

Howard Presides Over State 4-H Legislature

Term Ends As President Of Texas 4-H Council

Lonnie Howard, State 4-H President, recently presided over the State 4-H Legislature held during the Texas 4-H Congress July 19-21 at the State Capitol in Austin. Theme for the 1983 Congress was "Celebrate Citizenship."

Howard, the State First Vice President from August of 1982 to May 1983, became the State 4-H President in May 1983 when the former 4-H President resigned. Howard completed the term as president, which ended August 6, 1983.

As the State 4-H President, Howard presided over the State 4-H Legislature, holding the two offices of First Vice President and President, as well as acting as the Governor for the day.

Howard's responsibility as Governor was to read and evaluate 80 bills sent to the State 4-H Legislature. Of the 450 4-H delegates at the Congress (representing counties all over Texas),

80 of these delegates chose to write bills and sent them into the 4-H legislature. Howard selected and addressed 14 of the 80 bills at the legislature session. Of these 14 he presented to the legislature, 7 were passed by the 450 4-H delegates acting as the state representatives and senators. Governor Howard then signed the 7 new bills into law. Pike Powers, Executive Assistant to Governor Mark White, accepted the 7 bills to be examined by White, who might have these bills brought up in the real Texas legislature.

Howard stated that he was very pleased with the legislative session because 7 of the 8 bills he supported were signed into law. Three of the bills he supported, which were passed were: a drugs and driving bill; a bill

requiring welfare recipients to work; and a bill requiring teachers to take competency tests.

Also attending the 4-H Congress with Howard was Jim Bob Carver a delegate for Hale Howard and Carver learned about the state legislative process.

As a delegate, Carver actively participated in writing, debating, amending and voting on 4-H legislative bills.

The meetings were conducted in the Senate and House chambers of the State Capitol, while other Congress sessions were at the Sheraton Crest Inn of Austin.

Howard and Carver also had an opportunity to tour the LBJ Library, Texas Memorial Museum, Harry Ransom Center and Barton Springs. Among featured speakers were

Senator Chet Edwards of Duncannonville, Ola Madsen of Nicholasville, Ky., and Dr. Zerle L. Carpenter, director of the Texas Agricultural Extension Service, Texas A&M University System.

Howard As State 4-H President

As the State 4-H President, Howard represented the 187,000 student 4-H members in Texas. These 187,000 are divided into an intricate system of order as there are local 4-H chapters, the local chapters are combined to form county chapters; all of the counties in Texas are combined into 14 large 4-H districts in the state, and over this entire body was Howard as President of the Texas Council.

This past year, Howard served as President of the Abernathy 4-H chapter, President of the Hale County

chapter, First Vice President of this district (the South Plains District), the State First Vice President, then the President of the Texas 4-H Council.

The 4-H Council put on the 4-H Legislature. They started working on this project last summer and worked all year on it until it was held July 19-21. Howard worked hard all year to make the legislative session a success.

Howard stated that the climax of this entire year in 4-H was signing the 7 4-H bills into law. He stated that the most rewarding experience of the year was getting close with members of the 4-H Council. "What made this a great experience was the closeness of the 4-H Council. I really enjoyed the fellowship," Howard said. "I hope to someday be a 4-H leader," Howard ended.

Howard will be attending Texas Tech University this fall and will major in Ag Economics. He received an

Lonnie Howard

\$8,000 4-H scholarship from the Houston Livestock Show and Rodeo for college. Lonnie is the son of Mr. and Mrs. Richard Howard of Abernathy.

Men's Open Softball Tournery Aug. 16-20

The Abernathy Baseball Association has scheduled a men's open softball tournament for August 16, 18, 19 and 20.

This will be a double elimination tournament with individual and team trophies for the first four places. The entry fee is \$80 per team.

To enter your team, please call 298-4281 or 298-2000. Deadline for entry is August 12.

Volunteers will be needed to work the concession stand, keep score, and announce the games. Parents of all baseball kids are urged to call and volunteer their services.

Lopez Attends FHA National Youth Leadership Meeting In Washington

Rachel Lopez, a senior at Abernathy High, was one of 1,500 teenagers selected from 390,000 home economics students nationally to attend Future Homemakers of America's annual leadership meeting July 10-14 in Washington, D. C.

The five-day meeting with the theme "New Beginnings--Daring To

Discover," was designed for youth, by youth, and focused on developing leadership skills and planning take-home projects that could benefit attendants' classmates, family and community members.

Rachel participated in many workshop sessions especially designed to build and strengthen leadership skills.

Rachel also attended a number of other leadership events, including a planning session in which students helped determine new directions, programs and interests for the organization to pursue in order to remain relevant to today's teens.

Altogether, the students at this year's Future Homemakers of America annual meeting had over sixty hours of leadership skill-building events to choose from geared toward helping them strengthen and expand their abilities as public speakers, fund raisers, project planners, team builders and chapter organizers. Also offered were topical information sessions addressing issues, such as future careers, intercultural relations, teenage sexuality and alcohol and drug abuse.

One of the highlights of this year's national meeting was the dedication of the New Future Homemakers of America National Headquarters and Leadership Center held July 12 in Reston, Virginia. Ceremonies and a tour of the center celebrated the conclusion of a two year, nationwide fund-raising project in which FHA/HERO members throughout the nation raised over \$600,000 toward the center.

While in Washington, D. C., the group from Texas toured the White House, the Capitol Building, the Kennedy Center, the Washington Monument, the Lincoln Memorial, the Arlington National Cemetery, the Supreme Court, the Jefferson Memorial, the Washington Cathedral, and the House of Representatives, while they were in session, and the Senate. The students from the Lubbock area visited with Rep. Kent Hance.

After the National Meeting, July 15-17, the group also toured Williamsburg, Virginia, the Merchant's Building, Pottery Factory, Fredericksburg, Virginia, and spent an entire day at Busch Gardens, Williamsburg (an amusement park with four fantastic countries represented - France, Germany, England and Italy).

Rachel has been a member of the Abernathy FHA Chapter for three years. Her adviser is Mrs. Marilyn Stone. She is the daughter of Mr. and Mrs. Joe Lopez.

Council Discusses Housing Rental Subsidy Program

The major topic discussed at the City Council meeting held Monday night was whether or not to allow the Hale County Housing Authority to continue contracting with Abernathy landlords to offer federally subsidized rent units in Abernathy.

Under the section eight rental subsidy program, the Hale County Housing Authority can establish up to 59 rental subsidy units in Hale County. There are presently 52 active units in Hale County. In this program, the Housing Authority pays a portion of all of the rent for each low income tenant in the program.

Presently, the Hale County Housing Authority has contracted with two landlords and is providing rental subsidy to six tenants in Abernathy.

David Clark, Executive Director of the Hale County Housing Authority, was present at the meeting to answer questions the Council had about this program.

First of all, they asked Clark why he started this program in Abernathy without getting the permission of the City Council in the first place. Clark

stated that it was a mistake on his part and he apologized. He said that he was given permission by the Hale County Judge to start this program in Abernathy. Later, he found out that the City of Abernathy had to give him permission, rather than the county judge.

Clark pushed for the Council to allow this federally subsidized rental program for the low income and handicapped to continue in Abernathy. The City argued that federally subsidized rental property could bring problem tenants to the community, and stated that one such incident occurred this past year with one of these units under this program. The Council was also uneasy about the possibility that the landlords who contract with the housing authority might not be responsible in keeping problem tenants from renting their property, thus they would be a nuisance to the entire community, only living in Abernathy to take advantage of the federally subsidized rent. One last argument that the Council made was that free rent ruins the incentive

of the tenant to get a job. Clark spoke up for his program, stating that tenants who contracted under this program can be terminated for any of the following reasons: allowing more people to live at their home than originally contracted for; not reporting all of their income; damaging rental property; or not paying their rent.

