O'Brien Happenings By Audle Johnston

"Senior Sparkle - At age 83 Granddad went to the hospital for the first time. "What is this?" he asked as he held up the bell cord they had fastened to his pillow. "That's the bell, Granddad," I replied. He pulled it several times, then remarked, "I don't hear it ringing." "Oh, it doesn't ring," I explained. "It turns on a light in the hall for the nurse." "Well!" he replied indignantly, "if the nurse wants a light on in the hall, she can turn it on herself."

Here's To Your Health

By Dr. Shirley Barretto

Last week we looked at the new buzzword in health care called "Wellness", and one of its components - exercise.

Wellness is more than just freedom from disease or illness. Wellness implies that the individual has chosen a life style that will promote good health, that will bring him or her to their full physical, emotional and mental potential.

As part of Knox County Hospital's commitment to bring a full scope of health care to the community, the Knox County Wellness Center has been set up to help individuals obtain the exercise you need. The Center, located on the second floor of the Knox County Hospital, was opened in November.

Those who join the Wellness Center will get an initial evaluation which consists of a test on a stationary bicycle. The staff at the hospital will combine the results of that test with information about the person's age, weight and blood pressure. This information will then be faxed to Abilene Regional, where it will be fed into a computer which will generate a custom-designed fitness program, tailored for each person.

The initial evaluation costs \$25. Following the evaluation, members will pay a flat fee of \$20 per month. The fee will include use of the equipment, and aerobics classes, which will begin in the next few weeks.

The Wellness Center utilizes the same equipment that was brought into the hospital for the Cardiac Rehabilitation Program - another new service which began last year. Both services are being offered at the Knox County Hospital. We have the treadmills, two exercise bikes, an ergometer, a weight machine, a rower and stair steppers. It's the same type of equipment that those who belong to health clubs in larger towns have.

Hours for the Wellness Center are 1:00 to 8:00 p.m., Monday, Wednesday and Friday; 8:00 a.m. to 8:00 p.m., Tuesday and Thursday and 8:00 a.m. to noon on Saturday.

Why not investigate how "wellness" may change the way you live. Make 1995 the year you make the commitment to wellness.

In addition to exercise, several other factors play a key role in maintaining good health and achieving a state of wellness.

* Good nutrition: what we eat plays a major role in our overall health and wellness. Following basic dietary guidelines helps us maintain proper weight, and may prevent the development of problems such as high blood pressure

or diabetes.

* Wise lifestyle choices: we know that smoking is the number one cause of premature death in our country. By choosing to refrain from smoking, we've made an important decision about our health. Using alcohol in moderation or abstaining completely is another wise lifestyle decision. Wise lifestyle decisions may also involve making smart choices about the amount of sleep we get, the stress we place ourselves under, the type of relationships we foster.

* Stress management: learning to handle the stress that each of lives with each day is a vital component in achieving overall wellness.

* Regular physical exams: proper maintenance of your body will help assure you that you are enjoying the best health possible. See your physician once a year for a complete checkup, and pay attention to the advance of the experts about the frequency of mammogram for women or prostate examinations for men.

The key players in any wellness program are you, your physician, and other health care experts. YOU have to make the first decision that you want to take responsibility for your good health, and your physician is there to guide you in making wise choices. Other health care experts, such as nutritionists, exercise physiologists, and others, can help you learn the best ways to achieve total wellness for your life.

Make 1995 the year you make the commitment to wellness.

Shorty Hudson Dies Friday In California

Word has been received here of the death of C.J. (Shorty) Hudson of Hanford, California, formerly of Knox County.

Mr. Hudson died last Friday after a long illness of cancer and other complications.

Born in Hill County in 1914, Shorty came to Knox County in 1917. He attended Gillespie and Sunset schools.

This daring fellow will probably be remembered by riding in the Pony Express from Nocona, Texas, to San Francisco, CA in 1939 with a friend, Jerry Nix.

