## WTU Is Seeking General Rate Increase

West Texas Utilities Company has filed application for a general rate increase, Dick Evtart, local manager announced.

The official filing was made Tuesday, September 30, with incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase to customers outside incorporated towns.

The proposed rates would produce an increase in total revenue of \$12,729,619. This amounts to 8.27 per cent based on revenues of \$153,914,156 for the test period ending this past June 30.

The company requested that the new rates become effective November 4.

One of the basic reasons for the increase was cited as inflation.

"The cost of providing electric service continues to increase more rapidly than revenue," the manager said.

This rate adjustment would be only the second general retail rate increase in the company's entire history, which goes back more than 50 years. The other increase was in 1973 and amounted to about six percent across the board.

"We've managed to make that six percent go a long way," the WTU manager said, noting that every other utility company in the state, and probably in the nation, has had at least one increase since then and most of them have had several.

Several reasons were given as to how WTU has been able to manage without a rate increase during the past several years of double-digit inflation. Chief among these was the timing of WTU's power plant construction. Its newest and largest station was completed in the mid-1970s and provided generation reserves sufficient not only to last for several years but to allow profitable energy sales to

other companies. The Company also cited its reputation as a conservative company with firm control of its expenditures.

However, the WTU manager said, the company can no longer absorb the effects of inflation without risking a dangerous decline in its financial condition. Of necessity, the company is entering into a multi-year construction program which will include a new coal-fired power plant and several high voltage transmission line projects.

The proposed rates were based on detailed analyses of each customer rate class, including studies of their energy usage patterns, the

investment required to serve them, and the cost of operation applicable to those customers.

The Company's rate structure, which now has over 125 rates for many types and classes, would be reduced to less than 30 rates. The effect of the increase on the different customer classes would vary according to present relative rates of return from each class.

For example, the typical residential electric bill would increase by about 10 per cent.

Although customer bills have risen substantially in the past few years, the increases have been the result of more usage and higher fuel costs. The average residen-

tial customer's electric usage in the WTU system increased from 6,363 kilowatt-hours in 1972 to 8,270 kilowatt-hours this past year.

The cost of fuel has risen from 23 cents per million BTU in 1972 to \$1.96 this past summer. Generally, this fuel cost is the only increased expense that has been shared by the customer under WTU's recent rate schedule.

The city has several options in responding to WTU's rate requests. It may approve the increase, deny the increase, or suspend the rates for a certain period of time. The city also has the option of denying the request and ceding future jurisdiction to the Public Utility Commission.

## Area Rains

Heavy rains north of Abilene Saturday night resulted in flood warnings and road closings in Haskell, Stonewall, Wichita, Clay, Baylor, and Archer Counties.

The storm, caused by a cold front extending from the Louisiana coastal waters westward through South Texas and Southwest New Mexico, became stationary Friday night.

Warnings were issued from the National Weather Service in Wichita Falls for Wichita, Archer, northern Clay and northern Baylor Counties until 8:00 a.m. Sunday.

Knox City's total for the past week was approximately 7.5 inches. The clouds hovered over this area and rain fell slowly. Every drop was soaked up by the dry,

parched ground.

Flooding around Lake Stamford Monday caused some residents of cabins or trailers there to seek higher ground. According to National Weather Service reports, the lake was eight to 10 feet over its spillway Monday morning, although it dropped off to four to seven feet above the spillway Monday afternoon.

Haskell, with an eight-day total of 10.65, reported some residents had evacuated their homes following some flooding. Haskell police reported the situation stable late Sunday with the floodwaters receding.

Hamlin, with 14.10 recorded in eight days, had 30 families evacuated from their homes and 59 nursing home residents evacuated.

## Adult Education To Begin October 7

Registration for Adult Education classes in Knox City will begin Tuesday night, October 7, and will be held each Tuesday night at the high school. Registration will be in the library and classes will be held for three hours from 6:00 to 9:00 p.m.

Adults 18 years of age or older and who have been out of school at least one year may register for one of three levels of instruction. The basic level (grades one through three) will be held for those persons who have little or no schooling, need English as a second

language, and/or are working toward U.S. citizenship. The intermediate level (grades four through six) will be for those who have completed the basic level and have had some formal schooling. The advanced level will involve those who have completed the intermediate level or have some junior high or senior high school education. The advanced level will prepare the students for the General Educational Development (GED) high school equivalency test.

All adult education classes are free to those attending and books and supplies are provided without charge. For further information, readers should call the local instructor Joanna Delgado at 658-3147 or contact Betty Davis, area program supervisor, at Haskell High School.

## St. Paul Baptist Dinner Set Sunday

Readers are reminded that Sunday is the day that the St. Paul Baptist women will be preparing and serving dinner at the Knox City Community Center.

Prices for the fund-raising meal will be noted in the church's classified ad in this week's News.

## Sr. Citizens Set Afternoon Of Games

The Senior Citizens of Knox City will host an afternoon of popular games at the Central Kitchen on Tuesday, October 7, at 1:00 p.m.

All senior citizens are invited and are asked to bring dominoes or any other games for amusement.

If readers plan to eat lunch, reservations must be placed by Monday, October 6.