As for irresponsible landlords, Clark stated that landlords should watch their property closely because they are responsible for damages inflicted by their tenants under this program. The Council proved to Clark with pictures of a local unit, that not all landlords know what's happening to their property. If the landlord is irresponsible and does nothing to insure that the tenant is not breaking any rules which go along with this program, the landlord's permit to offer federally subsidized rental units will be terminated.

Clark also stated that the contract to allow rental subsidy in Abernathy could be terminated altogether by the Council at any time if they were not happy with the program. He also stated that he would personally inspect the Abernathy units under this program to make sure that tenants are following all the rules in the upkeep of the property they rent. Presently, the 52 rental units in Hale County are inspected once a year before contracts are renewed each year.

Also present at the meeting was David Clark's wife, Elizabeth, and three local citizens presently involved with this rental subsidy program - Lottie Jones, Nadine Rodden and Emma Palacios. They had no comments to make at the meeting

KENT HANCE AND RACHEL LOPEZ...Rachel Lopez of Abernathy, had her picture taken with Representative Kent Hance, while at Washington, D. C. for the National Future Homemakers of America Youth Leadership meeting.

ON THE COUNTY LINE

BY KEITH TOOLEY

WE HAD RECEIVED a lot more moisture by this time last year. The first of August 1982, we had received 12.82 inches of moisture. Thus far for 1983, we have only received 7.66 inches of moisture, down more than 5 inches.

DID YOU KNOW THAT - the phrase generally attributed to President Lincoln "of the people, by the people, for the people," was used by John Wycliffe in 1382 in his introduction to his translation of the Bible?

-that almost everyone is familiar with the common yellow dandelion, but how many realize that an ounce of this plant green contains 7,000 units of Vitamin A?

-that the state of Colorado has 42 of the 55 highest peaks in the United States?

-that while all birds have wings, not all can fly? The ostrich, penguin, emu, kiwi, cassowary, and the rheas are among the "grounded" fowl?

-that as every wife knows there are two ways to keep a husband guessing, by saying something and by saying nothing?

-in today's movies there's more trash on the screen than on the floor?

ONE OF THE SUREST ways to discover how many friends you have is to rent a cottage at the beach.

THE FOLLOWING ARTICLE was taken from the "Regional Forum", a newsletter from the South Plains Association of Governments. Those who serve on the school board, city council and other local and county offices are criticized from time to time for the stands which they take. These

are probably some prime accusations made by citizens who voted for these elected officials in the first place.

THE CITY/COUNTY OFFICIAL

If he talks on a subject - he is trying to run things.

If he is silent - he is dumb and has lost interest.

If he is usually at the City Hall/Courthouse, he should get out more.

If he is out when you call - he isn't on the job.

If he is at home at night - he is neglecting city/county business.

If he is not at home at night - he must be out carousing at the club.

If he agrees with you - he lacks originality.

If he does not agree with you - he is ignorant.

If he seems too busy for casual talk - his job has gone to his head.

If he engages in casual talk - that's all he has to do.

If he can't give you an immediate answer - he's incompetent.

If he can give you an immediate answer - that's what he's paid for.

If he appears cordial - he's playing politics.

If he appears aloof - he should be trimmed down to size.

If he has an opinion - he is bull headed.

If he explains both pros and cons - he's pussyfooting.

If he has been on the job a short time - he lacks experience.

If he has been on the job a long time - he lacks new ideas.

THE SUREST way to mishandle a problem is to avoid facing up to it.

Coming Events

August 14 - County Line reunion at the County Line Clubhouse.

August 16 - A social security representative from the Plainview office will be at Abernathy City Hall from 9:30 to 11:30 a.m.

August 18 - Sunshine Group meets at 11 a.m. at the Community Center. Lunch will follow at 12 noon.

August 25 - First day of school for the 1983-84 year.

Womanless Wedding rehearsal and dinner at 7 p.m. at the auditorium and cafeteria.

August 27 - Chamber of Commerce Womanless Wedding at 7:30 p.m. at the high school auditorium.

McGuire-Poynor Wedding Vows Exchanged Saturday

In a formal ceremony, Darla McGuire and Brad Poynor exchanged wedding vows Saturday, August 6 at 8 p.m. in the First United Methodist Church in Abernathy. Hoyt Cranfill, Church of Christ minister from Canadian, officiated the double ring ceremony.

Parents of the couple are Mr. and Mrs. Derl McGuire of Abernathy and Mr. and Mrs. Paul Poynor of Muleshoe.

The wedding vows were performed at the altar, which was decorated with two large brass hearts with candles encasing the altar of brass arches and swirls, giving an elegant, romantic atmosphere to the candle light wedding. Ivory bows and brass hurricane lamps marked the mothers' pews and candles on each side of the altar completed the decor.

The traditional wedding march was played by Don Evelyn Fondy on the organ. Selected songs were sung by Janet Nix and Clifford Watson, accompanied by Mrs. Pat Watson on the piano.

The bride was escorted to the altar by her father. She was attired in the traditional wedding gown of Ivory organza over plea under-

skirting, silk venise lace, alencon lace accented with seed pearls and iridescent beads. The fitted bodice had a sweetheart sheer yoke detailed with a high Victorian neckline with a split standing collar. Scalloped alencon lace trims the collar edge. The sleeves are the Gibson girl look of double organza, fitted long sleeves with button loop closures. Silk venise and alencon lace trims the forearm. The A-line skirt, accented with the seed pearls, iridescent beads, and alencon lace, falls from the natural waistline to form the cathedral train. A modified Juliet cap of alencon lace with scalloped tiers of pearls, waltz and fingertip pearl-edged illusion with a blusher veil completed her ensemble. She carried a pearl covered Bible, from her mother's wedding, which held the bridal cascade of silken candlelight roses and stephanotis. The bouquet was accented with delicate ivory pearls and touches of pastel blue baby's breath.

Attending the bride as maid of honor was Cindy Stillwell. Bridesmaids were Conny Wolf and Dana Fondy of Abernathy and Dee Dee Tucker of Dallas. Their gowns were of royal

blue organza with an off the shoulder ruffle trim with a fitted bodice to the natural waistline, accented by a large sash and bow. This old south look required a hoop slip for this amount of fullness. A picture hat with pleated organza flounces and bow at the back completed the old southern belle look. They carried a free-style colonial bouquet of pastel blue silk lris delicately surrounded by royal blue anemone and white stephanotis.

Flower girls were Rhea McGuire and Shelbi Robinson. They wore floor length gowns of baby blue organza accented with silk roses. The skirts were fully gathered and scalloped around the hem with the hoop slips to continue the old Southern picture. Their headpieces were baby blue silk rose halos.

The groom was attired in an ivory cutaway tuxedo, with matching trousers. Attending as best man was his brother, Dave Poynor.

The groom's attendants were Jeff Birk, Cliff Watson, and Victor Leal, all of Muleshoe. Their attire was baby blue tuxedos and blue ruffle shirts to match.

Serving as ring bearer was Justin Strong. He wore an Ivory tuxedo and carried the heart shaped ring pillow.

The fathers of the bride and groom wore Ivory tuxedos with matching shirts.

Ushers were Wayne McGuire and Dean McGuire, brothers of the bride, and Gary Cox and Michael Davenport, friends of the groom.

Miss Charla Griffin registered the guests.

For her daughter's wedding, Mrs. McGuire wore a floor-length blue gown with a matching jacket. The bridegroom's mother chose a floor-length, one-piece long sleeve blue gown.

Assisting at the bride's table were Lori Oswalt and Shelly Toler. The wedding cake was three tiered, encased with stairways. Assisting at the groom's table was Kelly DuBose and Kellye Poynor.

Members of the house party were Mr. and Mrs. Harold Thomas, Mr. and Mrs. Ralph Wolf, Mr. and Mrs. Harold Stillwell, all of Abernathy, and Mr. and Mrs. Bill Cleland of Austin.

