

The welcomed moisture we got over the weekend wasn't nearly enough, but it sure was something to see...the nice wet morning and the drizzle and rain coming down sure was wonderful.

Monday evening some of the county got more moisture, it came a little fast, but as dry as the country is it sure didn't get much of a chance to runoff and be wasted!

Like one fellow said, "I'd take a good wet fall, if it were wet enough!"

XXXX

A bunch of Sherman County 4-H members really got a soaking Monday night. The local 4-H boys and girls had all left Stratford Monday for a two-day camp down at Palo Duro Canyon and to see TEXAS on Monday night.

Well, the frontal system which sailed across the south part of our county Monday continued on toward Amarillo and really dumped some torrential rain in that area Monday night.

To make a long story short, the 4-H kiddoes were all seeing TEXAS when it began coming down in sheets. The play was rained out and then the entire group was on one side of the water gaps in the canyon and their campsite was on the other. The creek came up quickly so all returned to Stratford during the night Monday.

Our two kiddoes woke us up around one or two a.m. County Agent Jim Allison went on back early Tuesday morning to help Mr. and Mrs. Johnny West gather up all the camping gear and bring it all home. The Wests didn't go to the play so they were left at the campsite and couldn't get out Monday night until the creek went down.

Such is the life of a camper...!

XXXX

Speaking of troubles, we heard a story about Count, a poodle belonging to the Joe Wells family.

As many have noticed, the city is shooting and resurfacing many streets in town. First a layer of hot tar is laid down, then later is covered with gravel.

Well, it seems that Count got out of the house to make his rounds Monday afternoon and crossed the freshly coated tar in front of his home. In the crossing he got all four feet deeply coated with hot tar. Then, he must've waited until the workmen put down the gravel then decided to come back. So here he was with all four feet tarred and gravelled.

Joe said he was one sorry sight when he found him late Monday evening. Who said a dog had a good life?

XXXX

It really doesn't seem possible, but summer is all but gone. School will begin in just a few short days and many folks are making every effort to get in that last vacation trip. We hope everyone will be careful on the roads and get safely home again.

XXXX

We have been asked by Supt. Bass to remind folks that there will be a Free Immunization Clinic at the Cactus Elementary School down at Cactus on August 14 from 2-5 p.m.

Anyone who has a child to enter school this year who hasn't had all the required shots may get them at this clinic. This clinic is operated by the Texas Department of Health and no charge for the immunizations.

If there is any doubt about what shots may be needed, check with Supt. Bass' office or either of the three principal's offices at the Stratford Schools for details.

XXXX

Some wonderfully cool weather, some showers even, who knows...maybe it will rain again.

Commodity prices Tuesday showed wheat selling for \$3.98 per bushel, grain sorghum at \$5.00 per cwt and corn at \$2.99 per bushel on local markets.

CLASSES OPEN AUGUST 19

Pre Enrollment Begins For New School Term

Only 10 more days remain until school term begins for the 1974-75 year for the Stratford Independent School District, announced Supt. E.L. Bass this week.

Elks Begin Two A Days On Monday

Members of the Stratford Elk squad will begin 2-a-day practices on Monday at 7:29 a.m. Physical forms must be filled in and brought to the field house before squad members will be allowed to practice.

Junior high football squad members are asked to see Jack Gilley at his office in the Stratford Middle School for their physical forms. These may be picked up now and returned when school starts.

The football schedule for the varsity is as follows: September 6, Spearman, here, 8 p.m.; September 13, Guymon, here, 8 p.m.; September 20, Texhoma, here, 8 p.m.; September 27, Dalhart, here, 8 p.m.; October 4, White Deer, here, 8 p.m.; October 11, Canadian, here, 8 p.m.; October 18, Stinnett, here, 7:30 p.m.; October 25, Fritch, here, 7:30 p.m.; November 1, Gruver, here, 7:30 p.m.; November 8, Sunray, here, 7:30 p.m.

The seventh, eighth and Junior varsity schedule is as follows: September 5, open; September 12, Fritch, here, 5 p.m.; September 19, Sunray, here, 5 p.m.; September 26, Gruver, here, 5 p.m.; October 3, White Deer, here, 7 p.m. (JV only); October 3, Spearman, here, 5 p.m. (seventh and eighth only); October 10, Canadian, here, 5 p.m.; October 17, Stinnett, here, 5 p.m.; October 24, Fritch, here, 5 p.m.; October 31, Gruver, here, 5 p.m.; November 7, Sunray, here, 5 p.m.

NEW BUSINESS HERE

Delta Service Division Offers Electric Needs

Delta Industries Inc., Services Division is the newest business to be added to a list of business firms to serve the needs of the growing Sherman County area.

The service Division offers individuals and businesses installation and repair of electric power, heating, air-conditioning and refrigeration.

Charles Harbour is the general manager of the new business. The company is temporarily located in the old Highway 54 Cafe building on East Highway 54 in Stratford. They may be reached by telephoning 396-2481 or 2482.

"We are interested in the repair and installation of house-wiring systems, irrigation & feedlot electrical systems and all types of electrical work, both new systems and the repair of existing lines," said Harbour.

DELTA INDUSTRIES, INC., SERVICE DIVISION--Personnel ready to serve your electrical needs plus all types of feedlot wiring, house wiring, heating, air-conditioning and refrigeration installation and repair are shown here. The office is temporarily located at the old Hiway 54 Cafe building on Highway 54 in Stratford with Charles Harbour, general manager. Shown above, left to right, Mike Williams, Charles Harbour, Tom Harbour, Tommy Lovett, Don Jackson and Granvil Smith.

The first full day of classes for all students who will attend school here this fall begins on Monday, August 19, with teachers reporting for in-class sessions on August 15.

Administrative personnel began work this week and all residents who have moved into the SISD this summer and who will be entering students here for the first time are urged to have their children pre-enrolled.

Students who will be entering either the Mary Allen Elementary School (Grades Kindergarten through 4th Grade) or those who will be in the Stratford Middle School (Grades 5th-8th) may pre-enroll their children as soon as possible.

H.T. Galloway is the principal of the Mary Allen Elementary School and his secretary is Mrs. Shirley McReynolds. Jack Gilley is principal of the Middle School and his secretary is Mrs. Joyce Dodson.

Parents of new students are urged to come by the office concerned between the hours of 9 a.m. and 4:30 p.m. to sign registration forms and visit with either Galloway or Gilley to get any questions the parent may have answered.

All new students must have a birth certificate and health record on file before they will be admitted to classes.

Kindergarten students must be five years of age on, or before, August 31, 1974. First grade students must be six years of age on, or before, September 1, 1974.

Kindergarten classes will be operated on a half day basis with one section meeting from 8:30 a.m. until 11:30 a.m. and the afternoon section meeting from 12:30 p.m. until 3:30 p.m. All new high school students may enroll from 1:30 p.m. until 3:30 p.m. on August 13-14.

The Stratford High School Principal is Dale Prescott and his secretary is Mrs. Donna Gilley.

All principals emphasize the fact that no student will be allowed to enroll without immunization records being on file. Texas State Laws prohibits schools from enrolling any student if the immunization record is not up to date and on file with the school in question.

Supt. Bass pointed out that there will be an Immunization Clinic at the Cactus Elementary School in Cactus on Friday, August 14, from 2 p.m. until 5 p.m. This is a Free Immunization Clinic operated by the Texas Health Department. All new students who need shots may get their immunization records up to date at this time.

Principal Prescott gave the following dates and times for all high school students to report for pre-enrollment.

All high school students may pre-enroll on Friday, August 16, on the following time schedule: Freshmen students, 10 a.m.; Sophomore students, 11 a.m.; Junior students, 1:30 p.m. and Senior students, 2:30 p.m.

The first full day of classes will be Monday, August 19, beginning at 8:30 a.m. All buses will run the same routes as they did on the final day of school last May.

Principal Prescott emphasized

(Continued on Page 2)

Elk Band Sessions To Begin Tuesday

All Freshmen and new Elk Band students are to report Tuesday at 10 a.m. at the Band Hall, announced Gary Laramore Elk Band Director.

Freshmen and new students must be prepared to work from 10 a.m. until noon Tuesday thru Friday. All band students will begin workout and practice sessions Tuesday evening, 7 p.m. until 9:30 p.m. Workouts for all band students will be held Tuesday, Thursday, and Friday evenings.

All students who need school horns are to report between 8 a.m. and 5 p.m. on Monday to check out these instruments.

In addition, all Elk Band members are urged to contact either Gina Bass or Shirlyn Christian and get their Band Calendars to deliver.

Kerrick Reunion Plans Set For Aug. 18

The bi-annual Kerrick Reunion is slated for Sunday, Aug. 18 at the Kerrick, Community Center. Registration begins at 11 a.m. with a luncheon at 1 p.m. Those attending are asked to bring a large covered dish. Beverage and bread will be furnished.

Awards for the Oldest Lady, Oldest Man and the one traveling the longest distance will be presented.

Anyone having lived in the Kerrick area, or interested in visiting with those who have, is cordially invited. Cards were not sent locally.

WEDNESDAY AFTERNOON CRASH--DPS Patrolman Bob Steward is shown at the wreck scene last Wednesday on the Gruver Highway when this pickup, driven by Bill Reed, hit a manure truck driven by Claude Barnes of Dumas. Reed suffered head injuries and lacerations and his young son, Don, suffered a broken arm. The pickup was a total loss and heavy damage was done to the manure truck.

STRATFORD, SHERMAN COUNTY, TEXAS 79084

Stratfordites Injured In Pickup Crash

Bill Reed and son, Don, both of Stratford, were injured Wednesday in a crash between their pickup and a manure truck at the intersection of a county road and the Gruver Highway about three miles east of town.

Reed and his son were headed east on the Gruver Highway in a 1974 Ford pickup and Claude D. Barnes of Dumas was headed south on the county road when the two vehicles got together about 1:30 p.m.

According to Investigating Officer Bob Steward apparently Barnes pulled across the Gruver road into the path of the oncoming pickup occupied by the Reeds.

The Reed pickup skidded over 200 feet down the highway before hitting the manure truck broadside. The pickup was a total loss and the truck was heavily damaged.

Reed suffered head injuries and facial lacerations and Don suffered a broken arm. Barnes was not injured.

THURSDAY, AUGUST 8, 1974

THE STRATFORD STAR

Tip Top Town in Texas

VOLUME 74

TEN PAGES

NUMBER 32

Welcome Moisture Falls On Area

The rains finally came, not near as much as the area needed, but perhaps the clouds have been primed so more will come.

The City of Stratford officially received .61 of an inch over the weekend according to Horace Sneed's official gauge. All morning on Saturday the city area was blessed with a slow drizzle and not one morsel ran away.

Harry Lowe, about 12 miles east of town, reported they received .60 of an inch on Saturday and more Monday evening but he hadn't checked his gauge when The Star called Tuesday morning.

Bob Scott, up at Kerrick Farm Supply, told us that they got about a half inch in Kerrick over the weekend but none fell there on Monday evening.

Mrs. Ed Crabtree reported they got .80 of an inch on Saturday and another .30 of an inch Monday night at Conlen then down south at the Don Dietrich farm that area received 1.40 Monday night and another .75 of an inch on Saturday.

Keith Green reported they got .30 of an inch on Saturday but missed the rain on Monday night.

The area has been in the midst of a drought as severe as any in the history of the area since last September. The conditions have been severely dry and no moisture of any kind reported during the past 30 days to amount to anything.

Most farmers have been able to get their plowing all done and are only waiting on moisture to begin planting wheat.

FOR 287 PROJECT Representatives Meet With Highway Officials

Eight members of the Sherman County area met with the Texas Highway Department last week concerning plans for the four-laning of Highway 287 north from the Moore County line to Stratford.

