

# Rain And Hail Storms Damage And Destroy Crops

Sunday night thunderstorms pounded the Abernathy area leaving many crops in their path damaged or destroyed. High winds and hail

COTTON CROPS DEVASTATED by the hail and heavy rain Abernathy has received since Sunday evening.

resulted in disaster for many farmers who were just days away from harvesting their crops.

Preliminary assessments from Sunday's thunderstorms by agricultural officials revealed that this region experienced a loss in excess of 100,000 bales. The specialists also stated that grade of cotton still standing was reduced by the storm.

The worst hit area was the area from Witharral to Littlefield to Anton. Most crops in this area were completely destroyed by the wind and large thick hail.

The heaviest crop damage in the immediate Abernathy area extended from just north of Abernathy to south of Hale Center. The stretch from northwest to northeast of Abernathy was the area which received the most hail damage.

Cotton Center received the most rain in the area reporting 3 inches. Abernathy received 1 and 1/10 inches of rain. County Line 1 and 6/10 inches of rain and just north of town, from 2 inches on up.

The damage which occurred was mainly due to the high winds and hail, but the great amount of electricity in the storm took its toll too. Abernathy lost its electrical power for a short time Sunday and County Line went without electricity for some three

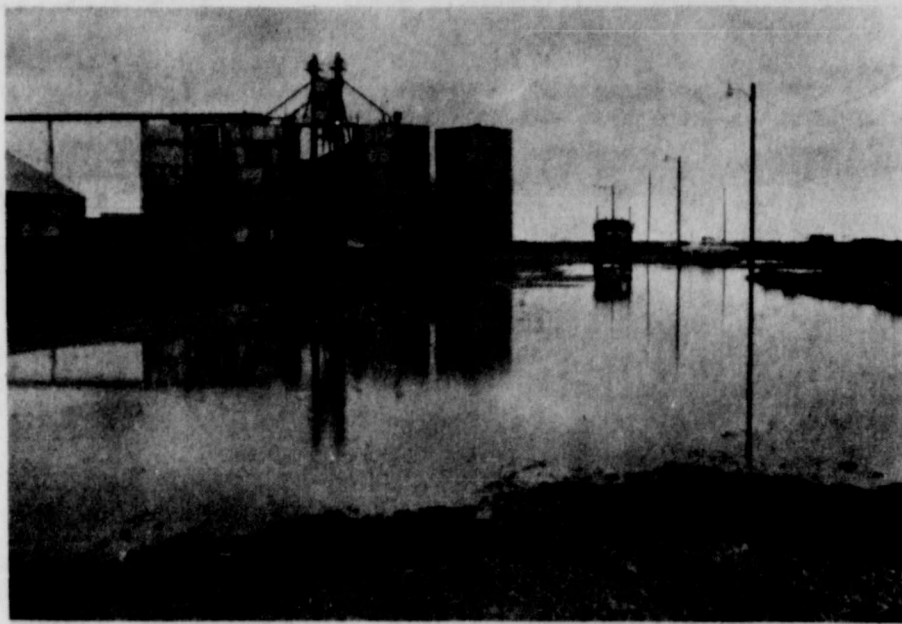

hours. The Review also received reports cotton trailers blowing over near County Line and several at the County Line Gin. In one incident, two trailers hooked together blew over. Also at County Line a tractor and stripper blew over and many light poles were knocked down. There was a report of a boll buggy blowing over north of town.

One of the gin managers stated that their ginning had been cut by 50 percent because of the storm and they will not even need to work through the nights. Another gin reported that their ginning has been cut at least one third.

Overall, it was a storm that Abernathy and the surrounding area will not forget for a long time as it devastated many cotton fields which were ready to be harvested. The full impact of the storm will be felt in the community for years to come.

## Heavy Showers Tuesday-Wednesday

Abernathy also received heavy showers Tuesday night and it was raining heavily at press time Wednesday. Abernathy had received an additional 2 inches by noon Wednesday. There was a report that Kent Hance is already seeking disaster status for counties in this area.

HEAVY RAIN, HIGH WINDS AND HAIL have pounded the Abernathy area since Sunday. In the top photo, taken 3 miles north of town, lake standing from Sunday's storm alone. In the bottom photo, the old gin building just south of Tuco Gin received extensive wind damage Sunday evening. (Review Photos)

# ABERNATHY WEEKLY REVIEW

25¢

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 49 THURSDAY, OCTOBER 20, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

## ON THE COUNTY LINE

BY KEITH TOOLEY

ANOTHER GOOD WEEK OF FOOTBALL as the Lopes, Red Raiders and Cowboys won their games. The Lopes were awesome. Tech played their average caliber game (completely unpredictable outcome), and the Cowboys played well for the first time this year. And even when they play poorly they are not too bad.

WE WITNESSED SEVERAL CROPS which were devastated by the heavy rain and hail storms Sunday evening. It is a terrible sight as the storm came at the worst time possible...harvest time.

Many farmers are going to need disaster relief to continue to make a living in the farming business. The storm wiped out some areas while leaving others untouched except for getting them wet.

We just hope that the unlucky farmers will get the help they need...especially those who do not carry crop insurance.

WE HAVE HEARD IT ALL NOW... we have read time and time again how nutritionists recommend fruit and vegetables to supply the body with the essential nutrients it needs and that those lighter foods are better for dieters.

According to an article submitted to the Review by FFA members, some nutritionists are saying that beef is good for dieters and that they are just depriving themselves of beef when they might be better off eating it.

The article goes on to say that beef is a good source of Vitamin B-6, iron and zinc, which dieters often try to get through costly vitamins.

We just eat whatever we want and don't worry about its nutritional value. We just wish that nutritionists will find that coffee has some great nutritional value, since we drink several cups to get going each morning.

THE ABERNATHY FOOTBALL TEAM deserves a lot of credit for their performance this past week and for the entire season thus far.

The Lopes came off of a 6-35 loss to Muleshoe last week to beat a confident 5-1 Friona team 23-7. This is a great accomplishment as the Lopes are showing strength and character at a time when they need it most.

Even though the Lopes have been plagued with a record number of injuries this year and have had the uncertainty of players coming and going each week, they have managed to come back and be a contender in one of the toughest districts in the state.

Other teams in this district have gained all their notoriety by having one or two so-called work horses on their teams and would not be so great without them. Abernathy functions as a team and everyone on the team is responsible for the victories.

We know the Lopes will continue to remain contenders in this district, even though Abernathy is the smallest school, because when the going gets tough, the tough get going...beat Tulia.

## Tax Rebates To Abernathy Still Up

State Comptroller Bob Bullock Friday sent checks totaling \$38.2 million in local sales tax payments to the 974 cities that levy the one percent city sales tax.

Bullock said this October's payments are 7.2 percent higher than October 1982 but year-to-date totals are still less than what the cities had received by this time last year.

