'School-Wide' Spirit Rally & Hamburger Feed Scheduled For 7:00 P.M. Thursday At Football Field

By
Dave Thompson

Anyone and everyone interested in building school wide spirit is invited to a community 'Spirit Rally' that has been scheduled for this Thursday evening at Greyhound Stadium here in Knox City. Set to begin at 7:00 p.m., the rally will feature speakers, music, and a hamburger feed. Open to everyone in the community, the school cordially invites all students, parents, families, business people, local organizations, and anyone else interested in building a new sense of pride and community support in all our local school programs. School officials and interested parents want the opportunity to show our students that there is support and interest behind their endeavors to represent their school and community. Whether it be football, volleyball, band, basketball, track, FFA, pep club, FHA, student council, Beta Club, or any other activities that our students might be involved in, the message is plain and simple: the students need the commitment and support of everyone in the community.

This is a valuable opportunity for the entire community to come together for a special cause: concern in our youth and in our school system. Everyone is encouraged to mark out the date on their calendar and plan to attend this school-wide spirit rally. There are those in our community who are quick to point the finger of blame, no matter what the situation. This is an important opportunity to become involved and show the youth of our community that we are behind them. If you read this and just shrug it off, point the finger of blame at yourself the next time you want to complain about something. Those who choose not to be involved will also be making a strong statement to the next generation of leaders that are currently students in our schools.

I encourage each and every resident of Knox City and O'Brien who is reading this to come out to this rally. It doesn't make any difference if you have kids in school or not, this is your chance to show support for all the youth of our communities. *Think about it, don't blow this opportunity. Be there!* You can bet that our youth will be looking to see who cares enough to be present.

NEW CITY ADMINISTRATOR Robert Patrick, (shown at right), was photographed a few weeks ago while he was 'down in a hole' with the city maintenance crew while helping to repair a water main break. New to Knox City, Patrick has been receiving favorable comments from many who have encountered him in his official capacity as City Administrator. Looking on at left is City Councilman Carol Felts. State Representative David Counts Of Knox City Receives Two Valuable Re-election Endorsements

During the first few days of this week, two releases mailed to *The Knox County News* announced the endorsement of Knox City's own David Counts in his bid for re-election to the Texas House as Representative for District 70.

The first of the endorsements came from the Texas Far, Bureau's (AGFUND), or Friends of Agriculture Fund. This endorsement points out how valuable David Counts is to the agriculture industry so widespread throughout his district.

The second endorsement of Rep. Counts came from Richard F. Reynolds, a former Republican State Representative, and current Chair of the Texas Workers Compensation Insurance Fund. Mr. Reynolds has had the opportunity to work with David Counts, and even though he is a former republican representative, he is endorsing Counts, who is a Democrat. Both endorsements are reprinted here in their entirety:

FOR IMMEDIATE RELEASE: WACO - The Texas Farm Bureau Friends of Agriculture (AGFUND), Inc., has endorsed the re-election bid of David Counts (D-Knox City) as State Representative from District 70.

According to Bob Stallman, president of AGFUND and Texas Farm Bureau, Counts showed he was a true friend of agriculture and rural Texans during the 74th Legislative Session as he compiled an 88 percent friendly voting record on issues important to the state's largest general farm organization.

"Texas agriculture is solid in its support to re-elect David Counts to the Texas House," Stallman said. "He has shown the unique ability to provide a proper balance between rural and urban interests in House District 70."

A five-term legislator, Counts has been chairman of the House Natural Resources Committee; a member of the House Insurance Committee; a member of the Research and Oversight Council on Worker's Compensation; member of the House Select Committee on Military and Veterans Affairs; a member of the National Conference of State Legislatures' Science, Energy and Environmental Resources Committee; and a member of the Energy Council.

Besides growing cotton, milo and wheat on his farms in Knox and Haskell counties, Counts is founder of Knox County Insurance and Real Estate and is vice president and director of Rolling Plains Well Service, an oilfield service company.