## Bloodmobile Gets 69 Pints

Sixty-nine pints were collected during the Tuesday, September 23, Bloodmobile visit to Knox City held at the First United Methodist Church.

According to Bloodmobile chairman, Doris Crowover, David Albus was presented his three gallon certificate, John Crowover and Ruth McElroy both received certificates for being two gallon donors, while one gallon certificates were presented to, Cornelia Tolleson, John McCown, and Clint Jones. Mrs. Crowover also reported that there were 14 first time donors.

Fifteen units were received as replacements for Aimee Pratt and five as replacements for Pat Barton.

Presenting themselves as donors were Bill Duncan, Andrew J. Correll Jr., David Albus, John B. Turner, Ruth McElroy, John E. Helms, Roland Marion, Tom Kent, Carol Godsey, Joe Godsey, Clarence W. Oden, J.O. Brothers, Daniel Alsides, Bobby Oden, John Reynolds, Barbara Barnard, Joe Barton, Tad Richardson, Melba Pharr, Henry J. Jones, J.M. Emerson, Derrell Marion, Sonia Carter, John Crowover, Stella Ferguson, Joe Marion, and R.P. Barnard.

Also, Robert Sutton, Pat Bradbury, W.C. Orr, A.B. Robertson, Bruce Campbell Jr., Cornelia Tolleson, David Counts, John McCown, Olga Magana, Charles Griffith, Aliene Groves, Cathy Marion, Jessie Roberts, Payton Tankersley, Ronnie Phillips, Jimmie Cooke, Dana McIlhane, Barney B. Ar-

nold, Paul Clayton, Bill Stewart, Peggy Guinn, Sheryll Reed, Ted Bolzle, W.R. Baker, Jim Dillon, Buddy Hale, and B.R. Anderson.

## Boosters Vote On Equipment

The Knox City-O'Brien Greyhound Booster Club in a meeting Tuesday night, September 23, at the 'Ag. Building, voted to install yardline markers at Bulldog Stadium at O'Brien and to buy a ball washer for the athletic department.

The much needed yardline markers will make it easier for officials and for players to know exactly where they are on the O'Brien field. At the present time, with no markers at all, it is sometimes difficult for players, officials and fans to know exactly where the play is located on the field.

The ball washer will save the athletic department approximately \$150.00 per year in ball costs as it lengthens the life of balls by a considerable amount. It will be used for all balls—football, basketball and volleyball.

PROUDLY DISPLAYING his money tree is Donnie Byrd, who left Sunday for Children's Medical Center, 1935 Amella, Dallas, Texas 75235. The money tree was compliments of hospital employees. Donnie was scheduled for surgery Tuesday of this week. His grandmother, Mrs. O.B. McElroy, is in Dallas with him. Correspondence may be sent to Donnie in care of the above address.

## Round-Up Officials Pleased

The 1980 Cattleman's Round-Up for Crippled Children netted over \$179,000 for the West Texas Rehabilitation Center in Abilene Monday.

Considering the kind of year it has been for ranchers, officials seemed pleased with the day's figure.

Shelley V. Smith, executive director for the Center, thought it was a good day even though the sale fell short of last year's total. He said he was pleased, and explained that even with the week's rains, the sale was well attended.

Lee Smith, chairman for the Knox City area, expressed his appreciation to area donors, and said that because several who were unable to get their cattle in, gave cash donations instead.

## Allsup's Sets Sixth Marathon

The sixth annual Allsup's Marathon, to be held in Clovis, New Mexico, on October 4, will feature an outstanding eleven year old runner who holds two national records in the 26.2 mile event. Sean Hartley, from Fort Lupton, Colorado, will be in New Mexico in an attempt to set a third national record. Sean, who holds the records for the 9 and 10 year old age groups, is setting his sites on the 11 year old record and will attempt to run the event in less than three hours time.

The Marathon, sponsored by Allsup's Convenience Stores, sanctioned and certified by the Amateur Athletic Union (AAU), will offer runners a choice of three courses: a 26.6 mile event, a 13.1 mile race, and a 10 kilometer course. Persons interested in participating in the race may obtain a registration form by writing Gary Britt, 3201 Wallace Street, Clovis, New Mexico 88101 or by calling (505) 762-1458. Registrations may be made through October third.

## CHIEF'S NOTES

By DAVE THOMPSON  
KNOX CITY CHIEF OF POLICE

Since this column will be coming out in the edition of THE KNOX COUNTY NEWS that starts the month of October, let's take a few minutes to reflect on October and the coming months of November and December. The Holiday Season is rapidly approaching, this month brings Halloween, next month brings Thanksgiving and then before you know it, Christmas is here again. The reason that I want to mention these dates is for the sake of SECURITY.

Each year as the Holiday Seasons approach, there is a nationwide increase in both thefts and burglaries. The burglaries occur mostly to houses and the thefts occur both in the residential areas and from automobiles. There are ways that you can make things difficult for those that would choose to steal, being security-minded is the key to helping yourself and us in the Police business as well.

