THIS WEEK

- 2 The editor bemoans the lackluster field of presidential candidates.
- 4 Seven Clarendon Cub Scouts earn their God & Country awards.
- 5 Clarendon College judging team members do well in Fort Worth.
- 7 And the Broncos overtake the Cyclones.

All this and much more as *The Enterprise* reports in this week's amazing edition!

Early primary voting to begin on Tuesday

Early voting begins next Tuesday, February 16, as Texas Democrats and Republicans ponder their choices of presidential candidates.

Primary voters will be able to case their early ballots through February 27.

In Donley County, officials are running opposed this year. Those include Sheriff Butch Blackburn, County Attorney Landon Lambert, Tax Assessor/Collector Linda Crump, Pct. 1 Commissioner Mark White, Pct. 3 Commissioner Andy Wheatly, and Pct. 3&4 Constable Doug Wright.

All of the above are running as Republicans.

Also running unopposed for re-election in the GOP primary are Clarendon's own US Rep. Mac Thornberry, State Rep. Ken King of Canadian, District Judge Stuart Messer, and District Attorney Luke Inman.

The General Election will be held Tuesday, November 1.

SWCD now taking spring tree orders

The Donley County Soil & Water Conservation District is selling a wide variety of small, medium and large sized evergreens, deciduous shade, shrubs, and fruit trees.

Order forms are available at the Donley County NRCS office, and orders must be turned in by February 22, 2016.

The trees should be delivered to us around the second week in March. Extra trees will be sold on a first come, first served basis.

For more information, contact the Donley County Soil & Water Conservation District at 806-874-3561, extension 3, or stop by the office at 321 S. Sully in Clarendon.

Immunization clinic to be held Feb. 18

The Texas Department of State Health Services will hold an Immunization Clinic in Clarendon on February 18 at the Burton Memorial Library. The clinic will be open from 10 a.m. to 2 p.m., and clinic times are subject to change or cancellation.

Rules apply to signs along state roads

State transportation officials this week are reminding citizens and candidates of the laws regulating their placement on state highway right of way.

Under Texas law, it is a class C misdemeanor to place any sign on state highway right of way. It is legal to place a campaign sign on private property adjacent to state highways with the landowner's permission. Size restrictions apply, and signs must be removed within 10 days after an election.

TxDOT's regulatory authority allows the immediate removal of a sign placed on state highway right of way without prior notice. Signs posing potential safety hazards will be removed as soon as possible.

Bread of Life volunteer Steve Carter loads boxes for ministry coordinator Katherine Monroe (right) and fellow volunteer Steve Reynolds (left) during preparation for Monday's distribution. The five-year-old ministry serves between 160 and 175 families each month.

ENTERPRISE PHOTO / ROGER ESTLACK

Bread of Life feeds growing need

For five years the Bread of Life ministry has been feeding people's bodies as well as their souls thanks to the faithful service of several volunteers, but the growing ministry also has a growing need for support.

Operation of Clarendon's food pantry moved to the First United Methodist Church in 2011 and began by serving about 30 families per month.

But as time went by, the ministry has grown, according to Katherine Monroe, the lead coordinator of the ministry.

"We served 169 families in December," Monroe said. "That represents 250 to 300 individuals."

Although it operates out of the Methodist church, it is a com-

munity-wide ministry with volunteers coming from many different denominations for the common purpose of serving others.

"The object is to help others," Monroe said. "It's great that so many people help. I like it, and I've met so many great people doing this that I probably wouldn't have met otherwise."

When Monroe and her husband started helping with the food pantry, they were buying food themselves at a discount store to try to help. But they soon affiliated the ministry with the High Plains Food Bank to provide the most food for the most people.

"We can get food boxes for about 16 cents per pound through

High Plains," she said.

For a time, the ministry boxed the food so that each family received about 25 pounds of food, but the labor was too intensive. Now each 35-pound box goes straight to a family in need.

The schedule varies some, but the family boxes and surplus food are distributed on one Monday each month, and then a second distribution of surplus-only occurs another Monday.

Working with the High Plains Food Bank also helped the ministry with its structure by providing guidelines that recipients must meet in order to qualify for assistance.