Shorty and Myrtle Mae Durst of Rochester were married in 1940 and soon thereafter moved to California. He followed the rodeo circuit, trained horses, and was a farrier. He still team roped and pursued his work until two years ago.

Survivors include his wife of the home; a daughter, Annette Rose of Diuava, CA; two sons, Charles of Watsonville, CA, and Leonard (Tootie) of Santa Barbara, CA; four grandsons and one great grandson; one brother, Ike of Fort Worth; three sisters, Neoma Savage of Dallas, Edna Martin of Throckmorton, and Lillian Rae Verhalen of Knox City.

Preceding him in death were his parents, Carrie and Ike Hudson, a brother Buck of Knox City, two sisters, Pearl Akin of Austin and Eniver Clarke of Ruidoso, N.M.

Address Change Is Requested Of Subscribers

The recent postage increase was also accompanied by an increase in the cost to *The Knox County News* for retrieving changes or incorrect or changes of addresses from the Post Office.

Prior to January 1, 1995, it cost the newspaper 35¢ to pick up these at the post office window, for a subscriber who has failed to notify us of an address change. Now each notification costs the newspaper 50¢ and on occasion the *News* will have more than one for the same address change. At this rate, it doesn't take long for this to mount up.

The *News* would appreciate it if subscribers who are making a change in their address, would notify the *News* office as soon as they know the new address to avoid additional expense.

Benjamin News

By Gladene Green

We have a beautiful day today but reports are that we better watch out. Colder days are "a comin'" - personally, I like it as it is today but guess I'll take what comes.

ABOUT OUR ILL

Darlene Benson remains in a very serious condition in HMC in Abilene. According to family members, she seems to be holding her own, but certainly not doing well.

Bud Clower is in Houston taking treatments. Not known how long he will be there but hopefully, it won't be too long and that his treatment will be successful.

Lewis Lyles was able to come home for a few hours on Saturday. No report on how he made the trip but maybe he was not too tired after the trip. We hope he will be able to come home for good before too long.

Jack Waldron continues to improve since his recent surgery. Doctors say he is doing real well, walking every day and trying to do just what he's supposed to. Hopefully, this will correct the back problem he has had for quite some time. Please continue to remember these friends in your prayers.

HERE 'N THERE

Joy Jones is at Runaway Bay for a few days with her son and family, David, Jessica and Kayla. Jessica has been sick several days and Grandma went down to "nurse" her back to good health. Hopefully, Jessica will be better and back in school soon.

Brandi and Kayla Hacker of Stamford visited her grandmother and mother, Jonnie Williams and Mary Bohannon, on Sunday afternoon.

Jeff Conner and a friend, Stacy of Lubbock, visited his mom and brother, Judy Conner and Jim Bob and grandparents, Bobby and Philomae Roberson and Zula Conner during the weekend.

Ed and Edith Broach of Lubbock visited their kids, Gary and Janet Reed, Michelle, Blaine and Clayton Conner, last week and attended the ballgame Tuesday night.

Carol Dickson was telling me Friday night that her mom, Mrs. Cox of O'Brien, has suffered a stroke and is now in a nursing home in Fort Worth. Carol said she seems to be pretty comfortable with her new surroundings but from time to time wants to come home. Guess that's to be expected.

Katrine King and Lynda Brooke Pagel of Killeen were Benjamin visitors the last of the week.

Mr. and Mrs. Art Stoy of Hereford were weekend guests of his sister and brother in law, Kenneth and Jessie Roberts. Also visiting were Phil and Rebekah Boone of Wichita Falls.

Carolyn, Weldon and Erin Koepf visited relatives in the Waco area last weekend. Carolyn reports that her mom seems to be doing a little better.

There will be a community singing at the First Baptist Church here Sunday night, February 12, beginning at 6:00 p.m. Plan to attend and bring your best singing voice for an evening of singing praises to the Lord.

Before the coaches comments, I want to say that our basketball teams just play their hearts out every time they hit the court. And their coaches are so encouraging so it's not whether you win or lose, it's the attitude of both the players and the coaches both on and off the court and our "bunch" do have good attitudes. I'm proud of them all.