A great number of residents of Knox City leave their homes unlocked on a regular basis, thinking that since Knox City is such a small community, no one would ever break in here while residents run off to the store for just a minute. Those kind of thoughts are really an open invitation to the type of person that would steal. Remember to lock your houses, check the latches on windows to make sure that they are secure, and if screens lock or latch from the inside, be sure to check them also. If you are to be away after dark, leave lights on and let a friend know where you can be reached. A lot of homes in Knox City and Knox County are older homes with older types of door knobs and door locks. The very best deterrent as far as doors are concerned are good, reliable

DEAD-BOLT locks. They are much more efficient and are designed to make forcing doors difficult. If screens do not latch from the inside, small latches can be purchased that will aid in securing them solidly. Dead-bolt locks and latches do cost a little 'bit of money', but in most cases, the cost is minimal compared to losses actually suffered in thefts.

A reminder about your cars and security, do not leave your keys in your ignition. Take your keys with you and lock your vehicle when you leave it. Some doors can be gotten into easily, but the effort will usually take time and attract attention. If you are doing a lot of shopping and have several stops to make, you might consider leaving packages locked in the trunk instead of in plain sight in the interior of the vehicle.

The Holiday Seasons can be very miserable if you have to suffer a loss. By being security-minded, maybe it can be a better time of year for all.

Also for October: Remember to check your license plates and your Safety Inspection Stickers to make sure that they are current. A lot of them expire with the passing of the month of September.

### IN TYLER

Mr. and Mrs. Eddie Shaver visited their daughter and her family, Mr. and Mrs. John Muller, Annica, and Edward in Tyler last weekend.

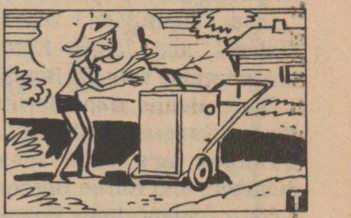

## NEWS OF SAFETY

**Shredding Do's And Don'ts**  
Fall is the time to pick up leaves, dead grass and fallen tree limbs, and to trim away those dead branches before winter sets in. To dispose of the debris, some people use a shredder-grinder. You can use yours safely if you heed this advice from the Outdoor Power Equipment Institute:

1. DO read the owner's manual before using the machine. Know where all the controls are—especially the one that turns off the motor.

2. DON'T refuel until the engine has cooled for about ten minutes.

3. DO wear sturdy, rough-soled shoes or boots that won't slip.

# Houndettes Win Over Hawley In Volleyball

By Dale Waincott

The Houndettes traveled to Hawley last Monday night to come out on top once again. Two matches were played by the varsity and one match by the junior varsity.

In the varsity's first match, the scores were 15-3 and 15-11, while in the second match, they were 15-7 and 15-9. Mindy Hutchinson led in the spike column with 19 for the night and Mary Albus was close behind with 15. Karae Beason and Diane Helms backed them up with five and four spikes for the night. Leading in the setting column was Kay Howell with 27 and

Chayo Garcia with 18. In the serve column, Karae led with 20 with Mindy close behind with 19.

The Houndette junior varsity came out with a win with the scores of 15-9 and 15-9. They played better and had fewer errors, which made the victory nice. The Houndettes will play next Monday at Harrold and will carry a junior high team also.

There will be the first annual Houndette volleyball tournament on October 25 at the Knox City high school gym. The girls will be selling all-day tickets in advance to promote attendance. The teams participating are Hawley, Hamlin, Vernon, Aspermont, Windthorst, Crowell, and Holliday. Plans are for this to be an annual tournament. Competition will be preparing for bi district play as it will be the time when all teams will be finishing their district play.

## KC Bullies Stop Jaybirds Flight

By Kevin Eaton and Chris Whitaker

The Knox City Junior Varsity Bullies rolled over the Jayton Jaybirds last Thursday night, 30-6.

Passing by quarterback Dwayne Watkins was the key factor of the game.

Our first score was a 45 yard completion to flanker Rodney Dever. The two point conversion was caught by David Lankford starting the game off, 8-0.

Next, Jayton recovered a fumble and went on to score their first and only touchdown of the game. The two point conversion was stopped making the score 8-6.

The Bullies came right back late in the first quarter to score again on a keeper by Watkins. Watkins then completed the conversion to Whitaker making the score 16-6

Midway through the second quarter Junior Grindstaff flashed downfield on a spectacular 60 yard run. The Bullies failed to push the extra point conversion across, making the halftime score 22-6.

During the third quarter, the Bullies were held to no score as the drizzle turned to rain. Once more Watkins sped out of the pack to make our last touchdown. The extra points were completed to Whitaker finishing the game

with a shattering 30-6 victory.

Throughout the game our defense destroyed the offensive attempts of the Jaybirds. Mike Oliver and Kevin Eaton recovered fumbles and Junior Grindstaff, Alex Espinosa, and Jeff Reece each snagged interceptions. Chad Whitley stopped an attempted Jayton touchdown run.

Our next game will be at O'Brien with the Munday Moguls on October 9, at 7:30 p.m.

### 'Cattlex' To Benefit Cattlemen

Cattle marketing is now going the way of the computer.

A new computerized cattle marketing project called "Cattlex" (for Cattle Exchange) has been launched by the Texas Agricultural Extension Service and Texas Agricultural Experiment Station of the Texas A&M University System and the U.S. Department of Agriculture.

Cattlex is currently in the demonstration and experimental stage for the purpose of developing trading techniques and operating procedures for computerized cattle marketing, points out Jim Mazurkiewicz, County Extension Agent.

