

*Nichols Worth*

*Why do we get so uptight?*  
I had to call someone the other day, and their answering machine was on. I listened to their message in amazement, because they sounded so tense and abrupt. This person is normally one of the most easy going, warm spoken people I know.

That set me to thinking about things, and I played back our Thunder Prairie Publishing message. Sure enough, I didn't sound a bit like myself.

Think about all those machine messages you hear. Whether they call it "voice mail" (which is a new word for answering machines) or something else, we stammer and stumble over our words, cut them off short, and generally don't sound like we usually do!

What is it about being recorded that makes us unsure of ourselves? If we answer the phone personally we don't sound that way. We sound out our "hellos" gladly and in a friendly tone of voice.

But put a written "script" in front of us, and we immediately feel on stage and begin to tense up!

Of course, not everyone is this way. I know one man whose message is short and to the point, "you know what to do after the beep" he says, and that's it.

There are those machines that have the electronic voices. They don't stammer, but they are stilted and strange. They also effectively conceal the identity of the person doing the message, which can be a good thing in today's society.

But, as we all know there are all kinds of answering machines, all kinds of pre-recorded messages, and all kinds of home recorded messages.

And, as we all know, most of us simply do not feel comfortable being recorded on them! I don't know why, I just know that is the way it is!

## Grant awarded to Red River County Courthouse

Recently uncovered decorative hand painting, hidden for years beneath layers of paint in the Red River County Courthouse, has been given new life, thanks to a supplemental grant from the Texas Historical Commission. The \$377,443 grant was the largest awarded by THC commissioners at their October quarterly meeting in Austin.

The words "Thou Shall Not Bear False Witness" in gold leaf extended above the original location of the judge's bench, which was relocated during 1910 alterations that painted over the phrase and other decorative finishes. The judge's bench will be returned to its original location, giving due prominence to the uncovered artwork. Coffered beamed ceilings, faux cherry and walnut wood graining, hand carved wood finials and decorative hand painting contribute to the courthouse's unique Victorian character.

The THC awarded Red River County an initial grant of \$3,472,614 in Round I of the Texas Historic Courthouse Preservation Program in May, 2000.

## Bogata Methodist Bazaar approaching fast

The annual Bazaar of the Bogata Methodist Church is fast approaching, November 9, 2002. The usual, children's toys, quilts, Christmas gifts and decoration will be available for purchase. And, don't forget the delicious baked goods, by the good cooks. In the baked goods department there will also be candy corn and other candies. The Church Cookbooks and the selection of knives will also be available.

There are three quilts: a beautiful mauve print and solid that was pieced by Anna Belle Patton (full size) and a colorful tiny squares (Queen size); for silent auction. The prize quilt is a large Partiotic colored star shape which was pieced by Betty Puckett. It has an interesting story, as she purchased a kit with the fabric already cut about five years ago. It was difficult to match all the pieces as they should be (especially for a perfectionist). After 9-11, Betty wanted to get it finished for the prize this year. She had taken out so much of her sewing that some of the material was ruined. She found plenty of red, white and blue and finished the quilt, making it bigger with trim to match what she had used.

We are proud of this labor of love and hope everyone gets to see it. A crew of four to six ladies quilt every Wednesday to finish these quilts. Most of the ladies of the church have tickets for sale.

The annual stew lunch will be served from 11 am to 1 pm. Adult plates will be \$4 and Children under 12 will be \$3. Carry out tray will be available.

Everyone is invited to attend this year's bazaar for a delicious stew lunch, to purchase special hand-made gifts, candies and baked goods and so much more. Plus, your ticket could win you this year's special, beautiful quilt.

STIRRING THE POTS-Members of Rosalie, Bogata and Cuthand Fire Departments cooked up the stew for the Thomas Park Fund-Raiser held Saturday at the old Bogata School gym. The food was delicious, the singing great and the event earned \$3,500 for the park. (Staff Photo Nancy Brown)

## Bogata's Thomas Park fund-raiser grosses \$3,500

Four large pots of stew were cooked and served to a hungry gathering this past Saturday evening at the old Bogata Gym. The Cuthand, Bogata and Rosalie Fire Departments and Bogata Lions Club spent the afternoon cooking in preparation for this fund-raiser.

