## Bradley Burkett nominated for award

Bradley Burkett, a senior at Guthrie High School, has been nominated for the 1996-97 Servistar Coast to Coast All-American Vocation Student Award.

The All-American Vocational Student Awards are a critical component of Servistar Coast to Coast's commitment to support and promote vocation education in the United States. These awards focus national attention on outstanding high school students who have demonstrated excellence in those educational courses which will assist them in their personal

career development.

In recognizing and honoring these students, the All-American Vocational Student Awards program also promotes vocational education as a significant educational pursuit, which is growing even more important in the preparation of our nation's workforce of tomorrow.

The All-American Vocational Student Awards are given on a local, state and national level. At each step, the process will attempt to identify outstanding students in the areas of vocational skills, overall academic performance,

school-community service and activities and leadership qualities.

Bradley was nominated by his high school counselor. He will receive a certificate of recognition, sponsored by General Electric, and a \$100 U.S. Savings Bond from Servistar Coast to Coast, and will automatically advance to the state competition. Each state winner will receive a \$500 U.S. Savings Bond, and the national winner will receive a \$1,000 U.S. Savings Bond and a trip to Baltimore, MD and Washington, D.C.

## Benjamin First Baptist Church hosting gospel quartet Sunday morning at 11:00

The Variations, a gospel quartet from the Wichita Falls area, will be presenting a program of gospel music at the First Baptist Church in Benjamin on Sunday, November 24, at 11:00 a.m.

This quartet, deriving its name from the variety of music selected and harmonies represented, bring together a unique blend of the heritage of its four members combining gospel, country, pop, classical and barbershop to create a

style of its own.

The dictionary defines variation as change, deviation or modification. The quartet indeed represents the dictionary definition.

For audience appeal such old favorites as *Have a Little Talk with Jesus* and *Amazing Grace* are performed with such current selections as *Somebody Prayed for Me* and *Step Into the Water, Temporary Home* and *I've Got a Feeling*. *The Lighthouse*, *Love*

*Grew Where the Blood Fell* and *I'm Gonna Walk Dem Golden Stairs* are sung to emphasize relationships with the Savior. Some songs such as *Excuses*, *Deacon Brown* and *Belshazzar* will be used for comedy, but the message rings clear.

All in all, the music of the Variations gospel quartet will capture one's attention and lead them to an experience of worship through music.

## Judy Perdue attends scout convention

47th national convention of Girl Scout organization

Judy Perdue attended the Girl Scout National Council and 47th Convention, "Girl Scouts, Partners for Tomorrow", held in Fort Worth, October 11-14. As third vice-president of the NorCenTex Girl Scout Council, Mrs. Perdue attended as the national voting delegate for the Council.

Over 9,400 people attended the national triennial event held at the Fort Worth Convention Center. During the five day event, the delegates heard addresses from such prestigious speakers as Marion Wright Edelman, Presi-

dent of the Children's Defense Fund; Dr. Sandra Thomas, President, Converse College; Bonnie Blair, Olympic gold medal winner; Wilhelmina C. Holladay, Chairman of the Board and Founder of the National Museum of Women in the Arts; and Regina Montoya, National President of Girls Incorporated.

Nine national proposals were presented to the delegates for approval, including changing the wording of the Girl Scout Law. After long debate, the delegation voted to pass the proposal to

change the Law. Although much of the wording remains the same, the new Law brings the message of what Girl Scouts is all about into the 90s, teaching young girls that they are to respect authority, respect themselves and others and make the world a better place.

Girl Scouting is a world-wide organization, whose purpose is to inspire girls with the highest ideals of character, conduct, patriotism and service, that they may become happy and resourceful citizens. There are over 3,500,000 Girl Scouts worldwide.

### Changes noticeable at KC High School

By Mack Lowe, Knox City High School Principal

As I was getting prepared for this week at school, I glanced at the calendar and realized that Thanksgiving is upon us. It's been a quick three and half months!

During that short time, we are beginning to see some good changes take place in the attitudes and atmosphere at the High School. We had a very spirited contest for decorating the halls for Homecoming week. The students and many of the parents got excited about showing Pride in OUR school. That pride in the school and a sense of unity is essential to us accomplishing the goals we have for Knox City High School.

