New Planter Boxes Arrive In KC Business District

STRUGGLING WITH A HEAVY WEIGHT, Jim Dillon from Dillon Greenhouses works with city employees (left to right) Ed DelValle, Joe Guerrero, Michael Casillas (in background) and Danny Parker to place the new planter barrels in the downtown area. Obtained by the Chamber of Commerce to help beautify the downtown business district, these planters are already blooming with green plants and flowers grown by Dillon Greenhouse. (NEWS Photo)

ON THE SIDEWALK AND READY FOR WATERING, this planter barrel is shown in front of the former Phoenix building, just south of Appearance. In the photo below, the new planter barrels are shown lined up as one would look north from the News office. The barrels line both sides of North Central in the downtown area.

The event was held at the East Texas State Fairgrounds.

Out of the 89 entries in the junior show, Latisha placed seventh with her nanny and eighth with her 3/4 billy.

This was the first time for Latisha to show the goats that were bred by Troy and Mary Powell of the Little League Ranch, who attended the show.

The event was sponsored by the American Boer Goat Association with two South Africans and one American serving as judges.

Latisha's parents, Beverly and Bob Munsell, also attended the show.

MEMORIAL DAY CEREMONIES were held at the Last Patrol Ranch in South Texas and among those honored during this year's ceremony was the late Celso Gonzales. His widow, Elva, is shown accepting a brick that was engraved with his name to be placed on the memorial wall at the ranch. Celso had been a member of the organization for two years and the memorial wall is at the headquarters located between Benavides and San Diego, Texas. Attending the ceremonies were two of the Gonzales' sons, Adrian and Junior and their families. Their eldest son Victor and family were unable to attend. Other family members attending were Celso sister Bertha Bento of San Antonio and Elva's three sisters of Benavides. (Courtesy Photo)

Kim Stafford Wins Dairy Queen Soft Serve Rally IV Competition

Kim Stafford has been declared winner of Richeson Restaurants' Rally IV competition, the fourth annual soft serve dessert competition held in Graham, Texas.

Stafford's win came from besting the co-workers who competed in the local contest, which was based upon proper and eye-appealing production of dessert products, including cones, sundaes, banana splits and Blizzard@s and then consequently winning the district competition in Knox City.

As contest winner, Stafford is entitled to wear Richeson Companies' coveted cone pin award and thus earned the opportunity to travel to regional competition, where another win qualified for the company's competition finals. She also received First Place prizes of a 13" color TV, Sony Cassette CD Player, Dairy Queen jacket and Dr Pepper Cooler bag.

RALLY IV DESSERT CONTEST WINNER Kim Stafford, is shown here with her daughter, Kursten, and Knox City Dairy Queen Manager Paulette Moore. Kim was the first place winner of the fourth annual soft serve Rally IV Dessert Competition held in Graham, Texas.

MR. AND MRS. SHANE LEWIS
... the former Aimee' Zacharias

Zacharias, Lewis Vows Read

The Crystal Bridge in the Myriad Botanical Gardens of Oklahoma City, Oklahoma, provided a beautiful tropical rain forest setting for the wedding of former Knox City resident Shane Lewis of Rush Springs, Oklahoma and Aimee' Zacharias of Yukon, Oklahoma, on Sunday, June 9, 1996.

The bride is the daughter of Pat and Dennis Zacharias of Yukon, Oklahoma. Elaine Lewis and Sterling Lewis, both of Knox City, Texas, are parents of the bridegroom.

The ceremony began at eight o'clock with the tropical rain forest, complete with a 30 foot cascading waterfall, as background. Music played as guests registered and were seated in the garden area. Mothers of the bride and bridegroom escorted the bride and her father across a third floor walkway overlooking the nautral forest and garden area of the wedding site, winding down paths to the second floor level and divided paths. Taking the west path, the mothers entered the ceremony area with lighted candles, placing them

on the table for the unity ceremony and were seated. The minister, the bridegroom and best man entered from behind the waterfall. The matron of honor taking the east path took her place, as the Wedding March began and the bride and her father entered by the east pathway.

