VOLUME 39--NO. 7

Entered As Second Class

JAYTON, KENT COUNTY, TEXAS 79528

\$4.00 PER YEAR

Friday, July 10, 1970

This Week In Jayton

All over the county the farmers and ranchers are complaining about the grasshoppers. It seems the hoppers are literally eating up the crops. The matter is getting very serious.

There seems to be quite an upsurge in patriotism in recent months. That, or else the silent majority is waking up and beginning to make noises.

I am wondering if this new display of sober-mindedness has anything to do with the fact that traffic fatalities and other forms of tragedy was down considerably from the predicted high. It could be. Maybe not directly, but it is indicative of the fact that the public generally is becoming more alert to safety, and particularly on the highways. Or so we would like to think.

The above observation is general. Over the holiday, I saw a particular incident that did not fit this line of thinking. Sunday afternoon about 1:30 my wife and I drove through Aspermont and in the edge of town we noticed a patrolman had a couple stopped and it appeared he was writing out a ticket. About ten minutes later this car passed us going about 85 MPH. It didn't seem to slow him down for long.

Mobil Oil Corp. has scheduled a re-entry wildcat, No. 1-C W. I. Branch, 10 miles north of Rotan in Kent County. The venture will deepen a previously abandoned 4,050-foot hole to 4,140 feet for tests of the Noodle Creek formation. It is located 392 feet from south and 400 feet from east lines of Section 332, Block 2, H&TC survey.

Swimming Pool A Popular Place This Summer

A report of activities at the Jayton swimming pool for the month of June shows an average of 57 entries for each day the pool was open.

Total amount in season tickets sales was \$306.00 gate receipts were \$352.17. The

concessions had a total sales of \$111.60. And there was a collective total number of swimmers of 1,307.

This reflects the opinion that the people are really using the pool this summer.

John M. Johnson Funeral Friday

Services for John Martin Johnson, 45, were held Friday at 2:30 p.m. in the Jayton United Methodist Church with the Rev. Tommy Ewing, pastor officiating.

Burial was in the Jayton Cemetery directed by Weatherly Funeral Home of Rotan.

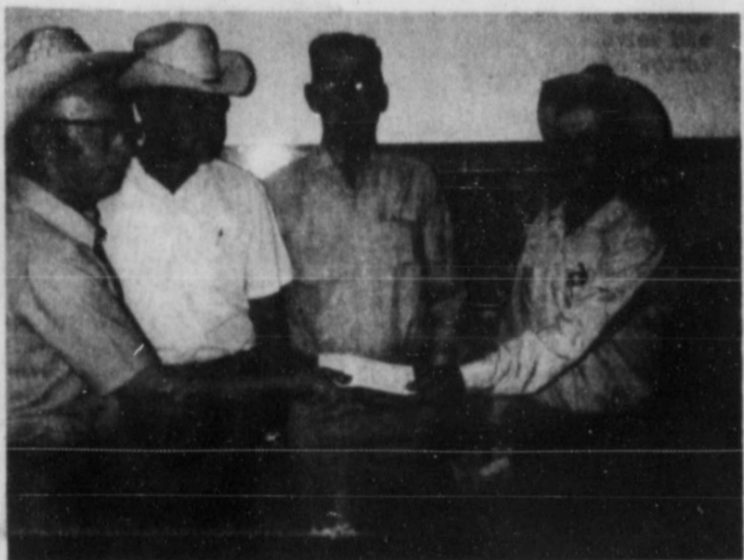

Johnson died Wednesday in Lubbock's Methodist Hospital following an extended illness.

A native of Lynn County, Johnson moved to Jayton in 1930 with his parents, Mr. and Mrs. Luther Johnson.

He was a World War II veteran of the U. S. Navy and an employee of General Crude Oil Company.

Survivors include his wife; three daughters, Mrs. Harry Kaercher of Howard Air Force Base in the Panama Canal Zone, Beverly of Lubbock and Jonnie of the home; a son, George Martin of the home; his parents, three sisters, Mrs. Ladell McAteer and Mrs. Richard Brownlee, both of Jayton and Mrs. Malhon Johnson of Red River, N. M.; and one grandson.