The Sherman County delegation was comprised of County Judge W.S. Frizzell Jr., Commissioners Joe Everett and Robert Ferguson, City Councilmen Ron Hager and Ed Moore and Chamber of Commerce Manager George Jeffcoat. Other local citizens at the meeting included Greg Pye, of Delta Industries, Inc., and V.O. Lasley.

Two representatives of the Dumas Chamber of Commerce were also on hand for the meeting.

Purpose of the meeting was to try to get a definite commitment on a date for beginning the four-lane project for Highway 287. The segment from Dumas north to the county line has already been set in by the highway department and local representatives were trying to get a concrete date for the segment from the Moore County line northward into Stratford.

The Sherman County Commissioners Court has made preliminary work on right-of-way for the project and before taking the issue before the voters to approve bonds for the purchase of the land they wished to be able to say just when the project would get underway.

The new American Beef Packers plant, located at Cactus, has already made an impact on traffic between Stratford and Dumas and when the plant gets into full production later this year the need for four-lane highway will get even worse.

"We got a real nice reception in Austin," said County Judge Frizzell. "We didn't get a date from the highway department, but now they know we are all vitally interested and we feel they will be meeting our request with more favor than before," Judge Frizzell added.

Calendar of Events

FRIDAY, AUGUST 9
9 a.m.-4:30 p.m. New Student Pre-enrollment

SATURDAY, AUGUST 10
8 p.m. Green Belt Bowl Game at Childrens

SUNDAY, AUGUST 11
ATTEND THE CHURCH OF YOUR CHOICE

MONDAY, AUGUST 12
8 a.m.-5 p.m. Horn Rental at Band Hall

TUESDAY, AUGUST 13
10 a.m. Freshman and new Band students will report to Band Hall

7 p.m. All band students report to Band Hall

CHECK FOR GIRL SCOUTS--Stratford Girl Scout Leader Janice Sladek, left, is shown with Field Advisor Earlene Schafer of Goodwell, Okla., as they hold a check in the amount of \$100 given by the Colgate Palmolive "Help Young America" campaign. The monies will be used by local Troop 11 for their various activities.

Ten New Teachers On Local Faculty

There will be 10 new faces among the faculty members of the high school faculty, two among members of the Middle School faculty and four among the elementary school faculty.

The three new high school teachers include Mrs. Dorothy Haile, home economics instructor; Mrs. Linda Osborn, science instructor; and Theodore Rush, math and science instructor.

The two new teachers in the middle school are Miss Ann Ratliff, who will be teaching in the 6th grade; and Steve Ragsdale, Junior High Band Director.

The five new teachers in the Mary Allen Elementary School are Mrs. Rinda Allison, 4th grade; Miss Deborah Futch, and Mrs. Patti Vincent, both 2nd Grade; Mrs. Glenanna Craig, Kindergarten Teacher's Aide; and Mrs. Sherry Gass, Teacher's Aide.

The complete faculty, by

grades, for the year is as follows:

ELEMENTARY SCHOOL

Principal H.T. Galloway, Mrs. Oleen Judd, Mrs. Rinda Allison, Mrs. Lanell Waldrop, 4th Grade; Mrs. Ruth Jamison, Mrs. Elizabeth Briscoe, Mrs. Dicy Stephenson, 3rd Grade; Miss Deborah Futch, Mrs. Patti Vincent, and Mrs. Donna Gillenwaters, 2nd Grade; Mrs. Anita DeBord, Mrs. Roberta Bollinger and Mrs. Annie Mae Pulliam, 1st Grade.

Mrs. Lorraine Mehner, Elementary Music; Mrs. Jan Heiskell, reading specialist; Miss Nancy Crabtree, physical education; Mrs. Erma Hackett, special education; Mrs. Viola Kautz, Kindergarten; Mrs. Glenanna Craig, Kindergarten Teacher's Aide; Mrs. Sherry Gass, Teacher's Aide.

MIDDLE SCHOOL

Principal Jack C. Gilley,

OBITUARIES

Roy W. Waldrop

Services for Roy Wilson Waldrop, 76, a Canyon resident since 1943 who died Wednesday at his home, were held at 2 p.m. Friday in the Canyon First United Methodist Church.

Officiating was Dr. Hubert Thomson, associate pastor of the church. Burial was in Dreamland Cemetery under the direction of Lagrone Funeral Chapel.

Mr. Waldrop, who was a retired carpenter and service station owner, was a member of the First United Methodist Church.

He was born in Ellis County and married Fleeda Osborne in Pampa in 1917.

Survivors include his wife; three sons, Hubert of Stratford, Roy Porter of Canyon and Keith of Amarillo; two daughters, Mrs. Yvonne Schmidt of Amarillo and Mrs. Jan Clements of Eules; two sisters, Mrs. Vero Pirtle of Coleman and Mrs. Thelma Price of Kingsland, a brother, Whit Boyd of Fort Worth; 15 grandchildren and nine great-grandchildren.

COAST TO COAST—Bruce Sellers of Quincy, Ill., rolled into Stratford last week about midway on his trip bicycling from San Diego, Calif., to the East Coast. Bruce had averaged about 70 miles per day on his trip thus far and the 24-year-old said his biggest problem had been flat tires. He is a graduate of Quincy College majoring in Business Management.

East Coast Bound Cyclist Stops Here

Bruce Sellers rolled into Stratford on his bicycle, Wednesday about 7:00 p.m. He had come from San Diego, California and was headed for the East Coast.

Sellers had left San Diego July 15, 2 1/2 weeks ago, and had already travelled 1,123.8 miles. Bruce had been planning for this two weeks before departure. When asked if there was any special reason for him doing this he replied it was just a challenge he wanted to meet.

Bruce gets 70 miles a day and has had several flats. He's had only a couple of major problems on his trip thus far. These were

at Wilcox and Casa Grande, Arizona. Here the highway patrol made him detour off the Interstate Highways on to other roads. The bicyclist added that other patrolmen he's seen didn't make him detour and so even waved.

Sellers, who is 24, hails from Quincy, Illinois. He graduated from Quincy College, majoring in Business Management. Bruce added he had no real plans for when he arrives at his destination.

TOWN TALK

Dana Craig and Dotty Rushing of Amarillo were weekend guests of Jerry Oquin.

Bill Green of Channing visited with his sister, Mrs. Lucy Kelp on Sunday.

Jack Haile To Play At Childress

Jack Haile, son of Mrs. Dorothy Haile and the late Arlyn Haile and an All District Tackle, both offensively and defensively, for the Stratford Elks last season, will compete in the Greenbelt Bowl Game on August 10 in Childress.

Haile, along with all-star football players from many Texas and Oklahoma towns, will be in Childress on August 4 to prepare for the game that pits the East against the West.

Phyllis Miller, daughter of Buddy Miller of Stratford and Geneta Miller of Amarillo, will be Haile's entrant for the Queen's Contest on August 9 at 6:30 p.m. in the Childress City Park. Queen nominees will be featured in the Parade of Queens on August 10 at 4 p.m. and crowning ceremonies will be at half-time of the Bowl Game.

Coaches for the East Team this year are Dean Slayton and Harold Mayo of Howard Payne College while Buddy Fornes and Ronnie Giles of Tarleton State will coach the West.

Play by play announcer will be Jim Pratt, managing news director for KVII-TV in Amarillo.

Haile is a 1974 graduate of Stratford High School and served as tri-captain of the Stratford Elk team and was a three-year letterman.

In addition to his football activities, Haile was named to Who's Who Among American High School Students, was a member of the Future Farmers of America and president of the Student Council.

He is an active member of the First Baptist Church and plans to attend Texas Christian University's Ranch Management program this fall.

Court Takes Applications For Assessor

Monday's deadline passed with several applications accepted by Sherman county Judge W.S. Frizzell's office for the position of County Tax Assessor-Collector.

Judge Frizzell said Tuesday that the Court would take a long look at the applications and make interviews before passing on an appointment at the next regular meeting of the Court.

"The Court will make an appointment at their next meeting," said Judge Frizzell. "We wish to take every precaution to name a person who will be fully qualified to fill the office and at the same time make sure that every avenue of

TIPS FOR OUTDOORSMEN

by Vern Sanford

Equalizing Gas Supply

Wise boat owners who equip their large runabouts with high-powered, twin-engine outboards usually carry at least two spare tanks of gas—both ready for instant change.

Even wiser boat owners stop the craft after some 10 minutes out and substitute a fresh fuel tank for one of the active partially-emptied ones.

Reason is so that both of those big engines will not exhaust their gas supply at one and the same time, die simultaneously, and thus cause 100% loss of full power—instanter.

Don't say this will never happen, because it has—and there's no chill like the fear of an oncoming wake rolling over the transom of a fast moving outboard that's suddenly stalled in the middle of the lake.

Only other preventative is to stop after a short time out and add some gas to one of the active tanks—and only one—so as to maintain an unbalanced supply to the fuel line. Then only one engine at a time will lose its exhaust. The other will continue to furnish forward motion—thus to minimize the danger of swamping the boat.

Just remember that a speeding boat rides the crest of the waves. The faster it travels the shallower its trough. On the other hand a suddenly powerless boat drops low in the water and its trough dips

deep. Add to that a low transom, no spillover panel, and a fast-moving, high-rolling, white-capped wake and you're in big trouble.

So be cautious, drive friendly at all times—and especially with others aboard.

Timely Bait Most Tempting
Each season brings with it certain insects—for example, Mayflies in the early Spring and grasshoppers in late Summer or early Fall.

Isn't it but natural that when these insects light or fall into the water that fish soon become aware of the new food possibilities.

Then what's more timely as a tempting bait?
A few minutes collecting such insects and using them for that purpose is bound to pay dividends.

Next best bet is an artificial lure as closely resembling that insect as man can make.

Save Anchor Scars

Some small boat anchors have a tendency to scratch or scar the finish of a boat. This is especially true when the anchor is lowered or raised.

It can be prevented in some cases by padding the sharp pointed ends of such anchors.

A rubber crutch tip on each end of hollow crossarms not only prevents damage to the boat but also keeps out mud and grime and helps prevent water collections and possible rust.

fairness to those who have applied is taken," he added.

The position of Sherman County Tax Assessor-Collector had been filled by Eugene Sadler until his resignation two weeks ago. Sadler will be leaving the office to go with the Texas Highway Department in the next few days.

The Commissioners Court had advertised for all persons qualified who were interested in the position to submit an application with Judge Frizzell until Monday.

According to Texas Election Laws, the Court may appoint someone to fill the vacancy, but the person selected must then run for the office at the next General Election, which will be in November of this year.

TOWN TALK

Mr. and Mrs. R.J. Hill and Keith left Thursday for Platoro and Fun Valley near South Fork, Colorado.

SCHOOL

"Thou wilt shew me the path of life:
in thy presence is fulness of Joy..."

PSALM 16-11

HERE IS THE PATH

"If I take the wings of the morning, and dwell in the uttermost parts of the sea: even there shall thy hand lead me, and thy right hand shall hold me." Psalms 139:9, 10.

What a wonderful promise. No matter where we go or what we do, God is willing to lead us and is there to help us.

Another comforting scripture recalling God's love toward us is this: "How precious also are thy thoughts unto me, O God! How great is the sum of them! If I should count them, they are more in number than the sand." Psalm 139:17, 18.

It is comforting and pleasant to let our thoughts wing upward to verses like these.

We invite you to read your Bible and attend church this week.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Cook of Week

COOK OF THE WEEK—Mrs. Mike (Bonnie) McAskill is shown at her desk as she works for Empire Construction as a receptionist and bookkeeper. Bonnie is from New Mexico, where she attended high school and business college. The McAskills have one son, Carr, who is 4 years old and are members of St. Joseph's Catholic Church.