After the traditional wedding recessional, a special film was presented to the guests. It was the life story of the bride and groom from the time they were babes until their wedding day.

The rehearsal dinner was hosted by the groom's parents Friday evening at the Roadhouse in Lubbock.

After a wedding trip to Dallas, the couple will make their home in Lubbock.

Cheesemakers call the holes in Swiss cheese "eyes."

Patterson Reunion Held Aug. 5

A number of children, grandchildren and relatives of the late Mr. and Mrs. R. C. Patterson, Sr. met August 5 at the R. C. and Florene Patterson, Jr. residence for grilled hamburgers and ice cream.

Saturday morning they had breakfast at Halford Hall, then they had memory time through pictures, games and fellowship.

Dinner was served at 12. Following lunch, they made a circle and sang "Bind Us Together Lord" and closed with prayer.

Those attending were: R. C. and Florene Patterson; their children - Colleen

Sanders, from Edwardsville, Kansas; Phil and Juana Grindstaff, Scott, Shelley and Christy of Oklahoma City, Oklahoma; Barbara and Jerry Brown, April and Mandy from Oklahoma City; Melvin and Louise Patterson, Lubbock; Leela and children Seth and Ruth Ann Patterson from Snyder; Erma May and Louis Spruiell of Abernathy and their children - Peggy from Plainview, Joyce and Leo Richter and children, Erick, Kevin and Lori from Basehor, Kansas; Beverley Roberts and daughter, Heather Kennedy from Maulle, Arkansas; Lorene and Vernon

Wright, Wichita, Kansas; Alma Ruth Patterson, Abernathy; Bud and Maxine Andrews, Olton; Marie Stewart, Richland Hills, Texas; and Elsie Patterson, Abernathy.

County Line Reunion This Sunday

The County Line Reunion will be this Sunday, August 14, at the Community Club House in County Line, which is located ten miles from Abernathy on Highway 597 and at the intersection of Highway 179.

The day's events will begin with church services at County Line at 11 a.m., followed by a catered meal at 1 p.m., and the presentation of plaques at 2 p.m.

There will be a bonnet contest for the ladies at 3 p.m. and group pictures will also be taken at this time.

Things to do in the afternoon, besides talking and visiting, are horseshoe pitching and dominoes, which will take place all afternoon under the big tent, and punch and cookies will be served.

The drawing for the quilt and the 12 gauge shotgun will be at 4 p.m.

Everyone should make plans to attend.

Bowen Family Reunion Held Here Saturday

Sixty-five members of the B. K. Bowen family met here Saturday at the City Hall Club Room for a reunion. During the last several years, this annual gathering has become known as the Bowen Cousins Reunion.

In 1915, Mr. and Mrs. B. K. Bowen packed their belongings and moved their family of nine children to Post, Texas. Prior to this move, they lived on a farm on the banks of the Colorado River in the northwest part of McCollough County, Texas, where Paint Rock is the county seat.

B. K. Bowen decided to "come west" and join in the land development begun by C. W. Post. Mr. Post had acquired several thousand acres of land in and near the present Post, Texas. He believed that firing explosives into "promising" looking rain clouds would cause rain and on several occasions B. K. Bowen, and other farmers who were acquiring farmland through Mr. Post's plan, gathered at the edge of the caprock and set off dynamite blasts. Post Cereals and General Foods are two of the many businesses that are an outgrowth of C. W. Post's fertile imagination.

Of the original twelve children born to the B. K. Bowens, three are still living - Oscar of Brownwood, Darris Stephens of Post and Maude Pearce of Canyon. Mrs. Stephens was the only one of the three who could attend this reunion. The 1984 reunion will be held in Snyder, Texas on the first Saturday in August.

Local arrangements for the reunion were made by Charles and Mary Rose Bowen. One cousin came

from Newark, Ohio. Others came from Brownwood, Canyon, Snyder, Midland, Lubbock, Levelland, and points in between. All present stated that their respective towns and cities did not have facilities that

were as nice as our large Community Room. This speaks very well for our City government and those citizens who planned this nice addition to our City Hall.

Young Homemakers Seeking New Members

Abernathy Young Homemakers would like to invite any young lady, regardless of race, and between the ages of 18 to 35, to come to the next meeting.

The next Young Homemakers meeting will be Monday, August 15 at 7

p.m. in the Homemaking Department at the high school.

The program will be on bread dough items and other projects to be sold at the Arts and Crafts Bazaar. Come join the fun and meet a lot of new people.

Mrs. Ora McNeely Celebrates 84th Birthday

Mrs. Ora McNeely of New Deal, celebrated her 84th birthday Saturday evening, July 30 at a picnic in Waggoner Park in Lubbock. Sixty-nine attended the birthday picnic.

Folks came from Waco, Sherman, Irving, Tyler, Lev-

eland, Abernathy, Lubbock and Grande Island, Nebraska.

Mrs. Ora McNeely is the mother of Mrs. J. W. Hamilton of Abernathy and Mrs. Glee Showalter of New Deal.

Pettits Visiting From Singapore

Mr. and Mrs. Bob Pettit and daughters from Singapore, are visiting in the home of Bob's parents, Mr. and Mrs. Hugh Pettit of Abernathy. While in this area, they also visited Elaine Pettit's mother, Margaret Belbrey of Carlsbad, New Mexico. Elaine is Bob's wife.

Bob is presently the

division manager of Halliburton in Singapore. Halliburton is an oil well service company. Bob's territory includes parts of China, Japan, Australia, New Zealand and the Philippines.

The Pettits arrived at Abernathy July 30 and will return to Singapore August 24. They have resided in Singapore for the past year.

BIRTHS

Mr. and Mrs. Danny Meason of Lubbock are the proud parents of a baby daughter, Amy Nicole, born Friday, August 5 at Lubbock General Hospital. She weighed 6 pounds and 12 ounces at birth.

Grandparents are Joe and Martha Reeves of Abernathy and Charlie and Jo Meason of Idalou.

Those To Remember

Lewis Rea is in Central Plains Hospital, Plainview. He is improving.

Cynthia Lamb has a knee in a cast and is confined at home.

Joe Thompson has returned home from the hospital. He is improving daily.

Lynn Shuttleworth is to have surgery August 17 in Dallas.

Mayo Loper family in the loss of their brother, R. P. in Oklahoma city.

Dora Goheen family in the loss of her brother who died in Dallas.

ATTEND THE CHURCH OF YOUR CHOICE

"Prodigals Who Do Not Return"

Rev. Tommie Beck
First United Methodist Church

Text: "I will go home to my Father and say, Father, I have sinned against both Heaven and You." Luke 15:18 (The Living Bible).

In this story, Jesus told of a wayward son, seeking satisfaction, but not finding it, then returning home seeking forgiveness. There are many prodigals in the world who do not return. Why? Let me list two or three.

First - Because not all are

in a far country of riotous living. They are not out feeding the swine, but are sleeping in indifference. They are so caught up in other interests, that they do not know how far from home they have wandered.

Second - Some are reluctant to return because they are ashamed to face the Father and give an account of their lives. They begin life with a heritage of opportunity. Afraid God will

condemn, they stay away. Finally - Some stay away because of self-righteousness. Their sins are not obvious, so their needs are unmet. Self-righteousness makes worship unreal, fellowship difficult and brotherhood impossible.

Let us arise and go to the Father. He is waiting with hands of welcome stretched forth saying, "Come to Me." Matt. 11:28.

EPA Says Yes To TDA Request For Pesticide Rule Change

In response to a formal request from the Texas Department of Agriculture (TDA), the U. S. Environmental Protection Agency (EPA) agreed Wednesday, July 13, to allow the use of a pesticide called Pydrin to fight grain sorghum midge, a pest that can severely damage a sorghum crop.