First '70 Farm Payment Made

Shown receiving the first 1970 farm program payment is O. C. Burrow, Girard, Texas. Presenting the check is W. E. Walker, Chairman of the Kent County ASCS Committee. Looking on is the other members of the ASCS Committee, Jim Wyatt of Girard and Harold Parker of Clairmont.

Program payments for feed grain, wheat and cotton are being made approximately two months ahead of previous years.

Programs will be made as producers certify that they have complied with all program provisions.

Approximately a million dollars will be put into the County's economy. This will put a smile on the face of not only the farmers but local merchants as well.

The Jayton School Tax Collections Running High

Jayton school tax collections for the past year have been better than expected, according to a report made by Jarri Parker, school tax collector.

The total budget, or the amount of taxes assessed was

\$488,395.00. But the collections amounted to \$508,500.13 or an over collection of some twenty thousand dollars. This over collection was probably delinquent tax collections from previous years.

The Twirlers Go To Tech School

The Jayton High School twirlers are in Tech for two weeks attending a special school.

Those at the school are Lajuana Hamilton, Holly Hahn, Marilyn Bennett, Cheryl Pickens and June Brewer.

Members of the band are attending a one week school at Tech. They are Bobette Hamilton and NaRae Gallagher.

Baptist Men Set Rally At Lueders

The Baptist Men's Rally will be July 10, beginning at 4:30 p.m. at the Lueders Baptist Encampment Grounds. The associations that will be represented at the Rally are: Abilene, Callahan, Cisco, Fisher, Haskell-Knox, Jones, Stonewall-Kent and Sweetwater.

The guest speaker will be Carlos McLeod.

Jayton School Class Funds Are Listed

According to a report prepared June 30th to present to the school board, the different classes and funds at Jayton High School, have the following amounts of balances in their funds:

- Senior Class \$282.30
- Junior Class \$734.94
- Grade 10 \$54.90
- Grade 9 \$34.00
- Library Club \$83.72
- Student Council-----\$725.79
- F. H. A. \$31.29
- National Honor Society-----\$313.39
- Band Fund \$36.08
- Elementary grades 1-6-----\$84.55
- Grade 7-----\$38.73
- Grade 8-----\$12.05

CARLOS DICKERSON THANKS VOTERS

TO THE VOTERS OF PRECINCT 2.

This is to express my deep appreciation for your confidence placed in me by electing me your Commissioner of Prec. 2 of Kent County.

I will do my best as your Commissioner, to carry on the county business to the best of my ability and I am grateful for your vote and influence in both the Primary and Run-off election.

At any time I may be of service, please feel free to call on me.

Sincerely,
Carlos Dickerson

School Board Faces Personnel Problems

The Jayton School Board faced a heavy agenda in its meeting Thursday night.

At the meeting Supt. R. N. Pierce was expected to recommend that Ralph Newton be employed as high school principal, and that a new coach be hired. He has interviewed several applicants for

coach.

Other personnel matters were to consider the resignation of Sherry Kay Hall, to hire a business teacher, and a fourth grade teacher.

They also were expected to consider the budget, and set the tax rate.

Pee Wee Team Beats Aspermont

The Jayton Pee Wee Baseball club beat the Aspermont Blue Caps Monday night, 12-4. Joe Seaton is the manager of this team.

Team members are Patrick Parker, George Alvarado, Joe McMeans, Tim Seaton, Mike Phillips, LeRoy Luna, Greg Nauert, Britt Phillips, Jim Ryder, Dean Trammel, Davie Sumner and Bobbie Benavides.

Private School Study Planned

AUSTIN (AP) — College Coordinating Board Chairman Manuel DeBusk announced the appointment Monday of a special four-man subcommittee to study the problems of private higher education in Texas.

DeBusk named himself head of the committee. Other members are Tom Sealy of Midland, Hunter McLean of Fort Worth and Harry Provenoe of Waco.