Rick Holeman, Jeff Jackson and D.J. and the Cuthand Bottom Boys performed before the enthusiastic crowd. Sold were 77 delicious pies and cakes, cooked and donated by the areas finest. A beautiful Christmas wreath and center

**RUN, RUN**-the seventh grade Prairiland Patriots and Rivercrest Rebels had quite a game last Thursday night. (Staff Photo by Nancy Brown)

### Rivercrest JV takes Pats

The Prairiland Patriot's Jr. Varsity traveled to Rivercrest Thursday night. The night's game proved to be a defensive ball game with the Rebels scoring the only touchdown of the game.

The Pats defensive team played hard with Cody Flatt getting 3 quarterback sacks along with several other tackles. The whole line was busy, each doing

their part. Aaron Cheney, Justin Wright, Bill Robertson, Marty Anderson, Landon Woodall, Devin Phillips, Cole White, Matthew Owen, Matt Hostetler, Cody Withers, and Kenneth Applegate all made it a team effort on defense.

On defense, was the key phrase though because the Pats just couldn't make it across the goal

line. They made it to the four yard line but came up short. But considering the fact that Rivercrest doesn't even have a varsity squad, I think the young Patriots did a good job against the Rebels' finest. The final score was 0-6. The JV will play their last home game this Thursday night against Cooper.

### Rivercrest takes first, second and places for Regional at Cross Country meet Saturday

The Rivercrest Lady Rebel Junior High; JV Lady Rebel; Varsity Lady Rebel and Rebel Cross Country runners traveled to Prairiland Saturday morning for the District competition.

In the Junior High Division Susan Smith came in 2nd for the Lady Rebels with a time of 14:02 followed by Torrie Grissom at 3rd with a time of 14:04. Rachel Smith placed 11th with 15:56; Vikki Schmidt placed 12th with 16:12 and Vallery Schmidt placed 14th with 17:17 to give the team First place in the District! Coach Debbie Williams was very proud of her young runners and was there to encourage each one and meet each one at the finish line.

In the JV Girls Division, Rivercrest's Nikki Jones took a huge win over the competition, placing first with a time of 16:35. Coach Williams was all smiles after this big win for Nikki and the Lady Rebels.

In the Varsity Division it was a run away for Lady Rebel Casey Hammonds who placed first all alone with a time of 13:37! Stephanie Williams placed 6th with 14:26; Danielle Easterling finished strong overtaking two runners at the finish with a time of

14:33 and placing 9th; Rachel Case placed 14th with a time of 14:48; Mandy Crawford placed 15th with 15:35; Tina Carder placed 21st with 15:58 and Erica Williams placed 22nd with 16:07.

The Lady Rebels took second place in the meet with 48 points. Prairiland was the first place team with 45 points. Cooper placed third with 54 points and Chisum placed 4th with 72 points.

In the Varsity Boys Division,

the lone Rebel runner, Brandon Buchanan placed 4th and will be competing at the Regional Meet this year. Brandon's time was 19:57.

Coach Williams and the Lady Rebel Varsity and Rebel, Brandon will set their goals toward a Regional medal in Huntsville, Texas this Saturday, November 2, 2002. Good Luck teams and congratulations on a good season!

### Junior Pee Wee's in 1st

The Rivercrest PeeWee Junior (2-4 grade) football team is advancing to the Super Bowl playoffs.

Playoffs will start at 10:00 a.m. on Saturday, November 2, 2002, at the Swamp. The junior team has an excellent chance of going all the way to the superbowl this year which will be played in Paris on November 12.

The Junior Team is in third place in their division. They will play at 4 p.m. on November 2, 2002.

There will be a peeewe pep rally on Friday November 1. Look for signs at the local stores for the pep rally time and place. Come out and support your local youth and have a good time.

