## Child Welfare Board Members Retire

RETIRING FROM SERVICE ON THE KNOX COUNTY CHILD WELFARE BOARD, these outgoing members gathered at the NEWS office last week for a photo session. Shown from left to right are Steve Pepper from Knox City, Judy Lowe from Munday, Judy Perdue from Knox City, and Steve Pepper from Benjamin. The four members had a combined total of over 16 years service on the board and their efforts have made the program here in Knox County very successful. Judy Perdue and Jessie Roberts each served six years on the board, Judy Lowe served for five years and Steve Pepper for one year. The outgoing members were replaced by Linda Beck of Goree, Margaret Hill of Munday, Sequoyah Reynolds and Kim Clonts, both of Knox City. (NEWS Photo)

## 'Heritage House' restaurant in Munday provides unique dining atmosphere

They have only known each other for a little over one year but already they are close friends and business partners.

Cynthia White, a resident of Munday for 2 years, and Tamara Weeks, a Munday resident for only one year, have recently opened a unique and creative restaurant and bed and breakfast in this small town that they both now call home.

It was in December of 1995 when Tamara's husband, John, was hired as the new City Manager in Munday and one of the first people that they met was Cynthia White - editor of the newspaper, The Munday Courier. The two families were immediately drawn together due to their two six year old sons becoming almost inseparable best-friends.

"Our boys wanted to play together every spare minute of the day so Tamara and I were always shuffling kids from one house to another or on the phone with each other making play date arrangements," remarked Cynthia.

It wasn't long before the two ladies realized that they had much

in common with each other. "Not only were we new in town and had no other relatives on hand, but we also learned that we shared many of the same interests and had similar backgrounds," said Tamara. "We have both lived in Europe for several years and we were both professional musicians in the past," she further explained. Both ladies have been members of various musical groups - entertaining in Florida, California, Santa Fe, Alaska, and all over the east coast. They still enjoy getting together with local musicians in Munday and playing a few tunes.

Both ladies had also been licensed real estate agents in the past and had business backgrounds so it wasn't long before the twosome was making plans to open a business of their own.

After a rather brief but excited conversation they also realized that they had a similar vision for a business opportunity in Munday. They each expressed the idea of opening a restaurant where area folks could come and enjoy a quality meal in a unique setting

and atmosphere. "We learned right away that the people in our area are the nicest people in the world. They accepted us as their own without hesitation. Knowing that they would enjoy a nice place to go and take their friends and family we set out to find just the spot where they would feel at home and be able to enjoy a good meal," explains Cynthia.

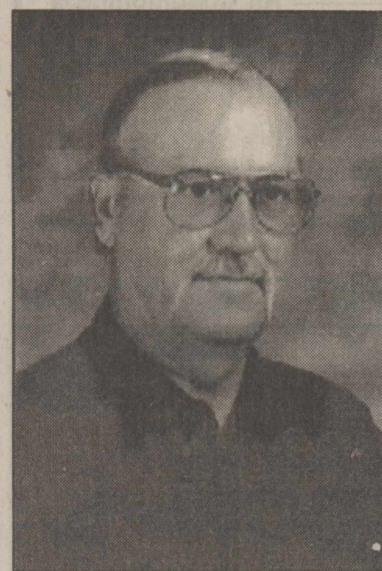

After acquiring a large older home in Munday where they would locate their planned restaurant and bed and breakfast they soon realized they were able to handle paint brushes, saws, hammers and an assortment of other tools - managing most of the renovations themselves. "Tamara can do just about anything she puts her mind to," admits Cynthia, "and even though I'm not quite as good at maneuvering electric tools I found out I'm fair with a paint brush."

Two short months after purchasing the property the restaurant was ready to open - looking quite fine with it's new coats of paint and polished to a shine.

## Three Knox City teachers named to prestigious 1996 Who's Who Directory

(Lake Forest, IL.) Three teachers from the Knox City - O'Brien CISD, Renella Watson, Pat Risinger, and Kent DeVille, were among a select group of teachers honored by their toughest critics..... their former students, in the fourth edition of *Who's Who Among American Teachers*, 1996 edition.