The test project will run daily for nine months.

Computer terminals have been set up at 18 different locations over the state to link together feedlots, order buyers and auction markets, Mazurkiewicz says. Locations were selected based on cattle volumes and density as well as economy of operation.

To use the system, a producer requests a grader from a computer terminal location to list and describe the cattle he wants to sell, Mazurkiewicz explains. The description and listing fee is about \$1 per head payable before the lot is offered over the computer system. Included in the description are such things as sex of the cattle, age, grade, breed, weight and flesh condition. A seller may also put a "no-sale price" on the lot which means that he does not want to sell for less than a certain price.

This information is then consolidated and transmitted by way of a cathode ray tube (CRT), a television-like screen which is a part of the computer terminal. The terminal can also produce a printout of the information.

Each day before the sale begins, buyers gather at the terminal site to review the day's listings on lots of cattle offered for auction. When a sale is made, a printout at both the buying and selling terminals will present a confirmation of sale.

Both buyer and seller will also receive a copy of the individual description of the lot. Title transfer is at the time of official weighing for ranch cattle and after the sale for delivered cattle.

With Cattlex, buyers still bid competitively and sellers still seek the highest possible price, Mazurkiewicz points out. However, the system expands the scope of trading and reduces transportation and stress through more direct movement. Sellers have the advantage of more purchasers while buyers have more lots of cattle from which to choose without scurrying over the countryside.

Recent trends toward more local auction sales as well as direct selling on farms and ranches has resulted in more dispersed, low-volume markets too small to attract large numbers of buyers. However, Cattlex centralizes the price negotiation process in marketing livestock without the costs involved in

### Catholic To Host Men's Breakfast

The monthly men's breakfast will be held Saturday, October 4, in the St. Isabel Hall with the men of the Santa Rosa Catholic Church as hosts. Starting time will be 7:00 a.m.

All men and boys of the community are invited to attend.

physically centralizing buyers, sellers and livestock.

An added benefit of Cattlex is that it provides fast, up-to-date market information. Interested parties can watch the market as it occurs over the state or nation by simply viewing the CRT at the terminal site, Mazurkiewicz says.

To see Cattlex in action, Mazurkiewicz encourages producers to visit one of the cooperators who is participating in this experimental system of computerized cattle marketing.

### Notes From Hoopas

By J. Williams

For two days, soft rain fell. Gentle drops dappled the ground in places, while a few miles away the sun bore down undisturbed.

The rain was like a mountain rain, brooding over the parched earth, so light, so slow. There was no runoff.

"Ain't rainin' hard enough," said one of the old hands at the cafe.

that changed during the night on Friday. The rain seemed to spread, to become more general, and more intense.

Bar ditches, filled with murky water, then began to run swiftly. Mud holes and ruts softened. Dry, cracked tank bottoms began to collect water. The ground had been soaked at last.

A steady sometimes

hard, rain fell all day Saturday. Water began to cross the highways in the usual places. Reporters on the radio talked of flooding in a few area towns.

The Brazos rose, swelling to its banks, flowing red and muddy, washing silt and timber downstream.

The haze and pallor of the drought washed away. The greens of the trees and grasses darkened, and for the first time in a long time, folks got stuck.

The longest, hottest, driest summer in memory ended, and despite certain inconveniences, a sweet sigh of relief could be heard all down the country.

### DPS Warns Of Less Daylight Hours

The Texas Department of Public Safety wishes to warn the motorist that daylight hours will be getting shorter. It is difficult to see a person on foot during the twilight hours.

#### Did You Know?

—That chocolate, one of America's most popular flavors, was once considered a powerful aphrodisiac by the Aztecs and was reserved for rulers and warriors?

—That U.S. chocolate manufacturers use approximately 3.5 million pounds of whole milk daily to make milk chocolate?

—That chocolate contains an ingredient that seems to inhibit tooth decay?

—That recent scientific studies show chocolate does not cause acne?

Major C.W. Bell, Regional Department of Public Safety Commander said, "Children will be attending school and this will cause an increase in pedestrian traffic. Human life is the most precious commodity we have, more especially our school children's lives."

Look for the pedestrian and the big yellow school bus. It's easier to see something when you are looking for it.

When you see a child in the street, expect him to do anything, and be ready to give him the right-of-way.

Back to school time is a good time of year. Let's make sure all the children enjoy it all year long!

### KC Colored News Events

Elder and Mrs. Major Johnson's fourth anniversary service as pastor and wife of the Stamford Church was held on the third Sunday in Stamford.

They have labored faithfully at the Stamford Church these years. Elder Leon Ward preached that evening from the book of Genesis concerning Joseph and his brethren, "Shake The Dirt Off", a great message.

The Knox City Church is having prayer meetings each evening at 7:30 p.m. instead of 5:00 p.m. in order that other members are able to attend also. The prayer meetings are held Monday through Friday, everyone is invited to come.

Sunday school had a small attendance with Missionary Wilson in charge.

In the morning service, Pastor Bennett preached powerfully from Matthew 19: 16, 17.

Some of the members from this end of the district were unable to attend the Joint Union meeting in Stamford this past Sunday evening because of a highway being blocked because of high water.

