Friday, September 11, 1970

Are There Any Reasons Why The Issues Should Not Be Favored?

On Sept. 22nd, the voters of Kent County go to the polls to vote on two issues.

One is the matter of voting bonds to build a County library and community center. The price tag on this issue is \$100,000. If the people of Kent County want to continue with the library, this is a must. The library is extremely crowded, with books stacked high in piles, with no way of cataloging them or telling where they are. Also the community center, a place for small groups of people to meet and get together, to have social events. Right

now, the school is the only place this can happen, and it is not convenient or proper many times to use school premises for such purposes, which are not related particularly to education.

The other issue is the matter of public parks. This would build a park in town, at Credit Lake, and also improve the park facilities near the city lake.

Here are the cold facts, folks. There is no good reason in the world that we can figure why these parks should not be built.

Look at it this way.

Ninety percent of the tax load is carried by oil, gas and mineral properties. And justly so that it is. They should carry their part of the load. They are pumping out of the county and selling millions of dollars worth of materials each year.

In addition to this, in Kent County they have the lowest values, and the lowest tax load of any county around. And further, in addition to this, they are building parks, and libraries, and facilities in every other county, and why not also in Kent. If you don't believe this, just check Scurry County (Snyder) and see what

they are spending there. Scurry, with all its oil and values, has a higher tax rate, by far than Kent.

In addition to this, the taxes to be paid this year, will make final payments on the Rest Home, and the Road Bonds, and Kent County will have no bonded indebtedness at all. And this new issue can be paid with funds that have been making these payments. It will require no raise in taxes, the Chronicle is told.

Think about these things before you go to vote on Sept. 22. How about it?

LOWRANCE FUNERAL HELD IN JAYTON SUNDAY EVENING

Mrs. Bertha Lowrance, 81, of Jayton, died at 12:30 a. m. Saturday in Callan Hospital in Rotan.

Funeral services were at 4:30 p. m. Sunday in the First United Methodist Church in Jayton with the Rev. Tommy Ewing, pastor, officiating. Burial was in the Jayton Cemetery under the direction of Weatherbee Funeral Home of Rotan.

She was born Bertha Hardin Sept. 10, 1888, in Coleman County. She moved to Kent County with her parents, Mr. and Mrs. Benjamin Hardin in 1893.

She married Orville C. Lowrance in 1906 in Snyder. He died June 10, 1970. She was also preceded in death by one son.

She was the member of the Methodist Church.

She is survived by a number of nieces and nephews.

Pallbearers were: Gordon Hamilton, Bill Jones, Mark Geeslin, Norman Hahn, Elbert Walker and Ray Smith.

Kent and Dickens Fair Coming Next Weekend

The Kent and Dickens County Fair gets underway next Thursday night, with a Queen Contest in the Jayton School auditorium. Cost for this will be 50¢ for children and 75¢ for adults.

Also Thursday will be the day to set up your exhibits at the fair grounds in Girard.

Friday exhibits will be judged beginning at 9:00 Exhibits will be open to the public. Friday night feature will be the Jayton and Spur football game at Jaybird field in Jayton.

Saturday, the American Quarterhorse approved horse show will get under way at nine, and take most of the morning. There will be a barbeque lunch at noon. Then again, horse show to 4 p. m.

The parade will be at Girard at 4 p. m. There will be three divisions of judging in the parade. One will be for adults and another for the youth. A special prize for the best decorated bicycle will be given. Purvis SoRelle is in charge of the parade. A free saddle will be given away

during the fair. Don Smith of Talpa will judge the horse show.

Back to Jayton at 8 p. m. Saturday, there will be a womanless wedding. Also at this event will be a number of other items of entertainment.

So, be around for the fair, beginning Thursday and ending Saturday.

You are invited to go by the extension office in the courthouse and get a program of the complete fair agenda.

