

16th Street Apartments Being Converted Into Town Houses

Since being constructed some 15 years ago, the six apartments between Avenue H and J on 16th Street in Abernathy, have been used, abused and damaged to the point in which they were no longer being rented.

The owner, Dr. Annette Martin of Lubbock, decided it was time to upgrade the apartments and turn them into something Abernathy could be proud of. She decided to give the apartments a completely new image and turn them into town houses, possibly Abernathy's first.

Martin contacted building contractor Henry Kreiner of Dallas, to give her 16th street apartments the face-lift. Kreiner has been working on the apartments the past two weeks.

Kreiner stated that although the apartments are approximately 15 years old, they are in very good shape

structurally. Each unit has approximately 940 square feet.

"We are completely stripping and remodeling the inside and out," Kreiner said. "On the inside we are putting in new central heating and air conditioning systems, garbage disposals, dish washers, stoves, refrigerators, energy efficient storm doors and windows, carpet, hot water heaters, commodes, paint and texture and even new plumbing and electrical," Kreiner said.

"On the outside, we are going to construct steel carports for each town house for parking. These will be completely maintenance free carports. The apartments were re-roofed last year, but we will paint and put siding on the wood trim, put in new parking slabs and walks, install some unique light poles for lighting, construct a

new cedar fence in and around the town houses and landscape the outside," Kreiner said.

Kreiner's crew has already sand-blasted the brick walls and are presently making inside improvements. They plan on landscaping portions of the town house lots with ornamental rocks, which will be maintenance free lots, according to Kreiner.

Kreiner stated that he is using all of the local contractors and builders he can get and is presently looking for more help. "We presently have locals Harvey Davis, Kenneth Morgan, Darryl Brightbill, and Jake Higginbotham working with us and we hope to contract with many other local builders, as we need jobs done," Kreiner added. He also stated that this project should be a boost for

Abernathy, since he is using building supplies from Abernathy and has already rented equipment from three Abernathy businesses.

"We are trying to use Abernathy locals in this project. The end result will benefit this community even more when the town houses are completed. They will provide Abernathy home seekers with six more homes," he ended.

Those who wish to go to work for Kreiner can call him 799-3315 or 799-2049 or talk to him on the building site.

Kreiner has estimated that the project will be completed by October 1 and the six units will be sold to those wanting a town house in Abernathy. The units will be changed to 807, 809, 811, 813, 815 and 817 16th Street, when the project is completed.

SOON TO BE TOWN HOUSES are the six apartments on the 800 block of 16th Street. They are being remodeled by general contractor Henry Kreiner, pictured in both photos talking to City Manager Rod Ellis. They are pictured standing near the six apartments, which are being converted into town houses. (Review Photos)

Antelopes Open Season At Petersburg

The Abernathy Antelopes defeated the Petersburg Buffaloes by the slim margin of 14-7, within the final minutes of the game, last year. This was to be the only victory of the year for the Lopes.

Petersburg was no pushover last year and should be even better this year. They have a new head coach, Joe Robertson, and 11 seniors on their squad. Robertson has been the

assistant coach for the past 5 years at Petersburg, until promoted this year.

The Buffaloes, coming off of a 4-5-1 season, have quality players at almost every position this year. David McDonough, a 6'2", 210-pound senior, made all district linebacker last year. Running back Rayford Lang, a 6'2", 225-pound senior, will be carrying the ball a great deal of the time for the Buffaloes, and senior

quarterback Ted Matthews is back after a serious leg fracture suffered last season. He is backed by last year's quarterback, Stacy Swopes, a junior.

Petersburg lost 12 lettermen last year, but they have 8 back. The Buffaloes could be in contention for second place in their district behind Hale Center, who is picked first.

The game will begin at 8 p.m. at the

Date	High	Low
8-24	96	69

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 42 THURSDAY, SEPTEMBER 1, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

Lion's Mop And Broom Sale Big Success

The annual Lion's Mop and Broom Sale, held last Thursday, was a big success as the sale grossed \$3,689.

Of the \$3,689 raised, \$2,744 will go to the blind folks who made the mops, brooms and other maintenance equipment, and the other \$945 will go to the local Lions Club, who sponsored the sale.

The sale was a big success because it grossed more than the previous two years. In 1981 the sale grossed \$3,600 and in 1982 \$3,000.

Those who worked hard to make the sale a success this year by donating their time and efforts were Lions-Bill Scott, Ken Moreland, Rod Ellis, Harold Thompson, Pete Thompson,

Bill Shipley, Gid Adkisson, Woody Parker, Dan Ward, Bill Elliott, Keith Tooley, Dale Thickston, David Sharp, Larry Aldridge, Harold Stillwell and Waymon Jones.

Special recognition should go to Steve Miles, who organized the entire sale and the work schedules, and to the pick-up and delivery crew made up of Clayton Enger, Hoppy Toler, Leland Phillips and Owen Benn. These Lions made pick-ups and deliveries all over town and as far as Lubbock.

Lion First Vice President Steve Miles stated that the Lions appreciate the community's support in coming out to the sale.

ON THE COUNTY LINE

BY KEITH TOOLEY

PANHANDLE DOVE HUNTERS can begin hunting doves today as the mourning dove season opened September 1 and will continue through November 9.

The state-wide bag limit will be 12 doves, not to include more than two white-winged doves. Shooting hours will be one-half hour before sunrise to sunset.

We used to go dove hunting around Floydada every year when I was in high school. I gave up dove hunting after I made the rule that I would not shoot an animal unless I planned on eating it. Dove, to me, is not the most tasty treat and I don't enjoy eating them, thus I don't shoot them.

I would rather go quail or pheasant hunting...very tasty.

A SUNDAY SCHOOL teacher asked her pre-school class if they knew where God lived. One little girl stood up and quietly said, "He lives in Heaven."

"Is that correct, Johnnie?" the teacher asked the little boy on the back row.

"No, ma'am," said the boy. "He lives in the bathroom at our house."

"The bathroom?" asked the teacher incredulously.

Explained the boy, "Every morning my dad stands outside the door and shouts, 'My God, are you still in there?'"

"AND WHAT DID my little boy do all day?"

"I played postman, Mommy. I put a letter in every mailbox on the block. Real letters, too. I found them in your drawer, tied up with a pink ribbon."

THE TEXAS DEPARTMENT of Public Safety has estimated as many as 51 persons will be killed in traffic accidents in Texas during the Labor Day holiday. The estimate includes traffic deaths which may occur on urban streets and rural highways. So be careful if you plan on traveling.

No School Labor Day, Many Businesses To Be Closed

There will be no school Labor Day, Monday, September 5, and many local businesses will also be closed.

Abernathy First State Bank, First Federal Savings and Loan, Vecchio's Burger Hut, and the Abernathy Post Office will be closed for sure. Many

other local businesses will be closed, but did not inform the Review in time for publication.

