## 'Pink Ladies' Hospital Auxiliary Donates Money For New Ambulance

The Pink Ladies Volunteer Auxiliary of the Knox County Hospital recently donated \$15,000.00 toward the purchase of a new ambulance, according to Stephen Kuehler, administrator of the hospital. "Our volunteers generously donate their time to serve our patients at the hospital every day, but this donation means that everyone in the county will benefit from their generosity," he said. The new ambulance, which replaces a 1977 Modulance Type II unit, is a Ford diesel Type 3 Marque, purchased from Reliable

Emergency Vehicles in Dublin, Texas. "We made our choice based on the structural integrity, warranties, price, and references," Kuehler said. The final purchase price was \$65,000.00. The balance of the cost of the ambulance will be paid from hospital district funds. A Type 3 ambulance is a box type ambulance. "The advantage of this kind of unit is that emergency care attendants can walk through the ambulance from the cab to the care unit," Kuehler noted.

Knox County Hospital District operates the ambulance service for Knox County, with ambulances stationed in Knox City and Munday. The service has four full time employees: two paramedics, and two EMT-Intermediates. "This new ambulance will benefit the entire county, however the unit will be stationed in Munday. The advanced technology of the ambulance and the increased reliability of a new unit will enhance emergency care for all of us," Kuehler said.

## Bulldogs Whip Greyhounds

Knox City Suffers Hard Fought 59-22 Loss In Spur Dogfight

By Dave Thompson  
 Knox City's football game last Friday night against the Bulldogs of Spur could be summed up with a comment overheard during the third quarter of the game when one of the Greyhound defensive players came off the field shaking his head and saying, "I can't believe what's happening out there." That 'stunned' feeling showed on the scoreboard at the end of the game, with the final score showing 59 points for Spur and 22 for Knox City.

field for a touchdown with 2:57 left in the half. Spur then tried for two extra points with a pass that was intercepted by Greyhound Louis Diaz.

While Knox City's performance was far below the expectations of most, the game did have its high points for the 'Hounds. Action during the first quarter and most of the second quarter was dominated by Knox City. Kevin Dorsey scored the first touchdown of the game on a 3 yard run into the end zone with just :35 seconds left in the first quarter. Duane Toliver kicked in the extra point that put KC ahead 7-0.

Another Spur touchdown was averted a short time later when David Dudensing intercepted a Spur pass that prevented the Bulldogs from gaining another first down with short yardage to the goal line. The save by Dudensing was negated just two plays later when Knox City fumbled the ball back to Spur on the 14 yard line.

With 6:10 left in the first half, Lance Dever added to the score with another 6 points on a 1 yard run into the end zone. KC then added a surprise when Wes Grimsley appeared to be holding the ball for another extra point kick, then took off running across the goal line for two points. That put the Greyhounds up by 15 points over Spur. The few Knox City fans that traveled to Spur for the game had plenty of reason to be excited as their team was suddenly two touchdowns ahead of a team that was predicted to win by two touchdowns!

In just three plays, Spur scored a touchdown on a 7 yard run. The extra point play was a run by the quarterback, but he was tackled on the 1 yard line. The scoreboard then showed KC-15, Spur-12 with 1:52 left in the first half.

Then that same excitement faded, and despite clear skies, the evening became rather gloomy for the Greyhounds.

Spur scored again with a 70 yard run with just 12 seconds left on the clock. The halftime buzzer sounded during the play, and Spur did kick in the extra point to put them ahead 19-15 going into the halftime break.

Spur took the 'Hound kickoff back to the 43 yard line, then moved the ball right down the

The Greyhound Marching Band provided the fans from both Knox City and Spur with an great show during the half. Playing their familiar "Blue Suede Shoes," the band received a strong round of applause when they came off the field.

When action resumed during the second half, the Spur Bulldogs exploded into action that dominated the rest of the game. They received the opening kickoff and returned the ball to the 30

yard line. Then on the next play, ran the ball all the way down the field for another touchdown. The extra point kick hit the post and went wide, leaving the scoreboard showing Spur-25 and KC-15. Then, with 2:48 left in the third quarter, Spur scored again to put the score at 31-15 in favor of the Bulldogs.

Knox City did manage to score again, with a 46 yard run by Kevin Dorsey. That play came with 5:10 left in the fourth quarter. Toliver kicked in the extra point to put a total of 22 points on the board for Knox City.

Unfortunately, Spur managed to score three more touchdowns before the end of the game, putting the final score at Spur-52, Knox City-21.

The Greyhounds will play at home this Friday night, hosting class 1-A Windthorst with the game starting at 8:00p.m. here in Greyhound Stadium.

