After completing her masters she began teaching at Sweetwater and later began teaching at Kelton, Texas in 1984. She continued until 2005 when she retired after 26 years in education. After her retirement, her focus was her grandchildren and helping the family raising them while they worked and also helped on the farm and was one of the best tractor drivers in western Oklahoma. Arrangements were by Robertson Funeral Directors of Wheeler.
Rosemary was born the only daughter to Charlie and Eula (Donnell) Boyd on August 25, 1941, in Lubbock, TX. She graduated from Lubbock Cooper High School in 1959 and entered Texas Tech University where she studied Home Economics. She married C. G. Dodd, Jr. on September 15, 1962 in Lubbock.

The Dodds spent most of their 58 years of marriage living on the family farm/ranch in north Wheeler County where Rosemary was a devoted wife and loving mother to their two children, Lisa and Joel. For 28 years Rosemary was a favorite with the kindergarten and first graders at Wheeler Elementary where she taught and conducted the Writing to Read program. In addition, Rosemary was an active member of the Wheeler United Methodist Church, the United Methodist Women, and Wheeler County Retired School Personnel.

She was preceded in death by her parents, three brothers Arthur Boyd and wife, Bernice; Weldon Boyd and R. B. Boyd and wife, Jo; her father-in-law Grady Dodd and brother-in-law John D. Foreman; her nephews Jimmy Boyd and Bruce Boyd, nieces Jeri Boyd Boucher and Shirley Boyd.

Other survivors also include Mary Margaret Dodd, mother-in-law, and sisters-in-law Peggy Boyd, Jacque Foreman and Diane (Jack) Cody. Numerous nephews, nieces, and cousins also mourn her death, including Larry (Janie) Boyd, Phillip (Bonnie) Boyd, Rick Boyd, Phyllis Boyd Clark, Jana Boyd (Scott) Hensley, Judi Boyd (Marty) Crabb, Sharee Foreman (Gary) Nieder, Laurie Foreman (Jon) Cox and Dee Pinto-Rodriguez.
Rosemary will be profoundly missed by her family, neighbors, and friends. Her examples of patience, devotion, and loving kindness are a memory for everyone to treasure.

Merely (from Page 1)
are curious about, and remain open, you will always be learning something, and maybe as fulfilling, you will always have the joy of experiencing fascination with the many things around us that are worthy of the tribute of fascination (and this can mean just about anything for just about anybody). Many of these marvels can just as easily be overlooked and taken for granted, but they are the fruits of creation, be it of a divine power, or of someone's mind and labor (which I would argue is an expression of power that points to the divine), and just trying to envision how someone thought of them can be a fascination itself.
I thought the speaker's advice was sound: to pursue one's curious interests, those things that are stimulatingly fascinating, that learning about is pure joy. In my experience this type of learning is much different than that which occurs via the academic venue, the classroom. The type of learning I am speaking of is voluntary and specific, i.e. the pupil seeks it out for his or her own sake and satisfaction. It also tends to be something that is meaningful to the learner, so rather than being a tedious drudgery, the prospect of learning draws the individual in, rather than repels the individual.

I can think of a few obstacles to pursuing one's curiosities: time constraints, financial constraints, or physical constraints, such as not living in the place where the object of curiosity readily occurs, or not having the requisite equipment to engage fully with such object. I would also argue though that those need not be complete barriers to engaging with the idea or activity. I suspect a greater challenge is having one's curiosity been dulled by both the rigors and the comforts of daily life, where the inner child who is always curious has been told, by the circumstances of life, to be quiet and go stand in the corner. So let this dim piece be a call of liberation, as the speech I heard was, to that curious child unjustly constrained. I'd be curious to know what there is to be lost from trying it.

Pride (from Page 1)
"Sonny" Pride on March 24, 1957.
Sonny and Jeraldine Loved each other dearly and raised 4 children together Ronnie, Rhonda, Rickey and Randy. Jeraldine, "Grandma", loved to serve. She welcomed anyone and everyone, but she loved to take care of her family from Sonny all the way to the last grandchild or great grandchild, she always made sure everyone was loved. She was known for her big heart, sweet kindness, beautiful smile and laugh, tight hugs, and a seemingly never-ending supply of homemade chocolate chip cookies. She took great pride in her family. She loved her husband deeply, her siblings loyally, her children unconditionally, and all her grandchildren proudly. She was a faithful follower of Christ and a picture of his grace filled love to all she came in contact with.
She was preceded in death by her father, Claude, and mother, Elsie, and her brother, Marvin, and sister, Joyce. She is survived by her husband, Sonny, her four children, son Ronnie and wife, Lori, daughter Rhonda and husband, Rob, son Rickey and wife, Shelly, son Randy and brothers Claude "Jr." Cox and James Glenn Cox.
Along with 13 incredible grandchildren and 18 great-grandchildren.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT RENEWAL

PERMIT NO. WQ0010382001

APPLICATION. City of Wheeler, P.O. Box 98, Wheeler, Texas 79096, has applied to the Texas Commission on Environmental Quality (TCEQ) to renew Texas Land Application Permit (TLAP) No. WQ0010382001 to authorize the disposal of treated wastewater at a volume not to exceed a daily average flow of 190,000 gallons per day via surface irrigation of 90 acres of land. The domestic wastewater treatment facility and disposal site are located approximately 0.5 mile north-northeast of the intersection of State Highway 152 and U.S. Highway 83, in Wheeler County, Texas 79096. TCEQ received this application on September 15, 2020. The permit application is available for viewing and copying at Wheeler City Hall, 505 South Alan L. Bean Boulevard, Wheeler, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-100.269166%2C35.451666&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing.** A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period. TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.**

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at <https://www14.tceq.texas.gov/epic/eComment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from the City of Wheeler at the address stated above or by calling Mr. Paul Arganbright at 806-826-3222.