Monroe along with Carole Braddock, Lynn Calvert, and Lisa

Watson serve as coordinators for the ministry, and they are assisted by a team of about 30 volunteers who help unload the food truck and prepare for each distribution.

With the number of recipients more than doubling since 2014, the Bread of Life is in need of both volunteers and financial support. Thanks to the High Plains Food Bank, a little bit goes a long way.

"Twenty-five dollars will pay for about four boxes," Monroe said.

To make a donation to the ministry, make checks payable to Bread of Life and mail them to the First United Methodist Church, PO Box 157, Clarendon, TX 79226. To volunteer or for more information, call the church at 806-874-3667.

Welcome home!

Clint Franks, Marshal Johnson, and Bryce Grahn joined classmates, friends, and family who lined Kearney Street last Thursday night, February 4, to welcome Clarendon High School senior Riley Shadle back home after a long hospital stay in Denver.

ENTERPRISE PHOTO / ROGER ESTLACK

Candidates signing up now

With just over a week to go in the sign-up period for the spring elections, local candidates have begun filing for local offices.

Filing runs through Friday, February 19. Elections are scheduled to be held Saturday, May 7, 2016.

The cities of Clarendon, Hedley, and Howardwick; the Clarendon and Hedley school districts; the Clarendon College District; and the Donley County Hospital District all have board positions available this year.

Clarendon Aldermen Beverly Burrow and Larry Jeffers have signed up to run again, but Alderman John Lockhart had not signed up for re-election as of Monday afternoon.

Three positions in Hedley are expiring this year. Mayor Leon Ward and Aldermen Lonnie Roby and Dusty Wilkinson have not yet signed up for re-election. One citizen

has turned in paperwork to run for office but has not decided whether to run for mayor or alderman.

Incumbent Howardwick Alderman Mac Miller is seeking re-election, and Eric Riddle has also signed up to run for one of the three positions up this year. Incumbents Robert Brewster and Sam Grider have not filed yet.

Clarendon ISD has three Trustee positions up this year, and incumbents Robin Ellis and Chuck Robertson are seeking re-election. Incumbent Jim Shelton has not yet filed.

Hedley ISD has two incumbents that intend to seek re-election — Michael Metcalf and Billy Hall. Two other terms are also up, those of Aaron Harper and Lana Ritchie. There are two full terms and two partial terms available on the Hedley Board of Trustees this year.

Clarendon College Regents Ruth Robinson, Susie Shields, and Lon Adams are all seeking re-election to their full terms. Darlene Spier, who was appointed to a partial term after John Howard resigned to serve as county judge, had not filed as of Monday afternoon.

The Donley County Hospital District has four two-year terms up this year. Those are currently held by Jan Farris — Place 4, Jennie Owens — Place 5, Lori Howard — Place 6, and Mark C. White — Place 7. None of the incumbents had signed up at press time.

All local boards are elected at-large, but hospital board candidates must file for a specific place on the ballot.

City positions and hospital board members serve two year terms, school board members serve three-year terms, and college regents' terms are six years.

County continues wind farm abatement negotiations

Donley County continued negotiations this week on a tax abatement for the proposed Salt Fork II wind farm.

Cielo Wind Power representative Steve Brewster met with county commissioners during their regular meeting Monday, February 8, as both parties worked to finalize the deal.

County Judge John Howard told the Enterprise that the agreement is now in the hands of lawyers

for final wording and he expects a deal will be formally approved at next month's meeting of the commissioners.

"We are pleased to be working with Cielo again, and we view this as an opportunity to for progress in the county," Howard said.

The Salt Fork Two project will be an expansion of the current project underway in the northwest corner of the county. According to previous reports, about 15 percent of the

expansion will be in Donley County and will produce between 20 and 30 megawatts of wind-generated power in this county.

The judge declined to release specifics of the tax abatement agreement currently being negotiated but expressed satisfaction with the deal.

"We have terms favorable to the county and to them," Howard said. "It's a good deal for both parties."

In other county business, commissioners approved the fiscal year

2015 audit as presented by Tracy Lambert of Foster & Lambert. Howard said revenues did not meet expectations for the fiscal year but that was offset by the county holding the line on expenses.