It should be business as usual at school and in the downtown sector Tuesday, September 6.

Lions And Chamber Having Membership Drives

The Abernathy Chamber of commerce and Lions Club are presently having membership drives.

Both clubs want participation from everyone in the community and they welcome everyone to join. Both clubs are on the go trying to promote and improve Abernathy and help their fellow man.

The Chamber of Commerce meets the first Thursday of every month at 7

a.m. Those who wish to join should call Chamber Secretary Chris Waters at 298-2240 or come to the meetings and join.

The Lions Club meets every Tuesday at 12 noon at the 924 Steak House party room. Those who wish to join should call Lion President Ken Moreland at 298-4111 or come to the meetings every Tuesday.

Assault Heads July-August Police Report

The July-August police report revealed that Abernathy has been a relatively quiet town this summer.

In July, only 26 citations were issued and thus far for August, only 20 citations have been given. Locals have been displaying good driving practices.

July Arrests

Five arrests were made in July: 2 for driving while intoxicated, 3 for public intoxication and 1 for unlawfully carrying a weapon.

The unlawfully carrying a weapon charge was made when Abernathy Police Officers spotted a 39 year old Mexican American male walking in the 700 block of 6th street with a 35-inch

chain with a steel ball attached to the end of it, according to police reports.

August Arrests

In August, 12 arrests had been made by last Monday: 5 for public intoxication, 3 for disorderly conduct, 1 for evading arrest, 1 for tampering with a witness, 1 for failure to appear on warrant, and 1 aggravated assault with a deadly weapon.

Two of the arrests were felony charges. The first offense occurred August 2 at 11:25 p.m., when it was reported that Randy Mayo attempted to rob the Minit Mart store. According to the police report, on that evening, Mayo entered the store and demanded money from Chris Rannels, who was

working at Minit Mart. Mayo entered the store with what was thought to be a 30-30 rifle. He pointed the rifle at Rannels, demanded some money, then ejected a shell to prove to Rannels that the gun was loaded and that he meant business. Rannels would not give him any money and Mayo put the rifle back in his vehicle, according to the police report.

Mayo returned and went back into the store for awhile, then decided to go back out and get his gun again. This time Rannels locked him out of the store, when he went to get his gun. Mayo was charged with aggravated assault with a deadly weapon and later arrested, according to the Abernathy Police Department.

Later that week, Ilario R. Hernandez

tried to persuade Rannels to drop the charges on Mayo. He reportedly offered her money to drop the charges and even threatened her. Rannels then contacted the Abernathy Police Department and filed charges on Hernandez. Hernandez was charged with tampering with a witness, a felony, and was later arrested, according to the police report.

Attempted Rape

Three juveniles were arrested August 1 at 10 p.m. for attempted rape of a young girl on the school playground. Officer Frank Valdez stated that three Mexican American juveniles, ages 13, 15 and 16 had attempted to rape an

Lakeview Locals

Mrs. Norman Matthews

Mr. and Mrs. Shorty Robertson were guests last Wednesday night, August 24 at Lakeview Methodist Church. Mr. Robertson was the featured speaker.

Mrs. Oleta Gilmore attended an out-of-town reunion this last week.

Mrs. E. G. Mahagan visited her brother, Clyde Burton, last week. He is a patient in Methodist Hospital.

Mrs. N. J. Fred visited relatives in Lubbock Monday.

Mrs. and Mrs. Charles Scarborough of Lubbock visited last Thursday night with his parents, Mr. and

Mrs. Henry Scarborough.

Rev. Jesse Nave visited in the home of Mr. and Mrs. Glenn Amott Sunday afternoon.

Mr. and Mrs. Preston Mitchell of Albuquerque, New Mexico spent Sunday night with her mother, Mrs. S. M. Harrison. They were in route to Gainesville to attend the funeral of Preston's sister, Mrs. Leron Ledbetter. Mrs. Ledbetter is a former resident of Lakeview. Her husband preceded her in death last year. Funeral services were held Monday afternoon.

Dr. Glenn Harrison of Plainview, visited his mother, Mrs. S. M. Harrison, Sunday night.

THOSE TO REMEMBER

Lewis Rea has been dismissed from the hospital and is now home.

Bruce Mason was confined to his home until he entered Lubbock General Hospital Monday.

Mrs. Willie Ruth Bradley has been ill at home.

Lori Oswalt had her tonsils removed and is now at home.

Matt Riley was hospitalized in a Las Vegas, New Mexico hospital following a falling accident, but he has been dismissed and returned home.

Spray to knock out weeds then you may be able to sit back and enjoy your lovely lawn.

Double Ring Ceremony Unites Rogers And Glover

Cheryl Ann Rogers and Boyd Bonar Glover exchanged wedding vows on Saturday, August 20, at 3 p.m. in the home of the bride's parents, Mr. and Mrs. Kenneth Rogers of Abernathy. Parents of the groom are Mr. and Mrs. Bert Glover of Lawton, Oklahoma. The couple were united in marriage during a candlelight ceremony by Mr. Glenn Reagan.

Miss Cathy Rogers, sister of the bride, served as maid of honor. Mr. Bill Cooper, of Lubbock, served as best man.

Given in marriage by her father, the bride wore an old-fashioned, ivory-colored

gown. The matching veil was made by the bride's mother. The bridal bouquet was a silk arrangement consisting of candlelight colored roses, accented with baby's breath and burgundy colored flowers.

For "something old" the bride carried a white lace handkerchief belonging to the groom's maternal grandmother. The "something new" was the bride's gown; "something borrowed" was a set of diamond earrings belonging to the bride's mother, and "something blue" was the bride's garter.

Serving at the bride's table was Mrs. Nelda Hen-

ley, cousin of the bride, and Miss Cathy Rogers. The three-tiered wedding cake was made by Mrs. Janie Kinghorn of Lubbock, friend of the bride. The mints were made by Mrs. Sue Pomroy of Abernathy. Following the reception, the couple left for a week-long honeymoon to Medicine Park, Oklahoma.

The couple now resides near Shallowater. She is employed with the Deans of Engineering Department at Texas Tech University and he is employed with the Lubbock Fire Department.

Cheryl Rogers Honored With Bridal Shower

Miss Cheryl Rogers, bride-elect of Boyd Glover, was honored with a bridal shower Thursday, August 11, from 7 p.m. to 9 p.m. in the home of Mrs. Donald Huffaker.

Hostesses were: Mrs. Janis Myatt, Mrs. Vicki Murphy, Mrs. Arlene Shadden, Mrs. Barbara Webb, Mrs. Wanda Horsford, Mrs.

Fabric Fair Sept. 8

Something new is coming to Plainview on September 8 at the Agriculture Center. The first Fabric Fair will unfold at 9 a.m. and continue until 8 p.m. with plenty happening in between, states Mrs. Wynon Mayes, County Extension Agent.