Jaybirds Plan To Plow A Wide Furrow In Roscoe Friday Night

The Jayton Jaybirds open the new season this Friday night with a trip to Roscoe to play on the plowboys. The birds have not fared very well in recent encounters with the

plowmen, but they are going into this affair with quiet confidence. "They will know they have been in a ball game," one of the boys said. Each year for the past

three years the Jaybirds are under a different coach. This time it is Jerry English, who comes here from Stamford. He has the boys in fine physical and mental condition.

Assistant Coaches are Kenneth Judy, Bruce Land and Raymond Hughes.

Game time in Roscoe will be 8 o'clock. Don't be late.

SEGURA FUNERAL HELD LAST WEEK

Mrs. Filomena Segura, 51, of Jayton died, Tuesday of last week, at her home, following a sudden illness.

Funeral was held in Assembly of God Church. Burial was in the Jayton Cemetery, under the direction of Littlepage Funeral Home of Aspermont.

She was born Aug. 28, 1918, at Devine. She had lived in Jayton the past 11 years. She was a member of the Pentecostal Church.

Survivors are her husband, Joe Segura of Jayton; six daughters, Mrs. Catarina Gomez of Jayton; Mrs. Clara Ramirez of Rotan; Mrs. Soila Ramon of Roby; Mrs. Cucca Nanez of Mineral Wells; Mrs. Lupe Castillo of Rotan and Dora Segura of Jayton; one son, Ygnacio Segura of Jayton.

Fair Queen Contest To Be Held In Jayton Thursday Night

The annual Kent-Dickens Fair will kick off on September 17 at 7:30 p. m. in the Jayton High School Auditorium with the Fair Queen's Contest. Over a hundred beautiful girls will be entered in this event representing businesses in Jayton, Spur, Girard, McAdoo, Dickens and Patton Springs. Girls will model formal evening gowns

and will be judged on poise, personality and appearance. Judges for the contest will come from Lubbock.

Miss Johnnie Lynn Johnson, Fair Queen for 1969 will present this year's winner with the Queen's title and crown. Joanie will also present the title over 115 girls in last year's competition.

Other events of the Fair

will include exhibits on Thursday, Friday and Saturday, Horse Show, Barbeque, Parade, and entertainment on Saturday. All displays will be at the school in Girard.

"Come to the Queen's Contest on Thursday for the most glamorous event of the Fair," states Mrs. Katherine Owen, Supt. of Fair Queen's Contest.

HOSPITAL
Mrs. Richard Brownlee in the Hendrick's Memorial Hospital in Abilene. She had surgery.

ATTEND FAMILY REUNION
Mr. and Mrs. Robert Harrison and Mr. and Mrs. Bill Harrison attended a family reunion this week.

Have You Wondered About Doctor Costs?

PHILADELPHIA
The American College of Physicians is urging its 16,000 members throughout the country to exert local leadership in eliminating duplication of equipment, services and personnel among private hospitals.

The college's board of regents sees this duplication as one of the reasons for the rising costs of medical care in the United States.

Holiday Deaths Top '69 Toll

A total of 612 persons were killed in traffic accidents on the nation's roads and streets during the three-day Labor Day observance, the last holiday of summer.

The toll exceeded the figure for the 1969 Labor Day period when 609 persons died. It was below the 1968 figure of 688, the worst Labor Day traffic death count.

CHILDREN HOME

Mr. and Mrs. Louise Smith had some of their children home for the week-end.

REUNION

The Cheyne's had their reunion this week-end at Clairmont.

Big Field Day Is Set For Sept. 24th

Visitors will see range cattle in good condition despite severe drought when they attend the 1970 field day of the Texas Experimental Ranch.

The ranch is a unit in the College of Agriculture of Texas A&M University, and is 10 miles north of Throckmorton, on U. S. 183.

The field day, held every other year, is Sept. 24, and begins with guided tours of the various research areas.

The visitors will also hear of a study to determine the botanical composition, the quantity and the chemical components of what cattle eat when they are confined to grazing rangeland. This work will involve a "trap door" in

the esophagus of the cattle.

Registration will be at the ranch headquarters, at noon, the group will be taken into Throckmorton for a bunch of barbecued beef.