As Vice-President, Cara will be traveling to high schools and junior colleges in the Austin/San Antonio area to recruit students and promote the mission of the SPJ.

The SPJ is dedicated to the continuation of a free press as the cornerstone of our nation and liberty. Their mission is to encourage a climate in which journalism can be practiced freely and to inspire talented individuals to become journalists.

The SPJ at SWT will be holding two panel discussions this semester. At these discussions journalism students will be allowed to speak one-on-one with professionals in all media fields as they give tips on getting through interviews and creating a solid portfolio.

The SPJ officers will also be attending workshops through out the year to better themselves as journalists and to share the information they have gathered with the SPJ community.

The SPJ at SWT was named 2000-2001 Outstanding Campus Chapter of the Texas and Oklahoma region for the second year in a row. Cara is striving to do her job to the best of her ability and the group is working to receive the award again in the future.

Cara is in her third year at SWT and majoring in print journalism with a minor in media studies. When she is not out promoting the SPJ, she is a film critic for The Daily University Star and life-guard at the Aqua Sports Center.

Cara is the daughter of Vandy and Elaine Morgan of Bogata and a 2000 graduate of Rivercrest High School.

Dean Ward turned 5 years old September 4, 2002. He celebrated his birthday Sunday, September 1, 2002 at Cypress Springs Lake with Pokemon as the theme of his party.

Everyone attending enjoyed hot dogs with all the trimmings, Pokemon cake and ice cream. The kids played in the water all afternoon while the adults enjoyed visiting and watching them.

Attending were: Dean's parents, Marty and Rachel Ward and little sister, Marta, Papa and Nanny (Gene and Cecelia Smith), Auntie Kim Hatley and cousins, Kaleb and Kaysie Hatley, Uncle Todd and Aunt Jamie Ward, cousins, Jalee and Jacob Ward, Great Aunt, Lou Hall and cousins, Clay, Chasity and Caley Francis and Camen Calvin, Brooke Bishop, Sharon Francis, Cody Wolfe, Junior and Jeannie Primm, Shaunda, Nikki and Breann Lewis. **ELECTION ALERT!**  
**BILL RATLIFF & MARVIN NICHOLS!**

If, like some of us, you've been following controversial local news in recent months, then you're certainly familiar with the heated debate swirling around the proposed Marvin Nichols Reservoir and plans for other Sulphur River reservoirs, for water that would be piped, at great cost, to DFW consumers. The people of Northeast Texas have adequate water supplies and do not need these additional destructive lakes.

On Sept. 16, Governor Rick Perry told *The Dallas Morning News*, "It appears to me that if Dallas solely relies upon the building of Marvin Nichols, they could miscalculate....I think we need to be looking for other alternatives to Marvin Nichols." The Governor favors the construction of more technologically efficient desalination plants along the Texas Gulf Coast. Marvin Nichols Reservoir might have been an option for water supply 35 years ago, but in today's world Marvin Nichols is a dinosaur of technology. Gov. Perry's opponent Tony Sanchez told the *"Dallas Morning News"*, "I don't want to take local control of water away from people."

On Aug. 2, U.S. Congressman Max Sandlin of Marshall and State Representatives Barry Telford of DeKalb, Mark Homer of Paris, Tom Ramsay of Mt. Vernon and Bob Glaze of Gilmer issued a joint-statement to Region D waterplanners to postpone any further action regarding Marvin Nichols. Sandlin's opponent John Lawrence of Pittsburg, Telford's opponent Dan Teafatiller of DeKalb, and Republican State Senator Bill Ratliff's Democrat opponent B.D. Blount of Paris all have voiced opposition to Marvin Nichols. This is quite logical: 99% of local people oppose these lakes. Where was Bill Ratliff on Aug. 2? Does that sound like a man who is trying to protect and represent his constituents, who have so generously elected him, time and again, in years past? We citizens deserve better than this! Ratliff has used a DFW dagger to stab Northeast Texas in the back!

