## Jennifer Earnest attends TFB's Citizenship Seminar

Sponsored by the Yoakum County Farm Bureau, she was among ap-

JENNIFER EARNEST

proximately 400 high school junior and senior students from over 150 counties across the state.

Purpose of the seminar is to provide the students with a better understanding of their American heritage and the capitalistic free enterprise system, according to Rickey Bearden of Plains, county Farm Bureau president.

Speakers at this year's seminar and their subjects were as follows:

Jack Jackson of Fort Worth, president of Jack Jackson and Associates, "Free Enterprise Principles/Projects"; Michael Broome of Charlotte, NC, a motivational speaker, "You and America - Two Great Champions"; Jolene Brown, West Branch, Iowa, "Stand-up! Step Out! Lead!" Dr. Ronald Trowbridge, Hillsdale College, Hillsdale, Mich., "Constitutional Government"; and Texas Farm Bureau President Bob Stallman of Columbus welcomed the students to the seminar. Also, special presentations were made by Curtis Childers, president of the National FFA, and Brooke Leslie, Texas A&M University Student Body President.

## Hot Dry Spell causes Water Shortage

The record setting hot dry spell that has been experienced by the South Plains has taken its toll on the City of Plains water system. Increased demand, by both the City and nearby irrigation wells, has lowered the water table at the City's well field and decreased water production by about 50 percent. This loss in production combined with the limited water storage capacity has caused periods of low water pressure throughout the City.

Local citizens are requested to conserve water during this hot dry period. Tips for conserving water inside the home include: turn water off while brushing teeth or shaving, take shorter showers, wash only full loads of clothes and dishes, and fix all leaky faucets and toilets. Outdoor use of water accounts for 50% to 80% of summer time water usage. Conservation tips for outdoor water usage include: water lawns during the cooler part of the day or at night, avoid overwatering, consider drip irrigation systems for brushes and shrubs, use mulch material to minimize evaporation and weed growth, and wash the car with a nozzle on the hose so that the water does not run constantly. Pamphlets and brochures containing additional water conservation methods can be picked up at the Plains City Hall or Sandy Land UWCD.

The City of Plains has received a grant from the Texas Department of Commerce for the construction of a 300,000 gallon water storage tank and the development of an additional water supply. Construction for these projects should be underway within the next few months. These water system improvements will help to alleviate future water shortage problems.

"MEMORIES FROM THIS OLD HOUSE" COOKBOOK, given to Yoakum County Library, and dedicated to the memory of Tinnie Jane Worley Murph Pride, mother of the three pictured above, left to right, Tommie Brown, Marguerite Adams and Helen Beal. The book, compiled by family members, features a host of recipes and precious memories of years gone by.

## Family dedicates cookbook to memory of Tinnie Pride

"Memories from this Old House" cookbook was given to the Yoakum County Library by Tommie Brown, Marguerite Adams and Helen Beal. This family cookbook is dedicated to their mother, Tinnie Jane Worley Murph Pride.

A family affair - all members took part in compiling the book, which was published in Jimmy Brown's office. Artwork for the book was arranged by Glen Hinkle; with typesetting, a combined effort by Jaymie Brown, Helen Beal, Traci Brown, Cheryl Hinkle, Keri Sue McDaniel and Tamra Morgan. Copying was done by Mog Adams, cutting and paste-up by Mog Adams and Tommie Brown. Collating by Helen Beal, Mog Adams, Keri and Keith McDaniel, Jaymie Brown and Tommie Brown. The "Head Chief" was Helen Beal and the "little Indians" were Keri McDaniel, Mog Adams, Jaymie and Tommie Brown.

A welcome addition to the library, a friend states the book has emerged

from "definitely a family of good cooks".

### FUTURE ENERGY SOURCES

The future for alternate energy sources looks promising. The search goes on for ways to develop energy sources that are clean, renewable, inexpensive and dependable. In the meantime, we'll continue to explore likely sites for new supplies of petroleum and natural gas.

