1994 Christmas Parade Set For Saturday Afternoon

The 1994 edition of the Knox City Christmas Parade will kick off this Saturday afternoon, December 10. Promising to be a fun time for all involved, the parade is sponsored by the Knox City Chamber of Commerce and under the direction of Roger Rosencranz. The parade announcers on the downtown reviewing stand will be Jerry and Peggy Smith.

Starting with a lineup in front of the high school and elementary school buildings at 12:00 noon, the parade will actually start at 2:00 p.m. when it leaves the staging area.

Traveling west from the school on North 4th Street, the parade will turn south on north Central and head into the downtown business area before turning back east on Main street and traveling east to Avenue E (at the WTU building), then turning back north towards the original staging area.

All parade entries will once again bring an "entry fee" of a toy or toys to be donated to the Knox County Child Welfare Board's "Caring for Kids" campaign. The toy or toys should

be new and unwrapped, the Child Welfare Board will then take care of the distribution of toys to needy children in our area.

Along with the traditional floats from area groups, organizations, businesses and churches, parade organizers encourage all children to want to decorate wagons, bikes, 4-wheelers and other rideable toys to enter the parade and join in the

fun.

About an hour after the parade, the downtown reviewing stand will be the location for the awarding of prizes in the various categories of parade entries.

The downtown Bazaar sponsored by the Chamber of Commerce will open at 10:00 a.m. in the old White's building in downtown Knox City. The Bazaar will feature a variety of arts and crafts and food booths for all to enjoy. Kids are encouraged to stop by and have their picture made with Santa Claus. Those wanting to register for the prizes being given away by the chamber need to do so at the Bazaar. Drawings will start at 12:00 noon at the downtown reviewing stand and continue at various times throughout the day.

Remember, the parade starts at 2:00 p.m., with the lineup in the staging area beginning at 12:00 noon. Hope to see you there!!

Merry Christmas Pageant Friday At 7:00

The annual Merry Christmas Pageant sponsored by the Knox City Chamber of Commerce is all set and ready to go with a starting time scheduled for Friday beginning at 7:00 p.m.

A Chamber of Commerce tradition for many years, the event highlights area boys and girls

while serving as a community springboard to get local residents into the spirit of the holidays.

Featuring both boys and girls in age groups from pre-school through eighth grade, the pageant is open to the public as a fundraising project of the Chamber of Commerce with a nominal

admission fee charged at the door.

As a special treat this year, the Mistress and Master of Ceremonies will be Peggy and Jerry Smith, who will also entertain.

The theme for the pageant this year is the same set by the Chamber for the Christmas Parade: "Country Christmas".