Sales tax rebates to Abernathy are still up. Abernathy will receive a check for \$1,609 this period, up 6.31 percent over last year, bringing this city's total rebates thus far for 1983 to \$39,807. By this time in 1982, Abernathy had only rebated \$37,444.

The increase in sales tax rebates reflects that local sales have increased for some sectors of the community compared to 1982.

New Deal will not receive a check this period, still up 3.02 percent, bringing that city's total to \$2,430 for 1983.

Petersburg will not be rebated anything this period, still up 12.47 percent, bringing that city's total rebates to \$13,718.

Hale Center will be rebated \$853 this period, down 3.41 percent, bringing that city's total to \$23,645.

Rebates to Hale County as a whole are down 3.42 percent. Abernathy and Petersburg are the only two cities in the county showing rebate increases over 1982.

October checks were for taxes collected on sales made in August and reported to the Comptroller by the end of September.

## Cheese, Butter And Corn Meal Given Away Today

Free cheese, butter and corn meal will be given away Thursday (today) from 2 to 7 p.m. at the Fire Hall on 10th and Ave. D. Distributors will be working with

Department of Human Resources guidelines based on income and the number of people in the household.

There is no charge for these items, but the distributors will be using

## Coming Events

October 20 - Sunshine Group meets at 11 a.m. for a program and lunch will follow at 12 noon.

October 21 - United Methodist Youth Spaghetti Supper from 5:30 to 7 p.m. at the Community Center. Antelopes play Tulia at 7:30 p.m. here. UMY sponsored dance at the Community Center following the game.

October 24 - Booster Club meets at 7 p.m. in the Gold Auditorium.

October 25 - Lions Club meets at 12 noon in the small City Hall meeting room.

October 28 - Antelopes play Littlefield there at 7:30 p.m.

October 29 - Young Homemakers Pet Clinic at school ag shop from 2 to 5 p.m.

income guidelines to determine who is eligible. Farmers and self-employed people will be judged on net income instead of gross income.

## Lopes Face Tulia In Final Home Game

The Abernathy Antelopes will face the Tulia Hornets in their final home game of the season this Friday night at 7:30 p.m.

Their final two district games will be at Littlefield and Dimmitt. Fans wishing to see the Lopes at home for the last time this season should be sure and attend this game.

The Lopes have a record of 4-3 overall and 1-1 in district, which is very good considering Abernathy has a tough schedule playing many talented teams. Tulia has played many tough teams as well and has a record of 1-5-1 on the season and 0-2 in district.

Tulia is a team not to be taken lightly, even though their record is not that good. Under the direction of one of the most winningest coaches in the south plains, Coach L.G. Wilson formerly of Floydada and in his first year at Tulia, Tulia could have many surprises for the Lopes.

Tulia has lost several close games this season. Sept. 2 they tied Lockney 7-7; Sept. 9 Tulia lost to Idalou 14-30;

Sept. 16 lost to Frenship 14-28; Sept. 23 defeated Floydada 21-19; Sept. 30 lost to River Road 21-22; Oct. 7 lost to Friona 0-13; and Oct. 14 lost to Littlefield 0-58.

The biggest threats on the Hornet offense are senior fullback Rusty Hooper, 6 ft. 185 lbs.; senior quarterback Chad Swinburn, 162 lbs.; junior running back Tony Powell, 163 lbs.; and receivers Jim Bob Gleason, 6 ft. 2 in. 155 lbs. and Dane Lacy 6 ft. 1 in. 159 lbs. and a senior.

Tulia has an average size line. The offensive and defensive lines are not big or fast according to a Tulia reporter.

All fans are urged to show their support for the Lopes and attend the game Friday.

## Spaghetti Supper Friday

The Youth of the Abernathy United Methodist Church will sponsor a spaghetti supper before the Tulia football game Friday at the Community Center.

Spaghetti, salad, bread, tea and coffee will be served from 5:30 until 7 p.m. Admission is adults \$3.50 and \$2 for children 12 and under.

Following the football game, the UMY will sponsor a dance at the Community Center.

Everyone is invited to the supper and dance. This is the last home game of the '83 season so everyone is encouraged to attend the game, supper and dance.

## Antelopes Upset Friona

The Abernathy Antelopes had upset on their minds last Friday and they accomplished their goal by overpowering highly touted Friona 23-7.

The Lopes showed a lot of strength and character at Friona after having lost to Muleshoe the week before 6-35. The victory gave the Lopes their first district win and they now stand at 1-1 and 4-3 on the season.

Friona, 5-1 before the game, was completely surprised when the Lopes came out with a passing attack that could not be stopped.

Sophomore quarterback Jamie Mansanales had the best night he has had this season completing 12 of 16 passes for 218 yards and passing for 2 touchdowns. This coupled with 129 yards rushing spelled defeat for Friona. In all, the Lopes garnered 347 yards total offense to Friona's 141.

The Lopes also made the most first downs they have had this season with 22, while allowing Friona only 8.

Even though the Lopes offense lost 3 fumbles and were intercepted once, they moved the ball effectively and were forced to punt one time the entire game.

Stars of the aerial show were Randy

Houston, catching 5 passes for 66 yards, Darrell Young 4 for 51 yards, Sammy Galloway 2 for 64 yards and Ross Bradley 2 for 37 yards.

Gaining yardage on the ground for the Lopes were Danny McDaniel with 10 carries for 64 yards and Ross Bradley 13 carries for 53 yards.

On defense, McDaniel and Houston were each in on 10 assisted and unassisted tackles. Wade Wesley also gave a fine performance as he was in on 8. Jamie Mansanales had an incredible night on defense as he intercepted two Friona passes from his defensive back position.

### Game Highlights

The first score for the Lopes came when Mansanales connected with Galloway on a 46 yard pass play with 4:52 left in the first quarter. Wade Wesley kicked the extra point and the Lopes went on top 7-0.

Friona bounced back in the second quarter when their quarterback broke loose on a 23 yard TD run. The extra point was good and the game remained tied at 7-7 at halftime.

The next Lopes TD came in the third

quarter when Mansanales connected with running back Ross Bradley on a 27 yard pass play. The PAT attempt failed and the Lopes were on top again 13-7.

Then, with 8:38 left in the fourth quarter, the Lopes pushed within a field goal range and Wesley hit the uprights from 33 yards out to increase the Lopes' lead to 16-7.

With 2:27 left in the fourth quarter, the Lopes were threatening to score again as they drove down to the Friona 3 yard line. McDaniel ran it in from here for the TD. Wesley made the PAT and the Lopes capped off a 23-7 district victory.

MANSANALES ON A KEEPER...and he completed 12 of 16 passes for 218 yards against Friona Friday night.

