

School Board Acts On Several Business Items At Meetings

The Abernathy School Board met Monday night to discuss the tax roll as well as act on several other important business items.

The most important topic of the meeting was the tax report. The total assessed tax roll for the Abernathy I.S.D. is \$342,909,113, according to the Hale County Appraisal District. The 1983 tax receivables based on the tax roll will be \$2,110,752.

Other business which took action was to nominate a Hale Appraisal District Director from this area. The board again nominated Billie Harrison, who just completed his three year term as a director on the appraisal district board.

The board moved to increase legal liability insurance coverage from \$1 million to \$5 million. The liability coverage is a three year policy and will

cost the school approximately \$1,000 more for the extra coverage.

The board also decided to allow Superintendent Gid Adkisson to take bids for boiler and floater insurance coverage. Floater insurance includes band instruments and uniforms.

Annuity-Beneficial Standard Life Insurance Company will be working with the Abernathy I.S.D. offering insurance to teachers who wish to have their premium automatically deducted from their salary, as approved by the board.

The board allowed Melody Edwards, a 4th grade student from New Deal, to transfer into the Abernathy I.S.D.

The board then discussed the possible addition of two classrooms to the School Power Mechanics Building. Each classroom would be 30 by 40 ft. and the building would be extended to the west. No action was taken on this subject.

It is required that board members review school personnel evaluation procedures from time to time. Therefore, the board went over the procedures.

The enrollment report revealed that Abernathy enrollment is exactly where it was last year at this time with 987 students enrolled.

September 12 Meeting

The Abernathy School Board held a previous meeting September 12.

At this meeting the band was

allowed to have their annual magazine sales fund raising campaign to raise money for a trip later on this year.

The 1983-84 school calendar was amended and January 2 was changed to a school personnel inservice day. To offset this school day being taken away, November 28 previously an inservice day, has been changed to a school day.

The board renewed the school liability and workmen's compensation insurance policies.

The board decided to purchase a used bus, to accommodate handicapped students, to be used for the HONDA program. The school gets \$60 thousand each year for this program and sets aside 25 percent in a special fund. The funds set aside will be used to purchase a used bus to be used to transport handicapped students to schools within this HONDA Coop area. It is estimated that the bus will cost approximately \$2,000.

Sherry Sancibrian, Speech Pathologist for Abernathy I.S.D. for six years, was present at the meeting to give a demonstration of a Tympanometer. This machine detects hearing problems students might have by telling the operator the flexibility of the eardrum.

After executive session, Lelloine Waits was employed to teach part time at Junior High School. Lizette Hasteley was employed in the HONDA program at Hale Center and Cherie Carnes the HONDA program at Olton.

TRUCK ON FIRE Monday morning just north of the I-27 overpass on the north end of Abernathy. Members of the Abernathy Fire Department rushed to the scene to extinguish the fire. (Review Photo)

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 47 THURSDAY, OCTOBER 6, 1983 (SERVING HALE, LUBBOCK COUNTIES) U.S.P.S. NO. 003-340

Thefts, Dog Bites And Offenses Head Sept. Police Report

The September police report revealed that the Abernathy Police Department has been extremely busy as there have been a lot of minor wrecks, thefts and arrests in the city lately.

Abernathy Police officers issued 27 citations in September, made 16 arrests, handled 6 wrecks, and 9 offenses.

Arrests

Of the 16 arrests made in September, 5 were for public intoxication, DWI, 1 traffic offense, 1 for fleeing, 1 for shoplifting, 1 for resisting arrest, 3 for disorderly conduct, 2 for criminal trespassing and 1 run away arrest.

None of the arrests made were felonies.

One of the arrests involved a run away from the Lubbock State School. He was picked up by Abernathy Police officers and returned to the school.

The shoplifting arrest was made on a 17 year old Mexican American male. He was caught taking some lunch meat out of Piggly Wiggly 9-6-83 at 11:45 a.m.

Offenses

Under offenses for September, police officers responded to 3 burglaries, 2 dog bite incidents, and 4 thefts.

A burglary occurred at S and H Welding 9-19-83. The burglary was solved when an 11 year old white male was found to have taken the items from S and H.

September 21, Ben Wallace of Lubbock, reported that burglars had entered two apartments he is responsible for on the 800 block of 16th street. The burglars entered through an unlocked window and took an electric welder, cutting torch-hose and regulator, belt sander, 1 horse power router, paint sprayer, circular saw and \$50 worth of other small tools. All of these tools had been marked with orange paint. Three windows were also broken during the burglary.

In a third burglary, Kathy Ramey of 411 14th street, reported on 9-8-83 that the clothes she had hanging on a clothes line in her back yard were stolen, along with some clothes which were in her house. Police officers later found some of her clothes near her home lying on the ground. The rest have not been recovered.

Thefts

Several thefts occurred during the month. An oxygen gauge and acetylene gauge were taken from a pickup. They were owned by Wolf Irrigation, but were taken out of the pickup while parked at 1401 Jerome Street 9-25-83.

Mrs. Henry Harrell reported 9-3-83 that a wheel cover had been taken off of her car while parked at 711 14th Street.

Mrs. Carl Irbeck reported that two bicycles were taken from her front yard 9-9-83. One is an Evil Kneivel bicycle and the other a Murray Boy dirt bicycle.

Samantha Crunelle of Dumas, stated that on the 9-9-83 her 1972 Chrysler New Yorker was stolen. The car was found the next day in Lubbock and returned. It was taken from her residence by a 17 year old Mexican American male, according to an Abernathy Police Officer.

Dog Bites

September 5 Cindy Soto reported that she had been attacked and bitten by a red dog on her lower leg. The incident occurred on 4th Street at 3:23 p.m. and she suffered minor injury.

Harlow Neis received a more severe dog bite on the 1500 block of Avenue E. He was bit on the left calf by a Saint Bernard and received a minor injury.

Wrecks

There were six fender benders in September.

The information in this report was compiled from reports made by officers of the Abernathy Police Department. They made these reports during the month of September, 1983.

Coming Events

October 6 - Chamber of Commerce meets at 7 a.m. in the small city hall meeting room.

October 7 - Abernathy Antelopes take on Muleshoe here at 7:30 p.m. in their district opener.

October 8 - 4-H Food and nutrition workshop from 11:30 a.m. to 3:30 p.m. at the Hale County Ag Center.

October 10 - Booster Club meets at 7 p.m. in the Gold Auditorium. City Council meets at 7:30 p.m. in the small city hall meeting room.

October 11 - Lions Club meets at 12 noon in the small city hall meeting room. Library Fall Fashion Show at 8 p.m. at the Community Center.

October 12 - Senator Bill Sarpalius' mobile office will be in front of Abernathy First State Bank from 3 to 4 p.m. for those who have questions or need assistance from the senator.

Roping Contest

The Abernathy Chamber of Commerce will sponsor a roping contest Saturday, October 8 at 7 p.m. at the New Deal Rodeo Arena. J.C. Danford will be directing the event. Entry fee is 3 for \$16.

All area ropers and interested spectators are encouraged to attend. Proceeds will go toward the Chamber's Diamond Jubilee project.

Lopes Face Mules In District Opener

The Abernathy Antelopes will battle it out with the Muleshoe Mules here Friday night at 7:30 p.m. in the district opener for both teams.

This game will be the biggest test for the Lopes, coming off a 20-34 loss to the Lockney Longhorns. But the Lopes have displayed a great deal of talent this year with 3 victories and a very close game with one of the best teams in this area, Hale Center. The Lopes go into the game with a winning 3-2 record and ranked 81st in the state by the Harris Poll.

Muleshoe is staying in the winning column as well. They sport a 3-1-1 record. The games they have played this year and the scores are as follows: Muleshoe defeated Portales, New Mexico 33-14, Levelland 14-7, Floydada 48-14, tied with Idalou 0-0, and lost to top ranked Morton 6-21.

The Mules are big and quick this year. Quarterback Jeff Hamilton 5-10, 160 lbs. can throw and scramble effectively. He will be trying to connect with wide receiver Darrin Shaw 5-11, 145 lbs.