All of the 120,000 teachers being honored nationwide were selected by their former students who themselves are currently listed in *Who's Who Among American High School Students*, or *The National Dean's List*, publications which recognize 5% of our nation's high school and college students, respectively. Paul

Krouse, publisher of *Who's Who Among Teachers* said, "there is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication, we clearly have the best teachers in America selected by the best students."

The students were requested to nominate teachers who made a difference in their lives by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom, and many praised their

teachers for their ability to relate to youngsters on a personal as well as professional level.

Mrs. Watson teaches Language Arts (*English*) and Computer Science at Knox City High School, Risinger teaches Language Arts (*English*) at Knox City High School, and DeVille teaches Science and is also a physical education teacher and girls athletics coach at O'Brien Mid School.

Two other teachers named for the 1996 school year, but no longer teaching in the Knox City-O'Brien CISD were former Head Football Coach and AD Wayne Johnson and Band Director Ray Weaver. Both moved to new teaching jobs at the end of the 1996 school year.

## Board hires high school math teacher

Two key personnel items dominated the January 21 regular monthly meeting of the Knox City-O'Brien CISD Board of Trustees.

Buddy Reasor was hired as a mathematics instructor for the spring semester of the 1996-97 school year and the contract of Superintendent Louis Baty was extended through the 1998-99 school year by unanimous vote of

the board.

Reasor graduated from Midwestern State University in December 1996. He completed his student teaching at Wichita Falls High School in geometry and physical education.

The board and Supt. Baty conducted the annual Superintendent Appraisal. Supt. Baty was given high marks for his leadership of the district.

Among other matters, the board voted to retain the accounting firm of James E. Rodgers & Co., of Hamlin as auditors for the 1996-97 fiscal year.

The date for the next school board election was set for May 3, 1997.

Monthly bills were approved for payment.

Next regular monthly meeting of the board is February 18.

## Knox City Elementary News

By **Maribeth Williams, Principal**

Some good things have been happening at KC Elementary.

Our Library Day for next year's Pre-Kindergarten students is really fun for all. Last week, the children heard the story about a big red dog who got too large to handle. They made headbands with a picture of the dog and got to color it. They sang songs about dogs and talked about words to describe dogs and what dogs do and how they sound. I think it is as much fun for the parents and me to watch as it is for the boys and girls to participate.

Last week's *Knox County News* had a picture of all of our local winners in the Soil Conservation Poster Contest. The posters from those winners are then judged with all the winners from the other schools in the county. Randy Espinosa, who is in Kim Kuehler's fourth grade classroom, won second place in the county contest. Randy, his parents, Mrs. Kuehler, and I will be invited to a dinner to honor the three county winners, sponsored by the Soil and Water Conservation District. Randy will,

also, receive a cash prize. His poster will now be entered in the area contest. Our students enjoy entering this contest each year, and we have had at least one county winner for the past three years.

The UIL Contest will be held in Rotan this year. Second, third and fourth graders participate. Last year, we won the 1st place plaque for the elementary division. The students and teachers are working hard to do that again this year.

The second annual Baked Potato Supper will be held on Friday, February 7, from 5:00 to 7:00. We will serve potatoes with all the trimmings plus salad and dessert. We have a new plan for serving this year so you will not have to wait in line so long as you did last year. The proceeds will go toward a new slide for the primary playground. You may get a take-out plate, but we do not deliver. If no one has contacted you to buy a ticket, call me at the school 658-3147, and I will see that you get one.

All of us at Knox City Elementary appreciate the community support that you give us. Our local merchants always support us when we come a-beggin and the people of the community show support by attending our functions providing information that we may need, gifts of books, speaking to classes, and many other things.

Our parents are one of our biggest assets. We are thankful for the support they show for our teachers and our activities. Thanks to all of you.

## Letter to the editor

Dear Editor,

A few months ago I subscribed to your paper. I really enjoy reading it. I don't know why I didn't do it years ago.

