Governor George Bush officially names Wyman Meinzer as 'State Photographer'

Knox County Photographer Wyman Meinzer of Benjamin received a tremendous honor recently when Texas Governor George Bush signed a resolution naming Meinzer as the Official Texas State Photographer for 1997.

Sponsored in the House by Representative David Counts of Knox City and in the Senate by State Senator Robert Duncan, the resolution honoring Meinzer also names just a few of his many achievements in a lifetime of recording the State of Texas on film.

Below is what the resolution had to say about Meinzer, affectionately known to everyone in this part of the country as just plain old 'Wyman.'

Knox County FCE members honored at state level

Knox County FCE members, along with members from the other twenty-five counties comprising the Rolling Plains District were hosts for the Texas Association of Family & Community Education (TAFCE) state convention held September 9-11 in Wichita Falls. Approximately 700 members and guests registered at the conference which focused on "Enriching Lives Through FCE".

The conference opened on September 9 with a trade show, cultural arts exhibit, tours, and life skills seminars. During the evening general session various awards were presented to members.

Among those recognized was Jeannette Phillips of Munday who was one of twelve members from across Texas who received the prestigious "Heart of FCE" award. These ladies were honored for their dedication and service to the FCE Association. Jeannette who was nominated for the award by the Knox County Association was selected from nominees representing twenty-five counties as the most outstanding FCE member in the Rolling Plains district. One member from each of the twelve districts across Texas were honored at the convention.

Jeannette Phillips joined the Munday FCE club of Knox County in 1967, making her a thirty year member. During these thirty years Jeannette has served her local club and county council in numerous leadership roles. She has attended two state conventions and many district activities. Jeannette is always among the first to volunteer to help with projects that benefit the community and county. One of Jeannette's many loves and talents is quilting. She has had a hand in piecing and quilting many quilts for local, county, and state fund raisers and has taught many others this creative art.

Two of Jeannette's daughters, Dayle Kuehler and Brenda Golson, were on hand for the award presentation, as well as many friends and Knox County FCE members.

The three day conference continued on September 10 with workshops on Parliamentary Procedure, Communication Skills, "Angels in the Making" and New Faces - New Places. A luncheon was held featuring humorist Jeanne Chambers, author of the book "Life Is Too Short To Be Ordinary".

Final day of the conference featured sharing sessions, educational seminars, general and business sessions. The conference concluded with installation of officers at a Thursday evening banquet.

A long time favorite attraction of the FCE Conferences is the Cultural Arts exhibit. The exhibit features the creative talents of FCE

They were: - Paintings - Vera Reid, Knox City - Fabric Creations - Vera Reid, Knox City - Fiber Arts - Tommie Crawford, Munday - Holiday Decorations - Tommie Crawford, Munday - Jewelry - Vera Reid, Knox City - Hand Quilted Quilts - Donna Mizer, Munday.

Donna Mizer of the Munday Club received 1st place honors with her beautiful green and cream colored quilt which she hand pieced, appliqued, and quilted. The quilt featured blocks that depicted various stories from the bible.

Each county is represented at the state conference by three delegates. Serving in this capacity for Knox County was Ramona Helms and Vera Reid of Knox City, and Frances Cook of Gilliland. Other members from throughout Knox County who attended and assisted with the conference were: Munday Club - Leona Partridge, Donna Mizer, Debbie Rueffer, Margaret Hill, Tommie Crawford, and Jeannette Phillips; K.C. KNOX CITY CUB SCOUTS visited the Knox County News recently during their study of communications. In the photo above, the scouts show the various stages of how the News is put together each week. The scouts seemed very interested in learning first about the various ways of gathering news and advertising, then how the copy goes from the computer to the layout page, and on to the darkroom and negative stage before finally going to press at Haskell. Shown in the photo are Cub Scouts (back row, left to right) Kylin Del Valle, Grant Lewis, and Lawrence Trevino. Scouts in the front row are (left to right) J.J. Martinez and Jordon McCown. On A Wizer Note....
 By Paul Weiser, Knox County Extension Agent - Ag.

All those different varieties of wheat.....

It is time once again to begin thinking about what wheat variety to plant. As usual, there are many new varieties available.