Preserved

New Mail Service

If you could take a radius line one quarter of a mile long, stretch it from the Jayton post office, and swing it around in a circle, you would see a cluster of mail boxes on almost every street corner.

A new route with more than 50 new boxes has been established here, with people getting mail delivered daily, almost at their door steps.

One couple that really is enjoying the new service is Mr. and Mrs. Dolphus Moreland, shown above, checking the box.

The only problem now is, that Dolphus will have to find a new excuse for going to town so often, but as smart as he is, he'll come up with something. (Chronicle Photo)

The Jays Defeat Astros To Gain Edge On Title

With one game left to play the Jayton Jays defeated Aspermont Tuesday night 10-2 to clinch a tie in the district standings.

Behind Jim Phillips' one hit pitching, the Jays hammered three Aspermont pitchers for 7 hits, to win an easy victory. They now stand 9-2 and the Astros', 8-3.

Aspermont scored in the first inning on an error, but Jayton came back with three walks and a balk to get into the scoring column.

In the second Aspermont got a man on third, but let him die there, then Jayton began to move, as Phillips got a single, Tommy Parker walked. Brad Dibrell walked and Steve Kidd got a single to knock in two scores. Two more scored on errors.

Big Jim Phillips teed on the first pitch of the third inning for a home run. In the fourth Paul Davis walked, and

then Phillips hit a double for another score.

In the sixth Aspermont threatened as Eugene Johnson hit a double, but Tommy Parker pulled an unassisted double to wipe this threat out.

In Jayton's half of the sixth Keith Cave got a single, Paul Davis got a hit, Bill Paris got on, on an error, and then Tommy Parker brought in a run with a single.

Aspermont got men on the bases in the sixth, but they were picked off trying to steal.

Either, a Jayton win, or an Aspermont loss Thursday night will give the Jays the title. The Jays will play in Spur.

Members of this team are Brad Dibrell, Parker Kidd, Keith Cave, Paul Davis, W. H. Paris, Jr., Jim Phillips, Allen Kelley, Norman Hall, Leck Browning, Tim Parker, Mitchell Stanley and Loye Alvarado.

Jaybirds Schedule For The '70 Season

The Jayton Jaybirds this year will play four games at home, and six away, according to a schedule released this week by Coach Ralph Newton.

Jayton will play this year in a five-team conference which includes Sands, Roby, Forsans and Loraine.

The schedule is as follows:

- Sept. 11: At Roscoe
- Sept. 18: Spur here
- Sept. 25: Rochester here
- Oct. 2: At Matador
- Oct. 9: Rule here
- Oct. 16: Open
- Oct. 23: At Sands
- Oct. 30: Roby here
- Nov. 6: At Forsans
- Nov. 13: At Hawley
- Nov. 30: At Loraine

Girard Potshots

On Monday of last week this scribbler was walking down the side walk in Rotan and met up with Hooper Shelton, owner and publisher of the Rotan Advance; the first time we had met in years, but we both did a lot of "Ink-slinging" back in the 40's. I wrote a news column for him when he published the Roby Star Record and that was some twenty five years ago. Hooper is like a lot of we West Texas natives; he, too has made a lot of "tracks-around the hen-house", and he's a jolly good fellow.

Taking in the Rodeo in Aspermont last week were, the Hugh Turners and the Buck Thompsons of this community.

Mrs. George Darden was in Rotan last Monday for a check-up with her doctor in the Rotan hospital.

Adolphus Moreland of Jayton was at the hospital in Rotan on Monday of last week for a medical check. Mr. Moreland has been "been under the weather" for a few weeks now. He is an old timer of Kent County.

Paula Woodrum from Lubbock is visiting her grandmother, Mrs. Tom Bailey for a couple of weeks.

Visiting in the homes of the A. C. Wilkerson's and the Jake Simmons last week were Mrs. Ruth Darden from Texline and the Clyde Dardens from Okla.

