## Deer causes three vehicle wreck on Highway 86

The Friona Volunteer Fire Department and Friona EMS were called out around 3:41 a.m. Monday morning to a wreck on Highway 86 near the Castro County line. According to preliminary reports, Driver 1 was heading east on Highway 86 towards Dimmitt in a semi-truck hauling a milk trailer. Driver 2 and Driver 3 were in separate pickups travel-

ing west on Highway 86 going to Cargill. Driver 2 hit a deer in the roadway which triggered the airbag causing him to lose control of the vehicle. Driver 1 in the semi saw the pickup crossing over into her lane and swerved to avoid a head-on collision. Unable to stop in time, Driver 3 crashed his pickup into the pickup of Driver 2. After the initial collisions,

Driver 1 and Driver 3 helped remove Driver 2 who was trapped in his vehicle. During the initial collision, the engine of Driver 2's pickup was knocked completely out of the chassis. Friona EMS responded with 2 ambulances and 6 personnel and the Friona Volunteer Fire Department had 4 trucks and 11 firefighters at the scene.

The Friona Chieftains and Bushland Falcons played their district game Tuesday evening at Hodgetown Stadium in Amarillo, home of the Sod Poodles. Bushland moved to 6-0 in district with a 24-1 win over the Chiefs. Friona is 3-4 on the season but still in the playoff chase. The Chiefs host River Road this Saturday starting at noon.

The City of Friona is very pleased to officially announce that daycare for residents is just around the corner. We have received funding to renovate the Louise Wilson Girl Scout Hut donated to the city earlier in the year, and a local operator, Happy Tribe Academy, has applied to run the daycare. The tentative opening date will be in September 2023.

The FEDC has opened its Storefront Improvement grant program to the entire city as of April. This will allow all businesses in the city limits to apply for up to \$1,500 in matching money to upgrade your business storefront with signage or other improvements. Details and an application can be found at [www.cityoffriona.com/fedc-loan-program](http://www.cityoffriona.com/fedc-loan-program), or by visiting the Chamber office.

Local elections are coming up soon, on Saturday, May 6th. This year there will be no city election, but the

city is working with the school district and the hospital district to manage their respective elections. Early voting will start Monday, April 24th. Check the newspaper for local election instructions and polling locations.

I would like to invite everyone out to the Municipal Court Complex for an Open House scheduled for this Friday, April 21st. Judge Campbell and Judge Wilkins are providing refreshments and tours of the court complex, and the services provided by their courts.

Finally, the Chamber needs volunteers this year for the Cheeseburger Festival to be held on the third Saturday of July. Go by the chamber office at 621 Main and talk to Emma or give them a call at (806) 250-3491 to put yourself on the list. The festival this year, like last year, will be a week-long event, culminating in the cheeseburger cook-off at Reeve's Lake on Saturday.

# It's Their Fault

By John Grimaldi and David Bruce Smith

California is the land of cloudless climate and episodic earthquakes. According to The U.S. Geological Survey tremors occur every three minutes, but most are undetectable.

Even so, two or three sizeable shocks pop up each year, which cause confined upheaval up to 5.5 on the Richter Scale.

On April 18, 1906, San Francisco was flattened by a once-in-a 200-year-7.8-seismic-calamity that rubbed out 3,000 residents and planed 30,000 buildings. According to History.com, it "was caused by a slip of the San Andreas Fault over a segment about 275 miles long, and shock waves could be felt from southern Oregon down to Los Angeles."

## Butterflies

(A Cycle of Life) **Metamorphosis** (Transforming or changing)

Have you ever watched butterflies flutter by and wondered where they come from and where they go? I wanted to learn more about them, so I visited a butterfly house, where I learned that there are more than 17,500 kinds of butterflies. They live everywhere except Antarctica. I'd tell you more, but I want you to read my clues to fill in my puzzle!