Handling the ball on the ground will be Trent Hysinger, a big strong wing back, and Mark Moton 5-11, 155 lbs.

The Mules get their strength from 6-5, 200 lb. center Cheyenne Bickel, 190 lb. defensive end John Isaacs, 185 lb. defensive tackle Thurman Coleman and the McCarty brothers-Greg a 180 lb. defensive tackle, Jeff a 185 lb. linebacker. The Mules also have two other linemen weighing 195 lbs. each.

The Mules also have an excellent kicker, Ray Vinson, who can boot the ball a good distance.

The Mules have been picked by 6 points over the Lopes by the Harris Poll.

All Abernathy fans are urged to be at this district opener and show their support for the Lopes.

Public Notice

FOR THOSE WHO HAVE NOT HEARD, Steve Miles, owner of Miles Insurance Agency, has left town and his whereabouts are uncertain at this time. It is advisable that those who were recently insured by Miles should check the status of their insurance policy.

ON THE COUNTY LINE

BY KEITH TOOLEY

THERE MAY NOT BE many Tech fans in Abernathy, but as a graduate of this fine institution, I feel compelled to pat Tech on the back for defeating A and M.

When Tech lost to Air Force in the season opener two weeks ago, it looked like a typical Tech season. But when Tech beats Baylor and Texas A and M back to back, something is different.

This week Tech will play New Mexico in Lubbock at Jones Stadium. Tech lost to New Mexico 0-14 last year. Tech has defeated the Lobos 14-1 in previous Jones Stadium encounters. Therefore we will pick Tech by 14.

Dallas has been getting by each week by the skin of their teeth. This week they should defeat Tampa Bay by 21 points.

And on the local scene, the Antelopes are going to get back on the winning track with a 21-14 defeat victory over Muleshoe.

We once asked Henry to check out a county agency we didn't know much about. Henry came back the next month with a full report, after having investigated this federally funded agency.

If you have complaints about how the federal government spends your tax dollars, don't just keep complaining, do something about it. Tell Sarpalius about it. We believe that he cares about the problems we face in this area and will do something about them.

BE SURE AND GET A BOOTH for the Octoberfest Celebration coming up October 31. Last week we stated that the booths could be rented. The booths do not have to be rented, just call Rhett Riley and tell her to reserve you or your club one. The booths are free and all organizations should plan to participate in Octoberfest this year.

CATTLE RUSTLERS IN CROSBY COUNTY?...Sounds like the folks there have been watching too many old Roy Rogers movies. But according to a recent article in the Crosbyton Review, there have been three incidents of livestock thefts within two weeks.

Beef is very expensive and we can see how cattle rustling would pay off, that is until getting caught. If the rustling keeps up, ranchers in Crosby County may have to call on ole Roy. We saw him put a lot of rustlers behind bars every Saturday morning, when his movies used to be aired.

Stacey Kelley Crowned 1983 Homecoming Queen

Stacey Kelley, a senior and daughter of Mr. and Mrs. Carl Kelley, was selected the 1983 Homecoming Queen during halftime activities of the Abernathy-Lockney football game here Friday night.

Stacey has been active in FCA, as class officer, a student council representative, a Homecoming Duchess her junior year, and in varsity basketball, track and cross country while attending AHS.

She was crowned queen by her

escort Scot Wesley.

Other Homecoming Activities

Several contests were held at AHS during Homecoming week.

In the float contest, individual division, Tracy Murray placed first and Keith Lester second. In the Club division, first place went to the Science Club and second place to the Future Teachers of America.

As for the hall decorating contest,

the Juniors won first place, followed by the Seniors in second place. Freshmen third and Sophomores fourth.

The Junior Class also won the spirit chain contest by selling 1,128 links at 5 cents each, which equals \$56.40, the Freshman Class came in second.

PRESENTING THE GOODS to the 1983 Homecoming Queen Stacey Kelley were Michael Murray with football and bouquet, Mandy Ratcliff with the crown. (Review Photo)

honoring them October 16 in the home of Randy Peoples. The hosts will be their children, Mr. and Mrs. Verbal Peeples and Mr. and Mrs. Donald Robison. The Robisons have 8 grandchildren and 16 great-grandchildren.

Nichols To Celebrate 50th Anniversary

In celebration of their 50th wedding anniversary, Mr. and Mrs. Brent Nichols of Lubbock, will be honored with a reception Sunday, October 9, from 3 until 5 p.m. in Sunset Church of Christ.

Hosting the reception will be the couple's children, Mrs. Esther Young of

Plano, Mrs. Janis Myatt of Abernathy, and Jerry Nichols of Lubbock.

Nichols, and the former Carrie Hill, were married October 8, 1933 in Guthrie, Texas. They are former residents of Abernathy. They have 9 grandchildren and 2 great-grandchildren.

Mr. and Mrs. Brent Nichols

TAKING LARGE DOSES of vitamin B-6 can increase your body's need for the vitamin or even poison your nervous system, says nutri-

tionist Marilyn Haggard. The USDA's recommended daily intake for vitamin B-6 is 2 to 4 milligrams, but some people are taking 50 to 500 "mega-doses" of the vitamin, explains Haggard, a specialist with the Texas A&M University System's Agricultural Extension Service. "Nutritionists have known for some time that vitamin B-6 is toxic at 200 milligrams per day," Haggard says, "and a study published this month in the New England Journal of Medicine shows that it can poison the nervous system, causing numbness and loss of coordination in arms and legs." There's little danger that anyone eating a normal diet would become deficient in vitamin B-6, since it is found in liver, meat, whole grain cereals, and many vegetables. People should seek the advice of a physician rather than prescribing B-6 for themselves, cautions the specialist.

The mute swan is so-called because it is said never to use its voice in captivity.

The bride-elect attended Lubbock High School. The prospective bridegroom attended Abernathy High School. They are both employed by Texas Tech University.

Leal-Duran Wedding Vows To Be Exchanged Friday

The couple will wed October 7 at 4 p.m. at St. Joseph's Church.

Friends and relatives are invited to attend the wedding.

Lakeview Locals

By Mrs. Norman Matthews

Featured speaker at Lakeview Methodist Church last Wednesday night, September 28 was Glenn Pool of Petersburg.

Mr. and Mrs. Barnwell spent Sunday in Seminole with his two sisters and family, Mr. and Mrs. J.K. Prince and Mr. and Mrs. J.R. Johnson.

Mr. and Mrs. Gene Collins spent the weekend in Abilene with his mother, Mrs. Eleanor Collins and his brother and Family, Mr. and Mrs. Boyce Lynn Collins.

Mr. and Mrs. J.D. Adams returned home Saturday after spending 10 days fishing at Lake Amistead.

Dee Garner of Idalou, visited with Mrs. Norman Matthews Saturday.

Mr. and Mrs. J.C. Montgomery visited Friday in Littlefield with his sister, Lillie Montgomery, who is in the hospital there. They also visited her sister, Mrs. Clara Desmond in the Hale Center Nursing Home.

Marion Brewster of Littlefield, visited Monday with the Montgomerys.

Historical Articles-Pictures Needed

The committee preparing the souvenir booklet for the 75th celebration is collecting history of the many little settlements around Abernathy.

They need stories, events and pictures. Please help! Send to Gale Davis Route 2, Box 160, Abernathy, or call 298-2169.

One ladybug can eat up to forty or fifty aphids a day.

TRIP CONTINUES

April 26...We left promptly at 8:30 to go to the new Jerusalem Great Synagogue by 9, where we had the honor of hearing Dr. Maurice Jaffe, Chairman, tell us about the Synagogue, which was dedicated last year to the memory of 6 million Jewish martyrs of the Holocaust. It is a gorgeous building with many American donors.

The group which was going on to Jordan and Petra left immediately and the rest of us took taxis back to the hotel where we took the hotel bus to the

Jaffe Gate, which is an alley-like place of street vendors and shops, blocks long.