District action for the Greyhounds begins next week when Aspermont travels to KC for the district opener on October 7 at 7:30 p.m.

## Benjamin News

By Gladene Green

### CONCERNING OUR ILL FRIENDS

Betty Bohannon is doing well following surgery in Abilene last Monday. She was released from the hospital on Thursday and remained with relatives there for a few days. If all goes well, she should be home Tuesday (tomorrow).

We learned today that Jack Nunley of Seymour and formerly of Benjamin will be in Wichita Falls tomorrow (Tuesday) for consultation with an oncologist and also for further testing. We wish Jack the best.

No other reports on any other illness in the community. It's always our prayer for those with problems that their burdens be made lighter.

### BALL NEWS

At Rochester Friday night, the Steers came out on top by a score of 61-14 over the Benjamin Mustangs.

The Steers looked very impressive on both sides of the ball. Their defense was extremely aggressive and they hit Benjamin hard. The Mustangs execution in the first half was lacking on both offense and defense. Coach Josselet remarked "We must learn to utilize our skills more adequately offensively and work on reading our keys defensively. Adversity is part of life, just like playing in a game, so we must learn to meet it head on and attack the challenges we face."

### VOLLEYBALL NEWS

The Lady Stangs played good volleyball this week. On Tuesday we took on the Wildcats from Goree. This is always a good match for both of us. We played a good first game and won 15-11. The second game was a good challenge for us. We were down 12-3 and battled back to a 16-14 victory.

Saturday the Lady Stangs traveled to Aspermont to play in the Double Mountain Junior Varsity Tournament. We opened up with Knox City's team two and won

that match in two games. We then played Newcastle and defeated that opponent 15-7, 15-10. In the championship game it pitted Benjamin vs. Knox City JV. We didn't have quite the fire that Knox City had in the game and it showed. They served the ball extremely well and played good solid volleyball throughout the tournament. Knox City took the championship 15-11, 15-12. Despite the loss, Benjamin continues to improve their volleyball skills and should be proud of their second place finish in the tournament.

And I want to add that I think Benjamin is extremely fortunate to have the good coaches we have. Both young men are fine adults and are the type people that earn students' respect by the way they treat them. So whether we win a football game or not all year long, we are winning in the fact that these coaches are working to make fine young adults of these students.

### JUNIOR HIGH FOOTBALL

The Benjamin Colts traveled to Guthrie on Thursday night to take on the Guthrie Junior High Jaguars. Guthrie had a strong and experienced team and jumped out to a 21-0 lead. However, two TD runs by Tyler Carroll put the Colts on the board and at halftime the score was Guthrie 40, Benjamin 14. In the second half, the Colts outscored the Jaguars 14 to 7 due to TD runs by Tyler Carroll and Jesse Grimaldo. Thus, the final score was Jaguars 47-Colts 28.

The Colts next game is on Thursday this week here at home with Rochester Junior High. Coach Wilkinson felt the team has improved since the first game of the season and hopes to see continued improvement as the season rolls along.

### HERE 'N THERE

Johnnie Williams and Bobby Frank Hudson spent several days last week in Pueblo, Colorado. Johnnie visited relatives and Bobby spent some time with

former residents, W.T. and Aldine Ward. Said the Wards send their best to all their Benjamin friends.

Steve Conner of Lubbock and Hazel Stockton and Clay Conner spent the weekend with Hazel's niece who is seriously ill in Tishomingo, Oklahoma. On Saturday, Bud Conner and I visited in Tishomingo also with his relatives.

Bill Spikes continues to improve following his recent surgery. He was back in Wichita Falls Wednesday for a checkup.

Gary and JoAnn Hamilton were in Wichita Falls Friday on business.

Terry, Dee Ann and Chase Cartwright of Plano spent the weekend with his parents, Dub and Jo and his brother and family, the Tracy Cartwrights.

Ruth Ressel and Jo Cartwright visited relatives in Littlefield recently.

Jake and Shannon Propps were in Panhandle recently to attend Jake's homecoming. Shannon reported that they had a good time and saw lots of Jake's old friends.

### Child Welfare Memorials

Memorials have been to the Knox County Child Welfare Board in memory of:

Emily Merton  
granddaughter of  
Evelyn and Carl Shelton

## O'Brien Happenings

By Audle Johnston

"Warmest Regards - In his autobiography, Mark Twain wrote a scathing tirade about a publisher who had swindled him. But he ended with a note of forgiveness: 'He's been dead for a quarter of a century now. I have only compassion for him and if I could send him a fan, I would.'"

