BVRA Horse Show Is Slated For Saturday

Horse show fans and exhibitors are looking forward to the Second Annual All-Breed Open Horse Show sponsored by the Brazos Valley Recreation Association to be held in Knox City Saturday, July 19, beginning at 9:00 a.m.

One of the highlights of the day will be the homemade pit barbecue and country style beans sold at the concession stand, served by Ed Daniels and Bobby Roberson of Benjamin, who served the meals enjoyed by many area residents at the recent Knox City-O'Brien Homecoming, BVRA Junior Rodeo, and Mother's Day Dinner sponsored by the 4-H in Benjamin. Everyone is invited to come out to the arena, located one mile south of Knox City on State Highway Six, and enjoy a delicious lunch under the shade of large tents, and watch the horse show. There is no gate or admission charge to spectators, and all are welcome, a spokesman said.

Morning activities include halter classes for stallions, mares and geldings, with a Show Champion and Reserve Champion being chosen from the winners of the open halter classes. A halter class for color breeds follows, for Palamino, Appaloosa, Paint, Pinto and Buckskin horses and Ponies of the Americas, along with showmanship at halter for exhibitors 12 and under, 13 through 18, and

open (all ages). The first under-saddle class is the appealing Walk-Trot class for riders aged five and under (lead line optional), followed by an open reining class and an open English pleasure class.

A stallion parade will be held during the noon break, in which area breeders may exhibit their stallions individually in hand or under saddle. This non-competitive event is being held to introduce top area stallions to local mare owners for their consideration of them for next year's breeding programs.

The afternoon show program begins with an open trail class, in which riders and their mounts negotiate a series of obstacles designed to stimulate those found on the trail. Western pleasure and horsemanship are next for exhibitors aged 12 and under, 13 through 18, and open; followed by barrel racing, pole bending and flag racing in the same three age categories. The final event of the day is a ride-a-buck class, in which exhibitors try to keep their dollar bill beneath them (no hands, please!) on their bare-backed mounts.

Large trophies will be given to class winners, with ribbons to second through sixth placings. High point

awards will be given in each of the three age categories.

Judging the show will be Cathy Wheeler of Abilene. Bill Oden of Knox City will act as show photographer on an individual request basis. Entry fees for all events except the halter championship, stallion parade and ride-a-buck will be \$4.00. There will be no entry fee for the halter championship, open only to winners of the previous five halter classes, and the only fee for the ride-a-buck will be the entrant's dollar bill. Exhibitors may call (817) 658-3639 for further information.

Leftover barbecue and beans will be sold at the close of the show, dependent upon availability.

BVRA officials expressed special thanks to Smith Funeral Home, M System of Knox City, Counts Insurance and Real Estate Agency, Norma's Leather Express, City Hardware, Jones Drug Store, Bridges Oil Company, Clonts Hardware and Furniture, Mini-Mall, Lowery's Department Store, Ed Daniels Welding Service, Tackitts' Arabian Horse Farm, Boyd's Welding Service, Larson's Pharmacy, Penman Conoco, Skiles Brothers Exxon, Arnold Insurance and Real Estate, Speedy's Oil Field Service, and Tackitt Enterprises, Distributor of DRIVE for Horses, for their assistance and support.

City Sales Tax Rebate On Increase

AUSTIN, TEX. - State Comptroller Bob Bullock Thursday said city sales tax payments to Texas cities for the first seven months of 1980 are running about 20 percent more than payments during the same period in 1979.

He said payments for July to 936 cities total \$25 million compared to \$23.5 million during July of 1979 - a 6.6 percent increase.

Sales tax payments are just slightly ahead of the inflation rate for the first six months which the federal government has set at about 13 percent, Bullock said.

Knox City's July check will total \$3,046.76 as compared to \$2,192.46 in July of last year. Payments to date during 1980 are \$30,362.42, a 33% increase over \$22,710.78 in 1979.

Munday's net payment for July was \$1,501.55; Crowell, \$941.75; Aspermont, \$2,059.64; Haskell, \$4,350.68; Paducah, \$1,361.49; Rochester, \$814.94; Seymour, \$3,950.79; and Stamford, \$5,054.71.

Monthly totals were not computed for Benjamin, O'Brien, Rule, or Weinert.