Pydrin, a compound already approved for use on a number of other crops, is not yet registered for use on sorghum. TDA Assistant Deputy Commissioner Ron White, however, urged in a letter to EPA that the agency authorize emergency use of Pydrin because it can reduce the unnecessary use

of pesticides when used as one component of an integrated pest management (IPM) strategy. Under existing EPA rules, White pointed out, an emergency use designation is not allowed if there are other products on the market designated for use against the sorghum midge. The

products already approved for midge control, however, also kill beneficial insects which help fight headworm in sorghum and bollworms and tobacco budworms in cotton. White said. Thus, if farmers have to fight midge with insecticides that also kill the beneficial insects, they then must also treat their cotton for bollworms and tobacco budworms. "This really is a first," said Agriculture Commissioner Jim Hightower of the EPA decision.

For your information...

VOCATIONAL-TECHNICAL TRAINING OFFERED AT WAYLAND

Vocational-Technical training will be offered by Wayland Baptist University, Plainview, beginning August 30. This is part of the University's plan to provide broader coverage of services to the South Plains area and to its nation-wide student body. Two years ago Wayland began to offer Master's Degrees in three areas of graduate study. This summer it begins a vocational-technical program. The newest addition to Wayland's curriculum enables it to participate in all areas of post-secondary education--from short-term vocational courses to comprehensive graduate degrees.

WTSU ORIENTATION AND REGISTRATION

When the fall semester begins Aug. 24 at West Texas State University, more than 600 freshmen students will be registered through participation at summer orientation sessions.

Beginning freshmen and transfer students have one more opportunity to attend an orientation session before the beginning of the fall semester.

Beginning freshmen may enroll to take the American College Test at 8 a.m. Saturday, Aug. 20. Monday, Aug. 22, students who did not attend a summer orientation session may become acquainted with campus at 8:45 a.m. in the Activities Center Ballroom.

Students participating in the Monday orientation session may receive academic advising and schedule planning on Tuesday, Aug. 23, at 1 p.m.

Registration for the fall semester is Wednesday, Aug. 24, at the Activities Center with classes beginning the following day.

"ALCOHOLISM AND THE FAMILY" SEMINAR

"Alcoholism and the Family" will be the subject of a public address by Father Joseph C. Martin in Lubbock at the University Center Theatre, Texas Tech University, August 16 at 8 p.m.

Tickets are available by calling (806) 762-8721 or are available at the door. Tickets are \$6, tax deductible.

Father Martin's presentation will focus on how the alcoholic is not the only one devastated by his disease. Every other member of the family is deeply and seriously affected by the drinking. There are also problems that arise in the family even after he becomes sober. Father Martin discusses these problems and suggests some helpful hints to help solve these family problems. He believes that just as families get sick together, the entire

family needs therapy to recover.

Martin is internationally known for his famous 'Chalk Talk on Alcoholism', which has been seen by millions worldwide since its original filming for the United States Navy in 1972. A nationally renowned speaker and educator in the field of alcoholism, Father Martin has recently received the first annual Marty Mann Award for Outstanding Achievement in Alcoholism Communication by the National Council on Alcoholism.

Martin, himself a recovering alcoholic, was born, raised and ordained a Catholic priest in Baltimore, Md. He is the founder of Ashley, Inc., a non-profit center in Havre de Grace, Md., dedicated to the treatment of the sick and suffering alcoholic.

Father Martin's visit is being sponsored by the South Plains Association of Governments, Lubbock MHMR, Lubbock Employee Assistance Network, Lubbock Council on Alcoholism, Lubbock, Texas and La Hacienda Treatment Center, Hunt, Texas.

PLAINVIEW GROUP TO HOLD SOFTBALL TOURNAMENT AUGUST 19

The C. L. Abernathy "New Life" Adult Group Home of Plainview will sponsor a Softball Tournament August 19th through August 21st, from 8:30 a.m. to 11:00 p.m. at Running Water Draw Park in Plainview. Entry fee per team will be \$100 with a minimum number of teams being set at 15.

There will be a double elimination tournament with individual trophies being awarded to members of the first and second place teams; as well as team trophies being presented to the top two teams. The third place team will receive a team trophy only and the Most Valuable Player of the tournament will be awarded a trophy. To the All Tournament Team, individual trophies and T-shirts will be presented.

New Life, located at 404 Floydada, is a residential facility of Central Plains NHMR Center, designed to provide an alternative to inpatient care or hospitalization in a more restricted state facility. Proceeds from the tournament will be used to buy recreational equipment for New Life and will also be used for construction of a storm shelter for the Home.

Please call Chuck Shockley at 293-2916/296-6880, or Manuel Nagar at 293-7193 to sign up for the tournament.

PLAINVIEW AIR SHOW SEPTEMBER 11

The 15th Annual Plainview Air Show will be held on Sunday, September 11, 1983 from 2 to 4 p.m. at the Hale County Airport in Plainview, Texas. As in the past, the show will be sponsored by the Kiwanis Club and the Experimental Aircraft Association Chapter No. 438. Doug Maxey is serving as the air show coordinator.

SCHOOL DISTRICT: ABERNATHY

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Earl Carter, Tax Assessor/Collector for Abernathy I.S.D. in accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Abernathy I.S.D. without holding a public hearing as required by the code. That rate is as follows: \$ 0.63045 per \$100 of value.

The estimated unencumbered fund balance for Maintenance & Operation fund: \$ 465,700. The estimated unencumbered fund balance for Interest & Sinking fund: \$ 101,160.

(Name) Earl Carter

(Date) August 1, 1983

CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE

I. DATA

1. 1982 Total tax levy from the 1982 tax roll	\$ 2,222,598
2. 1982 Tax rate (\$ <u>0.54</u> M&O and \$ <u>0.02</u> I&S)	\$ <u>0.56 /\$100</u>
3. 1982 Debt service (I&S) levy	\$ <u>79,378</u>
4. 1982 Maintenance and operation (M&O) levy	\$ <u>2,143,220</u>
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ <u>-0-</u>
6. 1982 M&O taxes on property becoming exempt in 1983	\$ <u>3,418</u>
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ <u>9,332</u>
8. 1983 Total taxable value of all property	\$ <u>342,961,083</u>
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ <u>-0-</u>
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ <u>-0-</u>
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ <u>16,934</u>
*12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied) (\$ <u> </u> /\$100 - \$ <u> </u> /\$100) ...	\$ <u>-0- /\$100</u>
*13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by the difference of 1983 taxable values minus 1983 over-65 homesteads taxable value) (\$ <u> </u> ÷ (\$ <u> </u> - \$ <u> </u>)) ...	\$ <u>-0- /\$100</u>
14. 1983 Taxable value of over-65 homesteads with frozen taxes	\$ <u>4,194,151</u>
15. Frozen M&O levy of over-65 homesteads with frozen taxes	\$ <u>11,201</u>
16. Frozen I&S levy of over-65 homesteads with frozen taxes	\$ <u>406</u>

* Steps necessary for appraisal roll errors (if more than 1% of total appraisal roll), effective for taxing units on June 17, 1983.