**BILL RATLIFF STANDS ALONE IN HIS OBSESSIVE, SELF-SERVING SUPPORT FOR THE MARVIN NICHOLS RESERVOIR! A VOTE FOR RATLIFF IS A VOTE FOR THE LAKE! RATLIFF REPRESENTS BIG-CITY VESTED INTERESTS, NOT THE LOCAL INTERESTS OF PEOPLE IN THE SULPHUR RIVER BASIN! VOTE DEMOCRAT B.D. BLOUNT, TEXAS SENATE, DISTRICT 1**

*Letters to the Editor*

Letter to the Editor:  
 As a rural resident of Lamar County whose safety is supposedly a concern of Judge Superville, I find it ironic that many of the Paris firefighters are openly supporting Superville over Paris Mayor Michael Pfister who is running for the office of county judge.

The nineteen volunteer fire departments in Lamar County get a paltry \$82,000 from the county budget annually to provide fire protection for half the population of Lamar County. Seventy-one percent of the Paris firefighters live outside the city of Paris in Lamar County, a city which just budgeted \$3.8 million for the fire department serving the other half of the citizens of Lamar County in Paris. It seems strange to me that Paris firefighters who have made such a "safety" issue about some small budget reductions in the Paris budget can support a county judge candidate who does so little for the safety of 71% of their families who must rely on the volunteer fire departments outside the city of protection.

It seems to me that Paris has been very proactive in building new fire stations, buying new equipment, adding additional firefighters, paying for training and compensating their personnel very well. If the Paris firefighters are so unhappy with their pay and can be paid so much more by leaving, then why aren't they leaving?

I will tell you who is leaving. There is a revolving door in the Lamar County Sheriff's Department. Living in the county I am well aware of this need. We need someone who will address the safety needs of those of us who live outside the city of Paris. Our volunteer fire departments desperately need support as do the men and women of the Lamar County Sheriff's Department.

Sincerely,  
 Renata Thompson

**Williams girls meet**

Daughter Willie Clark and granddaughters of the late Earnest and Iva McConnell Williams met for a weekend of fun Friday, October 25.

Willie, her daughter and nieces bombarded the home of Charles and Annette Skaggs and invited Charles, John and Bobby to eat supper with them. They were going to roast Dot Peek and Bobby Williams since they were the oldest grandchildren, but decided they were too old to roast. Annette crowned Aunt Willie as the Queen Bee of the weekend.

Bernice Hartman, the youngest daughter of Papaw and Mamaw will regret she was unable to attend, along with the granddaughters that missed. After eating, John and Bobby were sent home and Charles was gracious enough to spend the next two nights in their motor home.

The girls got into their PJ's and watched a video for the style show, Betty Tyson daughter of the late Nola Williams Blount put together when they gathered at her home in March. Saturday morning the crew met at Odetha Clark's home where she and Kathy Sue Williams fixed breakfast. Afterwards, Dot Peek, Betty Tyson daughters of Nola, Sharon Francis, Patsy Moles daughters of Son, Odetha Clark daughter of Willie, Kathy Williams, Betty Williams wives of Andy and Bobby, Joyce Tolison, Annette Skaggs and Carol English daughters of Lewis went to Clarksville for the courthouse dedication. Betty and Dot had to return to Louisiana but the rest traveled to Cuthand. Sharon and her crew stopped to pick up Mary Ellen Cain, not a Williams, while the rest stopped by Cuthand Cemetery where Papaw and Mamaw are buried. After visiting the family and Vickie Bryant's graves, they traveled CR1412 to John and Carol English's home. John had a barbeque fit for a king with all the trimmings. Lillian Watkins, Wesley and Katie Watkins, Charles Skaggs, Bobby Williams and grandsons O.J. King, Brandon Williams and Matthew met them there. Following the meal they headed back to Annette's, traveling another nice road 1410 and stopping by Jessica Whitney's home to say hello to her and children.

