Varsity Volleyball Spikes Opponents

HARD HITTING VOLLEYBALL ACTION takes place every time the Knox City Varsity Volleyball Team takes to the courts. The team is on a roll, soundly defeating Goree 15-1 and 15-1 last Tuesday evening and Benjamin 15-7 and 15-8 this past Saturday morning. The Varsity faces DeLeon Tuesday night at 6:30, too late to receive the score for this issue of the NEWS. The Knox City-O'Brien JV Volleyball Team also played Benjamin on Saturday, they won the first game 15-7, then lost the last two, 13-15 and 15-17. Volleyball fans are reminded that the Junior Varsity will be hosting their own tournament, starting this Saturday morning at 9:00 a.m. (NEWS Photos - Dave Thompson)

GREYHOUND FOOTBALL ACTION WAS INTENSE last Friday night when the 'Hounds took on Windthorst here in Knox City. The Greyhound offense was stopped cold by the Windthorst defense, while Knox City's defense got a workout by holding the Trojans to just six points in a game that Windthorst was predicted to win by two to three touchdowns. Greyhounds Ready For District Opener, Homecoming Game

Last Pre-District Game Is A Tough 6-3 Loss To Windthorst

By Dave Thompson

With the last pre-district game of the season behind them, the Knox City Greyhounds are ready for the start of district action to begin with the arrival of the Aspermont Hornets at Greyhound Stadium this Friday evening. Ending the pre-district portion of their season with 1 win, three losses and one tie, the 'Hounds look to be in great shape for district action against Aspermont, Crowell, Roby, Paducah and Munday.

When the Windthorst Trojans rolled into town last Friday night, most of those who predict football games were saying that the Trojans would roll over Knox City by at least two touchdowns. But once again, a strong and scrapping bunch of Greyhounds proved the 'paper experts' wrong.

Although the final figures on the scoreboard showed 6-3 in favor of Windthorst, the 'Hounds left no doubt that the visitors really had to fight for the victory.

A strong Knox City defense prevented the Trojans from accomplishing much during the

game, while an equally strong Trojan defense halted the Greyhounds at almost every occasion.

Although the battle for yardage was hard hitting and bruising, Knox City faced another adversary that was equally as hard on our home team. The game suffered from some of the worst officiating ever seen at Greyhound Stadium. Time after time, Greyhound coaches could be heard reminding the officials to watch for penalties being committed by Windthorst, offenses that experienced officials should have been picking up on their own.

Knox City's offense seemed to sputter throughout the game, and quarterback Wes Grimsley spent a lot of time on the ground as the result of numerous sacks by the Windthorst defense. Not being done, the Knox City defense responded with sacks of the Trojan quarterback by Michael Ledesma, Joey Logsdon and Scott Stephens. David Dudensing added to the defensive excitement with an interception of a Trojan pass in the first quarter. Ryan Marion made

a spectacular recovery of a Windthorst fumble in the third quarter after the ball took four different bounces and escaped three players.

The Greyhounds tough brand of defense was the talk of the night as Ryan Marion, Joseph Logsdon, David Dudensing, Louis Diaz, Michael Ledesma, Al Rios, Sal Serrano, Billy Curd, Eric Greenwood, & Scott Stephens had their names repeated over and over on the PA system for making tackles.

Greyhound fans are reminded that the district game with Aspermont this Friday night will begin at 7:30 p.m., as will all games for the remainder of the season. After this week, KC will travel to Crowell on October 14, host Roby on October 21, travel to Paducah on October 28, and travel to Munday on November 5 for the Munday Homecoming.

Guthrie Jaguars Ranked First In 6-Man Football Poll

A season of upheaval in the six-man ranks continued last week as the top-ranked team in *The Lubbock Avalanche-Journal's* high school six-man poll was beaten for the third consecutive week, as of Thursday, September 29.

Ropes, which had inherited the No. 1 spot after losses by Panther Creek and Sands in the preceding two weeks, was dumped 45-35 by Wellman. The Eagles (3-1 overall) dropped to sixth this week, and Guthrie (4-0) moved from second to first - becoming the

fourth new No. 1 team in as many weeks.

The Jaguars beat Silverton 54-6 on September 23 and also defeated Harrold 58-12 to hang onto the Number 1 ranking.

Benjamin News

By Gladene Green

October finally got here! This is my very favorite month of the year. Tho the days can get pretty warm, the nights are cooler and pleasant. Friday night football games usually require a jacket of some kind before the final whistle blows but all - in - all, it's a very pleasant time of the year.

Betty Bohannon continues to improve. Tho not feeling completely back to her old self, she does feel better with each passing day.

