The visitors were Silvia Donikin of Lebanon, Marcia Elena Trejo O'Reilly from Mexico, Gale Champken, Juliet Dube and Eunice Muchenu from Zimbabwe.

Letter To Editor

Dear Editor:

What a disappointment to have something good and positive turned to something so negative by the stroke of the pen. I am referring to the opportunity for Stratford's Oldtimers and current supporters to take part in Amarillo's centennial and also to say Hey, LOOK AT US. We are part of your heritage and we are proud enough to show you.

I do appreciate the one person who called to get the correct facts however the ink was already dry. The spoken or written word is something that cannot be taken back. We need to be very careful because negative or positive it is very powerful.

Stratford is very important

to me and my family. It is my home. I am proud to live here (most of the time) and I really strive to make it the best and show others the pride and concern Stratford has for itself and others. Because my father was such a neat person I felt the brick was a perfect tribute to him and to my mother. They were both Amarillo products and they each in their own way gave the energy, thoughts and time to help make Stratford the great place it is for their children and grandchildren and great-grandchildren.

It is a must for each of us to tell others about our home in a positive way. He who toots his horn in a bucket has a very small audience and is likely to go deaf. He also deprives others of his sweet music.

Thanks for listening,

In May of 1919, at Dusseldorf, Germany, the Allied Forces obtained a copy of some of the "Communist Rules for Revolution." 68 years later let us read the rules, and let us pause and think!

- A. Corrupt the young; get them away from religion; get them interested in sex; make them superficial; destroy their ruggedness.
- B. Get control of all means of publicity thereby:
 1. Get people's minds off their government by focusing their attention on athletics, sexy books, plays and other trivialities.
 2. Divide the people into hostile groups, by constantly harping on controversial matters of little or no importance.
 3. Destroy the people's faith in their leaders by holding them up to contempt, ridicule and obliquity.
 4. Always preach democracy, but seize power as fast and as ruthlessly as possible.
 5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
 6. Foment unnecessary strikes

POWER LINES

Power lines can be dangerous.

Touching irrigation pipe to a power line can divert the electricity through the pipe... and to anyone in contact with it. In this part of the country, this is the leading cause of farm injuries and deaths in electricity-related accidents. Any equipment of unusual height represents a potential danger. Lift arms on field equipment, combine auger spouts and even radio antennas can cause serious injury or death if they, and you, make contact with a power line.

Keep an eye up for power lines. Watch up, for safety's sake.

SCOT Notes

by Timmie Brown

We are in Glorietta, N. Mex. at the Baptist Conference Center. As a result we miss writing Scot Notes and will have to gather news of S.H.S. homecoming events Saturday, July 25 when we get back. Will try to write lots of news Aug. 3. Seems Friday night July 24 was a good beginning for S.H.S. homecoming.

The following account is, we think a fine word picture of three Stratford families, namely the Lasleys, Lowes and Billingtons. Saturday, July 18, 1987 a ribbon cutting ceremony marked the Grand Opening of the business entitled Family and Friends, located at 218 N. Main, Stratford, Tex. The owners are what we term the "Lasleys Girls". They are Orlanda Lasley Garoutte, Jodi Lasley, daughters of Joyce Ann (Billington) and Orlanda Lasley, and Gara (Garoutte) Harbour who is Orlanda's and Gary Garoutte's daughter, therefore

a grand-daughter of J.A. and Orlanda. The business combines Merle Norman Products, a Hair Salon, Body Tanning Parlor and Aerobics Gym. Orlanda is a fourth generation person of the families mentioned. The Garoutte children Tucker, Gara and Joline are fifth generation persons, Gara's son, Aaron Harbour, is a sixth generation little fellow. Jodi is also a fourth generation person and her son, Derek Wells, is a fifth generation teenager as of next March, 1988. Congratulations and love, girls, from Sherman County Older Texans and personally. Sherman County Older Texans salute the forefathers of these folks. They are Mr. and Mrs. John Billington; Mr. and Mrs. Horace Lowe and Mr. and Mrs. Orr (Orlando) Lasley. The Billingtons came to Sherman Co. in 1904; the Lasleys came in 1905; the Lowes came in 1926.

For Baptists Glorietta is the place on earth nearest heaven. So you know we will be having a good time.

Scotters, take care of Stratford and scatter love pats and luv us's all week.

Kerrick News

by Marylou McDaniel

There will be an ice cream social Friday night, July 31, 8 p.m. at the Community Center. Hosts are Warren and Nadine Miller and Nita Taylor. Ice Cream makers, please bring your usual best and the rest bring cake, cookies, etc.