Went to bed early, but had to have our luggage outside of the door at midnight. We were called at 3, and after a continental breakfast, left at 4 for the airport at Tel Aviv. We hadn't slept a bit and took off at 7:20 a.m.

April 27...We had to change planes in Paris and arrived in New York at 3:10 p.m., but of course there is at least 7 hours difference in time change. TWA serves such large meals.

Nazarene Church To Celebrate 75th

Members of the First Church of the Nazarene will be celebrating the 75th anniversary of the Church of the Nazarene the four Sundays of October.

The Church of the Nazarene was a merger of several smaller groups. The Church of the Nazarene of Los Angeles, California and the Association of Pentecostal Church of America, joined together in 1907 in Chicago. They were called the Church of the Nazarene.

Two other groups in Texas had joined together in

1905. The Independent Holiness Church and the New Testament Church of Christ merged that year with the name of Holiness Church of Christ. October 13, 1908 at Pilot Point, Texas the Holiness Church of Christ and the Church of the Nazarene joined together and chose the name of Church of the Nazarene. A large tent was used for the meeting place.

That was 75 years ago. October 13, Nazarenes from all over the world will gather at Pilot Point and

celebrate that event. A large tent will be erected for the event. Over ten thousand are expected for the event.

Locally the Nazarenes will have four Sundays of celebration: Oct. 9 will be Heritage Sunday. The people will dress in garb like that worn in 1908 and will have an old-fashioned service.

Oct. 16 will be the Anniversary Sunday with dinner on the grounds and a large birthday cake served.

Oct. 23 will be Founders Day. The church is extending all individuals who ever attended the Nazarene Church to attend.

Oct. 30 is Miracle Sunday with the Bible Club presenting the musical "Miracle After Miracle".

The people and pastor of First Church of the Nazarene invite the public to attend these services. It should be an enjoyable time to celebrate the Heritage of the Church of the Nazarene.

ABERNATHY NAZARENE CHURCH will be celebrating the 75th anniversary of the founding of the First Church of the Nazarene. The local Nazarene Church has scheduled special events for the entire month of October. (Review Photo)

Births

James and Judy Shannon are the proud parents of a baby boy, Jared Wayne, born September 16. He weighed 7 lbs., 6 ozs. and was 21 inches long at birth.

Grandparents are Dorothy and Raymond Shannon of Tulia and Tom and Frankie Carlisle of Amarillo.

Kellie Rene weighed 5 lbs. and 2 ozs. Chrissa Leigh weighed 4 lbs. and 14 ozs. They were born in Austin.

Grandparents are Gean and Nita Nunn of Abernathy and John and Kay Loucks of Richardson.

David and Judy Loper of San Angelo are the proud parents of a baby boy, Erich Anthony, born September 26. He weighed 8 lbs. and was 21 inches long at birth.

Grandparents are Mayo and Tijuana Loper of Abernathy and Christie Swofford of Blackfoot, Idaho.

Mr. and Mrs. Sergio A. Salcedo are the proud parents of a baby daughter, Evelyn Maribel Salcedo. She was born September 27 at Hi-Plains Hospital in Hale Center. She weighed 6 pounds and was 20 inches long at birth.

Evelyn was welcomed home by her brother Sergio Maurisio.

Dan and Sandra Nunn are the proud parents of twin girls born September 30.

"Feel the dignity of a child. Do not feel superior to him, for you are not."

THOSE TO REMEMBER

Nelda Tullis entered Methodist Hospital Monday. Eva Morgan was taken to Methodist Hospital Saturday. She had a stroke and is in ICU.

Mr. Motheral is in Methodist Hospital with a broken hip.

Myrtle Foster, Shirley Oswald Fosters, mother-in-law, suffered a stroke and is in St. Mary's Hospital.

Pam Hughes is home from the hospital.

Laughing is great exercise for the diaphragm.

Transition

Francisco Segura

Rosary for Francisco Segura, 81, of 114 Cherry St., was said at 7 p.m. Monday at Our Lady of Grace Catholic Church. Mass was said at 2 p.m. Tuesday.

Arrangements were by Singleton Funeral Home.

He died Friday at Parkway Manor after an illness. A native of San Antonio, he was preceded in death by his wife.

Survivors include six daughters, Francis Vasquez of Idalou, Esperanza Velasquez of Manor, Delores Herrera of Lometas, Marcelina Rodela of Austin, Guadalupe Reyes of Shallowater, and Jamie Rosales of Hale Center; five sons, Vinnie of Smyer, Joe of Abernathy, Freddie of Cotton Center, Frank Jr. of Wolforth, and Richard of Hale Center; a brother, Concepcion of Manor; 44 grandchildren; and 29 great-grandchildren.

Lloyd Shoemaker

Services for Lloyd Shoemaker III, 61, of Hobbs, New Mexico were at 2 p.m. Tuesday in O'Donnell First United Methodist with Rev. Dick Clemmer of Hobbs officiating.

Burial was in O'Donnell Cemetery under direction of Branon Funeral Home of Lamesa.

He died at 8:20 a.m. Saturday in Big Spring Veterans Administration Hospital after a lengthy illness.

The Stonewall County native served with the Marines in the South Pacific during World War II, attending Texas Tech upon discharge. He began work at the O'Donnell First National Bank, moving to Levelland in 1957 and to Hobbs in 1963.

He married Hellen Jamerson on Aug. 31, 1957, in Lubbock. He was a Mason and long time member of the Methodist Church.

Survivors include his wife; a daughter, Carol of Dallas; four sons, James and John of College Station, Pfc Thomas Shoemaker of West Germany and David of Hobbs; two sisters, Eloise Barton of Abernathy and Virginia Waldrip of Lubbock; and a brother, Robert of Levelland.

Ronda Lvetta Mathis

Services for Ronda Lvetta Mathis, 23, were held in San Angelo September 26. She died in Angelo Community Hospital Sept. 24.

Services were held at 4:30 p.m. in Johnson Funeral Home Chapel with Bill Young officiating. Burial was in Fairmont Cemetery under direction of Johnson Funeral Home.

Ronda was born July 18, 1960 in Lubbock. She attended school in Abernathy in 1966 and finished high school in 1979 in Water Valley near San Angelo.

She was a supervisor in the shipping department of Holsum Bakery.

Northside Baptist 25th Anniversary Celebration A Memorable Occasion

The Northside Baptist Church 25th Anniversary Celebration was indeed a memorable occasion. There were 196 people registered for the celebration.

The first pastor, Rev. Harold Poage and his wife, Carolyn, from Potosi, Missouri was the pastor who came the farthest.

The member who came the farthest was Connie (Knight) Jantz and her children Tonya and Tammie from White Oak.

Saturday night there was a program of singing, skits (by young people), poems and "remember whens" followed by a sermon by former pastor, Carl Coffey.

Special services Sunday morning were opened by the congregation "To God Be The Glory." This was followed by several specials, a short church history and sermons by Harold Poage and E.C. Chron.

The flowers at the altar were given in memory of former pastor Doug Gardner by his widow, Francis, and son Bill.

After lunch, there was special music. Then Rev. Jimmy McGuire closed out

the celebration with a sermon and a charge to the present members continue to grow in God's grace.

Rev. Harold Poage, who has been pastoring a church at Potosi, Missouri for some time has recently been elected vice president of Dallas Baptist College in Dallas.

Rev. E.C. Chron is now in a full time evangelist.

Rev. Coffey is now pastor in Sayre, Oklahoma.

Rev. Jimmy McGuire now pastors First Baptist Church in New Deal.