In a program from 1 p. m. until 2:45, various specialist will discuss intensive grazing system of high intensity and short duration, the influence of protein supplement on livestock production, and a summary of brush control and vegetative response to grazing treatments.

Ranch Supt. Gray Mathis says the public is urged to attend the field day. Admission will be free. Lunch will be dutch-treat.

School Board Meeting Held Thursday Night

The Jayton school board was to have met in regular session Thursday night.

The Board did not face a heavy agenda, but some times matters come up that require lengthy discussion. Matters to be discussed included considering the butane bid, and the possibility of hiring some one just to haul for the school.

In the agenda report sent out previous to the meeting, Supt. R. N. Pierce told the members of the board the school will need approximate \$42,000.00 to meet the current payroll and bills.

Two architects have been contacted, relative to a build-

ing program. At a previous meeting the board voted to do some additional paving around the school, and to increase the lights at the football field.

They also voted to pay Spur Milk Co. 7 1/2 cents per half pint for milk supply. They voted to pay Mobil Oil Co. 0.1433 for regular gasoline and 99¢ per gallon for oil.

They voted to set the tax rate at \$1.60 for this year, which is the same as last year. This is \$1.40 for local maintenance and 20¢ for debt service.

Football Contests Begin This Week

This week begins the big football score guessing contest in the Jayton Chronicle which will continue through the football season.

Each week fans are asked to guess on a total of 12 games. The winner each week gets \$3, second \$2 and third \$1.00.

Place your ballots in the slot in the door at the Chron-

icle office, or leave them at the Jayton Drug and they will be picked up. All entries should be in not later than 5 p. m. Friday.

If mailed, they should be postmarked not later than 5 p. m. Friday.

Join the game it's a lot of fun. It is being sponsored by Jayton merchants.

CARD OF THANKS

I would like to take this means of saying, "Thanks to the Jayton Fire Department and all those who were concerned enough to come out and help put out the fire that

Girard POT SHOTS

Mr. and Mrs. Jesse Hagins from down Hamlin way visited his mother and sister in the Jayton Nursing Home and friends and relatives in Spur and M. A. Darden in the Aspermont Hospital on last Tuesday.

Mrs. Ora Darden Hill died in the Hendrick Memorial Hospital on last Monday after several weeks in a critical condition. She was 69. Mrs. Hill had visited a number of times in Girard with friends and relatives.

George Darden Jr. was at the bed side of his Mother most of last week, in the Rotan hospital. His home is Crane where he is employed with Atlantic-Richfield Oil Company.

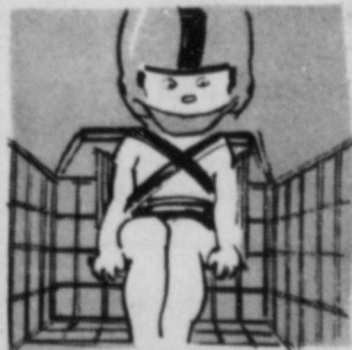

Mr. and Mrs. McCrary who was minister of the Local Church of Christ for past year have moved to Douglas, Arizona where he will teach in the Public schools and assist as minister in the Church of Christ in that City. Sorry to lose these fine young folks from our community, and they were real good neighbors.

The saddle to be given away at the Kent-Dickens Fair has been made by a Roaring Springs saddle maker

Remember Jayton Homecoming Oct. 9-10.

Myrtle picked out a shopping cart at the market, placed her baby son in the front seat, buckled the strap and made her way to the vegetable section. But as she was examining the lettuce, the child burst through the strap and fell to the floor. In short order, Myrtle sued the store for damages. She said the strap was so badly worn that it should have been replaced. "That is possible," countered the company, "but it is also possible that the child put excessive strain on the strap. She admits she was not looking at him at

the moment he fell, so she just does not know how hard he was squirming."

Nevertheless, the court held the store liable. The judge said the strap should have been sturdy enough to withstand all the pressure a baby was likely to exert. In supplying shopping carts to its customers, a store must live up to basic standards of safety. Furthermore, it must keep a reasonably watchful eye on the way the carts are handled.