Persons attending the Fabric Fair will be able to purchase fabric in the price range from \$1.49 to \$5.99 per yards, as well as fill the freezer (or the dinner table) with baked items made by the Extension Homemakers club members from

throughout Hale County. The Fabric and Bake Sale proceeds will be used for scholarships and other activities of the Extension Homemaker Council, states Mrs. Mayes.

THOSE TO REMEMBER

Hillary and Felix Snort-houser are in a Lubbock Hospital recovering from injuries they received in the collapse of a motel bed over the weekend.

Kim Grant Honored With Two Showers

Kim Grant, bride-elect of Gregg Ford, was honored with a miscellaneous shower Saturday, August 27, in the home of Mrs. Janice McKenzie of Abernathy.

Co-hostesses with Mrs. McKenzie were: Mmes. Dilene Cox, Nita Nunn, Caro-

lyn Thompson, Pauline Stone, Arlene Kerr, Thelma Stephens, Ruth Fulton, Marie Riddell, Nell Veda Nix, Tommye Lane, Lois Ann Lovelace, Marguerite Keith, Mary Lutrick, and Dovie Barron.

Second Shower at New Deal

Kim Grant, was honored with a second miscellaneous shower Sunday, August 28, in the home of Mrs. Joan Sherman in New Deal.

Co-hostesses with Mrs. Sherman were: Mmes. Colleen Shinn, Addy Lois Dunn, Billie Schwantz, Sue Pumroy, Sue Johnson, Yvonne Davis, Mona Toler, Maxine Martin, and Jane Arthur.

ATTEND THE CHURCH OF YOUR CHOICE

"Easy Believism"

Rev. Roswell Brunner
First Church of the Nazarene

Gary Collins has written an interesting book called "Beyond Easy Believism." His main point is that, for many, belief in Jesus Christ has had little or no effect on their daily practice.

George Gallup recently made a national poll and asked if the individual has ever been "born again." Thirty-four percent answered "yes." That is 50 million Americans that claim to be christian. However, there seems to be little relationship between

that experience and practical daily living. George Gallup says, "There is a huge gap between mere belief, and real conviction and practice."

That is probably why we have such moral problems in our country today, such as drugs, alcohol, divorce, dishonesty and permissive sex.

Jesus gave us a challenge when He said: "If any man will come after Me, let him deny himself, and take up his cross and follow Me."

Matt. 16:24. Doesn't sound like "easy believism" to me. It costs something to be a follower of Jesus Christ. It is a commitment for life.

This And That

By Helen Wade

Mr. and Mrs. Gordie Clapp of Sulphur Springs, visited in the home of Mr. and Mrs. Milton Bell and in the home of Mr. and Mrs.

Reid Lacy last week.

I was reading in the August 22 Newsweek about "The Drought of 1983." It painted a dark and sad picture about the drought from Indiana to Texas. In the nation's breadbasket, it said the lack of rain would be a major factor in food

price increases, which will become evident to the consumers before very long. All in all, the summer of 1983 will long be remembered as the driest year and probably the hottest in lots of places in Texas. Me, I am looking forward to September and fall, and hopefully cooler weather.

FIRST DAY OF SCHOOL ASSEMBLY at Abernathy High School. Members of the student council gave a skit and pictured are some of the participants playing their roles during the skit. (Review Photo)

Transition

Calvin Booth

Services for Calvin Booth, 55, of Hemphill were at 10 a.m. Wednesday at Union Baptist Church in Union with the Rev. Cletus Caswell, pastor, officiating.

Burial followed in Terry County Memorial Cemetery under direction of Brownfield Funeral Home.

He died Sunday afternoon in Hemphill after a brief illness. A ruling on the cause of death is pending on a coroner's verdict.

Born in Merkel Jan. 9, 1928, he graduated from Welch High School. He served in the Army Air Force during World War II and married Lavita Herring Oct. 4, 1953, in Slide. They farmed in the Union Community until moving to Hemphill in 1977, where they owned and operated the Fisherman's Landing Marina.

He was a member of Union Baptist Church.

Survivors include his wife; a daughter, Margaret Luker of Brownfield; two sons, George of Loop and Calvin Jr. of Hemphill; three sisters, Mattie Lowery of Levelland, Lucille Driver of Colorado City and Faye Gibson of Lubbock; three brothers, Robert of Colorado City, Enoch of Tatum, N.M., and Granville of Abernathy; and five grandchildren.

H.L. (Henry) Wright

Services for H. L. (Henry) Wright, 79, who died Friday at a Big Spring hospital, were at 10 a.m. Monday at the Nalley-Pickle Rosewood Chapel with Dr. William Berryhill, pastor of Faith Baptist Church, and the Rev. Johnny Robertson, pastor of Wesley United

Methodist Church, officiating. Burial was at Trinity Memorial park.

He was born June 25, 1904 in Hico, Texas. He married Naomi Bingham on Nov. 1, 1924 in Stephenville. He had been a farmer most of his life in Hockley, Terry and Hale counties. He farmed the Struve place from 1949 to 1954. He came to Big Spring in 1956 and worked for the school district in the maintenance department and as a bus driver until he retired in 1970.

He is survived by his wife; two sons, Maurice Wright of Big Spring and Kenneth Wright of Odessa; three daughters, Letha Wayland of Big Spring, and Betty Carter and Billie Scaucier, both of Amarillo; two brothers, Ray Wright of Fort Worth and Howard Wright of Dublin, Texas; three sisters, Naomi Jones and Iona Graves, both of Fort Worth, and Ura Arrington of Rotan, Texas; 13 grandchildren and 17 great-grandchildren.

He was the grandfather of Mrs. Jeff Schaap of Abernathy.

Mrs. Leron Ledbetter

Mrs. Leron Ledbetter, 80, died in Gainesville Saturday, August 27. She was buried Tuesday in Gainesville.

She was a Methodist. Mrs. Ledbetter was a daughter of the late Mr. and Mrs. Paul Mitchell of the Lakeview Community. She and her late husband, Henry, lived in the Lakeview Community before moving to Gainesville.

Survivors include: two brothers, Kermit Mitchell of Lubbock and Preston Mitchell of Albuquerque, New Mexico; two daughters, Betty and Patsy; one sister, Pauline Mayo of Lubbock; and three sons, Doyle and Henry, Jr., both of Hale Center, and Carroll of Gainesville.

Taylor And Toler Receive Degrees

Belinda Taylor, daughter of Mr. and Mrs. James Taylor, graduated this summer from North Texas State University with a degree in early childhood.

Shana Toler, daughter of Mr. and Mrs. Hoppy Toler, graduated from Texas Tech University with a degree in Public Relations and Advertising.

County Line Chit Chats

by Fave Ann Nelson

Mr. and Mrs. K. O. Fitzpatrick of Quanah, spent the weekend with Mr. and Mrs. G. W. Nelson. Mrs. Fitzpatrick and Mrs. Nelson grew up in Quanah and are lifetime friends. After attending church at Shallowater Methodist, the group ate lunch in Lubbock.