Those attending from out of town were: Harold and Carolyn Poage of Potosi, Missouri; E.C. Chron, Carrollton; Mr. and Mrs. A.L. Higgins, Ross Higgins, Terri Hale, Mrs. Earl Poage, Mr. and Mrs. Dwayne Maserang, Mrs. M.E. Garmis, Gerry, Joe Bob and Jess Hunter all of Amarillo; Mr. and Mrs. Billy Pitman, Jana and Kattlyn Gage all of Earth; Mrs. Douglas Gardner and Bill, Sudan; Mr. and Mrs. Allen Shelton (Cheryl Hall), Darren and Danni Engle all Monahams; Mr. and Mrs. Lloyd Hop-

per, Sidney, and Jill Newton, Mr. and Mrs. Terry Tull all of Wolforth; Mr. and Mrs. Charles Ray Hobgood and Jason, Happy; Mrs. Stanley Waits of Hale Center; Connie (Knight), Tonya and Tammie Jantz, white Oak; Mr. and Mrs. Kelly Henderson Livingston, Mr. and Mrs. Wade Henderson, Mr. and Mrs. Dene

Bridges, Mrs. N.A. Malone, Donna, Amy and Ansenda Crites, Dean and Raylee Haney, Mr. and Mrs. Allen Sparks (Pam Rogers) and Brit, Christy Knight, Wanda (Smith) Hill and son Mickey Baker, Edith Kitchell, Mr. and Mrs. Robert Slough all of Lubbock and Mr. and Mrs. Leroy Sparks, Port Lavaca.

Baptist Church News

The First Baptist Church has had many calls for food this fall. The church needs to be able to help others in these emergency situations, thus items are needed.

The following items are needed to stock food bags: flour, sugar, shortening, pinto beans, powdered milk, canned meat, rice, and tomato sauce.

New additions to the church by letter: Norman and Betty Davis and Charles, Nancy and Suzanne Floyd. Addition by baptism was Kandace Floyd.

ATTEND THE CHURCH OF YOUR CHOICE

Weekly Devotional

Lloyd Riddles
First Baptist Church

Isn't it comforting to know that our God is present and helpful wherever we go?

The people of Israel lived for many years in doubt about whether God was only a local God or could be their God outside of the nation. Imagine how grateful they were when they discovered that He was available wherever they went.

How easy it is for us to get the idea that God is only available inside a church building, or only in certain circumstances. If this is our idea of God, we sell Him short and severely limit Him.

The Bible teaches that our Lord is with us wherever we go and available in every circumstance. God said in Deut. 6:1 "Now

these are the commandments, the statutes, and the judgments, which the Lord your God commanded whither ye go to possess it." Jesus said, "I am with you, even unto the ends of the earth."

It is a joy to know that, wherever we go, and whatever we do, God is there to love and help us.

Freshman Lopes Defeat, Then Tie Roosevelt

The Abernathy freshman football team took on the Roosevelt freshman team in their last two outings. The JV Lopes defeated Roosevelt 22-14 the first time they played the Tigers. This game was played at Antelope Field Thursday, September 22.

In this game, Chuck Thompson completed 12 of 19 passes for 189 yards. His targets were Todd Elkins, who made 8 receptions for 123 yards, and Ray Garza, 4 receptions for 66 yards. The JV Lopes added

another 80 yards rushing to give them 269 yards total offense. The first touchdown came in the first quarter when Thompson ran in from 1 yard out. Thompson then completed a pass to Elkins for 2 extra points and the

freshman Lopes led 8-0. Roosevelt scored in the second quarter. They made their extra points and the game was tied 8-8 at halftime. In the third quarter, Thompson completed a 21 yard pass to Elkins. The

extra point attempt failed and the Lopes led once again 14-8. The freshman Lopes scored again in the fourth quarter on a 35 yard pass play from Thompson to Elkins. Thompson connected with Garza for the extra 2 points and the freshman

Lopes were up 22-8. Roosevelt scored one final touchdown before the game ended, but the freshman Lopes won 22-14. **Fish Tie With Roosevelt** The second Abernathy-Roosevelt outing occurred

Thursday, September 29 at Roosevelt. This time Roosevelt held their own to tie with the Lopes 0-0. Coach Roland Murray stated that the following players did an outstanding job on defense: Brandon Houston, Rowdy Powell, Richard Rodriguez, Terry York and Chuck Thompson. The freshman Lopes have a winning 2-0-1 record thus far for the year.

Longhorns Take Advantage Of Lope Mistakes

The Lockney Longhorns took advantage of 4 fumble recoveries and 2 interceptions to post a 34-20 upset over the Abernathy Antelopes last Friday during homecoming.

RANDY HOUSTON caught 3 passes for 38 yards during the Abernathy-Lockney game held last Friday here. He is pictured running after making one of the receptions.

(Review Photo)

Abernathy's mistakes, coupled with an incredible performance by Lockney's

Robert Rendon, who caught 7 passes for 168 yards and made 3 touchdowns, was too much for the Lopes to recuperate from.

The Lopes performed well in the rushing department as they gained 199 yards on the ground to Lockney's 143. In the air the Lopes got 88 yards to Lockney's 197. Abernathy had 287 yards total offense to Lockney's 340.

The Lopes were not short by much in first downs. They made 12 to Lockney's 14.

Lockney simply capitalized on big mistakes by Abernathy as well as connecting on several big pass plays, catching the Lopes by surprise.

Ross Bradley had another good night rushing 17 times for 111 yards. Darrell Young also had a big night rushing 6 times for 70 yards.

Randy Houston was the leading receiver catching 3 passes for 38 yards.

On defense, Danny McDaniel and Rene Vecchio showed incredible strength by making several tackles. These two players made 16 assisted and unassisted tackles each.

Highlights

Lockney scored two times

in the first quarter, the first on a 6 yard run and the second on a 19 yard pass play. Both extra point attempts failed and the Longhorns led 12-0.

The Lopes put together their first successful drive at the end of the second quarter and scored on a 1 yard pass play to McDaniel, which made the score 6-12.

In the opening minute of the third quarter, Sammy Galloway caught a 27 yard pass. Then Ross Bradley broke loose and ran 49 yards for a touchdown. Wade Wesley kicked the extra point and the score was 13-12, Abernathy.

Just before the third quarter ended, the Lopes scored again on a 46 yard touchdown run by Darrell Young. Wesley kicked the PAT and the Lopes were ahead 20-12.

On Lockney's next drive,

they marched 67 yards to score on a 10 yard pass play. The Longhorns then went for 2 points to tie the game and their gamble was successful. It was 20-20 early in the fourth quarter.

The Lopes fumbled on their next drive and Lockney scored 4 plays later on a 47 yard long bomb pass play. The PAT was good and they went on top again 27-20.

Lockney stopped the Lopes on their next drive, got the ball back, then the Lopes stopped them on their drive.

The Lopes received the ball after a punt deep in their own territory. At this time, a Lockney lineman jumped in front of a Lope pass, picked it off and ran 30 yards into the end zone for Lockney's final touchdown making the final score 20-34 Lockney.

Thursday: Orange Juice, Scramble eggs, Biscuits/jelly, Milk.

Friday: Prunes, Cinnamon rolls, Milk.

Monday: Fruit juice, Cereal, Toast, Milk.

Tuesday: Pineapple juice, Cheese Toast, Milk.

Wednesday: Apple Juice, Rice, Toast/jelly, Milk.

Thursday: Orange juice, Sausage, Biscuits, Milk.

LUNCH

Thursday: Green Enchilada casserole, Tossed salad, Pinto beans, Corn bread, White cake/chocolate icing, Milk.

Friday: Char burgers, Lettuce, pickles, onions, Tater Tots, Sugar cookies, Milk.

Monday: Fish with Cat-sup, Au-Gratin potatoes, English peas, Biscuits, Purple plums, Milk.

Tuesday: Chick on a Bun, Lettuce & tomato, French fries, Chocolate fudge cake, Milk.

Wednesday: Western Burgers, Potato salad, Carrots, Cowboy bread, Milk.

Thursday: Pinto bean casserole, Tossed salad, French fries, Corn bread, Peach cobbler, Milk.

Student Council On The Move

The Abernathy High School Student Council has been very busy this year.

It has been involved in various leadership activities and workshops, dating back to May of this past school year. In May, the newly elected officers attended the Texas Association of Student Councils Summer Workshop held in San Angelo at the ASU campus. A lock-in for all the new members of the council was held Thursday, August 18 in the Gold Auditorium. The council discussed its strengths and weaknesses, and made plans for the coming year.