My family moved to Knox City just after the stock market crash in 1929 - I was 7 years old. We lived just west of town on Henry Lightfoot's place. I went to school in Knox City 2 or 3 years, then we moved out 5 miles NW of town, on J.B. Scott's place. I went to Sunset School for awhile, and then had to go to work.

I knew a lot of people in Knox County. To name a few: J.B. Scott, several of them; J.B. Howell, R. B. & Mary; the Pauls, Grady & Irvin; the Malones, Vance, Walter, Vivian; the Burlesons; the Wells, the Parkers, 8 or 10 of them; and several Tankersleys.

I really enjoyed the Tankersley quartet in the Foursquare Church, which I joined in the early 30's.

As a teenager, I worked one year for Bud Tankersley, the first year he worked the old Parker place. I heard he died a few years ago. I would have liked to have seen him before he died, he was one of the best persons I ever knew. He gave me a job when I really needed it. He had a '34 Chevrolet, and he let me drive it, and I thought how great it would be if I had one. After the war, I did!

Thank you for listening.

## Heart association kickoff set for Monday, Feb. 10

June Tankersley, chairman of the annual American Heart Association local business drive, has announced plans for the annual kickoff coffee set for Monday, February 10, at 10:00 a.m. at Debbie's. Volunteer workers will receive their packets at this time.

The monies collected will be used for cardiovascular disease research and education. These include high blood pressure, hardening of the arteries, heart attack, stroke, rheumatic heart disease, congenital heart disease, and congestive heart failure. These diseases are our number one killers.

The AHA lists six important facts for a healthy heart: (1) don't smoke cigarettes or other tobacco

products, (2) eat foods low in saturated (animal) fats and cholesterol, (3) maintain proper weight, (4) check your blood pressure regularly, (5) exercise regularly, and (6) have regular medical checkups.

Dedicated volunteers who will be collecting these donations are Peggy Grindstaff, Becky Albus, Susan Emerson, Kim Clonts, Charlene Brothers, Frankie Baker, JoNell Cornett, Judy Albus, Betsy Allen, Patsy Gonzales and June Tankersley.

Eighty-eight businesses and individuals made contributions to this drive in 1996. Local support is vital to this ongoing effort, Mrs. Tankersley said.

## Straight Talk..... By Dave Thompson

This week's mail brought a large envelope from the organization Disabled American Veterans, and when I opened it up I found the ad that you see to the right. 'Don't take a Hero's Space' is an ad that says a lot and we are proud to reprint it here in the NEWS as a public service announcement.

While reading the material that came with the ad, I found myself thinking about how often I see someone right here in Knox City parking in a handicapped parking place without being handicapped. It does happen a lot and I see it most often at the Knox City Post Office. With just one handicapped parking place out front, it is amazing that there are so many who will pull right into that spot and not even give a second thought to the sign and markings indicating a reserved space for those with real medical disabilities.

Not only are these actions against the law, they are just downright rude for a small community like ours. But.....as usual, there are some good excuses for breaking the law and tying up a space reserved for those who have a hard time walking. The best I've heard was from one non-handicapped woman who said she uses

### DON'T TAKE A HERO'S SPACE

The Disabled American Veterans asks everyone to respect parking spaces reserved for handicapped people.

DAV National Headquarters, P.O. Box 14301, Cincinnati, OH 45250-0301

the space because she is 63 years old. Not a 63 year old with medical disabilities, just 63 years old! And there is one man who uses the space while he sits in his pickup in front of the Post Office

every Wednesday and reads this newspaper after getting it out of his mailbox. If he is sitting in the reserved space this week while reading this column, maybe he will look up, see the sign and realize that he is violating the law by parking in a handicapped zone.

Handicapped reserved parking spaces are designed to aid those who have a disability that impairs normal mobility. Whether it be an actual handicapped license plate or the placard that hangs from the rear view mirror, the only vehicles legally authorized to use a handicapped zone are ones that have a handicapped marking displayed.

