## Benjamin To Host Unique Homecoming

June 10, 11 and 12

**BENJAMIN** - - This small ranching community doesn't wait for football season to roll around in order to have a Homecoming. And, their Homecoming Queen who will be crowned isn't the head cheerleader or most popular girl in school. Instead, she is likely to be a grandmother.

Benjamin, population 225, is expected to double, if not triple in size June 10-12, as former Benjamin High School students and residents travel from across the United States to return for a weekend of visiting with old friends and remembering those who have passed away.

Every two years, the residents of Benjamin and the members of the Benjamin Ex-Students Association sponsor the very popular event. Activities planned include a parade, street dance, team roping, benefit arts and crafts fair, children's games, church services and a roll call of each graduating class from Benjamin High School.

All proceeds from the Benjamin Homecoming activities are

contributed to the Benjamin Ex-Students Association.

Registration begins on Friday at 5:00 p.m. with the crowning of the homecoming queen at 7:30 p.m. in the Memorial Building. A street dance, south of the courthouse, will be from 9:00 p.m. until 1:00 a.m.

## Junior Golf Program To Be Introduced Here

The Board of Directors of the Knoxville City Country Club recently agreed to begin a Junior Golf program in Knoxville City in hopes of instilling an interest in the younger set and increasing the number of golf enthusiasts in the future.

A spokesperson said that all youths, age eight to fourteen, boys and girls, are invited to take lessons from two very capable golfers, Bill Allen and Brian Williams. Classes began on Friday of last week and the number of future classes will depend on the interest shown in the new program. The classes will be offered every Friday and Saturday mornings from 9:00 until 10:00 and interested boys and girls may take both days if desired. Some balls and clubs will be available to those who need them. There will be no charge for the lessons.

"This is a sport that a person can enjoy for a lifetime," the spokesperson said, "and we are excited about the possibility of having this program."

Those interested should contact Bill Allen, Hunt Oil Company, at (817)658-3567 and give their name, age, and date they'd like to attend.

## Be On The Lookout For Pecan Nut Casebearer

By Paul Weiser

**County Extension Agent - Ag**  
The Pecan Nut Casebearer is one of the most significant pest to pecan growers. Knowing when to begin watching for these pests is quite important.

June 9 is the predicted date for the pecan nut casebearer first significant nut entry here in Knox County. Casebearer eggs will hatch in 4-5 days. The young larvae will crawl to nearby buds to begin feeding. These larvae will feed for a day or two on a dormant bud and then enters the pecan nut, often tunneling in at the base.

Casebearer larvae feed for 4-5 weeks, depending on temperature. Full-grown larvae will reach the pupal stage inside the nut. The moth will emerge 9-14 days later.

Casebearer eggs are oval shaped, flat and very small, just large enough to be seen with the unaided eye. Eggs are greenish white or white when first laid. Tiny red spots soon appear giving the egg a pink color prior to hatch. The empty egg shell is white and remains on the nut. Casebearer larvae are olive-gray to jade green in color and reach a length of about 1/2 inch in length.

When scouting for casebearer eggs look at the tip of the nutlets. This may be either on the top (stigma) or hidden just under the tiny leaves (sepals) at the tip of the nutlet. A good hand lens is very beneficial to identify eggs and determine their development (hatched, white or pink).

A second important observation is the presence of bud feeding just below the nut cluster. This bud feeding is done by the newly hatched larvae.

A good way to sample an orchard is to examine ten nut clusters on each of 30 trees. If 1-2 percent (3-6 in 300) of the nut clusters are infested with eggs or newly hatched larvae, an economic infestation is likely to develop and treatment is recommended.

Insecticide sprays should be applied with caution in backyard and urban areas because of the

great potential for spray drift onto nearby gardens, pets and living areas. Only products containing carbaryl, malathion, chlorpyrifos or diazinon and labeled and packaged for homeowner use should be used for control of pecan nut casebearer in urban area. Some commonly available formulations for homeowner use on pecans are:

- carbaryl: Green Light Sevin 25%; Ortho Sevin 27%
- chlorpyrifos: Green Light Termit and Insect Pest K8iller, 12.6%
- malathion: Green Light General Spray, 50%
- diazinon: Spectracide Lawn and Garden, 25%

Refer to label instruction for mixing, application rates and precautions.