	Abernathy	Friona
Yards Rushing	129	116
Yards Passing	218	25

Carrie Dee Lorenz and Carey Dale Odom

### Lorenz-Odom Engagement

Mr. and Mrs. H.G. Lorenz announce the engagement of their daughter, Carrie Dee Lorenz, to Carey Dale Odom, son of Mr. and Mrs. Jim Odom of Abernathy.

The couple will exchange wedding vows November 26 in St. Luke's United Methodist Church in Lubbock.

Miss Lorenz is a graduate of New Deal High School and Texas Tech University. Odom is a graduate of Abernathy High School and is a senior at Texas Tech University.

The smallest of all birds is the hummingbird. It can fly straight up in the air like a helicopter.

# Society and Features

## Local Artist Preparing For Arts And Crafts Festival

Abernathy High School art teacher Georgia Bartlett is working to get ready for the Abernathy Arts and Crafts Festival scheduled for November 19 in the Community Center at Abernathy City Hall.

She will be displaying oil paintings, decorative water colors, framed prints, framed butterflies, sea shells and her books on floral painting.

Georgia has taught in Abernathy School since 1959. She taught second and third graders for 15 years. This year's seniors were the last third grade class she taught before moving to high school to teach Individualized Art.

She has taught art for nine years.

She has also taught painting workshops in Hereford, Lovington, New Mexico, Midland and in the Anchorage, Alaska area this past summer. She spent two weeks at Anchorage and has been invited to return next summer. If plans work out for next summer, Georgia and her husband will go on another trip and sight see between teaching seminars from Fairbanks to the Kenai Peninsula.

Georgia is excited about this year's Abernathy Arts and Crafts Festival. "It is good for the community and gives many creative and

talented people a chance to display their work," she said.

It should be an interesting and enjoyable day for both exhibitors and people attending the festival.

## Tolers Go On Fall Foliage Tour Of 20 States

Mr. and Mrs. Marvin Toler recently went with a group from Calvary Baptist Church on a bible study and fall foliage tour. There were two bus loads of very nice people and they made lots of new friends. They toured 20 states, the District of Columbia, Niagara Falls and Canada.

The foliage in Vermont and New Hampshire was very beautiful. The colors of orange, yellow, purple, pink, red and green were so lovely.

On their tour they went through the Old Sturbridge Village in Massachusetts. It was pure yesterday as the

people were dressed in the 1700's style. They also visited Williamsburg Village in Virginia.

The highlight for the Tolers was visiting George Washington's Home in Virginia. Mrs. Toler sat on the front porch and wrote cards while looking out over the Potomac River. They also toured Washington, D.C. in a tram and saw all the sights and places of government.

They went to Arlington Cemetery. It is a large cemetery with around 615 acres.

They traveled through the White Mountains of New Hampshire and the Green Mountains of Vermont.

They went to Gatinsburg, Tennessee and Asheville, North Carolina. Then they headed through the Ozarks.

They were gone 18 days and enjoyed every day of it.

### T.E.L. Class Meets

The T.E.L. Sunday School Class of the First Baptist Church met October 13 in the home of Hallie Pool.

Ina Robinson opened the meeting by asking Mrs. Pool to lead in prayer. Ina Belle Anderson gave the financial report. Since Mrs. O'Neill was absent, there was no reading of the minutes.

Bernice Smith gave an interesting devotional taken from the book "Please, Give A Devotional" entitled

"One Day At a Time" by Amy Bolden.

A time of fellowship and discussion of current events, sparked by recalling incidents of the past, was enjoyable.

Hallie served Orange Date cake, cheese snacks, mints, nuts, coffee and punch to: Jessie Duty, Bernice Smith, Frances Howard, Bernice Conn, Ina Robinson, Pauline Durrett, Susie Anderson, Martha Phillips, Ina Belle Anderson and Pearl Grimsley.

### Delta Kappa Gamma Meets At Floydada

Iota Tau Chapter of Delta Kappa Gamma met in Floydada at the school cafeteria October 3.

After a program on world hunger and on the effects of nutrition on behavior, Chapter President Clair Golden presided at a short business meeting.

Floydada members presented a tribute to an outstanding member of their community, Billie Jordan.

Acting as hostesses, Floydada members served finger

sandwiches, chips, dips, and a pudding and fruit dessert.

The following Abernathy members attended: Peggy Tooker, Alma Ruth Patterson, Betty Cagle, Emily Ratcliff, Marie Riddell, Jan Montgomery, Bettie Hardin, Linda Sharp, Emma Frances McCluskey, Ruth Fulton, Charlotte Carter, Marilyn Stone, Patsy Tucker, Kathryn Newton and Bitsy Alldridge.

GEORGIA BARTLETT is one of many local women getting ready for the Abernathy Arts and Crafts Festival coming up in November. (Review Photo)

### 1935 Study Club Meets

The 1935 Study Club met in the home of Merle Jackson for a regular meeting and program.

Introduction to the program was given and it was on efficiency, which is "the right person in the right place at the right time doing the right thing in the right way."

The program was given by Merle Jackson on "America's Forgotten Crop." Who else is more knowledgeable on this subject having had 66 years experience on the farm.

"We love people and use

things, but may we never love things and use people," stated Myrna Davis, president.

Refreshments were served by the hostesses to the following members: Irene McAlister, Glenda McDonald, Edith Lovelace, Minnie Struve, Zelma Hale, Wava Barrick, Evaughn Hackler, Myrna Davis, Frances Mills, Alta Echols, Katherine Houston and Merle Jackson.

The next meeting will be October 27 with Irene McAlister as hostess.

### THIS AND THAT

BY HELEN WADE

Mrs. Virginia Livengood and daughter, Marsha of Hutchinson, Kansas were guests in the home of Mr. and Mrs. Cecil Amerson.

A Sunday dinner was prepared to honor the visitors and out of town guests which were: Josephine Cotton McBride, son Russell Wayne and daughter, Bobbie Jo Dirden and son James, all of Odessa; Palmer and Janet Hayo, son Bill of Levelland and daughter, Bonnie Williams and children Tonya, Mary Ann, and Robin of Smyer; Imogene Cotton and daughter, Patsy of Littlefield; Mrs. Walt Cotton of Abernathy; M.L. and Ester Ray of Plainview; and Gerald and Barbara Amerson and children K.C. and Liz of Plainview.

A good visit was had by all.

And the rains came...after looking skyward all summer the rains finally came. The wheat farmers will be ready to plant wheat now. We received 1 and 1/10 inch rain in the Sunday night storm and high winds.

Visiting in the home of Mr. and Mrs. M.M. Bell last week was Mr. and Mrs. Ed Lambert of Weatherford and Mr. and Mrs. Gordie Clapp and Mrs. Juanita Clapp of Sulphur Springs. They all attended the Golden Anniversary of Mr. and Mrs. Joe D. Adkisson and the 60th Anniversary of Mr. and Mrs. Pete Robison.