I guess the above ad hit home with me because I too am a Disabled American Veteran. Yes, I do have a handicap placard assigned to me by the state because of my artificial knee, but you will very rarely ever see me use it to obtain the advantage of a handicapped parking area. The placard was issued because there are times when my leg swells and it is hard to walk, but there is always the thought in the back of my mind that there might be someone else who needs the spot worse than I do. Even with a partially artificial leg, I try to leave the handicapped spaces for those whose disabilities are more severe. So, I end up walking the parking lots just the same as everyone else, only to pass by non-handicapped cars that are utilizing the space with careless disregard for others who really need to park there.

There are fines associated with illegal use of a handicapped parking zone. These laws mean nothing to some because they know there is little enforcement action in a small community like ours. With no disrespect towards our local law enforcement officers, I would suggest that the violation of this law needs to be strictly enforced with the harshest of penalties imposed on offenders. Maybe a strong jolt in the way of an expensive fine would serve as a reminder that only the legally handicapped can use those areas.

## Heritage House

From Page One

The Heritage House, located at 1280 West Main in Munday, is located in the home of a former Munday doctor so the house itself is well known to many area residents. It is a sprawling rancher, whose outside appearance is deceiving of the large, spacious rooms on the inside. Most people who have lived in Munday for many years can remember bringing their sick children to the side entrance of the home in the middle of the night to alert Doc. Eiland (the homes original owner) to their high temperatures or to summon him to an impending birth. They may have also been frequent visitors in the home when Mrs. Eiland was entertaining or hosting a scouting event - an organization that she was very active with.

Today when you enter The Heritage House you find yourself in an eating establishment that will long be remembered. The front room is reminiscent of an English garden, complete with lattice work covered windows with lighted vines trailing through them, soft lighting, and a beautiful mural hiding the door into the kitchen which features a misty walkway winding through a flower garden. The mural was painted by Knox City artist Denise Cunniff, owner of The Art Nest.

The front side room is decorated country style and called The Prairie Room - named after the Knox Prairie - and features a farming mural on one wall. Pansies and checkered tablecloths complete the decor. The painting was created by owner Tamara Weeks, a talented artist herself, with assistance by local painter Bill Innes.

One of the favorite rooms at the restaurant is The Victorian Room. It was at one time Doc Eiland's library but now it's shelves hold delicate glassware, lacy pillows, and dainty treasures from the past. It is a smaller room and is perfect for private dining by a couple or small party of four who will no doubt enjoy looking at the glasswork and also the attractive mural painted by Tamara Weeks and Bill Innes. It's romantic colors features a life-like thatched roof cottage surrounded by vivid flowering plants and majestic topiary shrubs.

The largest room in the house is The Santa Fe Room. The warmth emitting from it's beautiful brick fireplace are a welcomed addition to the room on colder days and nights and the knotty pine paneling lends itself to the southwest decor chosen for this room. Sunlight streams through the large windows - warming the atmosphere for friendly chatter

and an enjoyable meal.

Food at The Heritage House is home cooked and diverse. Steaks are cooked over an open mesquite flame on Friday's, buffets are the Sunday feature and hot noon specials can be enjoyed throughout the week. Specials such as Chicken Chow Mien, Lasagne, Beef Stroganoff, Stuffed Cabbage Rolls and many more are becoming customer favorites. Home-made soups and a variety of desserts are also featured. "We have some wonderful kitchen help and great service people who make cooking an enjoyable experience. We hope that our customers can taste that in our food," states Tamara.

The restaurant is attractively furnished with antique furniture and glassware courtesy of three Munday Antique dealers. The Rusty Nail, Memories of Munday Antique Mall and Schoolmarm Antiques all have selections waiting for purchase in the restaurant. "Our antique dealers are wonderful friends and we encourage everyone to come to Munday and browse in their beautiful and well-stocked facilities," says Cynthia. "That's right," echos Tamara. "A great way to spend an afternoon or a weekend is to come to Munday to find your favorite treasure and then have lunch with us - or better yet, spend the night in our quaint and antique decorated bed and breakfast!" she urges. (Editor's Note: We all went to the Heritage House last Friday night to try out their mesquite grilled steak that is featured every Friday night. The food was just about the best we have ever tasted, the portions were more than we could eat and the price was very reasonable. Now that's just a note about the food, but much more could be said about the surroundings and the service.