We're entering one of the busiest times of the year at the High School and it will be very important for you as parent/guardian to keep up with what your children are involved in. As always, our students' academics are our first priority, but it is very easy for students to get so involved with extracurricular activities that they get behind in their classroom work. We will be checking each class on Fridays and mailing home reports on any child that falls below a 72 in their class work.

Basketball season is under way and we encourage you to support our students. We need your help, as parent/guardian, at the ball games. As you know, the front foyer and concession area of the gym is pretty small and can become very congested. Please instruct your children not to congregate in that area. Also, students at the ball games will not be allowed to run in and out of the building or congregate outside, on school grounds, during the games. These changes will make the ball games more enjoyable for all of us.

*I hope you have a GREAT THANKSGIVING! If you travel, wear your seat belts!*

### County folk enjoy Munday game night

Seven persons from the Knox County Aging Center joined the Munday group to help with their game night. The first game night in Munday was quite successful, according to Penny Winchester, Knox County Aging Services site manager.

Forty-two persons gathered at

the Perry Patton Community Center for a night of food, fun and games. Frances Cypert organized this special treat for senior citizens in Knox County.

Those that missed the first game night will be able to attend the next one in Munday on Tuesday night, December 3. Knox City

game nights are every Thursday night in the Knox County Aging Services Center.

In Knox City and Munday, the evening begins at 5:30 p.m. with a pot luck supper. Participants are asked to bring a favorite food, a game and friends. Senior citizens and their guests are welcome.

### Bea Ellis's granddaughter is congressional intern

Washington -- U.S. Representative Henry Bonilla (R-Texas-23) announced that Ozona resident Julie Childress is completing an agriculture internship in his Washington, D.C. office.

"I am delighted that Julie is helping out in my Washington office," Bonilla said. "She is a good student and her experience in agriculture makes her ideal for this internship."

Childress began her internship in September and will continue with Bonilla through the fall. She will concentrate on assisting Bonilla and his staff on agriculture issues.

Childress, a senior at Texas A&M University, is participating in the agriculture department's internship program. She is working towards a bachelors degree in agriculture development.

Childress comes from a ranching background. Her family has raised sheep and goats for more than three generations.

"Julie's background in farming and ranching will be a tremendous help to my team," Bonilla Said. "She knows the sheep and goat industry firsthand and what it's like to deal with federal government on insurance and regulatory matters."

In addition to being a student, rancher, farmer and congressional intern, Childress is a member of the Texas A&M Deans List, the Alpha Zeta Agricultural Honor Club, and Pi Beta Phi Fraternity. Also, in 1995 Childress was a member of the Texas A&M wool and mohair Judging Team and placed third in individual competition at the Houston Livestock Show and Rodeo Mohair Contest.

Julie is the daughter of Sandra and Pleas Childress of Ozona and the granddaughter of Mrs. Grady (Bea) Ellis of O'Brien.

## Houndettes' Hoop News

The Knox City Houndettes started off their 1996-97 basketball season on the right foot as they won two of their three scrimmages and two of their first three regular season games.

The Houndettes traveled to Rule this past weekend and brought home the consolation trophy from the Rule Invitational Tournament. The Houndettes fell short to Rule in the first game, 31-50. Stefani Stephens led the scoring with 13 points followed by Sara Dillon with seven points. The Houndettes then faced Aspermont JV and defeated the Lady Hornets 55-39. Melissa Barnard was high point with 15 and Sara Sillon added 13. Knox

City defeated Lueders-Avoca in the consolation game, 37-31. Audra Dale poured in 15 points and Sara Dillon had eight.

"I was pleased with our performance this past weekend. The team has been working really hard and we are improving in certain areas each game," Coach Dala Young said. "We are excited about our wins and we are looking forward to a great season."

The Houndettes game against Chillicothe scheduled for Friday has been cancelled due to Chillicothe being in the football playoffs. The Houndettes will return to action Tuesday, November 26, as they host Rochester. Game time is set for 6:30.

## Rites Are Held Here For Former Resident, Annie Mae Morgan, 96

Annie Mae Morgan, age 96, died Thursday, November 14, at her home in Waco.