II. CALCULATION

MAINTENANCE AND OPERATION (M&O) TAX RATE

1. (A) 1982 Total tax levy (Data 1)	\$ 2,222,598
(B) Subtract 1982 Debt service levy (Data 3)	- \$ 79,378
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	- \$ -0-
(D) Subtract 1982 Taxes on exemptions (Data 6)	- \$ 3,418
(E) Subtract 1982 Taxes on productivity valuation (Data 7)	- \$ 9,332
(F) Subtract frozen M&O levy of over-65 homesteads (Data 15)	- \$ 11,201
(G) Adjusted 1982 M&O levy	\$ <u>2,119,269</u>
2. (A) 1983 Total taxable value of all property (Data 8)	\$ <u>342,961,083</u>
(B) Subtract 1983 Value of new improvements (Data 9)	- \$ -0-
(C) Subtract 1983 Value of annexed property (Data 10)	- \$ -0-
(D) Subtract 1983 Value of over-65 homesteads (Data 14)	- \$ <u>4,194,151</u>
(E) Adjusted 1983 Taxable value for M&O	\$ <u>338,766,932</u>
3. (A) Divide the adjusted 1982 M&O levy (1-G above) by the adjusted 1983 taxable value for M&O (2-E above) (\$ <u>2,119,269</u> ÷ \$ <u>338,766,932</u>) ...	\$ <u>.0062558</u>
(B) Multiply by \$100 valuation	× \$ <u>100</u>
(C) Calculated maintenance and operation (M&O) rate for 1983	\$ <u>.62558 /\$100</u>

INTEREST AND SINKING (I&S) TAX RATE

4. (A) 1983 I&S levy needed to satisfy debt (Data 11)	\$ <u>16,934</u>
(B) Subtract frozen I&S levy of over-65 homesteads (Data 16)	- \$ <u>406</u>
(C) Adjusted 1983 I&S levy	\$ <u>16,528</u>
(D) 1983 Total taxable value of all property (Data 8)	\$ <u>342,961,083</u>
(E) Subtract 1983 Value of over-65 homesteads (Data 14)	- \$ <u>4,194,151</u>
(F) Adjusted 1983 Taxable value for I&S	\$ <u>338,766,932</u>
(G) Divide the adjusted 1983 I&S levy (4-C above) by the adjusted 1983 taxable value for I&S (4-F above) (\$ <u>16,528</u> ÷ \$ <u>338,766,932</u>) ...	\$ <u>.0000487</u>
(H) Multiply by \$100 valuation	× \$ <u>100</u>
(I) Calculated interest and sinking rate (I&S) for 1983	\$ <u>.00487 /\$100</u>

APPRAISAL ROLL ERROR RATE

5. (A) Rate to raise 1982 levy due to appraisal errors (Data 12)	\$ <u>-0- /\$100</u>
(B) Add rate to recoup taxes lost due to errors (Data 13)	+ \$ <u>-0- /\$100</u>
(C) Total rate to adjust for appraisal roll errors	\$ <u>-0- /\$100</u>

TOTAL EFFECTIVE TAX RATE FOR 1983

6. (A) Calculated maintenance and operation (M&O) rate (3-C above)	\$ <u>.62558 /\$100</u>
(B) Add calculated interest and sinking (I&S) rate (4-I above)	+ \$ <u>.00487 /\$100</u>
(C) Add rate to adjust for appraisal roll errors (5-C above)	+ \$ <u>-0- /\$100</u>
(D) Calculated 1983 Effective Tax Rate	\$ <u>.63045 /\$100</u>

Council Story

Continued From Page 1

concerning this program. Mayor Pete Thompson stated that the Council needs to find out what the public thinks about this housing program before making a decision on whether to allow it to continue in Abernathy, and with how many items. The Council decided to table this item until the September Council meeting.

Other Business

Mayor Pete Thompson called the 7:30 p.m. meeting to order and the minutes of the July 11 meeting were approved. The Council then passed the resolution authorizing the filing of a Texas community Development Program application, after discussing it.

The City is applying for \$122,300 of the \$500,000, which will be available through the community development program. This grant would be used to install 4 and 6 inch main lines, fire hydrants, and house water and sewer connections to the southeast portion of the City. The area where the water lines would be replaced are from east 7th street south to FM 597 and from Avenue B east to Railroad Avenue.

City Manager, Rod Ellis, stated that water pipes serving Abernathy are approximately 25 to 30 years old. "The City will eventually have to replace all of the water lines, as they are deteriorating." He also said that this grant, if acquired, would be a good step toward getting these lines replaced. The City is making application for waterworks improvements in this area of the City, because the grant must benefit the lower income sector of the community.

The City will conduct a public hearing on the proposed community development program application at 8:15 a.m. Friday, August 26. Everyone interested in this grant application should come to this hearing and voice his or her opinion.

The Council reappointed Bolinger, Segars, Gilbert and Moss, Certified Public Accountants of Lubbock, to audit the City's financial statements for the fiscal year ending September 30, 1983. This firm has been auditing the books for the City the past several years.

The Council reviewed the City's 1983 property tax roll as certified by the Hale County Appraisal District. The tax roll this year was appraised at \$37,650,047, which is \$1,401,954 less than the 1982 tax roll of \$39,052,001. Rod Ellis stated that the substantial

decrease in the tax roll can be attributed to the method used by the Hale County Appraisal District for valuing shares of stocks in banking corporations. The United States Supreme Court recently help invalidate the method commonly used in valuing bank shares, since the method failed to adjust for direct federal obligations held by the bank.

The meeting adjourned.

MORE 'MARKET MUSCLE' FOR BEEF-Getting more "market muscle" may be the greatest future challenge for the beef cattle industry, a livestock authority told members of a beef improvement symposium gathered at Texas A&M University this week. The symposium for members of Beefmaster Breeders Universal was developed around the six essentials that the breed association has relied upon through the years: fertility, milking ability, performance, conformation, carcass quality and hardiness. Sixteen speakers were featured during the two-day program, which attracted cattlemen from many states.

Plains Pest Management Report

Southwestern corn borer (SWCB) egg laying has picked up this week. Most eggs have been white and red line, with an occasional hatched egg being found. Emergence of moths on August 2 ranged from 40 to 85 percent and averaged 61 percent. Remember that the economic threshold is when 20-25 percent of the plants are infested with eggs or small larvae. Insecticides suggested for use are as follows: Furadan 4F, 10G, 15G; Lorsban 15G, 4E; Diazinon; Pydrin; Sevin XLR; or Sevimol.

Spider mites continue to be found in many fields. Colonies have remained small for the most part and beneficials have done a good job on cleaning up colonies in some fields. Remember that the Texas Department of Agriculture granted a section 18 for use of Azodrin to control Banks grass mite in field corn. The rate is 0.6 to 1.0 lbs. AI./acre. The following restrictions have been issued:

"Do not apply within 45 days of grain harvest or 15 days of silage harvest, do

not apply more than 3 applications, do not graze for 60 days following last application and do not re-enter field within 48 hours after application."

Cotton

Cotton continues to bloom and a few fields now have large bolls.

At this time, bollworm infestations are very light. We expect these to begin increasing around Aug. 20 and peaking the first week of September.

Sorghum

Greenbugs are beginning to build back in some of the fields which were treated early.

Spider mites are also being found in most sorghum fields, but damage is minimal. Miticides which may be used are Supraside, Thimet, Metasystox-R and Comite.

For further information, contact Greg Cronholm at the Hale County Extension office or call 293-8481, ext. 273 (office), 296-6939 (home), or 293-6114 (mobile).

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, August 5, 1983

Congress July 29 sired a more robust sibling to replace the ill-fated "Son of PIK" bid program which in May proved too anemic to bring in the cotton USDA needs to meet its payment-in-kind commitments.

Son of PIK, which offered producers clear title to a maximum of one bale of cotton out of CCC stocks for each fourteen bales they agreed to let CCC have, attracted only 417,000 bales, less than half the 900,000 to 1.1 million needed. Then USDA brought down wails of anguish from producers, merchants and mills by announcing that producers without enough cotton in the loan to meet their PIK requirements would be required to relinquish, at loan price, 1983 crop production for that purpose.

Producers had sold ahead or had the opportunity to sell both PIK cotton and 1983 crops at prices well above loan values. Merchants had contracted and promised to mills cotton which, if the USDA ruling stood, producers would not be able to deliver.

Cotton-state congressmen and senators, at the request of Plains Cotton Growers, Inc., Lubbock, and many other individuals and organizations, entered the fray with legislation requiring USDA to initiate a new and more attractive bid procedure. The measure, skillfully grafted to the supplemental agriculture appropriations bill, passed July 29 and was signed into law by President Reagan July 30.