Locals Attend 'Legends' Game

Couple's Son Participates In Tournament

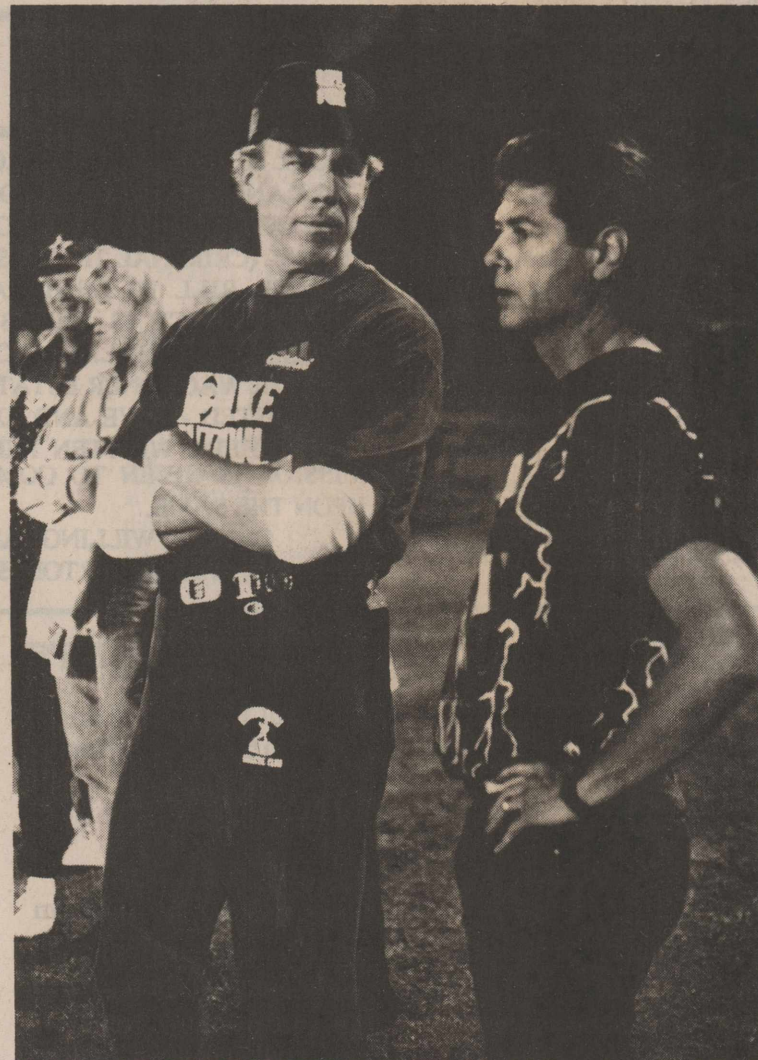

Tom, Greta, Byron and Anna Marie Waldrip enjoyed meeting and visiting with several "Dallas Cowboys Legends" at a "Flag Football for Food" game held Saturday, November 26, in Dallas.

Byron played in a men's flag football tournament sponsored by the North Dallas Food Bank. The champions of the 25 team tournament played the Dallas Cowboys Legends in the final game of the night. Although Byron's team was eliminated earlier in the day, the Waldrips stayed for the big championship game and enjoyed sideline chats with the former superstars. Greta was extremely pleased to be a sideline photographer during the game and was able to obtain many memorable photos of the football legends. The event is in its third year and is a benefit for the needy of the Dallas area. Admission to the event was canned food.

The Waldrips were impressed with the players who had given their time and skills for charity. They were also impressed with the friendliness and the quality of play, despite their "retirement".

The "Cowboys" won 38-6 over the amateur challengers.

Ex-Cowboys who participated in the game, and whom the

Hounds First, Houndettes Consolation At Aspermont

By Coach Lonnie Hines

It was an exciting weekend for Greyhound Basketball. Our teams played well!

The Houndettes drew a tough first game against 2A Hawley, who later went on to win the tournament. The score Hawley 67, Knox City 44. On Friday morning, the Houndettes rebounded quickly to defeat Paint Creek, 60-38. On Saturday morning, we had an opportunity to play for consolation against Anson. We won by only six points due to a strong third quarter come back by Anson keeping them in the game. The

fourth quarter went to the Houndettes, though, as we got back to basics, holding off Anson, 67-61.

The Hounds continue to play great team defense extending their record to 7 and 1. They, also, drew Hawley in first round action, defeating them for the third straight time, 67-36. Advancing to the winners bracket on Friday, the Hounds played one of their toughest games against a sound Rotan. The score went back and forth with Ryan Marion sinking a basket at the buzzer to keep the game from overtime. The Hounds win. See Hounds, Contd. On Page 3

JOINT NOTICE OF INTENT TO ABANDON, DISCONTINUE TRACKAGE RIGHTS AND DISCONTINUE SERVICE

LONE STAR RAILROAD, INC. ("Lone Star") and SOUTHERN SWITCHING COMPANY ("Southern") give notice that on or about December 16, 1994 they intend to file with the Interstate Commerce Commission, Washington, DC 20423, a joint application for certificates permitting (1) Lone Star to abandon a portion of its Abilene-Wichita Falls rail line extending between Milepost No. 142.8 near Lanius and Milepost No. 8.0 near Howard, and to discontinue its trackage rights over Burlington Northern Railroad Company (BN) between Milepost No. 8.0 near Howard and Milepost No. 0.0 at Valley Junction and from Valley Junction east for 331 feet to point of switch in Sunshine Yard, Wichita Falls, a total distance of 143.43 miles in Wichita, Archer, Baylor, Knox, Haskell and Jones Counties, TX; and (2) Southern to discontinue service over that rail line that Southern is providing pursuant to an operating contract with Lone Star. The line for which the joint application will be filed includes the following stations:

STATION (all TX)	Milepost No.
Valley Junction	0.0
Dundee	25.7
Seymour	50.3
Bomarton	61.8
Goree	68.9
Munday	74.2
Haskell	95.3
Stamford	111.1

The reasons for the proposed abandonment and discontinuance are that continued operation of the line would result in operating losses, opportunity costs and rehabilitation costs. Based on information in our possession, there are no federally granted rights-of-way on the line. Any documentation in our possession will be made available promptly to those requesting it. The line of railroad has appeared on Lone Star's and Southern's system diagram map in category 1 since August 15, 1994.