She was born to a Texas pioneer couple, Mr. and Mrs. W.T. Freeman on February 8, 1900, in Vernon. In 1911, she and her family moved to the Gillespie community in Knox County. Annie married Joshua Carl Morgan, a farmer in the Sunset/Gillespie community, in 1933. He preceded her in death in 1971.

Annie was ahead of her time and a remarkable woman of her generation. Second to her love for her family, was Annie's passion for education and teaching school. She began her teaching career in the Red Top community near Munday.

After her marriage and birth of her two children, Annie, a farmer's wife and a mother, continued her career and pursued for college degree. She graduated with a bachelor's degree in education from West Texas State College in Canyon by taking correspondence courses and attending school during the summers at Baylor in Belton, Sul Ross in Alpine and North Texas State Teachers College in Denton. Annie went on to teach in the Sunset, Munday, Knox City and O'Brien school districts. She affected many lives, as many as three generations, during her 40-year teaching career in the Knox and Haskell County schools. She retired in 1972.

In 1979, Annie moved to Dallas to be near her daughter. She lived there until 1987 when she moved to Waco to be near her son.

During her retirement and up until age 95, Annie continued her hobby of quilting. She was a member of the Baptist Church.

Survivors include a son, Jimmy Morgan of Waco; a daughter, Carlene Gribble of Dallas; four grandchildren, Teresa Danforth of Dripping Springs; Greg Morgan of Tijeras, New Mexico; Jerry Gribble II of Arlington; and Capt. David Gribble of San Diego, California; two great-grandsons, Zane Morgan and Colton Danforth; and two great-granddaughters, Olivia Morgan and Morgan Gribble.

Services will be held at 10:00 a.m. on Monday, November 18, at the First Baptist Church in Knox City, with her nephew, Rev. Rodney Compton, officiating.

Pallbearers were nephews Claude Freeman, Gale Freeman and Gerald Freeman and grandsons, Greg Morgan, Jerry Gribble II and David Gribble.

Burial was in the Johnson Memorial Cemetery in Munday.

## Benjamin News

By Gladene Green, Benjamin Correspondent

News is in short supply this week. Guess most folks are saving their visiting for the upcoming holidays.

We extend sympathy to the family of W.T. Ward this week. W.T. died Thursday in a hospital near his home in Pueblo, Colorado. His funeral was here on Sunday. He was a longtime Benjamin resident moving to Colorado in the early 50's.

In school news, we are "gearing up" for a basketball season. The junior high started tonight (Monday) with games against Guthrie and high school also gets started this week. We look forward to a good bunch of roundball games.

Volleyball ended Tuesday night when we traveled to Paducah to see a playoff game between Benjamin and Fort Elliott. The "others" won two out of three games (we won the second one) thus ending a very good

volleyball year. Congratulations girls and coaches Josselet and Kuehler. HERE 'N THERE

Debbie Neil and family of Watagua and Jimmy Melton of Sulphur Springs were here Sunday for the funeral of their uncle, W.T. Ward.

Charles Hertel and Ruby White of Midland are here for a few days to visit with his mom, Nora Hertel, in the Munday Nursing Home.

Jimmy Barrientez and Michelle Conner of Lubbock spent the weekend with homefolks. Jim's mom, Reyes, continues to improve since her recent angioplasty.

Bobbie Goodwin of Earth visited in the Roger Bohannon home on Sunday.

Word was received here last week that former resident Annie Brown who now lives in Wichita Falls fell and broke her hip and was to undergo

surgery on Thursday. No late word on her condition but maybe I'll learn something before my next writing. A speedy recovery wish is sent to Annie.

W.T. and Jo Cartwright were in Abilene Saturday to visit his sister, Laverne. They report Laverne to be doing better. She had been having some pretty difficult days but seemed much improved on Saturday.

Deann Lamb was in Wichita Falls the first of last week to see her doctor for a regular checkup.

Charles and Joy Jones and Bud Conner and I attended a concert in Wichita Falls Saturday night. Four groups, Jeff and Sheri Easter, The Bishops, The Hoppers and The Kingmen presented four hours of great gospel music. The Ronnie White family also attended the concert.

Louise Hall of Vernon was a recent Benjamin visitor.