Driving around some of the cotton fields in this vicinity, we notice the grass-hoppers have eaten from the turn rows to as far as a hundred yards out into the fields, all of which doesn't look good for the "home town."

Thanks to Donald Spradling of Madisonville for a years subscription for the Jayton Chronicle.

Last Wednesday afternoon was the local HD Club meeting at the community center. Eight members were present, and one visitor, Ms. Lee Parker of Jayton. Mrs. Parker had charge of the program bringing pictures which she showed pertaining to her recent trip to Europe.

Mr. and Mrs. Floyd Milligan from Friona and Miss Nancy Jo Beavers from the sunny state of Arizona were visiting friends and relatives here last week. They visited the Orwin Stephens', the Kim Simmons and Mrs. Etta Tackett.

Some of the early arrivals for the Spradling reunion at the community center on Friday were the Don Spradlings' from Madisonville. The reunion started on Friday and lasted through Sunday, the 5th.

Mrs. Ted Darden returned to her home on Wednesday after several days visit in the home of her daughter, Mrs. Raymond Morgan in Roscoe.

Mrs. Henry Stiles is back in the Aspermont hospital after suffering a sudden attack last week. She is reported as some better at this writing.

Pete Gilbert, a former Kent county resident, and who now lives in Abilene, visited this scribe and "better half", last Friday; he was in Girard for the Spradling Reunion.

Since all my folks came to Texas from the "Deep South" and I still fret over losing the war. I was up early this 4th of July; in fact, 6am

and hung a new Confederate flag from the front porch. The flag, a christmas gift from our Wyoming grand-kids.

Seeing Pete Gilbert back in Girard last week-end reminded me of the school days at Bonds Chapel back in 1908, even though, I attended school only about three weeks that year in Bonds Chapel. I remember sitting across the aisle from the Gilberts' Pete and Sam and their sister, the Hollingsheads, Emmett, Pin and their sisters, Stella and Edna, Kate and Eunice Bonds, All Parks and others. Yep', in those days Kent County was rather Western.

Mr. and Mrs. Raymond Morgan from Roscoe spent the week end of the 4th in the home of her mother, Mrs. Ted Darden in Girard.

Mrs. Tom Bailey and grand daughter, Paula Woodrum left Sunday for Paducah for a visit with Mr. and Mrs. W. Q. Bailey and other relatives in that city.

Mr. and Mrs. Matthew Wilson from Bakersfield, California are visiting the Tom Wilson's for a few days. They resided in Kent many years ago and also in Dickens County. Mrs. Wilson was a Stanley before her marriage to Wilson.

You folks, who don't get the Spur or Jayton paper, all you gotta' do is mail ole' George a check for a years' subscription and the home town news will be on its' way.

Visiting the Tom Hunnicuts over the 4th of July were Mr. and Mrs. Kenneth Faust and two children from Harrisburg, P., Mr. and Mrs. Charles Hunnicut and children from Greenville, Mr. and Ms. Jack Hunnicut and son, Dale Hunnicut and Larry, and Mr. and Mrs. Dave Hunnicut and son from Lubbock, Mr. and Mrs. Dewey Tucker and children from Idalou, Mr. and Ms. Dink Hunnicut and children from Midland and Mrs. Fred McGaha of Girard.

NOTICE TO BIDDERS!
Notice is hereby given that the Kent County Commissioners' Court will receive bids on the following described equipment: Trailer F. C. B. Jayton, Texas: Tandem axle, dual wheels. Not less than 14 ton carrying capacity, 8 ft. wide by 20 ft. long straight deck, deck floored with not less than 2 inch oak. Heavy duty electric brakes and truck kit for brakes. Equipped with complete lighting system including stop lights, tail lights, turning signals, side running lights and reflectors as required by law. Swing away tongue stand, 2 Hydraulic cylinder platform controllers 7:50 x 15 12 ply tube type tires. Not less than 48" between axles.

Bids will be accepted until 10:00 a. m. July 27 at the Kent County Court house at which time all bids will be opened and read aloud. All bids will be sealed and marked on outside when delivered. The court reserves the right to reject any and all bids.