August 25, the first day of school, the council sponsored the student orientation program. There were various speakers including School Board President, Richard Howard; Superintendent, Gid Adkisson; and the new High School Principal, David Sharp. The council closed the program with a skit, and the students then broke for classes.

The most recent activity the council sponsored was "Spirit Week", in accordance with the homecoming game against Lockney this

Friday. Activities last week were as follows: Monday, Shade 'Em Day; Tuesday, Hats Off to the Lopes Day; Wednesday, Tie 'Em Day; Thursday, Generic Day; and Friday, Formal Dress Day.

Other activities the council sponsored last week were the sale of chain links, a hall decorating contest, and a car decorating contest. The council encourages and appreciates participation by students in all activities.

The 1983-84 Student Council officers are: president, Sarah Miller; vice-president, ReGina Powell; secretary-treasurer, Kristy Thompson; representative, Trey Stone; parliamentarian, Bill DuBose; and historian, Laura Phillips. Reported by the sponsors.

The white dwarf star A.C. 70 8247 is about 36 million times as dense as water. One cubic inch of matter from this star would weigh 650 tons.

JV Lopes Way Too Much For Lockney

The JV Lopes were way too much for Lockney last Thursday defeating the JV Horns 36-0 on the Horn's home turf.

The Lopes moved down field almost at will as they racked up 249 yards rushing and 152 yards passing for 401 yards total offense. The Lopes also made 14 first downs.

The tough JV Lope defense only allowed Lockney 81 yards rushing and 17 passing, for a total of 98 yards offense and 4 first downs.

The JV Lopes scored their first touchdown in the opening quarter when tail back Larry Slawson broke loose and ran 48 yards for 6 points. The PAT was good by Paul Lara and the Lopes led 7-0.

The next TD came in the second quarter on a 1 yard run by tight end Dan Evans. Lara made the PAT and the lead was increased 14-0.

In the third quarter, flanker Mike Givens did the honors on the next touchdown as he broke loose and

ran 30 yards for 6 points. Lara was accurate again and the JV Lopes upped their lead to 21-0.

Quarterback Jim Bob Carver had a good night passing for 152 yards. Carver connected with Dan Evans on a 35 yard pass play for the first TD of the fourth quarter to increase the lead to 27-0.

The JV defense even got in on the scoring as they pushed Lockney deep into their own territory and trapped them in the end zone for a safety. The 2 points gave the JV Lopes a commanding 29-0 lead.

Late in the fourth quarter, the Lopes got their final TD on a 20 yard run by Larry Slawson and the Lopes

capped off a 36-0 victory, after Slawson added the extra point.

The JV Lopes are batting 500 as they have a 2-2 record thus far for the season.

Silkworm eggs are so small that 35,000 of them weigh just one ounce.

COOPERATIVE MONTH:

OCTOBER 1983

Cooperatives- Focus On The Future.

Discover Cooperatives During
October Cooperative Month

October Is Co-op Month.

60,000,000 people have a good thing going.

They're all member-owners of 40,000 cooperatives providing goods and services in every walk of American life.

Cooperatives today come in all sizes and kinds. There are co-ops for electric and telephone service, credit unions and farm credit, housing, food, insurance, farm marketing and farm supply, health and day care. They're found in urban, suburban and rural areas — all over the country. The cooperative way of conducting business has an impressive track record — proving to be an efficient, economical way of meeting common needs of people. That's why co-ops are found in thousands of communities in every single state — why co-ops have grown and flourished.

Co-op people are proud of their cooperatives... knowing they provide services and jobs that benefit the whole community.

There's probably a co-op or two in your life, working for a better community and a better America — and for you!

Cooperatives.....Building A Better America

The agriculture of America is the most efficient, most productive in the world and has helped bring about the high standard of living enjoyed by Americans. The family farm system is an integral factor in this productivity, with farmer-owned and controlled cooperatives playing a key role in making the family farm the highly productive system it has become.

This system depends upon the incentive for full output to give all Americans the abundant supply of wholesome food they enjoy on the supermarket shelves and on their tables on a year-round basis. Americans pay a lower share of their disposal net income for food than do the people of any other country in the world. This is due to the enormous efficiency of our magnificent agricultural plants managed by individual entrepreneurs known as family farmers.

Cooperative organizations make it possible for these family farmers to receive more dependable markets for their products and more dependable and lower cost supplies for their farm input. Hence, by helping to support and maintain a family farm system of agriculture, cooperatives are performing a great public service.

Farmer cooperatives have greatly benefited consumers also by taking the lead in furnishing quality products; in developing better packaging; in using more efficient distribution methods, all of which have helped to hold down prices of food and fiber products used by consumers.

By keeping the family farm in business, cooperatives have strengthened the local business communities and helped to continue the strong and healthy rural America so important to our economy.

Farmer cooperatives do provide a positive answer to the question, "Who will control agriculture -- big business, big government, or farmers themselves through their cooperatives?"

Farmer cooperatives are good for the farmer and for the consumer...they truly are building a better America.

Plains Pest Management Report

Wheat

HERBICIDE CARRY OVER- Wheat is sensitive to many herbicides and carry-over often causes problems for growers. A simple bio-assay procedure should be used before planting. Gather soil samples from locations which are suspected of having herbicide carryover that can damage wheat. Label all soil samples with location in a particular field and the farm it came from. Next, gather soil from an area that has not had any herbicides applied in several years or has had only herbicides applied which do not affect wheat. Plant your

wheat seed in separate containers with soil from each suspect location and the check. Water the samples and place in sunlight. Don't allow samples to be baked in the sunlight, such as might occur in a west or south window. After the seedlings emerge, one can compare the wheat planted on the suspect soil with the seedlings on the control soil.

GREENBUGS- Greenbugs can develop rapidly under favorable conditions and may cause economic losses. Greenbugs reproduce when temperatures are above 55 degrees Fahrenheit, while their natural enemies repro-

duce slowly at temperatures below 65 degrees Fahrenheit. When temperatures fall between this range, greenbug outbreaks are more likely.

To scout a field, a grower should make a minimum of five random counts per 20 acres of field area, each consisting of a linear foot of row. Counts should be made during the warmest part of the day since this is the time greenbugs are most likely to be above the soil surface. During periods of cold temperatures, greenbugs seek protection by moving to the base of the plant and may be found in loose soil around the stem.

Other factors such as number of greenbugs present, distribution in field, vigor of plants, temperature, time of year, moisture, growth stage and effectiveness of parasites and predators should be considered before treating a field for greenbugs.

Cotton

The freeze damage appears to be fairly extensive. Leaf damage has ranged from 10 percent to around 85 percent. It is hard to tell

exactly how much yield loss will finally be realized. Examination of some cotton fields indicated that smaller less mature bolls were beginning to rot. Some of the larger bolls have locks starting to rot on the upper side where the frost damaged them. Premature loss of leaves can result in a reduction in micronaire and fiber strength. Fiber length will probably not be affected as much since it is completed in the early stage of boll development.

HARVEST-AID CHEMICALS- Harvest-aid chemicals may be needed in fields which were extensively damaged or opened early because of drought stress.

The two classes of harvest-aid chemicals we use are defoliant and desiccants. The true defoliant causes the abscission and shedding of leaves earlier than normal, but do not always kill the entire plant. Desiccants kill plant tissue and cause rapid loss of water from the foliage. Plants are usually killed so rapidly that leaves remain attached to the plants.

Desiccants are usually the

products of choice for our area. Desiccants are typically applied when 75 percent or more of the bolls are open, while cotton with rank growth should wait till 80 percent of the bolls are open. Dr. James Supak, Extension Cotton Agronomist, indicated that cotton which suffered heavy leaf losses from the freeze may be defoliated when 65 to 75 percent of the bolls are open.

Sorghum And Soybeans

Both crops were damaged by the freeze. Sorghum leaves were turned gray by the freeze. A few green leaves remain on the lower part of the stalk. Since most fields were approaching hard dough, yield losses should be low. Stalk rots and lodging will probably be the main concern because of premature leaf loss.

