Open House Set At Hospital

In observance of National Hospital Week, the Chamber of Commerce is hosting a reception at the Knox County Hospital Sunday, June 15, from 2:30 until 4:00 p.m., according to Mrs. Doris Crownover, Chamber secretary-manager.

Mrs. Crownover said that the Chamber felt it would be a good opportunity for the community and the surrounding area to meet Dr. Newton Neufeld and the new hospital administrator Tom Haden, and also to recognize Dr. W.F. Thompson, Dr. R.G. Howell, hospital board members, the nursing staff, and other personnel.

When the idea was presented, hospital officials felt also

that the occasion would afford them the opportunity to give tours through the hospital and let visitors see first hand what is available and what is needed in the hospital. Departmental heads will be on hand Sunday to

Honoree Is Named For Homecoming

Mrs. E.R. (Sammie) Carpenter has been chosen as the 1980 Knox City Homecoming honoree.

The selection was made by the committee last week and a complete story and picture will appear in a later edition of the news.

REV. AND MRS. KENNETH SICKELS
...new pastor and wife

First Christians Have New Pastor

Newcomers to Knox City are the Rev. and Mrs. Kenneth Sickels who moved here Tuesday, June 4, where he has assumed the duties as pastor of the First Christian Church.

The Rev. Sickels held Wednesday prayer service the next evening and was in the pulpit Sunday, June 8, for the first time.

Former pastorates include Paint Rock-Millersview, Brady, Norwich, Connecticut, and Oakdale, Connecticut.

Both natives of New Castle, Pennsylvania, the Rev. Mr. Sickels and his wife, Eileen, were married July 8, 1950, in New Castle. Before entering

the ministry, in 1970, he was operations manager for a trucking company and corporation pilot for Dormond Corporation of Youngstown, Ohio.

Both attended Southwestern Theological Seminary in Fort Worth where she attended the School of Religious Education.

The Sickels have two sons, James, who is with the Army Security in Weirtheim, Germany, and Fred of Brady. They have just acquired a new daughter-in-law as Fred and his wife, Sandra, were married May 31, in Brady where he is employed by the City of Brady as a mechanic.

guide visitors through and after a tour of the hospital, visitors will be taken to the hospital dining room for refreshments.

Everyone is encouraged to attend the open house and reception Sunday afternoon, honoring these persons who give so much of themselves.

Clouds Frustrate Knox City Residents

It was almost like playing the old game "Fruit Basket Turn Over" early Sunday morning as residents got out of bed, into the cellar, back into bed, back to the cellar, and so on for about two hours.

One man reported that he 'almost wore out a new pair of overalls putting them on and taking them off.'

After a sultry Saturday afternoon when temperatures soared above 100 degrees, a cold front bringing in cold air reached the area about 3:00 o'clock Sunday morning bringing cooler temperatures but also turbulent weather.

City Officer Dave Thompson, who was working the night shift, assisted Civil Defense director Roland Marion, Rob Harrison, and Highway Patrolman Danny Wainscott watched the clouds as the weather service had warned earlier of high winds and possibly damaging hail.

Bill Stewart, and employee of Smith Funeral Home, answered the phone and manned the radio at City Hall, and sounded the alarm as the others watched the storm clouds.

According to Harrison, the first storm warning, two blasts of the siren, was sounded about 3:00 a.m. when a tornado was spotted near Benjamin moving in this direction. Judy Redwine, wife of County Sheriff James Redwine confirmed the funnel in the Benjamin area, he said. Then again about 4:00 a.m. as Thompson, Marion, and Harrison observed the clouds from the airport runway north of town, they watched an apparent funnel cloud for about 15 minutes and then it dropped down west of the airport. Harrison said they could not tell if it hit the ground as they could see no identifying landmarks.

Wainscott, who was west of town, did not see the funnel, Harrison said.

The radio at City Hall reportedly went dead about 3:30 a.m. and the men had to depend on the county radio at Benjamin and the city radio at Munday according to Harrison.

The all-clear signal, one blast of the siren, was sounded between 4:30 and 5:00 a.m., and the watch was called off at 5:45 a.m. when those who had stayed up to

warn others of the approaching clouds finally got to go to bed for some much-needed rest.

With all the activity, fortunately no damage was reported.

