For the second time in a week...WHAT did you say! We've all heard techno-speak and buzz words and baffling 'em with BS. But I believe that modern business has taken this to new heights.

The following is a portion of a letter sent to me by a business that has done some work for us in the past. I have changed the company's name and what they do, but other than those two things it is EX-ACTLY" as it was sent to me. Read it, then tell me if YOU can translate!

"In our last status letter I talked to you about some of the additional services and products that will enhance your ability to evaluate your client's position. One of these products is Technology Based Outsourcing. Our ability to provide exceptional results to thousands of clients worldwide, is directly attributable to our high level of sophistication in system related matters. We have the capability of fully integrating a wide variety of internal systems components, such as top of the line server products, systems software, predictive dialing technologies, IVR technology, and digital switching equipment. This allows us to ensure a seamless and fully secure connectivity between our systems and the host system of the client, which we serve. We deploy both human and financial resources to adapt our systems to perform critical functions.

Another exciting enhancement called Thin Client Interface revolutionizes the critical process of translating account data from the client's host system to BCD's system for on screen processing by our representatives. This allows translation of client account information into standard format with Windows interface, delivering the functionality needed to contact you and your customer."

WHAT did they say again? As near as I can translate, all that they are saying is they have a great phone system and lots of employees to attend to our needs.

But could we just say that instead of couching it is terms to filled with gobbledey gook?

I see more and more of this going on all the time...and it isn't necessary. Just because you can string a lot of big words together doesn't mean you are smarter, do better work or get things done any faster! Let's speak English, folks.

Texas agriculture is big. Visualize 8 million pairs of boots, 1.3 billion pairs of jeans and 9 billion peanut butter sandwiches. Texas produces each year enough leather for the 8 million pairs of boots, enough cotton for 1.3 billion pairs of jeans, and enough peanut butter to make 9 billion peanut butter sandwiches!

Hotly contested county attorney races result in incumbents being ousted

Lamar and Red River County Attorney incumbents were defeated in the most hotly contested races in local election action Tuesday, March 14.

Lamar County incumbent Kerye Ashmore received 2,829 to challenger Mark Burtner's 3,702 votes, Burtner winning with about a 57 percent of the vote.

Incumbent Jack Herrington in Red River County was defeated by challenger Val Varley losing 2,238 for Varley, 828 for Herrington.

Neither Burtner nor Varley has a Republican opponent this fall.

In Red River County the Sheriff's race had three contenders. Former Sheriff Bob Storey and current Sheriff Bob Edrington ran neck and neck with Storey coming out with 1506 votes, Edrington 1275 votes. Third runner George White captured 291 votes. This means that there will be a runoff election between Storey and Edrington.

In the Titus County Sheriff's race appointed Sheriff Arvel Shepard defeated his challenger, Jackie Stinson 2840 to 1207.

In the Titus County Tax Assessor-Collector race there will be a run off between Incumbent June Roach and challenger Judy Cook. Cook received 2,010 votes, Roach 1,302, and third runner Dianne Wilson Norris received 751.

In Lamar County Sheriff B.J. McCoy had no problems returning to office, receiving 4,890 votes to challenger Steve Davoust's 1,589, taking 75% of the vote.

Precinct One Constable Randy Boren won over Mark Keys 428 to 306.

McCoy and Boren have no opponent in the fall election.

Another interesting race in the primaries was the 62nd Judicial Judge Race. This will result in a run off between top democratic vote getters Scott McDowell and Jesse Nickerson.

The winner of that race will oppose Republican Jeff Starnes, who easily defeated his opponent, Mike Mosher,

1,149 to 471.

Democratic incumbent for State Representative Mark Homer had no trouble defeating his challenger, Patricia Blount, with 5,638 votes to her 733.

U.S. Representative Max Sandlin, again the Democratic incumbent, captured 5,073 votes to B.D. Blount's 1,105.

District 2 State Representative Democratic incumbent Tom Ramsey defeated his challenger, Sarah Bailey King 8,127 to 4,953.

He will face Noble Willingham as the Republican vying for Sandlin's place this fall. Willingham defeated his challenger easily.

On a national level there were very few surprises, with this area voting like the rest of the state, overwhelmingly for Al Gore for the Democratic presidential nomination and George W. Bush for the Republican presidential candidate.

Run off elections will be held on April 11th, 2000.

