Jaybirds Post Big Win Over Sterling City

Homecoming fans for the football game here on Friday surely got their money worth, as the Jaybirds won a hard fought victory over the Sterling City Eagles. The visitors came to town for a ball game, and they made a strong effort, but finally lost 28-20. The Eagles put the Jaybirds in a hole with a first quarter tally. Jayton matched them in the second quarter. Mark Fincher went from the one, and then Bobby Kelley score from

the 11 yard line. Again they swapped scores in the third period. Scoring for Jayton Kelley went in from the one and then ran the extras. Putting the game on ice in the fourth quarter for the Jaybirds, Fincher scored from the two and Kelley ran the ball back into the end zone for the two extra points. Fincher added 199 yds. to his yearly total. The Jaybirds go to Hawley this Friday for their annual tussle with the Bearkats.

Floyd D. Hall Wins the Football Contest

Floyd D. Hall won the football contest this past week. He missed a total of two games. Taking second was Alma Wilson, and Gus Fincher came in third. Wilson had three misses, and the tie breaker score at 43. Fincher missed three, with the score at 42. Also missing three

games were Gene Cleveland and John Gibson. Several missed four games, but some missed as many as six and seven, and two persons missed eight games. This contest is made possible by the merchants listed on the contest page. Try it.

Band Participates In Homecoming Activities

The Jaybird Band participated in two homecoming activities. Starting on Friday night, they entertained the fans with a lively half-time show which consisted of six diamond drills, a Texas Entry, and a "JHS" formed on the field. The various selections of music they performed were Viva Max, Sound and Fury, Green City, Hermann Infanfare, Jaybird Fight Song, and St. James Infirmary as a special for our twirlers. "Shadow of Your Smile" was played for the Sweetheart and Beau candidates. The band also performed in the parade

Saturday morning. Band booster cards are now for sale. Some of the band members and their parents will be glad to sell you one. Janet Johnson, Junior High 4-H Club member, gave a demonstration on fad diets and also the safe and sane way to

Six Are Inducted Into Honor Society

Boyd Dees, Jimmy Arnold, Leann Kuentler, Lisa York, Janine Hahn, Billie McCombs, and Jean Parker (not pictured) were inducted into the Jayton Chapter of the

National Honor Society. Students are selected for the honor on the basis of scholarship, leadership, service, and character.

Over 400 Attend Homecoming

The 1974 Jayton Homecoming held attendance of over 400, making the event largest in recent years. Willie Bill (Martin) Freeman class of 1911 was our oldest ex and Jackie Bay Underwood

of Eagle Mt. Cair. was the winner of traveling the longest distance. New officers elected for the forthcoming homecoming are as follows: Bobby Stanaland, president; Donnie Carriker, vice president;

Florene Phillips, Sec.-Treasurer; Mary Lynn Johnson, corresponding secretary and G. L. Hamilton Jr., reporter. The 1974 Homecoming Queen elected was Joy Kidd.

Winner of the Float Contest are as follows: Sophomores won the contest with their entry, second place went to the Freshmen Class and Community Youth Organization led by Ronald Meadow captured third.

In the motorcycle contest, Kendall Stanaland won first place for his efforts followed by Roy Chisum for second, and for third place Ray Chisum took the honors.

Bicycles were next, and Randy Waggoner dressed as Superman won first place. Michael Parker took second place and Melissa Cheyne was third.

Then came the clowns, who did an excellent job of throwing candy and balloons. They were Howard Gaswick and Mike Owens. A special thanks to them.

The ex-students would like to thank those in the community who helped make our homecoming a big success. And to those who came to our homecoming, thanks and we will expect to see you in two years.

Screw Worm Incidence Reported In The County

County Agent Mark A. Geeslin, this week reports to the Jayton Chronicle that there has been a confirmed case of screw worms in the county, in the Jayton community. This report comes

from the special laboratory in Mission.

He urges all county stock and cattle people to watch carefully and report any suspected cases, so preventive measures can be taken.

Joy Hunnicutt Kidd Is New Homecoming Queen

Mrs. Joy Hunnicutt Kidd is now the new reigning Homecoming Queen for Jayton. She will be the queen until the next Homecoming is held and some-

one elected to replace her.