We could go on and on in an attempt to describe everything, but maybe it's best that our readers just drive over to Munday and try it out for themselves. If you're like us, you'll be glad you did! Our congratulations to both Cynthia and Tamara for giving this area of Texas a very classy eating establishment.)

## O'Brien News

By Audie Johnston, O'Brien Correspondent

Last Monday night a group from the O'Brien Baptist Church went to Stamford Baptist Church for the associational meeting. There was a great bunch of churches met and had a good crowd and lots of good preaching and singing and a good stew and cobbler supper. Those attending from our church were Bro. Bill and Evelyn Trice, Orval and Helen Manning, Delbert and Norma Hayes, Bernice Rowan, Juanita Wilcox and I.

Grady and Sammie Murry of Plainview spent last weekend with Beatrice Ellis.

Dorothy Carver, Alice Wilson and I enjoyed a good time with some of the ladies at the care home last Thursday. We did their nails and then helped Lois Buckley celebrate her birthday with cake that was made and brought by Mrs. Pearce. Nellene Force, Lois' sister, helped with the celebration also.

Jerry, Margaret and Angelia Rowan of Henrietta visited with Bernice Rowan Sunday. They took the daughter Angelia back to Tech in Lubbock where she is a student.

Alvin and Pansy Hines of Lub-

bock and Claudia Reed of Rochester visited Ranzy and Adele Herring over the weekend.

Mr. and Mrs. Mark Lippard and family of Oklahoma spent the weekend with Mark's parents, Johnny and Jo Lippard and they all attended church at O'Brien Sunday morning.

Trisha Roberts, student at Tech and friend Drew DeArmond, spent the weekend with Trish's parents and attended the 50th wedding anniversary at O'Brien Baptist Church on Sunday.

Jim Johnston of Lubbock, Shannon and Wendi Anderson of Slaton and Mike and Jamie Wells of Midland visited with me over the weekend.

## CELEBRATES 96th

The late Fannie Cameron's only surviving sibling, Miss Belle Ruth Duncan, celebrated her 96th birthday, January 26, 1997, at the Aspermont Community Center.

A catered lunch of turkey and dressing, ham, creamed potatoes, green beans, hot rolls, peach and berry cobbler were enjoyed by 49 friends and relatives.

The guests traveled from Oregon, New Mexico, Louisiana and many part of Texas. Pat and Judy

Duncan of Killeen, Texas, hosted the event. Jack, Jim and Sam Duncan of New Mexico furnished the music. Judy supplied each guest with a copy of family members' names, addresses and phone numbers, as well as a family tree that went back to Belle's grandparents. Relatives staying with Billie Walker of O'Brien were Mary Beth Sney, sister, of Minden, Louisiana, Jack Duncan, cousin, of Albuquerque, New Mexico, Julie and Dale Sanders, daughter and husband, of Amarillo. Those visiting were Jim, Deana, Jessie Adair, cousins from Oregon, Sam and Carolyn Duncan, cousins, from Floyd, New Mexico, and Belle and Carl Lee Duncan, aunts, from Aspermont.

## Benjamin News

By Gladene Green, Benjamin Correspondent

News is in short supply this week. The deadline moved from Tuesday to Monday poses a problem because it's hard to get it all together on the weekend, but I'll try it a few weeks and if I see I can't be too successful at it, I'll give someone else a chance to try it.

Leroy West got a good report from his doctor in Fort Worth Friday. Everything is still going well since his kidney transplant. He will continue his checkups for a while.

Bud Clower is about as he's been the past few weeks. Some days better than others. He continues his regular trips to Houston for his checkups.

Linda Wagner underwent surgery in Lubbock. She's doing well and should return home by mid-week if all continues to go well.