We were grieved to hear on Friday of the passing away of our beloved sister in the Lord, Mrs. Eunice Giles of Goree.

Sister Giles' funeral was held at the Munday Church on Monday afternoon.

Overseer A.C. Bennett brought the eulogy. Sister Giles labored faithfully in the Goree Church and the work in the district also. We shall miss her greatly.

### "Intergalactic" Fun

STAR WARS toys have now become the first choice of children the world over. They enable children to "enter" the fast moving world of outer space. Children not only recreate scenes from the two popular movies, they create their own imaginary adventures.

Luke Skywalker, Princess Leia, Han Solo, Chewbacca, C-3PO and R2-D2 are as familiar to children as Mickey Mouse. Kenner Products, the Cincinnati-based toy manufacturer, adds a new dimension to the popular space saga with eleven new characters from the latest STAR WARS chapter, "The Empire Strikes Back." These figures include: Luke Skywalker in Bespin fatigues; Princess Leia in a Bespin gown; Han Solo in a Hoth Planet outfit; Lando Calrissian (leader of Cloud City's Bespin mining colony); Bossk (the alien bounty hunter); FX-7 (a medical droid); IG-88 (a droid bounty hunter); an Imperial Snow Stormtrooper; a Bespin Security Guard; a Rebel Snow Soldier; and Yoda (the 800 year-old Jedi master).

A new "Empire Strikes Back" playset is the Hoth Adventure Set. It allows children to return to the snow covered ice planet. Also available are Han Solo's Millennium Falcon, the Imperial Tie Fighter, Luke's X-Wing Fighter, and the Droid Factory.

There are more than 20 new "Empire Strikes Back" toys planned for this year. These new figures, playsets, space vehicles and other related toys help broaden a child's special gift of imagination.

### News Notes from the Brazos Valley Care Home

By Laura Ivie

A rainy Sunday morning, September 28, Ozelle Stephens taught Sunday School. The rain didn't dampen the spirit of the 16 residents gathered to hear Ozelle teach Acts 25.

Mr. and Mrs. Jack Tankersley presented a beautiful song "Hide Thou Me" assisted by Peggy Guinn on the piano.

Church services were not held Sunday afternoon because of the rain.

Sacrament was held by the Church of Christ in Mrs. Dabney's room with five participating.

On the 26th, Mr. Kuehler from Rhineland held communion for Onefro Gonzales, Lenora Reyna, and Frank Leija.

Last Tuesday, the staff and residents had a surprise birthday party for our administrator Doyle Graham. They enjoyed cake and ice cream and it gave us all a chance, especially the residents, to give a big Thank You to Doyle for all he has done for Brazos Valley.

Last Thursday, the Knox City Garden Club brought refreshments to the Care Home. Jewell Lea and Ada Mae Averitt served punch and cookies and Jewell called Bingo. The Garden Club is active in all civic activities and we're very thankful they have volunteered their time at the Care Home. They will bring refreshments once a month and we really appreciate this. They also brought favors to give to the Bingo winners. One of our residents, Mrs. Hoge, helped with serving.

Thursday's bingo winners were Wayne Harden, Eda Faye Pounds, Commie Montgomery, Ruth Harden, and Zona Guffey. The Blackout winner was Leonard Jones.

Betty Aldridge, Bessie Clower, and Raymond Wilhite visited C.C. Strickland and Willie

Aldridge. Evelyn Boyd, Mrs. Thomas, Christi Clayton, Lois Smith, Flora Tankersley and Steve Reyes visited Ben and Esther Bradford.

Earl Watson visited Charlie Collier. Vida Williamson and Virgie Tankersley enjoyed their company Buddy and Flora Tankersley, Estelle Hawkins, Virginia and Eddie Adkins, Jerene Cypert, James and Charlotte Patterson, Christi Clayton Lois Smith, Louise Finley and Clifford Williamson.

Daisy Dean Smith, Estelle Hawkins, and Margaret Urbanczyk visited Chessie Jackson and Dicie Singleton. Cleo Collins, Jewel Bailey and Wanda Phelps visited Wayne and Ruth Harden. Mae Flowers welcomed her visitors, Hope Poe, Vallie Duncan, Marie Darr, Pearl Gage, Agnes Myers, Lorena Burnison, Dean Worley, Bessie King, Blanche Elliott and Evelyn Boyd.

H.E. Wall Sr. enjoyed his visitors, Zena Wall, Debbie Johnson, Earl Watson, Florence Smith, Lee

Killingsworth, Louise Finley, John Smith and Daisy Dean Smith. Raymond Wilhite visited Lena Dabney. Mabel and Chad Wilson visited Mr. and Mrs. Hoge. ## WTRC Directors Hold Fall Meeting

The Board of Directors of the West Texas Rehabilitation Center met for its monthly meeting, the first held this Fall, at the Gist Memorial Center, 4601 Hartford Street, in Abilene. John Hamil, president of the Board of Directors, greeted the Board members with good news and bad news.

The bad news was that the Center had had to borrow for the first eight months of operation \$500,000. The good news-at this time last year the Center had borrowed \$650,000. Hamil pointed out that not only was the deficit less than a year ago, there were more patients and more expenditures being made and actually the Center was in much better shape than it was a year ago.