**Butterflies:**

- are \_\_\_\_\_, they have 6 legs.
- have 2 pairs of \_\_\_\_\_ and a narrow body
- have a \_\_\_\_\_ from one half inch (the Pygmy Blue found in southern U.S.) to almost a foot (Queen Alexandra's Birdwing in rain forests of New Guinea)
- have a sense of taste through their \_\_\_\_\_
- feed on nectar from \_\_\_\_\_ or juice from rotting fruit through a "strawlike" tongue
- "\_\_\_\_\_" through their antennae
- can see \_\_\_\_\_: red, green and yellow
- have skeletons on the \_\_\_\_\_ of their bodies (exoskeleton)
- are protected from being \_\_\_\_\_ by their terrible odor or taste
- may have \_\_\_\_\_ on their wings that scare predators away
- colors may help them \_\_\_\_\_ or blend with backgrounds
- fly mostly during the \_\_\_\_\_
- hang from leaves, crawl into cracks in rocks to sleep at \_\_\_\_\_
- live for about one \_\_\_\_\_ (some live longer)

**What's In a Name? Butterfly Thieves!** Although butterflies have nothing to do with butter, the English called them "butterflies" because many years ago they were thought to flutter around, land on butterchurns or pails and steal this!

Start at the star to see:

Who's taking whaaaaaat?

12 Butterflies have different names in other languages. Match these up!

- English A. papillon (also a dog with "butterfly"-looking ears)
- French B. butterfly
- Russian C. petalouda (petal leaf)
- Greek D. babochka (bow tie)

**Monarch Migration** Monarch butterflies travel over 2,000 miles from the U.S. to Mexico. They start flying at the end of summer and get there by November to stay for the winter. Use the color key to see what they look like!

Do you know the four stages of a butterfly's life? Read the clues to fill in the blanks and find out!

- a butterfly \_\_\_\_\_ is laid on a leaf
- a \_\_\_\_\_ (larva) hatches and eats its own eggshell, then it eats the leaves of the plant on which it hatched
- it hangs by silken threads and forms a \_\_\_\_\_ (or chrysalis)
- later, the \_\_\_\_\_ (winged adult) comes out — and the cycle begins again

**Butterfly House** Have you ever heard of a Butterfly House or Zoo? They are places where butterflies live protected. They are full of plants and flowers! The butterflies breed and live in an environment set up for all their needs. Help the butterfly land on the flowers!

## Pigs in a Blanket

Kids always love pigs in a blanket, but if adults are honest, they like them, too. April 24th is the perfect day for this quick treat since it is National Pigs in a Blanket Day. This recipe takes these pigs in a blanket up a notch with garlic butter brushed on the outside. Sounds delicious.

**Pigs in a Blanket**  
iamhomesteader.com

### Ingredients

- 1 tube (8 ounces) crescent roll dough
- 24 links cocktail-sized sausages
- 1 large egg, beaten
- Garlic Butter (optional but recommended)
- 2 tablespoons unsalted butter, melted
- 1 teaspoon garlic powder
- 1 teaspoon fresh parsley, chopped
- 1/8 teaspoon ground black pepper

### Instructions

Preheat oven to 375°F and line a large baking sheet with parchment paper. Unroll the crescent roll dough onto a cutting board. Using a pizza cutter, cut the rolled-out dough in half lengthwise. Then, cut each rectangle of dough into 12, 2-inch strips. You will need a total of 24 strips of dough. Place one sausage onto each strip of dough. Tightly roll the sausage link in the dough until it is completely wrapped. Place the dough-wrapped sausage links onto the baking sheet, spaced about 2 inches apart. Use a pastry brush to brush the outside of each with the beaten egg. Bake for 12-15 minutes\*, or until the dough is golden brown. While the wrapped sausage links are baking, mix together the garlic butter. In a small bowl, mix together the melted butter, garlic powder, parsley, and pepper. Brush over the baked pigs in a blanket. Serve warm with ketchup and mustard for dipping.

### What's in a name?

*Because it is my name! Because I cannot have another in my life!* – John Proctor, *The Crucible*

Indulge this quick review of your high school Junior English class. The fictional version of the nonfictional Salem Witch Trials concludes with John Proctor refusing to sign a forced confession admitting to witchcraft. Proctor is not an innocent man in the story, but he—along with the other wrongfully accused—is not guilty of sorcery.

In the final scene of Arthur Miller's play, Proctor preserves his dignity by refusing to write his name. He will not sign to a lie just to avoid death at the hands of religious zealots of Salem, Massachusetts.