The group enjoyed another night of fun and laughter with a game of train, pocorn and a movie.

On Sunday morning, all began leaving to go back to their homes.

The group will meet again at the home of Benny and Dot Peek for their next get together.

### Best Students name Best Teachers

A select group of America's teachers are being honored by their toughest critics, their former students, in the seventh edition of Who's Who Among America's Teachers, 2002.

All of the approximately 114,000 teachers being honored were selected by their former students who themselves are currently listed in Who's Who Among American High School Students or The National Dean's List, publications which recognize 5% of our nation's high school and college students respectively. There is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication.

The students were requested to nominate the one teacher from their entire academic career who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom and many praised their teachers for their ability to relate

to youngsters on a personal as well as professional level.

Local educators honored in Who's Who Among American Teachers, 2002 include:

Blossom: Marilyn Tribbey Fuller.

**LAMAR COUNTY NEEDS A LEADER WHO WILL WORK FULL TIME AS AN ADMINISTRATOR AND RUN COUNTY GOVERNMENT LIKE A BUSINESS. OUR COUNTY JUDGE NEEDS TO LET THE COUNTY COURT-AT-LAW HANDLE THE CASE LOAD IT WAS CREATED FOR.**

**WHEN ELECTED I WILL:**

\*encourage citizen input and see that agendas are lawfully posted for every meeting-every agenda item. Accurate records will be available to all citizens. I will seek to have evening meetings so that working citizens can attend to take part in their county government.

### Bogata Boy Scouts attend Mom and Me camp out

Members of Bogata Boy Scouts Pack #135 enjoyed a trip to Mom and Me Camp at Camp Dierks in Oklahoma October 12 and 13, 2002. Attending were; Mary Tiffie and Dillon Cortez; Brandi and Dakota Ward and Tammi and Ashton Sellers.

The group enjoyed shooting BB guns, bow and arrows; crafts and the boys really had fun on the obstacle course. Camp Dierks was a wonderful experience. I gave the moms and boys a chance

to have quality time together, camping in a tent, sitting around the camp fire with no phones ringing, no errands to run, no house to clean etc. The hardest thing about the camp out was leaving for home.

Boy Scouts of America is a great experience for the boys and their families. To sign up and become a member contact Troop Leaders, Eric Moreno or Bill Burge in Bogata.

THE REBEL MASCOT- (Casey Easley) visited the Rivercrest Elementary School this week to distribute Red Ribbons in honor of the 14th National Red Ribbon Week.

ON OCTOBER 21, BOGATA Cub Scout Pack 135 toured the Paris Fire Station. The firefighters showed the Scouts many things such as their workout room, their bedrooms and their kitchen. The Scouts were amazed that the firemen had a Play Station setup in the kitchen. The Scouts also got to see the fire trucks, a demonstration of the jaws of life and one of the firemen even put on his suit. ### Red Ribbon Week observed at RHS

October 28-31 marks the 14th celebration of National Red Ribbon Week. In 1985, Drug Enforcement Administration undercover agent Enrique "Kiki" Camarena was killed by drug traffickers in Mexico. Angered by his death and the damaging effect of drugs on the culture, people of Camarena's hometown of Calexico, California, began wearing red ribbons in his honor. The trend spread across the country, and in 1988 Congress proclaimed

the last full week in October as National Red Ribbon Week. The event continues to grow as more and more schools show their support for a drug-free America.

At Rivercrest High School on Monday everyone received a red ribbon. On Tuesday it was "Team Up Against Drugs" day. Everyone wore their favorite team shirt and the Student Council passed out Red Ribbon pencils at lunch to all that participated. Wednesday was "Red Hot Day" Every-

one wore red and the Student Council passed out Red Hot Tamales during lunch to all students wearing red. On Thursday "Don't Be a Sucker for Drugs" was the slogan and students wearing their red ribbons received a sucker at lunch.

The Junior High and Elementary students of RISD also participated in Red Ribbon week to begin drug education as soon as possible.