Hamil also pointed out the Abilene campus second floor addition was progressing well and that it would take in the neighborhood of \$1,000,000 to furnish and complete this addition. Hamil added that he had received word from Sun Oil Exploration Company that they were pledging \$75,000 to the building campaign to be paid in three installments. Sun Oil Exploration became interested in the West Texas Rehabilitation Center through the Joint Venture for Crippled Children.

In other business, it was reported the West Texas Rehabilitation Center was looking forward to the Cat-

lemen's Roundup for Crippled Children sales which start on September 29, and run through October. In other activities coming up in the near future, he pointed out that October 7, Maurice, Incorporated of San Angelo would hold a Style Show with limited ticket sales of 800 at \$25 per ticket, to be held in the San Angelo Convention Center for the benefit of the West Texas Rehabilitation Center. He also pointed out the great importance of the sale of the Joint Venture for Crippled Children which would be on October 29.

Frank Meyers, chairman of the Nominating Committee, presented three nominations for the Board of Directors, and they were each elected. They are Jimmy Farrington, retail oil executive of Abilene; Herman Windsor, accountant and oil supplier of Abilene; and Abe Allen, pharmacy executive of Abilene. All three new board members were elected for a term of three years.

In other business, Hamil pointed out that the executive committee had placed the following priorities and immediate goals for the Rehabilitation Center.

- (1) Operational monies for WTRC,
- (2) Completion of the Abilene campus building project,
- (3) The West Texas Rehabilitation Center San Angelo \$1 1/2 million building

and \$1 1/2 million endowment to support this,

(4) The West Texas Rehabilitation Center Abilene Rex Allen Bunk House.

Hamil pointed out to the Board that he felt like if the general operational budget was met then the first

priority would be met and said from the appearance of the pledge and other pledges that the number two priority would be accomplished within the next 60 days. He stated he realized the tremendous responsibility of the new addition in San Angelo and he felt certain that the people of the Southwest, once they know of the opportunity to further rehabilitation of the handicapped, would be most cooperative in this program.

Nationally known feed manufacturer can use wide-awake self-starter for full-time work as sales and service representative right here in Knox City. On-the-job training. Good promotion possibilities. No forced transfers. Excellent benefits program. Home every night. Interested in you if you are capable of being on your own, making decisions, and meeting people. Confidential evening interview. Contact: Box 17, Aspermont, Texas 79502.

Sterling Lewis of Lewis Deluxe Paint & Body Shop, Knox City, receives his copy of the new Big Country Telephone Directory from Jim Hilger, area manager of the Big Country Directory, Abilene.

### NEW TELEPHONE BOOKS ARE HERE!

The new Big Country Telephone Directory for Knox, Baylor, and Throckmorton counties has now been delivered. This directory includes Seymour, Knox City, Munday, Throckmorton, Benjamin, Elbert, Goree, Lake Kemp, Megargel, Truscott, and Woodson.

The new phone book is published annually by Associated Publishing Company in Abilene and is a handy reference of business buyers and sellers in this area. It is designed to be a complete source of information in both the white and yellow pages.

Geographically designed, one book covers an entire market area and is compact with easy reference. It is the most complete source of information on businesses and residences in this area. It is also available to guests at area motels. Particularly significant are the lower advertising rates, according to Jim Hilger, area manager.

As the Big Country Telephone Directory is put into daily use in the area, the Knox County Community will find it most useful and very convenient. If you have not received your free copy, pick one up at Lewis Deluxe Paint & Body Shop, 106 N. 2nd, or at the Chamber of Commerce.

## Sunday Reception Honor K C Couple

A reception honoring Mr. and Mrs. Buddy Angle in observance of their Fortieth Wedding Anniversary was held Sunday, September 28, in the Community Center. Calling hour was from two until three o'clock in the afternoon.

Hosting the reception were the couple's daughters, Gwen and Stacy, and their grandson, Clay.

A white lace cloth over red satin covered the refreshment table. A three-tiered cake accented with lace lattice, roses and sugar bells, finger sandwiches, cheese slices, olives, nuts, mints and punch were served by the couple's nieces, Mrs. Tom Brooke Hudson and Mrs. Keith Pierce. The centerpiece was an arrangement of red roses.

The registry table was covered with an ecru lace cloth and held a bud vase with red roses.

Mrs. Mabel Pyeatt provided musical selections at the piano.

The couple was married on September 29, 1940, in the home of Mr. and Mrs. Otis Cash with Mr. and Mrs. Eddie Shaver as attendants. Austin Varner, who was Church of Christ minister

here at the time, performed the ceremony.

A World War II veteran, Buddy returned to the states in February 1946 after serving in the Philippines and Japan. He was in the wholesale and retail gasoline business for a number of years before he began farming with his father, the late J.C. Angle. He served as city councilman for a number of years and later was mayor for 12 years. He has also served in several capacities on the official board of the First United Methodist Church.

Billye, daughter of Mrs. Bea Benedict and the late Grady Benedict, was employed by the Knox City Clinic during the time Buddy was overseas. She later worked as assistant cashier of the Citizens State Bank. In 1965, she was employed by The Knox County Herald and worked there until October 14, 1971, when publisher Tommy Herring took voluntary bankruptcy. Less than a week later, the couple, with the help of the entire community, started The Knox County News.