APRIL WERLEY

Miss Werley Has Begun Training

April Werley of Crowell began her training as Assistant County Extension Agent on June 1 and will assume her duties beginning August 1 succeeding Sharon Book.

Patrolman Wainscott Moves Here

Mr. and Mrs. Danny Wainscott are new Knox City residents, moving here recently from Tullia.

Danny, a highway patrolman for the past four years at Tullia, has been assigned to this area. He assumed his duties here June 3, where he will work with Patrolman Brian Williams, who has been stationed here for the past nine years.

A native of Haskell, Danny is the son of Mr. and Mrs. Wainscott of Haskell. A graduate of Haskell High School, he attended Western Texas College in Snyder and patrol school in Austin.

Danny and his wife, Dale, are living at 109 South Fourth.

HIGHWAY PATROLMAN Brian Williams, left, is being joined here by Patrolman Danny Wainscott, who assumed his duties June 3. Wainscott and his wife moved here from Tullia.

Residents Request City Drainage Study

Approximately 150 persons signed statements expressing support of the city officials' efforts to solve drainage problems within the town.

Mayor Charles Auburg and members of the city council expressed appreciation to citizens who participated in this effort.

A study of the city's drainage problems is still under consideration. Officials of the city requested assistance from the West Central Texas Council of Governments in locating the city's old engineering records which

should provide valuable information.

The COG's staff engineer, Jerry Smith, made recommendations and agreed to assist city employees in implementing them. Immediate plans are to widen and deepen some of the city's existing ditches and to remove silt from the city's drainage ditch north of the city limits.

Recently, large amounts of water have been diverted to Avenue C and plans are to direct that water to Avenue

B, which was designed to accommodate the water from that entire area.

The city's objective is to drain water from the City as quickly as possible and without damage to any properties. This often necessitates cutting ditches which may be an inconvenience to some citizens but this is certainly minor compared to damage that may be caused by flooding. City officials request the citizens' consideration as these drainage efforts are being implemented.

O'Brien Break-In Reported

An O'Brien business, Tri-State Chemical, was burglarized sometime Monday night or Tuesday morning and was discovered when employees reported to work Tuesday morning. Entry was obtained through a window in the rear of the building.

Haskell County Sheriff Garth Garrett requested assistance from the Knox City Police Department in the investigation of the burglary.

Items stolen were valued at approximately \$11,000.00 and among the items stolen were 25 cases of Round-up, four gallons per case; ten five gallon cans of Round-up, four five gallon cans of Chlorodane.

If any person has information regarding items taken, they are asked to contact the Haskell County Sheriff's Office or the Knox City Police Department.

Local Named New Wayland Trustee

DALLAS - The Rev. John Gillispie, pastor of First Baptist Church of Knox City, has been elected to the Board of Trustees for Wayland Baptist College in Plainview.

Rev. Gillispie was elected by the 192-member Executive Board of the Baptist General Convention of Texas at their quarterly meeting in Dallas. Wayland is one of the eight colleges and universities owned and operated by Texas Baptists.

There are about 4,400 churches and missions affiliated with the BGCT. Through their Cooperative Program of support for missions, they own and operate 23 hospitals, children's homes and colleges and universities across the state. They join with other Southern Baptists in supporting about 5,000 missionaries in the United States and nearly 100 other countries.

Additional Activities Set For Homecoming

Additional activities scheduled for the July 4 weekend of Homecoming will include a tennis tournament and a Little Kids Track Meet.

The tennis tournament will begin at 8:00 a.m. Friday, July 4, at the local courts. Divisions for singles will be 17 years and under, for boys and one for girls, and 18 and over for men and women. Doubles division is open for all ages is men's bracket, women's and mixed. Entry fee will be \$2.50 per person per division. First and second place trophies will be awarded in each division. Entries should contact Steve McIlhane 658-3459 or Melanie Whitley 658-3521 as soon as possible or the morning of July 4.

The track meet will be in divisions for children ages 4-13, for both boys and girls. Divisions as follows, 4-5 year olds; 6-7; 8-9; 10-11; 12-13. Each contestant will enter six events which includes two sprints, long jump, high jump, softball throw, and a distance run. Ribbons will be given for the first six places in each event. Medals will be

presented for the top three boys and top three girls by overall scores. Entry fee is \$2.00 per person and can be brought the morning of Saturday, July 5, to the track field. Registration will begin at 9:30 a.m. and the events begin at 10:00. Anyone wishing to preregister may contact McIlhane or Mrs. Whitley.