Soybeans will probably be the crop most affected by the freeze since many fields were still in the pod fill stage. Fields which were turning yellow and were beginning to loose leaves will probably not have much yield reduction.

Cattle, Hog, Lamb Prices To Improve In '84

Livestock prices should show a slight improvement for the rest of the year, but 1984 could bring some strong gains for cattle, hogs and lambs, says an economist in livestock marketing.

Cattle prices should remain fairly stable with only modest gains in fed cattle supplies for the rest of 1983, says Dr. Ed Uvacek with the Texas Agriculture Extension Service, Texas A&M University System.

Cattle feedlot marketings should be just under a year ago during the July-September quarter but down sharply in the last quarter of the year. Hog slaughter is expected to remain high through the rest of this year but will drop seasonally in the first and second quarter of the new year.

Prices for fed cattle and for yearling feeder steers are expected to average in the low \$60s per hundredweight during the remainder of 1983, while feeder steer calves could average near \$70, Uvacek predicts. Utility cow prices should stay below \$40 and will likely dip into the low \$30s by fall. Continued good grazing and more rain would help prices considerably.

For next year, Uvacek estimates that prices will rise, with the strongest

increases occurring in the second quarter of 1984. Choice fed steer prices may average in the mid- to upper-\$60s by then. Prices for yearling feeder steers will move slightly below fed cattle prices but could move back into a premium in 1984. Utility cows should average in the low \$40s during most of next year.

Hog prices are expected to average \$38 to \$42 per hundredweight for the rest of this year, says the economist, but they should increase to an average of \$42 to \$46 during the first quarter of 1984.

And, Uvacek adds, Choice lamb prices at San Angelo in 1984 could average \$2 to \$6 higher per hundredweight than the mid-\$50s price of this year and should be fairly stable for the rest of this year.

4-H Workshop Saturday

A 4-H food & nutrition workshop will be conducted Saturday, October 8 at the Hale County Ag Center. All 4-H'ers or prospective members are invited to attend. The workshop, led by senior 4-H members will begin at 11:30 and will conclude at 3:30 states Melissa Long, CEA.

All those interested in

attending should bring a typed copy of their favorite recipe and a box lunch for themselves in a decorated box or sack.

All 4-H'ers, parents, leaders and prospective members are invited to attend. For more information, call 293-8481 (271).

NO RATTLE SNAKES IN ABERNATHY?... Sure there are and pictured is a small ground rattler found by Lloyd Riddles. He stated that local folks should be on the look-out for them because they do exist here. (Review Photo)

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

COTTON DIAPER MERITS PINPOINTED: Advantages of reusable cotton diapers were stressed at a recent meeting marking the 50th anniversary of the diaper service in America, according to the National Cotton Council.

Pointing out that the American public regards cotton as higher quality and better value than synthetics, Cotton Incorporated's market research director, Marvin Grant, stated, "The diaper industry, for example, would do well to remind today's young parents, who grew up in blue jeans, of the natural advantages of cotton for their babies."

Dr. Jay Arena, with a 50-year career in pediatrics, concluded that the cotton diaper is better protection against diaper dermatitis.

EXPORT SALES INCREASE: Sales of U. S. cotton for 1983-84 delivery increased a net 132,700 running bales during the week ended Sept. 15, according to the U. S. Department of Agriculture.

The major buyer was South Korea with a net increase of 29,000 bales. Other top buyers were Canada, 24,000; Indonesia, 15,200; and Japan, 15,000.

Export shipments totaled 107,400 bales, with 74 percent going to Asian destinations, according to the National Cotton Council.

WEEVILS FOUND IN NEW MEXICO: Boll weevils were found in cotton in southeast New Mexico this month, according to the National Cotton Council.

Dr. Jim Brown of the Council staff said additional catches have been made in traps in areas around Animas, Rodeo, and Deming.

The pattern indicates the weevil, which is believed to be a Sonoran stain, is reproducing at these locations.

Dr. Jim Brazzel of the USDA believes this is the highest elevation (above 4,000 feet) at which weevils have been found in this country. Unless it has adapted to the higher altitude, the weevil may have a hard time surviving the cold winter in the area, Brown said.

EXPORT SALES INCREASE: Sales of U. S. cotton for 1983-84 delivery increased a net of 187,800 running bales during the week ended Sept. 22, according to the National Cotton Council.

South Korea was the major buyer with a net increase of 56,000 bales. Other top buyers were Japan, 40,400 bales; Yugoslavia, 38,300; and Indone-

sia, 31,700.

PIK PRODUCERS WILL NEED CLASS CARDS: The U.S. Department of Agriculture will require cotton producers participating in the payment-in-kind program who have contracted their 1983 crop cotton to present class cards in order to receive payments, the National Cotton Council points out.

Cards will enable USDA to make quality conversions based on the area in which the cotton was produced. A USDA official said the requirement could mean a two- to three-week delay for producers required to "harvest for PIK" to receive their PIK payments or the purchase price USDA was paying producers for PIK cotton.

The real name of James McNeill Whistler's painting of his mother is "Arrangement in Grey and Black."

October Is Cooperative Month

October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Mark White, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State."

"Texas has more than 400 agricultural cooperatives operating and serving over 133,000 member", according to Billy Conner, Executive Vice-President of the Texas Federation of Cooperatives. "These cooperatives

are doing business volumes of almost four billion dollars annually", he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month", said Conner, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

JOHN DEERE 484 COTTON STRIPPER DOUBLE-BARRELED BONUS OFFER

Take advantage today of a waiver of finance charge/\$4,000 rebate combination or \$6,125 bonus for buying a new 484 Cotton Stripper

For a limited time, your local cotton harvesting pro John Deere dealer makes you a double barreled bonus offer on new 484 Strippers that can't be beat. Here's your double-barreled choice:

1. Buy a 484 now and receive a \$4,000 cash bonus, plus, if you finance that stripper with John Deere, a waiver of finance charge until the first month of the 1984 harvest.* Or
2. Buy a new 484 during September, pay cash or finance it with John

Deere without waiver, and receive a \$6,125 cash rebate.*

*These offers from John Deere are in addition to the special deal your dealer will make on a new 484 Stripper. And, if you purchase now, you can qualify for substantial tax savings from investment tax credit (ITC) and depreciation. Everything is in your favor for purchasing a new John Deere 484 Stripper now. See your dealer today for details on this double-barreled bonus offer.

*Availability of John Deere financing subject to approval of credit. This offer may be voided or withdrawn at any time.

Attebury And Blalock Tech Music Dept. Scholarship Recipients

The Texas Tech University Music Department has announced that its list of scholarship recipients for academic year 1983-84 includes Angie Attebury and Jill Blalock, both of Abernathy. Angie is an incoming freshman on a piano scholarship. A returning sophomore, Jill is a voice major on one of the Tech Choir scholarships.

Set up in 1971, the piano scholarship is funded by interest on money left to Texas Tech by the estate of Eva Browning, and stipulates that the recipients be piano majors in good academic standing. The Tech Choir scholarships are restricted to those music majors who are members of one of the several choirs at Texas Tech, and is funded through gifts and revenue from performances.

The Texas Tech Music Department awarded over \$50,000 in scholarships to 130 undergraduate and graduate students for this year. These awards range per

year in amounts from \$100 for band scholarships to \$1250 for the first place Browning freshman piano winner.

General scholarships are available in the areas of woodwinds, brass, percussion, strings/guitar/harp, piano, organ, voice and music theatre. Although most music scholarships are designated for music majors

only, a limited number of scholarships are available to the non-music major.

Scheduled auditions for scholarships, all of which are competitive, will be held on the Texas Tech campus on Friday and Saturday, February 24-25 (University Day), Saturday, March 31 and Saturday, April 7. Taped auditions are also acceptable in lieu of person-

al appearance when necessary, and auditions on dates other than those designated may be arranged by request.

For application forms and further information regarding music scholarships at Texas Tech, contact Dr. Orlan Thomas, Texas Tech Department of Music, Box 4239, Lubbock, TX 79409, or call him at (806) 742-2433.