Betty (from Page 1)

"greats" due this spring!), Jo or even Jobeanus to the friends and family of her youth, Betty to the cherished children of her heart who she loved and cared for as both children and adults as well as the many people in Wheeler county who were touched by her counsel and good works. Betty shared herself unstintingly with everyone that she folded into her rich life. On February 25, after a sudden illness, this wonderful, caring and giving woman peacefully passed on to what she often called "the next chapter".

Family and friends will gather to celebrate a life well lived on March 5, 2021 at 10 am at First United Methodist Church in Wheeler, Texas. For those unable to attend, the service will be live-streamed on Facebook. Considering Betty's life of service to others, gifts to a charity in lieu of flowers would be a fitting way to honor her. Gifts for Parkinson's research (donate online at michaeljfox.org) and the bone marrow and stem cell foundation Be the Match (donate at www.bethematchfoundation.org) have particular meaning for her. In Wheeler, the Meals on Wheels Program (PO Box 1125) and Toys for Tots (1309 W. Oklahoma Avenue) were dear to her heart.

Born June 10, 1930 in Honey Grove to Fred and Sadie Deyhle, "Jo" lived a rural east Texas life. Any time she would go on a beach vacation she would find a shady spot, saying, "I've picked cotton and I never want to get in the sun again!". Her mother and newborn twins died in 1932 and Fred remarried Eula Varina bringing in a stepbrother, WJ Morris, a step-sister Reeta Ann Towle and a half-sister, Jannene Hashert. She enjoyed her high school years, graduating from Honey Grove HS in 1947 after serving as class president her junior year and as a member of a HS sorority, the Jolly Aces with her dear friends Peggy Duck and Ouida Bagley.

Betty left Honey Grove after graduation, moving to Dallas where she was an au pair while attending Braughons Business College. On 9/29/1950 she married Tommie Hennard, Jr. They settled in Dallas where Betty worked for IG Gasser as comptroller of the oil well supply company. Betty moved to Honey Grove to stay with her in-laws when Tommie was called back into the navy for the Korean Conflict. Her first daughter, Mique Jo, was born there in 1952. There are dozens and dozens of photos of Betty and her infant daughter and a receipt for \$4 for a lei sent from Pearl Harbor by her absent sailor husband.

Upon Tommie's discharge from the navy, the family moved to College Station where Betty Jo worked for Dean Benson of the School of Engineering while Tommie attended Texas A&M on the GI Bill, graduating from the School of Veterinary Medicine. A second daughter, Susan Kathleen (Kathy) was born in Bryan in 1955. In 1957, after Tommie's graduation, the growing family moved to Canadian, Texas where they built the Canadian Veterinary Clinic. A third daughter, Holly Cheryl, was born on 12/26/1960. In the late 60's Betty earned a nursing home administrator's certificate and was the administrator at the Canadian Nursing Home. Her fourth child, and only boy (also known as her "oops"), Tommie Augusta Hennard III was born on 3/4/1969.

In 1972 Betty and family moved to Wheeler, Texas and built the Wheeler Vet Clinic. Betty became an important part of the community (she was named Wheeler Cham-

ber of Commerce Outstanding Woman of the year in 1977) and raised her family. Kathy, Holly and TA (Augie) graduated from Wheeler HS. Betty affirmed her lifetime commitment to education through the thousands of hours spent helping many kids with their homework...and raising four children who became teachers. She also served as president of Wheeler School Board from 1977 through 1990. Betty was executive assistant and court coordinator to Wheeler County Judge and District Attorney for 29 years, from 1973-2002.

Betty traveled extensively: Norway, Thailand, Italy, and France. She invested her time and energy in teaching many grandchildren/great-grandchildren, acquired grandchildren how to cook (hot milk sponge cake) and how to take turns and lose gracefully in a game of Sorry. She committed herself to her family and her community. Her wisdom, wit, and humor will be sorely missed. She taught three generations that "many hands make light work" and that a positive attitude can get you through many difficult times. She jokingly said her tombstone should read: "I did the best I could." And she did. She will be greatly missed by many, many people.

Betty was preceded in death by: husband TA Hennard Jr, daughter Mique Jo Allison, Mike Newland, Kimberly Newland, Nathaniel Hillhouse, Hal Maddoux, Doyle Ramsey.

She left behind—3 children and their spouses: Kathy Maddoux of Burleson, Holly (Tim) Bibens of Northville, NY, TA (Bec) Hennard of Jakarta, Indonesia. Grandchildren and spouses: Jessica (Greg) Keller of Mendota Heights, MN, Rebecca (Chad) Duncan of Van Alstyne, Tx, Blake (Rebecca) Maddoux of Midland, Elyse (Daniel) Habenicht of Grapevine, Marissa (Griffin) Dickerson of Chula Vista, CA, Hannah Bibens of FW, Cameron Bibens of Joshua, Ross Hennard of Jakarta, Indonesia and Xiaolin Hennard also of Jakarta. Great grandchildren: (11) Jacob and Alli Weinzettel of Mendota Heights, MN, Bryleigh and Jackson Duncan of Van Alstyne, Weston, Hallie, and Emma Maddoux of Midland, Madeline, Philip, and Abi-

gail Habenicht of Grapevine and Alan Dickerson of Chula Vista. Betty was excitedly awaiting the arrival of two more great-grandchildren this spring...baby Maddoux and baby Dickerson.