Approximately seventy-five guests registered from Munday, Benjamin, Truscott, Gilliland, and Knox City.

## FASTER WAYS WITH MICROWAVES

Vacation days are over and the kids are back in school, but that doesn't mean your daily routine has to become "ho-hum". Here are some recipes from a Whirlpool microwave oven cookbook that can make your family think they're spending an evening south of the border. Mexican food can be a fun dinner with the family or a great idea when the kids have a few friends over after the football game. Huevos Rancheros are tortillas topped with sausage, peppers, eggs, tomato and cheese. The Chile Con Queso is a quick and easy dip to serve with tortilla chips.

### HUEVOS RANCHEROS (shown)

Total cooking time: 18 min. 30 sec.

- 2 tablespoons cooking oil
- 4 6-inch corn tortillas
- 8 ounces bulk pork sausage
- 1 cup refried beans
- 2 canned green chili peppers, seeded and chopped
- 1/2 cup chopped onion
- 1 clove garlic, minced
- 1 tablespoon cooking oil
- 3 large tomatoes, peeled and chopped
- 1 4-ounce can green chili peppers, seeded and chopped
- 1/2 teaspoon salt

- 2 teaspoons cornstarch
- 1 tablespoon water
- 4 eggs
- 1 cup (4 ounces) shredded process American cheese

Heat 2 tablespoons oil in skillet on top of range. Dip tortillas in oil for 10 seconds on each side, just till limp. Set aside to drain on paper towel. In bowl, cook sausage at HIGH for 3 to 3 1/2 minutes, stirring twice. Drain off excess fat. Stir in beans and the 2 chili peppers; set aside. In 10 x 6 x 1 1/2-inch baking dish,

cook onion and garlic in 1 tablespoon oil at HIGH for 3 minutes, stirring once. Stir in tomatoes, the 4-ounce can of chilies, and salt. Cook, uncovered, at HIGH for 6 to 7 minutes or till boiling and tomatoes are tender.

Combine cornstarch and water; add to tomato mixture. Cook at HIGH for 1 minute. Break eggs into tomato mixture. Cook, covered, at HIGH for 3 to 4 minutes or till eggs are almost done, turning dish once. Let stand, covered, 2 to 4 minutes. Meanwhile, spread sausage mixture on tortillas. Place on ovenproof platter. Cook at HIGH for 1 1/2 minutes; top with egg-tomato mixture and cheese. Cook at HIGH for 1 minute. Makes 4 servings.

### CHILE CON QUESO (Chili-Cheese Dip)

Total cooking time: 7 min. 45 sec.

- 1/2 cup finely chopped onion
- 1 tablespoon butter or margarine
- 2 medium tomatoes, peeled, seeded, and chopped
- 1 4-ounce can green chili peppers, rinsed, seeded, and chopped
- 1/4 teaspoon salt
- 1 1/2 cups shredded cheddar cheese
- Milk
- Tortilla chips

In 1-quart casserole, cook onion in butter at HIGH for 2 minutes or till tender, stirring once. Stir in tomatoes, chilies, and salt. Cook, covered, at HIGH for 5 minutes. Stir in cheese, a little at a time, stirring till melted. Stir in a little milk if mixture becomes too thick. Heat at HIGH 45 seconds. Stir. Serve with tortilla chips. Makes 1 1/2 cups.

## STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"And Jesus said unto them....verily I say unto you, If you have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you" (Matthew 17:20).

To have faith we must start where we are. Study the scriptures in faith. There is wonderful power in these Bible passages when you take them into your consciousness and give them time to work in your inner life.

Take time daily to memorize them, meditate, think over them; say them again and again and make them a definite part of your thought life; by doing this sincerely they will condition your spiritual life. They will help to change you and in so doing change everything for you.

If with all your heart, you want faith, you can have it; for in the Scriptures, God has set before you an open door, and no man can shut it. It is yours for the asking believing deep in your heart the Word of God. He is waiting for your cry, because He loves you.

## Crusade Funds Reach All-Time High

The Knox County Unit of the American Cancer Society met Thursday of the last week in the Munday Community Center with Linda Vann and Cheri Huff of Wichita Falls as guests, and reported on all-time high for the unit.

Katherine Smith, 1980 Crusade chairman, and Hank Matthews, treasurer, reported the following totals: Knox City, \$1438.00; Munday, \$1480.00; Goree, \$140.00; Benjamin, \$245.00; Vera, \$327.00; Truscott, \$73.00; Rhineland, \$1305.00; Gilliland, \$97.00; Memorial funds, \$2,008.00; and Special events, \$793.00, making an overall total of \$7,408.00.

Special awards were received by Katherine Smith, Frances Coffman, educational secretary, and Loyd Clark, president. The unit expressed appreciation to all who helped make this crusade such a great success.

Special recognition went to Hank Matthews for his outstanding work as memorial chairman and to Paul Clayton for his assistance, to Glenn Feemster, Loyd Clark, Valera Hertel, and Bertha McKinney for time spent on special event items and to crusade workers Wilma Beck of Vera, Shirley Ameron of Munday, Cornie King of Knox City, Ronnie Cude of Goree, Philomae Roberson of Benjamin, Mrs. Paul Bullion of Truscott, and Geneva Navratil of Gilliland.

