Mini Park Dedicated

Park was Memorial dedicated Saturday afternoon before a good crowd preceding the Coming Home pep rally.

The downtown mini park project has been underway for several years with David Counts as instigator and chairman.

Counts addressed the crowd explaining how the efforts of many had been responsible for the park for which plans began in the spring of 1975.

Donations given in the early stages of the project included those of Joe Clonts, Mini Mall, Counts Insurance and Real Estate, Norma's Leather Express, Perry's, Kent's White Auto, Walter Thomas, John Egenbacher, Jones Pharmacy, Bob's Super Save, A.T. Holcomb, Henry L. White, Hester Irrigation, Wayne's '66', West Texas Utilities, and City Hardware.

Judge Lewis Williams let the Chamber of Commerce have the property below market value, according to Counts

Kenneth Crownover, who was mayor at the time, received the cooperation of all the taxing entities on the former Lovelace property.

Downtown bake sales were held by the Knox City Country Club Ladies' Golf Association, the Knox City Garden Club, and the Woman's Community Action League to help with fundraising.

County Commissioner Billy G. Johnston and county employee L.D. Abbott helped in clearing off the lot, as did Lloyd Waldrip with his own tractor.

Leon Watson tore down the old buildings. Helping in clean-up were David Albus, Mike Oliver, Joe Clonts, the Cub Scouts and Boy Scouts from Troop 161, as well as the

Jaycees. Terry Keener, Harrison, and David Counts III were among the individuals who worked in

preparing the site. Greg Kuehler donated his labor on the concrete work and Leon Burkham and the **Future Farmers of America** classes, along with Jim Dillon and the Horticulture classes have spent many hours on the mini park and the beauty of the lawn, flowers, and fence reflects their hard work.

Among others who have helped are Kay and Steve Pepper, who donated the flag pole; Dick Evatt and James Evatt, who painted the flagpole; Jimmy Lynn of Lynn Electric donated the water line; Marti and Merle Tackitt, who donated the U.S. flag; Smith Funeral Home and Rawlins Monuments who donated the marker; Charlie Spencer who uses his expertise on caring for the lawn and flowers; and Billye Angle for the publicity in The Knox County News.

Others who have helped, Counts said, are city manager Faye Railsback, city employees, and Chamber secretary-manager Doris

Dinner To Be Held Oct. 12 In Rhineland

The Rhineland Council of the Knights of Columbus will once again be sponsoring an old-fashioned sausage dinner on Sunday, October 12, from 11:30 until 1:30 p.m. at Rhineland.

Prices and details appear in an ad elsewhere in this week's News.

In addition to the meal, the members will be selling quantity orders of sausage.

The Ladies' Bazaar will also be another feature during the day.

As this has become a popular annual event, the Knights of Columbus is looking forward to seeing old friends as well as inviting

new friends to attend. Orders for sausage and advance meal tickets may be purchased from any member of the Knights of Columbus, a spokesman said.

ACCEPTING THE DEED to the downtown mini park which has been named Pioneer Merchants Park is Mayor Charles Auburg. Chamber president Dessie Egenbacher presents the deed to the property on behalf of the chamber project, which was chaired by David Counts.

CUTTING THE RIBBON in Saturday afternoon's dedication ceremonies of the Pioneer Merchants Park is Henry Jean Jones, second from left. The project was supported enthusiastically by his late sister, Martha Jones. Others from left are Chamber president Dessie Egenbacher, David Counts, and Charles Auburg.

Crownover.

Memorials have been made by the Woman's Action League in memory of Mr. and Mrs. H.N. Sherman, parents of Mrs. Dick Evatt. Those donating in memory of Martha Jones, chamber president who strongly encouraged and supported the project, included David Counts, Shelton Boyd, R.T. Boyd, Grace Welch, the Goodwill Club, and the Woman's Community Action League.

The Citizens State Bank, Bruce Campbell and the directors contributed funds to complete the project as they knew it was Martha Jones' desire to see the park and parking lot completed.