The optional one-percent city sales tax is collected with the state sales tax by merchants and businesses and rebated on a monthly basis by the Comptroller's office to the cities where it is collected.

Opry's New Band Leader 'Fantastic'

Readers may have seen the Grapevine Opry's new band leader most recently on television singing from the roof of a Pizza Hut. Or they may have heard him singing at a favorite Dallas dining spot or playing piano at a concert, club or recording session for such artists as Larry Gatlin or LuLu of 'Hee Haw' fame. Or they may have heard him singing the praise of hamburgers, tacos or chicken in any of hundred of commercials for television and radio.

But one thing is for sure. If readers heard the new band leader on piano they know he is a talented musician and surely a prize for the Grapevine Opry.

Fans will be delighted with the fantastic way Dave Tanner leads the Grapevine Opry band, as well as the way he sings!

If readers want a real treat, in addition to helping benefit the hospital auxiliary they should be sure and attend the Grapevine Opry Road Show Thursday night, July 24, in the Munday High School Auditorium at 8:00 p.m.

Tickets are on sale at the First National Bank or McCauley-Smith in Munday, Dub's Grocery in Benjamin and Knox County Hospital and Knox County News in Knox City.

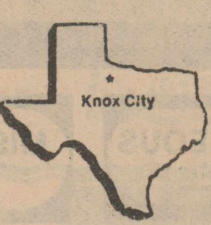

Helicopter Takes Baby To Dallas

A Care-Flight helicopter from Dallas was summoned last Thursday night when an infant, born at the Knox County Hospital July 9, encountered breathing difficulties.

The baby girl was flown to Methodist Hospital in Dallas, leaving here about 2:15 o'clock Friday morning along with two nurse attendants employed by Care-Flight. The helicopter was equipped with an incubator, a hospital spokesman said.

Also at the scene when the helicopter departed were members of the Knox City Volunteer Department including Chief Ken Lawson, along with firemen Craig Williams and Rob Harrison.

According to word received by Dr. W. F. Thompson's office staff, the baby was improved and doing well Tuesday morning.

PAUL GARZA

MARY GARZA

Mission Pastor Is Now KC Resident

Paul Garza, pastor of the Baptist Mission in Knox City for the past three years, has moved here from Haskell.

Paul, his wife Mary Ann, and children Chris, 18, Sara, 16, and Paula, 13, and a grandchild, Gary Paul, 3, are residing at 405 East Main.

The Garzas have two other children, Peter Paul, 21, of Abilene, and Delfina, 19, of Denton.

Paul is a native of Taylor, while his wife Mary is from Lubbock and Haskell.

He attended the Haskell Schools and later studied for a year and a half at Baptist Bible Institute in San Antonio.

The Baptist Mission has held services in First Baptist Chapel for the past three years, but recently purchased the former East Side Baptist Church building on North Second and began

Spanish services there on July 6, where Sunday School begins at 9:45, morning worship 11:00, and training union and worship services at 6:00 each Sunday.

Prayer service is held on Wednesdays and everyone is welcome to all services, Garza said.

For Possession, Sale

Drug Suspect Apprehended

An investigation that concluded Sunday evening, July 13, resulted in the arrest of one subject for Felony Possession Of and Sale of Marijuana. The Knox County Sheriff's Office, the Knox City Police Department, the Munday Police Department, DPS Trooper Danny Wainwright, DA Investigator Jim Foy and several area residents cooperated and worked together throughout most of the day Sunday after information was received by Knox City Police that a large amount of marijuana was being offered for sale in Knox City.

One subject was booked into the County Jail and information was received about two other persons possibly involved in the Marijuana

case. Recovered were 18 plastic "baggies" of a substance believed to be Marijuana, having a street sale value of \$1,000.00. The recovered evidence was taken to the Texas Department of Public Safety Laboratory in Wichita Falls for analysis and verification. Law officials expressed their appreciation to the many area residents who came forward to them with information concerning this case.

Turners To Remain In KC EMS Job

John and Ilene Turner, EMS technicians who submitted their resignation effective July 10, have decided to remain in Knox City and continue with the EMS job.

According to Ambulance Board members, the ambulance phone number is 658-3990, and persons within the area served by the Knox City Emergency Medical Service are asked to make a note of this number.