GIRLS BASKETBALL

The Lady Colts finished the season Monday night, January 30, against a good Chillicothe team. The Lady Colts played with a lot of heart and determination but fell short by four points 28-24. I felt the last six games of the season these young ladies have improved greatly. We have played

against some really good junior high ball clubs this year and I felt that our girls have met the challenge in each contest. The greatest thing about this ball club is that they play with a lot of tenacity and heart. These two things coupled with a lot of hard work will help fuel these young ladies to success in the future.

High School Girls

The Lady Stangs took on the Chillicothe Eagles Tuesday, January 31, and played one whale of a game. The Lady Stangs showed a never say die attitude but the much bigger Lady Eagles prevailed 67-52. I couldn't ask anymore of these young ladies for the way they played tonight. They showed guts, determination, and a tremendous amount of poise. The display of these characteristics was a victory in itself as far as I'm concerned as a coach. We work a lot on x's and o's but nothing can take the place of displays of needed life skills by an athlete.

The Lady Stangs took on the Northside Indians Friday night and came away with a 57-32 victory. We started out a bit sluggish but came on strong in the second half. Our defense was a pleasing sight. We played with a lot of intensity. Our offensive wing play the second half was also extremely pleasing as well. These girls put a lot into this victory. It was truly a "TEAM" effort.

BOYS JUNIOR HIGH BALL

The Benjamin Junior High boys basketball team finished up the season Monday, January 30, when they hosted the Chillicothe Junior High Eagles. The Colts came out strong as they took an early 6 to 0 lead. However, the Eagles narrowed the Colts lead to 6 to 4 as the first quarter came to a close. The second quarter saw the Eagles take command of the game as they outscored the Colts 12 to 3 to

lead the game 16 to 9 at the halfway mark. The third quarter saw the teams play rather evenly as the Eagles scored 5 points to 2 points for the Colts. Thus, after three quarters, the score was Chillicothe 21, Benjamin 11. In the fourth quarter, the teams continued to play evenly as the Colts scored 10 points to 9 points for the Eagles. Therefore, the final score read Chillicothe 30, Benjamin 21. High points for the Colts was Tyler Carroll with 9 points. Also, Aaron Kuehler scored 8 points for the Colts.

HIGH SCHOOL BASKETBALL

The Benjamin High School boys basketball team hosted the Chillicothe Eagles on Tuesday, January 31. The Eagles came out strong as they outscored the Mustangs 18 to 7 in the first quarter. The Eagles continued to dominate the game as they outscored the Mustangs 36 to 16 in the second quarter as they took a 54 to 23 half-time lead. The Eagles picked up where they left off in the second half as they outscored the Mustangs 35 to 4 in the third quarter and extended their lead to a 89 to 27 advantage after three quarters. The final quarter saw the Eagles continue to dominate as they outscored the Mustangs 27 to 10. Thus, the final score read Chillicothe 116, Benjamin 37. High point for the Mustangs was Bobby Condron with 11 points.

On Friday, February 3, the Mustangs hosted the Northside Indians to open the second half of district play. The Mustangs jumped out to an early lead as they held Northside to only two points in the first quarter and when the quarter ended the Mustangs led 8 to 2. The second quarter saw the Mustangs continue to dominate. They outscored the Indians 8 to 5 to give Benjamin a 16 to 7 halftime lead. The third quarter saw the Mustangs outscore the Indians 10 to 8 and ex-

tend their lead to 11 points as the quarter ended with the score reading Benjamin 26, Northside 15. However, the fourth quarter saw the Indians come alive and they began to cut away at the Mustangs lead. The Indians were able to cut the lead down to two points in the last 30 seconds of the game but they could get no closer. Although the Indians outscored the Mustangs 25 to 16 in the fourth quarter, the Mustangs held on to win the game 42 to 40. Chad Rainwater and Edward Estrada led the Mustangs in scoring with both players scoring 12 points.