Other candidates for Queen were Shirley Harrison Boland and Peggy Turner Neskorik.

The Jayton HD Club Holds Meeting

The Jayton Home Demonstration Club met Thursday at the Jayton Community Center. Mrs. Bennie Smith was hostess. Janet Johnson, Junior High 4-H Club member, gave a demonstration on fad diets and also the safe and sane way to

weight loss by cutting down on calories and exercising.

Vera Thomas gave a report on the THDA convention at Amarillo on Sept. 17, 18, 19.

Eight members, one visitor and the agent Mrs. Bert Stanaland were present.

Mr. and Mrs. Bill Perkins were in Abilene Friday.

Immunizations Are Given At The School

One hundred and sixty-eight students and preschool children received various immunizations Thursday, September 26. According to Jayton school nurse Mrs. Norma Cave, R.N., the program is designed to "help bring children up-to-date on required immunizations." She plans the program at the beginning of each school year. The Texas State Department of Health furnishes vaccine.

The current state minimum immunization requirements are as follows:

Immunizations were given as follows: measles-9; rubella-7; polio-155; diphtheria and tetanus-45; D.P.T.-14.

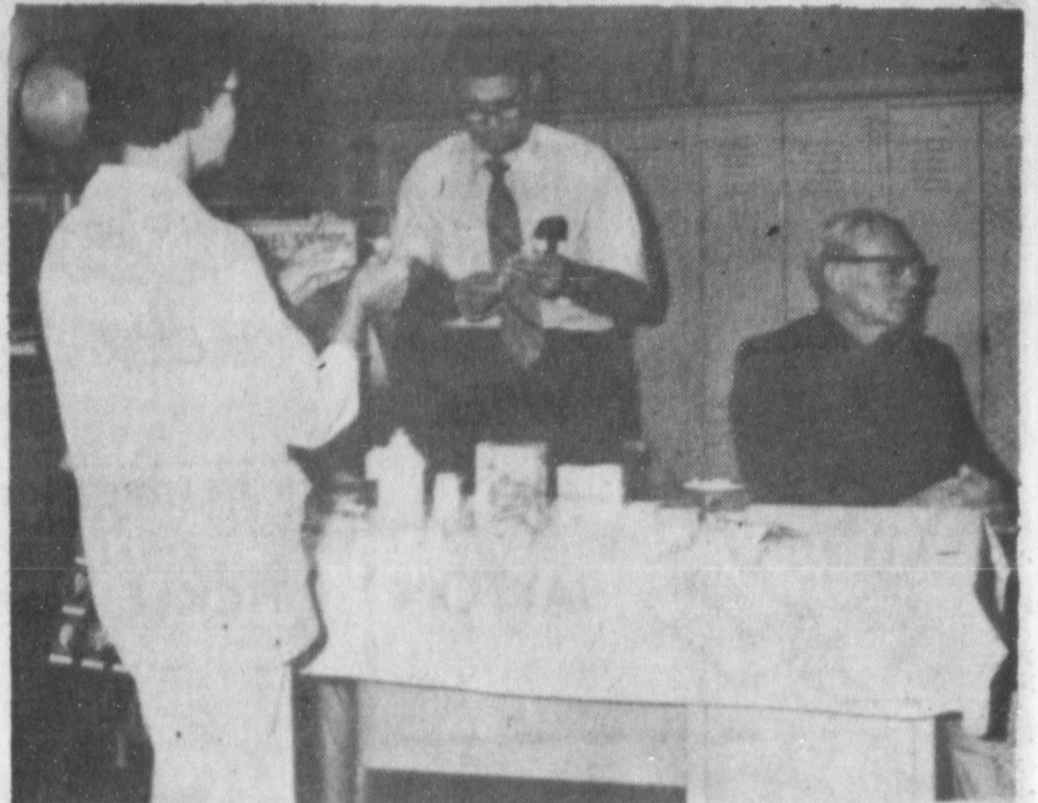

Bob Alexander, M.D., of Spur, his nurse, Mrs. Leona Wright, Mrs. Norma Cave, R.N., and John Black of the state health department administered the immunizations.