In the end, John Proctor's reputation is saved by honoring his name.

My mom gifted me. Sue was a church friend and neighbor, a young mother herself with the infectious laugh that Mother needed. Jane roomed with Mother at Abilene Christian College, sharing their love of reading poetry aloud and being silly. I went by both names from the

cradle. When teachers tried to drop the "Jane" portion of my name, I balked. It was my name, after all.

Whether you treasure the words you sign on your checks or think you got stiffed with something akin to Milliard Fillmore, you have only one name.

From birth, our names are verbal tattoos that will be heard on roll calls. They will be printed in dance and piano recital programs, announced at Little League games, monogrammed on back-packs, and etched inside graduation announcements.

What will people think when they hear, read, or

speak our names?

\*\*\*\*\*

I have a new great-nephew, born last week.

My nephew and his wife chose a blend of history and literature and faith to gift their firstborn on his birth certificate. We will call him Teddy.

I hope I'm around to see photos of Teddy visiting the national parks that Theodore Roosevelt helped secure. Maybe Teddy and his cousins will visit me in assisted living someday so we can watch the Rough Rider in all of the *Night at the Museum* movies on Netflix.

Someday, Teddy's dad will tuck him in and read

to him the story of spiritual magic and beauty that come to Lucy, Edmund, Susan, and Peter by knowing Aslan. As a namesake of Clive Staples Lewis (C.S. Lewis), Teddy will no doubt learn from *The Lion, The Witch, and the Wardrobe* that courage within comes from God above.

Perhaps you are the beneficiary of a family name. Maybe you carry the name of a parent's best friend, a sports hero, or a name reflecting cultural ties. All were chosen for us. Whether we like them or not, we still hold the power—along with the responsibility—to wear those names honorably.

Have you ever watched butterflies flutter by and wondered where they come from and where they go? I wanted to learn more about them so I went to visit a butterfly house.

The national average price of diesel has fallen 0.3 cents in the last week and stands at \$4.15 per gallon.

"With oil prices touching their highest level of 2023 at nearly \$83 per barrel, the national average price of gasoline has continued to inch higher, with 45 of the nation's 50 states seeing prices rise over the last week. While the rising price of oil is

likely the largest factor in rising gas prices, seasonal impacts continue to also exert pressure on prices," said Patrick De Haan, head of petroleum analysis at GasBuddy.

De Haan continued, "With the Northeast making the final step in the transition to summer gasoline this week, states in that region should expect a sharp rise in gasoline prices over the next week or two. Every other region has already seen the final step in the transition occur, so while other areas will see prices continue to slowly rise, the Northeast is likely to see a pretty hefty jump of 15-40 cents per gallon soon. Oil prices remain a wildcard, but we're likely a few weeks away from seeing the national average peak. Whether it hits \$4 per gallon or not is still perhaps a 50/50 chance."

GasBuddy data is compiled from more than 11 million weekly price reports covering over 150,000 gas stations across the country.

# Set for Success

By Brett Hoyle, Pastor, First Baptist Church

Being successful in life is what you want for yourself, your kids, your grandkids, family, friends, our city, our state and our nation, but the big mystery often comes back to how do you attain success, or how do you even define what success really is? If you look at the world's metric for success you will be on an ever changing bar that raises and lowers depending on the cultural and business currents of the day. On the other hand, if your idea of success is to one day hear Jesus say "Well done, good and faithful servant," then you have a mark you can aim for with your life.

Deuteronomy 1 is the beginning of Moses' second giving of the law of God before the Israelites went into the Promised Land. As the book

begins recounting the nations history, one is reminded of how God had set his people up for success. God gave them abundant protection and provision for their 40 year journey in the wilderness in providing food, clothing that didn't wear out, strong leadership and much more. Beyond this, God also provided clear direction for the future in verses 6-8. Their days of following the cloud by day and the pillar of fire by night were coming to an end, so God gave them something much more lasting to direct them, His Word. Deuteronomy 1:8 says, "See, I have set the land before you. Go in and take possession of the land that the Lord swore to your father, to Abraham, to Isaac, and to Jacob, to give them and

to their offspring after them." The Lord's Word provided clear direction that was direct and indisputable. To obey would lead to blessings from God, even though that path was not one of ease and comfort.