James Evatt Returns Home

James Evatt, who was injured in an automobile accident on June 28, has returned home from Hendrick Medical Center in Abilene, according to his mother, Mrs. Dick (Annette) Evatt.

Mrs. Evatt also reported that James has almost mastered his crutches and has found that he is able to eat most of his favorite foods; however, he still cannot bite with his front teeth.

James hopes to be out of his cast by the time school starts or soon thereafter.

Church of Christ To Begin Meetings

The Knox City Church of Christ has announced a series of gospel meetings beginning Sunday, July 20, to run through Friday evening, July 25.

The guest evangelist for the summer meeting will be Jim Hackney of Fort Worth. Hackney is certainly no stranger to the Knox City area having been born at Knox City. He attended the Knox City Church of Christ most of his life prior to going away to college. He is a graduate of Weinert High School and Abilene Christian

University. Hackney served for eight years as youth minister at Baytown and Dallas prior to entering the preaching ministry in St. Louis, Missouri, in 1977. He moved to the Midtown Church of Christ, a congregation of 1300 members, in 1979. He has spoken at gospel meetings, youth rallies, retreats, etc. at numerous places in 20 states and has participated in evangelistic campaigns all across the United States and in Europe. Hackney begins his assignment in Knox City on Sunday morning at 11 a.m. when his topic will be "From Boredom to Boldness". The meeting will continue Sunday evening through Friday evening, and the public is cordially invited to attend, according to Bill Oden, local minister.

MR. AND MRS. RUSS ZAIGER
..the former Mary Kathaleen Verhalen

Couple Exchange Vows In Sunrise Marriage Ceremony

Mary Kathaleen Verhalen and Russ Zaiger were united in a sunrise ceremony on Sunday, June 29, in the rose garden beside Santa Rosa Church in Knox City. Uncle of the bride, Ray Akin of Austin, minister of the First Christian Church of Johnson City, performed the ceremony. The couple recited their vows under an arch of greenery accented by ears of Indian corn. The Indian theme used in this union symbolized new life and growth.

Kathy is the daughter of Mr. and Mrs. M. L. Verhalen of Knox City, and Mr. and Mrs. George Zaiger of Fort Worth are the bridegroom's parents.

The bride was escorted down the garden's flagstone path and given in marriage

by both of her parents. She wore her mother's restored wedding dress and tiara of white slipper satin enhanced by antique lace and pearlized buttons. The dress was hand sewn by the bride's grandmother, Carrie Hudson in 1939. Her veil of illusion was floor length and she carried an antique white lace fan accented with pink silk flowers and ribbonstreamers. The bride also wore an heirloom cross necklace worn by her mother, her sisters, and her brother's wives on their wedding day.

Kathy's honor attendants included her friend Laurie Kawalic of Arlington and her sisters Melanie Whitley of Knox City, Donna Albus of Abilene, and Velvet Noah of Grapevine. The bridesmaids wore floor length gowns of

dusty rose with matching hooded capes. They also carried white lace fans trimmed with pink silk flowers.

The bridegroom's father served as best man. Groomsmen included Larry Beard of Fort Worth, Randy Jones of Seguin, and John Noah of Grapevine. Damon Albus, nephew of the bride, scattered Indian corn seed from a woven Indian wedding basket preceding the bride's entrance.

Mr. and Mrs. Ronnie Verhalen, brother and sister-in-law of the bride, sang "Morning Has Broken" before the wedding procession began. Mrs. Verhalen sang the "Our Father" after the vows were repeated and then both sang "Joyful, Joyful, We Adore Thee" for the recessional. After the rings were exchanged, Laval Verhalen, brother of the bride, read an Indian Wedding Blessing.

An informal reception was held in the St. Isabel's Hall. A brown suede cloth covered the table. Appointments included a tepee cake, the Indian wedding basket used in the ceremony, an Indian maiden and brave, and several Indian artifacts. Kimberly and Melissa Whitley, nieces of the bride, served at the reception. Marilyn Verhalen, sister-in-law of the bride, registered guests.

For going away attire, Kathy chose a floor length pink floral dress and an antique crocheted bonnet. Guests showered them with Indian corn from small burlap bags as they departed. Following a wedding trip through parts of Louisiana and Arkansas, Kathy and Russ will reside in Arlington.