In another case, a small boy began trundling a cart briskly through the aisles, even though he could hardly see where he was going. Finally, coming around a corner, he slammed into a startled woman shopper. Here, too, the management was held liable. The court pointed out that the boy had been circulating for more than 10 minutes, time enough for employees to bring him to a halt.

Still, a store is not liable if the accident cannot be traced in some way to its negligence. Take this case:

A woman suffered a sprained finger when the shopping cart she was pushing came to a sudden stop. It seems that a stray piece of string had somehow gotten

and you may just win it by buying a ticket to the Stock show at the Fair. Get your ticket at Kimmels station.

Mrs. Morris Yandell returned to her home last week after several days as a patient in the Rotan Hospital.

Ollie Bural was at the Lubbock Live Stock Auction again last Thursday with a load of the neighbors cattle.

Mr. and Mrs. Abe Martin from Aspermont are new residents of Girard and we welcome them to our city. Mr. Martin is the minister of the local Church of Christ here.

Listening to an interview of a U. S. Army General on TV last Wednesday, he said: A war that isn't worth winning isn't worth fighting for. The General is so right. People of the U. S. wonder why this Government fails to let our boys win. A couple of Atomic Bombs would get it over with in a hurry and perhaps save a lot of our boys lives.

Wayne Brown, Hardin-Simmons preacher student who preached at the local Baptist Church the past two Sundays, and his wife seem to like the Girard people and we like, them, come out next Sunday you may be glad you came to

tangled around a wheel, locking it tight.

But when she filed suit for damages, a court could find no grounds for blaming the management. The court said this was the kind of an accident that would simply have to be chalked up to bad luck. As one judge put it: "The shopper bears some of the hazards of life inside a supermarket as well as outside."

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

Church. Mrs. Virgil Kilpatrick has been on the sick list the past few days and seeing a Doctor.

Mrs. George Darden is doing fine in the Rotan hospital after under going surgery on August 31st.

This is the third week in the Aspermont hospital for another pioneer of this County M. A. Darden.

Rev. James (Pokey) Woods, Pastor of the Central Baptist Church in Aspermont and his wife Clara Jo do more visiting in the hospitals than any folks we know. One day last week—they were visiting sick folks in the Aspermont, Stamford and Rotan hospitals all in the same day, and that isn't un-usual. We have known this couple since they were kids and in fact our younguns and Mrs. Woods were in school together in McCaulley back in the 1930's and 40's. This couple always bring a "load of cheer" to the sick and afflicted where ever they find em'. The world is in need of more folks like Pokey and Clara Jo Woods.

About twenty car loads of folks of the area met at the Girard school grounds last Thursday and cleaned the buildings and grounds for the Kent-Dickens Fair that is to be held here Sept. 17th, 18th and 19th.

It is better to light a single candle than to go on cursing the darkness, says Senator Yarborough who is trying his best to promote more Doctor students in Medical Colleges through out the States before he leaves office in January. All of which speaks mighty well of the Senator.

This ole' boy really appreciates all the kind things and deeds of our neighbors and

friends who have been wonderful during the illness and hospitalization of my De and my wife.

Mrs. Woodrow Hodges, Jess Brooks, Mrs. Hugh Tamm and Mrs. Raymond Hopper drove over to Rotan last Monday for a visit with Mrs. George Darden in the Rotan hospital.

All you folks out there who like parades come to the Fair. We hope to have the parade ever, and we would like for you to be in the Parade on horse back, buggy, wagon, antique cars and etc. And the big parade will be on Saturday afternoon at 4 p. m.

Up in the Spur county a two inch rain last week fell from the Steel Hill community on south we are still dry. Better pay the Preacher a little more and see what happens.

Have been seeing a lot of folks from Kent and adjoining counties the past week at the hospitals in Rotan and Aspermont including Mrs. Merle from Jayton who has been at the bed side of Mrs. O. Lowrance in Rotan.

Mr. and Mrs. Sanford Cooper from California visited the Kim Simmons in Girard and other relatives in Spur.