Jack Nunley continues undergoing tests in Wichita Falls. He is at his home in Seymour and some of his family spends a lot of time with him. This weekend, his sister Jane Gideon, was with him. Please continue to remember Jack and his family in your prayers.

Vicki Coplen underwent surgery Thursday in Wichita Falls Bethania. She was able to come home Friday and is doing quite well. Her parents, Mr. and Mrs. Ralph Settgast of Chapman, Kansas, were here for the weekend and on Sunday, his mom Janice Coplen of Junction City, Kansas, came for a few days stay to help Vicki and keep her husband Tracy, and sons Josh and Andrew "in line" until Vicki can take full control again. It's good that Vicki is doing so well.

We learned Saturday of the death of Betty Coppedge Henderson of Gatesville, who was a former resident. Betty died Saturday morning at 4:30 after several months illness. She was the daughter of the late A.B. and Elizabeth Coppedge and area survivors are a sister, Helen Green of Guthrie; a brother, Loyd Coppedge of Truscott and a niece,

Debbie Curd of Knox City. We extend sympathy to Betty's family. Funeral will be tomorrow (Tuesday) in Gatesville.

SPORTS

In Friday night's football game, the Patton Springs Rangers won over the Benjamin Mustangs, 42-22. Benjamin's scores came on two TD passes to Chad Rainwater and a run by Edward Estrada. Of the game Friday night Coach Kent Josselet says "How About Those Mustangs?" They played their best game of the season Friday night. It was truly a team effort. The boys executed on both sides of the ball extremely well. Our defense read their keys pretty well all night long. We had only two miscues defensively and that cost the Mustangs both times. We worked all week on fundamentals and it seemed to pay off in good dividends Friday night. The Rangers took advantage of our miscues and came out on top, 42-22. Nevertheless, success begins in small doses and we met all three of our goals for this game. Great Job, Mustangs!

JUNIOR HIGH FOOTBALL

The Benjamin Colts took on a tough Rochester Junior High Steer team on Thursday night here at home. The Steers jumped out to an early lead and the halftime score was Rochester 35, Benjamin 0. In the second half, the Colts were able to get on the scoreboard due to a TD run by Tyler Carroll and the Colts came close to another score as the game came to an end. Thus the final score read Rochester 35, Benjamin 7.

Coach Wilkinson felt the game was a valuable learning experience especially for a number of

younger players who had to step in and fill starting positions and he believes the team will continue to improve. The Colts next game is in Benjamin Thursday with Harold beginning at 5:30 p.m.

VOLLEYBALL NEWS

Saturday we took on a good Knox City team. They have some really talented young ladies. We seemed to be a little bit passive in our play but we began to pickup the tempo as the match went on. Knox City came out on top, 15-7, 15-8. Next we played a talented Knox City JV. They took the first game 15-8 on some really good serves. The following game we seemed to get together and our defense picked up quite well. We won a tough game 15-13. The final game of the match was a nail biter. Our girls really showed some composure and worked well together as they took the final game 17-15. Good job, Lady Stangs!

HERE AND THERE

Becky Wilkinson of Newcastle was a weekend guest of her brother, Brad. It's funny how things work - I met Becky at church on Sunday and Monday morning I turned on Joe Brown's TV3 show and there she was with a group of Young Co. 4-H'ers! And believe it or not - I recognized her immediately!

Jonnie Williams and Bobby Frank Hudson visited Cidy and Betty Williams at Hendrick Medical Center in Abilene Tuesday. They report Cidy to be improving but still has a long way to go before returning home.

Dutch and Imagean Young visited friends in Temple, Oklahoma recently.

Sandra Graham and Greg Whitten of Austin were united in marriage in an evening ceremony on Saturday, August 20, 1994, at the Ziller House in Austin.

The bride is the daughter of Claude Graham and the late Nelle Graham of Utopia. The bridegroom is the son of Peggy and Charles Clarke and the late Bits Whitten of Knox City.

They wore matching tea length gowns of amethyst lace and satin styled with sweetheart necklines, and each carried bouquets of red roses, purple lilies, yellow carnations and eucalyptus.

Groomsmen were Kenny Wallar, Isaac Benavides and Lupe Figueroa Jr., all of Austin. The bridegroom's best man was Sam White, also of Austin. The bride-

hosted the rehearsal dinner Friday evening at Don Limon's Mexican Restaurant in Austin with approximately 30 guests in attendance.

Cheerleader News

By Greta Waldrip
Cheer Coach

Homecoming festivities are again underway and the cheerleaders have been very busy preparing for these exciting events. The bonfire is set for 9:00 p.m. Thursday. The Pep Rally Friday will feature the presentation of Senior letter jackets. Band Beau, Band Sweetheart and Football Sweetheart will be crowned at 7:00 p.m. Friday night. And, last, but not least, is the big District game with Aspermont at 7:30. Aspermont is a new district rival and we are hoping for a win.