Five Jayton women volunteered to help with the program. Sally Hilton, Sharon Stanaland, Judith Fowler, Donna Hamilton, and Peggy Gibson kept records and helped children through the lines.

Jr. High Wins Over Roby

The Jayton Junior High A team won their second game against the Roby Cubs 12-6 Thursday, September 26. Robert Segura

scored their first touchdown with Lex Dunham following up with the last touchdown. Both extra point attempts failed.

The Class of 1924 Holds Meeting Here

The graduating Class of 1924 held its Fiftieth Anniversary reunion in the Jaybird Gymnasium Saturday afternoon.

Present for the meeting were: Exie (Jones) Dillingham and her twin sister Elsie (Jones) Hembree, Bernice (Alexander) Cochran, Chloe Darden, and Dr. Bob Alexander.

The original Class of 1924 consisted of thirteen members (twelve girls and one boy). Dr. Bob at the age of 14 years, was recognized as the youngest to have graduated from Jayton High School.

Another distinction accorded to this class was

that it was necessary to "burn down the building" to get rid of them. The square, two-story, red brick building burned the night before graduation, and the graduation exercises previously scheduled for the school auditorium had to be hastily moved to the old Baptist Church in the South part of town.

At the class meeting, some time was spent in reminiscing; then it was decided that this class should, belatedly, have its own Homecoming Queen on this special occasion.

Chloe Darden was selected as the Fiftieth Anniversary Homecoming Queen, with Exie, Elsie,

and Bernice as Princesses all from the Class of 1924.

Bernice was chosen as the Recording Secretary with the principal duty of keeping in touch with all class members. The Presiding Officer instructed all present to report all marriages, remarriages, and new births to the recording secretary so that suitable achievement awards could be presented at the next Homecoming in 1976.

Mr. and Mrs. Pete Lawrence of Grand Saline visited Mr. and Mrs. Jackson East recently.

FRUIT FILLED WHEAT GERM COOKIES

Fruit-Filled Wheat Germ Cookies

1/2 cups unsifted all-purpose flour
 1/2 cups sifted confectioners' sugar
 2 cup wheat germ
 2 teaspoon salt
 2 cup butter or margarine
 2 cup shortening
 2 egg, beaten
 2 tablespoon vanilla
 2 tablespoon lemon juice
 2 preserves

Preheat oven to 350 degrees.
 Combine flour, sugar, wheat germ, salt, and nutmeg; mix. Cut butter or margarine and shortening into dry ingredients with pastry blender until mixture resembles fine meal.

3. Combine egg, vanilla, and lemon juice stir into wheat germ mixture. Shape into two flat patties. Wrap and chill. Roll out dough on a lightly floured board to 1/8-inch thickness. Cut into 2-inch rounds with cookie cutter. Place 1 teaspoonful of your favorite preserves in center of half of cookies. Cut a small hole in the center of remaining cookies, using a small cookie cutter or knife. Place cut-out cookies on fruit-topped rounds. Press edges together with a fork to seal. Place on ungreased baking sheet. Bake for 10 to 12 minutes. Makes about 4 dozen cookies.

Understanding YOUR CAR

FOR SAFETY AND ECONOMY
A Lot Rides On Your Tires
 Only one part of your car ever comes in contact with the road; your tires, and the more you know about caring for them, the better service and performance you'll get from them.

Before buying, tell the dealer: the type of roads you

travel, speed you drive, weight you carry, monthly mileage and how long you expect to keep the car.

Avoid quick starts, panic stops, fast turns and excessive speeds that tend to take a toll on tire treads. Proper inflation is important, too, for safety, tire mileage and improved gasoline mileage. Check the air pressure (when the tires are cold) monthly. In fact, researchers at Gulf Oil recommend that they be checked weekly if you're a hard driver.

Equalized wear means more mileage and regular tire rotation is a great equalizer. While you're rotating, look for excessive abnormal wear, which could be a symptom

As It Looks From Here
 By Rep. Omar Burleson
 Member of Congress, Texas

Washington, D. C. Unless plans have to be changed, beginning tomorrow, October 11, the Congress will be in recess until the 12th of November.