One of the "rising stars" in the wheat industry is TAM 110. Anyone that visited the wheat variety plot in Weinert this past season noticed how TAM 110 really stood out. However, as the plot results will show, looks can be deceiving.

Top yielding honors were claimed by 2158. This variety averaged 46.84 bushels per acre. 2158 was followed by TAM 109 and Winmaster (two beardless varieties) with yields of 44.61 and 43.81 bushels per acre respectively. The next four varieties were Jagger, Ogallala, Big Dawg and TAM 202. TAM 110 stood at the bottom of the list with a yield of 16.92 bushels per acre.

This yield brings up a very big question — It looked so good! Why was the yield so low compared to the other varieties?

An answer is not known. Most people believe that the April freeze hurt it. This sounds good. However, when the field was checked in May for freeze damage, TAM 110 showed less freeze damage than 812. 812 had an average yield of 35.59 bushels per acre. TAM 110 has a greenbug resistant gene in it. That is one reason why it grew so much better than all of the other varieties. But why it did not produce the grain to match the forage is not known.

The plot was not harvested until July 3. This may have been the cause. TAM 110 may have shattered so bad that it lost the yield. However, in an irrigated plot in Goodwell, Ok. it stood twelfth out of twenty-two varieties. In a field test at Lockett, TAM 110 again placed twelfth out of twenty-three.

Plans are being made to include TAM 110 in several plots in Knox and Haskell Counties this season. Hopefully the information gathered from these plots will serve as useful data.

For now, TAM 110 proves to be an excellent source for forage. The greenbug resistance will help produce forage while lowering insecticide costs.

For more information about the information gathered in this year's wheat variety test plot in Weinert, please give County Extension Agent - Ag. Paul Weiser in the Knox County Extension office a call at (940)454-2651.

August Police Report

The Knox City Police Department had another very busy month during August 1997, receiving a total of 565 calls and tasks which required attention. This total included 33 actual criminal offenses, of which 23 were cleared or otherwise handled. Eight charges were filed in regard to the above offenses, with five of the offenses involving juveniles as offender.

Offenses reported include: Criminal Trespass - 1, Unauthorized Use of a Motor Vehicle - 1, Theft of Motor Vehicle - 1, Harassment - 1, Burglary of a Building - 1, Burglary of a Habitation - 1, Burglary of a Vehicle - 1, Child Endangering - 1, Violate City Ordinance (s) - 2, Aggravated Robbery - 1, Minor in Possession - 1, Assault - 5, Criminal Mischief - 3, Public Intoxication - 1, Leaving Scene of Accident - 1, Theft - 9, Retaliation - 1, Attempted Capital Murder - 1, Traffic Charges Filed - 12, Warnings - 20, Accidents - 2.

Other items reported to the Knox City Police Department during August are classified as incidents. These incidents were not able to be considered as a criminal offense, however, they must be handled in a responsible and proper manner.

Incidents Reported Include: Dog Bite - 1.

Community Policing - a term that was reportedly coined by some individuals much smarter than me in Washington, DC. The push to have law enforcement agencies return to Community Policing got real big a couple of years ago, but seems to have died down somewhat lately. To some, this is supposed to be the way of the future, to return to Community Policing to help cut down on crime. Some overall statistics do show that in general, crime is down. Some of the statistical reports that this department, along with many other departments nationwide, do not want many of the type of offenses that are usually handled by law enforcement reported. Just to name a few of the common offenses, criminal mischief, trespass, DWI, retaliation, child endangering, leaving an accident, any miscellaneous alcohol related offenses. These mentioned offenses just came from this month's report. Although there is a place for statistics, they seem to fall short to give a view of the big picture, in other words, the statistics don't tell the real story. With community policing, a peace officer must deal with the mentioned offenses, as well as in "slack times" deal with other situations. These may include dogs barking, littering, so-and-so just cursed at me or looked at me wrong, taking a local drunk home because he is at a local business and too intoxicated to safely walk home, being able to call and advise the local department that you are going to be out of town for a while, and being able to trust the department to remember that you are leaving, reporting an offense and receiving the type of assistance needed, welfare check on local residents as well as on resident's kinfolk located in other areas of the state, well, the list goes on and on. In case your completely confused by now, let me say that all the above is a part of community policing, something that this department and other small town local departments have been doing for years, not something that was "invented" recently, and not something that has to be taught in some school. It takes common sense to recognize when a problem needs to be handled and how to handle it. As long as this department remains a part of Knox City, this department will continue to handle all problems to the best of our ability presented to us by not only citizens of Knox City, but also those problems made known to us by anyone needing help. With budget cut-backs and revenue shortages, this department, as well as others in a similar situation, are in danger of becoming disbanded. On August 29, Beulah Rhomfeld of B's Flea Market, saw fit to donate a box full of stuffed toys to the KCPD for use when dealing with kids and small children. Sometimes when the situation calls for the children to be separated from their parents, a stuffed toy can help ease the pain and loneliness the child will usually ultimately feel. I personally thank Beulah for the gift of the toys.