AGFUND is TFB's political action fund. It is a legal entity separate from the Texas Farm Bureau and may endorse and contribute financially to political candidates. AGFUND is funded only by voluntary contributions from TFB members

FOR IMMEDIATE RELEASE: AUSTIN - I have had the privilege and honor of working with Rep. David Counts for the past eight years and I want to let the voters of West Texas know how important his re-election is to all Texans.

As a former Republican member of the Texas House, I can speak first hand about the need for fairness, good judgment and bipartisan cooperation in a large and diverse legislative body. David has demonstrated all these qualities in serving as your State Representative.

As Chairman of the Committee on Natural Resources, David has served as a good steward of our environment - while also carefully balancing the needs of business- that earn their living from the land. His leadership qualities are well known to Democrats and Republicans alike.

Very few members of the House are so well liked and respected by members of both political parties. The time and effort that David puts into this job goes well beyond what is required. West Texans have been very fortunate in having David on the job in Austin.

While I've never been one to tell my fellow Texans how to vote, I can honestly say that if I was fortunate enough to live in your area, I would cast my vote for David Counts for State Representative. I hope Independents, Republicans and Democrats will do the same on Tuesday, November 5th.

Sincerely,
Richard F. Reynolds former Republican State Representative
Current Chair, Texas Workers Compensation Insurance Commission

HITTING HARD AGAINST THE BENJAMIN LADY STANGS, Houndette Stefani Stephens is shown here as she pounds the ball back to Benjamin during a volleyball game here in Knox City last week. Despite a good effort, Knox City was defeated by Benjamin. Other Houndettes on the court are Melissa Barnard (22), Kim Grimsley (12), and Michelle Collier (44). Houndettes shown in the background taking a breather on the bench are (left to right) Sara Dillon, Tonya Parker, Audra Dale, Erin Lierly, and coaches Dala Young and Kent De Ville. (NEWS Photo)

RUNNING BEHIND GOOD BLOCKS by Matt Lowe (61) and Chris Garza (85), Marcus Kimmel is shown here carrying the ball in the game against Hamlin last week in O'Brien. Jay Sandusky (62) is shown blocking a Hamlin player in the right side of the photo. (NEWS Photo)

WHERE IS THE FOOTBALL GOING? Actually, this photo from the O'Brien football game against Hamlin shows O'Brien quarterback Nefro Gonzales (10) preparing to punt the ball away while Justin Vasquez (20) blocks off a Hamlin player while another Hamlin player has just turned the corner and goes for Nefro. (NEWS Photo)

JUST HOW FAR WILL A JERSEY STRETCH? That seems to be the question here as a Hamlin defensive player grabs a handful of jersey while trying to bring down O'Brien Bulldog Marcus Kimmel (23) last week in O'Brien. (NEWS Photo)

* Thank you! Thank you! Thank you, to all of the moms and dads who have pledged cakes, cookies or cupcakes for the Cake Walk at the Fall Festival which will be held October 26 from 4:00 to 8:00 in the high school gym.

* We appreciate all donations and anyone who would like to help can bring their Cake Walk item to the Elementary School on Friday or the Gym on Saturday.

* Parents, your children are thrilled when you participate in school activities. Contact your child's teacher if you have not already done so, and find out how and when you can help during the festival.

* Parent attendance at Parent / Teacher Conferences was the highest average attendance we have ever had. Our school can't help but continue to improve with as much support as you are giving the school.

* Parent night at the elementary school will be in November. All parents will be invited to attend and observe students in actual classroom setting while teachers teach.

* All school holiday, October

28.

* New study shows that children who ate breakfast one hour before a test scored better than children who ate two hours before the test. No facts were given about long term memory learning, only for recall of material. We will definitely snack before TAAS and Achievement Tests!

* Kindergarten, first and second graders have completed a study of 911. Parents, ask your child when, why, and how they should call 911 if an emergency arises.

* Networking of our Computer Lab has made a tremendous difference in the amount and quality of instruction.

* K-4th students are learning keyboarding skills in the Computer Lab. Third and fourth will soon begin to learn about Word Processing and Spreadsheets.

* Firemen visited our campus during Fire Prevention Week and gave instructions on how to prevent fires and what to do if a fire starts.