Commissioners also approved a proposal by Texas Panhandle CyberMedics for more than \$3,000 to install additional security cameras at the Courthouse and Annex. The expense will be paid with the Courthouse Security Fund.

The court voted in favor of installing tankless water heaters in the offices of both justices of the peace and approved a proposal to install a pressure reducing valve on the Courthouse heating and cooling system by Bob Jay's Heating & Air Conditioning.

Three bids on tax delinquent property at Howardwick from Gaylen L. Frederiksen and Judy Kay Renfro were approved as presented.

Chamber banquet this week

Clarendon Chamber of Commerce officials reported Tuesday that tickets were selling briskly for this week's Awards Banquet, and a large crowd is expected in the Bairfield Activity Center Thursday evening.

Tickets must be purchased in advance and will not be sold at the door for the event, which features a reception and silent auction at 6 p.m. followed by the banquet, entertainment, and awards at 7 p.m.

Several table sponsors will be competing to see who has the best decorations reflecting their business and featuring the Mardi Gras banquet theme.

Texas humorist Tumbleweed Smith will be the headline entertainment, and the Chamber will honor the Business of the Year and three of Donley County's top citizens with the Saints' Roost Award and Man and Woman of the Year. Outstanding youth from Clarendon and Hedley high schools will also be recognized.

Smith is producer of The Sound of Texas, a radio series that began in Big Spring and became the most widely syndicated feature radio show in Texas. In doing his daily program for more than 45 years, Smith has gathered the largest private collection of oral history in the United States. Texas Highways magazine says he has probably recorded the voices of more Texas characters than anyone else.

Tumbleweed taught broadcasting and speech in the University of Texas system 34 years. He is a syndicated newspaper columnist. His one-man shows have been performed all over Texas and in six other states and four foreign countries. His honors include two CLIO advertising awards, two Telly statuettes, the governor's award for tourism, the West Texas Chamber of Commerce Cultural Achievement Award, The (2012) DAR Texas Media Award, and two Freedoms Foundation Awards.

February is Heart Month

Physician's Assistant Devah Pittman spoke during the 4H meeting this month and stressed the importance of eating healthy, exercising and not smoking to keep your heart in tip top shape. To live a long and healthy life, taking care of your heart is important. Regardless of your age, having regular checkups can help your wellbeing. Knowing your blood pressure numbers as well as having blood work to check cholesterol levels can help identify issues early.

COURTESY PHOTO / DONLEY COUNTY 4H

Sheriff issues appeal to citizens in fight against crime

Responding to the increased number of citizens wanting to assist law enforcement officers and build a stronger partnership in the fight against crime, Sheriff Charles "Butch" Blackburn Jr. today announced that Donley County citizens are being invited to become Associate Members of the Sheriff's Association of Texas.

Membership invitations will go out in the mail over the next several weeks. Associate Member funding allows the Sheriff's Association of Texas to provide critical training, technical resources, and legislative support on key criminal justice issues to law enforcement officers across the state.

In addition, dues will be used to support crime prevention and awareness programs, promote public safety, fight drug abuse, provide additional training for sheriffs and their deputies, and provide scholar-

ships for children of law enforcement officers.

Contributions to the Sheriff's Association of Texas are tax-deductible. "The Associate Member Drive helps provide the funding which is vital to our mission of making our communities safer places to live, work, and play," said Sheriff Blackburn.

The Associate Membership Program was created to provide citizens with an opportunity to lend their support to more effective law enforcement and to better help local sheriffs protect the lives and property of citizens.

"During these economic times, the need for building stronger public-private law enforcement partnerships continues to escalate, and programs such as this continue to grow in importance," said Sheriff Blackburn. "I encourage every citizen receiving a membership appeal

to consider joining forces with us by becoming an Associate Member. It is a valuable investment in our future."

Citizens not receiving a membership appeal or desiring more information can contact the Sheriff's Association of Texas at: 1601 S. Interstate 35, Austin, Texas 78741 or www.txsheriffs.org

Founded in 1874, the Sheriff's Association of Texas is a 501 (c)(3) non-profit professional and educational organization dedicated to the preservation of peace and the protection of the lives and property of the citizens of Texas. Mr. Steve M. Westbrook serves as the Executive Director. Headquarters are located in Austin, Texas. The Sheriff's Association of Texas does not make solicitations by telephone. If you receive a phone call from someone who uses the Sheriff's Association of Texas name, please report it to your local Sheriff or County/District Attorney.