The interest of railroad employees will be protected by the imposition of employee protective conditions as specified in Oregon Short Line Railroad Co. Abandonment, 360 I.C.C. 91 (1979).

Any interested person, after the application is filed on or about December 16, 1994, is entitled to file with the Interstate Commerce Commission written comments concerning the proposed abandonment or protests to it.

Protests must contain the following:

- (1) Protestant's name, address and business.
- (2) A statement describing protestant's interest in the proceeding including:
 - (i) A description of protestant's use of the line;
 - (ii) If protestant does not use the line, information concerning the group or public interest it represents; and
 - (iii) If protestant's interest is limited to the retention of service over a portion of the line, a description of the portion of the line subject to protestant's interest (with milepost designations if available).
- (3) Specific reasons why protestant opposes the application including information regarding protestant's reliance on the involved service (this information must be supported by affidavits of persons with personal knowledge of the facts).
- (4) Any rebuttal of material submitted by applicant.
- (5) If an oral hearing is desired, a request for and reasons why an oral hearing is necessary.

In addition, a commenting party or protestant may provide a statement of position and a summary of evidence regarding:

- (i) Intent to offer financial assistance;
- (ii) Environmental impact;
- (iii) Impact on rural and community development;
- (iv) Suitability of the properties for other public purposes;
- (v) Recommended provisions for protection of the interests of employees; and
- (vi) Prospective use of the right-of-way for interim trail use and rail banking under 16 U.S.C. 1247(d) and 49 C.F.R. § 1152.29.

Written comments and protests will be considered by the Commission in determining whether an investigation is needed to assist in determining what disposition to make of the application. The Commission will automatically direct investigation if a protest is filed which demonstrates: (1) The protestant filed a feeder line application under 49 U.S.C. 10910; (2) the feeder line application involves any portion of the rail line involved in the abandonment application; (3) the feeder line application was filed prior to the date of the abandonment application; and (4) the feeder line application is pending before the Commission. If an investigation is conducted, the commenting party or protestant may participate in the proceeding as its interests may appear.

Those parties filing protests to the proposed abandonment should be prepared to participate activity in either oral hearing or through the submission of additional material in the form of verified statements. Parties seeking information concerning the filing of protests should refer to § 1152.25.

Written comments and protests should indicate the proceeding designation Docket Nos. AB-425 and AB-426, and should be filed with the Secretary, Interstate Commerce Commission, Washington, DC 20423, no later than 30 days after the date the application is filed. Interested persons may file a written comment or protest with the Commission to become a party to this abandonment proceeding. A copy of each written comment or protest shall be served upon the representative of the applicants, Thomas F. McFarland, Jr., Belnap, Spencer, McFarland & Herman, 20 North Wacker Drive, Suite 3118, Chicago, IL 60606-3101, (312) 236-0204. The original and 2 copies of all comments or protests shall be filed with the Commission with a certificate of service.

If no protests are received within 30 days after the application is filed, the Commission will grant the abandonment request and issue a certificate which permits the abandonment to occur within 75 days after the application is filed. The line sought to be abandoned will be available for subsidy or sale for continued rail use, if the Commission decides to permit the abandonment, in accordance with applicable laws and regulations (49 U.S.C. 10905 and 49 C.F.R. 1152.27). Applicant will promptly provide upon request to each interested party an estimate of the subsidy and minimum purchase price required to keep the line in operation. FIFTH GRADE NEWS

By Dana Holmes
This month in Mrs. Hedgecock's fifth grade class we are learning about interesting subjects. English is very interesting. We are learning how to diagram sentences. In reading we are reading "Island of the Blue Dolphins" and writing summaries on each chapter. In science, we just finished our unit on invertebrates. Last but not least in Social Studies we are studying about an all-warter route to the Far East, made by early explorers.