### HERE AND THERE

O'Brien had an early visitor for homecoming last Saturday. The Gutierrez twins, Joe and Oscar, heard a cat making a noise near their father's home and checked it out. He was having it out with a rattlesnake, so beware people, there may be a few more around and they're dangerous if they are fooled with.

J.D. and Mabel Hollis were in Lubbock Friday for doctor appointments. Mabel had a skin problem on her nose and was treated for that and J.D.'s doctor's appointment was for a general checkup.

Trish Roberts, student at

Tarleton State University in Stephenville, was home over the weekend to visit her parents, Donny and Diane Roberts and sister Angelia.

Troy and Clara Hanson, Vivian Hendrix, Bernice Rowan and I were in Old Glory Saturday night to attend a musical. There was lots of music and singing and was a large crowd in attendance.

Beth Underwood, teacher in the Roby schools, spent the weekend with her parents, C.H. and Linda and brother Reed and her grandfather Jack Underwood.

O'Brien welcomes some new residents over the weekend, Phillip Sarabia Jr. and family. They just moved a new double trailer home into the O'Brien area and moved into it over the weekend. We always welcome newcomers to O'Brien.

Shirley Hill and husband and daughter Jessica of Olney spent a few days with Berlie Banner and Rose Marie Johnston last

week.

Claudale and Jean Bamard were in Lubbock last week for Jean to see her doctors. She got pretty good reports. They spent the night with their daughter Claudia and husband Eddie Bryant and son Jon in Levelland.

Paul Dean Gothard of Blackwell visited Sunday with his father, Dwight Gothard.

"Nerve Ending - One day early in the season, our neighbors' daughter came over to borrow our pool vacuum for her father to use. So Dad pulled out the vacuum and its attachments from storage atop our garage's rafters. After he assembled the equipment, Dad helped the girl carry the load over to her house. When she returned the next day, he said, "Tell your father he's going to be needing a good vacuum of his own."

"Oh, he already has one," she replied. "But he hasn't unpacked it yet from storage."

## Study Club Opens Year

By JANOMA STEPHENS  
Club Reporter

The Knox City Study Club met Wednesday, September 14, at 2:00 p.m. in the Community Center for the first meeting of the 1994-1995 club year.

For the opening of the meeting, the song "Let There Be Peace On Earth and Let It Begin With Me" led by Frances Dear and accompanied by Erma Liles was sung. Frances Dear, president, called the meeting to order. Olien Elmore led in giving the Pledge of Allegiance to the United States and to the Texas Flags. Lena McGee gave the invocation. Frances Dear, yearbook chairman, explained the new yearbooks at length after distributing them to the membership.

New members were introduced and welcomed along with our guest.

Roll call was answered by "The Kind of Art You Enjoy".

Federation report was given by Janoma Stephens, Federation counselor.

Lena McGee, director, then presented Frances Dear who gave a dramatic skit she had written, pertaining to the Performing Arts and Drama, entitled "Secret Love Life of Lucy Twitchbottom." Very entertaining.

The "Collect" was given in unison.

Pieces of art work, brought by members and visitor were ex-

plained and viewed. The handwork was outstanding as was the jewelry and other items.

Old members, new members and visitor present were: Sandra Bateman and Wretha Fitzgerald (re-instated), LaVerne Mayfield, Erma Liles, Flora Mae Tankersley, Olien Elmore, Lena McGee, Frances Dear, Winifred White, Algerine Logsdon and Janoma Stephens. New members unable to attend were Zelma Strunk, Esther Conn and Jimmie Weinert. Erma Liles, LaVerne Mayfield and Jimmie Weinert, live in Weinert.

**FCE Retreat Held At Texas 4-H Center**

Frances Cook of Gilliland and her daughter Sherry Miller of Merkel were among some 70 County Extension Agents and Family Community Education (FCE) Club members attending a District FCE training at Brownwood August 10 and 11. "Moo-ving Ahead" was the theme for the two day training meeting.

The retreat was held at the Texas 4-H Center located on Lake Brownwood. Participants attending came from the 25 counties in the Rolling Plains Extension District.

Family Community Educators

(formerly called Extension Homemakers) is an organized group of people who meet together regularly to study research based information to improve family life, learn leadership skills, and conduct community service. Knox County has four organized FCE Clubs that are very active in activities that benefit families and communities. Membership is open to everyone regardless of age, socioeconomic level, race, color, sex, religion, disability or national origin.

FCE club members displayed project work in a cultural arts competition. Competing from Knox County were Ila Mae Bullion, third, photography; and Lula Baty, third, crochet.