History behind Valentine's Day

We have holidays to celebrate labor, to remember the dead, to give thanks for our bounty and eat too much, and many other holidays. So it is only logical we have a day to celebrate lovers with Valentine's Day, named for St. Valentine. Well, who was this man?

There were three priests named Valentine, all with tragic and romantic stories, so with time the exact person is now known only to God. During the 3rd century in Rome, Emperor Claudius II outlawed marriage for the soldiers fighting in his army because he felt single men made better warriors. The priest called Valentine felt this was unjust and continued performing those marriages. When Claudius found out (as any sensible person knew he would), Valentine was arrested and ordered put to death. The second Valentine sent love letters to the young daughter of his jailer whom he met

in prison and signed the letters, "From your Valentine." During the middle ages St. Valentine was one of the most popular saints in England and France, probably because the stories are both romantic and sacrificing.

Why was the date of February 14 chosen as Valentine's Day? It could be Valentine's death in A.D. 270 or when the Christian Church began the St. Valentine feast day in order to Christianize the pagan celebration called Lupercalia. This was a very old custom, possibly pre-Roman, held from February 13-15 that was meant to avert evil spirits and purify the city, releasing health and fertility.

'Wick picks
by Peggy Cockerham
Howardwick • 874-2886

The oldest existing written Valentine dates to the 1400s, a poem written by Charles Duke of Orleans to his wife after 1440. Charles was captured during the Battle of Agincourt in England and held captive for 24 years and wrote over 500 poems, always in comfort because of his status.

Popular in the 17th century was exchanging small gifts on Valentine's Day. Esther A. Howland is credited with the first mass produced Valentines in the US with their lace and ribbon trim around a colorful picture. Today more than one billion Valentine cards are purchased annually, 85 percent by women.

Do you have a favorite Valentine memory? I have a small Valentine sent me from my Dad before his death in 1964 that is precious to me. Ole Jim always remembers after 60+ years; can't get much better than that.

And the winner is...

Don and Kim Butler of Clarendon (right) were the lucky winners in the Enterprise's fourth annual Pigskin Predictions contest this week. The couple's was one of three entries who got the most questions correct out the 55 people who entered. The Butlers were then drawn from the three to win more than \$900 in prizes and gift certificates from local businesses.

First monster truck rally

Last Friday, me and my Dad went to the Monster Truck rally in Amarillo. We got to see six monster trucks and these things they call tuff trucks.

the cub reporter
by Benjamin Estlack

We even got to see a guy on a dirt bike that lit himself on fire. When he lit himself on fire, he jumped a huge jump, and it was awesome! He did flips, he turned his bike almost completely

around and then landed straight, and he did a back flip.

I also loved when they did the races, and Outlaw won the whole thing. At the end they go freestyle and give each truck a few minutes to do whatever they want. Outlaw went up a car and landed wrong and his wheel came off! The driver then climbed out and stood on top of his truck.

I'm really glad that my uncle Aaron accidentally bought too many tickets because that's how I got to go to my first truck rally. Thanks, Aaron!

Drugs in the News

Aspirin May Lower Prostate Cancer Risk

Aspirin works by blocking several different chemical processes in the body that cause pain, inflammation, and fever.

Prostate cancer develops when certain cells in the prostate become abnormal. These abnormal cells often continue living, while the normal cells die. According to a recent study, daily aspirin use in men with prostate cancer may be associated with a slower rate of disease progression and a reduced risk of dying from the condition. The results came from a large study in which data was collected from over three thousand men with prostate cancer who were evaluated over a twenty-seven year period. Men who took aspirin everyday had twenty-four percent lower chances of developing severe prostate cancer. Thirty-nine percent had lower risk of dying from prostate cancer. More research is needed to determine the additional benefits of the daily use of aspirin as well as the recommended daily dose.