So the "Harvest for PIK" requirement has been suspended, and from Monday August 8 through Wednesday August 24 county ASCS offices again will be accepting bids from producers willing to forfeit loan cotton to CCC in return for loan forgiveness plus a premium. But this time bids may be submitted "without regard to a maximum bid percent of the total bales offered."

Moreover, the legislation in effect prohibits USDA from rejecting any bid on 1982 crop cotton which asks for a premium not in excess of 20 percent, or two bales out of 10, unless USDA PIK requirements have been met by previously accepted bids. Bids will be taken on 1980 and 1981 crop cotton also, but USDA has a free hand in deciding which of these to accept.

Producers who submitted bids in May to accept one for 15, or about seven percent for their cotton, may resubmit those bids at a higher premium and the original bid automatically will be nullified. However if the new bid is not accepted and the producer has already taken title to bales awarded on the earlier bid, the producer will be required to repay the loan principle, interest and warehouse charges paid by CCC on those bales.

The big question in cotton country now is whether enough cotton is eligible for the bidding and will be offered by producers to fill USDA's requirement. "Too close to call" is about all USDA officials will say, but, right or wrong, many in the industry are of the opinion that at the end of the new bid procedure USDA still will be needing cotton.

USDA will allow for that possibility by informing producers they still may be required to harvest 1983 crop cotton for PIK if CCC doesn't get the cotton to satisfy PIK needs.

Official details of the new bid program, says PCG's Executive Vice President Donald Johnson, should be obtained from county ASCS offices.

Soybean Yield Contest To Be Held Again

The Texas Agricultural Extension Service in cooperation with the Texas Soybean Association and Elanco Products Company is once again sponsoring a Soybean Yield Contest, announces Ollie Limer, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

According to Limer, the contest is designed as an educational tool to stimulate interest in soybean production. Benefits include the development of worthwhile cultural information, cooperation within the industry to increase production efficiency, and recognition of individuals who achieve superior yields.

All producers interested in entering the contest must do so by September 1, points out the county agent. Entry forms and contest rules are available at the county Extension office.

Each entrant must grow at least 50 acres of soybeans and designate at least 5 acres in one block to be harvested. There may be only one entry per entire farm operation and contestants must be at least 18 years of age. Measuring of the land, harvesting and weighing of the soybeans must be supervised by a three-man County Soybean Contest Committee.

Awards will be presented to the top three soybean growers in the Irrigated Contest and the Non-irrigated contest. The state champion will then be selected from these winners. Winners will receive appropriate plaques along with various amount of Treflan or Surfban, depending on their placings.

Producers who enter the contest and produce 60 to 70 bushels of soybeans per acre will be presented certificates of membership in the Texas 60 Bushel Soybean Club or the Texas 70 Bushel Soybean Club, respectively, adds Limer.

Conference On Tractor Efficiency August 11

A one-day educational conference to help farmers and implement dealers achieve the utmost efficiency from farm tractors will be held Thursday, August 11 at the Agricultural Research and Extension Center, in Amarillo.

Specialists with the Texas Agricultural Extension Service and representatives of several major farm equipment companies will conduct the training, said Ollie Limer, county Extension agent.

The "Big Tractor Conference" will cover tractor performance, high speed farming, tractor weighing, field operations and efficiency, matching implements to

big tractors, soil compaction and the future tractor, the county agent said.

Registration at the conference begins at 9 a.m. with the program starting at 10 a.m. and concluding at 4:30 p.m. The center is located, at 6500 Amarillo Boulevard, West, Amarillo.

Limer said a detailed program of the conference which is sponsored by local farm equipment dealers and the Texas Agricultural Extension Service, is available at the county Extension office.

Boys Ranch Rodeo

It will soon be rodeo time at Cal Farley's Boys Ranch

with more than 250 contestants expected to compete in the thirty-ninth annual event over the Labor Day weekend.

Two performances of the nationally-famous Boys Ranch Rodeo will take place Sunday, September 4, and Monday, September 5. Ten thousand people are expected to attend the afternoon performances at 2:30 each day.

All of the 370 boys at the Ranch will have some part in the rodeo and over 250 will be riding professional rodeo animals under RCA rules. Riding clubs from area communities will appear in the Grand Entry.

An added feature will be barbecue beef plates for \$3 and other refreshment concessions will be operated by the boys and staff. Reserve box seat tickets are now on sale for \$3.50 and can be obtained by calling 806/372-2341 or by going by the Ranch office at 600 West 11th Street in Amarillo.

p.m. on Sept. 26.

Other shows, all set for 7 p.m. and 9 p.m., include Larry Gatlin and the Gatlin Brothers Band, Sept. 27; Ronnie Milsap, Sept. 28; Conway Twitty, Sept. 29; and Mel Tillis, Sept. 30. These shows will have no opening acts and the stars will present one-hour shows with no intermission, a new format being tried for the first time this year.

Tickets for all shows are \$7 and \$9 and may be obtained by writing to Show Tickets, P. O. Box 208, Lubbock, Tx., 79408. Requests will be processed as received and orders will be filled after August 1.

Mail order requests may be accompanied by a stamped, self-addressed envelope.

Liner Stresses Importance Of Soil Testing

Hale County wheat producers have begun land preparation for their 1984 wheat crop.

"Generally, 1983 will be remembered as an outstanding wheat year. Winter snows gave us better than average subsoil moisture and colder than average soil temperatures. The winter

subsoil moisture helped generate some unusually high dryland yield in the Rolling and High Plains of Texas," county agent Ollie Limer said.

"However, our thoughts must now be directed toward next year and it always seems that we have to manage closer to our hip

pockets. Soil testing is just one of many management tools available. It helps remove fertility guesswork and unwarranted fertility cost," Limer said.

"If we are not taking advantage of soil testing, then many of us are guessing about crop fertility needs over one square mile or more," Limer said. That guess covers a sizeable area and Texans are gambling with bigger odds than producers from other states. Texas farmers only average one soil sample per 640 acres, while the national

average is one sample per 144 acres. This low rate of soil sampling points out that Texas is doing a poor job of managing soil fertility and a high probability exists that a good management tool is not being utilized.

Why is soil testing so important for 1984? First, we have many fields in the PIK program or fields that were grazed out in 1983. The fields in the PIK program that were fallow have accumulated some nitrogen. Here is an opportunity to reduce nitrogen application cost for some

Fields that were grazed out will need more nitrogen due to stubble removal.

Second, we are entering into an era of minimum tillage, so one frequently is doing more than one tillage operation. This step means that one has to alter planned dates of soil sampling and testing. If this is your intention for 1984, then now is the time to submit soil samples to the Soil Testing Laboratory. Contact our county Extension office on soil testing for wheat and information sheets and soil sample bags.

Open Barrow Show Set For South Plains Fair

Premiums totaling \$6,850 have been tabbed for an open barrow show, one of several livestock events on tap during the 66th annual Panhandle South Plains Fair here Sept. 24-Oct. 1.

Barrows will go into the arena of the Swine Barn beginning at 9 a.m. on Sept. 26, according to general manager Steve L. Lewis.

Malcom Osburn of Valley Spring will judge the entries and Lee Roy Colgan and Billy Roach will serve as superintendent and assistant, respectively.

Non-returnable entry fees of \$5 will be charged per barrow and entries will

close on Sept. 12. A maximum of 600 barrows will be permitted to compete.

It is a terminal event and there will be no "take home" barrows, Lewis noted.

Barrows will be divided into the following classes at weigh-in: lightweight, 200 to 220 pounds; medium, 221 to 235 pounds; and heavy, 236 to 250 pounds.

Champions and reserve champions in Duroc, Hampshire, Crossbred and Purebred divisions will be awarded \$150 and \$100 cash prizes, respectively, plus banners.

The grand champion bar-

row will collect \$1,250 and a trophy, while the reserve grand champion will get \$1,000 and a trophy, two of the largest single premium awards of the exposition.