Talco/Bogata PTO to host supper/talent show

April 8

Make plans to attend the Chicken Spaghet Supper and Talent Show hosted by the Talco and Bogata PTO's on April 8 at Rivercrest High School. Serving will begin at 5:00 p.m. and the show will begin at 7:00 p.m.

PULLING MACHINES-and drilling rigs were once a common site in Talco but now are rarely seen. There are even students in the school system who have no idea what a drilling rig looks like and are not sure what the seldom seen pulling machines do. The shut down of the Talco oil field has not had a good effect on the town but those who remember the more prosperous days enjoy seeing a pulling machine at work occasionally. Bogata Lions political rally well attended

The Bogata Lions expressed appreciation to the candidates and public for attending the stew supper, political rally and pie and cake auction sponsored by the Lions on Saturday, March 11 at the Bogata Community Center. Nearly \$1,200 was collected from the supper and auction. The proceeds will go toward eye glasses and exams for those in need and toward the Lions Club Scholarships.

The candidates speeches were informative and each candidate stayed within their 5 minute time limit. At-

tending were candidate; for Sheriff Bob Edington, Bob Storey and George White; County Attorney Jack Herrington and Val Varley; Tax Assessor-Leslie Nix, County Commissioner Precinct 1-Ricky Daniels, State Representatives District 2-Sarah Bailey King and Tom Ramsey. Mr. Ramsey was unable to speak at the event due to a previous engagement.

The Lions wish to thank you for your interest and cooperation and feel that everyone benefited from the rally.

Country Cooking

By Liz Irwin

<http://tpp.1starnet.com/>

Faillte romhat! This means welcome in Irish which is where our cook comes to us this week from. Since we will be celebrating St. Patrick's Day on Friday, March 17, 2000. May you each have the luck of the Irish with you!

St. Patrick's Day is celebrated on March 17th to honor Patrick, Ireland's patron saint.

Almost 1500 years ago the patron saint and national hero of Ireland was born to a Gaelic family who had migrated to Britain. The child was called Succat, which means "warlike". Since Britain was part of the Roman Empire and had become Christian, the child was baptized and called Patricius, meaning "noble". For 16 years, Patrick lived a normal life as the son of a prosperous landowner and magistrate.

Captured and forced into slavery, Patrick spent 6 years herding sheep. He made his escape and after a period of time, returned to Ireland to do missionary work.

On his return, Patrick worked 40 years in this field, preaching, baptizing and establishing churches, schools and colleges. History reports that he used shamrock leaves to explain the meaning of the Trinity. Although the date is not confirmed, it is reported that St. Patrick died on March 17, 493 after bringing the Christina faith to

Ireland.

The first Irish celebrations on the date of St. Patrick's death were noisy affairs. As the Irish emigrated around the world, they took the St. Pat's celebration with them and today parades are held in some very unlikely places as well.

The Irish heritage has had a profound influence on the nation. Nine of the people who signed the Declaration of Independence were of Irish origin. Nineteen of the presidents of the United States proudly claim Irish heritage and this included our first president, George Washington.

Hope you enjoy these Irish recipes and we will see you in the kitchen.

Irish Lamb Stew—they say that this is just right after a night at the pubs and gets better as it gets older!

Irish Bangers—these need to be left overnight in the fridge before freezing and need to be fried until golden brown.

Strawberry Scones—Bake golden brown and serve with whipped cream!

Irish Rarebit—a famous high tea dish!

Crubeens—this is a Dublin favorite. Although I am not sure what trotters are, the recipe is self-explanatory!

Bacon and Egg Pie—this is eaten warm or cold, at home or on a country outing and is a most popular dish!

Red River County Roots

This week's query is from Donna Hansen, 4609 Chattanooga Crossing, Marietta, CA 30067. She would like information about William Hayes Benton, born 1823 TV. According to a notice in the Northern Standard of Clarksville, dated 8 May 1844, W.H. Benton married Eleanor Jordan, daughter of Levi Jordan, on 14 April 1844 at Jordan's Mills. It is not known whether or not William H. Benton ever lived in Red River County or where Jordan's Mills was located. The family understands that he obtained land, possibly in Red River County, from a Jordan or Benton family. About a hundred years later, around 1945/50, there would have been a release signed by several members of William Benton's family. William supposedly left the property and paid no taxes on it. By the 1860's, William was living in the Gonzales/Guadalupe County area.

If you would like to write Ms. Hansen, please write him at the above address.