Plenty of seating is available for parents and grandparents, according to officials.

Homecoming Parade Set At Benjamin

The 1980 Benjamin Homecoming parade has been set at 3:00 p.m. Saturday, June 14.

Janet Conner has asked that anyone interested in riding or participating in the parade contact her at 817-454-3691.

Trophies and ribbons will be awarded, Mrs. Conner said.

All entries are asked to start meeting at the school house at 1:30 p.m. Saturday, according to Mrs. Conner.

County Receives Nutrition Funding

Knox County received notification Thursday, June 5, that the Pilot Project for Aging Services has received funding from the Governor's Committee on Aging, according to County Judge Homer T. Melton.

Judge Melton anticipates that the project will be operable within sixty days and nutrition sites will open in several communities in the county.

According to Judge Melton, County Coordinator Lillian Logan will be the project director.

The focal point for the project and the central kitchen will be established in

Knox City where the noon meal will be prepared and transported throughout the county.

Social services including transportation, information and referral, outreach, telephone reassurance, and health screening will be provided in the program. Coordination with other agencies will be developed. The program will strive to fulfill the needs of persons sixty years and older throughout the county.

Funds will come from the Governor's Committee on Aging through West Central Texas Council of Governments to Knox County.

O'Brien Happenings

By CHARLENE BROTHERS

The hot weather we have been having makes me want to move to somewhere it is cooler. Last Saturday afternoon was the hottest day we have had so far, I'm sure. One person here in O'Brien said it was 110 at his house, and I do not doubt that at all. It was so hot. Then Sunday it was cooler, and Monday it was not too bad. The cotton needs some hot weather, but I do not think it needs to go so high.

We have a new recreation around O'Brien now. Some of the men have gotten them a Honda Odyssey; it is a little like a go-cart. I rode one Sunday afternoon. They would be a lot of fun I'm sure after you What I like about it, is that it has four wheels. This I can ride. They are a little rough. The little ones really enjoy them.

You will not believe the number of bags of cotton seed we have sold here at the gin. We have sold over 8,000 bags as of Monday at noon. This is a lot of cotton seed. And some of the farmers have gotten seed at other places. We ran out of Certified 6-11 in Lankart. Some have had to plant two or three times, and usually one time over you will get a fairly even stand. I would feel safe in saying that nearly every farmer has had to plant at least part of his acres over at least one time. I know some that planted some of theirs at least three times. This will eat into the profit this fall.

Hester Rites Held Tuesday At O'Brien

Services for former resident Alton "Gene" Hester Jr. were held Tuesday afternoon at 5:00 o'clock in First Baptist Church in O'Brien. The Rev. Royce McGowen, pastor of Faith Baptist Church of Lubbock, and the Rev. Bill Trice, church pastor, officiated. Burial was in the O'Brien Cemetery under the direction of Smith Funeral Home.

Hester, 37, was dead on arrival at Northwest Hospital in Amarillo Monday morning.

Born August 11, 1942, in Knox City, he moved to Amarillo two years ago where he was a salesman for Hardware Supply Company. He was a member of the O'Brien Baptist Church.

Survivors include his parents, LaUna and Alton Hester of Lubbock; one son, Tim of Thibodaux, Louisiana; one daughter, Angie of Tahoka; three sisters, Cathy Mitchell of Albuquerque, New Mexico, Elaine Eaton of Ansabac, Germany, and Brenda Robinson of Panhandle; and his maternal grandmother, Mrs. Rob Johnston of O'Brien.

Pallbearers were Terry Hester, Gary Hewitt, Joe Hester, Tommy Kent, Bobby Reeves, and Jerry Johnston.