Witness my hand this the 29th day of June A. D. 1970. Bobbie Ted Gallagher, County Judge, Kent County, Texas.

Cong. Graham Purcell Votes For Hill-Burton Hospital Funds

WASHINGTON. Congressman Graham Purcell (D-Tex) joined the majority of Members of the House of Representatives who voted to override President Nixon's veto of Hill-Burton Hospital Funds.

In explaining his vote, Purcell stated: "We cannot afford to be weak when it comes to providing additional facilities for patients to meet our already overcrowded hospital situation."

"For those of us in North Texas, sustaining the Veto would have a very detrimental effect. Within the 13th Congressional District alone, we need much better facilities: the 1970 State Health plan indicates we need 2 more public health centers, 6 new outpatient centers, and facilities to provide 650 new beds."

"This does not even take into account that over 1200 hospital beds within the district need replacement, as well as an intense need for facilities for nursing homes and outpatient facilities," Purcell said.

"At today's cost, it takes an average of over \$30,000 just to provide one additional bed. High as it is, we must have those facilities, and the only way to avoid high local taxes is through the Hill-Burton Program. For this reason, I think the President made a bad mistake in vetoing a bill that passed without a dissenting vote in the House of Representatives."

"I therefore, voted to override his veto, and I hope the Senate will follow the leadership of the House," Purcell concluded.

EVERY JOURNEY...

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 Kings 19:1-8	1 Kings 19:9-18	Isaiah 35:1-10	Isaiah 58:6-12	Matthew 10:5-15	John 4:1-15	John 4:16-26

The caravan has travelled through the desert for many days . . . and the men are glad to see the tall date palms of the oasis in the distance. Here they will rest and refresh themselves beside the cool spring before continuing on their way.

Every journey is made easier if it is broken by intervals of restoration and renewal. Even life itself can be a weary road if it does not contain times and places where we can pause to gather new strength. Where can modern men and women regain the equilibrium and peace of mind that they need so badly?

Fortunately, we too have an oasis . . . the Christian Church. The teachings of Jesus offer deep wells of comfort for the spirit, and springs of joy to revitalize any life that lacks goal or purpose.

ROGENE'S FLOWERS

From The Recipe File Of
Opal Richards

LEMON MERINGUE PIE

In a sauce pan combine 1/2 cup dairy sour cream and 3/4 cup lightly beaten egg yolks. Beat in one 4 1/2 or 5-ounce package regular vanilla pudding mix, 1/4 cup milk, and 1/2 cup frozen lemonade concentrate, thawed. Cook and stir until mixture thickens and boils. Remove from heat; pour into a 9-inch baked pie shell. Beat 3 egg whites, 1/2 tsp. vanilla, and 1/4 tsp. cream of tartar till soft peaks form. Gradually add 6 tablespoons sugar, beating to stiff peaks. Spread atop hot filling, sealing to edges of pastry. Bake in 350 degrees oven for 12 to 15 minutes. Cool; chill.