If you have a query you would like to have placed in this column, please send it to the Red River County Genealogical Society, P.O. Box 516, Clarksville, Texas 75426

Card of Thanks

We'd like to thank everyone who shared our anniversary celebration with us through cards, calls, visits and gifts.

God bless you all, Willie Mae & Johnnie Topping

Card of Thanks

Perhaps you sent a lovely card, or sat quietly in a chair; perhaps you sent a floral piece, if so, we saw it there. Perhaps you spoke the kindest words, as any friend could say, perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you very much.

The Norman Family

Card of Thanks

The family of Travis Dean Hale would like to say thank you for the many acts of love and kindness shown us during our sorrow. May you also be so richly blessed in your time of need.

FOOT NOTES

Dr. Austin Reeves

PREGNANCY & YOUR FEET

A woman's body goes through tremendous change during pregnancy, and the feet do not escape the transformation. The feet can grow by a half size or more during pregnancy. Hormones that are released to relax the pelvic area also loosen the foot ligaments. In addition, the extra weight a woman carries lowers her arches, adding further to foot length and width. Many women do not notice the gradual changes, while others resist them because they perceive that a smaller shoe size is better. But wearing too-tight shoes weakens the muscles in the ball of the foot and the ligaments that keep the toes straight. These conditions can lead to various foot problems, including corns, ingrown nails and bunions.

A mother-to-be's hard working feet deserve to be pampered with kindness and attention to their smallest aches and pains. In the long run, mother and child will both be grateful for it. Here at DOCTOR'S FOOT CLINIC, we deal with all kinds of foot problems, whether they're caused by pregnancy, stress, injury, disease or hereditary conditions. Call us when you need treatment or preventive care at 784-5585. We'll respond with quality, compassionate foot care for the family.

OFFICE LOCATED AT 3605 N.E. LOOP 286 STE 1800 PARIS, TEXAS P.S. Make sure shoes do not rub against you uncomfortably and that they are roomy enough to allow a finger's width between its tip and big toe.

March 16, 2000 St. Patrick's Day Recipes

Irish Lamb Stew

1/2 pound thickly sliced bacon-diced
6 pounds boneless Lamb-cut in 2-inch
1 teaspoon salt
1/2 teaspoon freshly ground black pepper
1/2 cup all-purpose flour
2 cloves garlic peeled-finely chopped
1 large yellow onion-peeled and chopped
1/2 cup water
4 cups beef stock
2 teaspoons sugar
4 cups carrots-1 inch pieces
2 large yellow onions-1-inch pieces
1 teaspoon dried thyme-whole
1 bay leaf
1 cup dry white wine
garnish with parsley

Saute bacon in large frying pan and reserve fat and bacon. Put lamb, salt, pepper, flour in a large mixing bowl and toss to coat meat evenly. Brown in frying pan with bacon fat. Put meat into 10 quart pan-leave 1/4 cup of fat in frying pan. Add garlic and onion and saute until onion begins to color. Deglaze frying pan with 1/2 cup water and add the onion-garlic mixture to casserole with bacon pieces, stock and sugar. Cover and simmer for 1-1/2 hours or till tender. Add remaining ingredients to pot and simmer covered for 20 minutes until vegetables are tender.

Irish Bangers

2 teaspoons ground white pepper
1 teaspoon ground ginger
1 teaspoon sage
1 teaspoon mace
3 ounce s salt
6 ounces bread crumbs
10 pounds fat pork butt
if lean add 1 pound fat back
2 cups ice water

Grind meat to half medium and half fine. Add spices and mix very well. Stuff into small casing links or make into patties. Leave overnight in fridge before serving. Fry until golden brown.

Strawberry Scones

1 cup strawberries
2-1/2 cup all-purpose flour
3 tablespoons sugar
2 teaspoons baking powder
1/4 teaspoon salt
6 tablespoons butter or margarine
2/3 cup milk

Preheat oven to 425 degrees. Cut strawberries into 1/2-inch pieces and set aside. In large bowl, mix together flour, sugar, baking powder and salt. Add butter. With pastry blender cut butter until mixture resembles coarse meal. Stir in reserved strawberries and toss to coat well. Add milk all at once. With fork lightly toss together until mixture holds together. With floured hands gently form into balls. On floured board with floured rolling pin, roll out dough to 1/4-inch thick. Cut dough into 2-1/2-inch circles. Place on greased cookie sheet and bake until golden brown about 12 minutes. Serve with whipped cream.