Chamber president Dessie Egenbacher presented the deed to the property to Mayor Charles Auburg. Auburg accepted on behalf of the city and told the crowd that Knox City is a community that works together and consquently 'gets things

Cutting the ribbon was Henry Jean Jones, local pharmacist and brother of the late Martha Jones.

Officials Urge **Grass Fire Caution**

Local Fire Marshal Roland Marion has joined with city officials in urging Knox City residents to use extreme caution in regard to grass

Several calls have been answered in recent weeks and residents are asked not only to use caution but also be aware of the danger involved.

Hounds Fall To Munday

By DAVID COUNTS

A big crowd was on hand for the annual Coming Home shootout beween the Knox City Greyhounds and the Munday Moguls.

This year's contest had extra spice added, as the Mogul head coach Jerry Lowrey was one of the Greyhound coaches for ten years.

The Greyhounds won the coin toss and elected to use the wind. On the opening kickoff the Moguls fumbled and the Hounds recovered on the Mogul 35-yard line. On the eighth play, Ricky Gutierrez scored from five yards out. The try for the extra point was no good.

The Greyhound defense stopped the Moguls cold after the kickoff and forced a punt. An over-zealous Greyhound ran into the punter, giving the Moguls a first down after the

The Hound defense led by Andy Barnard and Chuck Hutchinson, stopped the Moguls. Munday kicked to the Hounds' 20-vard line.

The Hounds made 21 yards on three plays before a fumble gave the Moguls the ball on the Hounds' 41. Thirteen plays later Munday scored a touchdown and kicked the ex-

Auxiliary **Thrift Shop** Is Now Open

One of the main fundraising projects for the Knox County Hospital Auxiliary is the Thrift Shop which opened Friday of last week in the building situated between Janie's Barber Shop and Joe Reeder's law office on Cen-

Mrs. Jerry Smith, auxiliary president-elect and chairman of the Thrift Shop project, said Auxilians were wellpleased with the first two days the shop was in operation. All help is strictly volunteer, as is all the auxiliary work, and more workers are needed to keep the shop open, Mrs. Smith

She expressed appreciation to all who had helped in any way with the project, and urged any others who had time to come by and assist. Mrs. Smith also asked that any item of clothing to be donated be in good condition, and clean.

Other items which sell real well, Mrs. Smith said, are costume jewelry, children's clothing, and small applian-

All proceeds from the shop go to the Hospital Auxiliary which in turn goes to benefit the Knox County Hospital.

At present, enough volunteers have offered to keep the shop open on Tuesday, Wednesday, and Saturday, and hopefully, with others to help, it can remain open the remainder of the week.

Front Brings Some Rain Early Tuesday

A front moved through the area early Tuesday bringing some much-needed rain along with lots of lightning and thunder.

The electrical storm began about 12:30 a.m. and continued for about an hour. No damage from the storm was known, and many were out walking around in the light sprinkle that continued until

about noon. Knox City had received .90 according to the scanner on Channed 2 as of Tuesday noon. South of town between Rochester and Rule, reports were from one and one-half to three inches. Amounts were lighter to the north, with reports of only three tenths in

The Hound defense held on fourth down. The offense showed a spark on a 16 yard pass play from Jay Rutherford to Adam White. The Hounds gambled on fourth down and five yards to go on the Moguls' 40 yard line with about two minutes left in the half. The gamble failed.

The Moguls using the wind, scored on three plays, one a 47-yard pass to the Hounds' eight yard line. The extra point was good and the Moguls took a 20-6 lead into the locker room at the half.

The second half was all Greyhounds. The defense held Munday to one first down minus 15 yards rushing and 15 yards passing.

The offense moved the ball very well. The blocking was excellent in the line.

Tim Roberson broke around his left end midway through the third quarter for a 59 yard touchdown. Rick Gonzales' kick was good. Score: 20-13

On the first play of the fourth quarter, the Moguls punted to the Hounds' 20 yard line.