The Bill Boren family were hosts to Juliet Dube, 23, of Bulawayo, Zimbabwe, Saturday, Sunday, Monday. Juliet arrived in new York July 11 and will be leaving for home Aug. 13. Tuesday night she and others in her group saw TEXAS in Palo Dura Canyon. The young women had been attending Girl Scout Encampment in New York before flying into Amarillo. Juliet was notified on a Friday that she would making the trip on Saturday! A very interesting young lady who looked younger than her age.

Kerrick has a new resident! Moving into the Bob Scott house last week was Duane Gillenwaters. Welcome, neighbor!

A wedding shower for Mrs. Bevin Avent, nee Donna Harper, was given July 17 at the Community Center. Hostesses were Neena Bell, Mabel Rogers, Jo June McDaniel, Donna Gillenwaters, Lynn Wells, Rinda Allison and Joan Bell. A miniature Windmill with tank full of blue flowers centered a blue and white checkered cloth. Cookies, punch, coffee were served.

On the day before the shower, Bevin was breaking a horse that threw him, stepping on him and "spreading" his pelvic. After walking with a walker he is now using a cane. It will just take time to heal! The couple were married June

29. Some honeymoon!

Fishing with Fred McDaniel in Colorado last week for a couple of days were Phillip Bain and Melvin Mitts. They fished Thursday, then went back Friday morning and someone had stolen Fred's boat overnight! After six years it was a shock. Gosh, I remember when a fisherman could go off and leave his rods and fishing equipment and no one would touch them!

Nita Taylor and Kathryn Gamble of Dalhart recently went on a trip to Sante Fe and Red River. They attended the races at Santa Fe. Sunday Nita and Kenneth Borth went to Raton for the races.

Joyce Irlbeck was surprised on her birthday July 18 as Lynn Wells and Franny Taylor brought in cakes, lemonade and coffee while she was finishing up with the mail. The women of the community and several men enjoyed the party.

Joyce's 1952 class was among honored classes at the HS reunion Saturday night. Dennis Irlbeck, Amarillo, made it in time for the dance Saturday, then visited Sunday with his folks.

Mabel Rogers hosted Kerrick EH Club at her home July 14. Several plans were made: Aug. 4, club will meet with Star Club in Stratford at the Extension Office, Mabel, Joyce and Gayla are on the Fair Booth Committee, Dayle Harris is chairman of the Community Float for the parade.

Susie Spurlock, agent, gave the third in a series on Fats, "Limiting Fat in the Diet".

Present were Jo June

McDaniel, Minnie Hampton, Franny Taylor, Lynn Wells, Joyce Irlbeck, Gayla James, Vicki Thompson and new member, Donna Avent.

Following the Aug. 4 meeting with Star Club, Kerrick members will adjourn to Nadine Miller's home for a business meeting.

Dr. Gary Mathews has been here for the week. Lucy Dodd, Austin, was here for the weekend as were Marjorie and Dick Munden of Claude, all guests of Virgie Mathews.

Jennifer Wells flew to Dallas July 18 to take teacher certification tests. She plans to teach in Amarillo. She attended SHS reunion in Stratford while her parents, Kenneth and Lynn, attended Boise City reunion.

Alvin, Dayle, Bruce, Dean and Jay Harris, along with Harold Cleavinger of Conlen and Robbie Randall, Stratford, spent last week in Hot Springs, S.D. The boys fished every night with good luck. They were in the Black Hills area for two days.

The seventh annual 4th of July cookout and fireworks display was held at the Colorado City, Co. home of Donna Baker. Present were Bill and Katie Allen, Shirley Christian, Stratford; Brenda Taylor and Patti McDaniel, Denver; Myron Leedy, Junction City, Ks.; Jim, Cindy, Ben Stewart, Connie and Grace Stewart, Eleanor Byers, Doc Muns, Colo. City; Franny Taylor, Fred and Marylou McDaniel, Mike McDaniel, Kerrick.

And I said, "Who's Bon Jovi?" Patti and I flew to Detroit July 11 where Gary, Sharon, Sarah and Kristen Powell met us. We drove over to Windsor, Canada, to have lunch where three buses pulled in at McDonald's Patti and Sharon got excited saying, "It's Bon Jovi!" (Have since heard some of his music on Mike's disc). We had gone to Findlay, Ohio, to drive back Sharon's van and Sarah and Kristen, while their Daddy drove the moving van. The Powells have moved back to

Keener Reunion

Those enjoying the Keener Reunion last week were Mr. and Mrs. Bill Keener, Sweeny, Texas, Mr. and Mrs. Richard Williams, Fort Worth, Texas, Mr. and Mrs. Darrell Gyllenband and Shanda, Amarillo; Sport Keener, Boys Ranch; Mr. and Mrs. Vince Haggard, Jennifer, Brian and Marcus, Claude, Tex.; Miss Cindy Chaney, Amarillo; Mr. and Mrs. Sherydon Keener, Mr. Steve Keener, Mr. Floyd Floyd Keener, Mr. and Mrs. Ricky Keener, Mr. and Mrs. Poe Keener, Mr. and Mrs. Jere Keener, Mr. and Mrs. Johnny Pulliam and Ronnie, Mr. and Mrs. Johnny Wayne Pulliam, Mr. and Mrs. Grant Keener, Brant and Noel, Mr. and Mrs. Phillip Keener, Amber and Tommy Ray, Mr. Curtiss Keener, Shelia Dickens and Tasha and Mrs. Melba Keener and Mrs. Ava Keener all of Stratford, Texas.