Irish Rarebit

2 tablespoons butter or margarine
2 tablespoons flour
1 teaspoon Dijon mustard
1 teaspoon honey
1/2 cup milk
1/2 cup Guinness Stout
1 cup grated cheddar cheese
salt and pepper

Melt butter in heavy pan and stir in flour to make a roux. Cook on low heat for a further minute without allowing to brown. Remove pan and gradually beat milk into the roux. Return to heat and stir until the mixture thickens. Stir in mustard and honey and finally Guinness. Cook fairly rapidly for 2-3 minutes and add grated cheese and stir over very low heat until all cheese is melted. Spread thickly on four slices of toast and brown under grill.

Crubeens

1 fresh pig's trotter-bone-in
1 onion
2 carrots-cut-up
salt
peppercorns
bay leaf
thyme
parsley

Place trotter in a pan with vegetables and spices. Cover with cold water and bring to boil and simmer for three hours. You may also de-bone and dip in seasoned egg and roll in bread crumbs and fry. Eat with brown soda bread and Guinness.

Bacon and Egg Pie

2 cups all-purpose flour
1 level teaspoon salt
1/3 cup lard
3-4 tablespoons cold water
rashers of bacon thickly sliced
6 eggs

Sift flour and salt into bowl. Cut up fats and rub them into flour. Gradually add the water mixing it in with a knife until mixture forms a ball and leaves bowl clean. Lightly shape on a floured board and cut into two pieces. Grease a 10-inch pie pan and roll out half of pastry and line plate with this. Place rashers like the spokes of a wheel and break an egg into each of these spaces. Roll out the other half of the pastry and carefully cover the filling with this. Crimp edges all around. Lightly mark segments with knife so that each person gets a rasher and an egg. Brush top with milk. Place in preheated oven for 40-45 minutes.

RED RIVER VALLEY DIXIE GIRLS SOFTBALL OFFICERS for the coming season were elected at a meeting held at the Bogata Community Center this past week. Pictured (from the left) are: Deport representative-Kirk Woodall, President-David Duley of Detroit, Vice President-Chuck Williams of Clarksville and (front) Treasurer-Connie Giles of Bogata. Not pictured is Secretary-Nancy Brown of Talco.

Red River Valley Dixie girls softball meeting held

The Red River Valley Girls Dixie Softball Association met at the Bogata Community Center this past week to elect officers for the coming year and set up the coming season.

President, Mike Screws called the meeting to order and reported the league did not get moved into District 5, they will remain in District 4 with Mt. Pleasant, Sulphur Springs, Winnsboro and Mt. Vernon. He also told the group of the upcoming District meeting which was to be held Sunday, March 12 at 2:00 p.m. in Mt. Vernon, and handed out the new Dixie rule books. Mr. Screws stated he would not have a child playing this season and would not serve as an officer this season but would help the new president learn the ropes of running the league.

The floor was opened for nominations and elected this year were; President-David Duley from Detroit, Vice President-Chuck Williams from Clarksville, Secretary-Nancy Brown from Talco, Treasurer-Connie Giles from Bogata, Deport Representative-Kirk Woodall and Avery Representative-Patty White.

Entry fees were discussed. Treasurer, Connie Giles reported a carry over of \$254.30. This year the Dixie

fees have gone up. To off-set the rise in cost this year's fee will be \$8.00 per girl. This will pay the Dixie fees and provide trophies for each girl at the end of the season plus provide \$50 per all star team. Official Dixie rosters were passed out to all the towns. Members were reminded that the official rosters must list the physical address along with the mailing address and the child's name as on his/her birth certificate.

The group discussed the Dixie rule about girls crossing league lines and will abide by Dixie rule in any and all cases. Girls wishing to play in another league cannot do so unless there is no team in her age group in any of the towns in her league. She may not leave her home town to change within the league if her home town has a team in her age group. League insurance was discussed. Sadler Company is used by Dixie but is not required by Dixie.

At the next meeting set for March 22 at the Bogata Community Center at 8:00 p.m. the group will turn in rosters and pay league fees. A date to schedule games will be set at this meeting also. The meeting adjourned at 8:56 p.m.

Notice to RHS class of 1985

Plans have been in the works for a Rivercrest High School Class of 1985 Reunion during this past year. Class members have searched high and low for classmates to make the reunion set for May 20, 2000 at the Bogata Community Center a success.