Following the giving of the bride in marriage by her father, the taking of vows and the double ring ceremony, vocalist Billy Shaw, cousin to Garth Brooks, sang "Keeper of the Stars" as

Shane and Aimee' lit the unity candle. The minister pronounced "I Give To You, Mr. and Mrs. Shane Lewis", as the bridal party ascended the east pathway.

Officiating was a friend of the couple, Bruce Lewis of Weatherford, Oklahoma, where the couple graduated in 1994 from Southwestern Oklahoma State University.

Matron of honor was Tina Gibney of Brandon, Mississippi; and best man for his brother was Danny Lewis of Knox City.

The matron of honor wore a long fitted formal of navy with white lace bodice and carried an arm bouquet of navy, mauve and white flowers.

The bride wore a formal fitted sleeveless, long gown with a pearl beaded bodice. The train was attached at the hipline by a large bow. Cabbage roses held her fingertip veil and she carried an arm bouquet of navy, mauve and white.

The bridegroom wore a white tux coat with black checker pants, bow tie and vest. The men wore black tuxedos, white shirts and bow ties.

A reception followed in the Crystal Bridge Main Room. The serving table was covered with a white cloth over navy. Crystal appointments were used and punch, nuts and mints were served along with the three tiered wedding cake. The white basketweave cake was divided by white columns with navy, mauve and white flowers between the tiers and crystal bridal couple atop.

Bubbles were blown to the couple as they left from miniature chapel shaped bottles engraved with Shane and Aimee'.

Following a wedding trip to the St. Louis, Missouri, area, the

couple will live in Rush Springs, Oklahoma, where the bridegroom is chemistry and science teacher in Rush Springs High School. The bride is employed by a private firm as psychologist having received her master's degree in May 1996.

A rehearsal was held on Saturday, June 8, at the Crystal Bridge followed with a dinner at the Sizzlin' Sirloin Steakhouse for the couple. The dinner was hosted by the father of the bridegroom, Sterling Lewis of Knox City.

Attending from Knox City were Elaine Lewis, Sterling, Josephine, and Clint Lewis and Tonya Parker, Danny, Amber, Brandon and Grant Lewis, all of Knox City; Aaron Lewis of Hawley, Todd, Missy, Eric and Emily Lewis of Haskell, Patricia and Amy Deering of Abilene, Troy, Shere', Dustin, Bret, Cory, and Nikki Lewis of Lubbock, Justin Lewis of Arlington, Tori Lewis of Littlefield, Neva Elliott of Vernon and Leann, Brandi and Kayla Long of Princeton, Texas.

Benjamin News

By Gladene Green

Wow! Another hot day. Surely is July, isn't it? Before I forget it, I hope everyone has a super July 4 and if you are traveling, do be careful. As always is the case - you may be doing everything right, but that person you are meeting may be all confused.

Again this week, news is a little scarce. Either there's not much going on in people's lives or they "ain't tellin' me"!! Maybe the Fourth of July weekend will be a busy one and I'll have lots to report next week!

UNDERGOES SURGERY

Blaine Conner underwent knee surgery last Tuesday at Methodist Hospital in Lubbock. She was dismissed the same day and came home but will be pretty well "down" for several weeks. Three weeks on crutches for sure. Hopefully, this has corrected her problem and she will be ready for sports and cheerleading when school starts. Blaine is the daughter of Steve Conner and Janet Reed. She will be a freshman in BHS in the fall.

HERE 'N THERE

Dub Cartwright was in Abilene Wednesday for a checkup. He's do-

ing well and if nothing new "pops up" he won't have to go back for three months.

Jo Cartwright and Ruth Ressel visited Jo's aunt in Littlefield last Monday.

Jan and Fred Carver attended the Cactus Growers Ranch picnic at Dumas the weekend of June 21-22. They were met there by Jan's brother and sister-in-law, Dennis and Evelyn Anderson of Miami. Jan returned to Miami with the Andersons and spent the week. On Friday, Sue Oxford of Knox City and Shirley Short of Rochester joined them and they all attended the show "Texas" at Palo Duro Canyon.

