**Tea made out of WHAT!!!**  
Modern medicine seems awfully expensive these days. A two hundred dollar doctor visit isn't unusual, and the cost of medication is sky high. But, after hearing about "home remedies" at the Bogata Book Club the other evening, I've decided it sounds cheap...or at least worth the money rather than undergoing old-time treatments!

The roll call that night was "Home Remedies". There were the usual ones (what was the fascination with "coal oil" back then?), featuring whiskey and honey for colds, or that ubiquitous coal oil, and lots of hot teas and lemon juices.

But the cowpatty poultices kind of threw me for a loop!

Yes, I know cow manure heats up, and the old time belief seemed to be that this heat drew poison out. All I can think of is the poison it might put in!

But, Mary Ann Williams took the award for the best home remedy story.

It seems that when she was born her grandmother was on hand as well as the doctor. The doctor wanted to send her mother to the hospital, but the two women believed babies were best born at home, and refused to go. Finally, Mary Ann arrived, but she seems to have cried a lot.

Before her father knew what was going on, grandmother had collected hen droppings from the hen yard, and brewed up a nice "hen tea" to feed the newborn girl!

Yuck. I think that would make ME stop crying...I'd be too afraid to utter a peep.

Her dad had a fit when he found out, and stressed that no more of this disgusting remedy be administered to his beautiful little girl.

Later, he always told Mary Ann that he was so glad her navel healed up...because grandmother was hinting about those infamous cow patty poultices!

Spider webs, tobacco juice and other not-so-sterile substances were applied to cuts and punctures back in the "old days" and, I suppose, little harm came of most of it.

Still, rather than go back to those old remedies, I'll just try and get by with some nice antibiotics, x-rays, MRIs and the other various and sundry things that make up modern medicine.

I wonder, a hundred years from now, if our current treatments will seem as barbaric as a coal oil and honey throat remedy? It could be, it really could be!

**Church page getting closer to publication, information still needed**

Just a reminder. Thunder Prairie Publishing is working on a once a month church page. To have your church's ad appear on this, please contact the main office at 652-4205. Fax to 652-6041. Or, if you have been contacted and have not yet gotten the ad information to us, please do so.

Tim Wood & Anaya Phillips practicing for gospel concert

## Choir to benefit Lions Club with musical

Due to the overwhelming request, the Bogata Community Choir is performing a third gospel concert. The concert will be held at Rivercrest Auditorium at 7 p.m. on Saturday, March 30. All benefits from the concert will be given to the Bogata Lions Club. The Lions Club is an organization that gives back to their hometown, the members work with such efficiency to better the community in helping making our area a better place to live. Just as they have done in their last two performances, there will be no charge for the concert. Free will donations of cash or eyeglasses will be accepted for the Lions Club.

The Bogata Community Choir was organized in October, 2000 by the James Wood family. Their first performance benefited the Bogata Public Library and last April the concert benefited the Bogata Ministerial Alliance.

Everyone is asked to show appreciation to the choir and especially to the Bogata Lions Club and join in for an entertaining evening of southern gospel songs. Choir director, Tim Wood, is assembling some of the most requested numbers that have been done by the choir in their past two concerts and has tabbed the March 30 event the "Greatest Hits" of the Bogata Community Choir.

## Voting location changed

Notice is given that by order of the Red River County Commissioner's Court on December 28, 2001, the voting location in Precinct 5 was ordered permanently moved to the Bogata Community Center.

This change was made because the Bogata Police Department now occupies the room in City Hall where the voting was previously held. The Bogata Community Center is located in the 300 block of N.E. in Bogata.

This change effects only those registered voters who are registered in Voting Precinct #5. If you have any questions about what voting precinct you are in, you can refer to your voter's registration certificate or call the County Clerk's office at 903-427-2401.

## Reunion plans made February 7

by Janie Wilson

On February 7, 2002, I attended the Talco High School Ex'es Planning Session for Talco Homecoming this year. It was my first time to attend a planning session.

The group met at the Western Sizzlin in Mt. Pleasant. Visiting and food was first on the agenda.

President, Gerald Ben Morris conducted the business session. Tilmon Clark gave a report on plans, dates, money, scholarships etc. Even their wives, Kay and Norma seem to share the excitement and anticipation of things to come.

As long as Talco Ex'es have good leadership, the spirit of Talco High School will always linger.