A questionnaire was mailed to all class members who have been found and a request for a return of the questionnaire by February 12, 2000 was made. The group have received few responses although they hear of many who plan to attend. In order to have enough food for those planning to attend the questionnaires are very important and even if plans to attend are not made the questionnaires will let classmates know what has happened in each classmates life.

All classmates are urged to please return these forms as soon as possible to Jennifer Reeder, whose address is on the form. Lets celebrate our 15th year away from Rivercrest High School back together again!

New Arrivals

Mark, RaNell and Alli Isaacs proudly announce the birth of their daughter and sister, Averi Elizabeth born March 3, 2000 at Medical Center in Plano weighing 7 lbs. 10 ozs. and was 20 3/4 inches long.

Grandparents are Neval Dell Harville of Bogata, Gerald Burns of Mt. Pleasant and Trudy Cash of Brownwood. Great-grandparents are Marie Cummins of Windom and Wootie Harville of Bogata.

Class of 1960 to meet

The graduating class of 1960 from Bogata High School will have a reunion on Saturday, April 8, 2000 beginning at 10:30 a.m. at the home of Neva Dell Harville, 407 South Bryson in Bogata. All class members, friends and former faculty are cordially invited to attend.

REGIONAL BOUND-Jill Foster and Misti Tucker have qualified for the Regional Power Lifting competition. The girls placed in the top 10 of their weight classes at Collinsville to make the regionals. Misti is the daughter of Sabrina Tucker of Johntown and Cliff Tucker of Paris. Jill is the daughter of Mr. and Mrs. Morris Foster of Bogata. Congratulations to both girls. (Staff Photo by Nancy Brown)

NEW ADDITION-Johntown Missionary Baptist Church is receiving a new addition in the form of a vestibule. The addition is being made by the church members with a little help from contractors and will hopefully be finished in early June. The congregation has been meeting every weekend to work on the project. (Staff Photo Nancy Brown)

Rivercrest class of 1985 plans reunion

The Rivercrest High School class of 1985 is planning their 15th year reunion. It will be held May 20, 2000 at the Bogata Community Center.

It will be a two event reunion with families meeting around noon and bringing a picnic lunch. Later in the evening, the adults will meet for a meal, a program and their favorite music from the early 80's.

The class does need help finding some of their classmates. If you know the whereabouts of any of the following people, please contact Greg Russell at 903-463-3532.

Verdict delivered in drug case

Red River County Attorney Jack Herrington reported that a jury in the Arnold Joe Barton case reached a verdict on March 7. Barton was charged with the delivery of methamphetamine, a second degree felony. The verdict was seven years in prison and a \$1,000 fine.

Herrington praised the good work of the Drug Task Force and Bill Harris, Assistant County Attorney, who is the task force attorney.

Harris assists Red River, Lamar and Fannin counties with drug cases only. Herrington said he was pleased with the verdict and hopes it will send a message to others tempted to deal drugs in Red River County.

Agriculture is Texas' second largest industry

It's National Agriculture Week and it's a good time to take stock of Texas Agriculture.

Texas is the nation's leading producer of cattle, sheep, goats, horses, wool, mohair and cotton. The state is also one of the top producers of vegetables, citrus, peanuts, pecans, grain sorghum, rice, sugarcane and wheat.

Texas is one of the leading exporters of agricultural commodities. Texas' top five agricultural exports are live animals and red meat; cotton; feed grains and products; hides and skins; and feed and fodder.

In addition to livestock and crops, Texas agriculture also includes aquaculture, greenhouse/nursery/cut flowers and the timber/forestry industries.

Each Texas farmer grows enough food and fiber to feed 128 people-94.3 in the United States and 33.7 abroad.

Texas ranks first in the nation with the number of farms and ranches as well as in farmland with 131.5 million acres. The average size of farm was 582 acres in 1998 and 80 percent of the land in Texas is in some form of agricultural production.

Agriculture is the second-largest industry in Texas, producing 16 percent of the gross state product and generating \$80 billion to the Texas economy.

If Texas agriculture were a Fortune 500 company, it would rank above Mobil, Sears, Texaco, Home Depot and Dell.

Although agriculture provides a job for one out of every five working Texans, less than 2 percent of the population is involved in day-to-day farming or ranching.

Texas is the leading state in the U.S. in the number of students studying agriculture among university and high school students.