A Working Mother

Our cook for this week is Mrs. Mike (Bonnie) McAskill. Bonnie was born in Florida and raised in New Mexico. She is a 1963 graduate of Sacred Heart Academy in Waterflow, New Mexico and attended business college in Albuquerque, New Mexico. Bonnie is employed by

Empire Construction as a receptionist and bookkeeper and before going to work for Empire was employed by Stratford of Texas.

Mike is a rancher near Trinidad, Colorado and the McAskills have one son, Carr, who is 4 years old.

The McAskills are members of St. Joseph's Catholic Church.

Bonnie says that she enjoys sewing when she can find the time.

Our cook's recipes include Hungarian Slaw and a Sock-It-To-Me-Cake, we're sure that you will enjoy using both of them.

HUNGARIAN SLAW
 1 large head cabbage
 1 green pepper
 onion
 Sliver, do not chop, then sprinkle 1 c. sugar over top and DO NOT STIR. Bring to boil:
 3/4 c. Mazola Oil
 2 t. salt
 1 t. salt
 1 t. celery seed
 1 c. vinegar
 1 t. mustard
 Pour over cabbage while hot and do not stir. Let stand at least four hours and stir before serving.

SOCK-IT-TO-ME-CAKE
 1 pkg. Duncan Hines Butter Recipe Golden Cake mix
 1 c. dairy sour cream
 1/2 c. Crisco Oil
 1/4 c. sugar
 1/4 c. water
 4 eggs
 Filling:
 1 c. chopped pecans
 2 T. brown sugar
 2 T. cinnamon
 Preheat oven to 375 degrees. In a large mixing bowl, blend together the cake mix, sour cream, oil, the 1/4 c. sugar, water and eggs. Beat at high speed for 2 minutes. Pour 2/3 of the batter in a greased and floured 10-inch tube pan.

Society

Combine filling ingredients and sprinkle over batter in pan. Spread remaining batter evenly over filling mixture. Bake at 375 degrees for 45-55 minutes or until cake springs back when touched lightly. Cool right side up for about 25 minutes, then remove from pan. Glaze with combination of 1 c. confectioners sugar and 2 T. milk.

Nursing Degree

Doreen Englebrecht, former resident of Stratford, completed the required course [Associate Degree of Nursing Program] at Amarillo College which will qualify her to apply for a license as a Registered Nurse in October. Doreen is employed at High Plains Baptist Hospital on the surgical unit.

Recent guests of the Hank Rogers and Mrs. Ethel Murdock have been Mr. and Mrs. Bob Murdock, Laramie, Wyo. and their daughter, Nancy Murdock of Meeteetse, Wyo. Enjoying a family supper with them were Mr. and Mrs. Rob Weems, Amarillo and Mr. and Mrs. Roger Crabtree, Boise City.

Attending funeral services for Jisc Holloway in Amarillo on July 29 were Mr. and Mrs. Hank Rogers. Hank and Jisc were cousins.

Charley Crabtree of Mt. Vernon, Mo., Newt Crabtree, Mark Wells and Ralph James Hampton enjoyed a fishing trip in New Mexico last week.

Mr. and Mrs. Gail McDaniel and Whit vacationed in Colorado last week.

Cimarron Canyon was the setting for a camping trip for the Ted Irlbeck family recently.

Frances Wood, and Alice Pitzer of Boise City visited with Rose Taylor last week. Mrs. Wood and Mrs. Taylor are sisters.

Miss Stratford Contestants Urged To File

As Stratford's Fair and Jamboree time nears, contestants and sponsors for the Miss Stratford contest are urged to contact Mrs. Charlene Smith, Mrs. Carroll French or Mrs. Chris McAdams, Nu Beta Sorority members, in order to get signed up for the contest. Deadline for entering the Miss Stratford contest is August 20 with the beauty pageant to be held on Saturday, September 7 in the high school auditorium.

Changes in the contest rules were approved by members of the Stratford Jamboree Committee this year so that future Miss Stratford winners will be eligible to compete in the Miss Texas Contest in Fort Worth in 1976.

Contestants this year must be between the age of 16 and 28; single; be a resident of the Stratford Independent School District; have a 3-minute talent; and appear in both evening dress and bathing suit.

Sponsors for the contestants will be required to furnish a \$10 entry fee, which will be used as a scholarship for the winner.

In addition to changes in the Miss Stratford Pageant, a Little Miss Stratford Contest has been added to the activities this year. Entrants for Little Miss Stratford must be five or six years old and will compete in long dresses only. There will be no sponsors involved in this contest, so parents wishing to enter their child may do so by contacting any of Nu Beta's coordinators mentioned above.

There will be a reception honoring all contestants and their families and sponsors immediately following this year's Miss Stratford Contest.

The group of contestants for this year, along with other representatives of the Jamboree Committee, will appear over KGNC-TV on September 7. The show will taped on September 4 in Amarillo.

TOWN TALK
 Mrs. Barbara Vaughn underwent surgery in an Amarillo hospital last week.

Housewarming Held

Mrs. Marilyn Albert was entertained in her home with a surprise housewarming on Thursday evening.

A salad supper was served and Mrs. Albert was given a set of stainless steel tableware and many other gifts by her friends.

Those attending were Velma Blake, Mae Plunk, Kathy Bonds, Ella Reed, Bonnie Lyles, Leonda and Jenny Fedric and Diz and Chad Coffman.

Home Demo Club News

Happy Hour Home Demonstration Club met Thursday at the County Barn with Opal Springfield as hostess.

Minutes of the meeting were read and approved.

Madge Lowe, Dovie Fedric and Alice Weatherly were appointed to gather materials on drugs for the booth at the fair.

Helen Reynolds and Dovie Fedric presented an interesting program on making "country flowers."

After refreshments were served, club adjourned to meet on August 15 with Helen Reynolds.

Happy Hour Home Demonstration Club met Thursday at the County Barn with Opal Springfield as hostess.

Minutes of the meeting were read and approved.

Madge Lowe, Dovie Fedric and Alice Weatherly were appointed to gather materials on drugs for the booth at the fair.

Helen Reynolds and Dovie Fedric presented an interesting program on making "country flowers."

After refreshments were served, club adjourned to meet on August 15 with Helen Reynolds.

Applications Sought For PPA Position

Applications are currently being taken at the Sherman County Planned Parenthood Agency for a part time outreach worker. The local office began September of 1973, as an attempt to reach out and identify disadvantaged persons within the community. Their objectives fall into three interrelated categories: responsible family planning, health education and motivational counseling. Success has met with the program activating fifteen patients of a low-income status and assuring many others of information, education and referral.

Mrs. Cecelia Blanford is resigning her duties as she is moving to Goodwell to finish her senior year at Panhandle State College where she will receive a Bachelor of Arts Degree in Psychology-Sociology.

Mr. Blanford will be leaving Stratford of Texas, Inc. to begin his college career, majoring in Physical Education. They have one son, Kevin, who will enter kindergarten in Goodwell.

TOWN TALK
 Mr. and Mrs. Pete Wall recently returned from a 10 day trip that took them thru the states of Colorado, Idaho, Oregon and California.

Andrea Pilch Named To Who's Who

Andrea Pilch, a 1974 graduate of Stratford High School and the daughter of Mrs. Marjorie Pilch and the late John Pilch, has been named on the list of Who's Who among American High School Students for the year 1973-74.

Andrea was active in Band, Stage Band, FHA, Speech Club, Junior Class Play and All Region Band while in high school and was also an UIL Brass Ensemble contestant.

In addition to having her biography published in Who's Who Among American High School Students, Andrea will compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers of the book and will be invited to participate in the firm's annual "Survey of High Achievers."

School Calendar

The new school calendar for the 1974-75 School Year is as follows for students of the Stratford Independent School District.

First full day of school will be August 19, Labor Day Holiday will be September 2. Teachers Meeting in Amarillo will be on November 8 with Thanksgiving Holidays November 28-29.

Christmas Holidays will be observed December 23, 1974 through January 1, 1975. February 21 will be set aside for a Snow Day with Easter Holidays set for March 21-25.

Baccalaureate will be held May 18 with Eighth Grade Graduation set for May 22 and High School Graduation on May 23, 1975.

TOWN TALK
 Mary Riffe, Maudie Flores, Doris Parker and Orel Martin have returned from several days stay in Ruidoso, N.M. where they attended the Rainbow Furrurity on Sunday.

FOR EXPANSION

**Stratford Feedyards Division
Receives Industrial Award**

The Feedyards Division of Stratford of Texas, Inc. has won a special citation for Industrial Expansion during 1973, Governor Dolph Briscoe Announced. Presentation of the coveted award will be made by Homer Tucker, Industrial Consultant for the Texas Industrial Commission, at noon, August 8 at Headquarters' Cafe.

The citation was one of seven selected for special mention with five Governor's Industrial Expansion Award winners for 1973.

Nominations were made by local chambers of commerce and selected by the Texas Industrial Commission for their civic and economic contributions to their communities.

All Texans should join us in honoring these industries, all of which have added significant strength to the economic growth of their communities and the entire state," Gov. Briscoe said.

"It is fitting that we are able to honor existing industries, which are sometimes overlooked when the bouquets are passed to the industrial growth of our state."

The Governor pointed out that the majority of new jobs created in Texas come from expanding industry, although location of new plants usually receives most of the public's attention.

TOWN TALK

Mrs. Buster Mitts underwent major surgery in Dumas on Monday and had a hard time. It was learned Tuesday morning she is doing better and is getting along as well as could be expected under the circumstances.

Jim Harwell, Executive Director of the TIC, said the competition for the award and citation winners was particularly close. Selection was made after analyzing company payroll increases, new employees and plant area enlargement as well as local expenditures for goods and services.

Feedyards Division expansions in 1973 helped create 34 new jobs in Stratford, raising its area employment to 361. Plant payroll increased over 70 per cent to \$2.9 million while total investments in new facilities almost doubled to \$2.8 million.

Others receiving special citations were Stanton Supply Corporation of Stanton, ARA Manufacturing Company, Inc. of Grand Prairie, Inc. of Amarillo, Texas Leisure Chair, Inc. of Haltom-Richland, Andy Lou of Dallas, Inc. and Perry Equipment Corporation of Mineral Wells.

The five Governor's Expansion Award winners were: Datapoint Corporation of San Antonio, Owens-Corning Fiber-

**BOND SALES TOTAL
HITS MIDWAY GOAL**

June sales of Series E and H United States Savings Bonds amounting to \$2,780 in Sherman County were reported today by County Bond Chairman W.S. Frizzell Jr. Sales for the six-month period totaled \$34,957 for 50 percent of the 1974 goal of \$70,000.

Sales in Texas during the month amounted to \$17,074,815 while sales for the first half of 1974 totaled \$116,443,089 with 49 percent of the yearly goal of \$236.8 Million goal achieved.

glas Corporation of Waxahachie, Superior Continental Corporation of Brownwood, Hi-Pro Feeds, Inc. of Friona and Beaumont Shipyards of Bethlehem Steel Corporation.

**Peru Trade
Mission Tours
Wheat Area**

With an eye toward increasing foreign markets and strengthening prices of wheat to producers The Texas Wheat Producers Board is hosting a three-man wheat trade mission from Peru in Texas, July 28-31.

The group from Lima, Peru, accompanied by Alvaro Carranque, Great Plains Wheat, Inc., assistant Regional Director for Latin America of Caracas, Venezuela, will include Carlos Otero Pollit, Chief of Import Grain Department EPSA (Government); Ricardo Barredo A, Manager of the Export-Import Dept., Santa Rosa Mill Company; Angel Porcile Gordillo, President of the Peru Bakers Association.