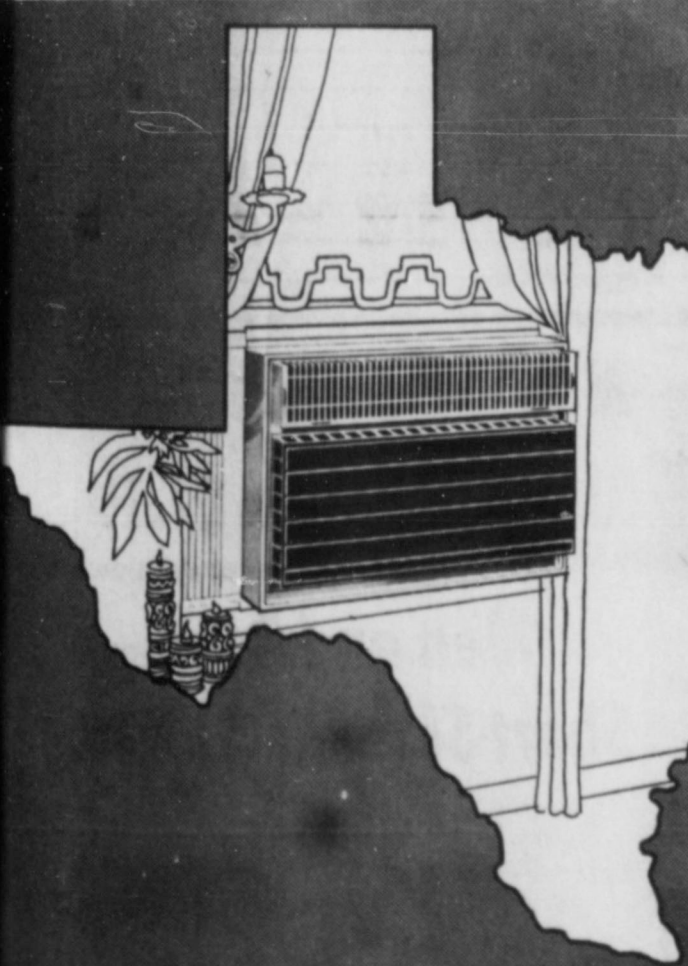

P. S. Meringue won't shrink if you seal it to pastry edges.

PINEAPPLE LIME SALAD
1 package (6 oz.) lime flavor gelatin
1 cup boiling water
1/2 cup crushed pineapple
1/2 cup syrup
1/2 cup dairy sour cream
1/2 cup water
1/2 cup crushed pineapple
1/2 cup water
1/2 cup crushed pineapple
1/2 cup water
1/2 cup crushed pineapple

Add sour cream and pour into a 12 quart ring mold. Chill until set. Makes 10 to 12.

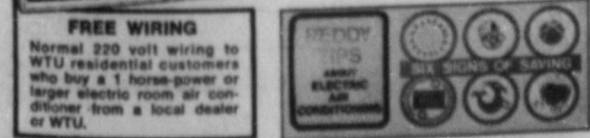

Note: If desired, additional fruit measuring one cup or less can be added before first chilling.

APPLE CUSTARD PIE

1/2 recipe Plain Pastry
4 tablespoons flour
1 cup sugar
5 apples, pared and cut into halves
1 egg, beaten
1 1/2 cups evaporated milk
1/4 teaspoon nutmeg
1/2 teaspoon cinnamon

Line piepan with pastry, sprinkle 2 tablespoons flour and 1/4 cup sugar over bottom. Arrange apples cut side up in pastry shell. Combine egg and milk and pour over apples. Combine remaining flour and sugar with spices and sprinkle over top. Bake in very hot oven (450° F.) 10 minutes; reduce temperature to slow (325° F.) and bake 30 minutes longer, until apples are tender and custard firm. Makes 1 (9-inch) pie.

PINEAPPLE AND BANANA SALAD

1 1/2 cups pineapple cubes
3 ounces cream cheese
2 tablespoons lemon juice
1/4 cup pineapple juice
4 bananas
Chicory or lettuce
Lemon French Dressing

Drain pineapple, mash cheese and add lemon and pineapple juice gradually. Beat until creamy. Slice bananas lengthwise, brush with fruit juice. Arrange fruit on salad greens. Serve with dressing. Serves 4.

Brush bananas with honey and dip into chopped toasted almonds.

SHORT RIBS OF BEEF

3 pounds beef short ribs
1 clove garlic
1 small onion
2 cups canned tomatoes
1 teaspoon paprika
Salt and pepper

Cut short ribs into serving pieces. Rub with cut clove of garlic. Place in kettle and slice onion over top. Cover with water, cover kettle tightly and cook slowly for 2 hours. Transfer short ribs to greased baking dish, add tomatoes and seasonings, cover and cook in slow oven (300° F.) about 1 hour, or until short ribs are very tender. Remove cover for last 15 minutes of cooking so that short ribs will brown slightly. Serves 6.