I am extremely proud of the 1994-95 Varsity Cheerleaders. They are Seniors: Christina Rodriguez, Heather Tilson and Chrystal Tankersley; Juniors: Sarah Vacek (head), Kristi Richardson; and Sophomores Melissa Barnard and Diana Estrada. Their "year" began this past June with a week of camp in 108 degree weather. They were real troopers suffering through heat, exhaustive workouts, but that's what it takes! We have also enjoyed having seven cheerleaders this year. There is a wonderful diversity of talent in this group - from creative signpainting to "dramatic" acting in our weekly pep rally skits; not to mention cheering abilities. Practices have been a lot of work, but also fun and rewarding in results. They have all worked to keep each other "pumped up!"

Fans, thank you for attending the pep rallies and games. We would like to encourage everyone to continue to YELL! Spirit is the key to a successful pep rally and we want you to participate, so, get off your feet, stomp to the Greyhound beat, and yell with us!! The Dawg Pound has been doing a great job of yelling with us, and coaches speeches have been very inspiring. Coach Johnson's "speech" turned out to be a banana-eating contest! The crowd loved it and he's going to have a contest each week from now on. We also look forward to speeches from Coach DeVille and Coach Chappell in future pep rallies. Band, twirlers and flags, you are also doing a great job!

This year we started a Community Spirit Award in addition to the weekly student Spirit Stick. This award goes to an organization, business or individual outside the school that has shown a lot of spirit. We are overwhelmed and appreciative of the community involvement this year. It is already very evident that one award a week is inadequate to recognize all deserving recipients. We are reaching the point where we wish we could just display one giant award to the entire community. As Coach Willis so eloquently put it at the first Pep Rally, it takes all of us to support a school system; School organizations are great, but they always need the strong support of community leaders and parents. To all of the "unsung heroes", past and present, who have always devoted countless hours to our school, we thank you! Sometimes your only reward is one in our hearts.

We are impressed with the spirit shown each week by the elementary and junior high students who help with the banner, form victory lines, dress up in KC colors, and wear ribbons and paw prints. You all add to the overall game spirit.

The cheerleaders have received very positive coverage this year in *The Knox County News*. Thanks, Dave, and the news staff for the articles, and great photos

that will certainly fill proud Greyhound scrapbooks. Sports coverage is hard work! Thanks.

A special appreciation to our administration, Mr. and Mrs. Weaver, cheerleader parents, the Dawg Pound and student body, the teaching staff and countless others who are helping support the cheerleading squad.

Have A Great Year!

Athletic Booster Club Meeting Held Sept. 19

The Knox City Greyhound Booster Club met in a regularly scheduled meeting on Monday, Sept. 19, in the high school library with five members present.

Items discussed were the upcoming Brisket and Bean supper on Oct. 7 before the homecoming game. All money raised by the Booster Club will go to help support the athletes.

Also discussed was the making of the paw print yard signs for the athletes' yards. It was decided to have a work night to make these signs. All parents who are interested in having a sign, need to come and help, officials said.

They voted to have their meetings every other Monday at 7:00 p.m. in the high school library.

The club expressed appreciation to everyone who has donated money and time to the boosters so far this year, and a special thanks to Rolling Plains Well Service for their generous donation.

Financial Aide Seminar Set For October 17

Junior and senior parents are asked to take note of a financial aide seminar to be conducted by Ms. Corky Swanson, a financial aide consultant. All aspects of financial aide and scholarships will be addressed as well as other areas of college life.

The seminar will be held in the W.R. Baker Auditorium on the Knox City campus, Monday, October 17, from 7:00 to 9:00 p.m.

To best meet the students needs, parents are asked to bring their junior or senior students with them.

For further information, contact the high school at 658-3565.

FmHA Office Accepting Loan Applications

Applications for emergency farm loans for losses caused by drought and high temperatures which occurred on June 25, 1994, through June 30, 1994, are being accepted at the Farmers Home Administration (FmHA) office located in Knox City, FmHA County Supervisor Bobby G. Cude has announced.

Knox and Foard counties are two of seven in Texas recently named by Secretary of Agriculture Mike Espy as eligible for loans to cover part of actual production losses resulting from the drought and high temperatures.

Cude said farmers may be eli-

gible for loans of up to 80% of their actual losses or the operating loan needed to continue in business or \$500,000.00 whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for a FmHA emergency loan," Cude said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 1, 1995, but farmers should apply as soon as possible.