Mrs. Sue Terrell returned home Tuesday after spending the week with Mr. and Mrs. G. W. Nelson. She came from Oklahoma City to attend the County Line reunion. The group went to see the show "Texas" in Canyon Monday night after the reunion and then Mrs. Terrell caught the 6:00 bus for home. She was happy that someone in County Line got the quilt she made for the reunion.

The Lubbock-Quanah reunion was held this weekend, August 28. This was my third reunion this year, and I am going to rest and relax after this one is over.

It is hard work. We over-booked the catering service for the County Line reunion and went in the hole \$500 on the food. We fixed for 350 and only 183 showed up to eat. Next time we will have tickets paid for in advance—if there is a next time. Everyone is so tired that no one wants another reunion. It will have to be planned and organized by someone else rather than us senior citizens.

We have also called off the "flea market" in October, since we decided that it was too close to the reunion, and everyone in County Line works in Lubbock, and we would not

have enough help.

We had 189 registered for the reunion at County Line the week of August 14, and we feel that not all the people that were there came by and registered. Many towns were represented. We sold 400 quilt tickets and 300 gun tickets, so we were disappointed in the number of tickets sold, but at least it paid for the articles, and it took the rest to pay for the catered food that we owed for.

Celebrating birthdays this month are Barbara Teakell (23), Wayland Nelson (22), Marsha Shafer (29), and yours truly (31). So happy birthday to all the August celebrants.

Attending the reunion at County Line August 14 were the following from Lubbock: Mark and Ida Tucker, Harry and Patty Moore, Brad and Darla McGuire Poyner, Carl and Mary Goldwater, Neff Preston, Jeff and Virginia Freeman, John and Ruth Vaughn, Joyce Embry Tapp, Bob and Eula Pierce, Ramon and Edith Horton Coleman, Mary and Hoyt Rice, Ira and Mildred Evans Hollingsworth, Arjorie Kirk Sanders, Vester and Bobbie Embry, and Juanita Franklin. From Petersburg: Ann, Sue Ann, Kent Kurklin, and Hazel Stanfield. From Cotton Center: Clarence and Opal Bourland and Frank and Sara Griffith. From Texarkana: Aubry Tucker. From Anton: Charles and Erlene Horne Couch, Pat Bynum, L. D. and Annie Woods, Tot and Alma Allen, Zollie and Leota Clark, Gladys and Jack Cox, and Ralph and Joe Bishop. From Plainview: Almaus and Edna Williamson, Earl

and Aleta Brown, Joy and Troy Nuller and Leo and Bud Halbert. From Oklahoma City came Sue Terrell. From Muleshoe: A. R. and Almeda McGuire, Donald and Jo Ann McGuire. From Levelland: Willie Ethel Myatt. From Grady, N.M.: Opal Powell. From Littlefield: Leo and Nancy Nelson White, Cary and Donna Squires, Maurice and Colleen Tow, Betty Flemmings, Oleta Winters and Don and Berta Squires. From Rule: John C. Cooper. From California: Frank and Jean Adams, Dorothy and Earl Eason, Pat Halbert, D. H. and Ella Mae Horton and Jim and Margie Squires White. From Albuquerque: Wendell and Carol Roberts, Wynell Ginbey, and Jack and Merle McLean. From Sudan: Tinie Pettit Williamson and D.W. Williamson. From Ralls: R. V. and Juanita Pratt and James and Olive Boydston. From Sunray: Mr. and Mrs. J. B. Snead. From Friona: Rene and Jinx Snead, W. A. and Emma Turner and Hunter Squires. From Denver City: Alan Rice. From County Line: Check and Frances Hudson, Ann and Chris Sims, Doyce and Carolyn and Gib Woods, Buddy and Mary Lynn Rice, Buford and Dortha Conn, Audrey McGuire, Mike and Molly Valdez, Olen and Faunice Horne, Marvin and Jeri Floyd, G. W. and Faye Ann Nelson, Pecos Shafer, Danny, Taryn, Mike, Robert and Jonathan Jackson, Noble and Coatna Rice, Derl and Frances McGuire, Dick Embry and Donald Blackmon. From Abernathy: Neff and Mickey Turner, G. W. and Mary Ruth Manley, Ted and Delwin Middleton, Fanny Mae Bruce, Paul and Olivette Harral, R. D. and Minnie V. Presley, Reed and Laval Lacy, Marvin and Thelma Stephens, Barbara Teakell, Ralph and Myrna Davis, Maunice and Ruper Allen. From Shallowater:

Elick Moore, Gale and Florence Ballard, Rachel Horne Hunter, Louise Shaw, Emaline Moore, Felma Williamson, and Edwin Merrell. From Tulia: G. W. Williamson. From Crosbyton: T. J. and Hallie Sullivan. From Smyer: Todd and Lois Brown. From Littlefield: Leo and Nancy Nelson White, Cary and Donna Squires, Maurice and Colleen Tow, Betty Flemmings, Oleta Winters and Don and Berta Squires. From Rule: John C. Cooper. From California: Frank and Jean Adams, Dorothy and Earl Eason, Pat Halbert, D. H. and Ella Mae Horton and Jim and Margie Squires White. From Albuquerque: Wendell and Carol Roberts, Wynell Ginbey, and Jack and Merle McLean. From Sudan: Tinie Pettit Williamson and D.W. Williamson. From Ralls: R. V. and Juanita Pratt and James and Olive Boydston. From Sunray: Mr. and Mrs. J. B. Snead. From Friona: Rene and Jinx Snead, W. A. and Emma Turner and Hunter Squires. From Denver City: Alan Rice. From County Line: Check and Frances Hudson, Ann and Chris Sims, Doyce and Carolyn and Gib Woods, Buddy and Mary Lynn Rice, Buford and Dortha Conn, Audrey McGuire, Mike and Molly Valdez, Olen and Faunice Horne, Marvin and Jeri Floyd, G. W. and Faye Ann Nelson, Pecos Shafer, Danny, Taryn, Mike, Robert and Jonathan Jackson, Noble and Coatna Rice, Derl and Frances McGuire, Dick Embry and Donald Blackmon. From Abernathy: Neff and Mickey Turner, G. W. and Mary Ruth Manley, Ted and Delwin Middleton, Fanny Mae Bruce, Paul and Olivette Harral, R. D. and Minnie V. Presley, Reed and Laval Lacy, Marvin and Thelma Stephens, Barbara Teakell, Ralph and Myrna Davis, Maunice and Ruper Allen. From Shallowater:

If I left any names off the list, it is because they did not register. We want to express our appreciation to all who helped in any way with the reunion...Those who registered—Jeri Floyd, Frances Hudson, Ann Sims, Oleta Winters, Leota Clark and Bobbie Embry; Leo White who made a wonderful M.C.; Marvin Stephens who played such beautiful music for us; thanks to Cliff Newton, who loaned us the microphone; and to our president who carried it out so beautifully...Audry McGuire. Thanks to Pecos Shafer who did the drawing for the gun, quilt and meal tickets. Audry McGuire won the prize for the bonnet contest and Wayland's name was drawn for the meal ticket drawing, for all who bought meal tickets and dropped them in the jar. The prizes for these two were \$5 gift certificates from Struve's Department Store.