BIBLE SCHOOL BEGINS

Vacation Bible School began this morning (Monday) at the Baptist Church. The hours are from 9:00 a.m. to 12:00 noon. They have classes for the 3 year olds through the sixth grade. Workers for the 3 yr. olds are Diane Roberts and Susan Carver; 4-5 yr. olds Vonnie Ivie and Laura Ivie; 1-2 grades Susan Emerson, Pearce Manning and Becky Underwood; 3-4 grades Ava Covey, Jennifer Holmes and Shan Holmes; 5-6 Evelyn and Bill Trice. Bro. Trice is the principal of the school. The women who served each day were Bea Ellis, Mildred Draper, Eva Covey, Charlene Brothers, Hope Poe, Jean Barnard, Nola Covey, Veeta Reid, Faye Reed, and Sue Stephens.

Monday, the first day, they had 45 workers and students. This was a good start.

Second Playnight To Be Saturday

Knox City's second playnight of the season will be held Saturday night, June 14, at 8:00 p.m. in the Knox City arena.

Barrels, flags and poles will be run in four age divisions with trophies and ribbons being given.

There will also be goat tying and a ride a buck class, according to a spokesman for the group.

White Rites Are Held Tuesday

Funeral services for Knox City resident Truman White were held Tuesday, June 10, at three o'clock in the First Baptist Church with the Rev. John Gillispie, church pastor, and Jimmy Rogers, layman, officiating. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mr. White, 72, died Monday, June 9, at 5:25 a.m. in the Knox County Hospital.

Born October 29, 1907, in Merkel, he married Mary Elizabeth Earnest on July 5, 1937, in Anson. He came to Knox City in January 1957 from Paducah. Mr. White was a retired custodian having worked in the Knox City Schools and First Baptist Church. He was a member of the First Baptist Church.

Survivors include his wife, Mary of Knox City; a son, Larry Truman White of Topeka, Kansas; three daughters, Mrs. Mary Berryman of Knox City, Mrs. Ginny Branham and Mrs. Vickie Stevens, both of Midland; a sister, Mrs. Rhonda Davis of Plainview; 11 grandchildren and a great-grandchild.

Pallbearers were Alex Godsey, E. H. Tankersley, Morris Denton, Bill Baker, Cliff Swain, and Doug Meizer.

Lions Club News

By Joe M. Clonts

Ladies' Night will be June 26 in the O'Brien school cafeteria with magician Bob Hale entertaining. There will be no regular noon meeting Wednesday, June 25.

Lion Otto Lawson was present and his name was drawn for the door prize.

Census Workers Testing Tuesday

Testing for Census Bureau workers will be held Tuesday, June 17, at 10:00 a.m. in the Community Center.

According to officials, interested persons are asked to be there on this particular date.

NAMES OMITTED

The names of Mrs. Janie Esparsa and Emily of Lubbock were inadvertently omitted in the out of town guest list for the shower honoring Annette Rose Gallegos, bride-elect of Charles Escobar.

COLDS ARE ALWAYS IN SEASON

There's nothing worse than a warm weather cold, just ask the person who has one. A quick change in temperatures can result in a cold that lingers on for weeks and makes you really miserable. And all of this suffering occurs just when spring has sprung and you want to be feeling great.

It's a good idea to remember that just as quickly as it gets warm one day, it may get cold again the next. Don't be too quick to put sweaters into storage. If a cold does cross your path, we can recommend medication to help you feel good as new.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

HOMEMADE YEAST MIXING, KNEADING, BAKING

Mixing, kneading and baking complete the process of making yeast breads at home.

MIXING METHODS

There are three basic methods of mixing yeast doughs--straight dough method, sponge method and batter method.

In the straight dough method, all ingredients are combined in the first mixing and the dough set aside to rise.

Liquid, yeast and enough flour to form a thick batter are combined in the sponge method. The batter is set in a warm place until bubbly and light.

The remaining ingredients are then added to form a dough.

Doughs prepared in this manner usually rise faster than doughs in the straight dough method.

In the batter method, all ingredients are combined and the gluten is developed by stirring and beating the batter rather than by kneading.

Yeast batters are usually allowed to rise in the pan they will be baked in.

KNEADING

Kneading, the part of breadmaking that most people are unsure about, changes the rough, uneven textured dough into a smooth elastic ball.

It develops the gluten to

Duncan Reunion Held June 8

The Duncan Reunion was held Sunday, June 8, in the Knox City Community Center.