Our goal is to give your children the best education possible. Your support gives us the confidence to do that.

Sheep, Goat Validation Set For October 23

By **PAUL WEISER**

County Extension Agent - Ag

Last year, the State of Texas implemented a statewide show lamb validation. This process includes an ear tag, tattoo and nose print. All lambs to be shown at the Knox County Junior Livestock Show and any major show in the spring of 1997, Fort Worth, San Antonio, Houston, San Angelo, must be state validated in October.

All lambs must be validated on the same day at one location. This year, the validation will be at the Brazos Valley Young Farmers Building in Munday on Wednesday, October 23, beginning at 4:30 p.m.

There is some paperwork to be completed at the time of validation. This form requires the signature of the exhibitor(s). Because of this, it would be great if all exhibitors can attend if only long enough to sign the paperwork.

For those families showing goats at the 1997 Knox County Junior Livestock Show, please bring your goats to this validation. Goats for the county show will be validated during the lamb validation.

This goat validation will only require an ear tag and very little paperwork. It should not take very long to complete this process.

The validation committee will remain on location until 7:00 p.m. or until all animals present are validated. If there are any questions call the extension office at 817-454-2651 or call the local ag science instructor.

A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

In a fitness study, 40 residents of California nursing facilities were able to increase stamina by participating in a 5 month walking program. 1/3 of participants increased the distance by 200%.