Senate Bill changes jury duty exemptions to age 70

Senate Bill 551 now exempts persons over 70 and persons who have served on a jury two years prior.

Currently, those individuals 65 years of age and older may qualify as being exempt from serving on petit juries. Recent advances in medicine are changing the demographics of the country; thus, many federal and state laws are increasing the age for exemptions for the elderly. Also, many counties are experiencing difficulties in obtaining enough potential jurors to report when summoned.

This bill changes the age from age 65 to 70 years of age in which a person qualified to serve on a petit jury may establish an exemption.

Parker - Lewis vows are read August 2

Tonya Parker and Clint Lewis, both of Knox City, were united in marriage August 2, 1997, at the First Baptist Church in Knox City. Rev. Bill Trice of O'Brien performed the formal double ring ceremony.

Parents of the bride are Darrell and Brenda Parker of Knox City.

The bridegroom's parents are Sterling and Josie Lewis, also of Knox City.

The bride, escorted by her father, wore a monarch length white satin gown designed by Alfred Angelo. The fitted bodice of the dress was of sequins and pearls. The sweetheart neckline of the dress flowed down into a V in the back where white satin roses cascaded down the entire length of the train, later acting as the bustle. The hemline of the monarch train was enhanced by sequins and pearls. The bride's bouquet was of fresh white roses and stargazer lilies. Her waist length illusion veil was attached to a headpiece of white satin roses and pearls. Her jewelry consisted of a pearl necklace and earrings.

Matron of honor was the bride's sister, Rhonda Morgan of Wichita Falls. Bridesmaids were Melissa Barnard of Knox City, Stefani Stephens of O'Brien, Johanna Payne of Haskell and Nonie Johnson of Knox City. They were all attired in mauve satin floor length dresses and each carried a round bouquet of sweetheart roses.

Flower girl was Sarah Johnson, niece of the bridegroom. She was attired in a floor length white satin mock wedding gown. The gown was enhanced with sequins and ruffles. For a headpiece, she wore a pearl tiara and she carried a white satin and lace basket with rose petals.

The bridegroom wore a black tuxedo with black vest and tails. His boutonniere was one pink sweetheart rose and one white sweetheart rose.

Garry Lee Manley, nephew of the bridegroom, served as best man. Groomsman were brother of the bridegroom, Danny Jack Johnson of Midland; brother of the bridegroom, Shane Lewis of Oklahoma; Michael McGaughey of Knox City and Brian Rosencranz of Knox City. Ushers were Brandon and Aaron Lewis. They all wore black tuxedos with black cummerbunds and bowties.

Serving as ring bearer was Jordan McCown of Knox City and junior ring bearer was Stratton Edmonds. They wore tuxedos identical to the bridegroom and carried white satin pillows with pink and white roses.

The wedding march was played by Delores Lambeth of Goree and Sandy King, both of Munday. Phillip and Katie Martin of Haskell sang "You Are So Beautiful" from the soundtrack of Little Rascals, as a surprise to the bride before her march down the aisle. During the ceremony, they sang, "I Finally Found Someone" by Barbra Streisand and Brian

MR. AND MRS. CLINT LEWIS
... the former Tonya Parker

Adams and "Long As I Live" by John Michael Montgomery.

The bride's mother chose a short sleeve mauve tea length two piece attached dress for her daughter's wedding. She wore a pink and white rose corsage.

The bridegroom's mother wore an ankle length sheer dress and her corsage was also of pink and white roses.