BOB GOOLSBY is the new manager at Thrif-Tee Supermarket, formerly Piggly Wiggly. Goolsby has been the local manager for the past two weeks and comes to Abernathy from the Piggly Wiggly grocery store at Slaton. Goolsby has also worked in the grocery store business in Lubbock for several years. He has a wife and two children. Former manager John Kitto was promoted to the Petersburg Piggly Wiggly store.

New Deal News

By Fern Bigham

HAPPY BIRTHDAY TO: Scott Hoover, Mandy Mannin, T'Nae Thiel, Lisa Hennig, Cori Nelson, Roy Richardson, Ed Taylor, Mary Walker, Gary Bostick, Tony Howell, Pauline Vasquez, Helen Buford, Ima Jean Phillips, Jimmy Rasco, Callus Westbrook, and Teresa Looney.

HAPPY ANNIVERSARY TO: Mr. and Mrs. Jim Hill and Mr. and Mrs. Burly Bigham.

IN LION COUNTRY: Thursday, Oct. 6-7-8 JV football against Morton here at 4 p.m.; Friday, Oct. 7-End of Six Weeks--Varsity football at Morton 7:30 p.m.; Saturday, Oct. 8--Texas Tech football here against New Mexico 7 p.m.; Monday, Oct. 10--Band Boosters Meet 7:30 p.m.--Young Homemakers Meet 10 Tuesday, Oct. 11--Athletic Boosters Meet 7:30 p.m.; and Wednesday, Oct. Report Cards issued.

EVENTS THIS WEEK

YOUNG HOMEMAKERS MEETING: The New Deal Young Homemakers meeting will be held on Monday, October 10th at the New Deal Clubhouse. Anyone interested is cordially invited to attend. The theme will be "Wardrobe Co-ordinating".

The Homemakers were the Culinary High Point Winners at the South Plains Fair last week, in a Demonstration for Young Homemaker Clubs. Those entering were Karen Dunn,

Teresa Dunn, Suzanne Hamilton, Jeanie Lemon, Sandra Lemon, Denise Reichie, Sheryl Rieken, La Juan Slaton, Sandy Young, Cynthia Williamson, Kim Thiel, Aricka Thiel, and Patti Jones. Patti Jones won 2nd place overall for Individual winners points, congratulations young **HOMMAKERS- WE ARE PROUD OF YOU!!!**

"OVER THE HILL GANG MEETING" If you've noticed this on your Band Calendar and wondered what it was, here is an explanation. Several women in our community (most of whom no longer have children in school at New Deal) had expressed a desire to have some sort of "get together" to stay in touch with one another. This meeting was set up for that purpose, but due to some conflicts, the date will be moved from the 2nd Tuesday of each month, to the 3rd Tuesday of each month at 10 a.m.

Anyone interested is invited to attend and bring a salad. Also bring any hand work that you might be working on as this will be just a visiting session. For more information you can

8th Grade Lions Defeat Crosbyton 26-0

The 8th grade Lions defeated Crosbyton handily 26-0 last Thursday to remain undefeated at 4-0.

Michael Stephenson scored in the first quarter on an 8 yard run and Toby Howell ran in for the 2 point conversion. Stephenson also made a second touchdown in the first quarter on a 6 yard run and the conversion attempt failed this time, but the Lions were ahead 14-0.

The 8th Lions scored next in the second quarter on a 49 yard run by Toby Howell. Their final TD came in the third quarter on a 67 yard run by Alfred Ramirez and the 8th Lions won 26-0.

Leading the Lion change over the Chief squad from Crosbyton were: Offensive Standouts: Michael Stephenson, Alfredo Ramirez, Toby Howell, Will Hogan, Carey Richardson, Greg Noseff, Sammy Pena and Tom Gardner. Defensive Standouts were: Jeremy Smith, Brad-

ley Hoover, Kory Gilliland, Martin Freeman, Michael Dunham, Sammy Sosa, Michael Madric, Steven Cooper and Shayne Boyd.

Coach Bigham Comments

I was glad to see our offense explode and take charge of the game. Michael Stephenson ran the ball extremely well and played an overall good game. Alfredo Ramirez and Toby Howell did a super job with the option. Our offensive line is coming on strong and doing a super job of blocking for the backs," Bigham said.

"Defensively we are super strong in shutting down the opponents offense. This allows us to play our second bunch quite a bit which we did the entire second half. We have some kids on the second team that will get to see more playing time," Bigham added.

Mayo Completes ROTC Training In Kansas

Cadet Sam R. Mayo, son of Sam Mayo of New Deal, and Marsha G. Mayo of 1205 Meas Road, Lubbock, received practical work in military leadership at the U. S. Army ROTC advanced camp, Fort Riley, Kansas. The six-week camp, attended by cadets normally between their third and fourth year of college, includes instruction in com-

munications, management and survival training.

Successful completion of the advanced camp and graduation from college results in a commission as a second lieutenant in either the U. S. Army, Army Reserve or National Guard for the cadet.

Mayo is a student at West Texas State University at Canyon.

COOPERATIVE 'RECIPE' SERVES 60 MILLION PEOPLE

Take a good idea, add a group of people, mix with a sound business philosophy and practical know-how, and you've got 40,000 cooperatives owned and operated by the people they serve.

Cooperatives meet just about any need you can think of serving people and their communities. They get jobs done efficiently and economically that individuals simply can't do alone. There are cooperatives for electric and telephone service, housing, food, insurance, farm credit, farm marketing and farm supply, health and day care, and credit unions.

Look around you. Count the cooperatives. See what's cooking with these thriving businesses that are working hard to provide goods and services and jobs that benefit not only their communities, but all of America.

South Plains Electric Cooperative, Inc.

Green Thumb Program Receives Grant Money For 1983-84

Farmers Union Green thumb, an employment program for low-income senior citizens in Texas and 44 other states, has received a new grant of \$88,500.918 from the U.S. Dept. of Labor.

The grant is effective from July 1, 1983 through June 30, 1984. It provides \$4,113,951 for Texas Farmers Union Green Thumb, which has 952 of the 17,317 part-time job slots allocated to Green Thumb nationwide.

TFU Green Thumb currently operates in 108 counties, mostly in north, central and west Texas. The program's workers must be at least 55 years of age and meet income guidelines.

They are placed with public and private non-profit organizations such as schools, senior centers, libraries, and museums, and furnish services that would not otherwise be available. The sponsoring organiza-

tions are responsible for day to day supervision of the workers, and TFU Green Thumb administers wages and fringe benefits.

"We are delighted that the Dept. of Labor has signed the new grant agreement," said Mike Moeller, president of Texas Farmers Union. "The grant money means that 500 rural agencies now benefitting from the services of Green Thumb workers can continue to do so for at least

another year." Green Thumb state director Diane Parrish of Waco said that even though the grant is based on 952 employment slots for Texas, the program is currently able to employ 1,047 older persons because of reductions in overhead on both the state and national levels.

"Our overriding goal is to put as many older Texans to work as possible," Parrish said. "They need the work for themselves, and their communities need the dedication and conscientiousness that older workers bring to their jobs."

Americans buy about ten million diamonds a year.

Public Notice

NOTICE OF SALE
 THE STATE OF TEXAS
 COUNTY OF HALE
 KNOW ALL MEN BY THESE PRESENTS THAT

Whereas, on the 14th day of April 1980, Bob Boyd, Hale Center, Texas, executed and delivered to Joe Thompson Implement Co., Abernathy, Texas, a certain Retail Installment Contract and Security Agreement which was subsequently assigned to John Deere Company, and thereon mortgaged the following described property, to wit: 1 JD 6000 Hi-Cycle, s/n 2356

The maker of the Retail Installment Contract and Security Agreement has defaulted in compliance with the terms of said Retail Installment Contract and Security Agreement. John Deere Company, the owner and holder of said Retail Installment Contract and Security Agreement on account thereof, is offering said property for sale in accordance with the terms of said Retail Installment Contract and Security Agreement. John Deere Company has the right to bid.