Horse Salve Eases Arthritis Pain

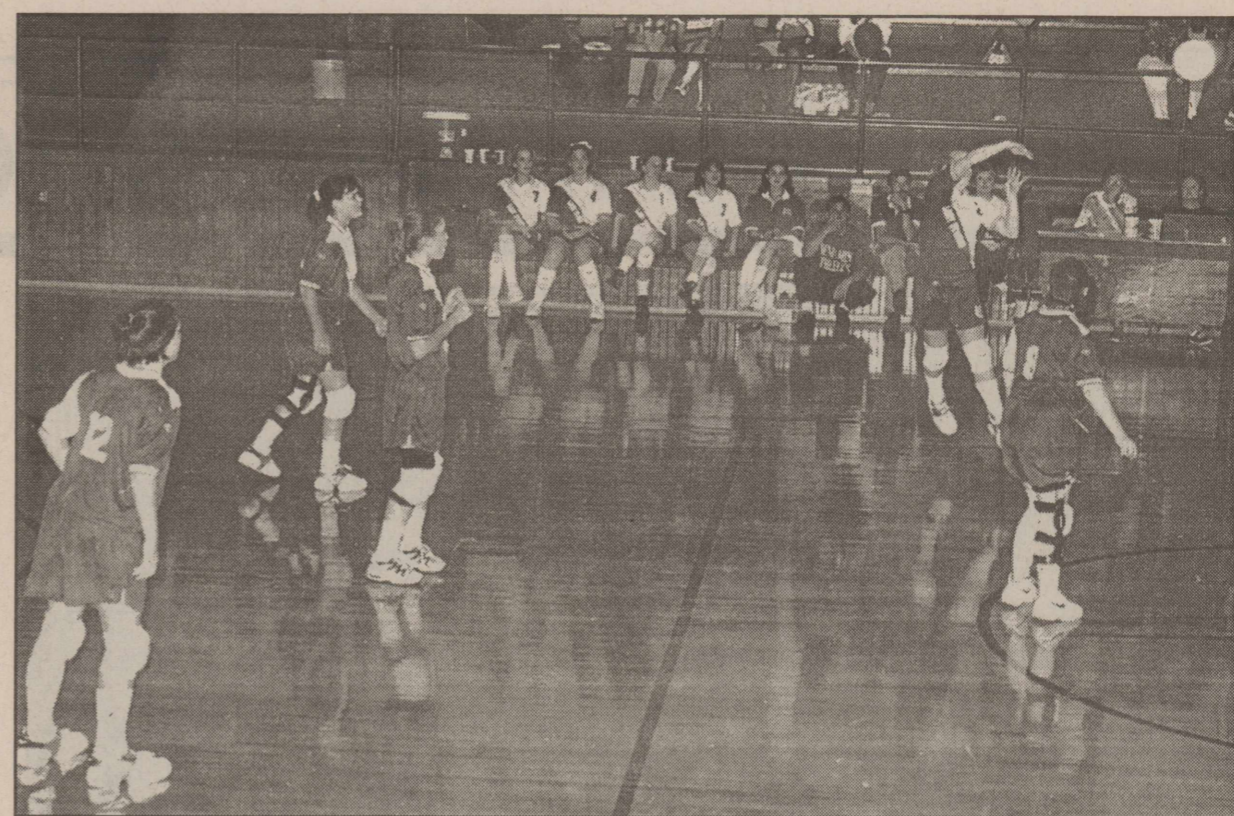

LOUISVILLE, KY -- An ingredient derived from hot peppers that decreases inflammation in racehorse's legs, has now been approved by government researchers for human use. The ingredient has been formulated into a product called ARTH-Rx[®]. ARTH-Rx comes in a strength designed for humans. Researchers are excited and say the formula can relieve arthritis pain for millions.

Developed by the Phillips Gulf Corporation, ARTH-Rx is a breakthrough in the treatment of painful disorders ranging from minor aches and pains to more serious conditions such as arthritis, bursitis, rheumatism, tendonitis, backache and more.

Although the mechanism by which ARTH-Rx works to relieve pain is not totally clear, scientists suggest that pain is relieved because ARTH-Rx intercepts the messenger substance that sends pain signals to the brain.

ARTH-Rx is available in a convenient roll-on applicator without a prescription. According to a spokesperson for the company, due to the overwhelming demand for ARTH-Rx, supplies are sometimes limited. ARTH-Rx can also be ordered by calling 1-800-729-8446.

ARTH-Rx is available locally at:

Benjamin News

By Gladene Green, Benjamin Correspondent

Well, quite a lot happened this past week, since I last wrote the "news". The Yankees are back in the World Series, the Cowboys finally won two in a row and Madonna has her little one. Now, I ask you - what could be more newsworthy than those events!! That's TV news - and there are some happenings around here.

REGARDING OUR ILL

Bud Clower and family returned home Saturday from another trip to Houston. He is feeling better in some respects and not so well in others. But keeps his spirits pretty high and doesn't give up. Maybe next week he will be able to give us a better report. As always, I urge you to keep Bud and his family in your prayers daily.

Leroy West has had a little problem to develop regarding his dialysis treatment but hopefully it can be corrected without too much trouble.