Tentative plans are underway for a demonstration, and theory and imagery technique clinics to be conducted locally by the professional artist during a visit early next year, and interested persons are encouraged to contact Marti Tackitt at 658-3374.

Mrs. Kasper received her Bachelor of Fine Arts degree in secondary education from Boston University in 1969, and was named to the Dean's List of Special Distinction. After graduation, the artist was commissioned to produce a five-panel painting for TASC in Reading, Massachusetts. The finished work measures a total of five feet by sixteen feet, and is displayed in the reception area of the large corporation's main offices. She was employed as staff artist

Urgent Need Cited For Host Families

Rev. and Mrs. Don Jeffreys, pastor and wife of First Baptist Church in Roby, have recently been authorized by the Youth Exchange Service (Yes) Board of Directors to serve as representatives in this area to handle all related business of the YES. This exchange service, with international headquarters in San Clemente, California, has been designated by the United States Government to increase international understanding through the exchange student program.

If readers would consider becoming good-will ambassadors of the United States and missionaries of your faith, they may call (915) 776-2159 for more details and benefits. There are students waiting for placement now and unless they have a home by mid July, they must be told they will have to wait. For some of them, this will be their last opportunity to be an exchange student in the U.S.A.

SERVICES OF THE CHURCH OF GOD IN CHRIST

Sunday School had a good attendance with Assistant Supt. Manuel in charge.

We were very glad to have Missionary Gardner of Mt. Pleasant, Texas as a visitor on Sunday morning. She brought a lovely encouraging message in the morning service from Ruth 1:16 and Esther Chapter 5.

The Rule Church did an excellent job last week in Elder and Mrs. Leon Ward's Anniversary. They have served faithfully at the Rule Church these past years.

Distict Overseer Bennett preached a great message on Sunday the closing day of the anniversary in Rule. The message was from Romans 10:13, 15, Jeremiah 23:21, Psalms 37:23, Genesis 17:1 and I Peter 2:21, 22.

Knox County.

Kristi rode John's Choir to first place in both senior barrels and poles.

Leah showed an Apache Beauty to first place in both western pleasure and horsemanship and fifth place in reining. She rode Feather Lite to second in both barrels and poles. Leah competed in the junior division.

I guess it is not going to get much cooler until about October 15. If it does not rain soon it could be longer than that before we have some cold weather. I'm looking forward to it, I know about the middle of February next year I will want some warmer weather, but right now I'm not to sure of that.

I attended a tax meeting in Abilene Monday and it seems that so many of the counties have begun the setting up of their Central Appraisal Offices. It will take sometime to get them in operation. Some of the counties are just waiting to see what the changes are that will be made in the next Legislative session. I have a few that seem to think they may make enough changes that they will not have to have a central office. I'm sure they will not make this many changes. I think the central office will work out fine after it is in operation for a while and everyone gets used to the idea of it. It is not going to save much money until everything is ironed out and gets to operating fine. Then it looks like to me it should be cheaper for one office to do the same work that about six or seven in the county are doing now. Of course the Chief Appraiser is going to be getting a large salary, some people will think, but with the work and responsibilities he will have it probably will not be enough. He will have so many headaches that he will need a big check to kinda make up for the problems he will have. I would like to work in the office, but no way would I have the Chief Appraisers job, at first I thought this was just what I wanted, but have changed my mind since the State Property Board has come up with all that job will encounter, it will take someone bigger than me. The assistant would be fine, or just a secretary.

WHY GAS IS PLENTIFUL, EFFICIENT AND RIGHT FOR THE TIMES.

It's time to kiss rumors goodbye and settle down with reassuring facts, one of which is that gas is plentiful for the residential and commercial customers of Lone Star Gas Company.

Rumors are usually more exciting than fact, but the fact is that approximately 2,500 drilling rigs were at work in the United States in December 1979. This was the highest active rig count since 1956.

Despite persistent rumors that America is running out of natural gas, industry statistics reveal an increase in the ratio of successes to failures in gas-well completions in 1979.

As a result, the United States has about 14,700* new gas wells it didn't have a year ago. And exploration is expected to increase — not decrease — as higher gas prices offset the increasing cost of drilling.

Another reassuring fact is this: 50% of this nation's estimated remaining onshore gas reserves are in nine major basins in Texas and Oklahoma. Lone Star's pipelines connect with eight of these basins, so we'll have plenty of opportunities to buy new gas.