Police Report Continues

[CONTINUED FROM PAGE 1] Mexican American adult male took a new tire and wheel from the back of Stefania Bastardo's pickup, parked at DeLeon's Welding Shop, according to police reports. The tire and wheel have been valued at \$100.

Theft

A theft occurred August 24 at 4:30 p.m., when a

Wrecks and Collisions

Only three local accidents were reported for August and July. July 25 at 8:07 p.m., Alma Benavidez collided with a 9-year old boy, Leroy Flores, who was riding a bicycle. The collision occurred on the 700 block of 6th street. Flores was examined by local EMT's Lavern Pope and Pete Knox, then released, according to police reports.

July 28, at 12:27 a.m., Randy Mayo, in his 1975 Ford pickup, ran into a parked car owned by Cece-lio Garcia at 1501 Avenue J. Damage exceeded \$250, according to the Abernathy Police Department.

Joe Barton, driving a 1983 Ford pickup, collided with Jan Hill in her 1981 Chevrolet, August 4 at 4:15 p.m. The accident occurred on the 1200 block of Avenue D. Damage exceeded \$250. There were no injuries from any of these collisions, according to police reports.

Pest Management Report

Cotton

Cotton bollworm egg laying increased during the past week as predicted. Bollworm activity has been variable. Fields in non corn growing areas have had lighter infestation while the corn growing areas have experienced heavier populations. Egg lays in the Cotton Center-Hale Center area have ranged from 0 to 24,000 per acre and larval counts have ranged from 0 to 7,500 per acre. Beneficials have helped to maintain many fields below economic threshold. Bollworm counts reported from the Edmonson area have been heavier. Egg counts have ranged from 1,000 to 95,000 per acre and averaged 30,500. Larval counts range from 5,000 to 157,000 per acre and average 42,000. Beneficials have been high, averaging 51,000 per acre, but have not been able to check the extensive egg lays.

Scouting for bollworms is very important during the next few weeks. Two methods have worked well in this area, the row foot method and the random plant method. To use the row foot method, a field should be divided into quadrants. In each quadrant, 6 1/2 feet of row should be examined for eggs, worms and key predators. The number per acre

on 40 inch rows may be calculated by multiplying the average number found on 6 1/2 row feet by 2,000. The problem with this method is that it does not take into account field variability.

The random plant method will solve some of these problems, since plants are sampled over the field. The field is again divided into quadrants and 10 randomly selected plants are inspected in each quarter. The number of eggs, worms and key predators can be divided by the number of plants sampled and multiplied by the plant population to give a number per acre. A problem with this method is that it tends to somewhat over estimate the population if dominate plants are selected.

The economic threshold for bollworms will vary because of such factors such as cotton price, pesticide and application cost, number of susceptible fruit range in size of larval population and beneficial anthropods present. The following chart was developed based on an assumption that a bollworm will damage 1 1/2 harvestable bolls and that 300 bolls will produce a pound of lint. As one moves later into the boll set period, it may take 350 to 450 bolls to produce a pound of lint. Also late in

the season, damage may not be as devastating, averaging only one boll per larvae.

Corn

Most fields are entering the dent stage, while a few are reaching full dent. Spider mites continue to be a concern. Heavy mite damage could reduce yields up to full dent. Fields with spider mite damage will be more susceptible to stalk rot and lodging.

Sorghum

Spider mites are increasing with webbing and dis-

coloration of leaves occurring in some fields.

Scout for headworms (corn earworms and fall armyworms) as seed begin to fill all the way through hard dough. When densities exceed an average of two small larvae per head in maturing sorghum, control measures should be implemented. For seed production fields, we use half that number for the threshold.

Sorghum midge continue to be found in blooming fields, but most remain below economic threshold.

Soybean

Beet armyworms were the main pest being found in soybeans this week. Defoliation has only been about 2 percent.

Corn earworms (pod-worms) should be scouted for during the next two weeks.

Hale County Raises Fee For Small Claims Court

Hale County commissioners have voted to raise the serving fee charge for small claims court.

Effective Aug. 29, the serving fee was increased from \$10 to \$15 and will be equal with the serving fee for civil court, as a result of the commissioners' action last Monday.

Justice of the Peace Glenn Stone made the request as a result of action taken by the Texas Legislature during the last full session. Texas lawmakers changed the jurisdiction and filing fee of civil and small claims court, but did not change the serving fees.

Stone said the serving fees needed to be equalized because almost all cases would be filed in small claims court if the fees were not the same. Precinct 4 commissioner James Belk offered the motion to raise the fee, and Precinct 3 commissioner Henry Rieff

seconded the motion.

All four commissioners voted in favor of the proposal. Precinct 2 commissioner Homer Roberson conducted the commissioners court business in the absence of vacationing Judge Bill Hollars.

WAREHOUSE FEES PROPOSED: USDA has proposed user fees to be paid by cotton warehouses, but the charges may not be levied this year if Congress approves the appropriations bill when it returns from its Labor Day recess. The bill contains \$355,000 for cotton warehouse inspection programs. Fees tentatively are scheduled to go into effect Oct. 1.

If charged, fees would be made up of three parts: (1) a base fee of \$200 which would be levied against every licensed cotton warehouse regardless of volume; (2) a volume-based assessment of three cents per bale for each bale handled during the preceding 12 months, and (3) an assessment based on the number of bales stored and the length of storage time.

Boys Ranch Rodeo

Approximately 10,000 people are expected at Cal Farley's Boys Ranch over the Labor Day weekend for the thirty-ninth annual Boys Ranch Rodeo.

Performances are scheduled for 2:30 each afternoon, Sunday and Monday, September 4 and 5, with area riding clubs participating in the Grand Entry. Nearly 250 of the Ranch's boys will be riding calves, steers, bulls and bareback broncs--all competing for belt buckles and for the honor of becoming the Junior and Senior All-Around Cowboys. It is a rodeo for all of the boys, and those who do not compete as contestants will be selling barbecue beef plates, soft drinks, or working at the many jobs necessary for a successful rodeo.

Among the spectators will be many of the Ranch graduates who are expected to return for a reunion. The rodeo is also a traditional homecoming for the approximately 4,000 boys who have called the Ranch home since 1939. Some will travel long distances to attend the rodeo and for a meeting of the Boys Ranch Alumni Association.

The Dutch once believed that if a stork built its nest on the roof of your house, it meant the best of luck.