I was amazed at how many out of town ex'es were present. They came from Duncan, Oklahoma, Sulphur Springs, Longview, Flint and Dallas as well as Mt. Pleasant, Johntown and Talco.

I am glad I attended! I enjoyed

the fellowship and most of all it reminded me that Talco High School played a very important role in my life. I appreciated the work, time and interest many of these individuals do each and every year.

There may not be a Talco High School but many will remember Talco High School, friends, education, leadership and the Trojan spirit.

This will be the last year to meet at the Talco School. No, it won't be the last Homecoming-not with the determination and work so many put forth to make this an annual event.

Contributions can be made to the Scholarship Fund at any time. Be sure to make plans to attend your Talco High School Homecoming.

The Texas Department of Public Safety has arrested a suspect in connection with a counterfeit driver license operation in Austin.

The arrest came after a search warrant was served early Wednesday morning. Various forms of computer equipment that may have been used to make illegal driver licenses were seized in the raid.

To further the investigation, DPS is urging anyone in possession of one of these fraudulent licenses to immediately contact the Department. Area merchants are also advised to be on the lookout for driver licenses with an audit number of 97072207418 located next to the picture. If you have further information, please contact Trooper Jerald Sams at (512) 997-4185 or Lt. Aaron Ard at (512) 424-2000, ext. 3711.

The DPS Vehicle Inspection Service spearheaded the six-week investigation with assistance from the DPS Driver License Division

and Special Crimes Service. Highway Patrol troopers participated in executing the search warrant.

*Country Cooking*  
By Liz Irwin

Our cook this week comes to us from Pattonville. She was recommended by a friend that assured me that Frances was one of the best cooks around the area. Although Frances denies that, I'll bet it is true because she is giving us some great recipes this week that she says are some of her favorites.

She and her husband Jesse have been married for 46 years. They have lived in the Pattonville area for 25 years. She comes from the Cunningham community and he, from the Clardy area. They met when they moved next door to them.

Frances is retired from Westinghouse and loves to cook (her favorites are desserts.....a lady after my own heart!), sew, tour and of course.....shop! They are members of the Pattonville Church of Christ and have a daughter, Carol who is married to Grady and they live in Fayetteville, Arkansas. Carol and Grady have two daughters and one has three sons and one has two daughters. She tells me that she does not get to see them nearly enough!

Thank you, Frances, for allowing us to use your recipes. Know of a good cook, call me at 903-982-5829 or e-mail me at lizirwin@hotmail.com. Some of you that live out of the area, let me know also, they can be from anywhere that you might think would be interesting! See you in the kitchen!

JAMBALAYA-this is one of her favorites and everyone loves it!

FAT-FREE PINTO BEANS-this can be used as an appetizer or an entree dish!

PORK CHOP CASSEROLE-she got this recipe from Angie Riccardi of Pattonville, who by the way is also a great cook!

MANDARIN CHICKEN SALAD-this is a good recipe for a light meal and easy to prepare! PINEAPPLE SHEATH CAKE-a cup of the batter goes into the icing, cooked and then spread on the cake!

PEANUT BUTTER PIE-needs to be refrigerated before serving and top with Cool Whip for added measure!

VEGETABLE PIZZA-this is ranch dressing and vegetables on a roll...sounds great!

**THEY AREN'T THE ONLY LIVE WIRES  
YOU HAVE TO WORRY ABOUT.**

There are some outside that can really cause trouble. As the company that owns the poles and lines your power provider uses to deliver your electricity, it's our responsibility to warn you about them. Always assume power lines are live, even if they're down. Though power lines provide you with reliable electric service, they can cause severe injury if you touch them with your hands, a stick or anything else. Here are a few more situations to pay close attention to when you're outside:

- Climbing or trimming trees
- Retrieving balls and toys from rooftops
- Flying kites
- Installing TV antennas
- Using ladders
- Operating boats with tall masts

Talk to your family about power line safety today. After all, you've got enough unbridled energy to handle already.

**Lady Rebels win first in first tournament of season**

The Lady Rebel Softball team traveled to Mt. Pleasant's Heritage Park for their first softball tournament of the season hosted by Chapel Hill.

On Thursday night the girls played Harmony and took a 7-0 win. They were happy to visit with Lynnanne Sivard, a former Bogata resident and Bogata softball player, who was on the Harmony team. In the game pitcher, Molly Hare had 9 strike outs and no runs scored.