Among those present were Mr. and Mrs. Oscar Johnson, Mr. and Mrs. Clifton Duncan and Shannon Brown, all of O'Brien; Mr. and Mrs. Oather Poe and Mr. and Mrs. Bill Duncan of Knox City, Mr. and Mrs. John Peysen and Rhondi of Iowa Park, Bianca Duncan of Big Spring, and Mr. and Mrs. Harvey Burleson of Dairy, Oklahoma.

Also, Mr. and Mrs. Lyn Duncan of Wichita Falls, Mr. and Mrs. Billy Duncan, Mrs. Vallie Duncan and Mrs. Pat Mahoney and Mandi, all of Weatherford, and Mr. and Mrs. James Duncan, Becky and Carla of Lubbock.

produce a fine grain and texture.

The process is actually very simple.

First, cover a clean, smooth counter, large bread board or cloth, or a plastic dough sheet with a small amount of flour.

Place the dough on the floured surface, and dust lightly with flour.

Grease hands lightly with shortening.

Fold the dough toward you with a rolling motion using the fingers of both hands.

Then, with the heels of your hands, push the ball of dough away from you.

Turn the dough a quarter turn and repeat the process until the dough looks full, rounded, smooth, satiny and tightly stretched.

The dough will feel springy and elastic.

You may need to work small amounts of flour into the dough while kneading, especially if the dough is very soft.

However, avoid adding too much flour or the dough will rise slowly and produce a coarse texture.

Grease the dough lightly and allow it to rise on a smooth surface. Cover with wax paper or a damp towel while rising.

If dough is to rise twice, punch down and shape gently so you don't injure the gluten and produce a coarse texture.

LOAF SHAPING

There are many ways to shape a loaf, the simplest being to roll the dough into a rectangle slightly less than the length of the baking pan.

Then simply roll the dough, starting on the narrow side, in jelly roll fashion.

Seal the edges and place the sealed side down in the pan. The bread is then allowed to rise or "proof" until double in bulk.

BAKING

Baking is generally done at 375-400 degrees F. for 35-45 minutes for one pound loaf.

When done, bread will produce a hollow sound when tapped.

Cool on a wire rack to prevent softening of the loaf bottom.

For a soft crust, brush the top of the loaf with butter while still warm.

Locals Attend Mesquite Workshop

Three local women and one from Haskell attended the Mesquite District Summer Workshop of the Texas Federated Women's Clubs Tuesday, June 3, at the Moran Community Center.

According to Mrs. J.C. McGee, past president of the district, this was the beginning of a new administration with the newly-elected president, Mrs. L.H. McBride of Hamlin, in charge.

Mrs. McGee also reported that the club trustee urged each club to send at least one name to be placed in the Golden Book in Austin at the TFWC club house as this is quite an honor for someone in the local club.

During the workshop, Mrs. McGee presented the special welcome, past presidents, and life members. Emphasis was on yearbook planning during the day's meeting.

Attending from Knox City Study Club were Lena McGee, president; Winifred White, second vice-president; Mary Beth Smith, secretary-treasurer; and Mildred Simpson of Haskell. Some 85 women from across the District attended the convention.

FROM ARIZONA

Mr. and Mrs. Don Clowers of Flagstaff, Arizona, visited her grandmother, Mrs. Mary Buchanan, Monday of last week en route to Fort Worth.

FROM KOPPREL

Mr. and Mrs. Glenn Hodges, Greg and Eddie of Koppel visited recently with his parents, Mr. and Mrs. George Hodges.

Federal Land Bank Announces Change

Joe Harper, manager of the Federal Land Bank Association of Haskell, announced that effective June 1, new loans will be closed at the variable interest rate of 9 3/4% on farm loans and 10 1/4% on rural residence loans, the same rate now being charged existing borrowers on the variable rate. This is a reduction from a 12% fixed rate on farm loans and 14% on rural residence loans which was put into effect earlier this year.

The Federal Land Bank of Texas introduced the variable rate loan in 1969, which allows the billing rate to increase and decrease with variables in the money market. Earlier this year, faced with unprecedented high money cost, a fixed rate loan was offered on a temporary basis. Improvement in the money market in recent weeks makes it possible to return to the variable rate on new loans.

The representative will be available to assist persons in filing an application for Social Security Retirement, Survivors, Disability, Medicare, or Supplemental Security Income benefits.