CHANGES IN AG POLICY--A Texas Agricultural Extension Service economist predicts some changes in agricultural policy are forthcoming. Agricultural policy in the past has dealt with particular problems at a moment in time and have been made in a patch work fashion--frequently on a crisis basis. Establishment of a consistent food and agricultural policy requires the development of a set of overall goals, as well as a consistent set of policies and programs to achieve them. Domestic farm and food policy goals need to be related to general economic policy, foreign policy and economic development.

"Little minds are wounded by the smallest things." La Rochefoucauld

### Retired Abernathy Teachers To Be Honored With Tea Nov. 8

Retired teachers of Abernathy Schools and this area will be honored at a tea November 8 at the Abernathy School.

Barry Tilley, as Grandpa Jones, will entertain and the former teachers will be asked to volunteer some of their favorite reminiscences

of the past.

Iota Tau Chapter of Delta Kappa Gamma is sponsoring the tea. Invitations will be mailed within a few days. All retired teachers in

the area and all retired teachers who taught in Abernathy Schools are invited.

Retired teachers who do not receive an invitation are

urged to contact Bettie Hardin, Mae Johnston, Alma Ruth Patterson, or Ruth Fulton, or send a notice to the following address: Iota Tau, Betty Cagle, 505 Seventh Street, Abernathy, Texas. Mrs. Cagle is project chairman for the Abernathy group.

### ATTEND THE CHURCH OF YOUR CHOICE

#### Weekly Devotional

Rev. Ken Horn Northside Baptist Church

The man who walks by faith sees things that other men do not see. Paul, in exhorting the Christian to walk by faith, said that all things seen are temporary, but the invisible things of life are eternal. (II Cor. 4:16-18)

While most of us walk by sight and react to the visible relationships around us, the Apostle commends us to seek after that which is unseen and accepted by faith.

Though many may see

this as a paradox, one may, through faith, know things which are invisible and eternal. Paul exhorts us to seek Christ. We must accept Him by faith as, to us, he is presently invisible. Furthermore, we are to seek an invisible city (5:1), as well as to strive for an approval yet unseen (5:9). This approval will be according to our invisible character (4:17).

Are you presently striving to please the world order? Paul says the man whose

destiny is the city, whose judge is Christ, whose integrity is his Godly character, will receive the commendation.

## Man From Africa Guest Speaker At Abernathy High School

Chuck Hagan

Chuck Hagan, an American citizen from the Republic of South Africa who was born in New York, was recently a guest speaker at Abernathy High School. Mrs. Sharon Kester was instrumental in bringing Hagan to AHS through the auspices of the Rosalind Kress Haley Library of Lubbock.

Hagan spoke to the government and American history classes, and discussed the multiple differences in the cultures of South Africa explaining why the country is so complex. He pointed out that there are 4 1/2 million whites and 20 million blacks in South Africa, and that many different languages are spoken and numerous lifestyles are practiced.

He explained to the students that the system of "Bolo"—purchasing a wife—is very much in existence in South Africa today. A wife can be

purchased for fourteen head of cattle. If she does not have a son within two years, she is turned back to her family.

Hagan also explained to the students that South African students are required to take four languages—English, Afrikaans, French, and Zulu. The students take Zulu because the Zulus are the major African tribe and number about 5 million in the country. South African students must be fluent in two languages and must pass their exams in two languages, English and Afrikaans, which is a language developed from 17th century Dutch and is one of the official languages of South Africa.

Corporal punishment is practiced in the schools of South Africa, and the students are required to do tremendous homework.

One of the main sports played in South African schools is Rugby which is similar to football, but is rougher and is played without padding or helmets. Play in Rugby is continuous kicking, dribbling, lateral passing, tackling, and interference. Substitutions are not permitted.

Hagan stated that there were very few drug problems among South African teenagers, and that South African teenagers were very much like American teenagers—enjoying rock music, sports, etc.

In closing, Hagan informed the students that South Africa was a very strategic country in maintaining stability in that part of the world. He carefully explained to the students that if South Africa fell to the Communists, it would definitely be a stepping stone to other parts of Africa.

**HAVE YOU PAINTED YOUR PUMPKINS?** These kids are sure to win a prize in the Painted Pumpkin Contest at the Octoberfest, Oct. 31. Other events include a face painting booth, a cake walk, stew, cornbread and baked goods, bingo, the Spookhouse, pie eating contest, dress-up contest, a costume contest and dart board. We would like for more organizations to reserve a booth to make this the best Octoberfest ever! Call Rheta Riley at 298-2447. # First Six Weeks Honor Roll Students At Abernathy Schools

## Fourth Grade Honor Roll

**RITA KELLEY'S CLASS:** Tana Cox, Rod Lambert, Robert Navarro, Kristi Robinson, Alex Salazar, James Teague, Prentice Sanders, Charlene Gorostiza, Eric Herring, Leandro Olivares, Candy Perez and Dolores Perez.

**LINDA SHARP'S CLASS:** Michael Blanco, Rusty Hamilton, Damon Loper, Woodrow Martinez, Lance Phillips, Felisha Cloud, Angela Lucero, La Donna Reedy, Micha Riley, Priscilla Salinas and Rebecca Shaw.

**TOMMYE RUTH STALLINGS CLASS:** Cody Forbes, Shannon Peoples, Tory Evans, Michael Jackson, Rachel Alaniz, Charlie Cabello, Gloria Marquez, Suzie Caballero, Marcus Savage, Michael Shadden, Kendall Teeter, Melody Edwards and Maria Gatica.

## 5TH GRADE HONOR ROLL

**SUSAN McMENAMY'S CLASS:** Alyson Aldridge, Scott Attaway, Dolly Cooper, Eva Dominguez, Stephanie Gainer, Kristi Galloway, Susanne Garza, Matt Kelly, Jody Myatt, Patricia Rod, Chad Shadden and

Bridget Sharp.  
**BETTY GRANT'S CLASS:** Virginia Cabellero, Dion Beard, Shelly Downs, Sandra Rodriguez, Chris Casey and Chris Simons.

**LARITA GALLOWAY'S CLASS:** Christy Ramirez, Holly Murray, Christye Marez, Jody Green, Juanita Gorostiza, Lon Dale Cannon, Michelle Anderson, Tiffany Pope, Jennifer Ross, James Yanez, Richard Palacios, Justin Prather.

## Junior High Honor Roll

**SIXTH GRADE:** Yvonne George, Sylvia Gonzales, Kirk Heard, David Hubbard, Bruce Irlbeck, Ashley Kester, Tracy Lloyd, Lori Morales, Jennifer Vega and Debra Wesley.