Following the ceremony, a reception was held in the recreation center of the church. The room was decorated with greenery and white Christmas lights lining the ceiling and poles throughout the center of the room. Round tables and chairs with floor length floral and mauve tablecloths were provided for the guests. Before the bride and bridegroom entered the reception, finger sandwiches and fruit were served to the guests.

The bride's table was a heart table covered in white illusion and ruffles and lined with greenery and lights. Her cake, made by Donna Martin of Haskell, was a three tiered white cake with stairs leading off both sides to another two tiers and then down to two heart cakes. The cakes were decorated with pink and white roses, greenery and gypsophilia. Serving the cake was Dena King of Munday, aunt of the bride. Behind her table was a gazebo lined with illusion and greenery.

The bridegroom's table was a long table decorated with a white table

cloth. His cake was a three layer chocolate Italian cream with edible sugar fruit. His centerpiece was a tower of candles. A gold coffee urn with sugar and creamer was used to serve guests. Servers were Amy Deering of Abilene, niece of the bridegroom; and Shea Edmonds of Knox City.

A separate table was used to serve punch. This table was decorated in a mauve tablecloth and illusion came together in the front to make a bow. Traci Deering, niece of the bridegroom, served Shirley Temples from a crystal punch bowl.

Registering guests was the bride's aunt, Anita Payne of Abilene.

A rehearsal dinner was given by the bridegroom's parents on August 1 at the fellowship hall of the First Baptist Church. The caterer was Sharla Carver. Brisket was served with all the trimmings.

A 24 hour couple's shower was held July 11 in the home of Scott and Shea Edmonds. Hostesses were Shea Edmonds and Marsha McGaughey.

Also, a lingerie shower was hosted by Barbara and Melissa Barnard on July 27 in their home.

Following a wedding trip to the Pocono Mountains in Pennsylvania and New York City, Tonya and Clint are at home at 401 South Central in Knox City. Clint is employed by Lewis Paint and Body, and Tonya by Knox County Hospital HomeCare.

Houndette Happenings.....

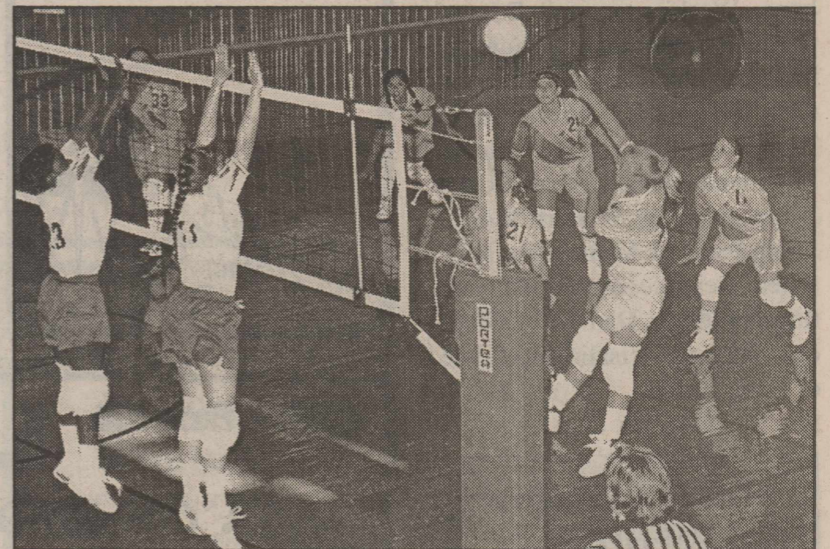

by Coach Dala Young
The Knox City Houndette volleyball season is in full

swing and the Houndettes are excited about kicking off district. As the Houndettes enter district, their record stands at 5-7. Our record really doesn't give us enough credig. We got a slow start at the beginning of the season, due to inexperience and inconsistency at the serving line. Our serving has improved and the girls have finally become comfortable playing together. Everything just seems to click out there on the court now. I feel like we have improved everyday in some area, and as we continue to improve, I feel confident in saying that the Houndettes will be a strong contender this year in the district race.

The Houndettes hosted Aspermont Saturday in a 9th, JV, and Varsity match. The Houndettes did a repeat of September 6, when Knox City travelled to Aspermont and did a clean sweep, winning all three matches. The Freshmen defeated the Lady Homets in three games, while it took the JV and Varsity only two games to earn their victories.