For commercial orchards the use of the pyrethroid insecticides (ammo, Cymbush, Asana XL) or carbaryl (Sevin) has sometimes been followed by outbreaks of aphids or spider mites in pecans. For this reason, the use of pyrethroid insecticides in pecans is discouraged, especially if the orchard has a history of aphid outbreaks following their use.

Two insecticides Javelin WG and Dipel ES have recently been labeled for control of pecan nut casebearer. The active ingredient in these insecticides is the toxin of the bacteria *Bacillus thuringiensis*, or B.t. which kills only caterpillars of moths and butterflies.

The information given herein is for education purposes only. References to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Cooperative Extension Service is implied.

The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

**SECTION 4.02. QUALIFICATIONS.** No member shall be eligible to become a director or to hold any position of trust in the Cooperative who is not a member receiving service from the Cooperative at his primary residential abode in the area served by the Cooperative, or is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative, and no person shall take or hold office as a director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid. When a membership is held jointly by a husband and wife, either one, but not both may be elected as director, provided however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Cooperative unless both shall meet the qualifications herein above set forth. Any director who shall miss three (3) Board of Directors' meetings in a row, without an excuse duly accepted and noted by the Board, shall lack eligibility to further serve and it shall be the duty of the Board of Directors to remove him from the Board. No former employee whose employment has been terminated by the Cooperative may be eligible to serve as director. Any employee who resigns or retires from employment by the Cooperative shall not be eligible to serve as a director for a period of ten (10) years following such resignation or retirement. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In the event an incumbent director, having served on the Board of Directors a minimum of six years, ceases to meet the requirement of receiving service from the Cooperative at his primary residential abode, such incumbent director shall nevertheless be qualified to continue to serve as director so long as he remains a member of the Cooperative and his primary residential abode is located within the area served by the Cooperative, or in close proximity thereto.

**SECTION 4.03. ELECTION.** At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons; provided however, that when the number of nominees does not exceed the number of directors to be elected, and if there is no objection, secret written balloting may be dispensed with and voting may be conducted in any other proper manner. Directors shall be elected by a plurality of the votes cast unless the members in advance of any balloting resolve that a majority of the votes cast shall be required to elect, and this Bylaw provision shall be drawn to the attention of the members and explained to them prior to any balloting. Drawing by lot shall resolve, where necessary, any tie vote.

**SECTION 4.04. TENURE.** The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors which shall exercise all of the powers of the Cooperative except such that are by law, or by the Articles of Incorporation of the Cooperative, or by these Bylaws conferred upon or reserved to the members. Beginning with the Annual Meeting of the members of the Cooperative held on August 21, 1954, two (2) members of the Board of Directors shall serve for a period of one year, two (2) members shall serve for two years, and three (3) members shall serve for three years, and that lots be cast as to the length of time each director shall serve; and beginning with the Annual Meeting of the members held in 1954, those directors whose terms expire, such vacancy shall be filled for a period of three years.

**SECTION 4.05. NOMINATIONS.** It shall be the duty of the Board of Directors to appoint, not less than sixty (60) nor more than ninety (90) days prior to the date of a meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members of the Cooperative who are not existing Cooperative employees, agents, officers, directors or known candidates for director, who are not close relatives (as hereinafter defined) or members of the same household of such existing employees, agents, officers, directors or known candidates for director, and who are so selected so as to give equitable representation on the committee to the geographical areas served or to be served by the Cooperative. The Committee shall prepare and post at the principal office of the Cooperative at least thirty (30) days prior to the meeting a list of nominations for directors to be elected. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than twenty (20) days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days prior to the date of the meeting, a statement of the names and addresses of all nominee(s) showing clearly those nominated by the Committee and those nominated by petition, if any. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additional nominations from the floor. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

## Benjamin News

By Gladene Green

We are all getting ready for Homecoming '94 over this way. It's been a pretty busy several months but its all finally coming together and we all look forward to seeing many ex-students and friends this weekend. Registration begins at 5:00 p.m. Friday and a free snack table will be available. So all who are here Friday night, just make plans to eat and drink with us. It'll make the visitation period enjoyable as you won't have to leave, then return. A street dance will begin at 9:00 on Friday night and last till about 1:00 a.m. Saturday is full of activities also. Games for the kids, calf roping, a parade at 3:00 p.m., business meeting about 4:00. Supper catered by the BVFD beginning after the business meeting and a dance featuring music by "Bareback" beginning at 9:00. Sunday morning's community church service will conclude the weekend's activities. We hope everyone with any interest at all will be here for any or all of the planned "goings on".