### Letters to Editor

To the Editor:

Having attended both days of the Red River County fall festival, I want to convey to those who could not be there my view that the future of the county received a significant boost last weekend. Both the creation of a Hall of Fame and the rededication of our proud old courthouse are steps in making the county that was "Gateway to Texas" a profitable destination for tourists. Until we get enough water for industry, we may never grow as fast as Texas-as-a-whole, but tourism might at least halt the economic slide that has impoverished the county over the past eight decades or so.

At any rate, a beginning was made in restoring our pride and our sense of community over all parts of the county. Please note that the students' history contest was the first time in living memory that students of all of the county's school districts were brought together in one place. Judge Lovett, the Reverend Raymond Judd, "Little Jim" Clark and all the others whose hard work made these events take place deserve the thanks of us all.

John Howison, Bogata

### Public Notices

#### NOTICE OF REFERENDUM

In accordance with the provisions of the Texas Agriculture Code, Chapter 74, Subchapter D, and 4 Tex. Admin. Code, Chapter 3, Subchapter A, the Texas Department of Agriculture (the Department) will conduct a referendum on the proposition of whether or not cotton growers shall establish a boll weevil eradication program in the area designated by rule as the Northern Blacklands Boll Weevil Eradication Zone and pay a maximum annual assessment in the amount of \$13.25 per land acre of cotton each year until costs of the eradication program plus finance charges are paid off, which is anticipated to take up to 10 years, and a nominal maintenance fee thereafter. The initiation of a program at this assessment level is contingent upon obtaining financing and a minimum of 30 percent state and/or federal cost-share funding. If approved, the program and assessment are expected to begin in the zone on a date determined by the Texas Boll Weevil Eradication Program Board of Directors.

The Northern Blacklands Eradication Zone consist of all of Montague, Cooke, Grayson, Fannin, Lamar, Red River, Bowie, Cass, Morris, Titus, Franklin, Hopkins, Delta, Hunt, Rockwall, Collin, Denton, Wise, Jack, Parker, Tarrant, Dallas, Kaufman, Rains, VanZandt, Henderson, Navarro, Ellis, Johnson, Hood, Somervell, Bosque, Hamilton and Hill counties; and those parts of McLennan and Limestone counties north of State Highway 84. If a zone program and assessment are approved by this referendum, growers in the zone shall vote again on whether or not to continue eradication efforts after four years of active program activities.

Also, as part of the referendum, a representative of the above-referenced zone will be elected to serve on the Texas Boll Weevil Eradication Foundation Board of Directors. The board is charged with administering the boll weevil eradication program in Texas.

The referendum and board election will be held by mail balloting. Ballots will be mailed by November 19, 2002. All ballots cast by mail must be post-marked no later than December 9, 2002, in order to be valid. Any cotton grower having cotton production in 2002 within the zone defined above is eligible to vote, and if he or she resides in the Northern Blacklands Boll Weevil Eradication Zone and has at least seven years experience as a cotton grower, to have his or her name placed on the ballot as a can-

didate in the board member election. A cotton grower is defined as a person who grows cotton and receives income from the sale of cotton. The term includes an individual who, as owner, landlord, tenant or sharecropper, is entitled to share in the cotton grown and available for marketing from the farm or share in the proceeds from the sale of the cotton from the farm.

Any person eligible to vote in the referendum or board member election who resides in the Northern Blacklands Boll Weevil Eradication Zone and meets the seven-year experience requirement may place his or her name in nomination for election to the Texas Boll Weevil Eradication Foundation Board by written application to the Department at the address provided below. The application shall be on a nomination form provided by the Department and must be signed by the applicant and at least ten other eligible voters. The nomination form must be received in Austin by November 11, 2002, and must provide the legal residence of the applicant. A nomination form may be obtained by contacting the Department office or any county agent located in the voting area.

For more information regarding the referendum and election, or if you are a cotton grower in the above-referenced area and do not receive a ballot, please contact the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas, 78711, telephone 512-463-7593. 11-7