The JV team has a record of 4-5, while the Freshmen are 2-0. Members of the Freshman team are: Sonya Contreras, Audrey Lankford, Erica Quintana, Mary Shahan, Jessica Sliger, and Crystal Wallace. The JV team includes: Natalie Bloxham, Lauren Clonts, Kayla Garcia, Cristina Hernandez, Brandy Riggins, Stephanie Rios, Kristy Short, Heather Stovall, and Kevina Walton. The Varsity team is led by Seniors Sara Dillon, Jessica Garcia, and Kim Grimsley. Other team members are: Juniors, Tamara McGaughey, Gloria Nevarez, Vallerie and Vanessa Rodriguez, Sophomore Roni Morrow, and Freshmen Tandy Roberts and Jennifer Vacek.

The Houndettes resume district play Tuesday, September 30, as they host the Goree Lady Cats. There will be only a Varsity match, beginning at 6:30.

Come out and support the Houndettes!

Benjamin News

By Gladene Green, Benjamin Correspondent

It's a rainy Monday night and with the much cooler temps, it sure makes for a pleasant time. We need the rain and so far, it has fallen nicely and that makes it even better.

We had a pretty good ballgame here Friday night. Trent came over and took home a victory but it was not a gift. They played hard as did our Mustangs and the score difference was one TD. You like to win but losing is not so bad when the kids really play and they did and certainly have nothing to be ashamed of. BHS grad Phil Boone coaches Trent and so winning to a "home guy" is not bad, either. It was good to see Phil on the field as he recently had some pretty serious surgery but he seems to be doing fine now.

On Thursday night, Junior High was defeated by Northside here at home by about four TD's.

High school plays Lueders Saturday night at 7:30 at Lueders. It will be Lueders homecoming. Go on to Lueders and support the team and the coaches. Junior high will play preceding the high school game at 5:30.

REGARDING THE ILL - Reports on the ill of the community vary today. Ruth Ressel is doing lots better, responding to therapy and hopefully, her stay at Leisure Lodge in Munday will be short lived.

Bud Clower was feeling better tonight after having some pretty "down days". Debbie says they

will call Houston tomorrow to check on medications, etc. (reduce - increase or what). It's good to report that Bud's feeling better.

HERE 'N THERE - Frances Burtram and Dwight Birdsong of Roswell, New Mexico, were Monday guests of her brother and family, Larry, Gaye and Laura Neal.

Recent guests of Odessa Cox have been Reba and Charlie Morrell and Don Morrell of Humble, James Cox of Dallas and Jim Cox. Jim and Nelda have been living in Philadelphia, PA, for a couple of years but are moving back to Texas and will probably locate in the Dallas area. Mrs. Cox said she's sure glad to have them back in Texas.

Shari Brown told me that she and her dad were in Jacksboro Saturday to visit Karen Brown, Colton and Haley Joy of Teague. Karen and the children were visiting some of her family while Doug was in Kansas City on business. For those who don't know, Karen is Shari's sister-in-law and the kids, her niece and nephew.

Betty Lyles was in Sherman for the weekend to visit her daughter, Judy Robinson and family. She told us her granddaughter, Sara, was recently crowned homecoming queen at SHS. There were 49 nominees to begin with, the narrowed down to five finalists and Sara was selected the winner. She's a senior at Sherman High and her parents are Judy and John Robinson. The royalty was pre-

sented prior to the Sherman-Sulphur Springs football game.

Annette Elliott of Dallas was a weekend guest of Omitene Barnett.

Weekend guests of Maretha Patterson and Sharon Johnson were Leon Bivens and Karson Bivens of Tatum, New Mexico.

Willia Cunningham of San Angelo visited recently with her brother Galen and did some work around her mom's house. Ozelle is still in Hendrick Hospital but reports are that she is improved.

Weekend guests of Gary and Joann Hamilton were Jim and Sharon Murry of Salem, Missouri.

Weekend guests of Bill and Dorthy Spikes were their son and his kids, Guy, Sara and Matthew of Seymour.

Terry, DeeAnn and Philip Cartwright of Plano were weekend guests of his parents, Dub and Jo Cartwright. Terry left Sunday for Ohio for a week's seminar. DeeAnn and Philip will join him on the weekend and they all plan to make a trip to Washington, D.C. Philip is already having a week off from school. Guess it's a "early fall" break.