### CONCERNING OUR ILL

Good news regarding the ill friends in the community. Those who have been on the "not so feeling good" list are much improved. Eunice Friday is out and about, Maretha Patterson is also able to get out some and Darlene Benson came home Friday night after a few days hospital stay. Let's pray all their progress continues.

Benjamin T-ball and Little League teams continue to do well in their games. I'm not exactly sure of the standings, but I know they have not been beaten many times. As the season winds down, I urge all who can to try to see at least one game. Those kids are playing their hearts out and love it when they have spectators.

### HERE 'N THERE

Recent guests of Omitene Barnett was Betty Jo Rogers of Elk City, Oklahoma; and Connie Porter of Fayetteville, Arkansas.

Jessica and Kayla Jones of Bridgeport are here for a visit with their grandparents, Charles and Joy Jones.

Cecil Brown and family of Chattanooga, Tennessee, visited his grandmother, Zula Conner, Thursday night and Friday.

Bobby and Philomae Roberson were in San Angelo Memorial Day weekend to visit her brother and family, the Bobby Frank Feemsters. Bobby is battling some health problems and is taking chemo and as we all know, that weakens one greatly but she says he's in a good frame of mind and

again, as we all know, that is very important. Certainly our prayers are with Bobby Frank and his family during this time.

Samijo and Shelby Russell of Spur are here for a few days with their relatives.

Matthew and Sara Spikes of Lubbock are spending this week with their grandparents, Bill and Dorothy Spikes.

Ruth Ressel was in Lubbock last Tuesday for tests. Everything turned out fine. No real problem and we are very glad to get that report.

Roger, Betty and Jamie Bohannon spent the weekend in the Cimarron Canyon in New Mexico with her parents who are there for the summer. They said it sure was cool and when they hit this heat here Sunday night, it was almost unbearable!

Sunday visitors in Benjamin and attending services at the Church of Christ were Adele Smith and Glenda and Avis Bryant. The ladies are daughters

## KC Circle Club News

By Julie Schur

The Knox City Circle Club met in the home of LaNell Kight on May 10. The program was presented by Jane Rowan, CEA-Home Economics. The program was entitled "Your Ideal Silhouette". We all learned what style of clothes we should wear according to our body measurements.

President Rita Rosencranz presided during the business meeting. Ramona Helms reported that three FCE scholarship applications were submitted and that the agent in Brownwood would select the 1994 recipient. Ramona also provided the council report.

Ruth Rhodes was recognized for having a birthday in May. The club presented Charlotte Cragar with a going-away gift. Charlotte was a vital member of the Club and this community and she will be deeply missed. We all wish her and Ray well!

Members present included Betsy Allen, Mae Bradley, Char-

lotte Cragar, Amy Daniel, Lisa Harrington, Bobbie Harrison, Ramona Helma, LaNell Kight, Leta Mangis, Pam Mongrain, Janice Rhodes, Ruth Rhodes, Eileen Rolo, Rita Rosencranz, Julie Schur and new member Josie Agraz.

The next meeting will be held at the Aging Center on June 14. For the program we will learn how to make bead necklaces. For the program each person will need to bring: 10 yards of plastic canvas cord in the color of your choice, 1 package of 6mm or 9 mm pony beads, also in the color of your choice, 2 conchos (1" in length) for earrings, 1 concho (2" in length) for necklace and 2 clips, posts or earwire for earrings. Each member is asked to bring a finger food as there are no hostesses for the meeting.

The club will not meet in July or August, but will resume its regular scheduled meetings in September.