In most parts of the country the general election on November 5 means the real election. Since all House Members and one-third of the U. S. Senators are up for re-election they feel they must get back to campaign and there is little time left for them to be active back home. Those who are being contested are aware that people are restive about many things and that it is not a favorable time for incumbents. It is a time of "get the rascals out" and catches everyone who is "in".

A "lame duck" session is scheduled to begin on November 12 and could continue until Christmas but the hope is to adjourn about December 6 until January. There are big issues remaining to be resolved. Some legislation, such as appropriation bills, of which there fourteen covering major operations of the Government, must be enacted. In other areas there is legislation considered to be a "must" before the expiration of the 93rd Congress. This sometimes becomes a

565 Texans Qualify For '74 Land Honors

AUSTIN--Some 565 farmers and ranchers have qualified for Family Land Heritage Day Oct. 14 at the State Fair and around two-thirds of these are expected to attend awards activities, Agriculture Commissioner John C. White has announced.

White will present honorees with a gold and white scroll-like certificate suitable for framing at 1 p.m. ceremonies at the fair's Music Hall.

"We are expecting a big day," White said. "This is the inaugural Family Land Heritage ceremony and we want these families who have given so much to Texas agriculture to return home with pleasant memories and a sense of their contribution."

The Texas Department of Agriculture (TDA) established the Family Land Heritage Program this summer to honor those farmers and ranchers whose families have worked the same land for 100 years or more.

Activities will begin at 9 a.m. with registration in the Food and Fiber Pavilion on the fair grounds. Coffee and rolls will be served in the VIP Lounge of the building and guests will be able to visit informally with other families.

A special showing of "This Land of Texas," a sight and sound production on Texas' agricultural heritage is scheduled. Guests will also tour the Food and Fiber exhibits and the old-fashioned Country Store display of TDA's Marketing Division.

October 14 will also be East Texas Day. A number

of honorees are from East Texas and officials have invited the entire group to be recognized in the Cotton Bowl during a two-hour show beginning at 8 p.m. The show will include musical groups, a fireworks display and the introduction of various East Texas queens.

White reminded families who missed the Aug. 31 qualifying deadline or whose land will not be eligible for a year or two that Family Land Heritage is an ongoing project.

"Registration will reopen next year," he said. "We invite everyone who believes he or she can qualify to apply at that time."

Here's a metric measurement from the Texas Department of Agriculture. One acre equals 100 square meters.

Texas Department of Agriculture home economists recommend deciding how beef will be cooked before buying it. Many tougher, less expensive cuts have an excellent flavor when prepared by moist cooking.

Texas ranked third national in total farm production, according to Agriculture Commissioner John C. White.

Rice Harvest Way Ahead Of Schedule

AUSTIN--Texas rice farmers have been wrapping up rice harvest way ahead of last year's schedule and producers expect a five percent increase over the 1973 crop.

Agriculture Commissioner John C. White reported that production is expected to reach 24.7 million hundred-weight bags. Yields and quality have been good and prospects for a second cutting are excellent, he said.

Traditionally the Texas rice crop has gone directly to rice mills because growers lacked storage facilities. This year, however, around 900 farmers are banded together in a four-year-old cooperative which, they hope, will give them more control over their crop and its market value.

The cooperative is handling about 40 percent of this year's crop.

White said some 565,000 acres were planted this year compared with 553,000 last year. Texas dropped from first to fourth place in rice production in 1973 after Hurricane Delia destroyed about 35 percent of the crop.

Rice is a diet staple for more than half the world's population and per capita consumption in most major rice-producing countries is 200-300 pounds a year.

Ray Farebee Is Democratic Candidate For Senate

Ray Farebee, Democratic nominee for the 30th district Texas Senate post, recently kicked off his November general election campaign. Farebee is seeking the seat being vacated by Senator Jack Hightower who is the party nominee for U.S. Congress in the 13th district.

The 41 year old businessman and attorney is seeking public office for the first time. A life-long Democrat, Farebee has waged a grass roots campaign and carried 24 of the 29 counties in the district. He believes in person to person campaigning and plans to travel extensively before November 5. He will work directly with his 55 community and county coordinators before and after the election in order to have the best possible knowledge of local issues.