Livestock Judging Team finishes strong at Ft. Worth

The Clarendon College Livestock Judging Team had a strong showing at the Ft. Worth Stock Show. The team was awarded High Team Overall in the Sheep & Goats division & 5th High Team in Swine.

Individually, Clarendon had a strong performance by Brayden Hawkins who was 8th High Individual Overall, and tied for 2nd high individual in Sheep & Goats. In addition, Quentin Quintana was high Individual in Hogs and finished tied for 11th place overall.

Other team members who contributed include Annie Belden, Kirsten Midkiff, Austin Browning, Trey Tidwell & Kris Johnson.

"These results are a product of the hard work that the team has put in," CC Judging Coach Johnny Treichel said. "We are looking forward to the final two Contests at San Antonio & Houston in the next couple of weeks."

CHS students put physics into practice

Students in Physics classes at Clarendon High School were challenged to build the strongest yet lightest possible tower using only balsa wood and glue recently.

The annual contest is a favorite for students, who compete against one another for high score.

This year's winning tower held an incredible 186.5 pounds even though it only weighed a bit over one ounce (its mass was 30 grams). Jack Moore and Marshal Johnson won the contest with this impressive structure, and by the time their tower collapsed, the stacked weights were higher than the pole keeping them in place on the tower crusher.

In second place this year were Amelia Weatherton and Jensen Hatley, whose tower held up an amazing 58.2 pounds despite being a little over 1/2 ounce in weight.

Engineering students enjoy the hands-on approach and the competition as well.

Jack Moore adds weight to his and Marshal Johnson's structure.

COURTESY PHOTO / BRUCE HOWARD

Jensen Hatley and Amelia Weatherton took second place in the annual tower competitions.

The Clarendon Lions Club held their regular Tuesday noon meeting February 9, 2016, with Boss Lion Jacob Fangman in the chair.

We had 15 members and no guests this week.

The Boss Lion reminded everyone that the annual Chance Mark Jones Roar 'N Run 5K is coming up April 9. Sponsorship packages and more info will be distributed at next week's meeting.

Lion Roger Estlack reminded everyone of the Chamber Banquet this Thursday, and Lion Ashlee Estlack updated on college activities.

Lion John Howard reported that Mardi Gras is being observed in a somewhat quiet nature in Saints' Roost.

Lion Mike Norrell reported on the public school and said baseball has started and that new lights are in store for the football field.

There being no further business, we were adjourned to spread Lionism and good cheer throughout our county.

Colts take on Wellington

The Clarendon Colts hosted the Wellington Rockets last Monday night and despite playing hard, fell short in their attempts. The seventh grade lost 19-43, and the eighth grade was defeated 12-32.

The seventh graders had a rough start and could never find their rhythm on offense. After trailing 4-23 at the break, they were able to stay even with them in the third quarter of play. But Wellington was able to grab the momentum and get the win.

"At times I thought we played really well on defense," coach Brad Elam said.

Aaron Roys put in 10, and Ivan Gonzalez had four. Ethan Babcock put in three, and Chase Gwinn helped with two.

The eighth grade Colts struggled somewhat as well and could never get any offense going in the first half of play. They did regroup at the break and put more points on the board, but it was not enough to gain any ground on the Rockets. "We were able to shut their big scorer down again," Elam said. Defensively, we played well; we just didn't score much."

Collin Butler put in eight points, and Clay Ward had four.

Both teams participated in the Canadian Tournament played two tough teams. The seventh grade lost the opening game against Canadian 8-40 and fell short in the game with Perryton at 11-36. The Colts struggled in both games to get anything going offensively as both Canadian and Perryton were strong teams.

Kenny Overstreet scored four points in the Canadian game, and Roys and Babcock had two points each.

In the Perryton game the Colts played hard and never quit, but could never gain anything on the strong Ranger team. Roys put in seven, and Babcock and Robert McGuire each finished with two.

The eighth grade Colts had a tough time with both Canadian and Perryton as well finishing their season with two losses. The Colts lost to Canadian 13-30 and to Perryton 16-38.

The Colts stayed close to their opponent in the opening quarter of the Canadian game, but fell farther behind in the second. They struggled with their offense in the second half and the Wildcats took advantage of their difficulties. Butler put in 11 points, and Ward and Trent Smith each had one.