Stephanie Conner of Big Spring and Bobby Brannan of Lubbock were here during the weekend for the wedding of Chad Rainwater and Kathy Bufkin. The couple was married Saturday night in the backyard of the home of Hank and Linda Wagner. Hank performed the ceremony. Chad is the son of Max and Mary Rainwater and Kathy's parents are former Benjamin residents, Tommy Joe and Patti Bufkin. The young couple will

live in Benjamin.

Michelle Brown and Sam arrived back in Texas last week after a year's stay in Saudia Arabia. They will be here several months. Sam will be visiting her aunt Simone Sealy and family here and her grandmother Genie Holcomb and great-grandparents Mr. and Mrs. L.C. Guinn in Knox City.

Michelle talked to her husband Mark the day of the bombing in Saudia and he reported a pretty good jolt from the bombing. Said windows were shattered and quite a lot of damage done. However, all things considered they feel very fortunate as it could have been much worse.

Bud Conner and I spent several days in the Fort Worth - Denton area last week. Visited all my "kin" down there and some of his, so had a good time.

Among those from Benjamin attending the wedding of Shana Etheredge and Glen heart near Morton Saturday night were Pam and Rachel Duke, Nancy McGreger and Tacy Condron.

O'Brien Happenings

By Audie Johnston

"Bank Holiday - My husband waited patiently while the woman in front of him struggled with the bank's automated-teller machine.

After several attempts to withdraw cash, she turned to him in disgust. 'Don't bother; it doesn't work,' she said. 'All it says is 'Insufficient funds.' "

HERE AND THERE

Troy and Clara Hanson were in Abilene last week for Troy to have a checkup with doctors there and he got a good report from them.

Johnny and Jo Lippard spent the weekend in Austin helping Johnny's sister, Hazel Taylor, celebrate her birthday.

Junior and Myra Reeves and Arnold and LaRue Reeves of Monday attended the Fandangle

in Albany last week. They enjoyed a good night of programs and fun.

Hazel Emerson's daughter, Janie and husband Harry of Columbia, North Carolina, spent several days with Hazel and Demp last week.

Irby and Johnnie Carlisle vacationed in Laughlin, Nevada, for several days recently and had a very enjoyable trip.

Mutt and Bertie Ivie came home last week after vacationing in several different places in Colorado.

Delbert and Norma Hayes, Vivian Hendrix, Bernice Rowan and I attended another musical in Old Glory Saturday night. This one was all gospel music and there was some great singers and musicians from Burkburnett and

Abilene and a group of singers from Haskell and Rule who perform at care homes in the area.

Monday, Janoma Stephens and Marilyn Talbot took Vivian Hendrix and me to Abilene with them and we all celebrated a belated birthday for Vivian and an early birthday for me. We enjoyed a good meal at the Cotton Patch.

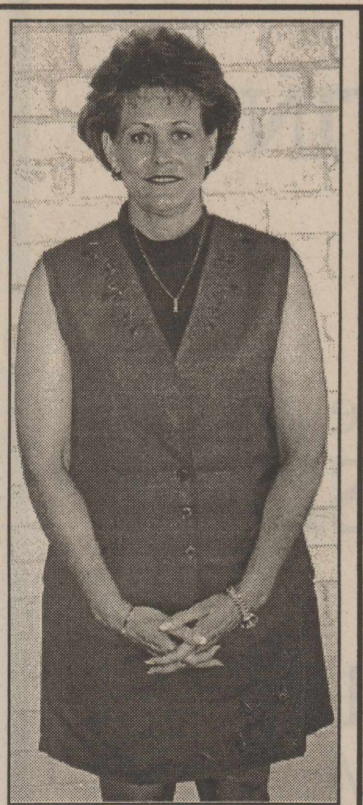

"Weighty Issues - Fed up with trying to lose weight on my own, I contacted the local chapter of a national weight-loss, self-help group. When a woman with a friendly voice came on the phone, I launched into my diet frustrations. Before I could get very far, the woman said, 'Could you hold on a minute, please? I've got to go and wash all this chocolate off my hands.' "

May Police Dept. Report

The Knox City Police Department had another very busy month during May 1996 receiving a total of 432 calls and tasks which required attention. This total included 19 actual criminal offenses, of which 16 were cleared or otherwise handled. Eight charges were filed in regard to the above offenses, with five of the offenses involving juveniles as offenders. The cases involving juveniles were referred to the Juvenile Authorities for further action.