On Friday the Lady Rebels met Paul Pewitt and again took a 7-1 win. Krystal Valenzuela had a great game for the team at her third base position. Hare sent batters to the bench on strike outs and the lone run scored was on one error.

Saturday morning saw the Lady Rebels on the field early vs Linden-Kildare. While the Lady Rebel offense was a bit off the defense and pitching from Hare were great. Following 6 1/2 innings of play the Lady Rebels received the first place trophy with a 3-0 win. Young players Stephanie Williams in right field and Leslie Richeson at short stop held their own with the other veteran Lady Rebels and contributed strongly to the win.

Molly Hare finished the tournament with 32 strike outs; no runs and only 4 hits. The team is coached by Brandon Oats and Tammie Case. Congratulations Lady Rebels!!!

Carol Laing received word from her son, Jeremy Abshier, that the varsity boys basketball team at Hampshire-Fannett where he is assistant coach will be playing in the Regional Qualifiers for Class 3A Tuesday night February 26 against Kountee after defeating Buna 68-52 for Bi-District and altair Rice 71-60 for the Area Championship last Friday.

Nancy Brown and Karen Jones attended funeral services for Pat Belcher in Cuthand Wednesday morning.

Mr. and Mrs. Eddie Brown enjoyed watching the Lady Rebel Softball team win first place in the Chapel Hill Tournament held at Heritage Park in Mt. Pleasant Saturday morning. The team had won on Thursday over Harmony and defeated Paul Pewitt on Friday. They defeated Linden-Kildare for first place.

**Rivercrest Power Lifting Team headed for Regionals**

by Coach Gary Schultz

The last ranking update in Girls Powerlifting has 5 Rivercrest lifters qualifying for Regionals. The girls have done an outstanding job all season to achieve such a goal. The team has placed in the top 4 of every meet and as high as first. Growing in numbers, the team entered a least 9 girls in every meet with as many as 11 for one meet, therefore, reflecting our highest number to qualify for regional in the three years of the Powerlifting Team existence. The for year we had 2 ladies go; last year we sent 3 and this year 5!!

The girls that are advancing to Regionals on March 7 in White Oak are: Tina Carder, 97 lbs. currently ranked 1st; Stephanie Williams, 114 lbs. currently ranked 1st; Alison Foster, 114 lbs. currently ranked 8th; Brittany Bull, 123 lbs. currently ranked 9th and Krystal Valenzuela, 132 lbs. currently ranked 11th. The other girls that participated on a regular basis in the powerlifting meets were Shari Wisinger, Laci Hinton, Paige Boyd and Kacey VanDeaver, who missed out of Regional by one place.

The team boasts the fact that they will return stronger in the coming years, due to the fact that the team has only one senior on the squad and is looking to increase their numbers with current high school talent and incoming freshman. The girls and I thank you for your support.

J.R. Lewis

## Lewis runs for JP re-election

I'm J.R. Lewis, candidate for re-election for Justice of the Peace. My wife, Glenis, and I were both born and raised in Red River County.

I served on the Clarksville City Council for six years and was Mayor of Clarksville for two years.

I was elected to the position of Justice of the Peace on January 1, 1995. Prior to that, there were four Justices of the Peace and four Constables in Red River County. That has been changed and we now have only one JP and one Constable. At that time, there was a lot of skepticism, including mine, if this would work in this larger county. Not only have we made it work and saved the county money, we've made the county money. My first year in office, our total revenue was \$111,000. It is now almost \$300,000.

In order to make this work, I am on call 24 hours a day, 7 days

a week. I come into the office on weekends, holidays, during the night, or whenever needed.

The only promise I made to you, the taxpayer, when I first took office, was that I would do the best job I knew how to do. I want to give a lot of credit and thanks to my co-workers Shelley Cantrell, Timberley Shimpock and Constable Tim Shimpock. We work together as a team with all areas of law enforcement.

The promise I made of having an open door policy still stands; you are welcome in our office at any time. We may not have an immediate answer for your problem but we will research it and be in contact with you.

As I stated before, I only make one promise, and this is a promise I can keep, that I will continue to do the best job that I know how to do. I thank you and would appreciate your vote on March 12.