According to Ken Kendrick, Chairman of TWPB of Stratford, while in Texas the visitors will be assisted in studying Texas' export grain facilities; the production, marketing and storage facilities in the production area and conferring on trade problems and opportunities with officers and staff of the Board and with grain trade leaders.

After the Texas itinerary the Peruvians will continue their study of the U.S. wheat areas and the various types and qualities available by completing their tour on through Oklahoma, Kansas, Nebraska, North Dakota production areas and through trade conference in Minneapolis and government conferences in Washington, D.C.

Texas wheat producers support the foreign trade mission and other research and development programs through a one-half cent per bushel self-assessment on all wheat marketed. Other groups in Texas or planned this year have been from Lebanon, Ecuador and Portugal.

Great Plains Wheat, Inc., general U.S. host for the mission maintains "on location" continuing market development programs in Peru and other Latin American, European and Mid-East countries and is supported by state wheat commissions, such as Texas Wheat Producers Board, in the states of Colorado, Kansas, Nebraska, North Dakota, South Dakota, Oklahoma and Texas.

FROM VA BENEFITS

**GI Scholars Will
Receive More Checks**

Some 55,000 school-going veterans whose GI bill eligibility was extended by two years under a law signed by the President on July 10 will receive education assistance checks by the end of July, according to Jack Coker, VA Regional Office Director.

The former eight year deadline on using school benefits expired June 30 for veterans separated from military service between January 31, 1955, and July 1, 1966, VA explained. Those veterans who happened to be in summer school at the time the new Public Law 93-337 was enacted can now be paid legally for training beyond the former expiration date of June 30.

Normally checks are delivered in advance of each month of training, Coker explained, so

the Waco Regional Office prepared in advance of the new bill's enactment to process payments for summer school students as soon as legal authority to make the payments was received.

Veterans in school who were discharged less than eight years ago continued to receive their monthly checks without interruption, and they will have continuing eligibility under the new law for up to 10 years after separation from service. Eligibility had expired for some four million veterans discharged between January 31, 1955, and July 1, 1966. Of these some 55,000 were in summer schools and approximately 100,000 were taking correspondence courses.

The extension of eligibility from 8 to 10 years also applies to eligible wives, and widows of

veterans who train under VA's Dependent's Educational Assistance Act and to veterans who take farm cooperative, flight, apprentice and on-the-job training.

**Sorghum Board
Meets In Lubbock**

The Texas Grain Sorghum Producers Board will hold its regular bimonthly meeting Tuesday, August 13, at its headquarters at 1708-A 15th Street, Lubbock, Texas. The board will meet at 10:00 a.m.

On the agenda will be a report from Dr. George McBee, resident director of Texas Agricultural Experiment Station, Lubbock. Dr. McBee will discuss progress on production and release of greenbug resistant hybrids--a TGSPB funded project.

Other topics will be the U.S. Feed Grains Council work of grain sorghum promotion overseas which is supported by TGSPB; miscellaneous research; insect reports; and market seminars to be held in September.

Pliny wrote that heliotrope plants could kill scorpions.

**Cattle Steady
At Texhoma**

The receipts at Texhoma Livestock Commission last Friday were 3910 cattle and calves. The market was very active on 600# and up. Choice steer and heifer calves were steady with last week.

Some representative sales were as follows: 7 WF Steer Calves Av. wt. 293# at \$43.50 per cwt.; 6 WF Heifer Calves Av. Wt. 310# at \$36.50 per cwt.; 42 Blk WF Steers Av. Wt. 693# at \$38.70 per cwt.; 38 WF Heifers Av. Wt. 535# at \$33.10 per cwt.

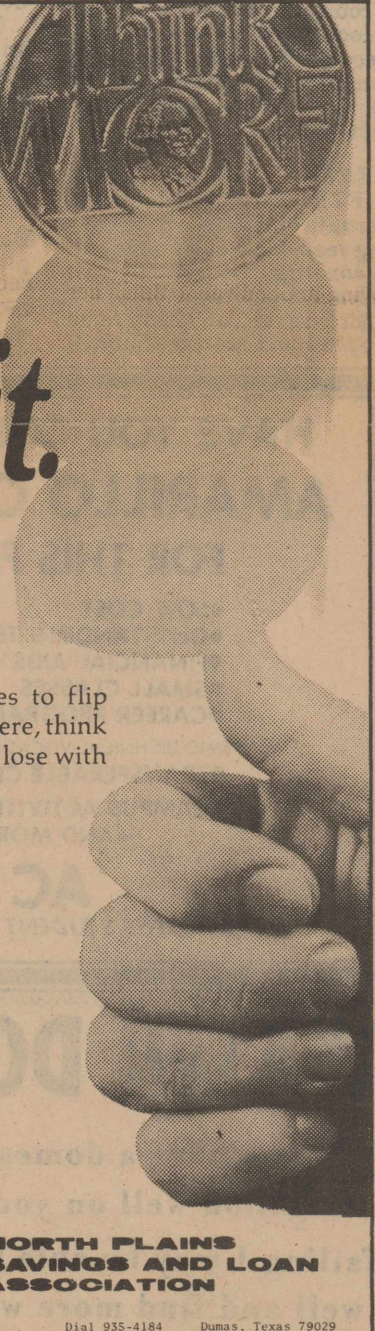

For next Friday, we are expecting 2000 to 2500 cattle of various classes. If you have cattle to sell give us a call or just send them in.

Some people believe that if you sleep with a pin in your sleeve on Saint Agnes' Eve, you'll dream of the one you'll marry.

ABOUT 10 TONS ADEQUATE Research Shows Manure Feasible In High Plains

Research conducted by U.S. Department of Agriculture (USDA) scientists, Mathers and Stewart, at the USDA Southwestern Great Plains Research Center during the past 5 years has shown that 10 tons of feedlot manure per acre has adequate nitrogen, phosphorus, and potassium to produce good crops.

Results of the testing to this point indicate that rates higher than 10 tons per acre per year cause undesirable accumulations of nitrates and salts in the soils. Moreover, sugar yields from sugarbeets were decreased

when manure rates greater than 10 tons per acre were used, although grain sorghum yields were not reduced until rates were more than 60 tons of manure per acre. Grain sorghum yields were the same for plots receiving 200 pounds per acre of nitrogen or manure at rates of 10, 30, and 60 tons per acre. Rates higher than 10 tons per acre annually do not increase yields above the 10-ton-per-acre rate. Therefore, they are not recommended because of the increased cost of spreading and the accumulation of nitrate and salt in the soil.

Mathers and Stewart also found that 30 tons of manure per acre used in a furrow bed irrigation system caused slower germination. They say, "It has not reduced yields in the plots, but it could cause poor stands which would reduce yields."

Their chemical analyses of material from 23 feedlots show that an average 10 tons of manure contains 268 pounds nitrogen, 244 pounds of Phosphorus and 360 pounds of potassium. These values are much higher than those previously reported for barnyard manures. The material varied in nitrogen content with extremes being 226 and 392 pounds N in 10 tons.

Their research indicates that about half of the nitrogen present in 10 tons of manure, or some 120 pounds of nitrogen, is available to the first sorghum crop. Sixty pounds of the remaining nitrogen will be available the second year and 30 pounds nitrogen will be available the third year.

The rate at which phosphorus becomes available for plant use appears to be similar to that of nitrogen. Potassium in the material is readily available. In consideration of lesser crop removal and the slower mobility of phosphorus and potassium when compared to nitrogen, it is highly probable that application rates sufficient to supply adequate nitrogen will be more than adequate to supply these elements even on soils known to be deficient.

Ten to 15 tons applied anytime after harvest and just ahead of cultivation is generally adequate for high yields of irrigated sorghum or corn. Additional commercial fertilizer is not likely to be needed.

The possibility of introducing weeds from seeds contained in the waste perhaps warrants consideration.

Stubble Grazing Shows Value To Cowman

"In addition to grazing the winter wheat acreage, cattlemen should consider the profitability of utilizing an estimated 2.5 million acres of irrigated corn and grain sorghum stubble in the Texas High Plains," says John Shipley, Agricultural Economist with The Texas Agricultural Experiment Station. Research at the North Plains Research Field at Etter has developed comparative beef gains for grazing crop residues during the fall and early winter months compared to irrigated wheat. These data were collected with and without supplemental feeding and are shown in the separate table.

The average daily gains for 350-450 pound stocker steers for grazeout irrigated wheat from mid-November to mid-May was 1.8 pounds. The stocking rate per acre was 1.5 animals from November to mid-March, then two animals per acre until grazeout. During the period from mid-November until early March, these same stocker steers only averaged 1.4 pounds per day on the winter wheat pasture. However, when fed 2 pounds of milo per head per day, the average daily gain was 1.7 pounds during this period.

The same weight cattle grazing irrigated wheat and corn or grain sorghum stubble on a 1:1 acreage ration gained only 1.1 pounds per day without any supplemental feed. Cattle grazing corn stubble and grain sorghum stubble (without wheat

pasture) were fed 4 pounds of 20 percent protein supplement mix per head per day and gained 1.3 and 1.6 pounds per day, respectively. The 1.6 pounds gain from the grain sorghum stubble may have been higher than would normally be expected due to an exceptionally large amount of grain left in the field in 1972-73. The amount of supplement was varied in the 1973-74 study at 2.4, and 6 pounds per head per day, for the period from November 30 to January 17 at a stocking rate of 2.5 animals per acre. During this graze-out of the grain sorghum stubble there was no difference in average daily gains at the three different levels of supplement fed, each average 1.7 pounds per day.

The profitability of utilizing corn and/or grain sorghum stubble with supplemental feeding will depend upon the price of the protein supplement mix and the price of beef. With a knowledge of these two prices and the average daily gains that might be expected, a more sound economic decision can be made regarding the utilization of these crop residues.

In medieval Europe, people thought that the Devil combed a goat's beard every day.

ANNOUNCING

Cross Road 66
to the Fina 54 East

JIM CRONIC - STEVE LEAL

AUSTIN, Tex. — When the Constitutional Convention collapsed in total failure, state legislators immediately began proposing new approaches to the long-thwarted revision effort.

A wide range of alternatives are available, and lawmakers are committed to try all of them. These suggestions already have been offered:

— Creation of a brand new Constitutional Convention, with plain citizens rather than legislators occupying most of the delegate seats.

— Submission to voters of the basic revision document drafted by the 1974 convention, without the controversial separate submission proposals (like right-to-work) which deadlocked this year's session.

— An article-by-article revision, based largely on work of the convention.

— Submission of the document originally prepared by the 37-member Constitutional Revision Commission as a guide to the convention.

— If all else fails, consideration of a cleaned-up and slimmed-down version of the 1876 constitution stripped of outdated provisions.

While the 1974 convention ran out the clock without accomplishing anything, hope remains lawmakers will have learned some lessons and that more than a year of research and expenditure of \$3.2 million will not be a total loss.

NO SPECIAL SESSION — Gov. Dolph Briscoe rejected requests for a special legislative session on state employee pay raises and supplementary school financial aid.

He said a special session at the tag end of an exhausting Constitutional Convention would not be practical, and the most pressing problems can be met by emergency action in the next regular legislative session.

Specifically, Briscoe committed himself to these emergency goals in 1975, which will cost approximately \$216 million in general revenue:

— A 10 per cent cost of living pay raise for all state employees effective Feb. 1, 1975. (Legislative Budget Board has recommended \$285 million in pay and fringe benefit increases for state employees during the 1976-77 fiscal period).

— An increase of \$40 per student in average daily attendance for maintenance and operation of public schools, with distribution arranged to benefit "poor" districts most.

Hiway Film Available For Local Clubs

AUSTIN—A new motion picture just released by the Texas Highway Department proves again that factual history can be as fascinating as fiction.