Hale County Crops Tour Sept. 6

Tuesday, September 6, the Hale County Extension Service Feed Grain and Other Crops, Cotton, and Irrigation committees would like to invite farmers, businessmen, and anyone else from the general public interested, to attend the Hale County Crops Tour.

The Crops Tour will begin at 8:30 a.m. from Plainview Gin located 3 miles east of the intersection of farm road 400 and highway 70, on highway 70 (north side of road).

This year's tour includes stops at: a cotton strength and uniformity variety test, an evaluation of a surge irrigation set-up, an evaluation of grass being grazed and growing good in the bottom of a playa lake, a rhizome johnsongrass control demonstration, a soybean variety test (most varieties planted both single and double row), a grain sorghum variety test, and a short season cotton variety test.

Educational talks will be conducted at each of the stops by visiting guest speakers: Dr. James Supak, Dr. Dale Pennington, Dr. Kirby Huffman, and Dr. Robert Berry. All of these speakers are Extension specialists stationed at Lubbock and local guest speakers Jimmy Lewis with S.C.S. and Hale County Extension agents. All farmers and businessmen are encouraged to attend this highly informative tour.

TEXAS PRESS ASSOCIATION

Lopes Scrimmage Frenship

The Abernathy Antelopes scrimmaged Frenship last Friday night and the Lopes were the leaders in yards rushing and passing.

The Lopes rushed for 163 yards and passed for 125 to gain 288 yards total offense. Frenship rushed for 117 yards and passed for 106 to

gain 223 yards total offense, and one touchdown.

In the rushing department, Chester Cooper rushed 16 times for 63 yards, Billy Cooper 3 times for 16 yards, Danny McDaniel 6 times for 23 yards and Harold Miller 9 times for 17 yards.

In receptions, Sammy Galloway is quickly gaining a reputation as a highly capable receiver as he caught 3 passes for 91 yards, Randy Houston 1 for 16 yards, Chester Cooper 1 for 9 yards and Grady Arthur 1 for 9 yards. Brian Smith completed 4

of 13 passes for 58 yards and Jamie Mansanales 2 of 7 for 67 yards.

Booster Club Meets

The Booster Club met Monday night at the cafeteria and plans were made for the coming year. Everyone is invited to join

the Booster club. There will be a booth at the gates, at the first two home games, in order to sign-up new members.

The Booster Club will sell T-shirts with antelope insignias on them, at the school this Thursday and Friday, September 1 and 2. ALL students and boosters are urged to be sure to buy a shirt.

There will also be a victory line at the north gate, extending back toward the gym, before each home game. All fans (men, women and children), should come and join the Boosters in the victory line and support the Lopes.

"Tolerance is the only real test of civilization," Sir Arthur Helps

JV Scrimmages Slaton

The Abernathy JV scrimmaged Slaton Friday, August 19 here.

The junior varsity team gained 45 yards offensively. Gilbert Salinas rushed 11 times for 34 yards and Todd Johnson 7 times for 10 yards.

reception for 9 yards. Quarterback Jim Bob Carver completed 1 out of 4 passes for 9 yards. The JV did not make any touchdowns.

Slaton had 131 yards total offense and 1 touchdown, which came on a 3-yard run.

Events Held Last Week In Abernathy

Last week was a busy week full of events as Abernathy was making plans for the new school year.

BOOSTER CLUB ICE CREAM SUPPER

The busy week started with the Booster Club Ice Cream Supper held Monday evening at Antelope Field.

A large crowd attended and observed several cheerleader routines, the announcing of the coaches, freshmen, junior varsity and varsity football teams, followed by all kinds of homemade ice cream served at the concession stand.

Those who got spoons enjoyed the ice cream. Others, who did not get spoons, slurped theirs down with mouth and tongue. It was truly to be the messiest event of the week.

FIRE DEPARTMENT END OF SUMMER PICNIC

The second event of the week was held Tuesday evening with the Fire Department's end of summer picnic, an annual dinner for the firemen, their wives and special guests-members of the EMS, City employees and even the local press.

Approximately 125 people attended and enjoyed hot dogs, hamburgers, potato chips, cold drinks and ice cream. James Neve cooked the meat for the picnic and other firemen pitched in by preparing the other food.

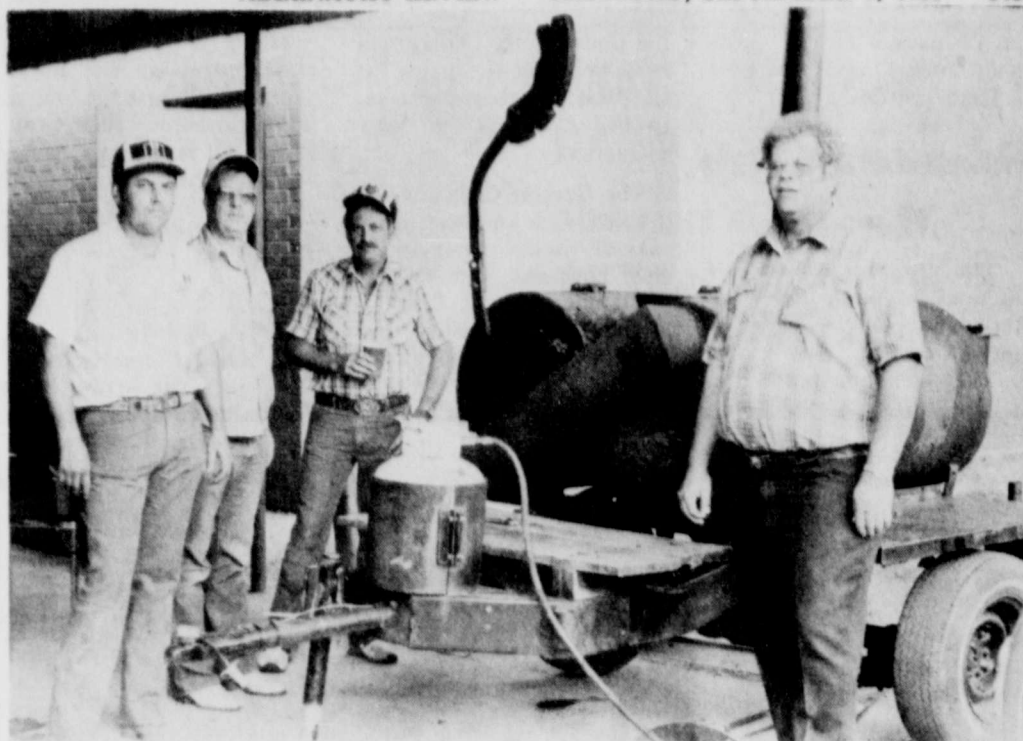

CLASSROOM TEACHERS ASSOCIATION LUNCHEON

The Abernathy Classroom Teachers Association had a luncheon and meeting Wednesday at noon with a large crowd in attendance.