E.O. Reed of Gilliland, father of Benjamin residents Laura McCannies and Gary Reed, underwent surgery Monday (today) in Vernon. No report on him but our prayers are for his speedy and complete recovery.

## HERE 'N THERE

Louise Hall of Vernon was a Benjamin visitor during the weekend. She's doing well and it was good to see her.

Erin Koepf, student at Hardin-Simmons, was a weekend guest of her parents, Weldon and Carolyn.

Sara Blackstock and Brooke of Waco and Larry Ray and Catherine Neal, Payton and Cameron of Breckenridge were weekend guests of their parents, Larry and Gaye Neal.

Billy and Penny Trainham of Lubbock visited Charles and Joy Jones a couple of days last week.

Recent guests of Joe and Julia Trepanier were their daughters Kathy Zapata and Kim Trepanier and a granddaughter and her son, Sandy Tovar and Barry, all of Wichita Falls. Visiting Joe and Julia this past week-

end was their son, Ricky, who is attending Texas Tech.

Zeke Duke and Jim Bob Conner of Texas Tech spent the weekend with homefolks.

## LAST WEEK'S NEWS

Brrr! One more time, the cold has caught us. Had a few warm, spring like days, then another "cold snap" blows in. No moisture and that's the thing we need. Maybe next time!

Again this week, there are varied reports on the ill of the community.

Bud and Debbie Clower returned home Saturday night from Houston. Bud wasn't feeling too well tonight when I talked to them. His leukemia has not returned but he's having a little trouble with the treatment. He's in some study programs to see just what can be done about these new problems that "crop up". One of the problems now is that he's trying to reject the transplanted bone marrow but his undergoing treatment for that and they feel optimistic that he will conquer this as he has so many things. Debbie told me that throughout all these problems their faith has remained strong and she asks that we continue to remember them in our prayers.

Leroy West got a pretty good report Friday in Fort Worth. No problem at all with his transplanted kidney but is having trouble keeping his blood count where it should be. He goes back Friday for this weekly checkup and also some tests regarding his blood count.

Clay Conner received a broken bone in his arm just about his wrist last Friday while playing in the gym. He had to go to Abilene and had a temporary cast put on and will go back in a few days for another one that will remain on it for several weeks. He has been in a lot of pain since that happened.

Blaine Conner's foot is getting better since she got it hurt in a ballgame a few weeks ago. They think they have had their share of misfortune!

Dutch Young will be back in Wichita Falls tomorrow (Tuesday) to see his doctor. It is thought that he will be having some more back surgery

very soon.

Stanton Brown says his mom is doing well these days at the home of her daughter in Mesquite. But says his sister Puddin' (Whitmire) is still having some heart problems. Was to have more tests this week. Of course, we wish all these friends well.

Sympathy is extended to Weldon and Carolyn Koepf and family this week. Weldon's mom passed away last Monday. Her funeral was Wednesday in Waco.

## ANNIVERSARY PARTY

Dutch and Imagean Young were honored by their children with a surprise 50th anniversary reception in their home Saturday afternoon. Imagean Nunley and Dutch Young were married January 26, 1947, in Crowell. (Imagean said she was a child bride !!)

The guest list Saturday included family members Butch and Letha Young of Arlington, Bill and Billie Faye Cummings of Henderson, Joe Nunley of Seymour, Gayle and Harold Carpenter and Christine of Tulsa, Oklahoma, Jack and Mary Young, Jane Gideon, Coleton Caldwell and Pat Benson of Benjamin and the hosts Brenda Gollaher of Wichita Falls, Mike Young and family of Seymour and Deann Lamb and Anthony of Benjamin.

## BIRTH ANNOUNCEMENT

Sydney Kate is the newest member of the Mendoza family. She arrived December 31, 1996, at Hendrick Medical Center in Abilene. She weighed six pounds, four ounces, and her parents are Carlos and Lana. She has a brother Coleton and a sister Valerie who are very proud of their new playmate. Her grandparents are Mr. and Mrs. Carlos Mendoza Sr. of Haskell and Jane Gideon and Weldon Gideon of Benjamin.