The Colts were almost neck and neck with the Rangers in the first quarter of play only trailing by two, but allowed their opponent to score 14 points in the second period. Perryton was able to shut the Colts down offensively in the second half and went on to win the game.

Butler put in 11 points to lead the Colts on the scoreboard, and Zane Sneathen added a three-pointer, while Smith put in one.

"We played shorthanded with both squads, but everyone got a lot of playing time," Elam said. "The eighth grade played great defense, and the seventh grade played good defense, but we got a little tired at times with just five players."

Kade McCleskey adds pressure to a McLean Tiger during Friday's game.

Bronco JV handles Memphis

The Clarendon Bronco junior varsity played solid defense and earned a big district win against Memphis at home last week at 43-33. The win was their sixth in district play making them undefeated for the district season.

The Broncos began the game with the early advantage and led by 10 points at the break. Offensively, the Broncos executed their plan well enough to keep the Cyclones guessing and their defensive pressure frustrated them so they could capitalize on turnovers.

"It was a big district game for the boys," coach Alton Gaines said. "They played lights out for their sixth district win, against a big and

physical Memphis bunch to stay unbeaten in district play. Again, it was our defense that set the tone. You can't say enough about these guys and the way they conduct themselves as young men on and off the court and for that I would like to say thank you guys for making my job so easy."

Bear Smith put in 17 points to lead the Broncos on the scoreboard. Isaac Dunham put in seven, and Payton Havens and Noab Elam each had six. Daquawne Oliver finished with five, and Preston Elam had two.

The Broncos will travel to Quanah Friday, February 12, and host Wheeler on Tuesday, February 16, beginning at 5:00.

Kenlee Lambert has the goal in mind during Friday's game against the McLean Lady Tigers.

Lady Colts travel to Wellington

Both Lady Colt teams traveled to Wellington last Monday night to take on the Lady Rockets. The seventh grade narrowly lost 20-29, and the eighth grade lost 9-43.

The seventh graders stayed with the Lady Rockets most of the game, but a slow third quarter put the Lady Colts at a big disadvantage as they fell behind by 11 points. They out-scored their opponent in the final quarter, but it was not enough to make up the difference.

Ashlynn Newsome put in 10 points and Jade Benson had six. Kaylin Hicks and Zhala Bassett each put in two points.

The eighth grade fought hard and never quit, but could never make up the huge gap after the first quarter of play. Wellington was able to shut down anything they tried, and the Lady Colts struggled to get the ball in the hoop. Kira Weatheron put in five, Raegan Allen 2, and Brayley Shields 2.

Over the weekend the Lady Colts participated in the Canadian Tournament. The seventh graders went up against Canadian in the first round and kept it close before losing 14-23. The girls fought hard against the strong team, but could never grab the momentum they needed to get

ahead. Amnesty Oatman and Hicks put in four each, and Bassett, Newsome, and Benson helped with two each.

They went up against Perryton in the next round and lost, 22-39. Perryton jumped out to a huge advantage in the first quarter, but the second six minutes was a close contest. But the second half belonged to the Rangerettes, and the Lady Colts struggled to keep pace. Benson had nine and Newsome put in eight. Bassett had three, and Kailee Osburn added two.

The eighth grade played Canadian in the first round and lost 22-33. The Lady Colts fell behind early and could never regroup. Weatheron and Darcie Hunsaker each put in 10 points, and Madi Gay added two.

The next game with Perryton was much closer and the ladies did a great job of staying determined. They mustered a one-point lead after the first quarter of play and only trailed by two points at the break. The fourth quarter proved to be the difference in the game as they Rangerettes gained a five-point advantage with time running out. Weatheron put in nine, and Hunsaker and Gay each had four. Shields put in three, and Eboni Butler had one.

Broncos overtake Cyclones on home court

By Sandy Anderberg

Wanting to even the score after a previous loss, the Clarendon Broncos meant business when the Memphis Cyclones came to their gym last Tuesday night. They had a game plan and were able to pull off a big win at 56-42 as their District season nears its end. The Broncos played solid on both ends of the court and turned a first quarter one-point lead into a seven-point lead at the break. Their determination to get the win was more than the Cyclones could handle and after the Broncos found a rhythm, the game was sewn up and the Broncos earned a big win.