The Greyhounds used eight minutes and 17 seconds to drive the length of the field in 19 plays. Tim Roberson carried into the endzone from two yards out. On the extra point try, Roberson was short by about four inches and that was the ball game.

The Greyhounds learned a lot from this loss. They can be proud of the comeback they made. To be behind 14 points at halftime, and yet have an opportunity to win the game was a notable accomplish-

The loss was a pre-season game. The real season begins on October 3 at Chillicothe. Game time is 7:30 p.m. for

district games. The quest for a State Class A football championship has not been dimmed. The pride of the Greyhound players has been bruised. The Number One rating is gone. Someone will pay when district play begins.

MAKING AND DONATING this beautiful quilt to the West Texas Rehabilitation Center are Mrs. Lula Hammons, left, and Mrs. Louise Finley. This is the second quilt the ladies have made for the Center, the other one featured the popular cattle brands. The above features autographs of those stars who appear on the Rehab Telethon each year as well as some of the officials, such as Shelley V. Smith, executive director. According to the women, the quilt will not be auctioned off until the Telethon. A square for The Angle Sisters appears to the right of that of Rex Allen Jr.'s near the center of the guilt.

CHIEF'S NOTES

By DAVE THOMPSON KNOX CITY CHIEF OF POLICE

Something new will be undertaken here in Knox City in next few weeks, something that will benefit the merchants of our city. One of the biggest problems that our merchants face is that of checks being returned

for insufficient funds or for no-account reasons. Soon, the Police Department will begin a new program designed to help the merchants with this

After consultation with City Judge, Walter Rauch, a program has been designed that will bring city law enforcement officers into direct contact with complaints for 'hot" checks to local stores.

After a merchant has received a check back on an individual for either insufficient funds or no account, the merchant is required to send a registered letter to the person involved, to officially notify them of the check. If there is no response to the letter, the merchant can sign a complaint here with the Knox City Police and the City Judge. Once this has been accomplished, the judge will issue a warrant for the arrest of the person involved. The warrant will have a pay-off amount indicated, an amount that will include the amount of the check plus a fine imposed here in City Court by

Cotton Tour Set To Boost Major Export

Memphis -- Customers representing ten major Far East markets for U.S. cotton will arrive Oct. 13 for a firsthand look at one of the nation's major export commodities.

Sponsored by Cotton Council International (CCI), the National Cotton Council, and USDA's Foreign Agricultural Service, the annual orientation tour is designed to increase the U.S. industry's share of overseas cotton

The tour will begin in Fresno, Calif., and conclude with a visit to the New York Cotton Exchange.

Twenty-one foreign mill executives are participating in the tour representing Bangladesh, Hong Kong, Indonesia, Japan, Korea, Malaysia, The Phillippines, Singapore, Taiwan, and Thailand. In 1979-80, these countries imported a combined total of 5,028,000 running bales of U.S. cotton, or 57% of the cotton shipped from the United States.

Accompanying the group will be A. John Maguire, CCI Far East director.

Participants will see how processed, and marketed during the two-week tour. They also will learn about latest developments in a spectrum of research projects and will visit with individuals involved in various phases of the industry. In addition, they will be briefed on prospects for the current crop, export policies, and

Other stops will include: Oct. 15. Bakersfield, Calif.; Oct. 16, Phoenix, Ariz.; Oct.

"....I will be with you; I will not fail you or forsake you." (Joshua 1:5).

When we look farther into the 'scriptures, believing them deep in our hearts we know that God will never leave us alone nor forsake us. then our fear, doubts, and nervousness will give way to confidence. The nervousness and fear is often times caused by self doubt, insecurity and the feeling that you have to fight life's battles alone. Great peace and courage come into your inner being by believing God's Word and promises that He will stand by to help and support and protect throughout your whole life.