In a couple of weeks, we will be taking our first semester test. Wish us luck!

Once Again... 'SANTA CLAUS' NEEDS YOUR HELP

As in the past, there are children in Knox City and throughout Knox County who need Christmas gifts, medicine, clothes, transportation, and many other services at Christmas.

You too can be a 'Santa Claus' and make a child happy at Christmas, all it takes is a little generosity on your part. A fund has been established by the Knox County Child Welfare Board to help provide for those kids who are less fortunate than others, not only during the Christmas holiday, but throughout the year.

The fund needs your help. It's really very simple. All you have to do is go by the Citizens Bank in Knox City or the First National Bank in Munday and make a deposit to the fund. Just make your check payable to the Knox County Child Welfare Board - or cash is great too!!

The only money the Child Welfare Fund has to spend is donated, so ... it's up to you. Why not share your holiday spirit and help a child at the same time? 'Santa' will appreciate your thoughtfulness, and you'll feel better for sharing at this very special time of the year.

KC Circle Club Meets November 8

By Julie Schur

The Knox City Circle Club met in the homemaking department of the Knox City High School on November 8.

President Rita Rosencranz presided over the business meeting. Ramona Helms gave a council report. She reminded the club of the council's Christmas party to be held at the courthouse. Each person should take an ornament. She also took names of members who would work or cook treats for the livestock show concession stand on January 13 and 14.

Rita reminded everyone that dues are to be paid prior to the January meeting. It was decided that the club will have a booth at the Christmas Bazaar.

Officers were elected for 1995. They are Vera Reid, President; Ruth Rhodes, Vice-President; Karen Patterson, Secretary/Treasurer; Eileen Rolo, Reporter; Josie Agraz, Courtesy Chairman; and Betsy Allen, Birthday Chairman.

The club will not have a meeting in December, but will have a Christmas party on December 13 at the home of Marie Darr. Those attending are reminded to bring a Christmas ornament (preferably homemade) and a dish of their

Houndettes Begin Season, Have Exciting Rotan Win

By Coach Lonnie Hines

The Knox City Houndettes basketball teams got off to a slow start after coming off regional play in volleyball. Playing their first basketball game against Roby with only one regular practice, the varsity fell short, 45-30. The JV played a tough fourth quarter defense to come from behind to win, 35-29. We approached this first game as we would any scrimmage. Our goal was to make a smooth transition from one sport to the other, while improving on fundamentals.

Although we played well against a sound 2A Holliday, we fell short, 50-44. The JV first loss came also, 49-21.

We traveled to Olney, November 22, to play a much improved team, falling to defeat by the Lady Cubs, 65-39, and on JV, 44-21. The girls played well, but as in most cases early, couldn't seem to find the bottom of the basket.

During Thanksgiving break, the Houndettes hosted the Haskell Indians on Saturday. Although the Houndettes were defeated, 57-35, signs of improvement was evident.

I knew it was just a matter of

time before we got our basketball legs under us. The girls have been pushing themselves to their limits. It paid off Tuesday, the 29th, against Rotan here in Knox City.

The Houndette JV played strong defense coupled with sound team work on offense to win, 37-32. The big game of the night, though, was the varsity girls, four overtime defeat of the Lady Yellowhammers, 95-93. Both teams had more than one opportunity to win the game. Now that overtimes are four minutes instead of three, we actually played a game and a half. In spite of fatigue by both teams late in the game, the Houndettes turned up the intensity and held off their opponent to obtain their first win. It was the most exciting game I have seen in a while.

We appreciate the support of the community and hope to see a packed gym each night. The Hounds, who are already having a great year, are playing exciting basketball as well. Come and see for yourself during the Knox City Invitational Tournament, December 8 through 10.

Benjamin News

By Gladene Green

Looks like we could have some cooler weather after several days of really spring-like temperatures. It's some cooler today and the weatherman says it could be this way all week. Who knows? We may have some snow one of these days.

Reports on our ill are varying today. Nora Hertel is progressing nicely and hopes to return to her home by Saturday of this week. I visited her Saturday and she looks good and was in good spirits so she's well on her way back to her "old self".

Bill Ryder is "housed in" with pneumonia. He's not feeling too bad but certainly has to stay in and take care of himself for a while.