SS Representative To Visit Today

A representative of the Vernon Social Security Office will be in Knox City Thursday, June 12, (today) at the City Hall between the hours of 10:00 a.m. and 12:00 noon.

The representative will be available to assist persons in filing an application for Social Security Retirement, Survivors, Disability, Medicare, or Supplemental Security Income benefits.

Benjamin Grad Named Research Director

Former Benjamin resident, Dr. James R. Coppedge of McAllen, has been appointed Research and Location Leader of the Screwworm Research Laboratory in Mission. This appointment was announced by Dr. E.L. Kendrick, regional administrator for USDA's Science and Education Administration. The Screwworm Research Laboratory provides the research support for the United States and Mexico screwworm eradication programs.

Dr. Coppedge graduated from Benjamin High School in 1960. He received his

B.S. degree from Texas Tech University in 1965 and his M.S. and PhD from Texas A&M University in 1967 and 1970. His parents, Mr. and Mrs. A.B. Coppedge, now reside in Guthrie. His wife Betty is the daughter of Mr. and Mrs. G.C. Jackson of Knox City.

Dr. Coppedge, a research entomologist, has been located at the screwworm Research Laboratory for the past six years. During this period, he has developed several new and unique trapping systems and bait toxicant systems for the screwworm.

ALDRIDGE VISITORS
Recent visitors in the home of Mrs. Betty Aldridge were her son, Ricky Aldridge and granddaughters, Melissa and Joanna, all of Odessa; her sister and her family, Mr. and Mrs. Bob McDonald and Bobbie of Biloxi, Mississippi; and Eddie and Lee McDonald of Silver City, New Mexico.

Joining the group was Mrs. Aldridge's husband, Willie, who is a resident of the Brazos Valley Care Home.

VISIT HERE
Recent visitors in the Chad Wilson, Greg Clonts, and Neil Perdue homes were Mr. and Mrs. John Marion and Mrs. Bob Sawallis of Fort Lauderdale, Florida; Mr. and Mrs. Sam Clonts of Round Rock, Mrs. Don Chandler and Mr. and Mrs. Duane Seay, Shelly and Kim of Snyder.

Dr. Coppedge was the leader of a research team which developed and successfully tested the bait-lure pellets for adult screwworms. This bait termed SWASS (screwworm adult suppression system) has been given considerable credit for the recent success of the screwworm eradication program. Dr. Coppedge and other members of the research team received the USDA's Superior Service Award for the development of SWASS.

FROM FORT WORTH
Mr. and Mrs. Harold Staats of Fort Worth were weekend visitors in the home of her parents, Mr. and Mrs. Z.I. Smith.

Their son, Colby, who had been visiting here for the week, returned home with them.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"All these things spake Jesus unto the multitude in parables; and without a parable spake he not unto them." (Matthew 13:34.)

When Jesus wanted to get a spiritual truth across to ordinary men and women, he used the vehicle of the parable. So it logically follows that in order to fully grasp the truth, we must first grasp the parable. A parable is a work of great artistry, and Jesus passed all other artists in the use of this medium. He told His parables in terms of things that never change, in the barest fundamentals of living. He told them briefly and was able to speak volumes in a few verses. So affectively were Jesus' word pictures painted that they not only capture attention but hold it, as would a great work of art. Jesus knew that this quality of simplicity would keep His good news safe and fresh through the ages.

Another simple but sound definition of the parable is that it is an earthly story with a heavenly meaning—a story true to this house of earth, but with a window open to the sky. In searching out the meaning of the parables you find the Holy Spirit guiding you into the deep truths of our God. They will guide you into great wisdom and understanding-giving you Joy and peace.

Letters To The Editor

Presently there is a movement to bring Home Box Officer (HBO) to Knox City. Many of the people I have talked to about HBO are uncertain as to what it really entails. HBO and another station, Atlanta sports channel, would be available to all Cable TV subscribers who will pay an additional fee for this service. This would provide the viewer with the same movies being currently shown in theaters. Although HBO sounds harmless at first it is truly something which will be detrimental and dangerous to the moral and spiritual welfare of our entire community. Why? Quite simply because if you check your newspaper to see what movies are currently playing you will see that the majority are rated "R" and "RG". When my wife checked the Abilene paper she found over half of the current movies were rated "R". Today a movie that is rated "R" is what in years gone by was rated "X".