As you think about your life, remember that if you will be set for success, you need God's provision and direction. God's greatest provision is His son, Jesus Christ, who alone can save you from your sins. God also gives clear direction through His Word, as recorded in the Bible. To one day hear, "Well done, good and faithful servant," saving faith in Christ and obedience to His Word are essential, and in knowing Christ and keeping His word there is huge reward in this life and in the life to come.

## Panhandle Parables

# "Now, Hug Your Sister"

By Jeff Procter, Minister, 6th Street Church of Christ

Growing up with a younger sister had its moments. Especially, when we were little. For the most part Jenny and I got along well. We didn't constantly argue and fight. As the older sibling, I know I had the upper hand in most situations and could talk myself out of playing house or dolls, yet could get her to play most anything. But like all siblings there were those moments. The ones where neither backs down and a fight of sorts breaks out. Before you knew what happened mom or dad would have you both separated and demanding an explanation as to what caused the whole mess. It would then get sorted out, both getting in trouble and the final blow came when we had to apologize to each other. It would start with a sarcastic type of "I'm sorry" which never was good enough, because sincerity was serious business in our house. Then those famous words, "Now, hug your sister." That too had to be done with sincerity.

Apologizing does not come easy in our society. Yes, we may say we are sorry, but often we are sorry we got caught not sorry for the action itself. Paul describes this as worldly sorrow.

He goes on to add that God does not accept that, but desires godly sorrow that leads to repentance or a change of heart. Even today, I hear people tell their kids "Now say you're sorry." When what really needs to be said is, "Will you forgive me." There's the rub. The hug your sister kind of moment. When I ask for forgiveness I relinquish all power and humbly put it in the hands of the other.

The key to godly sorrow is that it leads us to desire a change. To surrender. I am sure most of us have come to a point where we ask God to forgive us. Why we will not ask that of each other is still a wonder. Forgiveness cannot be dictated to, only humbly received, but that may require of you to ask for it. This is what causes relationships to flourish.

I am thankful for my sister and I am thankful now for those times when my folks made me reconcile with her through a hug. If you have relationships where you can openly ask for forgiveness you are blessed. If not, maybe swallow some pride and instead of telling them, "Your sorry" ask them to forgive you. Now, go hug your sister.

# Put Only Jesus on a Pedestal

By Teena Hughs

We just had an interesting discussion in Community Bible Study today. We finished our lesson, and one lady brought up an interview she had seen with Tucker Carlson and Elon Musk the night before. She admired Musk when he bought Twitter, because she thought it was an avenue for free speech. After watching the interview, she was totally disappointed in Musk. Apparently he doesn't believe in God, and he doesn't believe people have a soul. (I also worry about his involvement in artificial intelligence.)

I am guilty of putting people, especially ministers and religious authors, "on a pedestal", only to be disappointed by them. Many of them start out as strong followers of the Word, and then something happens

and they change to more of a global belief system than a Word of God system. When that happens, I don't spend my time reading their writings; I don't reference anything they write. I don't want to be deceived by them, so I just get rid of anything they have written.

To some, that is narrow minded of me. I realize I may be missing out on some theological words of wisdom that I need to hear. But, I truly believe any and all wisdom comes from the Holy Spirit, and He will show me in God's Word what I need to know and use.

This putting-people-on-a-pedestal thing is something I have been guilty of for a long time. I have been let down by so many people, but that is no one's fault but my own. I made the comment today that maybe

these things happen because God is trying to show me that His Son is the only one I need to put on a pedestal.

I have wondered more than once why I am looking for a perfect earthly spiritual person to follow, especially since they always disappoint me! Sadly, I have spent my time looking for an earthly Savior, and I don't know why, because I already have a Heavenly One! I have been looking for that one perfect person, when the only perfect person to walk the earth already has.

God is trying to tell me His Son is the only One worthy of my total devotion and admiration. May I never forget that. And, may I never allow myself to put a human being on a pedestal so I can be disappointed by them sometime in the future.