Mrs. Bertie James and Mrs. Tom Cooper of Spur visited M. A. Darden in the Aspermont hospital last Saturday.

Mrs. Maurine Dyer visited her daughter and husband in Lubbock Labor Day.

Mrs. Dewey Tucker and children from Idalou were weekend visitors in the home of her parents, the Tom Harnicuts.

Until next week that's folks.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

We call it Vega. We also call it "the little car that does everything well."

Everything? Everything. Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, travels well, parks well, wears well, and is priced well under what you'd expect to pay for such a talented little car.

In our highway tests, Vega has been getting gas mileage in the neighborhood of the little imports, which isn't a bad neighborhood.

Yet unlike your average little car, ours steps right out when you step on the gas.

The engine is a specially designed overhead cam four with a lightweight aluminum alloy block. It turns slowly and quietly at turnpike speeds, with power to spare.

Disc brakes are standard in the front. So are bucket seats, except on the truck.

How we doing so far?

Numbers speak louder than words.

The wheelbase is 97 inches.

Total length is just under 170 inches, or nearly four feet shorter than a full-size Chevrolet.

Height of the coupe is just 50 inches, nine inches lower than the leading import.

Width: a nice stable 5 1/2 feet.

Weight: 2,190 lbs. for the sedan.

Engine displacement: 140 cubic inches.

Fuel economy: about 25 mpg, with the standard engine and transmission, in our highway tests.

Horsepower: 90. You can order 110. (80 and 93 hp, SAE Net.)

Seating capacity: 4 adults.

What it all adds up to is a lot of little car.

Three cars and a truck.

Vega turned out so well that we couldn't turn out just one.

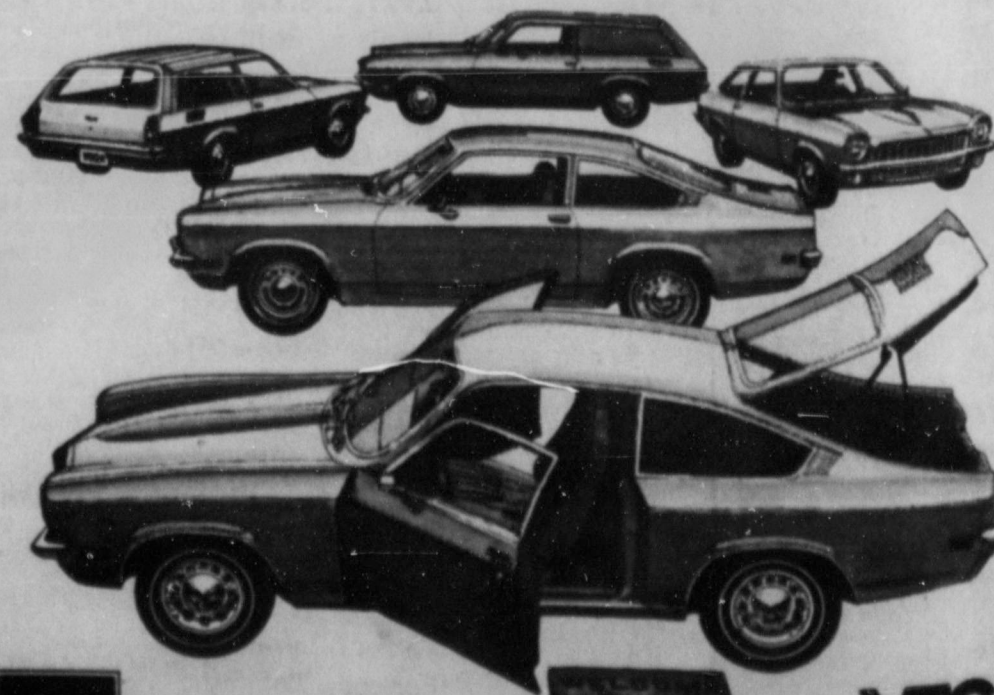

So we're turning out four: the sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel truck, in the rear.

Oh, and a special GT version of the coupe and wagon which we'll show you later on.