"R" rated movies will show profanity, cursing, taking the Lord's name in vain, violence, and various scenes of sex, perversion, lovemaking, and nudity (an "R" rated movie would show a woman naked from the waist up). In other words they are not entertainment but pornographic in nature. These same movies that any moral and decent person would be ashamed to watch in public will now be coming into the homes of Knox City. HBO will sow seeds that will sprout with a general decline of decent morals, increased fornication, adultery, and divorce. Prov. 23:7 says, "For as a man thinks in his heart, so is he." The Bible also says that God is not mocked and whatever we sow we will someday reap. Can anyone honestly think that they can sit around and pour filth and garbage and what 10 years ago was plain old smut into his mind and expose his family to such things and not be affected for the worse? Granted not every show will be this bad, but just check the newspaper for yourself and see what will be shown.

There is another matter of crucial importance. What about the children? Who can guarantee their protection from all this? Yes, special locks for the TV can be obtained, but is everyone who subscribes going to spend \$35 extra for such a lock? Will the parents who are working always remember to put on the TV locks while their children are home unattended? If you don't subscribe to HBO yourself would that protect your child from seeing indecent things while over at the neighbor's house who might not ever care what his children see? The May, 1980 issue of Pro-Family Forum documents a case of this very type and the tragic

results. One argument says, "If you don't want it you don't have to subscribe." That same argument as always applies to so-called victimless crimes such as gambling, pornography, prostitution and even illegal drugs. Recently a woman from a town close to Knox City mentioned their home had HBO and she was ashamed of it. Certainly no Christian should even consider bringing HBO into their home. It's hardly something we would want to watch with Jesus, is it? I Thess. 5:22 says to "Abstain from all appearance of evil."

It may interest some to know that the Knox City Ministerial Association unanimously agreed to resist bringing HBO to Knox City. Thank God for pastors who will still proclaim righteousness and call sin what it is. A formal letter of protest was filed by the Association with Knox City Cablevision. In a conversation with Mr. Williams, the manager of Cablevision, he was very open and helpful. He is not promoting "R" movies and has no control over HBO programming. He is simply responding to the request he receives from the various individuals in our community.

Friend, Knox City has enough moral and spiritual problems already without HBO. The regular TV schedule is already so bad many people tell me the only thing that they watch is the news. What we need is a TV channel with Christian Programs and decent entertainment such as Channel 39 in Dallas (which Munday already gets). I believe that this is what the majority of the community really wants. If Christian broadcasting and Atlanta sports were offered it would cut the cost in half since half of the proposed \$9 will go to HBO. Call or write the Knox City Cablevision and express your concern against HBO and your desire for Christian Broadcasting.

Sincerely,
Rev. Stuart Miller

Eastern Star Has Saturday Installation

Lena and J.C. McGee were installed Saturday night as Worthy Matron and Worthy Patron of the Order of the Eastern Star Chapter #119 at the Masonic Fellowship Hall.

A salad supper preceded the installation and the banquet hall was decorated with ropes of small flowers and butterflies on the tables. Approximately 50 persons attended.

Frances King, Worthy Matron Pro-Tem, presented Loree Clarke with a 50 year certificate and pin for her long service to Eastern Star.

Musical entertainment was provided by the Mello-Deers and band from Fort Worth made up of McGee's daughters and their husbands, Frances and Arville Dear and Wynelle and Howard Mayfield.

Mrs. McGee selected as her colors, mauve pink and silver and her emblem, the butterfly. The butterfly, a symbol of resurrection, is the Chinese symbol of eternal love and the Indian symbol for eternal life.

Her motto is "There is destiny that makes us brothers, none goes his way alone, all we send into the lives of others comes back into our own." Mrs. McGee's aim is to try to bring more members back to Eastern Star. Her theme is "Unity and Love" and her selected scripture is "And now abideth faith, hope and love, these three, but the greatest of these is love." (Cor. 13:13).

Mrs. McGee has dedicated her year to her husband for she says, without him she could not have been a member of the order.