The main thing is to remember to obey God's Word, "Be still and know that I am God!, Also be still before the Lord, and wait patiently for Him." (Psalms 37:7.) I know that is difficult sometimes if you are nervous. But the writer of Psalms knew that full well: so he advised you to "Be still before the Lord." By that he meant to form a picture in your mind of the greatness. the goodness and peace of God. Simply wait in his Holy quietness until you hear Him speak words of refreshment, serenity, and quietness, your nerves will then relax, because your mind, which controls your nerves, is filled with God's quietness. It's yours for the asking in the Holy quietness.

SBA Helps Auto Dealers

LUBBOCK, TEXAS -Nearly 500 financially troubled auto dealers have been helped so far by a special U.S. Small Business Administration SBA) loan program.

These dealers have received loans totaling more than \$100 million, SBA Administrator A. Vernon Weaver announced today.

At the same time, Russell R. Berry, Director of the Lubbock District Office, announced that four dealers have received loans in the 87 counties comprising the Lubbock District. These loans total \$909,000.

The assistance program was undertaken in accordance with President Carter's overall initiatives to help the auto industry during its serious, temporary downturn. The President announced his initiatives on July 8.

"We at SBA are gratified that we have been able to assist so many of the nation's automobile dealers," Weaver said. "These businessmen, many of whom manage long-established operations in their communities and who are leaders in their home towns, have faced recent difficulties mostly beyond their control

"Our special loan guarantee program, with its reduced paperwork and minimum redtape, can help auto dealers stay in business during the adjustment period they and the auto industry face today."

District Director Berry commented today that "the special loan program is proving to be a distinct help to dealers in this area. The program will help our area and local dealers remain viable business persons and continue to contribute to our

'On July 24, SBA's nearly 100 field offices started giving special consideration to auto dealers seeking financial assistance. Instead of requiring special audited financial statements in loan applications, SBA permitted auto dealers to submit their regular financial statements to participating banks where SBA guarantees up to 90% of the loan. Such loans are available for periods of up to ten years and carry bank interest rates.'

SBA also accepts the bank's judgement collateral adequacy.

In another move to help dealers, the Agency redefined its size standards to make more auto dealers eligible for the loans.

As of September 5, Weaver reported that SBA had received 873 applications for auto dealer loans totaling \$175 million. Of this number shine Band and Purity Class 473 loans have been approved

for \$100.8 million. An additional 468 applications for about \$100 million are still pending in various stages of processing

at participating banks. In a special loan program created for dealerships owned by minority persons, Weaver reported 36 loans approved, totaling \$6.7 million.

Houndettes Win Two Over Vernon Northside

By Steve McIlhaney

The Houndettes raised their record to 7-0 by defeating Vernon Northside in two matches. In the first match the Houndettes won both games easily 15-3 and 15-3. The second match was a little tougher but the Houndettes won 15-5 and 15-8.

As a team, the Houndettes played very well and did a good job getting to the ball and hitting it well. Our errors were way down and we only averaged six per game. Our serves were 91% in getting the ball in play and our spikes were at 87% in getting back over the net.

In the individual stats, Karae Beason and Mindy Hutchinson were the leaders at 100% and 96% respectively. Karae was 19 for 19 and Mindy was 22 for 23. Min-

dy and Mary Albus were the spiking leaders with 88% and 92% respectively. Mary was 12 for 13 and Mindy was 15 for 17. Kay Howell and Chayo Garcia had 19 and 17 sets respectively to lead the team,

These girls are the leaders on the stat chart but to do as well as we are doing it takes a team effort. Patty Durham, Adela Rocha and Diane Helms have done a good job in contributing to our present

In the Junior varsity game, the Houndettes lost a hard fought contest in three games by a score of 15-12, 13-15, and 11-15. Errors were the major cause for the loss. The team had a total of 39. Overall the team improved in serving, spiking and setting but we committed errors which led

Lone Star Gas Names New V-P's

DALLAS--The Lone Star Gas Co. board of directors announced an organizational realignment effective October 1, which will allow the company to provide improved natural gas service to its 1.1 million customers in Texas and Oklahoma.