**SEVENTH GRADE:** Angela Aldridge, Tracy Attebury, Blaine Cox, Tisha Cox, Lisa Goodman, Jeanna Green, Andy Hagstrom, Amanda Kelly, Jeremy Knight, Helen Ozuna, Robert Palacios, Anita Perez, Elizabeth Rodriguez, Barbie Scott, Tracy Shaw, Tonya Spradling, Daun Tennell, Shawn Tilley, Felicia Woods and Amy Yanez.

**EIGHTH GRADE:** Geneva Aragon, Kristi Attaway, Kristie Attebury, Flint Big-

ham, Stephanie Evans, Tricia Garcia, Rob Givens, Lissa Goebel, Jeff Hannel, Connie Healy, Jared Knight, Joe Lucero, Ricky May, Marty Mejorado, Bret Parker, Lisa Petit, Tracey Pope, Tamara Prince, Michelle Riojas, Kimberly Roberts, Virginia Salazar, Hidy Sanders, Donna Stallings, Elizabeth Waits and Rose Williford.

## High School First Six Weeks Honor Roll Students

Honor roll students for the first six weeks were announced recently at Abernathy High School. Those on this list were as follows:

**FRESHMAN:** Sandy Garcia, Gary Grisham, Anita Hood, Helen Kester, Jerry Morgan, Laura Phillips, Nora Rodriguez, Anita Salinas and Barbie Watson.

**SOPHOMORES:** Jim Bob Carver, Donna Colbert, Suzanne Floyd, Tony Rodriguez and Philip Vandygriff.

**JUNIORS:** Ross Bennett, Ross Bradley, Carolyn Brantley, Michelle George, Michael Givens, D'Ana Howard, Donna Jackson, Mark Kitchens, Keith Lester, Lupe Mejorado, David McKinney, Bobby Morgan,

Tracy Murray, Dinah Neve, Amy Pettit, Leslie Prince, Kristy Thompson, John Vandygriff, Laura Waits, Wade Wesley, Donnie Williamson and Rita Williford.

**SENIORS:** Amy Boyles, Joan Davis, Linda Esquivel, Ruben Garcia, Susan George, Anton Gereau II, Terri Gist, Melissa Hagstrom, LaRita Howard, Stacey Kelley, David Kemp, Rachel Lopez, Danny McDaniel, Vicky McKenzie, Sarah Miller, Stacy Nichols, Tony Ortiz, Regina Powell, Jackie Riddell, Mary Salinas, Fran Salitros, Bilinda Scott, Trey Stone, Ed Teal, Melissa Thompson, Gary Trevino and Kathy Valdez.

## SCHOOL MENU

October 24-28

### BREAKFAST

**Monday:** Pineapple juice, Oatmeal, Milk.

**Tuesday:** Banana, Cereal, Toast, Milk.

**Wednesday:** Orange-grapefruit juice, Cheese toast, Milk.

**Thursday:** Apple juice, Cinnamon rice, Toast with jelly, Milk.

**Friday:** Hash browns, Sausage, Biscuits, Milk.

### LUNCH

**Monday:** Tostizza, Tossed salad, Pinto beans, Peaches, Milk.

**Tuesday:** BBQ Franks, Mashed potatoes, Baked beans, Biscuits, Fruit gelatin, Milk.

**Wednesday:** Salisbury Steak in Gravy, Baked potatoes, Green beans, Hot rolls, Peanut butter cake, Milk.

**Thursday:** Lasagna, Tossed salad with dressing, Buttered carrots, French bread, Pears, Milk.

**Friday:** Cheese burgers, Lettuce-pickles-onions, French fries, Brownies, Milk.

**'DATED' EGGS COULD HELP CONSUMERS**---An easy-to-understand "date" on egg cartons could be a big help to consumers looking for high quality, fresh eggs, says a poultry marketing specialist with the Texas Agricultural Extension Service, Texas A&M

## Frona Slips By 7th Lopes

Frona slipped by the 7th Lopes last Thursday in the final seconds of the game as a Friona defender intercepted a pass and ran it in for a touchdown.

The score was 12-18 Friona with 50 seconds left in the fourth quarter. The 7th Lopes had the ball and were on the move when intercepted by a Friona defender who ran into the end zone for the final TD of

the game to make the score 12-24.

The 7th Lopes gained 175 yards total offense. Making the TD's for the Lopes were Tony Garcia on a 1 yard run and Russell Miller on a 19 yard run.

The 7th boys had their problems-one of their punts was blocked, they lost two fumbles and had one pass intercepted.

One of Friona's TD's was

set up when they blocked a Lope punt on the Lope 15 yard line, and one came on a 26 yard run, and one on the interception at the end of the game.

Coach Ray Ater praised the performance of the following players: on offense-Miller, Soto, T. Garcia, J. Garcia, Olivas and Hagstrom; on defense-Olivas, Soto, Young, Guzman, F. Garcia, T. Hood and Gainer.

## Frona Too Much For 8th Lopes

Frona was too much for the 8th Lopes last Thursday defeating them 40-14.

The 7th Lopes still gained a lot of yards in the game with 87 rushing and 116 passing for a total of 203 yards offense. Friona racked-up 300 yards of-

ense. Making the TD's for the 8th Lopes were Irvin Dunn on a 3 yard run and Ricky May on an incredible 85 yard run.

What caused problems for the 8th Lopes were the many big mistakes, such as a problem on a punt which

resulted in a safety for Friona, losing two fumbles, and Friona returning a punt 40 yards for a TD.

Coach Ray Ater mentioned several players who performed well during the

game. They were: on offense-Givens, May, Aguirre, Bigham, Pearson, Garcia and Hannel; and on defense-May, Pearson, Dunn, Aguirre, Shafer, Konstantakos and Garcia.

## FFA News

The Abernathy FFA held its October monthly meeting Wednesday, October 12. Fruit sales have started and the Greenhand Initiation was rescheduled for Monday, October 24.

The chapter quilt programs, Houston Calf Scramble and the talent team were discussed. Members interested in these activities should contact Mr. Windham or Mr. Kelley.

Membership dues are \$6 and must be paid before Greenhand Initiation.

In 1866, there was no full moon in the month of February. This will occur again in 2.5 million years.

## JV Lopes Defeated In Last Two Outings

The JV Lopes lost their last two games, the first to Muleshoe and the second to Friona.

Thursday, October 6, the JV Lopes lost to Muleshoe there 12-36.

Running back Larry Slaw-

son made the first TD for the Lopes on a 5 yard run in the first quarter. The JV Lopez's second TD came in the fourth quarter on a 4 yard run by running back Mike Givens.

This was a very physical

game as Slawson suffered a broken wrist. He will not see any more action this season.

Thursday, October 13, the JV Lopes lost to Friona 6-26 here.

Abernathy rushed for 70 yards and passed for 24 for a total of 94 yards and Friona rushed for 168 yards total offense. The Lopes made 5 first downs to Friona's 11.

The Lopes were mistake-prone as they lost 4 fumbles and had 2 passes intercepted during the game.