Titled "The Missions of Texas," the film focuses on that epic era of state history, and explores 10 of the ancient Spanish missions where Texans can walk in the past today.

Settings for the colorful chronicle range from shadowy pine forests to the blazing West Texas desert. Filmed on locations at Weches, Goliad, El Paso and San Antonio, the film invites viewers to visit sites that were old before the United States existed.

"The Mission of Texas" introduces proud Spanish conquistadores and humble padres. It traces the legends of Indians and Texas frontiersmen. Most of all the new film is a reminder of Texas' rich mission heritage.

Ricardo Montalban, who combines his acting talents with an abiding interest in the cultural history of the New World, narrates the 15-minute film which was made especially for television. It joins other Texas travelogues circulating for TV broadcast and currently being seen by more than nine million viewers throughout the nation each year.

The film is the first in a series of quarter-hour movies being planned by the Highway Department.

Prints may be borrowed from the Texas Highway Department Travel & Information Division, Box 5064, Austin 78763.

said U. S. Department of Interior concern over placement of the ship hulls at points selected by the council is now lifted. Interior feared the ship sites might interfere with offshore oil and gas exploration.

Several steps remain, however, before the ships can be obtained, scrapped and sunk. Proposed locations are southeast of Freeport, south-southeast of Port O'Connor, south-southeast of Port Mansfield and Port Mansfield.

ELECTION SET — A special primary election to name a Democratic nominee for State Board of Education in East Texas District 1 is slated for August 31, following a court ruling. (The date originally was set for September 7.)

The election will be held in Bowie, Camp, Fannin, Cherokee, Delta, Fannin, Franklin, Harrison, Henderson, Hopkins, Hunt (partially), Lamar, Marion, Morris, Panola, Rains (partially), Red River, Rusk, San Augustine, Shelby, Titus, Upshur and Wood counties. Absentee voting will begin August 12 and last through August 27.

SHORT SNORTS
Hot, dry weather has cost the Texas agricultural economy two billion dollars this year, according to Agriculture Commissioner John White.

Midway Services Inc. withdrew its application for a controversial waste disposal site near Groesbeck.

Governor Briscoe asked Briscoe and Fisher counties be added to the list of counties designated disaster areas because of drought.

Another \$4.7 million in Criminal Justice grants have been approved for law enforcement and justice improvements.

Texas Society of Professional Engineers has come out in support of private ownership of offshore terminals.

An application has been filed for a new bank at Oak Ridge, in Montgomery County.

The Governors Committee on Aging awarded a \$200,000 contract to Texas Farmers Union Community Development Association for administration of the Senior Texans Employment Program (STEP).

Texas State Securities Board has received nine applications for permits to sell \$4.3 million worth of securities in the state during the last two weeks.

LEGALS

THE STATE OF TEXAS
TO: JACK W. JACKSON,
Defendant, Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 23rd day of September, 1974, at or before ten o'clock A.M. before the Honorable 69th District Court of Sherman County, Texas, at the Court House of said County in Stratford, Texas.

Said Plaintiff's Petition was filed in said court, on the 4th day of August, 1974, in this cause, numbered 2015 on the docket of said court, and styled, NORMAN KEITH PARRISH and wife, BETTY PARRISH, Plaintiffs, VS JAMES MONROE PARRISH and wife, CHARLENE PARRISH, ORVAL ROBERT PARRISH and wife EDNA PARRISH, THELMA MAY DICKERSON and husband, CLIFFORD DICKERSON, AVIS JEALDINE COOK and husband, TOMMY COOK, IRA IRENE CREAMER and husband, RICHARD CREAMER, OLA JEAN HAMBLY and husband, MARVIN HAMBLY, WANDA JERLDINE HENDRICKS, and JACK W. JACKSON, are Defendants.

A brief statement of the nature of this suit is as follows: Plaintiffs sue Defendants for partition in kind of certain real estate owned jointly by Plaintiffs and Defendants, which said real estate is described as follows: All of Lots Eleven, Twelve and Thirteen, in Block Number One Hundred Three, in the City of Stratford, Sherman County, Texas, according to the official map or plat of the said City of Stratford on

record in the County Clerk's Office in Sherman County, Texas, and if said property, cannot be partitioned in kind, in the alternative that said property be sold and the money distributed between Plaintiffs and Defendants as their interests appears as found by the Court, and for attorney fees and contribution for funds advanced for Preservation and protection of the said real estate, and court costs, and such other and further relief as shown by Plaintiffs's First Amended Petition on file among the papers of said cause, as is more fully shown by Plaintiff's Petition on file in this suit.

It is cited that it is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and seal of said Court, at office in Stratford, Texas, this 5th day of August, A.D. 1974.

ATTEST: M.W. Terrell Clerk,
District Court, Sherman County,
Texas.
By: Deputy.

SCS News

FALL SEEDING OF GRASSED WATERWAYS if adequately planned and applied should be an asset, not a liability. Herman Borth has recently had a grassed waterway shaped on his place. He is presently preparing to bed channel the waterway and plans to drill western wheatgrass within the next few weeks. This is a time when we are in a drought period which compares to that of the 1950's. It may even

be more dry. However, God willing, this dry weather spell will soon break. Herman Borth had made arrangements with a neighbor to let him have enough water to get his grass up and growing.

Full seeded waterways should be drilled to wintergrasses between August 15 and September 15 on dryland and August 15 and October 15 on irrigated land. Although moisture conditions are not adequate at this time, it may be advisable to go ahead and plant western wheatgrass or other wintergrasses early and increase chances of getting it up and growing this year. Western wheatgrass can be planted with a grain drill and does not have to be seeded in a dead litter crop if seeded before September 15.

Grassed waterways are not a loss of land but a needed land use change that will result in the conservation of surrounding cropland. There are needless acres and inches of top soil that work down the creek during periods of high rainfall. This can be avoided in the future by establishing protective outlets of permanent grasses such as western wheatgrass in grassed waterways.

Gold ownership by U.S. citizens will soon become a reality for the first time in four decades, probably by December 31st. Experts disagree on the effect this will have on the price of gold but if you are planning to invest in gold or use it as a hedge against inflation (historically it's been a poor inflation hedge) then the warning to the investor is Caveat Emptor; "let the buyer beware."

Standards of size and purity will be established very soon by the major gold trading exchanges. Be sure that any gold bars which you purchase meet those standards. There are a few gold dealers in the U.S. today but you can bet that new names will swarm into the field once gold ownership finally becomes legal. So, protect yourself by dealing with a long established firm, known for reliability. Fraudulent gold bars that contain less than the stamped amount and with forged stampings of the major gold bullion dealers will begin showing up. The only way to avoid getting caught with a forged bar is to do business with a reputable dealer.

If you intend to buy bullion, don't buy small bars, wafers or medallions. This is what unscrupulous and unregulated silver and placer gold dealers in Utah and Nevada are pushing now with astronomical markups. Buy the biggest bar you can afford. You will pay a higher premium for the smaller bar and take a heavy discount when you get ready to sell it. Wafers and Medallions are even harder to sell.

Gold coins are still probably your best bet if you are a determined gold investor. You don't have to wait until gold ownership becomes legal to buy coins. Gold coins are a legal investment now. One of the key

We reckon that everyone has had about enough of watching history in the making. Personally, we were a little emotional when Richard Nixon announced his resignation as our 37th President.

Frankly, we didn't support him as a candidate, nor did we condone his actions concerning Watergate, but we had to feel a little remorse last week.

Well, it is all over with now. We would hope that President Ford, Congress and all the bureaucrats will get on with the business of running the country instead of kicking a dead horse. Lord knows there is plenty that needs doing.

Frankly, we have had enough Watergate to last a lifetime. Our country has gone long enough like a ship rudderless, so why cannot we all pull together and get back on course.

Nuff said!

XXXX

Tracks and the tribe motored down to Childress Saturday evening to view the 1974 Greenbelt Bowl game and to watch Stratford's Jack Haile perform during the event.

We may say right now that Jack played a fine game and his side won in a thrilling football game, some of the finest we have seen in a long time.

We would hasten to say that Childress and their Greenbelt Bowl Committee do a fine job for the boys and their Queen Candidates and we thoroughly enjoyed the trip.

Phyllis Miller was Jack's Queen Nominee and although she didn't win, she represented Jack and Stratford very well at the proceedings.

XXXX

We would like to recognize the Citation made to the Stratford of Texas Feedyards Division by Homer Tucker last week.

Tucker made the award to Doug Florence on behalf of Governor Dolph Briscoe and the Texas Industrial Commission.

We would like to point out that at times we may forget what the Feedyards Division does for our community every minute of every day.

It takes a little thinking to remember back only a few short years ago when they began building that big feedyard out southeast of town. It was a dry summer, it had been a dry year and believe you me, things had just about stopped turning when construction began on the feedlot. Then things picked up, young people were employed and busy as laborers, businesses were busy supplying all the needs for the new construction and we may point out that ads in *The Star* became easier to sell after that.

Well, to make a long story short, more folks have been employed all the time and our town has enjoyed a slow, steady growth, all due to the cattle feeding industry.

We'd just like to say right now, we are happy that Stratford of Texas' Feedyards Division is here, right along with Walter Lasley & Sons Feedlot, Cimarron Feeders and all the rest!

We sure aren't smart enough to figure out all the various statistics which go into such a report as Tucker presented the other day, but we do know that without all these fine folks, it would really have been a long, hot summer!

We are happy that Doug and his crew were recognized by the Texas Industrial Committee. We believe all of us need to send up a round of applause for all our feeding industry friends who have contributed so much to our community over the past several years.

XXXX

Arthur Judd dropped by the other day to ask that we remind folks that the Stratford Lions have a project that needs some help...the Robbie Emerson fund.

The cost to maintain the Emerson Fund each month has been raised from \$275 to \$325 per month due to inflation. As a

School Begins Monday For Stratford Students

Stratford's high school students may pre-enroll starting this Friday on the following time schedule: Freshman students, 10 a.m.; Sophomore students, 11 a.m.; Junior students, 1:30 p.m. and Senior students, 2:30 p.m.

The first full day of classes for all students who will attend school here this fall begins on Monday, August 19, with teachers reporting for in-class sessions on August 15.

Administrative personnel began work last week and all residents who have moved into SISD this summer and who will be entering students here for the first time are urged to have their children pre-enrolled. Both Mary Allen Elementary School and Stratford Middle School started pre-enrollment last week and will continue until the time that school starts. H.T. Galloway is the principal of the Mary Allen Elementary School and his secretary is Mrs. Shirley McReynolds. Jack Gilley is principal of the Middle School and his secretary is Mrs. Joyce Dodson.

Both of these offices will be open daily between the hours of 9 a.m. and 4:30 p.m. for registration.

All new students must have a birth certificate and health record on file before they will be admitted to classes. Kindergarten students must be five years of age on, or before, August 31. First grade students must be six years old on, or before, September 1, 1974.

Kindergarten classes will be

operated on a half-day basis with the morning session beginning at 8:30 a.m. and ending at 11:30 a.m. The afternoon session will be held from 12:30 p.m. to 3:30 p.m.

All principals emphasize the fact that no student will be allowed to enroll with immunization records being on file. Texas state laws prohibit schools from enrolling any student if immunization records are not up to date.

Buses will run the same routes as they did on the final day of May last year beginning August 19.

High school principal Dale Prescott points out that all students are expected to report neatly dressed and well groomed. No tank tops or midribs will be allowed and boys are required to cut their hair so that it is out of the eyes and off of the ears and collar. No beards or moustaches will be allowed.