September 10th is Opening Day.

All 6,300 Chevrolet dealers are handling Vega, so you shouldn't have to go very far to see and drive one.

Chevy's new little car is open for business. Look into it.

EVERY JOURNEY...

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in growth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The caravan has travelled through the desert for many days... and the men are glad to see the tall date palms of the oasis in the distance. Here they will rest and refresh themselves beside the cool spring before continuing on their way.

Every journey is made easier if it is broken by intervals of restoration and renewal. Even life itself can be a weary road if it does not contain times and places where we can pause to gather new strength. Where can modern men and women regain the equilibrium and peace of mind that they need so badly?

Fortunately, we too have an oasis... the Christian Church. The teachings of Jesus offer deep wells of comfort for the spirit, and springs of joy to revitalize any life that lacks goal or purpose.

EDITOR'S NOTE: We would like to ask someone from each church to please keep us informed about your calendar of activities. And keep your church listing up to date.

such buildings and other permanent improvements to be used for county library purposes and as a community center library; said bonds to mature serially over a maximum period of not to exceed five years from their date, to be issued and sold at any price or prices and to bear interest at any rate or rates as shall be determined within the discretion of the Commissioners' Court at the time of issuance; and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?

PROPOSITION NUMBER TWO
SHALL the Commissioners' Court of Kent County, Texas, be authorized to issue SEVENTY-FIVE THOUSAND AND NO/100 DOLLARS (\$75,000.00) of the general obligation bonds of said County for the purpose of making permanent public improvements, to-wit: acquiring and improving land for park purposes; said bonds to mature serially over a maximum period of not to exceed five years from their date, to be issued and sold at any price or prices, and to bear interest at any rate or rates as shall be determined within the discretion of the Commissioners' Court at the time of issuance; and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?

PROPOSITION NUMBER ONE
SHALL the Commissioners' Court of Kent County, Texas, be authorized to issue ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000.00) of the general obligation bonds of said County for the purpose of making permanent public improvements, to-wit: acquiring land for and of purchasing, constructing, repairing, equipping and improving

and who have duly rendered the same for taxation, shall be permitted to vote at said election. That at said election two separate ballot boxes shall be provided at each polling place. In one box only resident qualified electors who own taxable property in said County and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of these boxes shall be recorded, returned and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own taxable property and who have duly rendered the same for taxation).

SECTION 5: That a substantial copy of this Order shall serve as proper notice of said election. Said notice shall be posted within each election precinct in the County and at the Courthouse Door not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation published in Kent County, Texas, the first of said publications to be made not less than fourteen. (14) full days prior to the date set for the election.

PASSED, APPROVED AND ADOPTED, this 24th day of August, 1970.

PROPOSITION NUMBER ONE
THE ISSUANCE of \$100,000.00 County Library Bonds, and the levying of the tax in payment thereof.

PROPOSITION NUMBER TWO
THE ISSUANCE OF \$75,000.00 Park Bonds and the levying of the tax in payment thereof.

Permanent Improvement Bond Election for Kent County, Texas, held September 22, 1970.

Note: Voter's signature to be affixed on the reverse side.

Each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 3: That the polling places and the officers of said election shall be as follows:

1. In Election Precinct No. 1, the election shall be held in the business office of the High School Building of the Jayton-Girard Independent School District in Jayton, Texas, with Albert Walker as Presiding Judge and Ed Reeves as Associate or Alternate Judge.

2. In Election Precinct No. 2, the election shall be held in the Entrance Hallway of the Girard School Building in Girard, Texas, with Hugh Turner as Presiding Judge and Mrs. Lake Swearingen as Associate Judge.

3. In Election Precinct No. 3, the election shall be held in the Community Center Building in Clairemont, Texas, with Mrs. Leck Wall as Presiding Judge and Mrs. Bell Dyes as Associate Judge.

4. In Election Precinct No. 4, the election shall be held at the Courthouse in Jayton, Texas, in the County Court Room, with Estelle Luna as Presiding Judge and Mrs. J. T. Leech as Associate Judge.