"We played really good defense and did a good job getting the ball inside on offense," coach Brandt Lockhart said.

Junior Cenicerros and Marshal Johnson led the Broncos in double figures with 16 and 15 points respectively. They both grabbed five rebounds each, and Cenicerros had two steals on defense. Colt Wood put in nine points and had four assists, and Chesson Sims added seven points. Chance Lockhart had five, Keandre Cortez three, and Bryce Grahn two.

The Broncos knew Friday night's game with Shamrock would

be a tough one and they went at the Irish focused and determined. But the Broncos came up short and took a 47-53 loss. The Broncos trailed for the majority of the game, but were never out of it. The undefeated Irish led by as many as 13 points after the third quarter, but the Broncos never quit and hustled their way back to within less than 4 points at one point. Shamrock was able to hit one more three-pointer than the Broncos, but both teams shot 71 percent from the bonus line.

"We had too many turnovers on offense and you cannot do that against a good team," Lockhart said.

"We did a great job of coming back in the fourth quarter and got within four points."

Lockhart pumped in 15 points and added seven rebounds and five assists. Cenicerros had 11 points, and Grahn finished with eight points and four rebounds and five assists. Johnson had five points and three steals, and Wood had four points. Keandre Cortez had three points, and Sims added one.

The Broncos will travel to Quanah Friday, February 12, and finish their district season at home on Tuesday, February 16, against Wheeler.

Top shot

Junior Cenicerros shoots two for the Broncos during last Friday's game against Shamrock. The Broncos will travel to Quanah on Friday, February 12 and finish their district season against Wheeler, at home on Tuesday, February 16.

Butler's layup gives win to Ladies

By Sandy Anderberg

The Lady Broncos had already defeated Shamrock in the first round of district and was looking to make it 2-0 against the Lady Irish last Friday night. After a hard-fought game, the Lady Broncos' Brianna Butler put in a nice layup with just ticks on the clock for the 41-40 win. Shamrock's attempt to win the game failed, and the Lady Broncos took the one-point win.

The first eight minutes belonged to the Lady Irish as they held a four-point advantage going into the second quarter. But Clarendon stormed back to go up by one at the break with solid play. The Lady Broncos shot

75 percent in the first half from the bonus line and that proved to be the difference in the end.

Both Jensen Hatley and Emily Johnson were perfect from the free throw line at five out of five in the first half.

The scoring stayed all square until the final buzzer with both teams scoring 21 points each in the second half and the margin staying at one in the Lady Broncos' favor. Butler finished with 14 points, and Berkeley Alexander helped with 10. Shaelyn Owiti put in seven, Hatley and Hannah Hommel three each, Hannah Howard and Johnson with two each.

Earlier in the week, the Lady

Broncos hosted Memphis; and despite playing a tough game, the Ladies lost 42-54.

Clarendon held a nine-point lead at the break and seemed to have control of the game. But a cold-shooting fourth quarter left the girls fighting to get the lead, and foul trouble hindered their comeback attempt. The Lady Cyclones were able to make 14 out of 22 free throws in the second half, which proved to be the difference in the game. Owiti hit four three-pointers for 12 points, and Butler added 10. Sandra Smith and Briley Chadwick each had five, and Alexander put in four. Hatley had three, Howard two, and Johnson one.

Brianna Butler scores for the Lady Broncos.

Obituaries

Nelson

Gloria Indgrid Nelson, 78, passed away Saturday, January 30, 2016, from congestive heart failure and double pneumonia.

Nelson

Gloria was born to Berna and Earl Olson, in Gonvick, Minnesota on November 21, 1937, she had 4 sisters, and 2 brothers. She moved to Phoenix, Ariz. during her childhood. She was married to Harold Belk, Sr., widowed in '56, married Joseph Moody, then John T. Nelson. She settled in San Diego, California where she raised 3 children, and most of their friends at various times. She worked as a cashier for 35 years. She moved to

Clarendon in 2006. She loved family, friends, and never met a stranger. She was extremely passionate in all aspects of life, Gloria had more than just a flair for life.