# Frona to receive \$50,013.59 tax allocation payment for April 2023

Texas Comptroller Glenn Hegar announced last week that he will send cities, counties, transit systems, and special purpose districts \$977.2 million in local sales tax allocations for April. This amount is 12.8 percent more than the allocations sent out in April 2022. Cities will

receive \$615 million, transit systems will get \$210.6 million, counties will get \$61 million, and special purpose districts will receive \$90.5 million. The allocations are based on sales made in February by businesses that report tax monthly.

The City of Frona will receive \$50,013.59 in sales tax allocation for the month of April. This payment is a 15.45% decrease from the \$59,154.98 received in April of 2022. For year-to-date 2023, Frona has received \$217,655.57

which is a 17.22% decrease from the YTD amount of \$262,962.79 received in 2022. The Frona Economic Development Corporation (FEDC) will receive \$12,503.40 of the allocation for its operating budget.

## TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

### NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR LAND APPLICATION PERMIT FOR INDUSTRIAL WASTEWATER

#### AMENDMENT

Permit No. WQ0001350000

**APPLICATION AND PRELIMINARY DECISION.** Cargill Meat Solutions Corporation, P.O. Box 579, Frona, Texas 79035, which operates Cargill Meat Solutions, a complex beef slaughterhouse, has applied to the Texas Commission on Environmental Quality (TCEQ) for a major amendment of TCEQ Permit No. WQ0001350000 to add an emergency holding lagoon. The draft permit authorizes the disposal of process wastewater, utility wastewater, domestic wastewater, and vehicle wash water not to exceed a total flow of 71,300,000 gallons for any 30-day period from the facility to the playa lake and an application rate not to exceed 2.8 acre-feet per acre per year via irrigation on a combined area of 2,865 acres of various crops; and the disposal of brine and pickling wastewater at a daily average flow not to exceed 21,000 gallons per day via evaporation. This permit will not authorize a discharge of pollutants into water in the state. TCEQ received this application on September 22, 2022.

The facility is located at 1530 West U.S. Highway 60, near the City of Frona, in Parmer County, Texas 79035. The land application sites are located on various tracts of land approximately 10 miles south of the facility. The facility and land application sites are located in the drainage area of the Upper Prairie Dog Town Fork Red River, in Segment No. 0229 of the Red River Basin. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://gisweb.tceq.texas.gov/LocationMapper/?marker=-102.773888,34.598888&level=18>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Frona City Hall, 623 North Main Street, Frona, Texas.

El aviso de idioma alternativo en español está disponible en <https://www.tceq.texas.gov/permitting/wastewater/plain-language-summaries-and-public-notices>.

**PUBLIC COMMENT / PUBLIC MEETING.** You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

**OPPORTUNITY FOR A CONTESTED CASE HEARING.** After the deadline for submitting public comments, the Executive Director will consider the comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

**TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST:** your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

**EXECUTIVE DIRECTOR ACTION.** The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

**MAILING LIST.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this

specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and (2) the mailing list for a specific county. If you wish to be placed on the permanent or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

**All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087 or electronically at <https://www.tceq.texas.gov/goto/Comment/> within 30 days from the date of newspaper publication of this notice.**

**INFORMATION AVAILABLE ONLINE.** For details about the status of the application, visit the Commissioners' Integrated Database at <https://www.tceq.texas.gov/goto/CID/>. Search the database using the permit number for this application, which is provided at the top of this notice.

**AGENCY CONTACTS AND INFORMATION.** Public comments and requests must be submitted either electronically at <https://www.tceq.texas.gov/goto/Comment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. ## Sales Tax Holiday for Emergency Supplies, April 22-24

With the severe weather season upon us, Texas Comptroller Glenn Hegar reminds Texans they can purchase certain items tax-free during the state's sales tax holiday for emergency preparation supplies, which begins at 12:01 a.m. on Saturday, April 22, and ends at midnight on Monday, April 24.

"While we can't know in advance when the next flood, tornado or hurricane may strike, we can make sure our families, homes and businesses have the supplies they need to face these and other emergencies," Hegar said. "This tax holiday can help Texans save money while stocking up for emergency situations. Don't wait for disaster to strike. Take the time now to get prepared."