Diandra Grill, student at UT in Austin, was a weekend guest of her parents, Belle and Benny. Diandra is one I missed when I sent the "off to college" list in since she hadn't officially moved back to Benjamin. But she's "one of us" again now, so I'll try to keep track of her!!

Weekend golf scramble winners from KCCC

Results of the three-person night golf scramble from Saturday, September 20, at the Knox City Country Club were first place - Todd Austin, Ann Underwood and Craig Williams, 66; and second place - Bruce Skiles, Bob Maloney, Marci Maloney, 66.

Sunday's three-person scramble results were first - Clyde Voss, Willard Skiles, Mel Reed, Esther Conn, 59; second - Lynn Johnson, Mary Johnson, Mat Verhalen, 62; and third - Jan Rolston, Domingo Garcia, Gene Denton, 64.

The Knox City Study Club met Thursday, September 18, at the Community Center for the first meeting of the 1997-98 club year.

The meeting was called to order by Winifred White, president. Invocation was given by Frances Dear.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies, the Cooperative should be notified as soon as possible so that the meter can be resealed.

"Room for Improvement - Hotel rooms in Phoenix are not cheap, and reservations are a must. The family next to me at the check-in counter had not made a reservation, so the clerk offered to make some calls. She finally found a room in a modest hotel for \$340 per night. Even the clerk was astounded by the high price. 'What is so special about that room?' she asked. The response from the other end: 'It's empty.'"

HERE AND THERE - Coy and Loretta Hewitt were in Abilene last week to visit their daughter Vickie Daniel and family. They also visited Ranzy Herring in the hospital.

Historical commission meets September 15 in Benjamin

By CLARA BROWN
KCHC Reporter

The Knox County Historical Commission met Monday, September 15, at the courthouse in Benjamin with Mary Jane Young, chairman, presiding.

Good news for historical preservation in Knox County included the awarding of a computer to the KCHC for its work, the approach of construction for the courthouse elevator and third floor visitors center, and approval of the KCHC application for a STEP program employee.

The computer came with the help of the Four Winds RC&D executive director Dan Henson of Knox City and Judge David Perdue. The computer will be a 486 from the attorney general's office. As different state offices upgrade their computers, the old ones are awarded to various local governments and public organizations. The computer will be delivered October 2 at a meeting of the Four Winds board in Crowell. Oscar

Mangis gave the chairman a booklet listing various things available through TC&D and pointed out that the software programs might be useful now that a computer is available.

Members also discussed how a camera and scanner could fit into the need to catalog items in the museum and archives and that pictures of objects can be stored in the computer directly from a digital camera.

Mrs. Young said that anyone interested in the STEP position should contact her at Benjamin. Applicants should be 55 or over, the work week will be 20 hours, and the applicant will need to meet income guidelines. Filing, typing and general office skills will be used in bringing museum and historical commission records up to date.

County Judge David Perdue told commission members that the courthouse elevator and third floor visitors center looked as if they would soon be reality. Bids may be taken within a few weeks. The commission is in-

olved because it has been asked to provide historical displays telling the story of Knox County for visitors. After the third floor construction changes are made the commission will plan and install exhibits.

To help pay for exhibit equipment, archival supplies, and to add to the museum building fund, the commission voted to hold a dinner as a fund raiser. This will be the first museum fundraiser since the quilt project in 1994.

The dinner will be Sunday, February 8, at the Benjamin Memorial Center. All county communities will be asked to help. Commission members will serve as contact persons with their communities and Clara Brown will be general chairman for the fund raiser.

Other reports included the following. County clerk Danny Speck is compiling a list of births, deaths, and marriages from the time the county was organized to the present for the museum archives. This will help in preparing a new history and will make it easier for commission members to help persons who request family information. Mrs. Young recently did some research for a former county family and was paid \$20.00 for the Knox County Historical Commission fund.

The chairman asked members and county residents to help search out mannequins for the visitors center display. These can sometimes be bought for \$50 to \$100 used, but cost about \$300 new.

Members were reminded to continue making a list of buildings and sites of historic interest in their communities. Bill Baker is in charge of the committee for coordinating this information.

The chairman will announce later the date for a meeting with the visitors center and the museum and archives work day which will continue the listing and filing started at the two spring workdays.