She is survived by her daughter and son-in-law, Laura (Jeannie) and John Molder of Clarendon, her granddaughter, Erin Belk, of San Diego, a grandson and daughter-in-law, Kevin and Donna Belk, of San Diego, granddaughter Amy Belk of Yuma, Ariz., sisters Yvonne Norks, of Alaska, Carmen Whitten, of Camp Verde, Ariz., Sandee and Husband Bob Buescher of Phoenix, Ariz., sister-in-law, Dee Olson, of Camp Verde, Ariz., 5 great grandchildren, serval cousins, nieces, nephews, step-children step-grandchildren, and many who consider her as "mom", or "grandma".

There will be a "Celebration of Life/Reception" for her Clarendon friends and family at the VFW Hall where she was a member of the Auxiliary Post 7782, on Thursday,

Feb. 18, 2016 at 6:00 p.m. Another is scheduled on April 16, 2016, in Camp Verde, Ariz., for her family and friends out West.

Behrens

Jerry Leland Behrens 76, died on February 4, 2016, in Lubbock.

Behrens

Memorial services will be at 4:00 p.m. on Thursday, February 11, 2016, at the First Baptist Church of Canyon with Curtis House, minister of Harvest Christian Fellowship of Amarillo, and Pastor William Fifer, pastor of Holy Trinity Church of God and Christ in Amarillo, officiating. Graveside service will be held at 2:30 p.m. on Thursday at Dreamland Cemetery. The family will receive friends from 5:00 to 7:00 p.m. on

Wednesday, February 10, 2016, at Brooks Chapel in Canyon.

He was born on January 6, 1940, in Hedley to Truett and Thelma Pierce Behrens. He attended Clarendon Public Schools where he excelled in all sports and graduated in 1958. He was selected as a senior to play in the All Star Greenbelt Bowl in Childress and the City Slickers vs the Sodbusters All Star game at Price College in Amarillo. He received a football scholarship to West Texas State College where he played from 1958 to 1962 during the Joe Kerbel era. He received his Bachelor of Science degree from West Texas State College in 1962 and his Master of Education degree in 1965. Jerry married his college sweetheart, Delores Bohannon, in Childress on June 22, 1963. He began his coaching career in Amarillo at Crockett Jr. High School and then Tascosa High School. From 1964 to 1971 he coached at Odessa Permian High School, where he was on the coaching staff that led the Permian Pan-

thers to a state championship title in 1965. Jerry then moved back to Canyon and coached at West Texas State University from 1971 to 1977. He was inducted into the West Texas State University Hall of Champions in 1989. He was selected to coach the All Star Greenbelt Bowl game in Childress in 1985 and also coached the Texas High School Coaches Association All Star Game. After coaching, Jerry began his career at Herff Jones, where he received the Pinnacle Club Achievement Award, and continued there until retirement. He was a member of the Panhandle Selection Committee for the Panhandle Sports Hall of Fame and was a member of the First Baptist Church of Canyon.

Jerry loved coaching and coached many AAU and Kids Inc. football, basketball, baseball, and track teams. He was also the official starter at many track meets throughout the Panhandle. He was an avid supporter of all WT sporting events, and was a member of the T

Club and the WT Buffalo Club. He enjoyed golf and entering his 1954 Chevy truck in parades. Jerry loved people and never met a stranger. He was a friend to everyone, a mentor to many, and will be remembered for his generosity and kindness. He was preceded in death by his parents.

He is survived by his wife of 52 years, Delores; his son, Phil Behrens and wife, Stephanie, of Goldthwaite; his daughter, Jara DuBose and husband, Bill, of Abernathy; nine grandchildren, Brock, Bryce, Brandt, Brette Kaite, Briar Tru, and Brecken Behrens, and Kalli, Khaki, and Kodi Belle DuBose; a sister, Elaine Marshall, of Amarillo; his grandchildren in love, McKayla, and McKall, Morton, and his namesake, Behren Morton.

In lieu of flowers, the family suggests memorials go to the WTAMU Foundation, Jerry Behrens Memorial Scholarship, WTAMU Box 60766, Canyon, TX 79016.