Making the only TD of the evening for the JV Lopes was Todd Johnson on a 15 yard run. The PAT attempt failed.

The JV Lopes have a record of 2-4 thus far for the year.

## Freshmen Defeat Friona... Winning Streak Continues

The freshmen Lopes remain hot as they blanked Friona here last Thursday 14-0 to continue on their winning streak of 4-0-1.

The tough freshman de-

fense completely shut down Friona's offense.

The freshmen Lopes scored in the first quarter when Jack Waters picked up the ball after a blocked kick and

ran into the end zone. The extra point attempt failed and Abernathy was on top 6-0.

The Lopes' second TD came in the second quarter

when quarterback Chuck Thompson connected with Jack Waters on a 17 yard pass play. Thompson hit Waters again for 3 yards out for the 2 point conversion to make the final score 14-0.

Several players on defense were mentioned for their outstanding performances. They were: Waters, Gary Grisham, Brandon Houston, Rowdy Powell and Robert Castro.

## Grain Leader Urges Producers To Support Market Development Efforts

Texas farmers were advised this week to give serious consideration to Proposition 3 on the November 8 ballot. Proposition 3 is for a constitutional amendment designed to remove legal barriers that have prevented the Texas commodity check-off programs from operating like those of other states.

Larry Abeldt, 1982-83 Chairman of U.S. Feed Grains Council, said the commodity checkoff programs are vital to establish-

ing and maintaining world markets for U.S. feed grains. U.S. Feed Grains Council is a non-profit corporation which expands export markets for U.S. feed grains through a network of 15 offices with programs in 50 countries of Latin America, Europe, the Middle East, Africa and Asia.

Council activities promote the sale of and demand for U.S. feed grains through technical information and assistance programs. For

example, the Council sponsors, technical consultants to conduct seminars on animal nutrition, feedlot management, consumer education, etc. In other programs, the Council provides advice and leadership to developing countries in upgrading grain-based feed industries. Farmers in the United States depend upon the Council to promote the sale of corn and grain sorghum in world markets. This work is financed jointly

by producers, and agribusiness with two-thirds of the funding from producer checkoff programs.

Abeldt, a Kansas farmer, is also Vice President for Market Development of Grain Sorghum Producers Association. His statement to Texas producers was a challenge for them to resume their leadership role in promoting their agricultural products.

"When I first became aware of foreign promotion of U.S. feed grains," he said, "Texas was the leader. Grain Sorghum Producers began in Texas. The U.S. Feed Grains Council began in Texas. Texas passed the first checkoff program for feed grains. It was logical that Texas should lead this effort because, with the state's port cities and early harvest, Texas farmers have more to gain from exports than any of us."

"The grain sorghum checkoff program of the Texas High Plains became the model for programs in other states. It was a purely voluntary program. Farmers within a defined region established it with a referendum in which it had to be approved by two-thirds of the farmers voting. Any farmer who did not wish to participate received a refund upon request. It is the policy of the Texas board to answer every request on the same day it is received. Those refund requests averaged less than 5 percent."

"Kansas passed a similar statewide program in 1977. Last year, Kansas refunded 3.8 percent of its assessments. This year, Kansas grain sorghum farmers are contributing \$235 thousand to worldwide market development activities. In 1981, the Nebraska legislature passed a mandatory check-off program with no refund provision. Nebraska farmers are allocating \$130 thousand to market development programs this year."

"At the same time that other states were implementing successful programs,

LUBBOCK, Friday, October 14, 1983

All manner of things, especially price prospects and government cotton program needs, change drastically when considered from widely divergent year-end cotton carryover projections. And the range of carryover estimates for August 1, 1984 is about as great as is ever seen in mid-October.

The U.S. Department of Agriculture is now forecasting a U.S. cotton carryover of 4.4 million bales at the end of the current marketing year on August 1, 1984, down from 7.9 million bales on the same date in 1983.

The weekly futures report of a leading commodity brokerage firm sets the year-end cotton "surplus" at 3.7 million bales.

And Dave Cox, Vice President of Corporate Development and Business Services for Cotton Incorporated, the fiber company of American cotton producers, foresees the carryover at the end of this year dropping to 3.6 million.

Furthermore, it's no problem finding individual estimates of a carryover both below and above these extremes.

If the USDA figure proves correct, the higher carryover, all other things being equal, would considerably tarnish the price outlook for the remainder of the year, notes Donald Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc. "And the need for effective production control measures in the 1984 cotton program becomes more intense."

By the same token, Johnson continues, cotton price fundamentals appear much more bullish to those who believe in the lower carryover projections. And the industry would be much more able to tolerate a 1984 production increase, he adds.

The difference between CI and USDA projections results largely from a difference in export expectations. USDA says 5.3 million bales will be sold in foreign markets while Cox's sights are set on 6 million. However Cox qualifies his export estimate by saying that to reach it cotton "will have to remain competitively priced (with foreign growth and polyester) over the next several months."

It's noteworthy, Johnson points out, that the CI-USDA difference of opinion would be their greater were it not for the mitigating effect of their respective 1983 crop projections. CI's crop estimate is at 7.8 mil-

the Texas program was severely crippled by a court ruling that allowed processors who buy Texas grain the opportunity to solicit an exemption from producers. Proposition 3 is for a constitutional amendment which will reinstate the program as the producers intended it—with a refund available upon request.

"Texas leads the nation in sorghum production, with Kansas a close second and Nebraska producing about half as much. The entire sorghum checkoff in the state of Texas under the present restriction averages less than \$50 thousand per year."

"The leadership and direction of the market development programs of U.S. Feed Grains Council are controlled by the states which support it," Abeldt admitted. "I can tell you for sure, when a Kansas farmer sells grain, he pushes Kansas grain and when a Nebraska farmer talks grain, it is Nebraska grain."

"The feed grains checkoff programs in Kansas, Nebraska, Illinois, Iowa, North Carolina, Virginia and Wisconsin are working," Abeldt concluded. "Farmers there are happy with them. We average selling 35 percent of our U.S. crop to markets which were developed through our efforts. We are proud that we are doing something to help ourselves instead of waiting for someone else to do it for us. A worldwide market promotion for U.S. feed grains is costly to maintain but we can prove that it has been an effort well spent. Potential new markets are waiting to be developed in China and Africa. We can expand into those areas with the support of Texas producers."

Jupiter is two and a half times larger than all the other planets, satellites, asteroids and comets of our solar system combined.

lion bales as opposed to USDA's latest 7.55 million bale forecast.

The brokerage firm's major difference with USDA is in another area. They are fairly close to USDA on total offtake, but expect a 1983 crop of only 7.1 million bales, almost 5 million below USDA.