In his announcement Farebee said, "Good government needs the involvement of citizens who know the daily problems of working for a living and raising a family. I have experienced these problems. I believe I can offer all the people of the 30th district the mature, effective, common sense type of leadership that they expect and deserve."

The Wichita Falls man is a strong advocate of economy in government, rural development, expansion of water resources and providing quality education and vocational training. He praised the current Democratic leadership to benefit this senatorial district.

Farebee holds degrees in business administration and law from the University of Texas. Active with the State Bar of Texas, the candidate serves as co-chairman of the Responsible Citizenship Committee. His past service includes the Legal Aid Committee, the Legislative Committee and the Special Task Force for Law Enforcement Problems.

The nominee is a member of the Baptist Church and an active member and past president of the Southwest Rotary Club. He is on the Board of Directors of Texas Bank and Trust in Wichita Falls and is on the Board of Glass-Tex, Inc. in Electra, Tx.

A civic leader, Farebee is president of Wichita Falls Educational Television, Inc. He helped organize the North Texas Estate Planning Council and has served as its president. Farebee is married and

father of two sons ages 10 and 13.

Farebee concluded his statement by saying, "I believe that an effective senator is important to the continued development and prosperity of this district. We must have more than a vote. We must have someone who can work with our present state administration and speak out for the interest of this district. I have worked hard in the Democratic party. I am unhampered by political alliances and would welcome the opportunity to work hard for the people of West Texas and the values that they and I deeply believe in."

The Girard H D Club Holds Meeting

The Girard Home Demonstration Club met October 2 in the Community Center with Mrs. Alton Clark as Hostess. Janette Johnson, Jayton 4-H girl gave an interesting Demonstration on Fad Diets and why we should avoid them. "Overweight people are usually tired, often depressed, so why not start on a good nutritionally sound diet? Count calories, set yourself a goal and have the patience to get here!" she said. Those attending were Deen Dickerson, Ethel Clark, Opal Hodges, Jewel Hooper, Lois Simpson, Minnie McGaha, Opal Swearingen, Lois Turner, Robbie Wyatt, and 2 visitors Roberta Stanaland and Miss Johnson.

After the meeting we mixed cleaning products from the pamphlet Cleaning on a Shoestring. Mrs. Clara Darden will be our next Hostess.

I'LL TAK' THE LOW ROAD

One of the most famous of all Scottish songs is "The Bonnie Bonnie Banks o' Loch Lomond." It refers to the sides of the loch and not to any financial establishments in the neighborhood.

The chorus goes—
Oh, ye'll tak' the high road and I'll tak' the low road, And I'll be in Scotland before ye.

Why should taking the low road be quicker than taking the high road? "Teacher's Scotch Information Centre" comes up promptly with the answer.

The real story of the famous song is of a supporter of Bonnie Prince Charlie and the Jacobite cause who had been captured and was being hanged at the Border town of Carlisle.

The superstition among Highlanders is that the soul of a man who meets sudden death in this way will travel rapidly under the ground to Tir-nan-Og, the Heaven in the Highlands. That is "the low road."

With this information you can really say that Scottish spirits are fast!

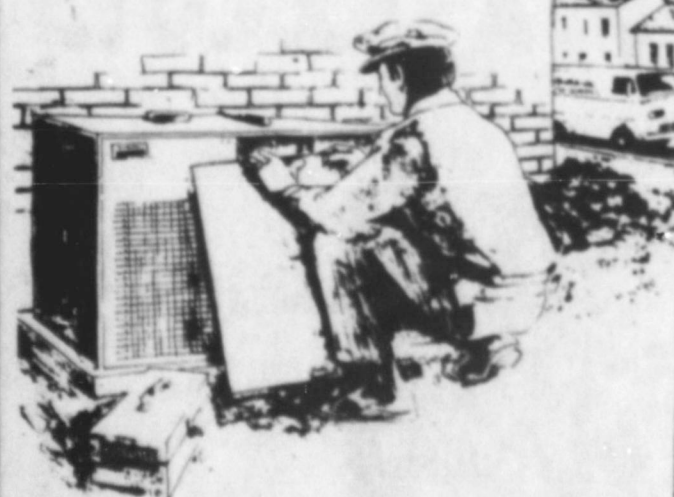

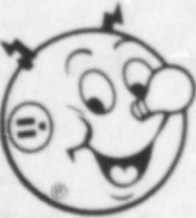

Right now your heating serviceman can easily work your call into his schedule and get your unit ready to deliver dependable heating through the winter ahead.

