarillo Sunday where she will visit with another cousin for a few days.

FAITH TEACHES US THAT REAL WEALTH IS TAX-EXEMPT

Our opposing factions will probably never agree on the basic principles of economics and the role that government should play in our lives, if any. It will always be argued whether certain needs are best provided by individuals themselves or by government programs, financed by our taxes. No matter which side prevails, however, taxation is something that will always be with us; and when we pay our taxes we should remind ourselves that acquiring material possessions is by no means everything in life. A definite place in our schedules should be allotted to spending time with our families, particularly during our children's growing years. Moreover, a portion of that time with them should be spent at our House of Worship, where the lessons will show us that the real wealth in our lives is something that can never be taxed.

I want to thank some special people for their help in this project: Shorty Albert and Barbara Diller at the Clerk's office, and Betty Wiley and Gail Allen for all the typing. A very special thanks to Jack Halle who taught this city girl a lot about branding.

Janet Riffe
President, Sherman County Depot Museum

I would like to thank everyone for the nice gifts, cards and visits during my stay in the Dumas Hospital. Your kindness was deeply appreciated.

Lou Robinson

June and I would like to express our appreciation for the overwhelming expressions of concern given by our many, many friends during my illness and treatment recently. My Coronary Angioplasty at St. Luke Hospital, Kansas City, Mo. was a success. Your prayers, flowers, visits, cards, and calls was immeasurable. Our gratitude to those who have responded to us with such love and kindness during our time of concern is only exceeded by our inability to express it. God Bless each of you.

Martinez Attends Convention

Ray Martinez, member of the Stratford Volunteer Fire Department, attended the 11th Annual Convention and Conference of the State Firemen's and Fire Marshals Association of Texas, held in Amarillo June 13-17.

Some 500 voting delegates and 900 other Association members from throughout the state participated in business sessions, viewed state-of-the-art firefighting equipment on display, and competed in races to determine which drivers and which pumper teams are the best in the state.

Two guest speakers helped set the tone of the convention: Dan Baker, motivational speaker, and Carl Holmes, former Oklahoma City assistant fire chief, now the owner of a consulting firm, encouraged their listeners to search for the best in themselves and help prepare for the future of the fire service.

Seven workshops were held during the convention to help those firefighters who wished to add to their professional expertise in several areas of modern firefighting. Five of the workshops applied toward participants certification. The SFFMA administers a

statewide certification program, which not only provides a measurement system for those firefighters who wish to keep up with the latest developments but also aids cities in keeping down their insurance key rates.

New association officers were installed during the convention, with First Vice President Ernest O. Reesing of Alpine becoming President, the position vacated by Tommy Bledsoe of Lone Star Steel Company.

The State Firemen's Association was founded in 1876 and represents all Texas firefighters-volunteer and career-in the State Legislature and Congress. The Association was instrumental in passage of legislation setting up pension systems for paid and volunteer firefighters, and was designated by the Legislature as the sponsor of the Annual Municipal Firemen's Training School offered by the Fire Protection Training Division of the Texas Engineering Extension Service.

Visiting from Stratford were Bonnie and Keith Borth, Ray Allen and Rex Martinez and their mother Maria.