Officers elected for the new year are Katherine Smith, president; Geneva Navratil, vice president; Loyd Clark, secretary; and Bertha McKinney, treasurer.

The unit will be having afternoon meetings at Benjamin on fourth Thursdays at 3:30 o'clock.

The public is invited and officials are hopeful that more can join in this rewarding work.

## Retired Teachers Meet September 23

The Knox County Retired Teachers Association met Tuesday, September 23, at 2:30 p.m. in the Community Center.

President Hazel Long was in charge of the meeting and Secretary Sammie Carpenter read the minutes for the May meeting.

Sudia Cash gave the Treasurer's Report and informed members that state and local dues had been paid.

Exa Faye Reed from Pampa was welcomed into the Knox County Chapter as a transfer member.

Hazel Long and Mary Jo Lankford served tea and cookies while the members enjoyed visiting and discussing plans for the coming year along with their recounting interesting happenings of the past summer.

Those attending were Hazel Long, Mary Jo Lankford, Maurysie Stone, Sudia Cash, Sammie Carpenter, Lois Smith, Hazel Smith, Ila

Moody, Louise Finley, Euris Reid, and Exa Faye Reed.

Munday, Goree, and Weirnt members will direct the next meeting, October 28, at 2:30 p.m. in the Knox City Community Center. Euris Reid will serve as chairman and leader for the meeting.

All Knox County Retired Teachers Association members are urged to be present for the October meeting.

Also, all retired teachers in the county are invited to attend the October meeting and to consider becoming working members of the Knox County Retired Teachers Association.

A MESSAGE TO BABY SITTERS.  
Everyone of you are important people. You are entrusted with the most precious jewels any family possesses. . . . their children.

BE WORTHY OF YOUR TRUST.  
You are chosen because you are deemed reliable, love to take care of children and are capable of following instructions.

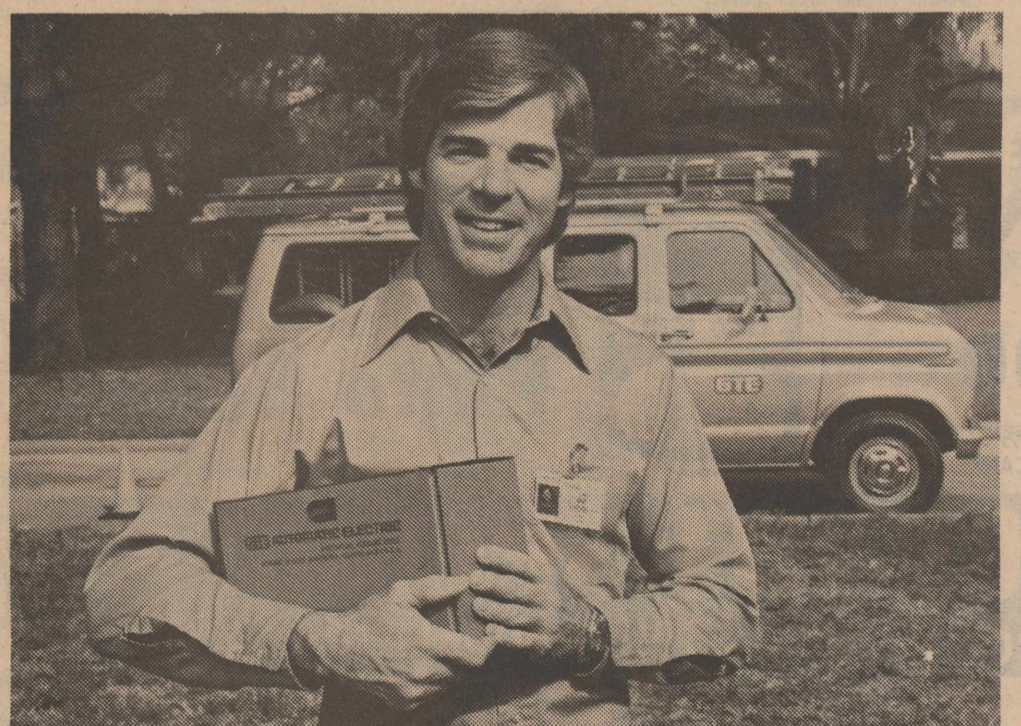

WHAT BABY SITTERS MUST KNOW.  
1. How to regulate the heat, or air conditioner. Where and how to change a fuse. The location of first-aid supplies.  
2. The phone number of the police, fire department and nearest relative or friend in case an emergency occurs.  
3. If you are expected to change a diaper or feed the children ask mother to show you where everything is and explain how.  
4. Keep medicines and dangerous objects away from children.

WHAT PARENTS MUST KNOW.  
1. Never use a baby sitter if children are sick.  
2. Before leaving make certain doors and windows are locked and instruct sitter how to use television or radio without excessive noise.  
3. If impossible to return at promised time, phone the sitter and escort her home if hour is late.

PHONE OUR PHARMACY IF WE CAN HELP.  
If an emergency ever occurs and a physician is unavailable perhaps we can advise you temporarily till we locate a physician for you. We hope the above information is useful. Save it for future reference.