Cotton producer meeting is March 21

Area cotton producers are invited to an educational meeting Tuesday, March 21 at the Deport Farm Supply beginning at 12:00 noon.

Following lunch, program speakers will include Dr. Robet Lemon, Extension Agronomist and Dr. Blake Bennett, Extension Economist. These speakers will be discussing production and marketing opportunities that should be of interest to local producers.

The meeting is being sponsored by the Lamar and Red River Extension Officers and local agri-businesses. Continuing education units will be available to private pesticide license holders attending.

Fund to award scholarship

The Odessa Burrow Pannel Scholarship Fund will award a scholarship to two RN students and two LVN students currently enrolled in a nursing program. Applicants must be a permanent resident of Red River County.

Applications are available through the nursing department at ETMC, Clarksville, Monday through Friday. Deadline for applications is March 29. Applicants must be available for interview on April 29. Recipients of the scholarships will be announced May 8.

Public Notices

INVITATION TO BID
The Commissioners Court of Red River County is accepting bids for the following:
One (1) 2000 4-door, full-size police package care for the Sheriff's Department. Specifications may be obtained by contacting the Auditor's Office during regular working hours. Bids must be submitted in individually sealed envelopes. Bids must be delivered to the office of the County Auditor by 10:00 a.m. Friday, April 7, 2000. At that time the bids will be opened and read publicly. Action on the bids is then at the discretion of the Commissioners Court. The Court reserves the right to refuse all bids and to accept the bid deemed in the best interest of the County.
Shirley Anderson,
County Auditor

NOTICE TO PUBLIC OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

City of Talco
P.O. Box 385
Talco, Texas 75487
TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
Seventeen (17) days after this publication, the City of Talco intends to request the Texas Department of Housing and Community Affairs to release Federal funds under Title 1 of the Housing and Community Development Act of 1974 (P.L. 93-383) for its 2000 Texas Community Development Project Number 719461.

Exempt Activities: Administration, Engineering, Environmental Assessment Activities: The project consists of three activities--Upgrade of the 100,000 elevated storage tank, upgrade the city's major sewer trunk line and providing first-time sewer to three families. **Upgrade 100,000 elevated storage tank:** Upgrade the city's only elevated storage tank (100,000 gallon) by installing an interior epoxy coating system, repairing degraded exterior surface and installing screen vent, overflow pipe, cat walk, pigeon walk and safety climb ladder. The tank is located off Sixth Street. **Sewer Collection System Expansion:** Increase load capacity of sanitary sewer collection system by installing 3,720 linear feet of 10-inch (10") SDR-26 PVC sewer line, 530 linear feet of six-inch (6") SDR-26 PVC sewer line, 9 four-foot (4') diameter manholes with ring and cover, 30 linear feet of aerial crossing for six-inch (6") sewer line, and demolish 9 existing manholes and plug 2 existing sewer line. The new sewer line will be constructed within existing easements cross-country from Hind Street at the city limit east to the wastewater treatment plant. These activities provide a city-wide benefit. The improvements will benefit 589 individuals of whom 412 or 70 percent are of low to moderate income. **Eliminate Sewer Service to 2 Households:** Eliminate failing septic tanks by installing 1,800 linear feet of six-inch (6") SDR-26 PVC sewer line, 3 four-foot (4') diameter manholes with ring and cover, and construct three (3) new residential services including tap and line. Construction of the 6" sewer line will take place on Geiger Street from First Street to Fourth Street. The improvements will directly benefit six individuals in three households on Geiger Street, all of whom are of low to moderate income.

Finding of No Significant Impact:
It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the City of Talco has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (P.L. 91-190). The reason for such decision not to prepare such a Statement is based upon the fact that all environmental concerns could either be minimized or mitigated. An Environmental Review Record for the proposed project has been made by the City of Talco which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the City Hall and is available for public examination and copying, upon request between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday.

Public Comments on Finding:
All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of Talco to the address as set forth above. Such written comments must be received at the address specified within sixteen (16) days after this publication. All such comments so received will be considered and the City of Talco will not request the release of Federal funds or take any administrative action on the project prior to the date specified in the preceding sentence.