4-H . . . More Than You Ever Imagined

National 4-H Week celebrates the accomplishments of 4-H youth during the week of October 2-8. Theme for 1994, "4-H... more than you ever imagined" reflects the variety of 4-H programming and the diversity of the lives and backgrounds of 4-H youth throughout our country.

Diverse groups of youth from across our country participate in 4-H activities. Young people from ages 9-19 develop leadership, citizenship, and interpersonal skills

in a wide variety of 4-H programs.

4-H began as a simultaneous response to needs throughout the country, rather than as the idea of one individual. The basis for this activity was to offer agricultural education to rural youth by organizing boys and girls clubs and through "learning by doing". Youth participating in 4-H activities have opportunities to offer positive contributions to our diverse and changing society. 4-H uses the far-reaching Extension

System network to offer youth programs and activities to diverse groups of young people in all 3,150 counties across our nation.

For more information about 4-H, contact the Knox County - Texas Agricultural Extension Service located at the courthouse in Benjamin, 454-2651.

Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin.

KNOX COUNTY 4-H CLUBS enjoyed a field trip to Abilene in July. The youth toured an emu farm, Dyess Air Force Base, played Putt Putt and ate at CICI's Pizza. Members attending from the Knox City 4-H Club were Mica and Juli Lamed, Natalie Bloxham, Chris Bartley, Roni and Logan Morrow, Landon Weiershausen and Erica Quintana along with 4-H members from area clubs. The group was accompanied by Brenda Lamed, Paul Weiser and Jane and Kyle Rowan. (4-H Photo and article submitted by Roni Morrow)

Also being planned by the Chamber during the upcoming holidays are the Christmas Open House and Progressive Dinner on November 29 as well as a Christmas Bazaar on December 10.

Flu Season Just Weeks Away, Shots Help Prevent

Knox County Hospital District - It comes every year, as dependable as the changing seasons. With the onset of winter, people of all ages will begin to suffer the familiar symptoms: chills, fever, headache, muscle aches, loss of appetite, and fatigue. The flu season will bring misery to thousands of people of all ages across the country before springtime puts an end to the outbreak.

Those who want to avoid this seasonal visitor can take several precautions. Flu shots will help prevent the disease. It is recommended that older people and those who suffer from a respiratory or circulatory disease should be vaccinated. Flu shots must be repeated every year, because they don't last very long.

If there is an outbreak of flu in our community, another good preventive is for people to avoid crowds. Usually, an outbreak will

occur in a school or institution for the elderly because of the large number of people who are together for a prolonged period of time. Simple precautions, such as using a handkerchief when you sneeze and washing hands frequently, can do a great deal to keep you from catching or spreading the infection.

Influenza is actually a viral infection of the respiratory tract. It is spread by virus-infected droplets that are coughed or sneezed into the air. Most types of the flu are relatively mild, and patients will recover in a few days. However, patients with other health problems or those who are generally in a weakened condition can become seriously ill with the flu. As will be noted in their ad elsewhere in the News, flu shots can be obtained from the Knox County Hospital Clinics in Munday and Knox City.

Volleyball...And Us

Once again I find myself in the position of having to fess up to something that usually happens about this time of the year. It's not something done intentionally, but rather that happens because of time constraints on our hard working staff here at the NEWS office.

Volleyball action is just as important to the girls who sweat it out on the court as football action is to the boys who hit it out on the football field. While it is convenient to attend football games on Friday nights, it is not always easy for us to make it to volleyball games that are played mostly during weekday evenings or on Saturday mornings. Tuesday evenings usually find us right here working, trying to get a paper out that is printed early every Wednesday morning, and Saturday mornings usually find us gone somewhere.

No, I am not trying to make excuses, just offering an explanation and letting you know that we are in no way downgrading the girls action by what some think of as a lack of coverage here in the newspaper.

We did go to the games against Goree here in Knox City last Tuesday evening. It was one of those rare occasions when everything with the paper fit together just right and we were able to make it out of here early enough to attend the games.

Interestingly enough, we found the crowd on hand to be quite small. Surely it couldn't be that some of those who talk about us not being there were not there themselves? No, surely not.

The girls deserve better attendance at their games. The girls need the support of the community each time they face an opponent on the court.

The Houndettes brand of action is exciting and fast moving. It's easy to see that they have worked long and hard to get to the level they play at. The team is certainly worthy of praise and support by both the school and community they work so hard to represent.

The team has a very energetic booster club, made up mostly of parents and family members of the girls on the various teams. This group of supporters is fantastic, they work hard and show support in many different ways. But - they shouldn't have to do it all by themselves!

Each week we list the upcoming volleyball games on the 'Hound and Houndette supporter page here in the NEWS. I urge you to look at the dates and make plans to attend. You'll be glad you did.