BRAISED—Brown 2 pounds short ribs, add 1 1/2 teaspoons salt and water to cover bottom of pan. Cover tightly, cook in 300° F. oven 2 1/2 hours. Serves 4.

While waiting for a bus on New York's Fifth Avenue, I noticed a woman looking another over from head to toe. When she finally completed her appraisal, the victim smiled and asked cheerfully, "Well — what's the verdict?"

The motorcycle cop stared in astonishment as the tiny foreign car sped down the road; it was jumping two or three feet into the air every half minute or so. The policeman sped after it.

"What's the matter with the puddle-jumper?" he shouted at the driver. "Not a thing, officer," said the man. "It's me. I've got the hiccups."

A socialite was relating his recent experiences to members of his club. "I fell off my horse and broke my ankle," he began. "My horse kicked me up with his teeth, flung me into the saddle, raced home, put me on my bed and then got a doctor."

Texas Teachers to Receive Pay Raises Averaging About \$1,050; To Work Additional 15 Days

AUSTIN — Texas public school teachers — those on the state minimum salary schedule — will receive pay raises averaging about \$1,050 per year in 1970-71.

Students will go to school — and teachers will teach — an extra five days (180 days instead of 175). In addition, teachers will be on duty for 10 more days of non-teaching work during the year, and will be paid on a 10-month basis, instead of nine.

These changes in the school year and the basis for figuring teacher pay result from amendments to the minimum foundation program law passed in 1969 by the Legislature.

Under the minimum program, a beginning bachelor's degree teacher in 1969-70 was paid \$593 per month for nine months, or \$5,337 for the year. In 1970-71, a beginning bachelor's degree teacher will receive \$600 per month for 10 months, or \$6,000 for the year.

Many Texas school systems pay their teachers more than the state-required minimum salaries.

Texas was ranked 38th among states in average

teacher pay in 1969-70. The 1970 raises and a long-range improvement plan are expected to move Texas up to a more favorable position among states in the years ahead.

The new law puts into effect in 1971-72 a continuing compensation plan which will give Texas teachers an additional five percent raise each year and cost-of-living raises in 1974 and 1978. It will allow all Texas teachers to reach the top of the pay schedule — \$11,040 for bachelor's degree, and \$12,040 for master's degree teachers — within 10 years of service.

The new law has left many people — teachers as well as school patrons — with questions about its work and pay aspects.

The State Board of Education has attempted to answer such questions by drafting an official definition of the 180-day school term and service requirements for teachers in 1970-71 and future years.

Basically, the state board says that beginning on September 1, 1970: — Texas public schools will

have 180 days of actual classroom instruction, (where teachers and students are together in learning situations) instead of the 175 days previously required under foundation program law. (Some schools had already been operating programs longer than the minimum.)

Most Texas teachers will be paid on a 10-month basis. (Vocational and special education teachers may be paid for 10, 11, or 12 months.)

In addition to the 180 days of classroom instruction teachers and other personnel previously authorized for less than 10 months under the foundation program shall be required to be on duty for an additional 10 days, making a total of 190 days, exclusive of holidays approved by the local board of trustees.

School districts may employ teachers for more than the specified 190 days, but if they do their salaries for work beyond the 190 days must be paid wholly from local funds rather than foundation program funds.

When weather delayed harvest, Wayne was the only variety that shattered at economical levels.

Lodging was directly related to available moisture but was also influenced by planting rate, explains the agronomist. Most lodging was observed where moisture was available for continuous vegetative growth and the plant population was high. This was especially true of the Hill and Lee varieties at the Canyon location. Lodging was not a problem for Clark 63 and Wayne even under the above conditions.

In summarizing the study, Rogers points out that delay in planting had some effect on maturity date, date of first flower and date of first pod and less effect on seed yield, plant height at maturity, height of first pod-bearing node, shattering and lodging.

He adds that the maturity date, date of first flower, date of first pod and height of first pod-bearing node were greatly influenced by whether the variety was determinate or indeterminate. (Determinate plants essentially stop vegetative growth when flowering begins.) Plant height at any stage of growth was affected by available moisture while shattering appeared to be a varietal characteristic.