Each Presiding Judge shall appoint the necessary clerks to assist in holding said election.

On election day the polls shall be open from 7:00 O'Clock A.M. to 7:00 O'Clock P.M.

Absentee voting shall be conducted by the County Clerk of Kent County, Texas, at the office of the County Clerk in the Courthouse Building in Jayton, Texas, for the time and in the manner as prescribed by Chapter 5 of the Election Code, and the officers for counting the absentee votes shall be Robert Hall and Raldo Goodall.

SECTION 4: All resident qualified electors of Kent County, Texas, including those who own taxable property in said County.

BEEF À LA MODE

- 5 pounds beef rump roast
- ¼ pound fat salt pork
- Pepper
- 1 clove garlic, chopped
- Salt, Cayenne, Flour
- 2 onions, sliced
- 4 tablespoons bacon drippings
- 1 bay leaf
- 1 sprig parsley
- 3 carrots, sliced
- 1 turnip, sliced
- ¼ cup boiling water

Cut deep gashes in beef. Slice salt pork very thin, rub with pepper and place in the gashes in meat. Rub meat with garlic, salt and cayenne and dredge with flour. Brown onions in bacon drippings, remove onions, place meat in kettle and place onions, bay leaf and parsley over meat. Cover and cook slowly until well browned on 1 side. Turn and brown on other sides. Add vegetables and brown well. Add boiling water, cover closely and simmer for 3 hours, or longer, adding more water as necessary. Serve with vegetables and gravy. Serves 10.

BEEF POT ROAST

- 1 tablespoon flour
- 2 teaspoons salt
- ¼ teaspoon pepper
- 3 pounds beef (chuck or rump)
- 1 onion, chopped
- 1½ tablespoons fat
- 2 cloves
- 2 cups boiling water

Mix flour with salt and pepper and dredge meat with mixture. Brown meat and onion in fat, add cloves and a small amount of boiling water. Cover and simmer for about 3 hours, or until meat is tender, adding more water as needed. One-half hour before meat is tender, potatoes may be added if desired. Serves 6.

BUTTERMILK PIE

- 1 tablespoon butter
- 2 tablespoons flour
- 2 egg yolks
- ½ cup sugar
- 1 cup buttermilk
- 1 teaspoon lemon extract
- ½ recipe Plain Pastry
- 1 recipe Meringue I

Blend butter and flour, add egg yolks and sugar beater together, buttermilk and extract. Line piepan with pastry, pour in filling and bake in hot oven (425° F.) 10 minutes, reduce temperature to moderate (350° F.) and continue baking 20 to 25 minutes or until firm. Remove from oven, cover with meringue and bake as directed. Makes 1 (9-inch) pie.

SPARKLING FRUIT MOLD

- 1 package lime gelatin
- 2 cups boiling water
- 1 orange
- 1 cup canned pineapple cubes
- 1 cup sliced peaches
- Chicory
- 2 small clusters grapes

Dissolve gelatin in boiling water and chill until it begins to set. Pare orange, leaving none of the white skin. Cube. Add orange and drained pineapple and peaches to gelatin, reserving a few peach slices for garnishing. Pour

into a mold and chill until firm. Unmold on bed of chicory and garnish with peach slices and grapes. Serves 8.

WOOD CONSERVATION HONG KONG — Communist Chinese officials in Canton have ordered that bodies be cremated or buried without coffins in an effort to conserve wood, Chinese travelers reported.

MINI SPLENDORED—Want to have your mini and wear it two ways? Arpeja of California shows how: wear it as stylish topping for a softly shaped pantsuit of authentic-looking cotton suede. Or, if you're short-sighted, leave off the pants and wear it as a mini tunic dress.

SKIRT THE ISSUE—A coed's way with the mid-chose a style that buttons down the front but leave it unbuttoned halfway to show a flash of legs. In step with fall's layered look, Miss Pat's cotton knit outfit includes a V-necked vest topping a long-sleeved shirt.