Release of Funds:
The City of Talco will undertake the activities described above with Community Development Block Grant funds under Title 1 from its Program Year 2000 under the above referenced grant from the Housing and Community Development Act of 1974. The City of Talco is certifying to the Texas Department of Housing and Community Affairs (TDHCA) that K.M. Sloan, in his capacity as Mayor, consents to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental review, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that, upon its approval, the City of Talco may use the Block Grant funds and it will have satisfied its responsibilities under the National Environmental Policy Act of 1969. TDHCA will accept an objection to its approval only on one or more of the bases and procedures described in 24 CFR Part 58.75. Objections are to be addressed to the Texas Department of Housing and Community Affairs, P.O. Box 13941, Austin, Texas 78711-3941.

Objections to the release of funds on bases other than those stated above will not be considered by TDHCA. No objections received later than thirty-three (33) days after this publication will be considered by TDHCA.
K.M. Sloan, Mayor, City of Talco

NOTICE OF MEETING

On Tuesday, 7 March 2000, Farmers Electric Cooperative, Inc. (FEC) submitted a proposal to the Board of Directors and Chief Executive Officer of Lamar County Electric Cooperative (LEC), offering to combine Farmer's Electric Cooperative with Lamar County Cooperative Association. We believe the benefits of acceptance of our proposal would be one of great value for the membership of Lamar County and urge you to request your Board Representatives to disclose the complete details of each proposal.

Farmers Electric Cooperative, Inc. of Greenville would like to invite each and every member to a Town Forum to be held Thursday, 16 March 2000, 7:30 p.m. at the Love Civic Center. We will share with you, in complete detail, our proposal and answer any questions you may have.

Points of interest:

- ◆ Proposal to significantly lower Lamar's rates for electrical service
- ◆ Return of Lamar patronage capital credits for the past 11 years
- ◆ Employee wage and salary plan implementation with projected wage increases for Lamar employee's
- ◆ Representation of the FEC Board through the creation of three (3) new director districts from the Lamar service area
- ◆ Local Office will remain in place with added support services
- ◆ School programs and Community involvement
- ◆ Continued Cooperative status vs becoming a Stock Owned company

Here at Farmer's Electric, our philosophy is that it's members and employees are our number one asset, so please join us on Thursday at 7:30 p.m. and help us, help you, keep our Cooperatives where they belong, "In the hands of its members!"

Stolen Tractor subject of Red River County Crime Stoppers

Red River County Crime Stoppers
903-427-TIPS

Sometime between February 18 and 19, a theft occurred on the Woolly Ranch near the intersection of FM114 and FM1158. The following items were taken, 1990 5610 diesel tractor, New Holland front-end loader, a set of shop made hayforks and back hayforks.

Saturday, March 4, an attempt was made to abduct a small child on CR4426 south of Avery. The child was playing in the front yard when a white car pulled into the yard. One of the occupants got out and grabbed the child and the other children began to yell. Two white males with blond

hair and one female with dark hair occupied the vehicle, which may have been a Grand Am with possibly Oklahoma license plates.

Crime Stoppers needs your information to solve these or any felony crimes. You could earn up to \$1,000 should your information lead to the arrest and indictment of the parties responsible for these crimes. Remember, you do not have to be identified and you do not have to testify. Call 427-TIPS or 427-8477. Texas Trash Off is April 1

Adopt-a-Highway volunteers district-wide are preparing for the April 1 "Don't Mess With Texas Trash Off". Nearly 234 volunteer groups have adopted 468 miles of highway in the Paris District.

In Texas there are 4,100 volunteer groups who keep 8,200 miles clean. Texas ranked number one in volunteer for highway cleanup until 1999, when the state of Pennsylvania re-

ported 8,000 volunteer groups who adopted 18,505 miles of highway.

Anyone interested in participating in the Don't Mess With Texas Trash Off may call Stacy Short, Adopt-A-Highway Coordinator at 903-737-7352 for more information. If your community is interested in becoming a Keep Texas Beautiful Community, contact KTB at 1-800-CLEAN-TX.

Bogata Book Club hears program on Texas History

The Bogata Book Club met at the home of Nanalee Nichols Thursday, March 9th. They heard an excellent program on Texas History presented by Juanita Davis, who taught Texas History for 23 years.

Mrs. Davis pointed out that if one is in El Paso they are closer to Los Angeles, California than Texarkana, Texas, and from Texarkana it is closer to Chicago, Illinois than it is to El Paso. She proceeded with a short history of the development of the state from there.

Sixteen members and one guest were present. A St. Patrick's Day theme was carried out with shamrocks, shamrock napkins and fresh flowers.

A sandwich and dessert plate prepared by Dawne Darden was served.