Now, therefore, notice is hereby given that on the 19th day of October 1983 at 10:00 a.m. of said date, John Deere Company will offer for sale at Joe Thompson Implement Co., Abernathy, Texas, to the highest bidder the above described property.

Conditions and Terms of Sale: All items will be sold "as-is" and in their present condition. NO GUARANTEE OR WARRANTY OF ANY NATURE, EITHER EXPRESSED OR IMPLIED, is made. Any statement of description is for identification only and not a warranty or representation. All goods are subject to redemption prior to sale. The terms of the sale are cash. The high bidder must submit certified funds (Bank money order or cashier's check) for the full purchase price at the time of sale. All bids must be submitted in person; all sales are for cash and are final. Individual buyers may be required to pay any applicable sales tax on the sales (purchase) price.

Additional information concerning the security interest held by John Deere Company in the above described collateral may be obtained from:

Dear Editor:

I am sorry I've been unable to report to you before now. Pressed of time!

I was thrilled to get a letter from home telling about the "Womanless Wedding." I'm proud of our town.

We were saddened to hear of the unexpected death of J.L. Irish. We could hardly believe it.

Our trip has been a fulfilling one. We visited relatives in Germany, friends in Austria and a friend in Turkey. We're mostly resting in Greece. We needed it!

Sunday we fly to Egypt to the arranged tours there.

Letters To The Editor

Emma Bray says she didn't know travel could be such work.

Arno & Minnie Struve
Athens, Greece

Dear Mr. Tooley:

Best wishes to you on your celebration of National Newspaper Week, October 9-15, 1983. The State Department of Highways and Public Transportation wish-

es to thank you and your employees for a job well done during the past year.

We realize that the press plays a special role in the preservation of democracy through its efforts to ensure a free flow of accurate and balanced information. It is our belief that an informed public is best equipped to make reasoned decisions.

By the same token, an informed public is best able

to take an active part in the democratic process. We would ask your continued support for our efforts.

We join with you in your theme and belief, "A Free Press: Democracy's First Defense."

Yours truly,
Ben Alley, P.E.
District Engineer
District Five

FFA News

Several members of the Abernathy FFA Chapter participated in the annual South Plains Fair Project Show last week.

In the breeding sheep division, Tanya Gist placed first having the Champion Suffolk. Kelly Hill placed several rams and ewes in the southdown division. Travis Morgan, ReGina Powell, Rowdy Powell and Dan Evans participated in the market lamb division and Cal Henley participated in the barrow division.

Greenhand Initiation Oct. 10

An officers meeting was held to discuss the Greenhand Initiation and the Fruit Sales.

The Greenhand Initiation was set for the evening of October 10.

The fruit sales will begin October 17 and last for a month. Fruit will be purchased through the Cherry Sweet Citrus Company. This year oranges, grapefruit, red and green apples, pineapples, and gift baskets will be available.

The first cafeteria was opened in 1895 in Chicago on Adams Street between Clark and La Salle Streets by Ernest Kimball.

Girls And Boys Cross Country Perform Well At Plainview

The Abernathy girls and boys cross country teams performed well at the Plainview Cross Country Meet held in Plainview Saturday, September 24.

The varsity girls placed second with 87 points behind Nazareth, first with 26 points. Slaton placed fourth with 120 points. Nine girls teams competed at this meet.

Holly Shafer gave the best individual performance for Abernathy placing third overall with a time of 14 minutes flat for the 2 mile

course. The boys varsity cross country team placed third out of six teams. Boys Ranch placed first with 36 points, Mulshoe second with 69 points, Abernathy third with 76 points, followed by Floydada fourth, Lockney fifth and Crosbyton sixth.

Larry Perkins gave the best individual performance for the boys team placing sixth overall with a time of 16:43 for the 3 mile course.

JV Cross Country Results

The boys and girls cross country junior varsity teams also competed at Plainview.

The JV boys team placed ninth. The members of this team are Steve Royal, Jason Harris, Everette Irlbeck, Cody Jones, Kelly Hill and Gilbert Blanco. Blanco was moved up to varsity this week.

The girls JV team placed sixth out of 15 teams. Girls on this team are Phoebe Dunn, Wendy Anderson, Mary Cooper, Sharmin

Toler, Micki Neve, Kelly Guerrant, Missy Johnson and ReGina Powell. Powell was moved up to varsity this week.

The cross country teams will compete in the Big Spring Cross Country Meet this Saturday.

Cotton growing, which originated in India, was taken to Greece by Alexander the Great.

GUEST SPEAKER AT THE LIONS CLUB September 27 was Jay Lynch of Lubbock, pictured above in the middle talking to Lions Harold Stillwell on the left, and Clayton Enger on the right. Lynch is the public information representative for South Plains Electric Cooperative. (Review Photo)

8th Boys Soar Over Lockney 38-14

The 8th grade boys football team soared over Lockney last Thursday 38-14.

The 8th Lopes gained an incredible 500 yards on offense while holding Lockney to only 156 yards total offense.

Of the 500 yards, 420 were made on the ground and 80 through the air.

Making the six Lope touchdowns were the following players: John Aguirre on a 63 yard run; Ricky May on a 73 yard run; Irvin Dunn on a 33 yard pass play from quarterback Rob Givens; Dewayne Young on a 30 yard run; Pete Garcia on a 20 yard pass from Givens and Ricky May ran

in for the 2 extra points; and Rob Givens finished with a 5 yard touchdown run.

Brett Parker made a big play on defense as he intercepted a Lockney pass.

Coach Ray Ater stated that there were several outstanding players on offense and defense. On

offense: Givens, Dunn, Rodriguez, Young, Lucero, Garcia, Bigham, May, Aguirre, Shafer, Hannel, Knight, Pearson, Konstantakos, Vandygriff, Parker, Lopez, and Wages. On defense: Bolanos, Konstantakos, Pearson, Hannel, Wages, Shafer, Lopez, Parker, Aguirre, May, Bigham, Garcia, Lucero, Young, Dunn and Givens.

7th Lopes Stop Lockney 14-0

The 7th Lopes stopped Lockney last Thursday 14-0.

The 7th boys racked up a total of 215 yards total offense, 180 on the ground and 35 through the air. The tough Lope defense held Lockney to only 103 yards total offense.

Abernathy suffered some hardships during the game. The 7th Lopes were penalized 55 yards and a 75 yard touchdown play was called back because of one of these penalties.

Those making touchdowns for the Lopes were: Tony Garcia on an 18 yard run, then Garcia added 2 extra points; and David Macias scored on a 20 yard pass play from quarterback Kyle Rawlings, the extra point

attempt failed.

The 7th boys intercepted three Lockney passes. Those making these interceptions on defense were Jesse Garcia, Russell Miller and Rene Ramos.

Coach Ray Ater mentioned several outstanding performances on offense and defense. Outstanding players on defense were: Avalos, Palacios, Hagstrom, Douglas, Olivas, Young, J. Garcia, T. Garcia, Soto, Ruiz, Rawlings and Miller. Outstanding on offense were: Miller, Rawlings, Martinez, Ruiz, Gainer, Soto, Hood, Tony Garcia,

Jesse Garcia, Young, Olivas, Williams, Frank Garcia, Douglas, Shuey, Hagstrom, Palacios, Macias and Avalos.

The rose is the national symbol of England and Iran.

Octoberfest Booths Available

Plans for the annual Octoberfest are underway as the date has been set for Monday, October 31 from 6:30 to 9 p.m.

The evening of fun will begin with the Octoberfest Parade, which will be organized in front of Ceramic Peoples. The parade will come to a stop at the Fire Hall, where other games and events will take place.

Some of the activities include a costume contest, painted pumpkin contest, pie eating contest, dress-up contest, bingo and a spook house.

Organizations interested in getting a booth should call Rhett Riley at 298-2447 as soon as possible.

Celery was known in many ancient civilizations. The early Chinese brewed a medicinal tea from it which was supposed to cure stomach troubles.