Everyone in attendance enjoyed a covered dish lunch. The business meeting was held after lunch. The new officers were announced and asked to stand. Then the Classroom Teachers approved a motion to start giving two scholarships each year, rather than one, if there are enough funds available in the account at the time to do so. The scholarship is awarded to a college sophomore each year.

President Sharon Kester announced the classroom teachers have a membership drive to get more teachers to join this professional organization and that members become active in state and national teacher legislation decisions.

The group also decided to sponsor a Classroom Teachers back-to-school bash September 20. This was held last year and gave teachers, administrators and all other school employees an opportunity to meet each other and play games.

THE ABERNATHY FIRE DEPARTMENT sponsored an end of the summer picnic last Tuesday for their wives, the EMS, police department, city employees, and the local press. Pictured are some of the firemen, who helped prepare and cook the hamburgers and hot dogs. (Review Photo)

LUNCH TIME at the Classroom Teachers Association luncheon held last Wednesday at the school cafeteria. Pictured are members of the association filling their plates at the covered dish luncheon. A business meeting followed. (Review Photo)

Lions Rely On Defense While Offense Matures

First-year New Deal head coach Jimmy Noland believes that for the Lions to be successful this fall, the defense has to provide an early lift while his offense takes time to mature.

"Traditionally, New Deal always has a tough defense," Noland said. "And that is because of two reasons. First, these kids know that tradition doesn't block or tackle, so they work hard on defense. Second, we stress for these kids to always pursue the football."

Only three starters return on defense for the Lions this year, but Noland hopes to build the rest of his forces around that trio.

Bryan Abercrombie, a

6-1, 180-pound defensive end and guard, anchors the line. Steve Jerden, a 6-2, 175-pound junior, adds strength at linebacker. And Henry Ramirez, a 5-7, 155-pound senior, is the leader in the secondary.

After those three, Noland believes his younger players and inexperienced older players will be able to fit in.

The scene is even more drastic on offense as only two starters return from last year's 9-2-1 playoff club.

Ramirez will be the tailback in Noland's I formation, while 5-10, 170-pound senior Donnie Bradley is the fullback.

Noland plans to use Tommy Heald, a 5-11, 165-pound senior, at quarterback. Heald is different from New Deal's quarterback last year, Craig Harrington, and Noland said New Deal's attack would vary accordingly.

"We're going to try and open things up a little more," Noland said. "It will be more of a pro type offense this year. We'll split our backs and try to spread the defense out."

A number of question marks dot the offensive front for the Lions. Noland hopes that Kevin Gilliland, a

6-1, 175 pounder, can help out at one tackle while Ernie Flores, a 5-10, 165-pound senior, may get the other tackle spot.

At guard, Nathan Bradley, a 5-10, 165-pound junior, should get the start. Returning starter Bryan Abercrombie, a 6-1, 180-pound junior, will start at the other guard.

John Hall, a 5-11, 160-pound junior, is expected to start at center. Hall, who can also play defensive end, has little varsity playing time.

"We plan on building our attack around our returning starters," Noland said. "We've worked on it quite a bit. We've changed sets, but not our philosophy, and the kids have adapted very well."

"We have improved a great deal since beginning to work out. But we're awful young. Even with the few starters back, the defense looks tough. But the offense is coming along slow."

As for receivers, the Lions will look to Tommy Abercrombie at tight end as one primary target. The flanker is John Jackson, a 5-10, 150-pound junior who doubles as a free safety.

Rogelio Ledesma

Mass for Rogelio Ledesma, 52, of Edinburg was at 10 a.m. August 18 at St. Joseph Catholic church in Edinburg.

Burial was in Edinburg Cemetery under the direction of Cebellos Diaz Funeral Home.

He died at 1:10 p.m. August 15 in Edinburg after a sudden illness. He lived in Lubbock for 28 years.

Survivors include his wife, Maria; five sons, Richard of Ralls, Hector and Ramiro, both of Lubbock.

BOOSTER CLUB 'Meet The Lopes' Ice Cream Supper was held last Monday, August 22 at Antelope Field. Pictured are football players as they were announced. (Review Photo)

From The Postmaster's Desk

By Postmaster Ken Moreland

PUT THOSE POSTAGE STAMP IDEAS IN WRITING

Did you ever wonder how subjects are selected for those tiny, colorful U. S. postage stamps--those miniature art pieces which adorn letters of all types and sizes?

All it usually takes to get the ball rolling is a letter. Yes, it's a letter that provides the communication link between the suggester and the Postmaster General who has the authority by law to issue stamps.

There are no mandatory forms to submit or any prescribed format to follow when proposing a stamp subject. Just a plain letter setting forth the proposal in some detail will do.

For example, living persons cannot appear as subjects on U. S. postage stamps. In order to be honored on a commemorative, a person must be dead for 10 years or longer. However, an exception to this rule is a memorial stamp which can be issued in honor of a recently deceased U. S. President.

Only themes and events of widespread national appeal and significance are chosen as subjects. Additionally, stamps are not issued to honor fraternal, political, sectarian or service organizations. Stamps do not endorse commercial enterprises or advertise specific products.

Each year, literally thousands of stamp proposals

are submitted to the U. S. Postal Service. All suggestions are routed to the Citizens' Stamp Advisory Committee.

This body is currently comprised of 17 individuals selected by the Postmaster General to review and narrow down the many proposals received. The committee meets at least six times a year and recommends between 15 and 20 stamp subjects annually to the Postmaster General.

The committee's job is no easy task since each suggestion submitted--no matter how unusual--must be fully considered.

Since the group was formed in the late 1960's, quite a few imaginative ideas have been proposed. And, a few of the ones not recommended have actually "raised the devil."

Several years ago it was suggested that the devil be honored on a U. S. stamp. Proponents of the subject even suggested Hell, Michigan, 48169, as the ideal place of issuance.

It also has been suggested that the "Ten Most Wanted" individuals in the U.S.A. be pictured on an issue. Those persons in favor of such an idea felt there could be no better way to alert the general public.

Children often write in with stamp ideas. Students in one school once suggested that the cat which came to study with them each day should be depicted on a commemorative.

Other imaginative ideas which have been considered, but not recommended as stamp subjects, include the one to issue a commemorative honoring "Whooda Tom", described as the world's champion hog caller.

Another person came up with a creative twist--an issue honoring the pretzel industry. To add a different taste, it was suggested that the beer-flavored glue be used on the reverse side of the stamp.

Persons with stamp ideas should keep in mind that the selection and production process is rather lengthy,

generally taking anywhere from two to three years.

After a subject is approved by the Postmaster General, production begins. An artist must be chosen to design the stamp. Next comes selecting the appropriate time and place of issue. The printing run for a commemorative is about 165 million stamps.

With those thoughts in mind, now may be the perfect time to submit YOUR idea for a new stamp. Stamp proposals should be addressed to: Citizens' Stamp Advisory Committee, U. S. Postal Service, Washington, D. C., 20260.