RUTH SHOEMAKER

## Kitchen Korner

Traveling is a favorite pastime of Ruth Shoemaker. Her treasure chest of memories can take her back to visits in Australia, New Zealand, Scotland, Greenland, Fiji Islands, Canada and numerous places the U.S. offers such as Alaska, Hawaii, the New Zealand states and those who were once home, California and Oregon.

Born in Yoakum County on the T-2 Ranch, her parents, Eva Lena and Arthur Davis, were Yoakum County pioneers. The Davis home was located where Lanny and Sheron Smith live today.

Ruth attended school in Bledsoe but graduated from Lubbock High School. She recalls there were no high schools in the country at that time (1935) and like most other young people in the area, she finished school in Lubbock.

Her husband, Lynn, was also a resident of Yoakum County. "He got tired of working on a construction job in the wind and sand and headed to California," she says. Lynn made trips back and forth to Plains until their marriage. Then, too, Ruth also became a Californian.

During World War II, Lynn worked as an airplane mechanic. Ruth worked with General Telephone. Upon retirement, they moved to Butte, Ore., described by Ruth as "beautiful country with raccoons as plentiful as skunks and gophers are here!"

In 1980, the Shoemakers moved back to Plains with plans to do lots of traveling. They made several trips plus visits back to Oregon and Washington. They also visited in Colorado and in Yellowstone National Park. He died in 1987.

Ruth is a member of ABC Bank Club, a "traveling" club. She is currently planning a trip to Branson, Mo. and Nashville, Tn.

She offers some of her favorite recipes with Plains Pride readers this week.

### CHICKEN LOAF

1 - 4 lb chicken, cooked and cut-up in small pieces  
1 1/2 c milk  
2 1/2 c broth  
3 whole eggs, beaten  
1 c Ritz crackers, crushed  
2 c cheese, grated  
1 T grated onion  
2 pimentos, chopped  
1 can mushroom soup  
1 T Worcestershire sauce  
salt and pepper to taste

Put layer of chicken (I use white meat) in pyrex dish. Beat eggs and add 1/2 cup of the milk, broth, cracker crumbs, pimento, onion and seasoning. Pour over chicken and cover with the cheese. Mix soup and remaining milk together, then pour over chicken mixture. Bake one hour at 325 degrees. Let set 30 minutes before serving.

### CRANBERRY SALAD

1 c Tawny port wine  
2 pkg small, or one large raspberry (red) Jell-O  
1 c hot water  
1 medium can crushed pineapple with juice  
1 medium can whole cranberries  
1 c slivered almonds  
Mix together and let set.

### TOPPING

8 oz sour cream  
1 pkg Philadelphia cream cheese (small)

Mix and spread on top of salad.

### SWEET AND SOUR CHICKEN

Sprinkle chicken with garlic salt and accent. May use drumettes or chicken breast cut up in small pieces. Let set for 1/2 hour, dip in flour, then in several eggs beaten and brown in Crisco or Wesson Oil.

### SAUCE

3/4 c sugar  
1/2 c vinegar

3 to 4 t accent  
1/2 t salt  
1/4 c water with 1 chicken cube  
3 T Ketchup

Blend all together, and heat until sugar and chicken cube is dissolved. Bake at 350 degrees for one hour. Turn chicken over at 30 minutes.

### STRAWBERRY JELL-O SALAD

1 large pkg sliced frozen strawberries  
2 small pkg of strawberry Jell-O or one large size  
1 pt sour cream  
1 3 oz pkg cream cheese  
1 large can drained crushed pineapple  
2 c boiling water  
3 whipped bananas

Dissolve Jell-O in water, put frozen strawberries in. Let cool. Add whipped bananas and drained pineapple. Mix all together except the sour cream and cream cheese. Pour half of mixture in mold or square or oblong

glass pan. Let this congeal. Then put a layer of sour cream and cream cheese on top of this and pour the other half of Jell-o over this and let set.

### CORNED BEEF AND CABBAGE CASSEROLE