We know that many people wait until cold weather is here to install electric heating or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

If TI wants you to get the greatest value from your electric service. One way we can help is to remind you to get the jump on winter by calling your serviceman early.

Football Contest

\$3.00 **2.00** **1.00**
FIRST PLACE SECOND PLACE THIRD PLACE

Join the fun. Guess the winners. Nothing to buy. Just circle the teams you think will win, fill in your name and address, and bring it to the Chronicle office, or get it into the mail before 5 p. m. Friday. Everyone is eligible except employees of the Jayton Chronicle, and members of their families.

Use this form here in the paper. Come by the office and we will give you a free form. Or, write it out on a piece of paper, in the same order as printed here, and that will do. The editor of the Jayton Chronicle is the sole judge as to the winner. In the case of tie, the amount will be shared. Be sure and mark the tie breaker score, which we will use in an attempt to break the tie. That is all there is to it, and you have a lot of fun. This contest is sponsored by the firms listed on this page. They are supporting the Jayton Jaybirds, Champions, all the way.

When you're not like yourself, Lydia Pinkham understands
All of a sudden you might feel you're changing - not a good feeling. You're tired, edgy, out of sorts and that's not you. Lydia Pinkham understands.
A long time ago, when ladies couldn't be as frank as we can today, Lydia Pinkham recognized the problem and set about finding a remedy. She knew it was not natural for women to have to suffer with what was obviously a natural process.
So she turned to nature for a remedy. She developed a marvelous compound of medicinal roots and herbs that turned the trick for the women she knew. Because it is a natural answer to your natural problems, it can turn the trick for you, too.
Try Lydia Pinkham's root and herb remedy to help you feel better, more like yourself.

Building with power
Technology is abroad in the land. Everywhere big yellow and green machines pound and churn the earth. Highways unroll, apartment complexes rise and amusement parks expand. Our children watch. They know power when they see it! Some of our children, though, don't know about another power for building. They have not been taught to see it. It is the power of God and it also shakes and moves us. It is necessary for all men--a gigantic source of energy and strength. Take your children to church on Sunday. They will be tomorrow's builders.

THE FAMILY LAWYER

Money By Mistake

Martin took a \$37.50 check to the bank to be cashed. But the teller, absentmindedly overlooking the decimal point, counted out \$3,750. Martin accepted the money without a word and went home rejoicing. But his joy did not last long. The bank discovered the mistake, reclaimed the money, and then had Martin arrested on a charge of larceny.

At the trial, he pleaded not guilty. "It was their error, not mine," he reasoned. "They gave me that money of their own free will." Nevertheless, the court ruled that Martin was indeed guilty of larceny. The court said he committed the crime by taking money that he knew wasn't his, fully intending to keep it. Courts generally agree. In the view of the law, an accidental overpayment is supposed to be handed back at once.

But what if Martin had accepted the money in all innocence, not discovering the error until he got home? If he decided at that point to keep it, would he be guilty of larceny? Many courts say no, although he would probably be guilty of a lesser offense. As one judge explained, larceny technically involves a dishonest purpose at the very moment of taking.

Nor is it larceny if someone takes another person's property under the mistaken—but reasonable—belief that he has a legal right to do so. That kind of a case arose when a landlady noticed that one of her roomers had spilled ink on a carpet. To make sure he would pay for cleaning the carpet, she took a watch out of his room as security.

As a matter of law, she had no claim on the watch. But when the roomer had her haled into court on a charge of larceny, the judge found her not guilty. The judge said she had acted in good faith, without the slightest intention of keeping the watch for herself.