According to the agronomist, this data indicates that even when soybeans are planted as late as June 24, it is possible that adequate vegetative growth may be obtained on all varieties used in the study if adequate moisture is present.

Copies of the special soybean report are available from the local county agricultural agent or the Texas A&M University Agricultural Research and Extension Center at Lubbock.

Harry Dodson Ellis Funeral Held In Spur

Funeral for Harry Dodson Ellis, 75, brother of Mrs. Davis of Ralls, was held Saturday in the Spur Methodist Church, with the Rev. Howard Marcom, pastor officiating. Burial was in the Spur Cemetery.

Ellis died Thursday in Crosbyton Hospital after a lengthy illness.

He was born in Collingsworth County and moved to Kent County in 1903. He had been a resident of Dickens

County since 1941.

Survivors include his wife, Winnie; a daughter, Mrs. Agatha Young of Houston; three sisters, Mrs. Agatha Locke of Miami, Mrs. Rachel Bingham of Spur and Mrs. Davis of Ralls; a brother, Dudley of Truscott; and a grandchild.

Pallbearers were: Carlos Bass, John Moore, Charles Sonnamaker, Lewis Lee, Wade Barker and Joe King.

Grazing Practices Lead To Successful Range Management

The grass leaf is the factory which produces the food or energy for the plant and puts money in the rancher's pocket. Grazing native rangeland is economical and native grass can be highly productive when properly managed. "Proper grazing is the key to successful range management."

Proper grazing means leaving half the annual production of the grass for a healthier higher producing

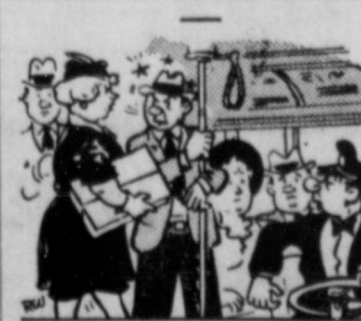

plant the next year.

Much of the perennial grass root system dies and is replaced each year. The foliage that is left on a properly grazed plant will be adequate to rebuild and strengthen the root system. Proper grazing leaves the grass plant with enough energy to allow reproduction. The ungrazed leaves will become litter after they die replacing some fertility and acting as a mulch to catch and hold the rainfall.

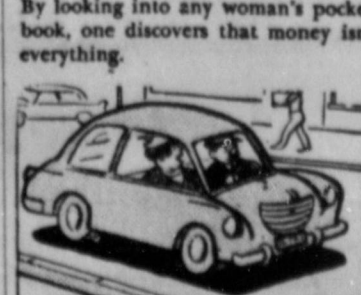

Electric Co-Op Receives Loan

Congressman Graham Purcell announced last week that a loan of \$450,000 has been approved for Dickens County Electric Co-Op by the U.S. Department of Agriculture Electrification Administration.

Purpose of the loan is to finance 67 miles of power lines within the district to serve 216 consumers. The loan will also

be used to finance extensive replacement, including 22 miles of new pipe line and the conversion of 43 miles of extension line and related facilities.

"Mind nagging me a little? I'm starting to fall asleep."

Four counties make up the area in the 13th District, they include Dickens, Kent, King and Stonewall. In the 19th District are Crosby, Garza and Motley counties.

Bryan Haney, Afton is president of Dickens County Electric Co-Op, while Sam Houston is manager.

His Lucky Day
Sony -- Daddy, do you remember where it was that you first met momma?
Daddy -- Yes, son, I recall that it was at a party where there were 13 at the table.

Upon the birth of their first child, a young father was asked if he did not think the new baby would bring him and his wife even closer together.
"Certainly will," he said. "Now we have a common enemy."

heartburn?
Di-Gel contains a unique anti-gas ingredient, Simethicone.

This unique discovery breaks up and removes painful gas-bubbles. Your relief is more complete because Di-Gel takes the acid and the gas out of acid indigestion. Get Di-Gel tablets or liquid today. Product of Plough, Inc.