Offenses reported include: Burglary of a Vehicle - 1, Assault - 4, Assault (domestic related) - 2, Criminal Mischief - 4, Sexual Assault - 1, Burglary of a Residence - 2, Criminal Trespass - 2, Disorderly Conduct - 1, Theft - 2, Traffic Charged Filed - 13, Warnings Issued - 33, Accidents - 4.

The Knox City Police Department Reserve Officers contributed a total of 33 hours of duty time to the City of Knox City during the month of May 1996.

Other items reported to the Knox City Police Department during May are classified as incidents. These incidents either did not occur in the City of Knox City or for some other reason were not able to be considered as a criminal offense. However, they must be investigated to determine if a record is to be made for future reference or if the case should be referred to another agency.

Incidents Reported Include: Assault - 1, Seized Property - 1, Harassment - 1, Aggravated Assault - 1.

On May 6th, the new 1996 Crown Victoria patrol vehicle was received through Bill Wilson in Haskell. Myself and Sergeant Walker picked up the vehicle there and transported it to Abilene to have the equipment installed in it. The new vehicle was put in to use on May 15 after insurance coverage was verified.

On May 7th, the Knox City Police Department held its regular monthly meeting. An inventory was done on property seized, confiscated or items that are unclaimed and in the possession of the Knox City Police Department. Numerous items were destroyed, such as suspected drugs, drug paraphernalia, alcohol and other various items.

On May 12th, this department arrested a subject wanted on felony charges out of California. The subject did waive extradition and officers from California did transport him back.

On May 23rd, Officer Harry Steen presented a drug awareness short course to the students of the O'Brien Mid-School. As a part of the course, drug awareness handouts were given to the students.

On May 29th, Sheriff Carlson, Munday Chief Tommy Tejada and I attended the area Drug Task Force meeting in Wichita Falls. Several other members were present and voted to allow one more county into the existing Task Force area.

During the month of May, the 1992 Ford patrol vehicle has visited the mechanic's shop again. Both the fan clutch and thermostat were replaced as the engine regularly tried to overheat. The problem seems to be rectified at this time. Also, two tires were replaced, one had some road hazard adjustment left on it while the other was worn and was replaced by a tire that was obtained by another adjusted tire.

Excerpt from the By-Laws of B-K Electric
Cooperative, Inc.

ARTICLE IV DIRECTORS

SECTION 4.01. NUMBER AND GENERAL POWERS. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

SECTION 4.02. QUALIFICATIONS. No member shall be eligible to become a director or to hold any position of trust in the Cooperative who is not a member receiving service from the Cooperative at his primary residential abode in the area served by the Cooperative, or is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative, and no person shall take or hold office as a director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid. When a membership is held jointly by a husband and wife, either one, but not both may be elected as director, provided however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Cooperative unless both shall meet the qualifications herein above set forth. Any director who shall miss three (3) Board of Directors' meetings in a row, without an excuse duly accepted and noted by the Board, shall lack eligibility to further serve and it shall be the duty of the Board of Directors to remove him from the Board. No former employee whose employment has been terminated by the Cooperative may be eligible to serve as director. Any employee who resigns or retires from employment by the Cooperative shall not be eligible to serve as a director for a period of ten (10) years following such resignation or retirement. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In the event an incumbent director, having served on the Board of Directors a minimum of six years, ceases to meet the requirement of receiving service from the Cooperative at his primary residential abode, such incumbent director shall nevertheless be qualified to continue to serve as director so long as he remains a member of the Cooperative and his primary residential abode is located within the area served by the Cooperative, or in close proximity thereto.

SECTION 4.03. ELECTION. At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons; provided however, that when the number of nominees does not exceed the number of directors to be elected, and if there is no objection, secret written balloting may be dispensed with and voting may be conducted in any other proper manner. Directors shall be elected by a plurality of the votes cast unless the members in advance of any balloting resolve that a majority of the votes cast shall be required to elect, and this Bylaw provision shall be drawn to the attention of the members and explained to them prior to any balloting. Drawing by lot shall resolve, where necessary, any tie vote.