Danna Ralston of Farwell exhibited the 1982 grand champion barrow.

The barrow show is one of the most popular on the varied livestock judging calendar each year, Lewis said.

Meanwhile, negotiations are continuing for entertainers to open and close the 1983 fair. Otherwise, the card is complete with Reba McEntire and the Maines Brothers co-headlining a pair of shows in Fair Park Coliseum at 4 p.m. and 7

County Line Chit Chats

by Fave Ann Nelson

The time is drawing nigh when the big County Line Reunion will be taking place, which is next Sunday. We have reservations for 300 and more will come after lunch that can't make it for lunch.

We want to express our thanks to David Pinson and

Hoppy Toler for letting us put signs in their stores and also for selling and letting the employees sell tickets for us. Hoppy and Mona assisted us in letting us display the king size quilt, made by Sue Terrell, in the window and also displaying the 12 gauge pump Moss-

berg shotgun in the hardware store. We also wish to express our thanks to Cliff Newton for finding us a microphone to use at the reunion. If everybody in the world was as accommodating as the folks in Abernathy, what a wonderful world we would have to live in. We are so grateful to our editor, Keith Tooley, for giving us so much publicity in the paper and even taking our pictures of the quilt and gun, which helped

us to sell a lot more tickets. We expect to sell a lot at the reunion Sunday, August 14, when all our old timers gather together for fun, food and fellowship.

I have a friend in Shallowater, Cindy Lusk, who is going to Tech this summer and is doing research on the presidents. She found an unusual set of facts in the library.

Since 1840 every American president elected at twenty-year intervals has died in office: William Henry Harrison, elected 1840 and died in 1841; Abraham Lincoln, elected in 1860 and died in 1865; James A. Garfield, elected in 1880 and died in 1881; William McKinley, elected in 1900 and died in 1901; Warren G. Harding, elected in 1920 and died in 1923; Franklin D. Roosevelt, elected in 1940 and died in 1945; and John F. Kennedy, elected in 1960 and died in 1963.

The County Line club women met Tuesday to clean up the clubhouse for the big reunion coming up August 14. Thanks to Audrey McGuire, Ann Sims, Dee Morales, Deena and Lori Moralez and Frances Hudson and myself, we got the building mopped up, but had sore backs the next day. I think our next project will be to get carpet for the floor of that big building, since it is too big a job to wet mop it.

Don't forget to get your booth reservation in to Audrey McGuire for the big County Line Flea Market coming up Saturday, October 1. We have three already reserved for the big event. We plan to take donations on baked goods, or if you want to have a booth, just call Audrey McGuire at 757-2124 in County Line and get a space inside or out. There is plenty of room in front to park your van or pick-up, if you want to sell out of it. The booths are \$10 inside or outside. Spaces are going fast, so get your reservations in early.

Be sure and bring your old school pictures and souvenirs of County Line, since we have a new

bulletin board to hold lots of pictures. Wayland put the bulletin board up Wednesday, so now we have two big ones to hold lots of memories of bygone days.

TRIP CONTINUES - April 21...

We stayed at a fabulous Canadian-Pacific Hotel called Tiberius Plaza, right beside the Sea of Galilee, where Jesus cast the demons out of the one called Legent, into a herd of swine, which ran into the sea and drowned. Tiberius is a lovely city built on a high mountain. Golan Heights is right across the sea. Our room overlooked the sea, and we could open the door of the balcony and have fresh air instead of air conditioning. We had a delicious dinner, but couldn't eat half of it - such large portions.

April 22...

We got 10 hours rest and sleep, so all of us were rested today. We were awakened at 7 for a buffet breakfast of everything imaginable and again on tour at 8:15.

We got on a boat at 8:30 on our way to Capernium, on the Sea of Galilee. There are lots of fish - a living sea. We had devotions on the boat from Matthew and Luke regarding Capernium.

The bus met us in Capernium. A lady originally from the Philippines on our tour (Elcarnacium Cortes) told me she was gloriously healed in 1960, while in a hospital. Her skin turned black and was peeling off, including her hair, caused by sulphur drugs, which also made her blind. There was a lot of prayer for her, and she was healed and restored, including her eyesight. She praises the Lord every minute of the day. She said everything she has belongs to the Lord. The River Jordan runs into the Sea of Galilee. The sea is 7 miles wide and 13 miles long and 150 feet deep.

We went to Golan Heights. Golan has a big military base. We saw Mt. Hermon ahead (9000 feet high) full of snow. United Nations forces patrol the border day and night.

Konetra is a deserted city. No one want to live here with the United Nations on one side and Syria barracks on the other side. We passed the Mount of the Beautitudes, where Jesus preached the Sermon on the Mount.

1933-34 7th and 8th GRADE CLASS at County Line School. Pictured on the front row, from left to right, are: Aubrey Tucker, Frank Adams, Prinda Duncan, Monema Hudson, Frances Rice, Edna Redwine, Rene Snead and Eugene Redwine. Second row: Miss Adelaide Young (teacher), W. E. Connell, Crystal Griffith, Ruth Goldwater, Lois Erwin, Etherage Williamson, Leota Nelson and Lindell Duncan. Third row: Eldon Eason, Wayland Nelson, C. A. Turner, Tommy Tate and A. Z. Morris. (Photo Courtesy of Frances Hudson)

New Deal News

by Fern Bigham

HAPPY BIRTHDAY

Jean Fairman, Joyce Markham, Cherie Glover, Lydia Ruiz, Angela Hightower, Ken Carter, Bob Greenhill, Brenda Briscoe, Sonny Sproles and Sandra Shropshire.

HAPPY ANNIVERSARY
Mr. & Mrs. Raymond Sherman and Mr. & Mrs. Steve Bigham.

HOSPITAL NEWS

MATT HILL is still in Methodist Hospital. He will be there about two more weeks and then in a cast for several months. He was injured from a fall from a pickup and received a broken thigh.

ELIZABETH ROBBINS is still confined to Methodist Hospital. She has been very ill.

EVA MCNELLY is in Lubbock General Hospital.

We went to the River Jordan, where 7 of our group wanted to be baptized, where Jesus was also baptized. We sang, while each one was baptized. Tiberius is a resort town of about 40,000. We went back to the hotel for dinner at 7:30.

TRIP CONTINUED NEXT WEEK

T-BALLERS TAKE 2ND IN IDALOU TOURNAMENT: The "B" Team of the T-Ballers won second place in the Idalou Tournament. This team of 5, 6 and 7 year olds really played ball during the tournament. They only won one game all year in regular play, but showed everyone that they had learned something. Pictured are - front row: Cody Brown, Valerie Pike, Bat Boy Bryan Bigham, Craig Bigham, Mike Tuman and Steven Mora. Middle row: Dustin Martin, Erica Spann, Shawn Bigham, Shane Attebury, Jeffrey Hoover, and Gayla Attebury. Back row: Coach Steve Bigham, Fern Bigham (Sponsor's wife), Terry Martin, Coach, and Bill Bigham. Coach. They are shown holding their second place trophies, and also they are wearing the medallions presented to each team in the New Deal league. (Review Photo)

Lakeview Locals

By Mrs. Norman Matthews

The featured speaker at the Lakeview Methodist Church last Wednesday night, August 3, was Miss Ethel Pierson of Abernathy.

Visitors in the home of Mrs. E. G. Mahagan were Robert Dow of Modesto, California and Mr. and Mrs. Lewis Mahagan of Claytonville.

Visitors in the home of

Mr. and Mrs. J. C. Montgomery over the weekend were Mr. and Mrs. A. C. Byumm of Sayre, Oklahoma and Mrs. Marie Brewster of Littlefield.

Gena and Terry Gilmore of Lubbock are spending this week with their grandparents, Mr. and Mrs. H. C. Barnwell.

Mr. and Mrs. J. C. Montgomery visited Mrs. Clara Dedmon in the nursing home Sunday.