Lewis Lyles is a patient in Bethania Hospital in Wichita Falls. His condition is listed as critical after surgery last Wednesday. I'm sure the family would appreciate a card. He is in ICU but a card sent to their home here would get to them very quickly, as the family is getting their mail. Please remember these friends in your prayers.

Carolyn Koepf reports that her mom was improved when she last talked to her. She is a cancer patient and her treatment sometimes really makes her sick but this week she is feeling better. Also we ask you to remember her in your prayers.

BALL NEWS

Coach Josselet's Comments Junior High Girls
The Lady Colts played a hard fought contest with Northside Monday night and fell two points short, 26-24. I was pleased with our efforts. I think our girls have showed lots of progress since our first game. We need to continue working on our defense and ball handling so that we can continue to improve.

Varsity BB (Girls)
The Lady Stangs got back into the swing Tuesday night against a good Rule Bobcat team. The Lady Stangs had been off for several days and the layoff showed in a 62-45 loss to the Bobcats. The biggest dropoff in our play was on defense. We did not

move our feet well and we were out of position several times at key points during the game.

Friday night the Lady Stangs traveled to Goree to play the Wildcats and the Lady Stangs came away with a 61-36 victory. We played better but we still are not running our main offense as effectively as we should be. Our defense looked better tho, but we still need to improve our positioning.

The Lady Stangs will have a busy week this week as they travel to Patton Springs on Tuesday and to Newcastle this weekend for a tournament. Coach Wilkinson's Comments High School Basketball

The Benjamin High School boys basketball team had a good week with wins on Tuesday and Friday and improved their season record to 2-3.

On Tuesday, the Mustangs traveled to Rule to take on the Rule Bobcats. The Mustangs started strong and took a commanding lead. The Mustangs, which led the entire game, had a 36 to 21 lead at the half and extended the lead in the second half to win their first game of the year 73 to 45. Chad Rainwater was high point for the Mustangs with 24 points.

On Friday, the Mustangs traveled over to Goree to take on the Goree Wildcats. The Mustangs took an early lead and led 16 to 11 at the end of the first quarter; however, the Wildcats, came back and at the half the Mustang's lead had been cut to three points. The game remained close in the third and early fourth quarter before the Mustangs finally won the game 62 to 50. Zeke Duke and Jim Bob Conner each had 14 points in the game and Russell Carroll, Edward Estrada and Chad Rainwater also scored in double figures.

The Mustangs play at Patton Springs on Tuesday and will play in the Newcastle Tournament on Thursday, Friday and Saturday. Junior High Basketball

The Benjamin Junior High Boys Basketball team traveled to Northside on November 28 to take on the

Northside Indians. Although the Colts played hard, the Indians jumped out to an early lead and never looked back. The halftime score was Northside 33 Benjamin 8; and Northside extended its lead in the second half to win the game, 61 to 12. High point for the Colts was Jacy Collins with six points. HERE 'N THERE

Thanksgiving guests of Jane Gideon and Weldon Gideon were Sue and Dave Terry of Dallas, Lana Caldwell and Coleton of Haskell and Jack Nunley of Seymour. She said Jack has finished his radiation therapy and will go this week to see if he needs chemotherapy. She said he is feeling much, much better.

Nora Duke was in Wichita Falls last Monday for her checkup. He told her she was doing fine and to keep doing just what she's doing and she should be OK.

Thanksgiving guests of Bill and Dorothy Spikes were Guy and Donna Spikes and family of Lubbock and Rusty and Sandy Spikes of Wichita Falls.

Brad Wilkinson spent Thanksgiving with homefolks in Newcastle.

Billy and Penny Trainham of El Paso visited Jay and Charles Jones on Saturday night. Also visiting the Jones were Walter and Peggy Hertel of Munday.

Ilene Milum of Lubbock visited Earlene Meinzer recently. On Sunday, Earlene attended a birthday party for her sister, Mable Jacobs at the Munday care home.

Dee Ann Lamb was in Wichita Falls last Wednesday for some tests. No results as yet as she will have to go back tomorrow (Tuesday) and again next week for further testing. Certainly, we wish Dee Ann well.

Hazel Nesbit and Shirley Mooney of Weatherford were weekend guests of relatives here.

The annual Community Christmas program will be on December 18, at the First Christian Church with refreshments in the Fellowship Hall of the First Baptist Church.