The chart below shows the principal figures used by each of the three, in round-figure millions of bales, to reach their conclusions. It will be noted that the ending stocks figure for both USDA and CI is slightly different from the figure obtained by simple addition and subtraction. That's because minor calculations of cotton unaccounted for, imports and allowances for error are omitted.

	USDA	BROKERAGE FIRM	CI
1982 Carryover	7.9	7.8	7.9
1983 Production	7.6	7.1	7.8
Domestic Use	6.0	6.1	6.2
Exports	5.3	5.1	6.0
Ending Stocks	4.4	3.7	3.6

Purely as a source of entertainment, it's interesting to note that putting the lowest carryover and production figures together with the highest offtake figures, and vice versa, produces ending stocks of 2.7 and 4.6 million bales, respectively.

# SUPER HARVEST SPECIALS

October closeout specials on John Deere 40 Series tractors: finance charge waiver to March 1, '84, or up to \$1,550 in lieu of waiver

We have a dwindling supply of 40 Series tractors, the most popular John Deere ever offered. So if you want a certain model, now's the time to act.

Year-end is not far away. Buy a new 40 Series tractor now and you can still take advantage of investment tax credit (ITC) and depreciation for 1983. Buying now will improve your field efficiency and head off possible breakdowns with your old tractor. Plus, the 40 Series will perform right along with higher-priced competitors.

And look at this. During October if you finance your new tractor with John Deere you'll save \$100s or even \$1,000s. Because tractors bought by October 31 are eligible for finance-charge waiver to March 1, 1984. Or you can get a cash rebate in lieu of waiver for the amount shown here.

Leasing is another option. Lease a new 40 Series tractor and lease payments will be discounted by an amount comparable to the finance charge waiver. Use leasing to get modern power, plus tax advantages, even if your 1983 taxable income is low.

Model	October '83 Cash Rebate In Lieu of Waiver	Model	October '83 Cash Rebate In Lieu of Waiver

Number Sense, Ready-writing, Spelling, Science, Prose Reading and Poetry Interpretation. Extensive Informative/Persuasive Speaking, and Debate. Students and sponsors making the trip were Lance Bigham, Barbara Alvarado, Suzanne Floyd, Bea Ramos, Jerry Morgan, Sarah Han-

nel, Laura Phillips, Angie Garcia, DeAnna Howard, Bruce Lloyd, Larry Gureau, Phil Vandygriff, Keith Lester, Darvin Stephens, Mark Kitchens, Helen Kester, Rhonda Neis, Bilinda Scott, Sharon Kester, Bettie Hardin, David Lanehart, Geneva Ethridge, Charlotte Carter, and Marilyn Vieregge.

### Abernathy High School Students Urged To Attend Vocational Night

Abernathy high school students planning to attend college are urged to attend the annual College and Vocational Night for Lubbock area high school students which will be hosted this year by Coronado High

School. This event is scheduled for October 24 at 7 p.m. Representatives from approximately sixty colleges and vocational schools will be present. At 7 p.m. there will be a brief assembly in

the Coronado High School auditorium followed by three twenty-five-minute sessions during which students and parents can meet with representatives of various colleges.

### REDUCED WHEAT ACREAGE

While the government's new wheat program is not as attractive as last year's, farmer participation in the 30 percent reduced acreage program (RAP) could be profitable, says an economist with the Texas Agricultural Extension Service, Texas A&M University System. This is because the expected deficiency payment rate (\$1.15 per bushel) more than compensates farmers for not producing on the least productive 30 percent of their wheat land. Overall, the 30 percent RAP looks like cheap price insurance. On the other hand, the decision to participate in the 20 percent PIK phase of the program is not as clear cut. Sign-up for the wheat program is Jan. 16 through Feb. 24, 1984.

James Garfield was the first U.S. President to use a telephone.

### City Council Meets--Band Boosters Meet; and Tuesday, Oct. 25--Athletic Boosters Meet.

### MORTON DEFEATS 7TH LIONS 33-6

Morton defeated the 7th grade Lions 33-6 last week. Outstanding offensive players in this game for the 7th Lions were Wylie Shannon, Tommy Heald and John Jackson. Outstanding players were James Brisco and Tommy Abercrombie. The coach made the following comments about the game: "Our kids played an extremely good game against Morton, we showed awful good intensity. Tommy Abercrombie played an outstanding game from his D.E. position. This week's Seagraves game is very important. A win Friday night would put us in an excellent position for the playoffs. We are improving each week as a football team."

### Wednesday:

Fried Eggs, Juice, Toast and jelly, Milk.

### Thursday:

Hot cakes, Syrup/butter, Juice, Milk.

## Dinner For Pete Laney Oct. 27

An appreciation dinner has been planned in honor of State Representative James E. "Pete" Laney, who represents the 85th District, consisting of Hale, Swisher, Lamb, Castro, Bailey and Parmer Counties in the Panhandle of Texas.

The informal chili supper will begin at 6:30 p.m. Thursday, October 27 and will be held in the Agricultural Center, located directly east of the Hale County Airport in Plainview.

Laney will soon be entering his twelfth year of

service to the State of Texas, and has many accomplishments to his credit, including the passage of numerous bills, and service on many committees.

He has served as chairman of the House Administration Committee, under former Speaker of the House of Representatives, Bill Clayton and is currently Chairman of the State Affairs Committee, one of the most prestigious committees in the State Legislature.

The dinner will be attend-

ed by several other House members and Senators, both present and former, along with other dignitaries from around the state. Former Representative Ralph Wayne will serve as Master of Ceremonies. Laney, along with his wife Nelda, and three children will be honored by all his friends, and hopes to meet any new friends from the newer counties he now represents.

Entertainment will be provided, and activities will conclude at an early hour, so that friends may attend from any distance in the District. Tickets will be \$5 each and are available from the County Democratic Chairman. Tickets also will be available at the door.

## Petersburg Farmers Harvest Test

Don and Mark Hegi, who farm 2 miles west of Petersburg, just completed harvest of their corn variety test according to Billy E. Warrick, Hale County Extension Agent-Agriculture.

The demonstration plot was planted April 26 and 27, 1983 on last year's cotton ground. Prior to planting the crop, 100 pounds of 18-46-0 fertilizer plus 221 pounds of nitrogen from anhydrous ammonia fertilizer was applied per

acre. Weeds were controlled by applying a 1 pound active ingredient rate of Atrazine prior to planting plus a 2 pint rate of Dual applied in a 20 inch band at planting and a layby treatment of Treflan at a 1 pint per acre rate. The field was sprayed once to control spider mites along the field margins. No pre-plant water was applied and the plot was watered five times during the growing season.

The test was topped by

NC plus 7120 at 8336 lbs. per acre, also included in the test was Ring Around 1505 with a yield of 7892 lbs. per acre; Paymaster UC 7251 at 7813 lbs. per acre; Stauffer 7795 at 7698 lbs. per acre; Pioneer 3184 at 7582 lbs. per acre; Pioneer 3186 at 7569 lbs. per acre; and DeKalb XL 73 at 7441 lbs. per acre.