Dear Editor:

Since Abernathy is an integral part of Hale County and Hale County is in the greatest rural growth area in the United States, I find it worthy to express ideas that can make Abernathy blossom forth and grow.

To me, growth in Hale County is academic, it is not a question of will it grow, but where?

Since Interstate 27 has been completed through Abernathy, there is new opportunity for growth from the increased traffic on I-27. However, the greatest strength for growth is in the merchants and businessmen of Abernathy.

We have 3 major problems that affect us economically, now. Since Reaganomics is working and inflation has been brought under control, that is no longer a critical issue. Our problems are: (1) unemployment, (2) high taxes to

support those on unemployment and welfare, and (3) a depressed business and farm economy.

Well, the businessmen of Abernathy hold the key to bringing a solution to these three problems.

If one half of all businessmen in Abernathy would adopt this method, our business economy could be bolstered as much as one million dollars a year.

Interesting, isn't it. Read on...Our economy has been at a low ebb, and is now beginning to have a healthy upswing. Each town will have an upswing, according to the measures that are taken to increase the upswing in business.

Now for a solution to help Abernathy and its business community reap maximum benefits quicker from this upswing. Start with unemployment. If every merchant in Abernathy would hire one person part time, then advertise, promote, and

market their products and services, this part-time employee could become a full-time employee and another part-time employee could be hired.

This produces side effects. As more part-time employees are hired, and more part-time employees become full-time employees, we see a drop in unemployment, welfare and related taxes.

This, however, is not the biggest benefit. The benefit comes as more people become gainfully employed. They have more discretionary, disposable income to buy consumer goods and services. As discretionary income increases, also business volume will increase. As business volume increases, the need for more employees increases.

It is time for us to get rid of our depression mentality and get to work on the future growth of our businesses. As far as qualified

Letters To The Editor

employees are concerned, the cream of the crop will be taken up by the alert, more aggressive businessman, and then there will be more jobs open than there are people to fill them.

Wages will increase for those who are more qualified and more productive, and they can enjoy a better quality of consumer goods.

Merchants can stay open one hour later at night or stay open all day Saturday to enhance their opportunities to increase business sales volume. This is another way we can utilize part-time employees.

Also in relationship to business growth, a town and a business can dress for

success just as well as an individual can. Paint, trim, wash windows, repair glass, paint new signs or replace worn signs, paint curbs and crosswalks, and generally give an impression that the town is alive and well, and that its business community is successful and growing.

As the merchants of Abernathy present an attitude of success and prosperity and unemployment is lowered, then outside enterprises will seek to locate in Abernathy.

Hale County can grow 50 percent in population by the year 1990, or we can increase our business volume by 50 percent by the year 1990, or we can sit on

our seats and do nothing but groan and grumble and dry up and blow away.

As far as Hale County growth is concerned and individual enterprises, the early bird gets the worm. The first to hire additional help and promote his or her business and grow will gain maximum results from the effort.

Any town can do anything it believes it can, and can develop an attitude of success that will draw attention from around the world.

Dear Editor:

Many of us in the legislature are aware of the excessive burden caused by ever increasing local property taxes and are attempting to provide relief to residential homeowners through

reform legislation. We have proposed a significant relief measure called Proposition Zero.

Unlike other proposals to enhance education funding, Proposition Zero seeks to greatly reduce the school tax burden on homeowners and generate millions of additional dollars for Texas school children.

Specifically, our proposal will exempt personal automobiles and the first \$100,000 of value of residences from school operation and maintenance taxes, and replace the revenue with a one cent state sales tax.

Recognizing the local tax base funding problems, other states, such as Missouri,

Vermont and Nevada, have provided significant relief to their homeowners through the sales tax.

Proposition Zero will be introduced in the next Texas legislative session. We are currently refining the proposal and quantifying the effects that Proposition Zero will have on specific school districts to ensure equity to every district and its taxpayers.

We invite all citizens to write or call our legislative offices with their comments and inquiries on Proposition Zero.

HOUSE GIVEN NEW LOOK...This is one of the House Clinic's latest trim covered jobs on a brick home. All of the wood on this home is covered with Revere products. Standing in front of the home is Bart Kelley, marketing manager for the House Clinic in Lubbock.

House Clinic Makes Homes Look New

House Clinic of Lubbock, 1922 Avenue E, has been serving West Texas and Eastern New Mexico for 23 years. The House Clinic has made thousands of homes energy efficient and look brand new in West Texas and Eastern New Mexico.

Bart Kelley, marketing manager, stated that his company makes homes look new as they cover the deteriorating wood of homes with Revere steel products. They install Revere super gard steel siding on gable areas, Revere's Soffit and Fascia system on overhangs, and Revere's steel coil is available for all windows and door facings.

Local Teachers Attend State Inservice Conference

Jan Montgomery, junior and senior high CVAE teacher, and Marilyn Stone, senior high home economics teacher, participated in a four-day State Inservice Conference for the professional development of vocational home economics teachers. The conference, held in Houston August 8-11, was arranged and planned by the Vocational Home Economics Division of the Texas Education Agency.

Twenty special interest sessions offered a diversity of subjects to expand the teaching skills of the 2,800 vocational home economists in attendance. National business authorities and educators presented sessions on strategies for computer instruction, curriculum development, entrepreneurship, tomorrow's homeowner, consumer education, education for parenthood, industrial sewing, the aging

family in contemporary society, and other timely topics. Mrs. Montgomery served as a presenter in the session "Textiles."

Special emphasis was given on ways to integrate the new knowledge and instructional techniques into the classroom and on the training and motivation of

students with special needs. Mrs. Stone and Mrs. Montgomery, active members of the Vocational Homemaking Teachers Association of Texas, also participated in that organization's twentieth anniversary meeting during the week. VHTAT is the professional organization for vocational home economics teachers. VHTAT performs a variety of services for the teachers, including assisting them with professional development and in matters of public affairs.

Driving Caution Urged As Kids Return

The summer vacation will soon be over and youngsters will be starting back to school, many for the first time. Last year in Texas, pedestrian fatalities accounted for 732 traffic deaths, according to Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety. He said, "Motorists need to slow down as they drive through school zones and in and around school areas."

He added, "Those big yellow buses will also be back on our streets and highways, and Texas law requires the driver of a vehicle meeting or overtaking a school bus displaying red flashing warning lights, that is in the process of loading or unloading passengers, to stop until the school bus starts moving, the red lights are no longer flashing, or the bus driver directs motorist to proceed."

School Menu

September 1-9 BREAKFAST MENU

Thursday: Pineapple juice, Oatmeal, Milk.
Friday: Fruit juice, Waffles with syrup, Milk.
Monday: Labor Day
Tuesday: Applesauce, Cinnamon rolls, Milk.
Wednesday: Fruit juice, Little smokies sausage, Toast, Milk.