1. Fees for installation of water and sewer service (taps or extension of existing primary lines):

a. Each property owner or prospective resident of building or property requesting water or sewer taps to any city water or sewer line or any line connected to any water or sewer line of the City of Blossom water and/or sewer system, regardless of whether service location is within the city or outside the city limits of Blossom, such person must make application to the City and shall pay the following fees for new installations:

(1) Each basic 3/4" water tap, including installation of water meter, requiring a service line extension of no more than 20 feet, shall be assessed at \$300.00.

(2) Each basic 4" sewer tap (tapping existing sewer line no more than 6 ft. deep), requiring a service line extension of no more than 20 ft. shall be assessed at \$300.00.

b. If cutting of street is required to install new tap(s), an additional fee will be assessed for cost of proper repair of the City street to restore it to prior condition;

c. If street condition is such good status that cutting of streets is not acceptable to the City, the City may require line extension(s) be bored under the street. The cost of such bore will be assessed and added to the basic tap fee(s). If property owner or builder wishes to contract directly for street bore with a contractor acceptable to the City, such bore must be accomplished to City standards and specifications as defined by TNRCC or standard engineering principles.

d. Other fees to be assessed for service extensions, taps, or installation of new service which exceed those defined above:

(1) The additional cost of water taps requiring tap and meter in excess of 3/4", shall be assessed and added to the basic fee of \$300.00.

The city shall have the option of contracting for such extensions exceeding 150 linear feet with the cost of such contract to be assessed to the property

owner, builder, or developer. The property owner may contract directly for such extensions with a City approved contractor providing the installation and/or extension meets City Standards as defined by TNRCC regulations, the City engineer and/or standard engineering principles.

2. Each residence or commercial building requiring water or sewer service must have a separate water meter and separate water and/or sewer tap. There shall be no two residences or businesses or any combination thereof connected to the same water meter or sewer connection. Requirements for multiple resident structures shall be determined individually, dependent upon number of residence units, number of total projected residents, and/or standards defined by TNRCC, the City engineer, and/or standard engineering principles.

6. The City shall not be required to provide new sewer installations or extensions of existing City primary lines to any property whose topography is incompatible to provide adequate gravity flow of wastewater from the new installation.

7. City water meters and primary sewer line sewer tap clean-outs must be installed in existing public right-of-way or utility easement. No property owner shall fence in or otherwise obstruct the City's access to water meters or public sewer tap clean-outs. ## Bogata Homecoming April 13

Bulldogs are coming home Saturday, April 13, 2002. A large crowd is expected this year. As Nanalee stated in her column last week, "We were all reminded September 11th just how much we love our family and our friends", and we all appreciate them a little more today.

It will be good to get together hug and laugh and enjoy one another another time. A catered meal will be served from 12:00 noon to 2:00 p.m. in the cafeteria. If class reunions run a little late, mem-

bers can still come for lunch where there will be plenty of food.

About 2:30 p.m. there will be a short business meeting followed by a very short time of entertainment. The rest of the evening will be spent visiting.

Everyone is urged to make your plans now to come to Bogata Homecoming on Saturday, April 13, 2002. The class of 1953 will be the host this year. For more information call 903-632-5221, Mary Barnard Vaughan. "Yea! Bulldogs".

## Spring gardens are topic of luncheon

The YWCA will present lunch with a purpose on Friday, March 1. Betty Lyke, Master Gardener, will present the topic "Planting Our Spring Garden" at the luncheon held at the YWCA Activity Center from 12 noon to 1 p.m.

Other topics planned for the year include women's health, planning by the city parks and recreation department and activities to decrease stress.

### M\*A\*S\*H puppets to visit Rivercrest Elementary School

The Rev. Bill Higgins and his M\*A\*S\*H puppets will visit the Rivercrest Elementary School on Friday, March 8, 2002 giving 3 performances of "Don't Cry Over Spilt Milk". A performance will be held at 9:00 a.m. and 10:00 a.m. and from 1:30 p.m. to 2:00 p.m. Parents are welcome to bring their pre-school students to any of the performances.

the past 2 years, Rev. Higgins has conducted puppet shows at state and county fairs throughout the United States with the "Grandpa Cratchet Puppet Show".

Prior to this, he served for 8 years as the Children's Pastor at Paris Church of God in Paris, Tx. He currently is administrator of "Kids Power Team Ministries" and director of M\*A\*S\*H Puppets.. His goal is to incorporate the use of puppets while teaching values (Manners, Attitudes, Safety and Health) to children.