The complete faculty for the Stratford Independent School System for the coming year is as follows:

ELEMENTARY SCHOOL
Principal H.T. Galloway, Mrs. Oleen Judd, Mrs. Rinda Allison, Mrs. LaNelle Waldrop, fourth grade; Mrs. Ruth

Jamison, Mrs. Elizabeth Briscoe, Mrs. Dice Stephenson, third grade; Mrs. Deborah Futch, Mrs. Patti Vincent, Mrs. Donna Gillenwaters, second grade; Mrs. Anita DeBord, Mrs. Roberta Bollinger, Mrs. Annie Pulliam, first grade; Mrs. Viola Kautz, Kindergarten; Mrs. Sherry Gass, Kindergarten teacher's aide; Mrs. Lorraine Mehner, elementary music, Mrs. Jan Heiskell, reading specialist; Miss Nancy Crabtree, physical education; and Mrs. Glenanna Craig, teacher's aide.

MIDDLE SCHOOL

Principal Jack C. Gilley, Mrs. Daina Starnes, English; Larry Norris, math; Mrs. Leona Woods, reading and typing; William C. Martin, science; Dwayne Plunk, social studies and coach; Mrs. Irene New, Mrs. Pat Brite and Miss Ann Ratliff, sixth grade; Mrs. Carroll French, Mrs. Donna Kendrick and Mrs. Linda Swain, fifth grade; Steve Ragsdale, junior high band; Mrs. Christine McAdams, special education; Mrs. Luella Johnson, teacher's aide; and Mrs. Cecilia DeBord, library clerk.

[Continued on Page 2]

SOME HAIL REPORTED

Welcome Moisture Falls Over Sherman County Area

Rain, rain, ain't it beautiful! At last some needed moisture, and some unwanted hail, fell across Sherman and adjoining counties this past week.

Moisture amounts for all last week varied from 1.75 inches plus some hail at the Green Ranch, located about midway between Stratford and Dalhart, to 3.06 inches reported at the Dietrich-Gurley farms down in the southwest part of Sherman County.

Horace Sneed, Stratford's official rain-gauger, reported a total of 2.64 inches in his gauge in the north part of town.

Then other reports which were reported to *The Star* on Monday for the week included the following: Bill Crabtree, 12 miles east of town on the Gruver Highway, reported 1.45 inches; Jake Davis, out north of the Conlen community about 12 miles west of Stratford, reported a total of 2.0 inches; Kerrick's

J.C. Robinson reported they received about 1.70 inches in the immediate area of Kerrick.

The Star learned that the Griggs Community, located up in the Oklahoma Strip, received a bunch of rain last Thursday with 2.60 reported in one night's total plus several other reports boosting totals in that area to nearly four inches.

Slats Crismon, of the Crismon Drug at Texhoma, reported that they got between 2.50 and 3.0 inches for the week in that area.

The only hail damage in the area that *The Star* learned about was west of Stratford in the Green Ranch and Chamberlain areas. No damage estimates were available at presstime. We did learn that damaging hail did fall in the Etter areas but we couldn't reach anyone in that area by phone on Monday to see where the hail did fall.

The largest amount of moisture in Stratford fell last Thursday night. Amounts of up

COMMISSIONERS COURT ACTION

Marilyn Albert Named County Tax Assessor

Marilyn Albert was appointed to the office of Sherman County Tax Assessor effective August 16 at Monday's meeting of the Sherman County Commissioners Court.

Mrs. Albert will be filling the office as a result of the resignation of Eugene Sadler who will be going with the Texas Highway Department. Mrs. Albert will have to seek the office in the next General Election slated for November.

In other business the Court approved the Sherman County Budget in the amount of \$701,417.40 for the coming year and set the tax rate the same as the year previous with no tax increase.

The new budget is an increase

of over \$100,000 the previous year due mainly to the Court House remodeling and the proposed salary increases, but no new tax increases are included, the Court emphasized.

The tax rate for the county will remain at a rate of 95 cents per \$100 valuation and in addition the taxes for Road District 2 will remain at 50 cents per \$100 valuation; and in addition the taxes for Road District 2 will remain at 50 cents per \$100 valuation; Road District 3 will remain at 70 cents per \$100 valuation and Road District 4 will be 30 cents per \$100 valuation.

The new budget also includes a provision for an automatic wage increase for all county employees and officials, except road and bridge employees and members of the Commissioners Court, of 10 percent effective January 1, 1975. This is subject to a Public Hearing which will be held later this year.

The Court accepted the bid for a new maintainer for Precinct 2 from West Texas Equipment Company in the amount of \$53,228. The bid of

W.N. Bridwell of Texhoma for the used maintainer in the amount of \$29,100 was also accepted.

The Court instructed County Judge W.S. Frizzell Jr., to write the State of Texas requesting county lateral road monies to be advanced. This amounts to some \$16,757 this year.

Phillip Bain met with the Court and made a report on the

current business and condition of the Stratford Cemetery Association.

The Court also made a new order instructing that in the future all natural gas lines crossing county roads in the county must be clearly marked on both sides of the road. This order is in addition to other requirements still in effect for gas line crossings.

GOVERNOR'S CITATION—Stratford of Texas' Feedyards Division was one of seven firms across the state presented with a special Governor's Citation for Industrial Expansion during 1973. Shown presenting the award for Governor Dolph Briscoe is Homer Tucker, industrial commission fieldman of Austin, and Doug Florence, manager, Feedyards Division. The award was presented at a noon luncheon held Thursday at the Headquarters Restaurant in Stratford.

Division Gets Texas Industrial Award

Doug Florence, Feedyards Division, Stratford of Texas Inc., was presented with a special Citation for Industrial Expansion during 1973 by Homer Tucker, personal representative of Texas' Governor Dolph Briscoe, at a meeting of civic leaders and company representatives at the Headquarters Restaurant at noon last Thursday.

Tucker cited the local corporation for their work in expanding their own firm during the year 1973 and cited how they had worked to better the entire feeding industry.

Tucker, in making the award for Gov. Briscoe, pointed out several statistics which helped earn the citation for the Feedyards Division.

He pointed out that the Division had added a total of 34 new employees during the year involved which boosted total employment to a total of 361 persons. The Division generated a total of \$664,835 in new Federal taxes, \$39,400 in state taxes and \$84,081 in new local taxes plus adding a total direct

input of \$4,249,468 into the local economy during 1973.

The Feedyards Division of Stratford of Texas, Inc., was one of only seven companies and corporations which were cited by the Texas Industrial Commission this year.

Nominations for the honor were made by local chambers of commerce and selected by the Texas Industrial Commission for their civic and economic contributions to their respective communities.

Tucker went on to point out that of the industrial expansion in the entire state during 1973, over 90 percent of the growth was due to already existing firms expanding their organizations.

Tucker added that the Feedyards Division's payroll which is generated over the local trade territory totals \$2.9 million annually.

"We know you are happy to have this company in your area," Tucker said. "And we are happy to recognize their efforts expand to serve our state and area better," he added.

TOWN TALK

Natacha Dyess received two broken bones on the 4-H Trail Ride last Friday. The bones were on each side of her ankle, a pin had to be inserted through one of them. She is recovering in High Plains Baptist Hospital in Amarillo.

4-H DISTRICT DRESS REVUE—held at Amarillo College August 1. Standing left to right, Annette Flores, 12 year-old daughter of Mr. and Mrs. Joe Pete Flores, competed in the 12-13 year-old division. She placed in the top five at district; Colette Schwertner, senior at Texhoma HS, daughter of Mr. and Mrs. Joe Schwertner, competed in Sr. Division, first alternate to go to state revue; Mary Ann Ferguson, 10 year-old daughter of Mr. and Mrs. Bob Ferguson of the Lone Star 4-H Club, competed in the 9-11 year-old division.

TOWN TALK

Mrs. Roy Chamberlain, Penrose Hospital following major surgery. daughter of Mrs. Lela Moon, has been dismissed from

TOWN TALK

Mrs. Alda Mitts is recovering from major surgery in Dumas Memorial Hospital after having a hard time this past week.

GUYMON'S BEAUTIFUL - SUBURBAN THEATRE

MATINEE ON SUNDAY at 2:00 PM - Show starts Each Night at 8:00 PM 2 SHOWS FRIDAY & SATURDAY NIGHT at 8:00 & 10:00 PM

Movie listings for August 14-20, 21-27, and 28-September 3, 1974. Includes titles like 'Rides Again', 'The Story of a Boy and His Dog', 'Old Yeller', 'The Incredible Journey', 'Corral Drive in Theatre', and 'Born Losers'.

Elks Begin Practice For Football Season

A total of 42 Elks reported Monday morning for the first of this week's "two-a-days" during which time the boys will be getting in top physical shape for the upcoming football season.

"We are quite happy with the overall physical conditioning the boys showed up in Monday," said Coach David Bornstein. "The boys moved real well and had lots of enthusiasm and showed good hustle this morning," he added.

Coach Bornstein added that he expected about five more boys to report after they return from vacation.

The Elks will be going in shorts and tee-shirts most of the week with the first pads to go on Friday. The Elks will hold an intra-squad scrimmage sometime Saturday morning.

The Elks will continue conditioning until August 23 when Claude will come here for a scrimmage slated to begin at 6 p.m. The Elks will hit the road on August 30 when they will travel to Phillips for a scrimmage there.

The first game this year will be when the Elks entertain the Spearman Lynx on September 6 at Elk Stadium.

The Stratford Booster Club will sponsor their annual Ice Cream Supper on Thursday, August 23, at the high school cafeteria.

All members of the 1974 Elk Football Team will be introduced and their various positions explained. Members of the coaching staff will be presented to all fans. Everyone is invited to attend the Ice Cream Supper that evening.

The Elk coaching staff and their duties this year are as follows: David Bornstein is Athletic Director and Head Football Coach. Bornstein is in his third year at the helm of the Elk football fortunes moving here from Hereford. Bill Briscoe is first assistant coach and will be offensive coordinator this

year. Coach Briscoe will also work with the centers and guards and with the defensive line.

Karl French is defensive coordinator for the Elks this year. French will also work with the linebackers on defense and with ends and wingbacks on offense.

Sam Brite is Junior Varsity Coach. In addition he will be working with the offensive tackles and defensive ends on the varsity squad.

Jody Richardson is Assistant JV Coach. He will be also working with the split ends and secondary members of the varsity squad.

Dwayne Plunk is 7th and 8th Grade Coach.

Coach Bornstein emphasized for all 7th and 8th Grade boys to get their physical forms filled out so they will have them when school begins next week. These forms may be picked up at the swimming pool or at the field house this week.

All 8th Grade football team members this year are notified that all they will have to furnish this year is their shoes.

This year the Stratford Elks will be moving back down into Class A competition and have been picked as the favorites to claim the District 1A crown. Other top teams in the district include the Canadian Wildcats and last year's champions, the Stinnett Rattlers.

The Elks open their varsity schedule this year on September 6 when they meet the Spearman Lynx here. They will play the Guymon Tigers here on September 13 followed by Texhoma, there, on September 20 and Dalhart, there, on September 27, to round out the non-district games.

District 1A competition begins on White Deer, there, on October 4, followed by Canadian, here, also Homecoming, on October 11; Stinnett, there, on October 18; Sanford-Fritch, here, October 25; Gruver, there, November 1 and Sunray, here, November 8.

The Elks return 13 lettermen, six on offense and seven on defense. Leading the Elks this year will be Quarterback Mark Beaty, an All District selection at both Quarterback and Safety a year ago, and Steve Coats, a second team All District Linebacker and Guard.

Other returning lettermen include Carl Luther, Danny Kirkwood, Ricky Reed, Gary Ferguson, Willie Mungia, Ricky Howard, Dwayne Miller, Leonard Duncan, and Johnny Slover.

TOWN TALK

Bitsey Chesmer, Debbie Crawford, and Vicki Bell attended the Youth Citizenship seminar at PSC in Goodwell July 29-Aug 1.