The new gas appliances can help you hold down your utility bills.

Gas is the naturally efficient energy that works in its original form, free of energy conversion costs. Direct use of it in your appliances actually conserves energy and saves you money.

Now, with the new energy-efficient appliances that use up to 30% less gas to do the same jobs your old appliances do so reliably, economical natural gas becomes even more economical.

The new gas appliances can help you hold down your utility bills without cutting back on the comforts and conveniences energy can provide. It's why natural gas and the new gas appliances are so right for the times!

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"...For his anger is but for a moment, and his favor is for a lifetime. Weeping may tarry for the night, but joy comes with the morning." (Psalms: 30:5).

Sorrow gives the human heart a profound shock. This human experience cuts deeply into the very center of one's life when he has to give up a loved one, but sorrow is one of the inevitables with which we deal. There is no bright or easy way to shield a person from the necessity of meeting its cold, hard weight at sometime in one's life. Therefore, we must be prepared to meet it when it comes.

The Word of God is the place to turn to that will enable you to meet your sorrow. It is filled with many messages of relief from God that will alleviate the anguish and pain. The power of God's Holy presence is precious; and will take the sting out of the hurt. It may seem he has anger toward you, but it's only for a moment. Remember his favor is for a lifetime, after the weeping will come the Joy of the Lord which is your strength so you can carry on through the darkness of sorrow, for He will bring you a new day. He feels your hurt and says "Come to Me" for comfort and your every need." (11 Corinthians 12:9).

An early evening wedding uniting Carolyn Sue Orr and Marq Carlton Brockett of Ralls was read Wednesday, July 9, at six o'clock in the sanctuary of the First Baptist Church in Knox City. This date marked the third generation of the Brockett family to be married on July 9.

The Rev. John Gillispie, church pastor, performed the double ring ceremony before an altar setting of two seven branched candelabra, two floral arrangements, and the unity candle. Family pews were marked with votive candles and flowers.

The bride is the daughter of Mr. and Mrs. W. C. Orr of Knox City, and Mr. and Mrs. Merle E. Brockett of Alamogordo, New Mexico, are parents of the bridegroom.

Providing wedding music at the organ was Tom Bryan of Crosbyton.

Soloist Keith Longbotham of Plainview sang "Wedding Song" and accompanied himself on the guitar. The bridegroom sang "Longer" at the close of the ceremony.

Given in marriage by her father, the bride wore a formal gown of white organza. Appliques of white floral lace with seed pearls enhanced the gown which also had a Cathedral train. Floral lace was repeated as accents on her picture hat and she carried a bridal bouquet of

peach and blue silk flowers. Maid of honor was Ruth Ann Randall of Albuquerque, New Mexico. Bridesmaids were Joyce Hughes of Sherman and Anita Crane of Lubbock. They wore gowns of peach floral print and each carried a single long stemmed peach rose.

Best man was the bride's brother, Alan Orr of Pampa. Groomsmen were O. D. Moore and Mark Smith, both of Crosbyton.

Lon Roberts of Crosbyton and Johnny Brannan seated guests.

Shea Stubbs and Melinda Roberts were candlelighters and wore blue eyelet floor length dresses. Katie Potts of Snyder was flower girl.

Registering guests in the foyer of the church was Mona Roberts of Crosbyton, cousin of the bridegroom, while Michele Roberts, also of Crosbyton, and another of the bridegroom's cousins, distributed scrolls.

The mother of the bride wore a peach formal with a lace jacket and a corsage of peach silk roses.

The bridegroom's mother selected a blue formal and also wore a peach silk rose corsage.

The reception followed in the fellowship hall of the church. Assisting with serving duties were Ellen Orr, sister-in-law of the bride; Cindy Potts and Laverne Roberts, the bridegroom's

Census takers are making their rounds in this area, calling at households which have not mailed back their 1980 census questionnaires. They are making telephone calls at most households which have mailed back incompletely filled out questionnaires.

Billy Yarbrough, manager of the district office, says the round-up should be completed in the next few weeks.

"You can easily tell if someone who knocks on your door is a census taker," the manager advises. "We all wear red, white, and blue identification cards with the U.S. Department of Commerce seal and 'Census Enumerator, Official Credential' printed on them, and each bears the wearer's signature.