PEANUT BUTTER FOR BREAKFAST

Put the jar of peanut butter on the table at breakfast time and chances are the kids will spread it on their toast. It's as smart a way as you'll find to see that your children get the protein they need for growth, and for tissue repair and maintenance. Or for a special surprise, make these easy-do peanut butter pancakes.

Peanut Butter Pancakes
¼ cup Skippy creamy peanut butter
¼ cup light corn syrup
1 cup pancake mix
Mix together peanut butter and corn syrup. Prepare pancakes as directed on package for 1 cup mix, adding peanut butter mixture with the shortening. Makes 8 to 10 (4-inch) pancakes.

Gardeners and farmers have long discussed planting elevation—a means of dodging fall's first frosts. Many claim things planted on hilltops, in high places, often escape autumn's early frosts, whereas things planted in low places, or valley's, frost-up first. Is this true? Generally speaking, it's true. Because cold air is heavier

than warm, colder air moving in, in fall, often settles in low places and quite often this cold air will become frosty while that over higher ground is still frost-free. Later in the weather cycle, protected places, out of the winter wind, often are better places for plants than hilltops. But not in autumn when the first frosts appear.

The fastest acting chemical is a cute thing with a devilish smile. Where are all the idiots television comedies are produced for?

Meet Ford's new Pinto. The little carefree car.

If you have the questions, Pinto has the answers.

Q. What do you mean, "carefree"?
A. Pinto's designed to free you from car cares, big and little. Cares about high prices and big gas bills. Cares about parking. Cares about service and reliability. Power and stability. Quiet and roominess.
Q. You say Pinto is little. How little?
A. Pinto is only 3 inches longer than VW. But its turning circle is actually a little less, so Pinto can slip easily into tight parking spaces.
Q. And inside?
A. Pinto gives you more interior roominess overall than Volkswagen. And getting in and out is easier because Pinto's doors are a good half-foot wider.
Q. What about price?
A. Pinto is priced like the little economy imports, too.
Q. What about power?
A. Pinto delivers 75 horsepower and averages over 25 miles per gallon in simulated city/suburban driving. The engine is front-mounted and exceptionally quiet for a car in this class. Pinto is the only American economy car equipped with a 4-speed, fully synchronized transmission at no extra cost.

Q. What else is standard equipment?
A. High Back bucket seats. Direct-Aire ventilation with upper-level fresh air outlets. Heater defroster with 3-speed fan. Two-speed electric windshield wipers. Electric windshield washers. Your choice of 15 exterior colors. And more.
Q. How about optional extras?
A. Pinto offers a 100-hp engine and 3-speed automatic transmission. Front disc brakes. Even built-in air conditioning. Tinted glass. Vinyl roof. "Flipper" rear quarter windows. Fold-down rear seat. Bumper guards and side molding with vinyl inserts to protect the paint. More than most imports offer—at prices economy-car buyers can afford.
Q. Reliability?
A. Pinto's engine has already logged 50 million owner-driven miles. And the strength of some of Pinto's parts makes ordinary little economy cars look puny by comparison. Parts like the starter motor, ball joints, rear wheel bearings are heavy duty. Craftsmanship? Pinto is the only American car with hand-matched transmission gears.
Q. What's Pinto like out on the road?
A. Pinto has a wider stance than any economy import, for better stability in turns and gusty crosswinds. For more road feel, and more

precise handling, Pinto has rack & pinion steering—like Porsche and Jaguar—something you won't find on any other American car.
Q. Tell me about service.
A. Pinto is so simple you can do much of the maintenance yourself, if you like. The Owner's Manual shows you how. And Pinto's free Do-It-Yourself Key helps you perform minor service functions.
Q. Suppose I don't service Pinto myself?
A. You still save when your Ford Dealer does it. For example, Pinto needs an oil change half as often as the leading import. And a chassis lube only one-sixth as often.
Q. Sounds great—where can I test-drive Pinto?
A. Your nearest Ford Dealer. And if you have any more questions, he can answer them.

Ford Punt, Pass & Kick Competition. Boys, 8-13, register at your nearest participating Ford Dealer now through September 28.