FRESHMEN SIGNING UP-Elk Band Director Gary Laramore, right, is shown with Jill Gilley, freshman daughter of Mr. and Mrs. Jack Gilley, at the freshman sign-up Monday morning. Also shown above, left, is Junior High Band Director Steve Ragsdale who moved here this summer to take over duties of the junior high band and choir director.

BEFORE

AFTER

On Friday TERRY FLORES Is 40

Happy Birthday

We Love You

Bill, Pat, Jeff, Mike, Annette, Leslie, Joe & Tom Paul

"Thou wilt shew me the path of life:
in thy presence is fulness of Joy..."

PSALM 16-11

HERE IS THE PATH

REST

A day of play has tired
this little one, but now
sleep will bring about the
needed rest. This is the time
for restoring energies, and
breaks the day's pace.
The Lord set aside a day for rest
and worship. This day allows
us to be in the Lord's
house and renews our energies
for the week to come.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HONORED AT SHOWER—Jeanette Tanner, center, bride-elect of Tom Hawkins, was honored Saturday with a shower in the home of Mrs. Kenneth Kendrick. Shown with the honoree above, left, Mrs. Hawkins and Mrs. Bill Tanner, mother of the bride-to-be.

Miss Tanner Feted With Bridal Event

Jeanette Tanner, daughter of the Rev. and Mrs. Bill Tanner of Amarillo, was feted with a bridal shower Saturday afternoon in the home of Mrs. Ione Kendrick.

Miss Tanner, bride-elect of

Society

Tom Hawkins of Amarillo, was honored by hostesses including Mesdames Cone Donelson, Rex Palmer, Eddie Bryson, Kenneth Melton, Rex Christian, Jerry Johnson, H.H. Caraway, Howard White, Leo Meeks, Glenn Hart, Phillip Bain and Kenneth Kendrick.

Punch and cookies were served to those who called from a table set with appointments of brass and crystal. The flowers consisted of an arrangement of the bride's colors of yellow and apricot blooms.

Grandma Ellison Honored With Birthday Event

Mrs. M.E. Ellison celebrated her 96th birthday Sunday with a dinner at the Farm Bureau Building. Her sons and daughter attending were; Mr. and Mrs. John Ellison, Norwalk, Calif.; Mr. and Mrs. Homer Ligenstaffer, Kiowa, Kansas; Mr. and Mrs. Tom Ellison, Texhoma, Oklahoma; Mrs. Opal Bryant, Mr. and Mrs. Oma Ellison, Mr. and Mrs. Kenneth Pickens, Mr. and Mrs. Pete Ellison, and Ernest Ellison all of Stratford. Her sister Mrs. Addie Sallee, Mt. Vernon, Ill. Her grandchildren and great grandchildren: Mr. and Mrs. Hugh Stewart, Sunray; Mr. and Mrs. Rodney Ellison, Gault, Oklahoma; Mrs. Ron Murphy and daughters of Felt, Oklahoma; Terrie Lea Ellison and son, Amarillo; Ann Pickens, Amarillo; Mr. and Mrs. Lloyd Downey and son, Norwalk, Calif.; Kay Harmon, Guymon, Okla.; Mrs. Wanda Riffe, Bryant Riffe, Mr. and Mrs. Don Ellison, Ernie and Verlie; Mr. and Mrs. Ronnie Pickens, Doug and Steve; Mr. and Mrs. Rickey Pickens, Eddie and Shelly; Mr. and Mrs. Jimmy Craig; Mr. and Mrs. Clifford Ellison, Melissa; Mr. and Mrs. Butch Ellison and son; all of Stratford.

Other guests were: Mr. and Mrs. Newt Crabtree, Van Brandes, and Brenda Sutterfield.

Mrs Crutchfield Hosts Club Meeting

Members of the Embroidery Club met with Bertha Crutchfield on Thursday with six present.

The time was spent in conversation with harp music presented by Nora Kidwell. Those attending included the hostess, Mrs. Kidwell and Ovie Wohlford, Opea Biddy, Addie Taylor, Nora Ramey and Inza Buckles.

TOWN TALK

Benny Sadler, son of Mr. and Mrs. Eugene Sadler, recently completed his course at United Electronics Institute in Dallas. He is now employed by Teledyne Explorations working in the field of geophysics in Kissinnee, Fla.

Five Residents Get Degrees At WTSU

Five Stratford residents will be among the 165 graduates of est Texas State University at Canyon who will receive their Master's degrees in exercises Friday beginning at 8 p.m. in the Amarillo Civic Center Coliseum, announced Dr. Lloyd I Watkins, WTSU president.

The five local residents include Jerilyn Carter Laramore, Master of arts; DonnaLee Kendrick, Master of Education; Daina Ruth Starnes, Master of Education; Brenda Jo Bouldin McClellan, Bachelor of Science; and Patty Gale Vincent, Bachelor of Science.

There are 165 candidates for the Master's degree, including one for Master of Agriculture, 85 for Master of Education, five for Master of Music, two for Master of Professional Accounting and nine for Master of Science.

One hundred eighty-six students will receive the Bachelor of Science degree, 18 the Bachelor of Arts, 53 the Bachelor of Business Administration, two the Bachelor of Music and three the Bachelor of Music Education.

Final examinations will be held during regular class hours Friday.

Registration for the fall semester at WTSU is scheduled August 30 and 31. Classes begin September 3.

TOWN TALK

Mrs. Pat Johnson underwent minor surgery in Amarillo on Monday.

Alta Gross Named To Who's Who

Alta Gross, daughter of Mr. and Mrs. Alton Gross of Stratford, and this year's Valedictorian, was named to Who's Who Among American High School Students.

Miss Gross will be listed among the students named in the Eighth Annual Edition of Who's Who, which is the largest student publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than three percent of the junior and senior class students nationwide are awarded this recognition.

Miss Gross was active in band, basketball, homemaking, UIL typing, UIL shorthand (district and regional). She has also been in All-Region band, Valedictorian of her senior class, had an essay published, and was named Who's Who in both Math and Business.

In addition to having her biography published in the book, Alta will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers."

Alta plans to attend West Texas State University in Canyon this fall.

WHOS NEW

Mr. and Mrs. Sherman Lantz of Boulder, Colo. are the proud parents of a 6 lb. 10 oz. son. Karl Aaron was born August 3.

Paternal grandparents are Mr. and Mrs. J.G. Lantz of Guymon, Okla. and maternal grandparent is Mrs. Hilda Naugle of Stratford.

Mr. and Mrs. Tom Blake, Amarillo, wish to announce the birth of a son. Christopher Kirt was born August 10 at Northwest Texas Hospital. He weighed 7 lb. 7 3/4 oz. and was 21 inches long.

Young Christopher has two brothers, Doug 4 and Craig 2.

Paternal Grandparents are Mr. and Mrs. Homer Blake. Maternal Grandparents are Mr. and Mrs. J.A. Robbins. Great grandparents are Mrs. L.B. Yates, Coleman, Texas and Mrs. T.D. Chisum, Stratford.

TOWN TALK

NOTICE

Dear Parent or Guardian:

The Stratford Independent School District Serves nutritious meals every school day. Students may buy lunch for .55 in Junior High and Elementary Grades or .60 in High School and for Adults.

Children from families whose income is at or below those shown on the scale are eligible for free meals at the reduced price of .20 cents for lunch. If your income is greater than those shown but you have unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, your children may still be eligible.

To apply for free or reduced price meals for your children, at anytime during the year, complete the attached application and return it to the school. The school will let you know whether or not your children are eligible within three [3] days of receiving your application. If you do not agree with the school's decision you have the right to a fair hearing. This can be done by calling or writing to: E.L. Bass, Supt., at Box 108, Stratford, Texas, Phone: (806) 396-5571.

In certain cases foster children are also eligible for these benefits. If you have such children living with you and wish to apply for such meals for them, please notify us or indicate it on the application.

All children are treated the same regardless of ability to pay. In the operation of child feeding program, no child will be discriminated against because of his race, sex, color or national origin.

If we can be of further assistance or if your income changes during the year, please contact us.

Sincerely,
Elwyn L. Bass, Supt.

ELIGIBILITY STANDARDS FOR FREE AND REDUCED PRICE LUNCHES

9	\$0 - 9510	\$9510 - 13,320	20c	20c	20c	20c	free	free	free	free								
10	\$0 - 10,190	\$10,190-14,260	20c	20c	20c	20c	20c	free	free	free	free							
11	\$0 - 10,860	\$10,860-15,200	20c	20c	20c	20c	20c	free	free	free	free	free						
12	\$0 - 11,530	\$11,530-16,140	20c	20c	20c	20c	20c	20c	free	free	free	free	free					

For each additional family member add: \$670 per year to the income level for free lunches and \$940 per year to the income level for reduced price lunches.

Eligibility determinations are made on the family basis, that is, all the children in the same family attending schools under the jurisdiction of the same school food authority are to receive the same benefits, a free lunch or a reduced price lunch, not some a free lunch and some a reduced price lunch.

Cook of Week

Native of Mercury

Janice Lasley is our cook this week, and a brand-new bride, or practically so. Janice and Griff Lasley were married June 2 in Brady and have made their home in Stratford since that time. Janice's husband, Griff, is working with his family at the Walter Lasley & Sons Feedlot located about 14 miles east of Stratford.

Our cook is the daughter of Mr. and Mrs. H.W. Kruckemeyer of Mercury, Texas. She attended Rochelle High School where she was a member of the future Homemakers of America, the drill team and student council and played forward and guard on the school basketball team.

Following her graduation from high school Janice attended Texas A&M University where she majored in market-

ing. It was at A&M that she met Griff. The couple are members of St. Paul's Lutheran Church in Texhoma and she lists her hobbies as riding horses and sewing.

She has loaned us several of her favorite recipes which we will share with our readers. They include Sour Dough Biscuits (with a starter recipe) and Strawberry Cheese Pie.

SOUR DOUGH STARTER
1/2 pkg. active dry yeast [1 1/4 tsp]
2 cups sifted flour
2 tbs. sugar
2 1/2 cup water

Combine the ingredients in a stone crock or glass or pottery bowl. Beat well. Cover with cheesecloth and let stand 2 days in a warm place.

SOUR DOUGH BISCUITS
1 1/2 c. sifted flour
2 tsp. baking powder
1/4 tsp. baking soda [1/2 tsp if starter is quite sour]
1/2 tsp. salt
1/4 c. butter
1 c. Sour Dough Starter
melted butter

Sift dry ingredients together. Cut in 1/4 c. butter with pastry blender. Add starter, and mix. Turn dough out on a lightly floured board. Knead lightly until satiny. Roll dough 1/2 inch thick. Cut with floured 2 1/2 inch cutter. Place biscuits in well greased 9 inch square baking dish. Brush with melted butter. Let rise about 1 hour in warm place. Bake in hot oven (425 degrees) for 20 minutes. Makes 10 biscuits.

STRAWBERRY CHEESE PIE
2 pkgs. 8 oz. Philadelphia cream cheese
1 cup sugar
4 eggs whole [one at a time]
2/3 pint sour cream
1 tsp. Lemon juice

Put ingredients in mixer in the order as listed, beating well. Bake 1 hour at 350 degrees.

CRUST:
1/2 box graham crackers
1/4 lb. butter, melted
1 tsp. brown sugar

Roll crumbs add butter and brown sugar. Line pan with crumbs.

TOPPING:
1 can sweetened strawberries, drained
add 1 heaping tablespoon corn starch to juice

Cook until thick. When cool, spread over top of cheese pie.

SCOT Group Travels To Amarillo Center

Thirty-five members of SCOT, Juanita Donelson and Rev. J. Frank Peery chartered a bus and visited and lunched with the Senior Citizens of Amarillo on Tuesday.

