## This Week In Jayton

Texas 19th District Congressman, George Mahon, is a man of the powerful House Appropriations Committee, is not at all happy with the new budget presented to the Congress by President Nixon.

About Nixon's "Sharing" policy, Mahon asks the question "Share What? The national debt?"

Mahon writes the Jayton Chronicle a year ago when the 1971 budget was offered, called for the budget to be \$100 billion in the black at this time, but instead of being in the black, we are now \$18.6 billion in the red.

Recently that in 1966 President Johnson, with much limboing and cutting, held the budget under \$100 billion, but a new proposed 1972 budget is a far cry from that at \$229 billion.

The Lubbock Avalanche-Journal's Ken May, in Tuesday's paper had a very interesting article built around Governor Preston Smith and the stock scandal.

Even as close as the Avalanche-Journal, and its editor, Charles A. Guy are to the Governor, there were no direct quotes from Smith. May did talk to the Governor, and if so, it must have been off the record. The only quotes May had in his article was from Otis Rosen, an aide to the Governor.

In the article May brought out that this thing has really influenced the actions of the current session of the Legislature.

The Legislature has voted to present a bunch of proposed amendments to the constitution. Four of these will be used in a special election to be held May 18th. These will probably follow in full.

Recently the postal service forms that people may go who do not want to receive Communist literature.

If you don't want to receive lewd or obscene literature in your box, go to the post office and sign one of these forms.

Mrs. Archie Smith and her son went to Brownwood to see about her daughter, Nancy Smith, who had minor surgery last week. She is reported to be doing fine.

Mr. and Mrs. Willie Smith of Stamford visited their parents, Mr. and Mrs. Ralph Smith and Mr. and Mrs. Ed Smith over the week-end.

## Garbage Collection Service To Continue

At the regular meeting of the City Council of the City of Jayton Tuesday night February 9th, it was decided to continue the collection of garbage as heretofore.

The council request the patrons to have the garbage where the collector can get it and in containers that can be easily handled. If you have a complaint please make it at the City Hall in writing and it will be checked at once.

We received much support for the collection of garbage from the local citizens and this we appreciate. The actual charges collected for this service lack approximately \$800.00 per year to pay the cost of collection. Your cooperation is requested.

Thanks  
Hobert Lewis, Mayor

## UNKEL ZEKE SEZ

Dere Editor, Grab ahold of something, cause you are shore a goin to be surprised to here from me agin.

I am tellin you, out here on the Brazis it is gettin so dry you kaint even make a good spit anymore. My old howl dawg is sure gettin restlis fer it to rain.

I went to the male box yesterday, and I picked up one of them big city pupus out of the bar pit. In it I was reading bout this new Woman's lib business, what ever that is. Itsd there was a bunch of women that was agn the whole mess-the; didn't want equality tween the sexes. They wanted it to stay like it is now--the women enjoy being the boss, and they don't want to give

it up. I seen in this here papur somethin that proved to me that the women has the best of it. A big judge in a big city ruled that it wasnt nothing lewd or indecent bout the naked female body. He said it was abright fer a purty girl to dance in the nude in a night club. But the next day they bring a man into this judges court room without a coat and tie on, and the judge said to the sheriff. This aint decent, go git this man a coat and tie.

Well, so long editor, I gotta go now, I here maw a callin fer me to go sloop the hogs. Maybe I will see you agin before long. Sincerely, Unkel Zeke

## Where Is It?

Do you know the location of this vacant farm home in Kent County? If so, call Jayton 237-3593 after 1:00 p. m. Friday, and be the first to identify it and get a year of free reading to the Jayton Chronicle. Don't call before 1:00 p. m. Friday. This gives everyone in the area time to get the paper.

## Senior Class Play Set For Saturday

The Jayton Senior Class Play to be presented--Saturday February 19 at 7:30 p. m. at the Jayton School Auditorium.

The name of the play is "Rest Assured". It is a 3 act comedy play. There will be a cake auction in between the acts of the play.

## Dates Set For Assembly of God Youth Revival

The Assembly of God Youth Revival is scheduled to get underway at the Jayton church Feb. 17th and continue through the 21st.

Rev. Ronald Meador and Rev. John Murdoch, Jr. will

alternate in doing the preaching.

The church group will sponsor a bake sale every other Friday, beginning Feb. 19, a church spokesman told the Chronicle. Phone 7-2748 or 7-4453.

## Most People Pick The Wrong Bridge

A lot of Kent County people last week thought the bridge shown was what is known as the Woodson bridge, but they were wrong. The Woodson bridge has concrete floor.

First one to correctly and properly identify the bridge, a cross Duck Creek, on the County line road, northwest of Girard was Mrs. Jimmie Arnold.

Others calling in were Evelyn Murdoch, Ben Boland, Ruth Ann Shafer, Lorene Lee,

Mrs. Harold Shop, Gus Fincher, Mrs. G. H. Brown, Jean Wade Hoover, Wanda Cox, Jewel Hooper, Raymond Hooper, Mrs. Lynn Shafer.

There were a number of "sooners" calling early. We appreciate your interest, but we have this late calling date, to give everyone an opportunity to get the paper, and giving all the same opportunity to call in.

Thanks a lot. Try again next week.

### TOMORROWS LEADERS

The bright young men who are the Boy Scouts of America today will, in all likelihood, be the leaders of our nation a few years in the future. These millions of boys study countless hours to earn badges of proficiency in activities that will be valuable to them for the remainder of their lives. More important, however, is the character they build as a result of their constant striving to live up to the Scout Oath and the Scout Law. If every citizen of our Nation would memorize the first sentence of the Scout Oath and like our Scouts conscientiously strive to live up to it, we would all, like our Scouts, SUPPORT AMERICA in the best possible way.

Scout Oath or Promise  
On my honor I will do my best  
To do my duty to God and my country  
and to obey the Scout Law;  
To help other people at all times;  
To keep myself physically strong, mentally awake,  
and morally straight.

The Scout Law  
A Scout is trustworthy, loyal,  
helpful, friendly, courteous, kind,  
obedient, cheerful, thrifty, brave,  
clean and reverent.

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal - that of preserving the greatest democratic society the world has ever known. Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours - ours because we are Americans.

**ALAS, BABYLON**  
By Pat Frank

Only Pat Frank could have imagined this completely real story about the people of a town which nuclear bombings just missed. Unhurt, but threatened on all sides they find themselves back where their ancestors had been totally dependant on their own hands, courage and ingenuity to fashion a world they can live in.

How would you make out if your electricity went off, no power for cooking, no freezer of lights. How long would your food supply last with no new shipments to the grocery store. No gas coming in to drive the car, no water coming through the pipes. What would you do if you needed a doctor or medicine?

Read how Randy Brogg, his brother's wife and two children, and Pa Randy's girl and other people of Fort Repose handle this situation.