Other officers installed at the meeting were Mary Helen

Jenkins, associate matron; James Patterson, associate patron; Winifred White, secretary; Lewis Kay, treasurer; Ila Kay Gross, conductress; Tess Wall, associate conductress; Norma Sutton, chaplain; Opal Hutchinson, marshal; Elizabeth Wilson, organist; Paula Lorenz, Adah; Bessie King, Ruth; Marie Reeves, Esther; Charlotte Patterson, Martha; Latreace Lane, Electa; Margaret Moore, warder; and Elmer Wall, sentinel.

During the opening ceremony, Mildred Simpson presented the Bible with Bobby Simpson's presenting the square and compass. James Patterson, past Worthy Patron, gave the call to order.

Attending the altar was Lena McGee, conductress, and Frances King, past Matron, welcomed and introduced guests. Mrs. King also presented the installing officer who was Frances Richards of Paducah. Other installing officers were Joe Roberts of Munday, installing assistant officer; Reatha Mullins of Haskell, installing marshal; Frances Dear of Fort Worth, installing chaplain; Mary Beth Smith, installing secretary; and Wynelle Mayfield of Fort Worth, installing organist.

In the installation ceremony, Reatha Mullins read the proclamation and Ila Kay Gross closed the Bible.

Following greetings from the McGees and the introduction of family and friends, the presentation of traveling pins were presented to the past Worthy Matron and Patron, Frances King and James Patterson.

Winifred White was program chairman and James Patterson gave the benediction.

A reception followed the installation in the dining room. Pink punch and cookies were served from a mauve colored table cloth with a butterfly tree as the centerpiece.

Out of town guests registered from Paducah, Quannah, Haskell, Stamford, Fort Worth, Azle, Rule, Clyde, and Decatur.

The next meeting for the Eastern Star will be Monday, June 16, and all members are urged to attend.

Tammie Helton Supper Honoree

A recipe supper honoring Tammie Helton, bride-elect of Joe Huff, was held Tuesday evening, June 3, at seven-thirty in the home of Mrs. R.G. Howell.

Assisting Mrs. Howell with hostess duties was her daughter, Kay.

Special guest was the honoree's mother, Mrs. Bobby Joe Helton.

A delicious supper of ham, corn pudding, fruit salad, vegetable salad, homemade bread, and cherry pie was served.

Those attending, who brought their favorite recipe for the honoree, were Sonia Carter, Patti Durham, Missy and Kim Whitley, Kelly Watson, Gaylynn Burkham, Gerri Watson, Angelia Reid, and Celeste Phillips.

Shown are three examples of how rising prices are affecting the cost of producing electric energy. Of course everything else has gone up, too. Materials, equipment, labor - nothing has escaped the effects of inflation.

Which means that we at WTU are striving harder than ever to operate efficiently and economically as we meet the daily needs of our customers.

WEST TEXAS UTILITIES COMPANY

As always, WTU's goal is to provide a dependable supply of electric energy at the lowest practical cost. We hope you'll use it wisely.

Randy Pack On President's List

Weatherford, Oklahoma--Ernest R. (Randy) Pack of Knox City was one of 150 students who maintained straight-A grades during the spring 1980 semester at Southwestern State University and has been recognized by being named to the President's List.

Another 851 have been placed on the Dean's List for finishing the semester with 3.0, the equivalent of B, or higher grade-point averages.

Before a student can be considered for either honor roll, he or she must enroll in a minimum of 15 semester hours. The President's List includes those who make perfect grades, while the Dean's List is for students having 3.0 averages with no grade lower than C.

Randy, a 1974 graduate of Knox City High School, is the son of Mr. and Mrs. W.E.Pack.

John E. McAda Receives Promotion

u.s. forces, Germany -- John E. McAda, son of A.L. McAda Jr. of O'Brien, Texas, recently was promoted to Army sergeant first class while assigned as a maintenance supervisor with the 501st Aviation Battalion in Germany.

The appointing orders for this promotion states "...The Secretary of the Army has placed special trust and confidence in this soldier's patriotism, valor, fidelity and abilities."

The promotion was based upon these qualities and the demonstrated potential for increased responsibilities.

McAda entered the Army in April 1965.

He completed high school through the General Educational Development program.

His wife, Gloria, is with him in Germany.

Sandy Stubbs Is Artist Of Month