The Comptroller's office estimates shoppers will save nearly \$2 million in state and local sales taxes during the tax holiday, which was approved by the Texas Legislature in 2015.

There's no limit on the number of qualifying items you can purchase. These include: (1) household batteries, fuel containers and flashlights priced less than \$75; (2) hurricane shutters and emergency ladders priced less than \$300; and, (3) portable generators priced less than \$3,000.

For purchases made online, note that delivery, shipping, handling and transportation charges are part of the sales price. Consider these charges when determining whether an emergency preparation supply can be purchased tax-free during the holiday. For example, if you purchase a rescue ladder online for \$299 with a \$10 delivery charge, the total sales price is \$309. Because the total sales price of the ladder is more than \$300, tax is due on the \$309 sales price.

Purchases that do not qualify include: batteries for automobiles, boats and other motorized vehicles; camping stoves and camping supplies; chainsaws; plywood; extension ladders and stepladders; and, tents. A list of emergency preparation supplies that may be purchased tax-free can be found on the Comptroller's website.

# Dusty Hansard celebrates 20 years of serving Parmer County

Hansard Family Funeral Home hosted a seminar in the Ron Smiley Memorial Chapel earlier this month as part of the celebration of 20 years of service to Parmer County.

Parmer County Sheriff Eric Geske gave a presentation on potential scams that everyone should be aware of. They include romance scams, family scams, sweepstakes scams, home repair scams. If it sounds too good to be true, it is!!! Sheriff Geske warned to never give out personal information over the phone and that the U.S. Government will never call you, all their business is done in writing.

Next, Michael Robinson, Market Center Manager for Funeral Directors Life, talked

about the advantages of purchasing a pre-arranged funeral plan. To promote those plans and to celebrate their

20th Anniversary, Hansard Family Funeral Home is offering a 20% special savings discount through the month

of April on all pre-arranged plans. Call Berenice Salinas Zapata at 806-247-2729 for more information.

## Teddy Royce Giddens

Teddy Royce Giddens of Canyon, Texas died on Friday, April 14, 2023 at the age of 72.

Memorial services were held at 11:00 A.M. Tuesday, April 18, 2023 at the First Baptist Church with Mike Motheral, officiating. The family received friends from 6:00 to 8:00 P.M. on Monday, April 17, 2023 at Brooks Chapel. Arrangements were by Brooks Funeral Directors of Canyon.

Teddy Royce was born in Levelland, Texas on May 9, 1950 to Ivy Jane and Wilmer T. Giddens. He had one older brother, Butch Giddens and wife, Janice of Lubbock and older sister, Janie Rogers of Lubbock. Being their baby brother was something he considered a great honor.

He grew up in Sundown, Texas where he graduated in the class of 1968. His hometown meant everything to him.

Endearingly known as "Coach," Ted's greatest joy was often found on the football field. As former head coach of the Canyon Eagles, he was a proud leader of his players and enjoyed coaching under the Friday Night Lights along side many people he called his friends.

Ted was known for his love for his family, a good story, the Dallas Cowboys, Jack Nicklaus, Mickey Mantle, Gus McRae, a massive peanut M&M Dairy Queen blizzard, John Wayne and Johnny Cash.

He is survived by his

wife, Terri Giddens of Canyon; his two sons, Toby Giddens and wife Sheila of Amarillo, Tory Giddens and wife Kedra of Fort Worth; and his daughter, Tristi Weston and husband Ben of Canyon. He is also survived by 10 beautiful grandchildren whom he loved dearly, Abigail, Nathan, Luke, Hannah, Audrey, Casey, Jack, Adalyn, Brinley, and Seth.

He is preceded in death by his parents, Ivy Jane Giddens and Wilmer Thomas Giddens; his brother-in-law, CL. Rogers; his self-proclaimed favorite mother-in-law, Joy Holmes; and his three-legged dog, Yogi.

The family requests that donations be made to the Lewy Body Dementia Association to help combat this brutal disease and provide support for their families, [www.lbda.org](http://www.lbda.org).

## Barbara (Crow) Barnett

It is with great sadness the family of Barbara (Crow) Barnett announce her death on April 18th, 2023. A private service was held. Arrangements by HANSARD FAMILY Funeral Home of Friona.