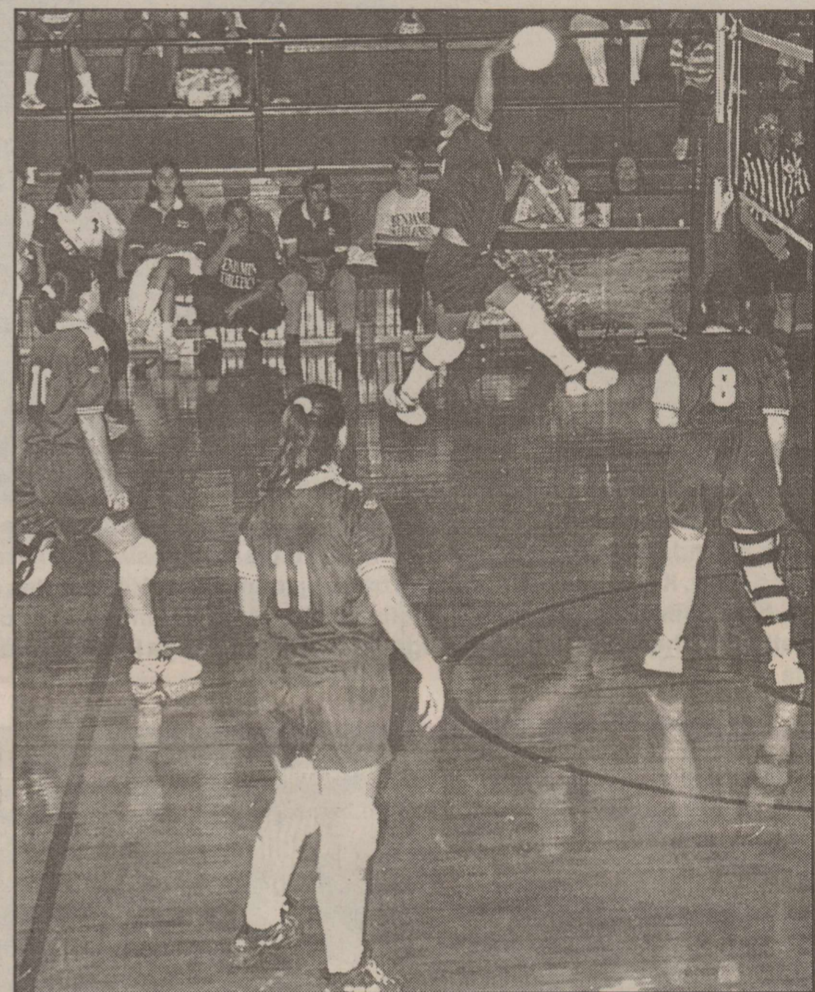

Omitene Barnett finally got the cast off that foot she broke several weeks ago. Said it still bothers her and she will begin therapy on it in a few days to help strengthen it and get it back to normal usage. She's able to get around pretty well with the help of a walker.

Don Ervin continues frequent trips to the doctor. His problem being his heart. He is unable to do anything that requires much exertion so his daily activities are very limited. He had bypass surgery a few years ago but this new problem can't be corrected by surgery so he just has to live with it.

W.T. Cartwright told me his sister Laverne is not doing very well. She seems to be "going down" more every time he visits her. Just doesn't want to eat and her quality of life is not good. They, too, like all those with problems need our prayers.

Extend sympathy to the family of former resident J.D. Brown. J.D. passed away Thursday in Wichita Falls after failing health for several years. Funeral was here Saturday at the Church of Christ.

SPORTS NEWS

barely beating Knox City two out of three games. The margin - only two points. The Lady Stangs lost the first one but came back and beat the next two. Lots of local fans made the 12 mile trip to see the game. The girls remain undefeated in district play.

In football, the Mustangs suffered another defeat at the hand of the Jayton team Friday night. This was the first district game. Being against some pretty good teams in the district, the local boys have their work cut out for them but we know they will be in there giving their best and we wish them well for the rest of the season.

HERE 'N THERE
Dorothy Spikes and her sister, Dean Henderson of Kerrville, attended a school reunion of "sorts" last weekend at Archer City. They only attended school there a couple

of years when they were youngsters and somehow those in Dorothy's class located her and invited them to the get-together so they went and enjoyed it. Saw several they knew and did some visiting around Archer City.

Tommy Latimer and Betty Mancille of San Antonio visited Jonnie Williams and Mary Bohannon during the weekend. They also visited other friends and relatives in the area.

Billy and Penny Trainham of Lubbock visited the Charles Jones on Saturday morning. Saturday afternoon, Charles and Joy attended the second birthday party of their granddaughter Tiffany at her home in Vernon. Tiffany and her brothers, Chase and Dwayne came home with their grandparents for the remainder of the weekend.

Billy and Kim Moore and girls of Spur were Benjamin visitors Sunday and Monday.

Daisy Roberts of Mesquite was a weekend guest of Stanton and Shari Brown. Her mom returned to Mesquite with her after several weeks stay here.

Richard, Debbie and Megan Goforth of Fort Worth visited her family, Doris and Sonny Bufkin, Mike and Lori Bufkin and family and Michelle Brown and family recently.

Betty Bohannon, Bonnie Bohannon and Taylor spent the weekend in Perryton and Borger.

Katrine King and Lynda Brooke Pagel of Killeen were weekend visitors in Benjamin. Katrine attended the O'Brien Homecoming.

Dickie Lloyd returned home last week from a visit with her son in Louisville, Kentucky. She also visited "kids and grandkids" in the Dallas area before returning home.