Denver. Sharon had already made plans to attend a Jafru meeting in Miami before the move came about. It sure is hot and humid in Ohio!

The only tourist stop we made was the Arch in St. Louis, then spent a night with my dad, Myron Leedy, in Junction City. After a weekend at Fred's Spread, I brought the girls to Texas with me. Sure enjoyed playing grandma for nine days!

Sharon flew into Amarillo Friday in time for her 20th class reunion. Patti had arrived Thursday. They both enjoyed SHS reunion activities. They left Sunday afternoon for Denver.

One other event while in Indianapolis. We were stopped on the freeway right downtown in a light rain. Thought there had been an accident. The radio then announced that the President was on his way to speak at their auditorium and that traffic had been stopped as he came in from the airport. Gee, Bon Jovi and the President!

BORENS HOST ZIMBABWE VISITOR over the weekend. Juliet Dube, Bulawayo, Zimbabwe, had a look at Texas farms. She had been attending Girl Scout Encampment in New York. Kerry Boren, left, and Pat Boren enjoyed showing her around.

The people cry out, "The summer is gone, the harvest is over, but we have not been saved."

Jeremiah 8:20 GNB

Many people have great hope for the passing of time. Time heals all things they say. But not really. Some people are going to come to the end of this summer of 1987 only to find that fun and sun don't cure all ills. An element of desperation creeps in. We'll be facing another long, hard winter of responsibilities and business. Some folks will just be three months older, tired and broke because of June, July and August.

Actually, we've got over a month of summer to go. We can redouble our efforts and fling ourselves all the harder at the draining task of fun and sun. Or we can cut ourselves some slack, have some fun and sun, and make all of it matter by remembering the God who made summers long before we started using them. Praise God every sun-filled day. Honor God every starry, starry night. Remember to help and be with the people God would put in our hearts. It doesn't have to be either or. We can summer and serve Jesus Christ just fine.

It's not too late to get a better hold on things. To be better ready and not worse off when September rolls around. Jesus Christ doesn't aim to suck all of the juices out of our lives. Jesus just wants us to live the life that leads to endless summer.

Cards of Thanks

We want to express our appreciation to everyone for your concern and prayers while Gail was in hospital in Denver. You will never know how much we looked forward to the many phone calls, letters and cards we received during this time.

Gail and Dorothy Wright

The family of Flora D. Fedric [Dovie] would like to take this opportunity to express our sincere thank you for all of the lovely flowers, letters, cards, visits, food and prayers during Dovie's illness. We would especially like to thank the members of the Methodist Church for their loving participation and helpfulness during the funeral. Words can never express our true thankfulness.

The Gilbert Fedric Family

We would like to thank every business and individual who willingly supported Krisann both financially and emotionally while she was preparing for the Miss Texas Pageant.

Unfortunately, Krisann had to resign for health reasons and was not able to participate in the pageant.

The balance of all donations has been given to the Miss Stratford pageant.

We love all of you and thank you again for your support.

White Commissioned As Missionary

David White, son of Glenn and Carolyn White, was commissioned as a Southern Baptist Missionary in a special commissioning service at First Baptist Church of Stratford, Texas, in the morning service on July 5, 1987. David and his new wife Jan, will be serving on the campus of Portland State University in Portland, Oregon, where David will serve as Baptist Student Union Director. David will be serving under Southern Baptist's Mission Service Corps program in which volunteers must get their own support through the contributions of their home church, friends, family and other churches who choose to help.

Since the inception of the MSC program, there have been over 1700 volunteers assigned to a wide variety of ministries throughout the United States and the world. Well over half of the volunteers have been Tex-

ans. The commissioning service began with the church choir singing "Seek Ye the Lord", followed by David's personal testimony. His sister-in-law, Gayle White then sang "People Need the Lord" accompanied by her husband Darrell playing the piano. The pastor, Derrel Lewis preached a message titled "Here Am I, Send Me" based on Isaiah 6:1-9 which was read by pastor and congregation as a responsive reading. The congregation sang "We've A Story To Tell" followed by the presentation of a Certificate of Commission from the Southern Baptist Home Mission Board. David's parents presented the certificate and his father led the dedication prayer.

It was a deeply moving service and all were touched by it. A special offering was taken to assist David in this ministry.