In addition to the luncheon, SCOT, members were entertained by one of the Amarillo Senior Citizens, 82-year young who had played the piano for silent movies.

The group was also joined for lunch by some former Stratfordites including: Mr. and Mrs. R.E. Kessie and daughter and son-in-law, Mr. and Mrs. Fred Smith, Mrs. John Freeman, Mrs. Ruby Palmer, Mr. and Mrs. Brown Ross, Mrs. Estelle Billington, Mrs. Cloe Taylor Smith, Violet Chisum, Mr. and Mrs. Ray Stout, Mr. and Mrs. Harry Reynolds, Mrs. Doris Tyler and Mr. and Mrs. Ray Doerfler.

Pre Registration At Clarendon Set

Clarendon College has announced the college's Pre-Registration dates for the fall semester as August 26 and 27.

Students interested in attending Clarendon College may enroll from 9 a.m., to 4 p.m. on either date in the college cafeteria.

Regular registration will be held on September 3, with classes starting September 4.

Applications for admission to Clarendon College are still being received and anyone

interested in attending the Fall Semester that has not made application is encouraged to do so by contacting the Office of Admissions at the school.

TOWN TALK
Mr. and Mrs. Dale Stovall and Cindy left Friday for a trip to Lake City, Colorado. The town will rejoice while Karen's gone.

School Opens Monday

Do Your Best to Make Him Happy!

He may feel sad about school now... but later, he'll be glad about educational opportunity. When school time becomes college time, will you be sorry? Make sure now that you'll have no regrets... open a special Savings Account for your youngster, and add it regularly. Then, you'll be financially ready for his college years. He'll be happy!

Two Entrants Sign Up For Contest

Only two young ladies have officially registered to compete in the 1974 Miss Stratford Beauty Pageant.

The duo includes Bitsey Chesmer, sponsored by the Tip Top Hobby Shop, and Cheryl Everson, sponsored by Stratford Department Store.

There are three entries signed up for the Little Miss Contest. These are Shelly Pickens, Gara Garoutte and Jan Phelps.

Deadline for entering either contest is August 22. Those desiring to sponsor a young lady or a little miss may contact either Carroll French or Chris McAdams prior to the deadline.

The Miss Stratford Contest will be held on September 7 with the winner reigning over the annual Jamboree and Fair the following weekend.

TOWN TALK
William Glen Hart and sons, Jon and Joel returned from a fishing trip to Canada this week.

CHAMBER CHATTER

There may not be "gold in them thar hills," but there is money in the street, just for the effort. Have you heard what the prize money is for winning floats in the Stratford Days parade? Could your business or club use \$100, or \$85, or even \$65. Help yourself, and help promote our annual celebration. Call Les Dodson, parade chairman with your entry. Parade theme this year is "Our Heritage." Plans are underway for an added interest in the activities surrounding the celebration. Downtown merchants plan to do their thing. Decoration, costumes, and prizes are all in the works.

XXXX
At the most recent Chamber Board Meeting, Carol Beck, from the Chamber at Texhoma, was present. Mrs. Beck presented a promotion program that Texhoma had found highly successful. More about this later.

The Chamber Chariot report showed approximately 60 new families in Stratford since the first of the year.

As usual, the housing situation received considerable consideration. George Jeffcoat, Chamber manager reported on the trip to Austin concerning the proposed 4-lane highway for

TOWN TALK

Mr. and Mrs. Duane Robertson, Lane and Shari returned home Saturday after a week's visit with their parents and other relatives in Robinson, Kansas. ***

Highway 287, south of Stratford. He also reported on meeting being held in regard to application for Highway 54 to be an Interstate highway.

A representative of the Chamber Board also met with the Fair Board this week, with suggestions and proposals for this year Fair and Celebration.

City Water Useage Sets New Records

July's dry weather caused Stratford residents to set new records in all phases of local water consumption pumped through the City of Stratford's Water Department, announced City Manager Max Stephenson this week.

During July residents used a total of 33,666,000 gallons of water. This is an increase of over 6 million gallons over the previous highest month which was June, 1973, when a total of 27,575,000 gallons were pumped by the city.

Stephenson added that during July residents used over one million gallons of water for 23 days. This record was more than double the previous record, also set during June, 1973, when the city pumped over one million gallons per day for only 11 days.

The average daily pumping during July, 1974, for the city's wells was a whopping 1,086,000 gallons.

The highest gallonage pumped during one day was on July 18, 1974, when the city wells produced 1,317,000

LEGALS

THE STATE OF TEXAS
TO: JACK W. JACKSON,
Defendant, Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 23rd day of September, 1974, at or before ten o'clock A.M. before the Honorable 69th District Court of Sherman County, Texas, at the Court House of said County in Stratford, Texas.

Said Plaintiff's Petition was filed in said court, on the 4th day of August, 1974, in this cause, numbered 2015 on the docket of said court, and styled, NORMAN KEITH PARRISH and wife, BETTY PARRISH, Plaintiffs, VS JAMES MONROE PARRISH and wife, CHARLENE PARRISH, ORVAL ROBERT PARRISH and wife EDNA PARRISH, THELMA MAY DICKERSON and husband, CLIFFORD DICKERSON, AVIS JEARLDINE COOK and husband, TOMMY COOK, IRA IRENE CREAMER and husband, RICHARD CREAMER, OLA JEAN HAMBY and husband, MARVIN HAMBY, WANDA JERLDINE HEND-

gallons. The lowest pumping for any one-day for the month was set on July 30 when only 722,000 gallons were used.

The only record not broken during July, 1974, was the total

WINS ALL-AROUND---Mike Flores, 17 year old son of Mr. and Mrs. Joe Pete Flores, won this handsome saddle at the Happy High School Rodeo in Happy, Texas a few weeks ago. Mike won it by his placing in other events which were: 1st ribbon roping, 8.9 sec; 2nd, bull dogging, 7.7 sec.; and 4th calf roping, 15.1 sec.

RICKS, and JACK W. JACKSON, are Defendants.

A brief statement of the nature of this suit is as follows: Plaintiffs sue Defendants for

gallons pumped for one day which is still held back in June 27, 1973, when the city wells pumped 1,407,000 gallons.

partition in kind of certain real estate owned jointly by Plaintiffs and Defendants, which said real estate is described as follows: All of Lots Eleven, Twelve and Thirteen, in Block Number One Hundred Three, in the City of Stratford, Sherman County, Texas, according to the official map or plat of the said City of Stratford on record in the County Clerk's Office in Sherman County, Texas, and if said property, cannot be partitioned in kind, in the alternative that said property be sold and the money distributed between Plaintiffs and Defendants as their interests appears as found by the Court, and for attorney fees and contribution for funds advanced for Preservation and protection of the said real estate, and court costs, and such

TOWN TALK

Tammie Weisenburger, Phoenix, Ariz. is visiting Lisa Cates this week. Her parents the Rev. and Mrs. Don Weisenburger brought her by Stratford. ***

TOWN TALK

Jimmy Gillenwaters, eight-year-old son of Mr. and Mrs. Bill Gillenwaters, broke his right leg above the thigh last Tuesday morning when he was thrown from a horse at the Cimarron Feedlot. Jimmy is in Northwest Texas Hospital in Amarillo (Room 562) where he is in traction. He had a pin put into the leg and will remain there for several weeks. Doctors estimate he will not be able to go back to school for three months. He would appreciate hearing from some of his friends while he is laid up.

WINS FIRST AT STATE---Jeff Flores, left above, son of Mr. and Mrs. Joe Pete Flores, won first place in the State 4-H Open Roping Contest held recently at Dallas. Shown with Flores is Terry Hash, second place winner of Austin and Ken Wood, third place winner of Silverton.

other and further relief as shown by Plaintiffs' First Amended Petition on file among the papers of said cause, as is more fully shown by Plaintiff's Petition on file in this suit.

It is cited that is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and seal of said Court, at office in Stratford, Texas, this 5th day of August, A.D. 1974.

ATTEST: M.W. Terrell Clerk, District Court, Sherman County, Texas.

By-----Deputy.
(Published August 8-15-22-29, 1974 in The Stratford Star)

TOWN TALK

The Hubert Harmon family from Mesa, Ariz., a cousin of Mrs. Dovie Fedric visited her and other relatives in Stratford last week.

TOWN TALK

Mrs. Richard Albert, and her granddaughter, Jenny Fedric, returned from a Shuff family reunion held in Hutchinson, Kansas, this past weekend. Of the original Shuff family in Kansas there were 12 brothers and sisters. The only surviving member of this generation is Mrs. Albert's grandmother

Mrs. Frances K. Shuff, the widow of David Edwin Shuff. Mrs. Shuff will be 93 this month. Around 150 persons from Calif., Ill, and many other places attended the reunion. Among those present was Mrs. Alberts mother, Mrs. R.A. Meredith, of Elkhart, Kansas.

TOWN TALK

Mrs. Hilda Naugle returned home Friday from a months vacation. She visited her sister and husband, Mr. and Mrs. Charles Martin in Rogers, Ark. her daughter and husband Mr. and Mrs. Curtis Davis in Watkins, Colo. and another daughter and husband Mr. and Mrs. Sherman Lantz and new baby boy in Boulder, Colo. She also visited her granddaughter, Mrs. Jerry Wilcox, husband and daughter in Aurora, Colo.

TOWN TALK

Mr. and Mrs. Bob Garoutte and daughter Kara, of Deer Park, Texas are in town to pick up their daughter, Len, who has been staying here all summer and their son, Wayne, who has been around for a month. While in Stratford the Garouttes plan to stay for a week visiting relatives and friends before returning home.

TOWN TALK

Mr. and Mrs. Steve Dettle, Shawna, Martin and Chris were in Lake City, Colo. for a few days before taking Steve and Martin to the allergy clinic.

COUNTY AGENT'S REPORT

by Jim Allison

August 24, 1974, is the starting date for anyone wanting to feed and show a pen or pens of commercial steers for the Sherman County Livestock Show this coming spring. Following are the preliminary rules concerning the show;

1. Only steers may be shown.
2. The pen is to be made-up of 3 steers. You will be allowed to start with 5, but 3 must be selected at show time to exhibit.
3. Starting weight must be between at least 375 not more than 425 lbs. This is an average weight of the pen.

NOW NATURAL GAS WATER HEATING MEANS MORE THAN JUST HAVING ENOUGH HOT WATER.

There have always been two very good reasons to heat your water with natural gas. First, its fast "recovery" speed. A gas water heater is two and one-half times faster than the same size electric unit. This means having plenty of hot water for the whole family--when you need it. Second is the cost of operation. In the average home (see chart), gas costs less than a fourth of a comparable electric unit. So, over the years, our story has been lower costs and quicker recovery. But now, there's an even better reason for using natural gas. Because a water heater using natural gas uses less than half as much natural energy (see chart) as its electric counterpart. Less than half. And in a time when we must all do everything we can to conserve our natural energy, that's the best reason of all. Next time you're faced with the choice, choose a natural energy gas water heater. Can you afford not to?

A comparison of costs and efficiency for water heating.

	Average annual energy cost to homeowner ⁽¹⁾	Energy utilization efficiency ⁽²⁾
Natural Gas	\$30.53	60%
Electricity	\$126.61	25%
You could save \$96.08 every year.		Gas uses less than 1/2 the energy.

If you want the job done right... do it with gas.

FEEDYARDS DIVISION
Stratford of Texas, Inc
for being awarded a
citation by the
Governor's Industrial Committee

On behalf of all the citizens of the area we would like to congratulate Stratford of Texas Feedyards Division for their singular honor!

We are glad that they chose to locate their operations here. We are happy with the expansion for their continued operation has meant the continued growth of our community.

Again, our best wishes to the Feedyards Division