Under the new plan, six operating divisions have been established with each headed by a first-line executive officer reporting to the senior vice president for operations.

"The current organization has served well since early 1979." Carol Neaves, Lone president, said."However, this restructured organization shortens commuication lines and places the appropriate authiority with the Lone Star official who is best situated to handle geographically unique circumstances."

Ben E Thomson, vice president of the Fort Worth division of distribution, was

elected vice president of industry relations and will report directly to the office of the president.

Gary W Cumbie, presently manager of Lone Star's Waco region, will become vice president. Fort Worth distribution division, and will supervise the existing Fort headquarters.

News Notes from the **Brazos Valley Care Home**

BY LAURA IVIE

Sunday morning, September 21, Ozelle Stephens taught Acts 24. There were 20 in Sunday School.

Sunday afternoon Rev. Bill them. Trice, pastor of the O'Brien Baptist Church, delivered a beautiful sermon. There were 25 attending church. Rev. Trice read 1st Thessalonians Chapter 4, 13-18. His words held a special meaning to everyone listening.

lev assisted with the singing of several lovely hymns.

We're all very sad over the loss of one of our residents, Effie Chandler. Effie passed away Saturday evening. She was a dear lady and everyone who knew her and loved her will miss her. Our deepest sympathy to her family and our prayers are with them.

In the past I have mentioned our need for volunteers at the Care Home. I don't think many of us realize how important this really is. There are so many little things we can do to make these people happy. With so many of us working it's hard to take time for these things you say, but a couple of hours

a month would help. I invite everyone to come visit us, go through our Care Home, and see what a wonderful facility we have. Our staff is marvelous and we have an excellent administrator. We're all very proud of Brazos Valley and we want the people of Knox City to be proud also.

If any of you would take just 30 minutes to come see us and visit our residents, I'm sure you would feel the love and caring these people have in their hearts.

Growing old is something we all must face, but it's just another part of our lives. It's not a time to stop living, but a time we should enjoy and make the most of.

Won't some of you search your heart and see if there isn't a chance you have just a little time you can give to these beautiful people. Please Help Us! The reward you

receive will be well worth it, especially when you see one of these people smile for something you've done for

Blessed are they who understand my faltering steps and shaking hand.

Blessed are they who know that my ears today must strain to catch the words they

Blessed are they who seem Mr. and Mrs. Jack Tanker- to know that my eyes are dim

Blessed are they who looked away when my coffee spilled today

Blessed are they who, with a cherry smile, stopped to

Blessed are they who never say "You've told that story

twice today.' Blessed are they who know the ways to bring back lovely yesterdays.

Blessed are they who make it known that I am loved, not left alone.

Blessed are they who know the loss of strength which I now need to bear the cross.

Blessed are they who ease the days on my journey home in so many loving ways.

Social Security Number Is Key

A person's social security a person changes jobs often. number is the key to his or her lifetime protection under social security, James Harsecurity office. per, Social Security Branch Manager in Vernon, said

All earnings that a person has over his or her working lifetime are recorded under that number; and if an incorrect number is used, that person may not receive proper credit for all his or her earnings.

recently

James said that people should take their card with them when they get a new job and make sure the employer copies the number just as it is shown on the card.

A person should keep a record of his or her number in a safe place. Then if the original card is lost, a new card with the old number can be obtained easier than if the number were not known.

If a person ever becomes aware that he or she has more than one social security number, he or she should contact any social security office right away. The people there will help get the situation cleared up so that the person gets full credit for all of his or her earnings

It is against the law for a person to use someone else's social security number. It is also against the law to, give false information when obtaining a number. Penalties include a fine or jail sentence.

It is a good idea for a person to check his or her social security record every 3 years or so to make sure earnings are being correctly reported. This is especially important if