PUBLIC NOTICES

PUBLIC NOTICE
The Abernathy Independent School District will hold a public hearing Thursday, August 18th at 8 p.m. for the purpose of discussing the proposed school budget for the 1983-84 school year. The public hearing will be held in the school board meeting room of the Administration Building.

ABERNATHY I.S.D. Equal Opportunity Statement
In compliance with Title VI, Title IX, and Section 504 of the Rehabilitation Act of 1973, this Educational Agency upholds the following policy:
This is an equal opportunity school, and is dedicated to a policy of non-discrimination in employment or training. Qualified students, applicants, or employees will not be excluded from any course or activity because of age, race, creed, color, sex, religion, national origin or qualified handicap. All students have equal rights to counseling and training.

PUBLIC NOTICE
Abernathy Independent School District offers vocational programs in Production Ag, Power Mechanics, Homesteading, Upholstery, Farm and Ranch Maintenance, and CVAE Home-making. Admission to these programs is based on prerequisites as outlined in school policy.

PUBLIC NOTICE
The policy of Abernathy Independent School District not to discriminate on the basis of sex, handicap, race, color and national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504 and Title VI.

PUBLIC NOTICE
Abernathy Independent School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

PUBLIC NOTICE
For information about your rights or grievance procedures, contact the Title IX Coordinator and Section 504 Coordinator, Charles Bowen, at 505 7th Street, 806/298-2563.

PUBLIC NOTICE
Abernathy Independent School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

SERVING HALE AND LUBBOCK COUNTIES

Chamber Update

by Chamber President
Arno Struve

It cannot be emphasized too often that the Chamber of Commerce has one overriding function and that is to develop ALL aspects of the community, or perhaps it would be better to say that its purpose is to ASSIST in the development of the community in all its aspects. We say assist in the development, because it takes more than just the

chamber members to achieve the utmost potential for our town AND AREA! Sometimes the chamber is considered to be ONLY a business group, but it shouldn't be. It's for everybody who wants to live in a better community.

The senior citizens center

is developing rapidly as the old depot takes on a new life. All the technical work is going forward without delay. Ray Higginbotham is pressing forward with the plumbing, as is Bill Scott with the electrical work. And the builders, Roswell Brunner and R. C. Patterson, are accomplishing as much as possible.

I marvel at the generous contributions that have made the project possible. When we had the original mass meeting to discuss the project, I was surprised at the enthusiasm displayed for the project. Although I was voted down on my own

preference for building an entirely new building, I think I will be proud of the project when it is beautified by landscaping.

I feared the old depot would prove to be too small in the long run, but those present at the mass meeting voted overwhelmingly for the use of the depot. I also favored the acceptance of the offer from the Legion to give its building for the purpose, but this also was not what the group wanted.

The chamber meeting Thursday morning at the

City Hall was attended by 20 people. Ruth Fulton provided an unusual treat by preparing filled rolls freshly baked. It was a good change from the usual eggs, bacon and sausage, our standard fare at the breakfast meetings.

We had a surplus of food this time, which was purchased by members wanting to take the goodies home with them.

We discussed the Womanless Wedding, the preparation of which is pro-

ceeding at a good pace. It is such a popular project that there was mention that after the wedding, we have the principals get a divorce, have a reconciliation, and then have them marry again!

Plans for the annual Octoberfest have been initiated. Anyone wishing to have an activity at the time of the fest, please contact the chamber.

The membership and attendance committee will be contacting new businesses in town to invite them to become members. Also, you may be reminded by a phone call on the eve of the regular meetings, so you won't forget to come to the meetings.

COTTON PICTURE IMPROVED—The previously gloomy cotton picture has done an about-face due to the government's PIK (pay-

ment-in-kind) program and an increase in domestic usage. But Mother Nature will have a lot to do with whether or not the strengthened cotton market will continue, says an economist

with the Texas Agricultural Extension Service, Texas A&M University System. Because cotton supplies are still plentiful, the market price may drop to near the loan rate at harvest time.

ALLSUP'S ASSISTANT MANAGER RECEIVES DIPLOMA. Gary Whittington, Allsup's instructor, awards the Assistant Manager's Diploma to Stefanie Bastardo (left) for successfully completing Allsup's Assistant Manager's Training Course. Bastardo returns to 512 Avenue D in Abernathy to assume the duties of assistant manager. "Our goal is to provide the best possible service to our customers," according to Whittington. The course is required of all assistant managers and includes instruction in operational procedures, customer relations, and retail management systems. Classes are conducted at Allsup's Training Center in Clovis, New Mexico.

Hance Receives "Peace Through Strength Leadership Award"

Representative Kent Hance, Democrat of Texas today was presented the 1983 American Security Council-Coalition for Peace Through Strength Leadership Award in recognition of his support for a national strategy of Peace Through Strength.

The honor was bestowed upon Congressman Hance by the American Security Council at an awards reception at the U.S. Capitol sponsored by the United States Congressional Advisory Board. The Leadership Award was presented to those Members of Congress who have a 70 percent or

better average according to the ASC National Security Voting Index. Congressman Hance had an average of 88 percent. A total of 222 members of Congress received this year's awards.

The Coalition of Peace Through Strength is a bi-partisan alliance of pro-defense leaders and organizations across the country. The American Security Council serves as the program secretariat of the Coalition for Peace Through Strength.

ASC President John M. Fisher said: "It is with great pride and satisfaction that I announce the recipi-

ents of this Leadership Awards. Kent Hance is one of those far-sighted Members of Congress who knows that a strong America is a secure America; who knows that weakness only invites aggression; and who knows that only a national strategy of Peace Through Strength will insure this nation's security."

Transition

Sanders Infant

Services for Barry Brent Sanders, 3-month-old son of Mr. and Mrs. Bill Sanders of Dimmitt were at 10:30 a.m. Saturday at First United Methodist Church in Dimmitt with the Rev. Vernon O'Kelly officiating. Burial was in Westlawn Memorial Park under direction of Parsons Funeral Home.

The infant was pronounced dead at 1:42 p.m. Thursday on arrival at Methodist Hospital. Sudden Infant Death Syndrome, or "crib death", was the suspected cause of death, said Justice of the Peace L. J. Blalock of Lubbock.

The boy was born April

10 in Amarillo.

Survivors include his parents; a brother, Kevin of Dimmitt; his grandparents, Mr. and Mrs. E. M. Jones and Polly Simpson, all of Dimmitt; and his great-grandmothers, Edna Jones and Frances Garvin, both of Abernathy. Aileen Smitherman of Dimmitt and Virginia Simpson of Hereford.

Mrs. Ambriz

Mrs. Jessie (Lupe) Ambriz, 56, of 2708 El Paso St. died at her home at 4:05 a.m. Monday after a brief illness.

Rosary was recited at 7 p.m. Monday and Tuesday at Sacred Heart Catholic Church.

Funeral Mass was celebrated at 11 a.m. Wednesday in Sacred Heart Catholic Church with the Rev. Patrick Hoffman, pastor, officiating. Burial was in Plainview Memorial Park by Wood-Dunning Funeral Home.

The former Guadalupe Lara was born April 27, 1927 in Rue, Miss. She moved to Lubbock in 1942 from Cameron and to Kress in 1962. She came to Plainview in 1972.

She married Mr. Ambriz Nov. 25, 1953 in Plainview. Mrs. Ambriz was a member of Sacred Heart Catholic Church.

Survivors are her husband; two sons, Daniel and Robert Ambriz, both of Plainview; three daughters, Beatrice Marin, Josphin Pena and Helen Delgado, all of Plainview; two brothers, John Lara of Abernathy and Margarito Lara of Lubbock; three sisters, Rosa Hernandez of Kress, Petra Munoz of Lubbock and Ignacia Serato of Casa Grande, Ariz.; and 13 grandchildren.