Barbara was born on February 2, 1940 in Herford, TX. Her birth was marked by Groundhog day and a snowstorm. Spring must have come early that year. She was the 3rd child of Clifford and Madge Crow and their first baby born in a hospital. Her sense of adventure was nurtured in childhood as the family moved to Arkansas, East Texas and Washington state before returning to settle in Friona when Barbara was a Senior in high school. She graduated from Friona High School in 1957 and set out to Omaha, Nebraska to train for a job in the airline industry. Those plans were interrupted when she eloped with Gerald Barnett on St Patrick's Day (March 17), 1958 and moved to Lubbock. Together they set out on adventures of their own while raising three children; Vicki, Michael and Mark.

In Lubbock, Gerald attended Texas Tech and worked while Barbara made a home and raised the children. Armed with a new degree, they set out to teach for the Bureau of Indian Affairs in both Arizona and New Mexico. Once the kids were

all in school, Barbara went to work outside the home. She worked at the kids' schools in various capacities and then went to work for Union Geothermal Company in the Jemez Mountains of New Mexico. When Gerald retired from teaching, the family moved for Barbara's job opportunities with Union. First to Houston and then to Amarillo. One last opportunity led Barbara and Gerald back to Los Alamos, NM where Barbara worked at Los Alamos National Laboratory until her retirement in 1995. They returned to the Panhandle and settled in their home north of Bovina where they lived at the time of her death. She and Gerald celebrated their 65th wedding anniversary just before her death.

Barbara was a loving, giving person for whom family was all important. She taught her children to love the outdoors and the simple things in life. She always nurtured her children's dreams and was happy for their successes. She grieved and cried with

them when there were losses and hard times. She took care of parents as they aged and passed away. She always had time for the people who needed her.

Barbara is predeceased by her parents, Clifford and Madge Crow, her oldest brother, Gary Crow, and her baby sister, Linda Lancaster. Left to carry on her memory are her husband, Gerald; her three children, Vicki, Michael (Martha) and Mark (Elizabeth); her 5 grandchildren, Julia Barrett, Jacob Barnett, William Barnett, McKenzie Barnett and Benjamin Barnett; and her three great-grandsons, Riggs, Boone, and Sonny Barrett. She is also survived by her beloved sister, Nancy Norwood, brother Larry Crow, nieces and nephews and her much loved cats.

Barbara was well known for her love of animals and her many rescues throughout the years. In lieu of flowers, she would be happy to know that people made a donation in her name to the Friona animal rescue, Farmer Paws PO Box 333 Friona, Texas 79035.

You may send blessings to the family and sign the online guest book at: [hansardfamily.com](http://hansardfamily.com)

## Lawanda Zo Moran Moore

Lawanda Zo Moran Moore was born to Carl and Velma Moran on October 31, 1933. As a young girl, she spent many hours skating in her parents' portable skating rink. She and Kenneth Moore were married on May 29, 1950 in Vernon, Texas. They were married for 66 years prior to his death in 2016. Four children were born to this union.

Lawanda was a true Proverbs 31 woman. Her Lord and His will came first in her life. She leaves a beautiful legacy of a Christian wife, mother, and grandmother for her family and all that knew her. She taught many, both young and old, about the Lord and His love. Kenneth had the blessing of her helping keep his home, raising their children in the ways of the Lord, and as he served as an elder and minister in the Lord's church.

"Pink" MaMaw loved her 13 grandchildren

and 21 great-grandchildren. And would have loved the 3 on the way just as much. Her family has wonderful memories of hiking, shopping, cooking, playing games, and just spending time together. They have treasured memories of her artistic talent in paintings and quilts.

All those that came to know Lawanda were amazed by her wonderful attitude and beautiful smile. She brightened the day and added joy everywhere she went. Her smile and joy will be greatly missed by all.

Survivors include; daughter, Gwyn Hanes; son, Bobby Moore and wife Claudia; daughter, Kenna Zetsche and husband Bobby; son, Bret and wife Lisa; 13 grandchildren, Denea, Kyle, Shae, Kade, Cason, Kendy, Tierney, Kara, Brittany, Lindy, Katy, Dylan, and Anthony; and 21 great-grandchildren.