These weights have been adjusted to 15.5 percent moisture.

## Area Entertainment

### MOONLIGHT EXTENSION CLUB ARTS AND CRAFTS BAZAAR

The Moonlight Extension Club is sponsoring its 5th annual arts and crafts bazaar, December 2 and 3 at the Bailey county Civic Center. The booth sizes are 10x10 and 12x12.

For more information or anyone wishing to reserve a space, should contact Betty Campbell at The County Extension Office at 806-272-4583 from 8 a.m. to 5 p.m.

### PLAINVIEW JR. SERVICE LEAGUE BRIDGE TOURNEY OCT. 26

The Plainview Junior Service League will hold its annual Bridge Tournament Wednesday, October 26 from 10 to 3 p.m. at the First Presbyterian Church at 2101 Utica. Tickets for the event are \$6.00 which entitles players to a light brunch and a luncheon.

All proceeds go to the JSL Children's Theatre Scholarship Fund. Tickets may be purchased at the door or from any League member. Ladies throughout the area are invited to participate. For further information contact Amanda William at 293-9390.

### MOONLIGHT EXTENSION HOMEMAKERS ARTS AND CRAFTS BAZAAR

The Moonlight Extension Homemakers Club is sponsoring its 5th annual arts & crafts bazaar, December 2 & 3, 1983 at the Bailey County Civic Center.

The booth sizes are 10x10 and 12x12. For more information or anyone wishing to reserve a space should contact Betty Campbell at the County Extension Office at 806-272-4583 from 8:00 a.m. - 5:00 p.m.

### EARLY REGISTRATION FOR TSTI'S WINTER QUARTER

Early registration for TSTI-Amarillo's Winter Quarter will be October 31 thru November 4, from 8:30 am to 4:00 pm, in the Resource Center on the TSTI campus.

Programs excepting new students will be: Auto Body Repair, Aircraft Mechanics, Automotive Mechanics Technology, Boot and Shoe Operations, Construction Technology, Cosmetology, Computer Science Technology, Diesel Mechanics Technology, Electronic Systems Technology, Industrial Instrumentation Technology, Interior Design Technology, Machine Shop Operations, Meat Processing and Marketing, Professional Truck Operations, Transport Refrigeration Mechanics, Saddle and Tack Making, Technical Office Training, and Welding and Fabrication.

For more information contact Admissions 335-2316 extension 268.

### LITTLEFIELD ARTS AND CRAFTS FESTIVAL SATURDAY

The Littlefield Arts and Crafts Festival is fast approaching. It will host an exciting array of talented artists and craftsmen. These people will show their wares Saturday, October 22, from 9:30 a.m. to 8 p.m. in the Lamb County Ag and Community Center on Highway 385 and 17th Street.

There are many craftsmen from Littlefield and the immediate surrounding areas involved in the Festival. But there are also people coming from Lubbock and its surrounding area, Plainview, and as far away as Odessa.

The Littlefield Young Homemakers are sponsoring this special event. The \$1.00 admission, which is tax deductible, will be used for charity in the Littlefield community through Young Homemaker projects. The admission fee also entitles you to a chance for beautiful door prizes from each of the 45 booths, drawn periodically throughout the day. You need not be present to win. Delicious homemade snacks will be provided at the concession area with stuffed potatoes as the main course item.

## Barrick Elected President Of Ag Economics Assoc.

Wendell Barrick of Abernathy, was elected president of the Texas Tech Ag Economics Association Saturday night in the Tech Agricultural Building. This is an association of former

students who keep in touch at their annual meeting. They have their meeting to coincide with Tech's Homecoming.

The purpose of this organization is to maintain contact with former students of the Ag Economics Dept. at Tech and to provide assistance with homecoming activities, recruit students for Ag Economics Dept. and to give small scholarships. Last year the Ag Economics Assn. gave four scholarships, two to undergraduate and two to graduate students. The faculty selects recipients,

which are students who need and deserve the scholarships.

The major undertaking they performed for the past year was a seminar, "Financial Management for the 80's," and was conducted by former students of the Ag Economics Dept.

This association has made plans for a computer class in this department to be held the last of January or first part of February. They have 35 micro computers. This seminar will let the participants have some time on the machine. It will be open to former students and their guests.

## Howard To Be Honored At Annual Tech Dinner

More than 150 Texas Tech University students enrolled in the College of Agricultural Sciences have been awarded scholarships for the 1983-84 school year. These students will be recognized at the college's annual Pig Roast November 17.

Included from the Abernathy area is: Lonnie Howard, freshman in agricul-

tural economics, son of Mr. and Mrs. Richard Howard, Rt. 2; two scholarships, Houston Livestock Show and Rodeo Association Scholarship and Howard Alford Memorial Scholarship.

## TRANSITION

### Boyd Reeves

Boyd Reeves, father of Joe Reeves, died last Tuesday night at 11:20 p.m. in a Pampa hospital. He was a native of McLean. Services were held Friday at 2 p.m. in the First Baptist Church in McLean and burial was in McLean Cemetery.

Survivors include his wife; two sons Joe of Abernathy and Ed of Dallas; one brother, Frank and a sister, Opal Reeves both of McLean; six grandchildren and two great-grandchildren.

LARGE CHUNKS OF SEAFOOD lend themselves to kabob cookery, and when combined with your favorite mixture of onions, green pepper cubes, mushrooms, bacon pieces or pineapple chunks, make for an outdoor cooking treat, says Annette Redell Hegen, Extension Seafood Consumer Education Specialist with the Texas Agricultural Extension Service. For successful seafood kabobs, select items that will cook at the same rate of speed or make adjustments if they do not.

## Files Turned Over To State Board Of Insurance

The insurance files owned by Miles Agency have been turned over to the State Board of Insurance to be investigated.

The files were being examined by Tommy Quisenberry, investigator for the Hale County District Attorney, but he recently turned them over to the State Board of Insurance for further investigation.

Steve Miles, owner of Miles Agency, has been

indicted in Hale and Lubbock Counties on felony theft charges. Officials stated that his whereabouts are unknown.

Those who have questions about the investigation or their policies should contact Quisenberry at 296-2416 or 293-8481.

The honeybee's wings beat two hundred times per second.

JUDGES ATTEND SEMINAR--Ninety-seven justices of the peace attended a 20-hour Texas Justice of the Peace Training Center seminar Sept. 13-16 in Amarillo. The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes. Among the judges attending were, left to right, Walter Hollums of Floydada, Floyd County, Precinct 1-4, Place 1; Shirley Groce of Petersburg, Hale County, Precinct 3, Place 1; and Glenn Stone of Plainview, Hale County, Precinct 1. (SWT News Service Photo)
